The Voice of the Next Generation

Beverley Youth Forum 2013

On Friday 03 May the Town Hall came alive with 29 kids buzzing about doing hip hop, enjoying a sausage sizzle or two but most importantly coming up with their own ideas and suggestions for initiatives they would like to see in future years!

As part of the National Youth Week, the Shire of Beverley hosted the event to make sure the hopes and visions of the younger generation are considered and planned for. Shire President Cr Dee Ridgway, Cr Peter Gogol, Cr Belinda Foster and Cr David White were all on hand not just to cook an awesome BBQ but to hear the kid's ideas first hand.

To get the creative ideas flowing, the day was facilitated by Liz Brennan from RDA Wheatbelt who hosted some big idea brainstorming and "leap into action" sessions.

These sessions, one in the morning and the other in the afternoon allowed the kids to freely voice their own opinions and democratically pick their favourite ideas.

The middle of the day was hosted by Urban Youth Crew Effects who put on a hip hop exhibition and then a workshop to teach the kids a few moves. Watch out "So you think you can Dance" there could be a few talented Beverley kids heading your way! A big thank you to RDA Wheatbelt Youth Support Officer, Lyn Kay for organising Urban Youth Crew and helping make the event successful.

The day ended with some tired kids presenting some wonderful ideas and finally receiving a small bag of goodies to thank them for participating. The three most sought after projects (out of the more than 50 big ideas) included a skate park, go kart tracks and hip hop workshops. However there were plenty of other good suggestions such as movie nights, a community garden, youth graffiti walls and lots, lots more! All the ideas will be considered in future planning and budgets. Council would like to thank the young people who attended on the day for their ideas and enthusiastic participation.

Recognising Achievements of the Youth in Beverley

Above: Gemma and TAFE Lecturer Sue Byfield

Job opportunities in rural communities can be a struggle at times, especially for the youth. It seems to be a catch 22 situation - a good education without any work experience or hands on experience without any qualifications.

Apprenticeships and traineeships offer both qualifications and on the job training. The Government are offering great monetary incentives for both the employee and employer.

Local Beverley resident Gemma Ugle undertook a traineeship at the Beverley CRC, where she studied Cert II and III in Business and Administration. During her time at the CRC Gemma received a highly commended award for the ATSI Wheatbelt Trainee of the Year 2012 and more recently Winner of the 2013 Aboriginal and Torres Strait Islander Business Student of the Year, at CY O'Connor TAFE Institute Graduation and Award Ceremony on Friday 12 April 2013 in Northam.

Congratulations Gemma.

President Report **June 2013**

Wheatbelt Aged Care Planning

Consultation and planning is underway for an overall Wheatbelt Integrated Regional Aged Care Plan. Thankyou to those who participated in the Beverley workshops in May of which the consultant was particularly taken by the participation and information gleaned from the segment held at the Beverley Men's Shed.

The findings continue to highlight deficiencies across the Wheatbelt regarding the gap in Federal funding that communities could be receiving for aged care support compared to what is actually being received, which reinforces the outcome of last years Beverley Aged Care Plan. The Beverley plan has been provided to the consultant as the Shires contribution toward the Wheatbelt project.

It is clear that the majority of people prefer to remain in their community as they age, receiving community care either in their own home or downsizing to something smaller that will still allow them to live independently.

The regional aged care planning process aims to look at all facets of aged care including "age friendly" communities, community and residential care, and aged persons housing.

Dawson St Independent Living Units

In terms of a well built, low care, lock and leave lifestyle home, which is conveniently located to shops and

community facilities, allowing the residents to comfortably and easily remain in their own home and age in place for as long as they wish, it is extremely disappointing that these exceptional villas have not yet been leased.

Until resolved it will be difficult to progress any further housing projects in our community. Council has a review underway.

Youth Forum

In May the Shire of Beverley teamed up with RDA Wheatbelt to hold the Beverley Youth Forum. This was a successful day where ideas were gained directly from youth in our community in a fun way which can now be used by Council as a basis for future activities, budgeting and planning to best utilise available resources. I would particularly like to recognise the efforts of Ali Lewis toward planning and preparation for this event and a very big thankyou to the younger members of our community for your participation.

Roadworks

Road safety works through the Black Spot funding initiative have been completed by the shire boys at the junction of Valentines Rd and York Williams Rd. Gravel sheeting on the York Williams Rd north of Westdale Rd is progressing well. The Shire is assisted with funding for this through Roads to Recovery.

Avondale

Various partnerships and funding sources continue to be investigated for Avondale by both the Shire and the National Trust in an endeavour to achieve a sustainable outcome for the property and retain public access. The Shire has engaged a consultant to assist develop a business plan in support of an application to the 13/14 Regional

Country Local Government Fund to upgrade visitor amenities and accessibility at Avondale with the guidelines yet to be released.

It was very pleasing to see such a good rollup for the first of the monthly get togethers by the machinery museum volunteers, especially as seeding was underway. As with many facets of Avondale the volunteers play an extremely important role and the Shire, which became custodian of the collection in the transfer of Avondale's management to the National Trust, recognises that it would be difficult to further develop the museum without this ongoing support. The CEO and I have recently visited the WA Tractor Museum at Whiteman Park.

Thankyou to Bruce Mann who is the outgoing President of the Avondale Farm Project Association. Bruce has committed a significant amount of time and energy toward the progress of Avondale. Congratulations to incoming President Sue Martin. Thankyou and farewell to Harold Anderson for his involvement at Avondale and the many other community groups he and Margaret have contributed to during their time living in Beverley.

Vandalism

Quite often I hear comments from visitors to our town regarding how lovely they think Beverley is and how friendly the people are. I also hear of people who chose to live here because of it, wanting to be part of our community. For the majority of us, the vandalism that occurred over several weekends around Easter time, particularly in the main street precinct, was disappointing.

Repairing and cleaning up is costly and disheartening for the affected parties, and in the case of the Shire, it means a total waste of resource that could be better allocated

elsewhere for more positive community benefit. If anyone has information regarding any acts of vandalism in or around Beverley please let the Shire or Local Police know.

Local Government Elections and the Role of Shire Councillor

The next Local Government elections will be held in October 2013. Have you ever considered nominating for Council? Information regarding local government elections and the role of a Shire Councillor can be accessed on the Department of Local Government website. www.dlg.wa.com.au The CRC has a government access computer which is free to use should you require.

Wheatbelt Digital Action Plan – getting ready for the NBN rollout

In 2012 Regional Development Australia (Wheatbelt WA) established a steering committee and engaged a consultant to develop a plan to increase digital awareness and identify activities to maximize the uptake of NBN across the region. Narrogin Deputy Mayor Rob Madson and I have been representing the Central Country Zone of Local Governments on this committee. The plan, which is now in its final draft, targets key areas of Learning, Connectivity, Leadership, Building Community and Services on-line, and Building Digital Innovation.

Bush Fire Fighting Training Course

A bush fire fighting training course will be conducted on Thursday 20th June in York Further details contact the Community Emergency Services Manager on 0427057719.

Recreation Building and New Courts

Hopefully as you read this the recreation building at the oval is being readied for Beverley's first

home Avon Football Association game because the power and gas have been connected, the commissioning of the building has occurred and the various challenges that have presented since the project was initiated last year are now becoming but a memory for our CEO and staff (most recently when contractors were unable to connect the power on time due to the cable being too short, gas installation delayed, an impending building contract deadline, and scheduled community sporting events looming). The Shire is aiming for the building to be ready for Sunday

9th June, so perhaps you'd better come along to the football and see if we made it!

The new courts are to receive a sport surface and line marking in the near future. More details of the official opening of the courts to be advised at a later date.

Hope seeding is or has progressed well for the farming industry.

Dee Ridgway
Shire President

Disability Access and Inclusion Plan

The Shire of Beverley will be holding a public consultation meeting at the **Amenities Building, Forrest Street at 11.00am on Monday 17 June 2013** to discuss and review the Shire of Beverley's Disability Access and Inclusion Plan.

Members of the public, especially the disabled and family members are invited and encouraged to attend.

If you are unable to attend and wish to comment or make suggestions please send your correspondence via email to admin@beverley.wa.gov.au or post to Chief Executive Officer, PO Box 20, Beverley WA 6304.

For more information or to advise of your attendance please call the Shire Office 9646 1200.

Light refreshments will be provided.

Stephen Gollan
Chief Executive Officer

**Monster Garage Sale at
Whispering Gums Tree Farm & Nursery**

I have sold the above named business and land to new local owners who wish to continue the business and tree farm. I'm about to become a grey wallaby and as such need to down size. Wine Appreciation Night

7.30pm on Friday the 28th of June, the Chidlow's Well Winery will be attending a fine dining night at the RSL Hall at 50 Forrest Street in Beverley.

There will be a five course gourmet meal, consisting of soup, three entrée sized dishes and a sweet with a selected wine for each course followed by tea and coffee. The representative from the winery will give a short talk about each wine as each course is being served.

The winery will also have their wines on display and for sale to those who wish to purchase.

Cost for the night is \$60 per head all inclusive. As there will be only 40 seats available you will need to book early.

BEVERLEY COMMUNITY PARALEGAL INFORMATION SERVICES

The following information courtesy of ABC Radio National – recently the Salvation Army carried out a survey amongst recipients and the results indicate that 98% have no savings, 50% have children, 50% have insufficient food to feed their children and 50% need help to pay their bills. The main problem is the lack of housing and high rental costs.

Currently the minimum wage is \$630.00 per week and the ACTU is seeking a wage increase of \$30.00 per week for the “working poor” which would bring the minimum wage up to \$660.00 per week.

457 Visas for skilled overseas workers are conditional on several factors including type of job, the location of the job and for how long (as per TV Reports). Fees vary from \$440.00 to \$880.00. All other visa fees are expected to double from 1 July 2013. For further information phone Department of Immigration before you think of sponsoring anyone.

The following matters have been handled this month – financial hardship, urgent rental accommodation, Centrelink Referrals and support to non-profit organisations. Plight of our needy concerns were lodged to both Prime Minister Gillard and the Leader of the Opposition, Mr Tony Abbott.

ID documents are witnessed on a daily basis

Concerns that residents raised were Restraining Orders, property and vehicle damage, Neighbourhood disputes, abusive/threatening behaviour – I advised them to contact the Police. Where someone is fearful of being physically assaulted or the safety of their children please report the matter to the police as soon as possible and keep a record of the time, place and threats made and whether a VRO is warranted. Damage to vehicle/property is a civil matter. VRO's are also dealt with in a Criminal Court.

Neighbourhood disputes – if a fall out leads to a dispute beware of malicious gossip it can end up in a Civil Court. If defamation/slander is proven, the Court can award hefty damages based on the defendant's status/reputation in the community. My personal experience led me to lodge a complaint against a person, who is hardly known, whose abusive and threatening behaviour had to be stopped. At this point in time, I am waiting for legal advice and proof as to who said what and will thereafter proceed with legal action if warranted.

Finally, on a happier note – Many thanks to the Shire President, Councillors, CEO and DCEO for their invitation to join them for lunch with Judy Moylan MP and Mr Christian Porter, former State Attorney General, an enjoyable time was had by all.

Mal G Roberts

CRANA ABORIGINAL CORPORATION INC

CRANA directors had been invited to attend the following:

1. National Congress of First People Seminars to offer their comments and concerns on Indigenous matters.
2. To attend a three day workshop at Perth and Albany relating to Certificate in Good Governance for Indigenous Corporations.

Unfortunately Mal Roberts and Mitch Henry were unable to attend due to different dates and time factors and other community commitments.

Radio National ABC reported on 21 May 2013 that the suicide rate amongst Indigenous youth (some as young as 12 years old) is four times greater than their non-Indigenous counterparts. Elder Eggington and other Indigenous leaders discussed their joint concerns on 21 May with Premier Colin Barnett. This is a very disturbing and sad state of affairs, where young people choose this horrendous path. The sad loss has tragic consequences for all involved – family, friends, teachers, etc. and remains with them for all time. It can be said that in many cases the mates who are left behind are almost half non-Indigenous.

For years voices from all quarters are lobbying both State and Commonwealth governments to help with this problem. We hope this recent survey will be a wake-up call to all concerned Australians.

Beverley Visitors Centre and Aeronautical Museum

May seems to be the month for Tourists. At the time of writing this article, we are only three quarters of the way through the month and already we have had nearly 180 people visit the Bureau. This includes a bus with Probus Members from Narrogin, who also visited the Railway Station Art Gallery and the Dead Finish Museum. They also booked and had lunch here in Beverley. I understand they visited Beverley after our town was recommended to them by others who had been here. Word of mouth seems to be a great way to promote a town.

Another couple, from Yorkshire in the UK, also learnt of Beverley by word-of-mouth. They were tractor enthusiasts and we were able to arrange for one of our volunteers to take them to Avondale to see inside the shed there. When they were brought back to the Bureau, they were so excited, having seen a 'charcoal burning tractor' which, as they described, was something they had read about, talked about, but never dreamt they would ever see. The lady, who incidentally is the expert, gives talks in the UK on - guess what? Tractors. She said the trip out to Avondale not only made her day, it made her whole holiday. Surely this alone is a call to keep Avondale open! There is a wealth of information for everyone there, which sadly, at this stage, no-one can see.

Thank you again to everyone who welcomes visitors to our town, especially volunteers who open up the Railway Arts and the Dead Finish Museum. You are serving the whole community and it is much appreciated by everyone.

BEVERLEY BRANCH, COUNTRY WOMEN'S ASSOCIATION

www.cwaofwa.asn.au

Hello again, hasn't the year flown by? Our May meeting was a very busy one – once again starting with the usual cuppa followed by the monthly meeting then a Bring and Share lunch which always adds a friendly, social get-together.

A special highlight of our May meeting was the surprise presentation of beautifully framed certificates recognising 50+ years of service to the Country Women's Association and the community by Beryl Petchell and Lorraine Sims. It was truly an honour to have been recognised with this award.

Both Beryl and Lorraine joined the Beverley Branch of CWA in March 1956 and have been continuous dedicated members over the years.

CWA will be holding a Street Stall on Saturday 29th June in the Lions Stall shelter next to IGA. There will be excellent raffles and cooking and general stall items. Contributions to our stall and support with any saleable goods would be most appreciated.

Next Meeting will be on Thursday 13th June at 10.00am for a cuppa followed by the June meeting and a Bring and Share Lunch.

Volunteers Needed

Beverley Health Services Meals on Wheels desperately needs volunteers to help to deliver meals.

- A driver's licence is not necessary and only about 1½ hours every three weeks is all that is asked of you.
- There are no meetings to attend and you will receive orientation and be rostered with an experienced Meals on Wheels driver to get you started so why not give it a try.
- A Criminal Record Screening will be done and the cost repaid to you by the Health Service.

If you feel that you can help us please contact Dorothy Sampson on Tuesday or Wednesday on 9646 3213 or leave your name at the hospital on 9646 3200. Your help will be greatly appreciated.

BEVERLEY GARDEN AND TREE SOCIETY

Twenty three members gathered in the gardens of the Dead Finish Museum for our May meeting.

All participants of the bus trip to Garden Week back in April reported a great time. A very crowded bus came back loaded to the gills with plants. As it was the last day there were a lot of bargains to be had.

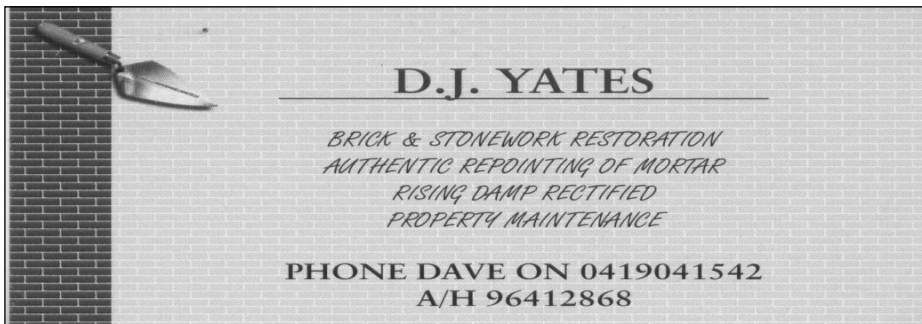

Two of our members are sporting slings....Joy recovering from a shoulder operation and Betty going in for her's next week. Best wishes to them both.

All members are asked to do a pot or a basket up with a plant to be ready in August. Unusual containers would be appreciated.

Members are also asked to put their minds to our show display. The theme is living in the country and colours are green and gold.

Our next meeting is on Tuesday 4th June and will be a pruning demonstration by Wes Gliddon at Mescal Mew's residence at 120 Simmons Road at 10.30am. See you there for some hints and tips.

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304

EYES ON THE STREET^{WA}

Hello All,

As the months seem to fly past, so does it seem does the vehicles. We have been getting reports lately of people driving around in their vehicles around town like idiots. It only takes a split second for a pedestrian to walk out on to the road or a car to pull out from a side street and **BANG** you have just killed someone. That's how easy it could happen. While I paint a gloomy picture and that is a worst case scenario, I am trying to highlight the fact that something's are beyond your control. But if you stick to the speed limit and don't drive recklessly i.e. burnouts, you greatly reduce the risk of crashes occurring and increase yours and other people's chances of getting home safely.

It is also that time of year when there is more agricultural equipment being towed on the roads. In the past I have asked the general public to be careful when driving along the roads when you're near oversized vehicles. I still like that to occur, however I am asking the farmers that are operating and managing the oversized vehicles on the road to be also careful when transporting equipment from one farm to another. A couple of Sunday's ago people towing some equipment through the main highway of Beverley have knocked down a power line, causing the occupant of the house to lose power for several hours until Western Power could arrive. Whilst this is not a regular occurrence it just shows that if you're not prepared these things can happen.

I ask you all to take care on the road when moving the agricultural equipment along the road and make sure that you have all the correct signage and pilot vehicles and also that if you are not permitted to, you are not to move equipment after sunset.

I have added a quick reference sheet that will help you. If you want a more information we have the Guide to the use of Towed Agricultural Implements in WA that I can email you or visit www.mainroads.wa.gov.au .

Whilst on safety on the roads I have noticed some horse riders along the road at night not wearing any safety equipment i.e. reflective vest etc. For the safety of you and other road users I think it would be a good practice if you did utilise some type of reflective equipment of lighting when riding horses on the main road at night.

TIME TO LEAVE

Christine, Charlie and I are leaving Beverley. After 3 years of living and working in Beverley it is time to move on and start a new challenge in our lives. In about 2 months we will be moving, but we will not be lost on Beverley. My parents still live in town and we will be back as much as possible, so you will still see us around town. We have had a fantastic 3 years and loved every minute of it. *Except the 2.30am call outs.*

I don't know who the new OIC will be, but I will make sure I have a choice in who gets chosen. On a brighter note Ian will still be in Beverley and I know he will do a great job in my absence.

Cheers

Darrell and Ian

BEVERLEY THE OSCARS®

Saturday 27th July
Beverley Town Hall
From 6:30pm

Join us for the night of all nights

Glen Mitchell in York

York Probus Club is delighted to announce that their guest speaker for the month of June will be Glen Mitchell. Glen is a Sports Broadcaster, Mental Health Advocate, Writer and Ambassador for One Life, Lifeline and the Lung Institute of WA.

Many readers will have enjoyed Glen's sports commentary, his quick wit and repartee. He also offers some serious stuff as well. Why not come along and meet Glen and enjoy his talk in person?

Members of the community who would like to join York Probus to hear this talk and trial Probus fellowship, friendship and fun are invited to join the group at the York Recreation Centre on Wednesday June 12th 2013 at 9.30 am. Tea and coffee and a bite are also on offer.

Should you have any enquiries about Probus or this event contact Onah Lawn on 0434 553 920.

Station Gallery and Platform Theatre News

Station Gallery

Artist-in-Residence

Within a day of Ruth Halbert leaving the residence we welcomed Diane Newbold, an artist from Queensland. Diane works in various mediums including textile and acrylics and creates three dimensional works using mixed media and found objects. She has been part of several exhibitions including the last two International Womens Day exhibits in Gladstone Community Art Gallery and has been invited twice to exhibit in the prestigious Rio Tinto Alcan Martin Hansen Memorial Art Awards and has two paintings on display in the Garema Court building in Canberra which are the first of a series of six works. While in Beverley she hopes to work on this series as well as create a three dimensional piece. The three dimensional piece is being assembled at the entrance to the Gallery on the lawn and some of you have already contributed towards it. Diane welcomes the community to add found objects big or small to the sculpture - preferably things that have meaning to you personally, be it colour, shape, texture - of pliable materials such as metal, wood, plastic. These objects will be attached to each other, and the form gradually built up. Addition (assemblage) is just one of the technical methods for creating 3D form. As a work in progress it is making for interesting comment and drawing much attention. Drop by and see for yourselves!

A note of thanks to the local community for making her welcome and coming to her aid when the water mains was cut from the Station for a day. An unfortunate accident.

For further information regarding residencies keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence programme 2013:

May 1st- June 12th: Diane Newbold (Queensland)

July 8th- 31st: Marta Salamon (Victoria)

August 1st - 14th: Jessica Ipkendanze (Perth)

August 15th- 22nd: Eunice Mitussis & Biruta McLaughlin (Perth)

September 1st- 30th: Anita Stewart (USA)

October 1st- 31st: Dorothy McInnes, Jenneke Biehl & Suzanne Crawly (Perth)

November 1st- 30th: Janet Pfeiffer (Perth)

Beverley Choir

Well the choir, now to be known as *Beverley Station Singers*, did indeed perform at the Anzac Day service at Brookton to much positive appraisal, and a second meet brought more new members. Kelly Newton-Wordsworth certainly has a way of lifting one's spirits and making learning fun. Additional singers are welcome at the next session on Wednesday 12th June - see separate advertisement and look out for messages in the Beverley Bulletin or contact Sarah Miller - Ph 9646 4066 or email miller@reachnet.com.au

Station Visits

The Narrogin Probus Club visited the Station on Monday 20th May. There were around 30 members - some who had worked on the railways reminisced of times spent at the Beverley Station in its hay day, others recounted travelling by train Narrogin to Perth return, and all were very complimentary of the Gallery and Platform Theatre with the promise to return and see a show when the season recommences.

Sir Claude Hotchin Collections

On Thursday 9th May I had the pleasure of helping officiate the opening of an exhibition at the NEXIS Gallery in Narrogin. Local artists of the Dryandra country area also exhibited their works in the 'Gathering Vision' exhibition alongside the Town of Narrogin collection and 38 Claude Hotchin bequests which had been hidden from public view whilst the town hall was being restored. As we in Beverley have only 14 works bequeathed from Sir Claude Hotchin we are able to keep ours on permanent display. It was indeed timely that only last month a delightful little watercolour painted by Lady Hotchin was passed on to the Gallery. The miniature was given to our donor Shirley by Stan Thompson, Sir Claude's secretary and longtime friend. We have loaned it to the Narrogin gallery for the duration of their exhibition.

More History

Ever on the lookout for stories about the Station from days gone by, Lance and Marilyn Marchesi have been able to extract some fascinating words from an aunt, Billie Farnell, whose parents Jack and Ethel Wilkinson ran the tea rooms at the Station from 1939 to 1947. Here is her description of the tea rooms:

"The café area and dining room were huge and all in all there were about 25 rooms in the place, counting under the stairs and the bathroom. The stairs and the bar were kept polished to a perfect shine as they were beautiful jarrah - I wonder where they went! May Hamersley used to get down on her hands and knees and polish the lino in the café and dining room every week, she didn't have a weight problem. They had number nine wood stove and the scones, pasties and pies were all cooked by Mum. The baked dinner for the trains were also cooked and they had starched white tablecloths which Mum ironed with a petrol iron each Tuesday - God help us if we played up on that day! They didn't take the refreshment rooms on after the war because of the price control, they could only charge 2/6d for a three course meal and that had been set all through the war. We had a cook who lived in the little cottage between the railway station and the tea rooms, I think he must have been of German descent and maybe was a prisoner of war during the war, his name was Dolf.

It was DC power so there were no mod cons like we have now, and it was a chip heater and wood stove. There were no electric jugs or toasters either. I would come home from school and eat the butter out of the frig. We had one of those. We had what was called 'icy balls' to cool the beer. There was a cellar under the bar and the kegs were kept down there as well as the wine. I think Dad used to bottle the wine from a barrel and then they would have a top put on with a seal around them. The cellar had that smell of spilt beer from when the kegs were opened, and was very dampish, but cool. There was a set time the bar had to be opened after the nine o'clock train, and because the bars closed at 6pm at the pubs the locals used to gather there for a late drink, however they overstepped the mark and hadn't closed on time and Mum got real mad and got the huge fire hose and hosed them all out of the bar, the men were terribly offended and vowed never to come back, but they did! I think there was a drink problem even then".

Amazing to think that all these years later on the same spot where the tea rooms stood is now the Platform Theatre where people gather to meet and mingle.

Platform Theatre

Plans are under way for the Country Choir Bash on the afternoon of Sunday 29th September. The date of this event has been set to be included in the big campervan weekend in Beverley. The Station will also host the markets on the Saturday.

Platform Theatre Chair Drive

Station Arts continues to build its store of chairs through a "chair drive" where by you are invited to donate \$20 for the cost of a chair. The tally so far is **350**. If you would like to donate a chair, and/or become a member Beverley Station Arts Inc (Friend of the Station) please see treasurer Pauline at the Newsagency, phone 9646 1042 or email beverleystationarts@gmail.com. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts).

Dates to mark on your Calendar:

Sunday 29th September: COUNTRY CHOIR BASH

Saturday 2nd November: SCOTTISH NIGHT

Saturday 21st December: VARIETY CHRISTMAS CONCERT

Gallery Open Hours

11.00am - 3.00pm

Thursday, Friday, Saturday and Sunday

Beverley Playgroup

The Beverley Playgroup have been operating for many years from the old kindy building and they are affiliated with the Playgroup Association WA. The Playgroup is open for all families in the region to attend and it is a great way for your children to interact with other children in a fun and safe environment, while giving you the opportunity to interact with other parents.

In the past month the children have enjoyed an array of activities, from an Easter Egg Scavenger Hunt, with the children collecting eggs in the bunny cups that they made during craft time. For Mother's Day the children made gifts which they gave to their Mum's over a lovely morning tea.

On Thursday 23rd May the playgroup members hosted an **'Australia's Biggest Morning Tea'** which was a bring and share morning tea. The turnout was fabulous and all the proceeds raised from the morning will be going to the Cancer Council. A big Thank you must go to all the new faces that joined in, it was lovely for the kids to have more friendly faces to play with.

Children benefit from playgroup in many ways:

- It is a safe and nurturing environment where children can play and learn.
- Enhance healthy early brain development through play.
- Opportunities for children to create, invent, reason and problem solve.
- Opportunities to build attachment between adults and children as they play together, and share time and experiences.
- Learn social skills as they negotiate with peers, resolve conflict, take turns, share and make friends.
- Build resilience to enable them to cope with new situations and manage stress and adapt to change.

Playgroup is fun! There are many and varied activities, new children to play with and group activities your children may not experience at home.

As a family how can you benefit from Playgroup?

- A space where families can create their own locally based friends and social networks.
- A place where parents and caregivers can support each other through sharing ideas, parenting experiences, concerns and information.
- A place where families can build long-term friendships as their children grow and transition to school
- An affordable and regular opportunities for families to enjoy a shared outing.

The other benefits include craft days & events such as Christmas Parties, Easter egg scavenger hunts, Mother's and Father's day morning tea and more.

We also have available for the children to use on regular playgroup days:

- Dress Ups
- Painting and crafts
- Cubby House
- Bikes, trikes and carts
- Sand and slides playground
- Big toys
- Book corner
- Baby corner, dolls, prams etc.
- Kitchenette area

What's New, a new book reading program to introduce the children into the world of storytelling and nursery rhymes. We now operate during school holidays, so older siblings can come and enjoy the facilities, children up to 12 are more than welcome to come along. See you at Playgroup.

Older siblings enjoying the facilities during the school holidays

Beverley Agricultural Society Act - Belong - Commit

Well it's that time of year again and the preparations for the annual show are well and truly underway. The Ag Society committee have been working away behind the scenes to bring Beverley another outstanding show day.

We are very please to announce that we have found a new member to run the poultry section, former Beverley resident Miss Leah Adams. We welcome you to the team Leah and it will be great to have some fresh ideas.

What's New in 2013

The theme for the 2013 is 'Living in the Country', we hope that all the local businesses in the main street support us as they have done in the past, by dressing up their shop windows and adorning the shop fronts with scarecrows, farming tools, grains and any other goods that relate to country life.

This year at the show we will be having some new kid's entertainment. As well as having two big rides there will also be Sid and Kim with their dogs performing tricks. A major highlight for 2013 is the Circus Challenge, which is free for the kids to learn circus skills.

We are pleased to announce that once again the children under 13 will get free entry as long as they are accompanied by an adult. Thus the cost of the memberships have changed, membership forms which include prices can be found on page 35. For existing members renewal forms will be posted to you.

Beverley Agricultural Society webpage is up and running, if you want to download site forms, entry forms or to access a copy of the schedule go to <http://www.beverleyagsociety.com/> There are plenty of photos of kids, animals, displays and more, so go and check it out.

Reminders

Sponsors of trophies, please be reminded to inform Sue (phone 9646 4073), schedule secretary whether you will be sponsoring a trophy this year. Trophies can be left at Beverley Newsagency or contact Sarah Aynsley (phone 9646 6246) for alternative arrangements.

We will be holding our annual street stall on Saturday 22nd June, there will be our traditional roast raffle, cakes and other goodies for sale. If our members could please bring a cake or produce to support us, it would be greatly appreciated. The show schedules will be available at the street stall, so make sure that if you want to show off your skills in art, craft, photography and more than get an early start on preserving, snapping pictures, painting, knitting and growing produce ready for the day.

FREE ENTRY for kids*
Proudly supported by State Government

*when accompanied by an adult. Terms and conditions apply.

T.M. Hair Design

Family Hairdressing at reasonable prices

As our lovely Jodi & Marg settle in, we hope finding appointments has become a little easier for you. Both girls are doing beautiful work & we are very proud to have them as part of the T.M. team.

Theresa & Jessica are back from well earned leave & following training from our specialist from Sydney this week all hairdressers are ready & raring to go. Feel free to ask for whoever you prefer when you phone for your appointment.

Appointments are essential so we can reserve the appropriate time for your needs.

AT SECRETS.....Winter is in full swing in the fashion salon. Warm woollies & blends, new scarves, beanies, gloves, even jumpers for the fellas are out and looking great. Vivid winter tops & bottoms are all in & well worth a look at.

New Milleni handbags in Leather and leather look in soon.

New range of silver and gem Earthmade jewellery is here with some stunning designs.

In the gift salon a big reset has been done with fresh displays to show off our beautiful range of gift & home wares. We have fresh stocks of well priced, good quality, towel sets in. Plus fleecy & cotton sheets & warm microfiber, cotton or wool blankets in all sizes.

Look out for our country cottage bedspreads at 20% off.

Mention this add.

Our Ashdene china is always a winner...well priced for large or small gifts and inexpensive enough to spoil yourself with a treat from the range.

Call in to 100 Vincent St, or phone 9646 1122

If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

Avon & Central Primary Health – Promoting Healthy Lifestyles

BEVERLEY SUB CENTRE

THANK YOU & GOODBYE

Our Sub centre family would like to extend our thanks and best wishes to Harold and Margaret

Anderson as they embark on the next stage of their lives, south of Perth. They have served with our Sub centre for many years and in various roles; in the ambulance, on the committee and for the last twelve years as our gardeners, keeping our Sub centre gardens tidy and alive. They will be dearly missed.

SITUATION VACANT

Due to Harold and Margaret moving away, we are looking for someone, or a couple, who would like to take on maintaining the gardens at the Sub centre. This role requires only a small amount of your time but is nonetheless valuable to our needs. So, if you would like to join our team of volunteers, we would love to hear from you. Contact our President, John Lane, on 9646 1306 or email to bevsja@westnet.com.au

WANTING TO MAKE A DIFFERENCE?

Then, giving back to the community in which you live is always a rewarding place to start.

Your local Sub centre is always looking for new volunteers to join the team.

If you would like to find out more about becoming a Volunteer Ambulance Officer, you can contact our Recruiting Officer, Peter Jenkin, on 96461385 or email us at bevsja@westnet.com.au

Farewell Harold and Margaret Anderson

Over 40 people joined us at in the picnic area at Avondale on Saturday 18 May to celebrate the time Margaret and Harold Anderson have lived (and contributed to) the community of Beverley.

In particular it is amazing to note that Harold has been a volunteer at Avondale for twenty years. Harold has contributed towards the collection in the museum, assisted at numerous busybees and events and been involved in the governance of Avondale.

Thank you Harold and Margaret

Photos courtesy Dee Ridgway

MAINTENANCE AND IMPROVEMENTS

There are lots of projects underway at Avondale, including:

- *Roaded catchments have been cleaned and repaired and water is getting into the dams*
- *A new pipe laid in preparation for a back up system in the summer for stock water*
- *The mains scheme water pipe is being upgraded*
- *Box guttering and storm drainage at the Museum is being repaired*
- *Overpasses and drainage around the core building area is being maintained*
- *General property clean up is well underway thanks to the enthusiasm of the Max WEX team and the Beverley Shire*

Dates for the family diary *Working Sheepdog Trials*

The Great Southern Working Sheepdog Association will be holding their annual trials and championships at Avondale **20 to 23 June**.

The dogs are in action all day.

Come along and see these wonderful animals and handlers.

Many of the dogs competing will represent WA in National and International events.

More information Ivan 9647 1074 or 0428 731 152

Avondale Machinery Museum Volunteers

What a great turn up of volunteers on Saturday 18 May for the museum "busy bee". Thanks for your continued support. The museum collection items are important for the interpretation of our heritage. You are keeping it alive for us.

Reminder there will be a "busy bee" (museum activity day) on the 3rd Saturday of each month 8am to 12noon.

Any museum volunteers are encouraged to attend, even if it is just for the morning tea!

Avondale Agricultural Machinery Museum - The machinery museum volunteers will be busy with the tractors and implements in the Avondale Museum on the two days of the Working Sheepdog trials weekend.

In addition to seeing the dogs in action, you are invited to come and view the collection in the Museum. Gold coin donation appreciated with funds going toward the museum. Perhaps you'd also like to have a picnic/BBQ in the Picnic area between 10am and 4pm both days 22 and 23 June. More information Dina 9646 1004

GENERAL HAPPENINGS AROUND THE FARM

- We had 55.8mm of rain up to 22 May
- Cropping is well under way with many of the paddocks already seeded
- About 60% of the sandalwood planted in 2011 has germinated. They are still a bit small to see from the drivetrail but hopefully by 2014 the seedlings will be large enough to spot
- More weed control is to be carried out in the Avondale Reserve
- Comet and Robbie have been enjoying the green feed!! The next visit of the farrier is planned for Wednesday 19 June
- There are several tour groups booked for visits to Avondale over the next few months

CAN YOU HELP?

Our John Deere 1040 tractor needs to get to the John Deere agent in Northam for some servicing and maintenance. It weighs approximately 2.5 tonne. Does anyone have an empty truck (or suitable trailer) going to Northam who would be willing to assist? Please contact Dina 9646 1004

THANK YOU TO THE BEVERLEY FOOTBALL CLUB

We appreciate the donation received from the Beverley Football club of \$500 to be put towards the restoration of the Avondale 1890's stable complex. Cheers guys and gals we are very lucky to have such wonderful community support for projects.

GOODYEAR **BRIDGESTONE** THAT'S CONFIDENCE

Exotic pest birds sighted in Beverley.

The Department of Agriculture and Food Western Australia recently received a call about the possibility of some Invasive / Exotic birds at large in and around the Beverley town environment. In particular a report of an 'Alexandrine parrot' and this was confirmed by a photograph which was taken by a local out around the town rubbish tip/rifle range/motor x track.

It has also been reported that there may be a small flock of 'Rainbow lorikeets' at large. These are also a significant pest if left in the wild.

Both species are not native to WA and have shown they have the potential to establish readily WA.

It is important, not only for agricultural, but also environment reasons, that they are removed from the environment before they become established.

These incursions are taken seriously by the Department and it is keen to follow-up on reports from the public as quickly as possible. The Department's management focus is to stop / reduce social impact, prevent establishment in the Western Australian environment and protect the associated Agricultural Industries that have strong interest in keeping these introduced species from their produce.

Alexandrine

Rainbow lorikeet

If you suspect you have seen some unusual bird activity – please call:
Pest and Disease Information service on freecall 1800 084 881.

Beverley Naturalists Club News

I was surprised to learn recently that we have some exotic parrots in Beverley. One is an Alexandrine Parrot (please refer to adjacent article for photo). These parrots are not native and could be a threat to our bush reserves. Parrots like the Rainbow Lorikeet which has also been seen around Beverley in a small flock of about 8 birds. These birds are very aggressive to other parrots and chase them away from nesting hollows so Parrots like the native Smoker Parrot are forced out of their nesting places and end up not being able to breed which could lead to local extinctions of these are other bird species. We already have a serious problem with other feral species like feral cats, foxes and rabbits and we don't seem to be able to get on top of them and we all know the problems they cause to our native flora and fauna. We have a chance to win against these parrots if we act now before the numbers get to high. If you see any unusual parrots around please contact Paul Manera from the Department of Agriculture and Food in Northam I guarantee he will treat the birds humanely and respectfully and this will be a great help to our native species in our reserves.

Still on the subject of feral species I went to a great workshop on weeds. The weeds they were talking about were Bridal Creeper, Tamarisk and Boxthorn. It was great to learn what other places are doing to try and eradicate these terrible and invasive weeds. This workshop was organised by Natural Resource Management and I fully recommend it to any one if you get the chance. The presentations were fun and informative and there were about 50 people there. Weeds are normally not very exciting but the presentations most certainly inspired us to do more to get rid of these weeds. Our Bushlands can't stay healthy if we don't eradicate these terrible weeds of national significance especially bridal creeper.

Any info on feral parrots, weeds of national significance or anything about our natural environment please contact Phyllis on:

ANZAC Day Beverley

ANZAC Day was one of the biggest we have had for some time. The Dawn Service was attended by 150 people and The Gunfire Breakfast was also well attended. However, I would like let everyone know that it is not just a Veterans Breakfast, it is for all those who are present at the Dawn Service.

The morning march and service that began at 11.30am had an estimated turnout of 150 individuals, which was totally organised by John Lane whose efforts were well received. I would like to extend my thanks to John on behalf of the RSL Sub Branch of Beverley, for all the hard work he put into making the day a great success.

A very BIG thank you to the Beverley School's Year 4/5 Choir and their Choir Master Margaret Barrett Lennard, for their wonderful rendition of "Lest We Forget". I was choked up when I first heard them sing it at their school ANZAC Day Service, and it affected me the same way when they sang for us all again at the morning ceremony. It does one proud to see our young showing such dedication to the Spirit of the ANZACs.

Thank you is also extended to the Shire for their assistance, Shire President Dee Ridgway for her wonderful speech, Mrs Joan McQuinn for taking the prayer service, the Beverley Police for their support, and The Beverley Men's Shed for all their hard work. We were also fortunate this year to have Mrs Judy Moulton playing the organ, which added to the hymns and National Anthem and kept us in tune.

The Colonial Motorcycle Club attended and has indicated that they will be here again next year with more of their members. They made it a true ANZAC Day as they are all ex New Zealand Service Personnel. Thank you OXO and mates, you were a great help at the hall and the march.

To all the people who work behind the scenes as they usually do, thank you.

To everyone who attended the services throughout the day a BIG thank you. I hope to see you next year as it will be a rehearsal for the 2015 ANZAC Day Centenary Service.

HOME AND COMMUNITY CARE (HACC)

About HACC

The HACC Service is part of the Beverley Health Service Multi Purpose Service (MPS), in which the Commonwealth funding for residential aged care, HACC and State health care funding have been combined with the aim of providing flexible health services to meet the health needs of the local community.

Who can access to Services

The HACC target population comprises of persons living in the community who, in the absence of basic maintenance and support services, are at risk of premature or inappropriate long-term residential care, including:

- (i) older and frail persons, with moderate, severe or profound disabilities;
- (ii) younger persons with moderate, severe or profound disabilities; and
- (iii) their carers.

Referrals for HACC Services can be made by anyone in the community on behalf of a potential client or by the client.

Staff Changes

Beverley MPS staff, HACC clients and volunteers would like to wish Lorraine Sims a very happy retirement after more than fifteen years of very dedicated service in her role as Day Centre Coordinator.

We have also farewelled Danielle Rieck our very capable gardener of two and a half years, who's expertise is going to be very much missed by a lot of our clients. Our good wishes go to Danielle for success in her new venture. Welcome to Gary Wilson who is replacing Danielle as MPS gardener and maintenance worker.

Many of you will have met Paul Garnett who has joined our staff as Administrative assistant. Welcome Paul.

DAY CENTRE Happenings

Ladies of the Day Centre have been busy making dolls for the Kwazulu-Natal children of Africa (Uthando project) and knitting teddies for other charity projects.

Our men's group have enjoyed a farm visit to observe the intricacies of fertilised egg harvesting from ewes as part of an embryo transfer programme. Thank you to the Dorman family for allowing us to visit.

We are planning a day trip to the Gosnells markets on Friday June 14th for HACC eligible clients. If you would like to join us on this day you would be most welcome.

Please contact the HACC coordinator – Dorothy Sampson (96463213) for cost and further details

Cardiovascular Health & Wellbeing

Following on the back of Heart week (May 5-11th) we thought it was time to have a more in-depth look at cardiovascular health and the effect it has on our life.

Cardiovascular diseases (CVD) are the category of diseases that involve the heart or blood vessels and refers to any disease that affects the cardiovascular system, the most common being heart attack and stroke. It's our biggest killer! Out of the 140,000 deaths a year in Australia CVD are responsible for around some 46,000. CVD are responsible for the highest rates of hospitalisations and deaths in regional and remote Australia. Yet it's largely preventable.

Factors that contribute to CVD include family history (which we can't change) but some of the others we can change by making healthy lifestyle choices such as:

- maintaining a healthy diet;
- doing regular exercise;
- reducing our alcohol intake (take a couple of days off a week);
- maintaining our body weight;
- being smoke free;
- reducing our salt intake; and
- looking after our psychological wellbeing.

Important risk factors are:

- blood pressure
- cholesterol and
- not being aware of these basic benchmarks

So our message is that it's vital to have regular check-ups.

For blokes we especially say, know your blood pressure. We have put over 2,000 blokes a year through our health and wellbeing awareness program "Fast Track Pit Stop" and it is common for blokes, young and old, not to know their blood pressure or what it means.

There is no firm rule that defines high blood pressure but generally speaking the lower the blood pressure the better. As a rough guide normal to high blood pressure is between 120/80 and 140/90mmHg. What do these numbers mean? Well here is a layman's Interpretation for you:

- 120/80 – 120 when **the heart is pumping the blood** (systolic blood pressure);
- 120/80 – 80 when the **heart is resting between pumps** (diastolic blood pressure);

Some of the warning signs for a heart attack may include pain, heaviness or tightness in one or more areas of the upper body combined with other symptoms which may include shortness of breath, dizziness or a cold sweat. People may experience a single symptom, a combination of symptoms or have the symptoms masked by other things going on in their life.

The stroke warning signs will mostly show some weakness of the face, arm or leg or a change in speech. If you think someone may have experienced a stroke an easy reminder on what to check is commonly referred to as FAST:-

- Face;
- Arm;
- Speech; and
- Time

A heart attack occurs when a blood clot completely blocks the flow of blood, seriously reducing the flow of blood to the heart muscle, whilst seventy five per cent of strokes are due to a blocked blood vessel stopping the supply of blood to part of the brain.

With all CVD the single most important thing for both survival and recovery is to get treatment within an hour. This quite often comes from bystanders (we are all primary carers) and someone who can perform CPR and/or has access to a defibrillator.

In WA St Johns Ambulance has an extensive network of more than 420 automated external defibrillators (AEDs) placed in strategic locations within communities across the State (locations are given with any Triple Zero (000) enquiry) and a phone call for an ambulance.

Cardiovascular Health and Wellbeing is serious stuff. We talk a lot about other health issues including physical issues for blokes (commonly prostate); mental health issues (situational distress) and social/spiritual issues (bloke's identity). However it's important to remember that the CVD category of diseases takes the most lives' and causes the most hospitalisations of any. Blokes - book in to see your GP for a **service** visit, not just when you are suffering. Cheers

Beverley Historical Society Dale Discovery Field Trip

Thursday 2 May 2013

Leaving from the Dead Finish we met others at the Dale Hall. Across the road at 'Hillside',

is the dry-stone barn built by John Withnell in the middle of the 19th century. Still in use after

150+ years, the beautiful rock walls are a tribute to the skill of a man whose father was also a stonemason.

Up Luptons Rd to an old school building in a backyard. Once the

school on Westdale Rd west of Butcher's Rd corner, this was transported just after the war & used as a house, until the family home was completed. Pupil's names written in pencil on the

wall are still visible. Further along on the left of

Luptons Rd we come to the site of the Tin Hall, also called the Dale River Hall. This community

hall served as both a school and a social meeting place. It was lined with wood panelling to shoulder height.

At 'Oakland' we go through the farm gate, across the paddocks and up the slope to a hilltop position where the remains of a charcoal pit can be clearly seen.

Used for the production of charcoal during the war years, 240,000 bags of charcoal were delivered to Perth for use in cars fitted with gas producers.

On the way we stopped briefly at two school sites on Westdale

Rd then went up the Brookton Hwy to the first West Dale School east of Jones Rd.

Stopping briefly at the old shop & garage near the Westdale Bin we picked up photos of the business before it closed.

We had lunch at our final stop at the last Westdale Primary School near the Dale Bin now a private home.

The school building from near Jones Rd was moved to this site at one time to act as living quarters for the Westdale teacher.

Many thanks to Michael Wood, Pauline & Kevin Lupton, Marylou & Brett Hutchinson, Jenny Outram and Lin Cann for welcoming us to your historical sites & providing information.

Contact: bhsdeadfinish@gmail.com.

BEVERLEY HISTORICAL SOCIETY

The May meeting of the Society was attended by ten members with one apology.

We were delighted to welcome 40 members of the **Royal WA Historical Society** on the previous day for a picnic & visit to the Museum. They were very knowledgeable of WA History & very interested in our displays.

Our own **Field Trip to the Dale** had also been very successful. The first rainy day of the season did not put us off & we had an interesting & informative trip. A report including pictures are on the left (page 30).

There were two research requests this month. One for information about a convict expirée, **William Oates**, who worked as a labourer in 1860s at Stones Pool, down river from Edwards Crossing. The other was from a researcher assisting in the production of a documentary about Beverley's Aboriginal Tracker, **Billy Noongale**, who went with explorer John Forrest across the Australian Bight in 1870s when he was just 18 years old.

Our photos of "**Weddings of Yesteryear**" have been given a new look in a new album and placed in the Finery Room along with our historic wedding dresses of 1924 & 1939.

Donations to the Museum this month included:

Mink fur collar, narrow, dark brown, sewn pieces to represent an animal with head, four legs & tails, corded wire chain & tortoiseshell clasp.

'Little Lord Fauntleroy' - style young boy's dark blue velvet jacket & waistcoat with white lace collar, front & cuff frills, 3 + 3 large diamante buttons on front, 2 on back, 3 small diamante buttons on each pocket flap.

Dale photos of the Shop & Service Station near the Dale Bin and Collie's Mill on Brookton Hwy.

Minute Books of Westdale P&C.

Police Gazette records relating to Billy Noongale 1976 to 1896.

Souvenir gift handkerchief with picture of Beverley Town Hall in corner, bought by a ganger on the rail way in Beverley about 1940s.

Next meeting 2pm Monday 10 June 2013. All welcome. For further information contact the secretary at bhsdeadfinish@gmail.com.

Beverley District High School

Ciao and hello from our wonderful school. Everyone will be happy with the rain as it not only helps our farmers; it also helps us all to grow our winter vegetable crops!

Our students in Year 3, 5, 7 and 9 have been busy participating in the controversial NAPLAN tests. Parents will be getting these results in late 3rd Term.

If you have been to the school lately, you may have noticed students running around the oval. They are not only getting fit, they are in training for our Cross Country event which will be held on Friday 31st May. Parents and spectators are all welcome as it is also Australia's Biggest Morning Tea. **Don't forget to sign in at the office before coming onto school grounds.**

Year Two

Teacher: Candice Pryde

During Term One, the Year two class learnt about Beverley and how it has changed over the years. We watched videos and read stories about how farming equipment has changed to assist farmers. We had a special guest, Jessie Ugle, come into our classroom to tell students what it was like growing up in schools were very different in the past.

Beverley: Now and Then

Students worked in pairs to investigate an object from the past and the object it has been replaced by today. Students wrote what the object was, what it does and what it is made from. Below are a few examples:

Porcelain dolls - Georgiana Tita

People had dolls with faces made of porcelain. Porcelain is used to make other things like plates. If dropped, the faces will easily break. Now the dolls' heads will not break.

Oil lamp - Frederick Ochtman

My object is an oil lamp. Lamps were the only lights they had in the house. They were made from metal and had glass around the wick. Today we have electricity.

Old Type writer - Alfee Stevens

Type writers were made in 1902. They had to press hard and if they made a mistake they would have to scrunch it up. It is made out of metal.

Wash board - Sophie Kilpatrick

A wash board was a tool for the clothes. They scrub the clothes on the metal. It is made of metal and wood.

School Oval

A lot of work has been done on our oval over the past two years to bring it up to its present standard. Recent testing carried out by CSBP indicates a significant nitrogen and phosphate deficiency.

We would like to request donations of super that we might carry out the program suggested to us which is to apply now and again in early September.

Mother's Day Fun at our Kindy

Why Study Italian?

Last week I received an email from a colleague regarding the language and I would like to share some of the reasons why anyone should learn Italian.

• Italian is the language having the "best phonetic fit." It is the easiest foreign language to read, write, and pronounce because there is only one sound per letter of the alphabet (and four consonant blends). For young learners, the easier the language, the better. **Italian will not compete with the learning of English; it will enhance the learning of English.**

• Italian is in fact the Romance language closest to Latin. Knowledge of Italian, therefore, will go far in helping one to understand the whys and wherefores of the English language, which has a very large percentage of words of Latin derivation.

If you would like to read the rest of this article, you can find it at this site:

Sera Minchin

To raise awareness of Cyber Security in the community, the Beverley CRC conducted two information sessions to coincide with Cyber Security Awareness Week. With today's technology progressing at such a fast pace, the hackers and scammers are getting smarter, this is why it is vital that you know as much as you can about the technology that you use in your home and work place.

The first session was held on Tuesday 21st May at the school. Local Police officers Darrell and Ian came along to answer any of the tricky questions that the students may have asked, and yes there were a few. The topics covered were keeping your mobile safe, social networking safety, cyber bullying, computer safety, sexting and identity theft. In today's world 25% of teenagers access the internet via their mobile phone, with many operating without any security settings or anti virus in place. The downloading of apps is an everyday occurrence for many people, to ensure that you don't install an app with a malware or viruses attached, make sure that you review comments and check that the star rating for the app is high, prior to installing onto your phone.

The second session was held at the CRC on Friday 24th May and it was open to all of the community. Once again Darrell and Ian attended the session, with some pocket sized guides to spotting, avoiding and reporting consumer fraud. The books were handed to all of the guests along with some general online safety information. A broad range of topics were covered on the day including: online banking, shopping safely online, email scams, protecting your privacy, mobile phone safety, keeping your details safe, door to door scams and keeping your family safe. Of great importance was keeping your eye out for the latest scams and fraud through the SCAMwatch website: www.scamwatch.gov.au

CONGRATULATIONS CHRISSY

We are pleased to announce that Christine Sazanov has completed her Certificate II in Business through the C Y O'Connor TAFE in Northam. Due to her outstanding customer service skills and professionalism in the office environment, the committee of the CRC have invited Christine to complete a second year as a trainee at the centre, which she has gladly accepted.

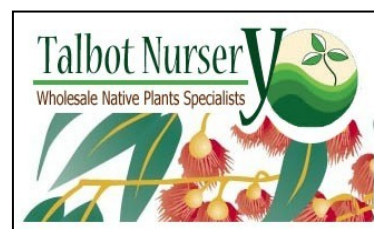

Over the next 12 months, Chrissy will be studying Certificate III in Financial Services, gaining important skills which will help her secure a job in the financial sector in the future.

We all wish her the very best in her study and look forward to the next 12 months working together.

Beverley Amateur Swimming Club

We had our wind up in April at the Beverley Lawn Tennis Club with most members present. The kids all enjoyed a sumptuous afternoon tea provided by the parents. We would like to thank the Tennis Club for allowing us to use their fantastic facilities to hold the wind up. We had our trophy presentation and some very well deserved recipients are listed below:

Petchell Shield for Most Improved Winner Declan Mellick
 Runner Up Digby Cleland

The Sattler Memorial Trophy for Most Consistent Winner Oscar Cooke
 Runner Up Thomas McLean

The Pool Managers Trophy for Most Club Points Winner Declan Mellick
 Runner Up Lachie McLean

Age	Girls	Boys
8yrs Champion Runner up	Anneliese Mellick Rebecca Aynsley	
9yrs Champion Runner up	Grace Fisher Abbey Cooke	Samuel McLean
10yrs Champion Runner up	Kaitlyn Shaw Stella Wilkinson	Declan Mellick Oscar Cooke
11yrs Champion Runner up	Georgina Fisher Evie Wilkinson	Tarkyn Henry Thomas McLean
12yrs Champion Runner up		Lachie McLean
13yrs Champion Runner up	Jessica Appelbee	

Our thanks goes to the Sattler Family, the Petchell Family and Brad & Emily for their donation of the trophies. We would also like to acknowledge the huge effort put in this year by the coaches Jo Sattler and Kathryn McLean, the work you do with the kids is amazing and very much appreciated by the parents and kids. We have seen the great results of your coaching through the results at the inter-school carnival this year. Thankyou Fiona Fisher for being a wonderful president, and all the kids for giving your best each week. You are a great bunch!!!!

Beverley Netball Club Inc.

The 2013 season has started and both teams have managed to get a win on the board hopefully the wins will continue to come.

The Beverley Netball Club will soon be holding an opening day for the new courts located behind the amenities building. Everyone is invited to celebrate this milestone as it has been over 8 years in the making. Be sure to keep a look out for the upcoming information that will be advertised around town.

The lead up to the development of the new courts began in 2005 when the Beverley Netball Club received an invite from the Beverley Shire to be involved in the discussion regarding the Recreation Centre. Some may say that it began a lot earlier than that but the ball actually began rolling in 2005. It started with meetings at the Beverley Bowling Club to find out what people/clubs actually wanted in the way of a new recreation centre or a revamped amenities building.

In October the Beverley Shire took a group Lew Shaw, Glenys Petchell, Ben Murray, Erica Ridgway, Jo Sims, Jen Petchell, Jo Copping and Tim Cooke (representing the Tennis Club, the Footy Club, the Netball Club, the Horse & Pony Club, Bowling club, Ag Society) and Vin Szczecinski, Steve Gollan and Keith Byers (representing the Shire council) on a bus trip to inspect recreation centres in Goomalling, Dowerin, Wongan Hills, Dalwallinu, Moora, Dandaragan and Lancelin.

Whilst the rumour may have it that "us girls" were continually requesting the "Tah Mahal" in recreation centres featuring spring boarded indoor courts we were merely hoping to comprise in the middle and not end up with another "hot mix court".

After our trip we had a few more meetings which we picked the best bits from the towns we had visited and had a rough idea of what would be a suitable recreation centre. We then had a day trip down to Wickiepin which everyone seemed to like. After a feasibility study was done it was just down to the nitty gritty to get the job under way. Then of course the January storm came through and removed the amenities building roof which due to insurance paperwork delayed the works by over a year or so, but it gave the Netball Club extra time in fundraising to raise \$30,000 which was donated to the Beverley Shire to help get the netball courts you can see being constructed at the moment along Forrest St.

BEVERLEY REDBACKS HOCKEY

Congratulations to Chantelle Meade who has been voted as our captain & Kathryn McLean who will be right alongside her as vice-captain.

Round 1: Beverley vs. Aces White 4th May

Our first game of the season back in A Grade was full of excitement with a knock to the head, a ball to the foot, knee, shoulder along with tumbles & cramps we certainly as a team put our bodies on the line & it paid off with a 2-0 win against Aces White in Northam.

Coaches Award - Sponsored by Beverley Electrical Team Effort
Captains Award - Sponsored by Trevor & Mandy McLean Emily Miller
Goals - Fiona Bowden x 2

Round 2: BYE 11th May

The weekend of the 11th May saw us have our first bye for the season. We took the chance to slip in an extra training even with the weather not on our side we welcomed the rain & had two great training sessions.

Round 3: Jenna v Beverley 18th May

What a game! With the Northam field being in slightly better condition than the first game of the season we went out with a "we can do it attitude". Everyone played an outstanding game & we left the field feeling impressed with our efforts, although Jenna did win 3-0 we put up a good fight. Fun was had by all!

Coaches Award - Sponsored by Beverley Electrical Fiona Bowden
Captains Award - Sponsored by Trevor & Mandy Mclean Margaret Mourach

We wish Kelly Mann a speedy recovering after a recent illness. We look forward to seeing you back on the field when you're well.

Sponsors Day 2013 17th August

Having such a wonderful hockey club would not be possible without the support of our generous sponsors. Saturday 17th August is our day to invite them to our home game to show our appreciation. Stay tuned for more details.

Training Wednesday's: For the month of June or until further notice, training is **5pm** at the Beverley Oval. Look forward to seeing you there.

If you would like to show your support to the Beverley Redbacks Hockey team through sponsorship please contact Kelly Mann (Secretary) on beverleyredbacks@live.com.au or mobile 0408 952 790.

THANK YOU TO OUR 2013 SPONSORS!!

Beverley Electrical, Beverley Farm Direct Stock Feed Supplies, Northam Tavern, Inkosi Design, U Beauty Country, Trevor & Mandy McLean, Avon Trading, Beverley Supermarket & Liquor and Blechy's Tyre & Battery.

BEVERLEY LAWN TENNIS CLUB

Well the AGM is done and that is Tennis wrapped up until October. A huge thank you to all the people who make our tennis club a fantastic and inclusive place to be. A very big thank you to all of those who were on the Committee in 2012 and have made major contributions to our club. Well done to outgoing President, Ben Murray, who has done a wonderful job and now hands over to Brett Shaw, Fleta and Bruce for their inspirational Captaincy over the last 3 years together, Ashe for her catering prowess and Ali Lewis who has been our hard working Treasurer for the last few years!

Beverley Men's Golf

Saturday 27th April was once again a pleasant day to play golf. A field of 8 players played for the "Gnome" Trophy. The event was a 3 stick competition.

At the end of the day two players tied for the award with 38 points. To separate the pair a count back was required but it wasn't required for their ages as the two players concerned were Mel Vivian and Luke Gollan.

After Captain John Donovan reviewed the cards Mel Vivian was declared the winner of the day from Luke. John Donovan also played well finishing with 37 points in third place.

The Gnome also sponsored a Novelty on each hole, the winners were:

Longest Chip or Putt on 2	John Donovan
Best 3 rd Shot on 3	John Donovan
Best 2 nd Shot on 4	David Kennedy
Nearest to the Pin on 5	Keith Bickley
Best 2 nd Shot on 6	Luke Gollan
Longest Drive on 7	David Kennedy
Nearest to the Pin on 8	David Kennedy
Best 3 rd Shot on 9	Terry Winfield
Best 3 rd Shot on 11	Terry Winfield
Best 2 nd Shot on 12	Ron Bickley
Nearest to the Pin on 13	Keith Bickley
Longest Drive on 14	Keith Bickley
Longest Putt on 15	Gavin Sazanov
Best 2 nd Shot on 16	Terry Winfield
Longest Chip or Putt on 17	Gavin Sazanov
Nearest to the Pin on 18	Luke Gollan

Thanks are extended to **Ron Bickley** for sponsoring the day.

Saturday 5th May saw the 1st **Qualifying Round** for the Club Championships and also the winner is awarded the **Monthly Mug**. This day is sponsored by **John Donovan**.

It was great to see 15 players take on the course once again in warm weather with the small amount of rain that fell during the week keeping some of the dust down. It was also the first Stroke event of the year.

At the completion of the day Luke Gollan with a very impressive nett score of 64 was declared the winner of the day. Stephen Gollan and Wayde McLean both shot nett scores of 70 to be Runner Up with Darrell Hagan in third place with a nett 71.

The best gross score on the day was Terry Winfield with 83 shots with both Wayde McLean and Stephen Gollan having 85 shots. Novelties winners were:

Best 2 nd Shot on 1	Wayde McLean
Nearest to the Pin on 5	Terry Winfield
Best 3 rd Shot on 9	Terry Winfield
Longest Chip or Putt on 10	Mark Armstrong
Nearest to the Pin on 13	Wayde McLean
Best 2 nd Shot on 16	Mark Bickley

The club would like to thank **John Donovan** for sponsoring this day.

Fine weather once again greeted a field of 10 players on Saturday 11th May for a Par event sponsored by **Mark and Emma Bickley**.

At the end of play three players had plus scores being Mark Bickley, Fred Bremner and John Islip all on plus 2 with the remaining field having minus scores. Once again a count back was required to find the winner. After the Captain reviewed the cards John Islip was declared the winner.

Mark and Emma also provided prizes for the novelties.

Novelties winners were:

Best Third Shot on 3	Terry Winfield
Longest Chip or Putt on 6	John Islip
Nearest to the Pin on 8	Fred Bremner
Longest Drive on 9	Ben Moulton
Best Second Shot on 12	Mark Bickley
Best Third Shot on 14	Terry Winfield
Nearest to the Pin on 18	Mel Vivian

Once again the club would like to thank **Mark and Emma** for their support.

In warm and ideal conditions 11 played on Saturday 18th May for the **Belhus Trophy**.

It was a Stableford 4 Ball Better Ball event. Once again there were some good scores but none better than Mark Bickley and Gavin Sazanov who had 46 points too just edge out Mark Armstrong and new member Brad Copping with 45 points.

Novelties winners this week were:

Best 2nd Shot on 2 Mark Bickley
Longest Putt on 7 John Donovan
Longest Chip or Putt on 10 Stephen Gollan
Nearest to the Pin on 13 Mark Armstrong

Thanks are extended to **Greg Barrett-Lennard** for sponsoring the day.

Fine weather greeted 15 golfers on Saturday 25th May for the **Brett Hutchinson Trophy**.

This week saw a number of very good scores but none better than Mark Bickley who won the day with 40 points. Chris Pepper and Mark Armstrong both scored 38 points with Darrell Hagan and Terry Winfield scoring 37 points each.

Novelties on the day were won by;

Best 2nd Shot on 2 Terry Winfield
Nearest to the Pin on 5 Fred Sing
Longest Chip or Putt on 10 Mark Bickley
Nearest to the Pin on 13 Terry Winfield

Thanks are extended to **Brett Hutchinson** for sponsoring the day.

If it goes straight, it's a
MIRACLE

Attention Cat Owners

We have organised a cat micro chipping day on Monday 10th June. If your cat is

already sterilised and needs to be micro chipped you can book your cat in by 1pm on Friday 7th June.

Heartlands Vet from York are doing a day of micro chipping for Beverley cats in Beverley. The cost has been reduced from \$75 to \$50 for this day. We had a huge response to our ad in May but we can still fit more cats in. THIS IS A ONE EVENT WITH THE VETS COMING TO BEVERLEY AND THE COST OF \$50.00 PER CAT
Booking are essential

Beverley Redbacks present

The B'Oscars – 2013 Players' Review at the Beverley Town Hall

The past month has been pretty successful for the Beverley Football Club, with our League and Netball teams dropping just one game from our first four away encounters, putting us in a strong position ahead of our stretch of home games.

You'll get to see much more of your favourite Redbacks over the next two months, with all home games throughout June and July. So get along to the footy and soak up the atmosphere in the brand new facilities and support the Redbacks in our bid for back to back flags!!

BEVERLEY HORSE AND PONY CLUB

Our May rally was a beautiful day and riders were kept busy during the day learning the various aspects of riding in a One Day event including the required presentation.

Riders spent the morning being coached by Renee and Jenifer who have on the technical aspects of riding the dressage test and learning the etiquette and control required to complete the Show jumping. The afternoon was spent enjoying the cross-country from the start box, down the drop and through the finish flags. Younger riders didn't miss out on the afternoon fun as they and their leaders tackled their first Show jumping course.

We have several riders who are attending the Toodyay Gymkhana being held at Muresk on the 26th May. Good luck to Vicky, Tealah and Bronte.

Vicky is also going to the Avon Zone One Day Event at Avon Valley Pony Club 2nd June. Good luck to her and *Darcy*. Our next rally is on the 16th June. Please contact Renée renee.philip@bigpond.com if you would like any information.

Visitors always welcome.
