President Report August 2013

UWA Beverley Design Studio

Senior Landscape Architecture students from UWA's Faculty of Architecture, Landscape and Visual Arts will be undertaking a "Beverley Design Studio" over the next 13 weeks in their final semester. The students visit Beverley 2nd – 5th August to undertake a broad range of research and consultation which includes natural environment, biodiversity, heritage, indigenous, community, culture and arts, review of the townscape plan and a variety of information gathering with an aim that various projects be developed from the study. The Community is invited to attend an initial student presentation planned for Monday 5 August 10am – 12pm at the town hall.

Constitutional Recognition of Local Government

Council has resolved not to support Constitutional Recognition of Local Government in the proposed referendum. Local government is already recognised in the State Constitution, dual recognition will cause jurisdictional uncertainty, and providing the State and Federal governments work together, funding should continue to be provided to Local Government as it has in the past. There also appears to be an undemocratic allocation of funding to support a balance view, from which the Australian population can make a reasoned decision. Should you require further information regarding Councils resolution we will be in attendance at the Beverley Show on Saturday 24 August.

Bush Fire Brigades

Following previous discussion regarding the issue of being unable to find members to take on Fire Control Officer roles within the existing 9 Bush Fire Brigades, the FCO's have agreed on the formation of 6 Brigades with 6 new fire boundaries. The Brigades will be

known as Dale West, Avondale, Dale - Kokeby, Morbinning, North East and Central.

Mia Davies MLA

The CEO and I recently met with Mia Davies MLA to discuss an array of topics including Avondale, Rural and Regional Heritage, closure of the morgue, deferment in accessing water from the wastewater reuse project and De-Lisle St industrial land development delays.

DAIP 2013 - 2018

A review of the Shire's 2007 – 2012 Disability Access and Inclusion Plan is now complete. Thankyou to those community members who provided feedback during this process. Council adopted the Disability Access and Inclusion Plan 2013 - 2018 at its July monthly meeting.

Personal Development Grants

Council will be supporting Mr Noah Leonhardt on the Youth Explorer Voyage by providing \$200 and looks forward to an overview of the trip upon his return.

As a new initiative Council has now adopted a policy to provide financial support to assist individuals with personal development or representation of their chosen interest which meets an application criteria and promotes the Shire of Beverley as a positive, supportive and caring community organisation. Further information is available from the Shire office.

Council is also proposing to establish a community grants programme. More information will be provided once this policy is formulated.

Brooking St Standpipe

Unfortunately this standpipe was badly damaged when hit by a heavy vehicle, causing it to rupture below the ground, and bending the pipe and support. It's being repaired, however any information regarding this damage would be gratefully received by the Shire. Council has also been investigating the installation of a swipe card system for the standpipe which is an option that will record who is using the facility as well as the amount of water taken. Many other Shires have already commenced using systems such as this.

Goomalling Visit

Council was pleased to recently have the opportunity to host a return visit from Goomalling Councillors and CEO to show them an array of projects in our community, as was the case when Beverley visited Goomalling in 2009.

Local Government Elections – Saturday 19th October 2013

Elector enrolments close on 30th August 2013, this also includes rate payers who do not reside in the Shire however wish to vote in the forthcoming Local Government elections.

Candidate nominations will be open from 5/9/2013 to 12/9/2013.

Councillors and staff will be on hand at the Beverley Show and look forward to discussing the role of a Shire Councillor with anyone seeking further information. It is an interesting and rewarding way to contribute to your community.

Dee Ridgway
Shire President

COUNCIL MEETINGS DATES

The Council Meeting Dates for the remainder of the year are as follows:

27 August 2013

24 September 2013

29 October 2013

(Changed from 22 October due to Local Government Elections being held on Saturday 19 October)

26 November 2013

17 December 2013

GYM MEMBERSHIP

Don't forget,
Gym Memberships can be
obtained from the
Shire office or from
www.beverley.wa.gov.au.
Beverley Gym
The Old Courthouse,
Vincent St.

IMPORTANT COMMUNITY INFORMATION

The Shire of Beverley wishes to advise the Beverley Community that the number of Bush Fire Brigades is to be reduced from 9 Brigades to 6 Brigades. The amalgamation of Brigades has come about after meetings with the Fire Control Officers, Shire of Beverley Community Emergency Services Manager and Council.

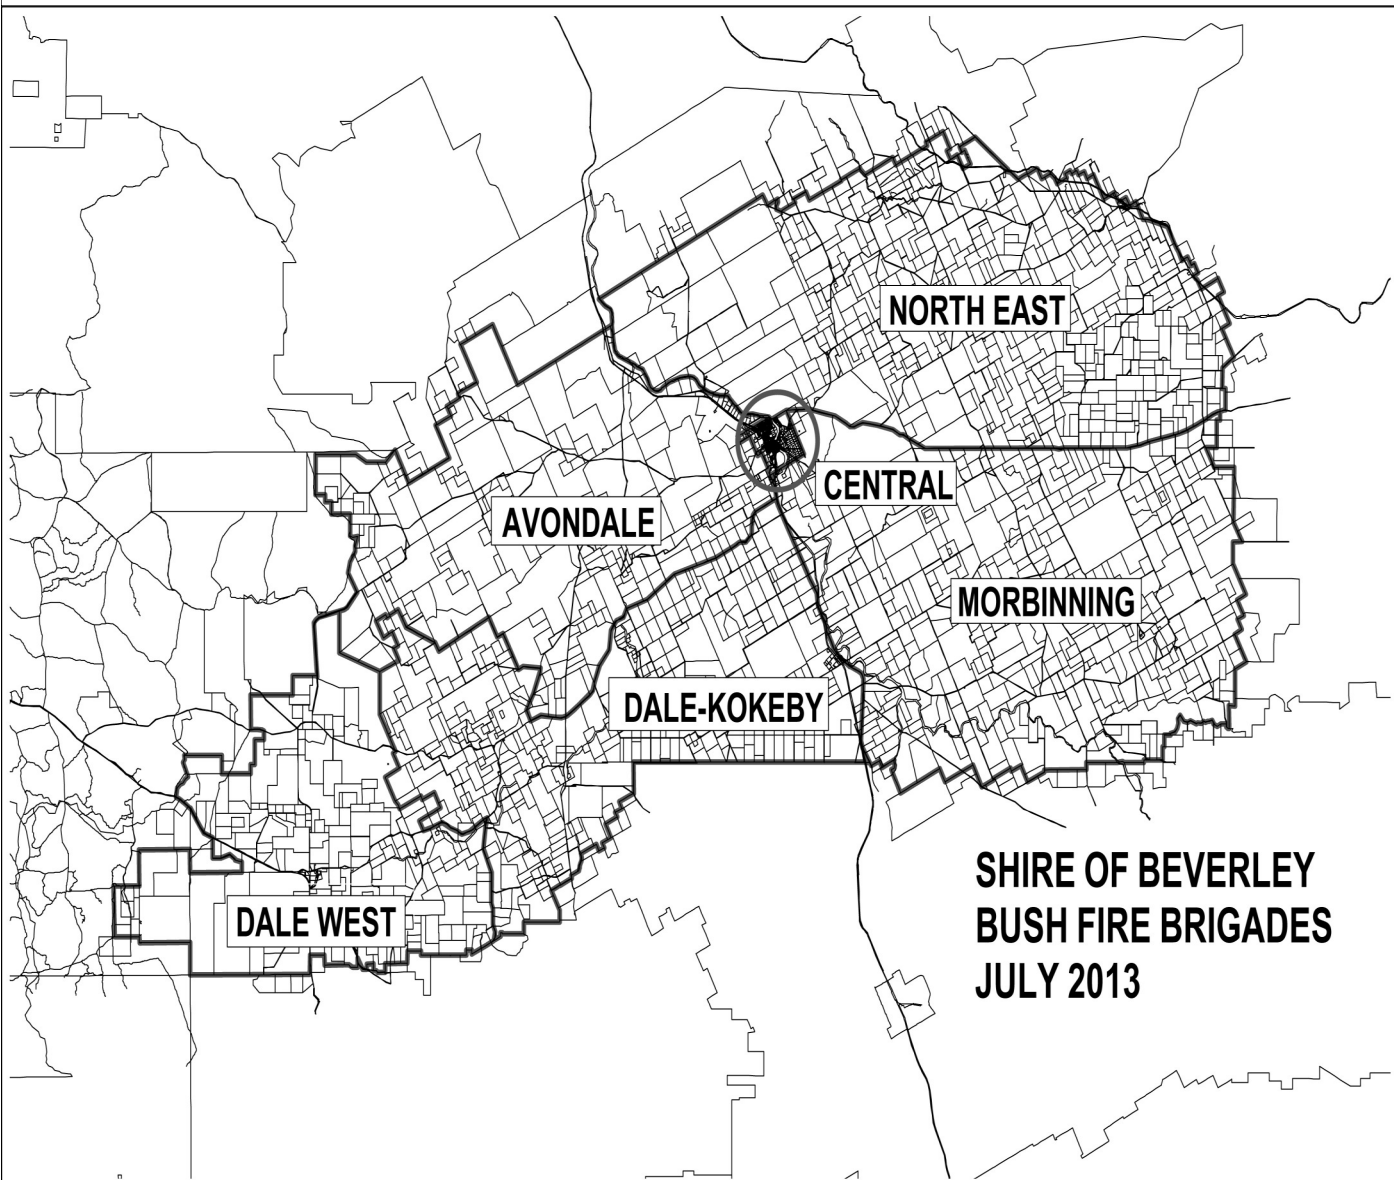

The purpose of the amalgamations is to alleviate the pressures of finding members to take on the roles of FCO's and reduce the administration requirements of each Brigade.

There will be 2 Brigades to the East (called North East Bush Fire Brigade and Morbinning Bush Fire Brigade), 3 to the West (Dale West, Dale and Avondale) and the Central Town Brigade will remain the same.

A larger colour map of the new Brigades can be found in the Shire window.

If you have any queries please contact Shire of Beverley Community Emergency Services Manager, Justin Corrigan 9646 1200.

Stephen Gollan

Rural Ambassador 2013

The Beverley Agricultural Society is committed to endorsing the Act – Belong – Commit message and so is our Rural Ambassador Darci Miller who is studying to be a Health Promotion Officer at Notre Dame University. Darci meets new challenges with enthusiasm and commitment as seen with her success in competing in the National rowing competitions.

Her most recent challenge was as the Social Media Coordinator for “walk over October” where she was involved in writing face book pages and campaigns to encouraging people to walk more.

We are very proud to provide Darci with her next challenge representing Beverley as our Rural Ambassador.

How Darci lives the Act – Belong – Commit message.

ACTS

By walking everyday with friends and training 4 times a week with her rowing team, studying at university and reading lots.

BELONGS

Darci is a member of the local Ag society, tennis, football club and the social club committee at university for preventative health

COMMITTS

To her studies and improving awareness and good health in the general community

She volunteers for radio lollipop which is an interactive and entertaining programme for children in hospital and of course there is training with the WA state rowing team.

Darci on the hockey field

Belonging and committing to her team is a high priority for Darci.

On the water rowing

but please mark the date in
your diaries now!

Beverley Community Resource Centre

A Feasibility Study is underway seeking information that will assist the Management Committee and Staff of the Beverley Community Resource Centre to develop future plans for the Centre.

The survey closes Friday 2nd August.

A **Community Workshop** is to be held on **Tuesday 6th August 6.30pm** in the Amenities Building at the town oval. If you haven't done so already via the survey, please RSVP your name to the Community Resource Centre as soon as possible. A light supper will be provided.
Phone 9646 1600

**A HUGE thank you to everyone who has contributed to the
"Lyme Disease Awareness & Action" Campaign.**

The funds raised have gone to the Karl McManus Foundation for the establishment of a research facility in Sydney for improved testing & treatment of Lyme Disease.

Thank you also to Dean McDonald for his work to hold the "Awareness & Action Day" in conjunction with the Beverley Football Club on Sunday 4th August, where funds raised will go to the Foundation. Paul Hasleby has graciously donated his time to be our Corporate Guest on the day. Ticket holders are invited to join Paul for lunch & to watch the game between Beverley & Quairading with him.

Tickets are \$100 & need to be purchased from Jeff Murray 0428925662 or Dean McDonald 0412549196 by Friday 2nd August to allow for catering arrangements. Lyme Disease merchandise will be on sale & face painting for the kids for a gold coin donation will be available.

Representatives from the WA Lyme Association will be joining us on the day with a wealth of information about "Natures Dirty Needle".

This disease can be caught right here in WA. There are more & more cases showing up where people have not left the State so contrary to the widely held medical belief it is becoming more & more obvious that

Lyme Disease is here.

Lyme Disease is transmitted by ticks & other insects. The bacteria that causes Lyme Disease creates many symptoms & affects each person in a variety of ways. No two cases are the same which make detection difficult & treatment varies with each individual. The most important thing to emerge from this is the necessity for an improved testing regime as early detection results in a better chance of cure. The longer the bacteria is undetected the harder it is to treat & the more damage to the body it causes, affecting Neurological, Arthritic, Psychological, Respiratory & Cardiovascular areas as well as general fevers, sweats, prolonged tiredness, muscle & joint pain & more.

If anyone would like to know more please call or ask Jeff & Wendy Murray. We would be happy to share any information we have with you or refer to www.karlmcmansfoundation.org.au

Again thank you so much for your generous support.

First Aid Classes

Is your current First Aid Certificate due for renewal, or are you required to have a First Aid Certificate?

Class Details:

Saturday the 17th August and
Saturday 31st August 2013

9.00am - 2.00pm

Cost: \$199 per person
includes book, DVD and
your own mannequin.

Vacancies are limited.
To book your class please ring
Beverley Hospital 96463200
during office hours

ATTENTION CAT OWNERS

We would like anyone who needs to get their cats Sterilised and Micro chipped to contact us.

We need the numbers so a price can be worked out to help cut the cost.

The new cat laws will be coming into effect on November 1st so all cats need to be sterilised and Micro chipped before then.

The full cost for a female cat that is not in heat or pregnant is about \$250 but we will hopefully be able to offer discount on that price.

Contact Phyllis 9646 1469

Mobile 0437 483 175

Email: rubifacey@bigpond.com

Do you know what to do in an emergency?

If you have a medical emergency and need an ambulance, you should **always ring 000**.

They will ask you the **relevant** questions to get the ambulance to you in the quickest time possible.

The questions they ask are necessary and assist the ambulance officers to best help you.

Do not ring the hospital, or a local ambulance officer you know, for assistance.

This will only slow down the process of getting you the help you need.

Remember – Stay calm and ring 000 in an emergency.

Cost of membership

From the 1st of July 2013, the cost of ambulance cover rose. These increases are set by SJA Aust. WA Inc, not by your local sub centre. However, the increase is slight and membership is still a much cheaper alternative than the cost of an ambulance transfer should the need arise.

Family cover is now \$79 per annum.

Single cover is now \$48 per annum.

Thank you for supporting your local sub centre.

BEVERLEY TREE AND GARDEN CLUB

Members travelled out to the Talbot Brook Native Nursery for this month's meeting and were treated to a most informative talk from the nursery's owner on the health and welfare of root systems of native plants and the various plants used for bush tucker. This included inspection of roots of various plants and also taste tests. Plants covered included: Marsh Club Rush, Desert Kurrajong, The Blue Tinsel Lily, The Bush Tomato and Mumtries or the Apple Strudel Plant. Anyone who missed this demonstration can catch up with Lisa and Luke at the Show.

After our meeting and morning tea members purchased any plants they liked and walked around the impressive nursery. A great time was had by all. Thank you Lisa and Luke.

Members are advised that we are doing our show display at 3pm on Thursday 22 August. Please help with something for our display.

We can report that the three citrus trees kindly planted by Wes after the pruning demonstration are doing well.

Our visit to the eromophilia (Emu Bush) farm will take place on Tuesday 13 August and names need to be in soon, as we are taking the bus and need to firm up numbers. We will gather at the Dead Finish at 8.30am to leave at 9am.

Your Beverley Nursery

BEVERLEY MEN'S SHED (INC)

Presidents annual report to the members of the Beverley Men's Shed Incorporated for the year ended 30/6/2013

The year behind us was one where the usual happiness of our members is expressed on each Tuesday morning and also one of sadness with the passing of four of our very valued members, the late Jim Cann, Ken Colpitts, Paul Edwards and Eric Overington, Jim being a quiet man [and from personal experience] was a marvellous innovator and repairer of machinery.

Ken was responsible for all the shadow boards, which surround the walls of the new workshop and being a professional panel beater was very involved in the rebuilding of our 1947 Austin truck.

Paul was an original member of the shed and was responsible for getting the grant for the indoor bowls equipment and

Eric was not only an active committee member, but also our treasurer at the time of his passing.

More recently, foundation member Harold Anderson and his wife Margaret retired to Baldivis. Harold who was a foundation member, always had the Shed at heart and

will be greatly missed by the members who made him an honorary member for forthcoming year.

We also said goodbye to Richard and Dawn Hogben and Eve and Rhonda Seymour.

We wish them good health and happiness for the future.

We welcomed 10 new members during the year making our total membership at his time. We ask them to be sympathetic towards the mental capacity of some of our members, but hope they enjoy their company and the facilities the Shed has to offer.

Our finances continue to be very well managed by Grant Hobbs who took over the position of treasurer on the passing of Eric. A detailed and audited balance sheet will be available to members as soon as is possible.

Community work this last year included a joint exercise with the High School students utilising the facilities of the Beverley District High School. The project involved the making of 20 bird-nesting boxes for placement along the Dale River and was funded by Wheatbelt Natural Resource Management based in Northam.

We have a wonderful resource centre at our school and the Principal, Mr. Norm Ireland is very keen for it to be utilised for community projects such as the one recently completed.

During the year we were very pleased to accept the donation of a Gopher in very good condition from painter and decorator Mr Rob Bain. The Shed also funded the purchase of a wheel chair for use by our members if the need arises.

I would like to thank, on behalf of the members Fred Symmonds for organising the purchase of the new pool table and the refurbishment of the second table. Both are a well used by a growing number of members - Thank you Fred.

Barry and John are attracting growing interest to the computer room. Societies growing need to become computer literate is making their knowledge and this facility a very important aspect of the Men's Shed.

Progress continues to be made on our vintage truck by those, mainly of vintage age who are working on it, I have heard it may be finished for the Beverley Show, while at the other end of the Shed [the productive end], the boat is now complete and ready for sale.

Neil has completed the manufacture of a gas producer, which is planned to be fitted to the truck.

A small building, to house the Austin, is planned to be built on part of the existing concrete pad. The materials for which was donated by Daryl and Lee Storer's son-in-law, Jamie. His generosity is greatly appreciated.

As well as entertaining our wives and partners for morning tea in April, we were again all together for a very successful Christmas dinner catered for by John Maxwell from the Hotel Beverley.

We also entertained the Hon. Judy Moylan M.L.A. for morning tea on her retirement from the Federal

Phone Angie for orders
0427 106 742

Parliament as our local Member. Judy was accompanied by the candidate endorsed to take her seat in the Federal Parliament, Christian Porter and also by President Dee Ridgway and C.E.O. Steve Gollan.

I would like to thank very much our Vice President Ted Sampson and members of the committee for their help throughout the year, especially Grant Hobbs our treasurer and also the members of the social committee who managed to complete the year without burning any more barbecues.

Thank you also to the social committee treasurer Colin Hancock who keeps track of everyone's birthdays, does the monthly lotto and does what Colin does best, on all our social occasions, collects the money.

We fully appreciate the fact that Bruce Peck is under no commitment to provide us with morning tea each Tuesday, but when he is away, we certainly miss him. So on behalf of us all, thank you very much Bruce and this year your excuses for being absent had better improve.

We continue to appreciate our relationship with the Shire and thank C.E.O. Steve, President Dee and the Councillors very much for their continued support.

Finally gentlemen, how often do we talk to someone who says is too busy to join the Men's Shed. I would ask you all to impart the message that the Beverley Men's Shed is mainly about doing nothing, except to have a cup of tea/coffee and a chat on a Tuesday morning

The machinery together with all the facilities the Shed has to offer is available for any member who wishes to make use of it at any time.

Thank you all for again having me as your President and I wish you and your family good health and happiness for the coming year.

BEVERLEY HOSPITAL AUXILIARY

Welcome to the Beverley Hospital Auxiliary's 69th Annual General Meeting.

My first year as President has just flown by and I thank the Committee and Val Moad for their support and hard work. Mrs Pam Aynsley has looked after our finances with her usual dedication and efficiency and Val also had the additional work load of shop coordinator to her secretarial duties.

Val and I had great fun shopping for Christmas gifts for the lodge and hospital residents, and a thank-you gift for Avon Trading who store donations all year for us.

Thanks also goes to Delys Kilpatrick for making the Anzac Day wreath, it was lovely.

Easter Saturday opening was a great success, very busy as it has been in past years. Our new location and the Bali flags purchased last year certainly seem to have worked a treat as we have had a very successful year.

Purchases for the hospital and lodge so far this year have been a mobile shower trolley at a cost of \$5,075.00, new curtains for the day room \$2,890.00, a microwave for the palliative care room and in the pipeline new curtains/drapes and window treatments for aged care rooms and palliative care room with a coat of paint as well. An IV trolley is also on order.

We all enjoyed ourselves at the volunteer's afternoon tea with our cuppas, yummy cakes and good company. Luckily we avoided a day with no power and the rain held off even if the breeze was a bit chilly, should have included a glass of sherry to warm us up I think. Our objective is to say a huge thank-you to all our op-shop volunteers, without them we couldn't function and also the generous donation of the residents of Beverley.

We are looking forward to The Motor home Club's visit to Beverley in September. They are having a market day on the 29th at the oval and the op-shop is supplying clothes for a fashion parade on the day, should be loads of fun so come along and enjoy the show and grab a bargain as well.

That concludes my report for 2013.

Vicki Glassby

BEVERLEY BOWLING CLUB CELEBRATING THEIR 100TH YEAR

The Beverley Bowling Club is seeking any memorabilia or ideas on the best way to commemorate our upcoming 100th year anniversary.

If you can assist with any information or items that can help it would be greatly appreciated.

Please contact Sheridan, Phone: 0427 975 211 or Email: louis-sheridan@westnet.com.au

Northam Hyundai

Northam Hyundai, the Wheatbelt's only authorised Hyundai Dealer!

A whole lot is changing at Northam Hyundai. After two years of design, approval and construction the new Hyundai Showroom is open for business! The new fully-air conditioned showroom offers a modern customer lounge featuring free wi-fi and coffee machine, somewhere to relax while you choose your new car.

Sales Department

Northam Hyundai's Sales Department is managed by owner Wade Robertson the Dealer Principal. Being a Hyundai dealer since 1991, Wade has a wealth of experience, operating the sales department in a professional, relaxed and no-pressure approach. The sales team includes Geoff Green, a local who has been in the industry for over 45 years. Wade and Geoff look forward to assisting you in your next purchase. The sales team can be contacted on 9622 5588 or directly to Wade Robertson on 0418 917 904 and Geoff Green on 0408 822 881.

Service & Parts Department

The Service & Parts Department is managed by local Adam Foss along with his assistant April Jacobsen. Adam's background as a qualified mechanic gives him hands-on experience and this comes across when discussing your vehicle. April ensures the smooth running of the department, from scheduling bookings and tending to customer enquiries. The Service Department carries out full services and repairs on all makes and models and offers a modern, comfortable waiting area for all customers, plus we are in walking distance to the heart of the Northam Shopping area. All vehicles serviced with us receive a complimentary wash!

BEVERLEY HISTORICAL SOCIETY

The July meeting of the Society was attended by eight members. Our field trip to **Mt Kokeby** was very interesting and a report is on the following page.

Two papers were presented to the Society this month. The first was an account of an unusual plane sighting in WW2 by the **Volunteer Air Observers**. Geoff Edwards' mother made a report that caused much interest at Perth HQ.

The second was a consideration of the business of screening **Moving Pictures in Beverley**. LP Swan showed both silent and talking pictures in Beverley from 1927 to 1932 and the ledger of the financial transactions has been donated to the Dead Finish Museum. Handwritten notes attached to some of the entries provide an insight into this fluctuating business. Versions of these papers will appear in future Blarneys.

Thanks to Joyce Ridgway we now have excellent photos of the 1939 **train crash at Mt Kokeby**, hopefully these may be published too.

Donations to the Museum this month included:

- **"Forever Warriors: This book honours all Western Australian Aboriginal men & women who served their country in both war and peace"** by Jan "Kabarli" James, self-published in 2010, Perth, with assistance of the organisation "Honouring Indigenous War Graves" & others.
- The hand held **School Bell** from West Dale school (Brookton Hwy near Jones Rd), made of brass with a wooden handle, brass knocker & ring on handle to hang on a hook.
- Giveaways from local Beverley shopkeepers including a **Roller Blotter** with moveable calendar; engraved "With compliments from BILL EYLES, phone 9944, Beverley"
- And 2 **Cardboard Fans** with WA river scenes on front & printed on back "With Compliments from (a) W R Gillespie, General Storekeeper, Beverley; (b) Mrs E E Burgess, Ladies & Children's Drapers, Beverley Phone 132.

Next meeting 2pm Monday 12 August 2013. All welcome. For further information contact the secretary at bhsdeadfinish@gmail.com.

Mt Kokeby – Bigger than Beverley!?

A Beverley Historical Society Field Trip June 2013

The **prominent hill**, seven miles south of Beverley, was named Mt Rokeby, but with the coming of the railway & the declaration of the townsite, this was misspelled to become Mt Kokeby. Until 1950 the hill & the town had different names.

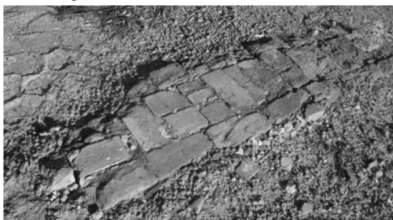

In the early 1900s a **thriving community** existed at Mt Kokeby with a **grand hotel**↓, a

school & schoolhouse, a hall, a bakery, a barber, a blacksmith, a post office & telephone exchange, at least two general stores, as well as a grain shed & a railway platform. There were tennis courts & a sports oval. In Mt Kokeby's prime it was said to be bigger than Beverley!

With the valuable assistance of two former residents, several members & friends of the Beverley Historical Society, enjoyed an interesting outing identifying sites & examining ruins. The brick footings of the **Agricultural Hall** can still be clearly seen ↓.

The hall↓ was used for dances, 21st birthday parties, meetings and as a polling station on election days.

The last **post office, phone exchange & general store** which closed in 1974 is still standing↓,

with the **"Mt Kokeby"** sign still above the entrance↓.

Across the railway line were another store, the barber, the blacksmith & the bakery. The ruined walls and fireplaces of the **old bakery** give an indication of working life & **building styles** in earlier times↓.

Following our picnic morning tea we headed out to 'Jurakine' the site of one of the **biggest almond orchards in Australia**

in its time. 70 acres was planted with 6,500 trees in 1924↓.

Large mats were placed under the trees to catch the nuts that fell as the tree was beaten with sticks. The first harvest was 10 ton of almonds.

The beautiful Mt Kokeby Hotel was demolished in 1926 and the bricks used in other places. (like Kondinin) & at 'Jurakine' for a handsome **almond shed**↓.

In 1939 a spectacular head on **train crash**↓ at Mt Kokeby caused carriages to derail & grain to spill – luckily without any fatalities.

Many thanks to our excellent & informative guides: Joyce Ridgway & Malcolm Fleay.

Dear Valued Community Volunteers

RE: VOLUNTEERS LUNCHEON - WEDNESDAY 31 JULY 2013

On behalf of the Beverley Health Service, we would like to invite you to attend our Luncheon on Wednesday 31st July in the St John's Ambulance building, at 10.00 am, to say thank you for volunteering your time and services to the Beverley Health Service.

Volunteers are a great asset to the Health Service and within the community and we would be pleased if you could join us for the Volunteers Luncheon.

Please RSVP to Bronwyn or Paul on 9646 3200 as soon as possible if you will be attending and/or if you have any specific dietary needs.

Yours sincerely

 Health Service Manager/DON

drumMUSTER makes it easy

Recycling your eligible farm chemical containers with **drumMUSTER** is easy - all you need to do is follow these simple steps:

✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

✓ Pour the **RINSE WATER** back into your spray tank

✓ Make sure **ALL** chemical residue is removed

✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

✓ Metal containers should be **PUNCTURED** from the top through the bottom

✓ **DELIVER** your eligible clean empty containers to your local **drumMUSTER** collection centre

For details on **drumMUSTER** collections in your area contact your local Council or visit the **drumMUSTER** website at:

Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local **drumMUSTER** collection centre.

Suspension concentrates (Atrazine, Simazine, etc)

✓ Rinse your container immediately after use to ensure any chemical residue does not dry

✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

Oil-based chemicals (ULVs, LVs)

✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

Other chemical residues

✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry

✓ Some containers may require additional rinsing (more than three rinses)

✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT drumMUSTER COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

SHIRE OF BEVERLEY

drumMUSTER

MONDAY
23 SEPTEMBER 2013

BOOKINGS ARE ESSENTIAL
PHONE 9646-1200

Drums must be:

- ◆ Triple rinsed
- ◆ Lids to be removed
- ◆ Steel drums must be punctured through the top, out the base

Station Gallery and Platform Theatre News

Station Gallery *Artist-in-Residence*

Botanical artist Marta Salamon has returned to Victoria taking with her the most exquisite watercolour of flowering macrocarpa and bark from our region that she painstakingly executed during her stay. It is always a delight to have such a positive artist-in-residence who relishes the chance to make meaningful work during her stay and yet willing to open the gallery and spend time with visitors to further promote our town. One such visitor, Anne Atkinson, and her family left with us some pages her father had written of his memories as a young boy living in the railway cottages in the 1920s. An excerpt will be included in August's Newsletter. Marta also enjoyed joining the walking group at 7.30am every Monday, Wednesday and Friday as it gave her the chance to meet new people and take in parts of the town she had not seen before.

Our next artists hail from Perth and will stay for the latter half of August. Eunice Mitussis & Biruta McLauchlin will be working independently but welcome people to come and draw & paint with them and they can give advice and answer questions. Even if you don't wish to actively participate in art, please feel free to pop in to the Station to make them feel welcome, and see their works exhibited. **Opening night** to the exhibition will be on **Friday 16th August**. Wine and cheese will be served 5.30 - 7.30pm. Entrance cost \$7 (\$5 if BSA member/ Friends of Station). Mark it on the calendar now and look forward to seeing some of you there.

So there will be no workshops this month, however, during September there will be weekend workshops that sound really interesting. Anita Stewart from Mississippi, USA is offering classes in the following:

1. (Sept 7th & 8th) The countryside of Beverley is calling you to capture it's alluring landscape gems. You will be walking away with work you will proud of. Learn the basics while finding unusual compositions. Choose to draw or paint realistically or delve into abstracting plein air. Bring oil pastel, acrylics, or ink. Your choice if you want to try mixed media.
2. (Sept 21st & 22nd) Want to learn how to draw or paint your pet from a photo? Anita will have some of her paintings on hand to give you an idea of how she can help you improve and make your pet's personality come through. Once it hangs on the wall you will be talking to your painting, it will look so much like them but have that special something only you can give. Learn from an international artist who has been in national and international competitions. Bring oil, pastel, acrylics or ink.
3. (Sept 14th & 15th) Come watch Anita from America draw and paint a Beverley model. You will learn how to capture the personality of your model. Capture their essence while adding your own special touches. Loaded with techniques and shortcuts. We will work on faces or figures. Your choice. Clothed model. Bring oil, pastel, acrylics or inks.

The dates and classes can be interchanged depending on numbers and preferences so please contact Marylou with your choice/s of workshops and preferred dates.

On the Saturday morning of each weekend workshop Anita will do a demonstration first followed by the class. Cost \$40/day, tea and coffee supplied, BYO lunch. And if the general public is interested in watching the demonstrations they are more than welcome.

For further information regarding residencies keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence programme for the remainder 2013:

August 15th- 25th: Eunice Mitussis & Biruta McLauchlin (Perth)

September 1st- 30th: Anita Stewart (USA)

October 1st- 31st: Dorothy McInnes, Jenneke Biehl & Suzanne Crawly, Sally Watts (Perth)

November 9th- 27th: Janet Pfeiffer (Perth)

November 28th - end December: Danielle Smith (California, USA)

Beverley Choir

Beverley Station Singers has met again this month under the direction of Kelly Newton-Wordsworth and practice is underway for the choir to sing at the Country Coir Bash in September. Additional singers are always welcome and the next session is on Wednesday 14th August - see separate advertisement and look out for messages in the Beverley Bulletin or contact Sarah Miller - Ph 9646 4066 or email miller@reachnet.com.au

Platform Theatre

🎵 On **Sunday 29th September** at 2.30pm - 5.30pm "**Voice Moves**" (Western Australia's major choral association whose main aim is to support and encourage networking among choirs and singers in WA) will present the annual **Country Choir Bash** at the Platform Theatre. Leonie Thorogood, president of Voice Moves, has indicated that this event is proving very popular with choirs around the state - it seems everyone wants to come to Beverley! Our local School Choir under the direction of Kelly Shaw will sing a couple of songs to start the day as well as Beverley Station singers singing 3 numbers. Following our home grown talent will be 6 other choirs, mainly from Perth and ranging in size from a quartet to 60 people, all singing for around 20 minutes per choir.

For further information check the website www.voicemoves.com.au

Entrance to the Country Choir Bash is \$10pp and a gold coin (or two) donation for country style afternoon tea.

- Country Choir Bash presented by 🎵 "Voice Moves" (WA's major choral association)
- Sunday 29th September 2.30pm - 5.30pm (tea break 3.45pm - 4.15pm)
- Beverley Platform Theatre
- An event for the whole family to enjoy as 7 choirs "Sing into Spring"
- Entrance to the Country Choir Bash is \$10pp at the gate
- Afternoon tea (gold coin donation) and raffles to be won

Rug up if cold and, in case of inclement weather the event will be transferred to the Town Hall

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au .

Left and below: Artist-in-residence Marta Salamon

Government of **Western Australia**
Department of **Health**

1 July, 2013

FOR IMMEDIATE RELEASE

Early detection of breast cancer is your best protection

Women aged 50-69 years are urged to take advantage of the FREE screening mammography service in Beverley. The Health Department's mobile service will be located at Beverley District Hospital (near nurses quarters) Cnr John & Sewell Streets from 22/08/2013 to 30/08/2013.

The Service will then be moving to York and Northam.

Routine screening mammograms every two years for women aged 50 to 69 can significantly increase the chance of a woman surviving breast cancer and reduce the amount of treatment required. Current medical evidence shows that screening is most effective for this age group. More than 75% of breast cancers occur in women over the age of 50.

BreastScreen WA's Medical Director Dr Elizabeth Wylie, said screening mammography was the most effective method for early detection of breast cancer.

"One in 8 women in Australia will develop breast cancer in their lifetime".

"The biggest risk factors for breast cancer are being a woman and being over 50 years of age".

"Screening every two years is vitally important to increase the chance of a cancer being detected when it is too small to feel or be noticed. Finding a cancer at this early stage often means that the breast cancer is small and can be more effectively treated".

"Breast cancer is not choosy about who it affects - all women are at risk of developing it, regardless of their family history".

Screening mammograms can detect up to 90% of breast cancers.

Any woman with a persistent change in a breast should see her doctor immediately.

An appointment for a free screening mammogram can be made by calling 13 20 50. Early detection is your best protection.

Dr Wylie is available for interview.

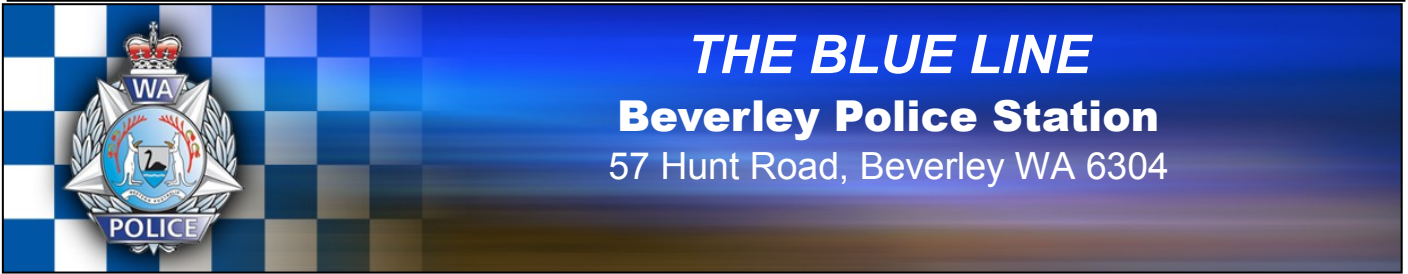

Contact: WNHS Public Relations, Department of Health Tel. (08) 9340 1450

Phone 13 20 50 for a FREE screening mammogram

R1/2

Media Release

Hello All,

In this edition I'd like to cover off on some 'general housekeeping' about your local station.

NEW OFFICER IN CHARGE

Sergeant Ian Connell is the incoming Officer in Charge of Beverley Police Station. It is anticipated Ian and his wife Jane will be arriving in Beverley early September.

POLICE RESPONSE

While most people would like to speak with their local officers it is not always possible. We spend most of our time on the road rather than behind a desk. It is for this reason that your calls to your local station are diverted when we are out and about or off duty.

When should I call 131 444?

When you want **police assistance or attendance** and it's not an emergency.

For example:

- seeking advice
- reporting something which has happened in the past
- reporting a property-related incident for insurance purposes
- reporting a disturbance or breach of the peace (eg, antisocial behaviour or a noisy party) or
- making a complaint against police or another individual

When do I call 000?

Only in an **emergency** or where urgent police assistance is required.

For example:

- a serious offence is in progress, being witnessed or just committed
- any situation where life or serious injury is threatened
- a motor vehicle accident where people are trapped or seriously injured
- a serious air, rail or water incident
- any incident which poses an immediate threat to cause danger to people or property or
- an explosion or bomb threat

Both Commonwealth and State laws provide serious offences for those who misuse the 000 number and Police will take action against nuisance callers.

We work closely with York Police. If we are not on duty, York Police generally are and only 20 minutes away, should a police response be required. On the rare occasion York are unavailable Beverley officers are recalled to duty. So if you need police please ring, we are only a phone call away, 24 hours a day, and seven days a week.

WHAT'S NEW?

ewatch is an email based system that keeps you connected to your local police and council so that you can help to track down crime and be proactive in making your community safer. Join ewatch to receive regular email updates on local crime trends and statistics, safety initiatives, emerging issues and community building events.

Working together as a community helps to make your neighbourhood safe, secure and vibrant for all who share it. Community interaction is a shared responsibility that has proven positive effects on building a safer community, preventing crime and developing community spirit.

ewatch is a free service provided through WA Police and Neighbourhood Watch and proudly supported by WALGA and Crime Stoppers WA.

Every Police Station in Western Australia is involved in the ewatch program. :

This enables your local police to provide:

- information on local crime trends
- information and alerts on emerging local issues
- local crime statistics
- promote police crime prevention and community safety campaigns or initiative
- promote local events that will improve community safety and encourage positive engagement between local police and the community it services
- allows police to receive community feedback on local issues

So jump on line and join.

AND REMEMBER, IF YOU SEE SOMETHING; SAY SOMETHINGTELL US. HELP US HELP YOU KEEP BEVERLEY A SAFE & SECURE PLACE BY WORKING TOGETHER.

Karen and Ian

Information regarding **'Gophers'**

Where can my Gopher be used?

When you are using a gopher you can travel on footpaths, shared paths, in shopping centres, in public places, and across roads.

However, it is illegal to operate a gopher faster than 10km/hr on foot paths, shared paths, and on roads. Travelling faster than 10km/hr is dangerous for you and other pedestrians as there is a risk of more serious injury the faster you travel.

What are the road rules for Gophers?

When using a Gopher you are considered a pedestrian, therefore:

- Keep left unless passing another pedestrian
- Beware of vehicles coming out of driveways
- Show consideration for other pedestrians, especially seniors and people with disabilities
- Travel no faster than the surrounding pedestrians as they may not be able to move out of your way quickly
- When parking your Gopher on footpaths please be considerate to other pedestrians and leave enough room to pass

If the footpath is not suitable or there is no footpath available and you need to travel on the road:

- Always face oncoming traffic, as you're not as visible as a car
- Be aware of traffic movement, signals, and signs
- Watch out for obstructions such as drains, potholes, and people opening car doors when you pass parked cars
- Fit a flag to your gopher to make you more visible
- Take additional care as not all motorists obey the road rules

Where can I get
more information?

Department of Transport
www.transport.wa.gov.au

PRIMARY HEALTH SERVICES available to the community of Beverley

You can refer yourself or your child to the following health professionals:

- ☑ **Child Health Nurse** - Phone 9646 3200 to make an appointment, Hospital Admin Staff will assist you in setting an appointment time (attendance Fridays).
- ☑ **Child / School Health** – Phone 9646 1210
- ☑ **Dietetics** – Phone 9690 1320
- ☑ **Occupational Therapy** – Phone 0429 466 224
- ☑ **Physiotherapy – a Doctors referral is required** – Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Thursdays)
- ☑ **Podiatry – a Doctors referral is required** – Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **
- ☑ **Social Work** – Phone 9690 1320
- ☑ **Speech Pathology** – Phone 9690 1321

* Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.

* These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).

* If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

There is so much happening at Avondale at the moment! We are all very excited and want to share with you the progress that is being made, the things that are happening and ways that you can be involved. We will also see you at the show.

Avondale Yabby Ponds potential for aquaculture enterprise/research

During the July school holidays Department of Fisheries Researcher, Craig Lawrence, donated his time to do an initial clean-up, stock-take and trial commissioning of the yabby ponds at Avondale. It was very exciting to see much of the infrastructure is still in working order and Craig is preparing notes to assist us further develop this project.

State NRM Community grants program

Avondale Farm Project Association has submitted an application for a grant to assist in re-vamping the walk trail in the Avondale Reserve, along with directional and interpretive signs. The application also includes some funds for weed and vermin control and gate replacement. We should hear if we have been successful in October 2013.

WA Wildflower Society visiting Avondale Reserve 13-15 September

Just a reminder that interested community members and friends of Avondale Reserve are invited to join the WA Wildflower Society members and volunteers, either during their surveying, or at their evening sessions where they discuss the day's finds. Contact Dina 9646 1004 for more information.

Museum busybee

It is lovely to see the museum become a hive of activity each month with lots of progress being made on the re-assembling of the Grey Ferguson. It is hoped this will soon form part of the moving display at our next open day. There has also been progress with the pre-heater for the Lanz. The Massey 44K water pump repairs are now complete. Thanks to Dave Shopland. All museum volunteers are welcome to join us on the 3rd Saturday of each month from 8am. Next date will be Saturday 17 August. If you would like to join this enthusiastic bunch of volunteers contact Dina on 9646 1004.

Avondale Appeal

The Avondale Appeal has now been set up. Donations of \$2 or more towards the Avondale Appeal are tax deductible. A National Trust receipt will be issued. If you wish to make a donation please contact Sue Eramiha 9646 0087 or sue.eramiha@bigpond.com.

Stomp for the Stables

Planning is well under way for this family based community event to be held on Sunday 20 October. Walk or run from Beverley to Avondale (approx 6km) to raise awareness of the unique Avondale Stables complex. Share a community BBQ in the Avondale Picnic area and help raise funds to conserve the stables. More information Dina 9646 1004.

Fork Lift Training at Avondale

Our first forklift training session at Avondale is fully subscribed. A second course is available 27 and 28 August. For more information please contact Amanda at CY O'Connor 9622 6743.

Interpretation of Cultural Heritage

Avondale Farm Project Association has submitted an application to Lotterywest for a grant to develop an appropriate interpretation plan for the Avondale Machinery Museum. We aim to convert the display into a regional museum focussing on the story of Avondale through siting of the exhibits, audio visual, interactive, education and public programs and publications (including web).

It is about a four month assessment period so we hope to know the outcome of our application by end of November.

General Avondale Repairs and Maintenance

Thank you to the Max Employment team, in particular the supervisor Kelvin Quartermaine, for their continued commitment to keeping Avondale presentable to the public, and contributing to the tidy up of the property. Many years of accumulated rubbish is finally being sorted through and recycled where possible.

The small John Deere tractor with pallet forks has enjoyed a long overdue service and repairs. It is looking very clean! Thanks to Nooky Ridgway for picking it up from Northam for us.

Additional scheme water holding tanks and replacing stock head tanks with larger ones, and the associated preparation and plumbing is now complete. This will be a vast improvement of water supply around the farm, particularly in the summer months.

Holden Ute

We have had an offer from Department of Corrective Services, Wooroloo for their workshops to complete the mechanical repairs and small amount of panel work on our 1954 FX Holden ute. This ute was donated to the Avondale collection by Rob Williamson in the 1970's and is an important item in the collection. It will be wonderful to see it in action at our special days in the future.

Clydesdales

Robbie and Comet are getting lots of attention at the moment from Marian Byrne, Steve Barwick and Mitch Kerr. They are responding well to the work. It will be wonderful to see Comet at the Beverley Agricultural Show. Thank you for the commitment from our Clydesdale volunteers.

Beverley Agricultural Show

Avondale Farm Project Association will be joining other exhibitors at this year's Beverley Agricultural Show with information about our Avondale Appeal and the Stomp for the Stables. The display will include vintage machinery from the museum collection and a Clydesdale horse. Volunteers will be on hand to answer any community enquiries about future plans for Avondale. So drop by and see us.

NATIONAL TRUST

AVONDALE FARM, BEVERLEY CROPPING AND GRAZING OPPORTUNITY FROM 2014

The historically important property known as Avondale Farm is a place where the community comes to learn about and experience agriculture and history in Western Australia. It is also a venue for special community events.

The National Trust of Australia (WA) will be seeking expressions of interest from suitably experienced operators to take on a three year, plus optional three year, cropping and grazing lease (by joint agreement) of agricultural lands (approximately 450Ha arable) at Avondale Farm, Beverley from March 2014.

All proposals will need to be sympathetic to the educational, tourism, cultural and heritage values of the property, and complimentary to related activities and events conducted on the property.

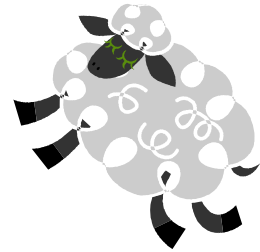

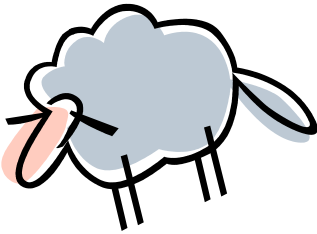

A public information session for those interested will be held at Avondale Farm in mid-September to provide further details of this unique opportunity. National Trust representatives, members of the Farm Management Group and Avondale Farm Project Association volunteers will be on site to discuss their vision of Avondale, working in partnership with interested parties.

Initial indications of interest would be appreciated by COB Friday 13th September by email, fax, phone or post from which an invitation will be provided to attend the information day. Contact details below.

The **Annual General Meeting (AGM)** for members of the Beverley CRC

DATE: Thursday 5 September

TIME: 6pm

VENUE: Beverley CRC, 132 Vincent St.

Light refreshments will be provided.

If you wish to become a member of your local CRC the cost is \$5.

For more information please contact the centre on 9646 1600.

Feasibility Study

CCS Strategic has commenced researching the needs of the community in regards to developing plans for the Community Resource Centre's future. I have been asked if this means that we are closing, no we are not. We are planning to further develop our services and products on offer to the community. The survey that was sent out was to gauge your opinion of the centre and what you would like from us in the future. If you haven't returned your survey then please do so ASAP.

Mark from CCS Strategic has met with some community groups but intends to gain more feedback through a community consultation on **Tuesday 6th August 6.30pm** in the Amenities Building at the town oval. Residents, community groups, sporting clubs and businesses are all welcome to attend. RSVP your attendance via the survey or call 9646 1600.

Parenting WA

The three session workshops were conducted in June/July by Leah Adams covering Magic 123 and Emotion Coaching. These parenting workshops helped with managing challenging behaviour, techniques in encouraging positive behaviour giving them the tools for building strong and healthy connections with their children. If you missed these workshops or you would like to address other issues with raising teenagers, Parenting WA has a vast amount of workshops that we can arrange in Beverley. Contact Amor at the CRC if you are interested.

1life partnership

We are pleased to announce that the CRC has recently partnered with the 1life group, 1life aims to raise awareness of suicide prevention. Tuesday 10 September is World Suicide Prevention Day and to get the message out in the community you will see stickers and posters. Remember when you see these to take the time to talk to a mate and ask the questions if you feel concerned about their wellbeing.

Community Directory

Are you new to town, changed address or simply did not get your form in to be in the Community Directory. Forms are available now at the CRC or online at www.beverley.crc.net.au under the forms tab. Please register before October.

BEVERLEY PLAYGROUP'S NEWS

It's been an overall quiet but very enjoyable month at Playgroup. The children mainly worked on the mural, it's looking good, yay !!

The mural in progress

Before the school holidays we had a general meeting. We have raised a few issues particularly that the room is in need for a tidy-up! We will organise a busy bee in September, but we need to know when it is best for members to give a hand: on week days or weekend, and what time of the day.

Coming up this month, we will finish our mural (deadline on 15th August). We have moved Story Time a week earlier (on the 22nd August) so we can have a morning tea for Father's Day with a special gift making activity on 29th. Stay tuned for more info as we are still trying to organise something fun for that session!

Regarding Story / Rhyme time our local Speech Therapist kindly volunteered to read for our first session. We are working with the Child Health Nurse to get a librarian to come over to read and we still are looking for volunteers. The sessions are aimed for babies and toddlers up to 3/4 years old (pre-kindy). Reading and singing to babies and young children are a great way to interact with them and help develop their literacy and communication skills.

Plus it's an awesome excuse for cuddling and bonding. Come over for a snuggle in our dedicated reading corner, followed by morning tea. August's session is on Thursday 22nd at 10am in the Playgroup's room.

Just as a reminder, new members are welcome all year long! Playgroup is open for any carers, including dads, grandparents, uncles, aunts etc... from any backgrounds, and their babies and children up to 4 years old.

Playgroup is a cheap and easy way to entertain the little ones and get out of the house. As they grow up they love to come to Playgroup to have fun with their friends and look forward to it. They enjoy the craft activities, playing with glue, paint and glitter, getting messy and making awesome art. They have lots of fun playing outside with the slides, bikes, sandpit, balls, fireman hats etc. Children share their morning tea and sit all together at the table, like they will do once they are at school. After the sessions they tend to nap as they have kept busy all morning.

As for the parents, all the mess from craft activities and toys stays at Playgroup, and it's a nice opportunity to meet people, socialise and have a cuppa. We are located right in town therefore it's easy to do some shopping, check the mail or run other errands before heading home for a relaxing afternoon.

Check out our Blarney's Calendar of Events or our Facebook page: "Beverley Playgroup WA" to keep up to date with news and events.

For more information contact Alison on 0427 896 374 Information booklets are available at the Shire, CRC and Child Health Nurse.

BEVERLEY BRANCH COUNTRY WOMEN'S ASSOCIATION www.cwaoswa.asn.au

What trying weather we are having this winter. It has been good to see a little rain over the past two weeks but the horrendous frosts have taken their toll on gardens and pastures. We hope that follow-up rains will see crops, pastures and gardens blossom over the next weeks. There is still hope for good crops yet.

Members have been busy preparing raffles and items for sale at the Motor Home and Campervan Rally to be held in Beverley on 27th to 29th September.

We will hold Devonshire teas at the CWA rooms on Friday morning and afternoon and again at the new Amenities building at the Oval on the Sunday morning and afternoon. There will also be CWA items on sale – such as CWA Cook Books and other CWA Saleable items.

A raffle with excellent prizes will take place over the rally weekend – to be drawn at 2.30pm on Sunday 29th Sept. at the Amenities Building.

Best wishes to Mandy and Shane for their wedding day on Saturday 27th July. We all hope the sun shines down on you for that very special occasion.

BEVERLEY VISITOR CENTRE & AERONAUTICAL MUSEUM

This is a beautiful time of year to travel through the Avon Valley and many are braving the cold to do so.

We continue to welcome many visitors to our town from near and far. Sometimes, very far! Until I became a volunteer at our visitor centre, I was personally unaware of just how many tourists visit our small town. I have found it really enjoyable to meet and greet these visitors. Some are real characters and have interesting stories to tell of their travels. Most speak highly of our area and seem to enjoy the country hospitality.

We are trying to build up our souvenir range with locally made products so these visitors, if they wish, can take something of Beverley away with them. We now stock local honey, hand towel sets, leather goods, jewellery, cards, books by local authors, as well as Beverley mugs, stubby holders, caps, tea towels, t-shirts, polo shirts and more. But they're not just for visitors. These also make great gifts to send to family and friends who are interstate or overseas, so please feel welcome to come in and take a look at what we have to offer. You might be surprised.

We also sell a lovely range of Beverley postcards which are a nice way to stay in touch with distant friends and family.

Just a reminder that the CMCA, Campervan Motorhome Club of Australia, are holding their West Coast Rally in Beverley from 26th to 30th of September. Our town will be a buzz with visitors at that time so let's all make them welcome. This is an opportunity for Beverley to shine.

Again, we need more volunteers to join us in keeping the Visitor Centre doors open and welcoming visitors to Beverley. If you enjoy meeting people and could spare a few hours, we would love to hear from you. Just pop-in to the Tourist Bureau and introduce yourself to one of our volunteers. You will be welcome.

Reminder that annual membership is due, benefits include advertising on the www.beverleywa.com website.

Till next time, keep warm, take care and enjoy the Beverley Show on August 24th.

AGED CARE

Late Line ABC - 15 July 2013

Some disturbing news of current research shows the systematic bullying, malnourished, neglect and ill treatment of our most vulnerable and feeble in our affluent society (our elderly).

The stories are numerous and too distressing to mention here. The facts revealed:

- there are 220,000 aged care residents.
- problems with accreditation processes.
- agencies with a shortage of staff and training for new staff.
- the need for more spot checks, by regulators (Commonwealth Government).
- need more doctors and support services to services the current 3,000 aged care facilities.

There is a crisis in the aged care facilities which is recognised by the industry - as stated on TV.

The new Aged Care Minister goes on to say, she agrees and will monitor the aged care complaints and needs such as more investment. She states 1,000 people twin share earn \$65 each week and they will get more support to stay in their own homes and to increase the quality of their lives.

Mal G Roberts

CRANA Aboriginal Corp. Inc.

Last week was NAIDOC Week (significant for indigenous people)

One elder on ABC's Q & A, stated that she had visited, some, indigenous schools, detention centres and prison's. She made a shocking discovery that some individuals feel safer in prison. Some talk was made that political parties take responsibility and address such issues from the Prime Minister's Office.

Once again we wait for the indigenous, first people to be recognised in the constitution - so far it looks like we have bi partisan support, as vast majority of Australians agree.

FIREWORKS DISPLAY SHOWDAY

We would like to advise the Beverley community that following the annual show day there will be the fireworks display. The fireworks display will take place between 6.30pm - 6.45pm. Our experience is that often pets, dogs in particular, can become frightened by fireworks and behave in an out of character manner.

All types

All areas

ALLROUND CONCRETE

SHED FLOORS, DRIVEWAYS, FOOTPATHS, HOUSE SLABS, SILO PADS, FERTILIZER/GRAIN/SUPA SHEDS

ROBBIE HIGGINSON

ABN: 26 997 512 874
Po BOX 345 YORK WA 6302

As such, we have put together the following tips for dog owners to assist your animals' well-being and safety during this time:

- Ensure your dog is securely contained for the 15 - 20 minute fireworks display.
- If you are leaving your dog at home alone outside, check that all fences are secured and well maintained.
- If you are leaving your dog at home alone inside, a laundry room or similar enclosed space can provide a familiar, safe and secure environment.
- If you are going out for the evening, you might consider taking your dog to a family member or friend's home to be cared for, or even have someone come and keep your dog company.

Please Note:
PETS ARE NOT ALLOWED ON THE OVAL AT THIS EVENT

ACT – BELONG – COMMIT SHOW DAY NEWS

It's that time of year again and the Ag Soc committee (as we fondly refer to ourselves) are once again pulling all the strings together to bring the Show to life on the Showgrounds for 2013.

As you have read on the front cover our theme is celebrating LIVING IN THE COUNTRY. Part of our lifestyle here, living in the country, is the generosity we all experience from our neighbours and friends in time of need. In the spirit of that lifestyle we decided it was time to give back a little more this year than ever before. So here is what we are offering...

FREE: All children under 13yrs when accompanied by an adult have **FREE** entry.

FREE ENTERTAINMENT with Circus Challenge, Syd and Kym Outback show, Urban Crew workshops and performance, Vince Haines the magician, sumo suits, gladiator dual, bungee run, mechanical bull, Beverley District High School Choir, Coastal Pipe Band AND fireworks at night followed by dancing the night away with the rock band Almost Famous.

We are also very happy to announce the return of an old favourite with the Horses versus Humans competition back in full swing followed by rival factions lining up with East facing West on opposite sides of the Kilpatrick rope. Who will take the title for 2013?

Plus we have all the usual show day rides, animals, foods, music, magic and general all round frivolity. Entries are starting to come in and everyone has their eyes on the prize of an ipad mini which one lucky person will win just by entering in one (or more) of the exhibition shed competitions.

Membership tickets are being posted out as this edition of the blarney goes to press and trophies can be delivered to the newsagency. Schedules are available from local businesses or check out our web site www.beverleyagsociety.com.

It's going to be another big day this year, we hope you enjoy it.

Daytime running lights

The practice of motorists switching on their driving lights during daytime hours is often referred to as Daytime Running Lights or DRL. As a road safety concept, it is based upon the sound scientific fact of being seen is being safe. It's not rocket science that in low light conditions such as early mornings, afternoons, overcast, rain and in foggy conditions that a vehicle having its headlights on low beam is far easier to see than a vehicle without its lights on at all.

Recently in the Wheatbelt we have been experiencing the shortest days of the year combined with foggy and overcast conditions. For your safety and the safety of other road users we suggest you check your vehicle lights are working and drive with your headlights on low beam.

'Rocket Science' research has found that;

- When objects occur outside our direct line of sight or in the peripheral areas of vision, much stronger contrasts are required if detection is to occur. When detection relies upon peripheral vision, there is a greater need for high colour and/or a brighter contrast to allow prompt detection.
- Where the contrast between vehicle colour and background colour is strongest, detection is quickest.
 - Best detection results can be achieved for all vehicles if low beam headlights are on.
 - This is important because it is generally accepted that a large proportion of vehicular crashes could have been avoided if early detection had been possible.
- Laboratory-based studies have shown that the greater the brightness contrasts between an object and its background, the greater the probability of the object being detected. The lower the ambient illumination, the greater the contrast ratio required between object and background.

So was that rocket science or just common sense? You be the judge and do your bit to be safe on the roads, Lights On.

Slow down and drive to the road and environmental conditions.

WITCH'S KANGAROO RESCUE AND WILDLIFE CARE

What a surprise I got when I received a phone call from a lady out at the Dale saying she had found a baby possum. After we had arranged to meet, she considered that it wasn't as young as she had first suspected after she became quite active. Once I had opened the bag I identified her as an adult female Western Pygmy Possum that had fallen out of a tree. These possums go into torpor when it gets too cold so they don't need to find food when it is hard to find (bats do this also). It is like a hibernation but for a much shorter time. This very lucky possum would have not been able to go back up the tree because she was in torpor and she would have been vulnerable to predators and exposure. Once she was warm she was released back where she was found and gladly scampered up the tree and vanished. Most people never get to see these beautiful little possums because they are smaller than a mouse, with an average adult weight of 15 grams. This was so exciting for me and the family who found her.

On a sadder note I helped a friend with a sick kangaroo last week and was so shocked to be told by the vet that it was indeed Tetanus, basically there is no cure for this awful disease and it is an awful death, so sadly this little kangaroo was euthanized by the vet. I did a lot of research and found that Tetanus is on the rise in Kangaroos and other wildlife and I will be going back to routinely vaccinating my kangaroos for Tetanus. I previously used to until I became scared of the side effects of the vaccine, which according to my vet is very rare and is more treatable than the disease. This will give them protection for about 5 years after they are released.

Our hand raised brush tailed possum Hush, has been successfully released into the wild with Dottie doing this slowly over several nights. He still comes in and eats food but as this is getting less all the time, it seems like he is now able to find food in the wild. This is what is called a soft release where slowly they rely on us less and cope much better in the wild. Hopefully Hush will go on to live a happy and long life.

For any wildlife queries please contact Phyllis phone 9646 1469 or mobile 0437 483 175

Media Release

Rural stoicism is poor for survival

Rural Australians are often too stoical, macho or optimistic to seek medical help, leading to poorer cancer survival rates, finds the WA study recently published in the Family Practice Journal.

Detailed interviews with cancer patients from regional WA found that stoicism meant severe and continuous symptoms were often self-managed.

This included putting up with severe and long-term symptoms and rearranging lifestyle to accommodate these symptoms instead of seeking help.

Lead researcher from University of Western Australia, Professor Jon Emery says they were amazed at the things country people would put up with compared to people in the city.

“It’s a real worry” says Professor Emery. “The rural stoic male is celebrated as an Australian icon, but wanting to be perceived as tough or macho can have major consequences on their health.”

The same study is what led to the creation of the Find Cancer Early campaign currently being piloted in the Wheatbelt until November 2013.

“Find Cancer Early is here not only to tell people what symptoms to look out for, but also to help people get passed some of those attitudes which stop them going to the doctor when something isn’t quite right” says Find Cancer Early Project Officer, Karen Hansen.

If you are over 40 and have coughed up blood or had blood in your pee once off tell your doctor. You should also tell your doctor if you have had any of these symptoms for more than 4 weeks: blood in your poo; problems peeing; looser poo (diarrhoea); unexplained weight loss; an unusual pain, lump or swelling anywhere in your body; becoming more short of breath; or a persistent cough.

Having these symptoms doesn’t mean you have cancer – often they turn out to be something less serious, but it’s important to tell your doctor. More information is available at: www.findcancerearly.com.au.

Find Cancer Early is an initiative of The University of Western Australia and Cancer Council WA investigating ways to improve cancer outcomes for people in regional Western Australia.

BEVERLEY REDBACKS HOCKEY

August already, the season is nearly over!

Firstly and most importantly it is time recognise our Coach.....We would like to acknowledge and thank Chris Mann for her enthusiasm, guidance, encouragement and dedication to our team and the game. Chris has taken on board our move into A grade this season and is working us hard at trainings. This is certainly showing on game days with some fantastic hockey being played and a competitive team taking the field each and every week. Chris is at games, runs trainings, puts on team dinners, throws in an extra training when needed and more!

THANK YOU Chris Mann ~ from the team!

We must also make special mention of our reliable umpires. Judy Davies and Karen Poultney, thank you for taking the time to come along to our games & umpire. Super job!

As this goes to print the girls are talking about the Revue night... 'What should I wear?', 'How should I do my hair?'. We have been involved with the Netball girls in pre-filming an act to the song Call Me Maybe. You may see it on YouTube soon. Stay tuned for photos from the red carpet.

Round 9 Vs Jenna

29 June

Pink, Phuket and Weddings were in the air which left us looking for fill-ins. Thanks to Ros Mellick and Kira Strange who came on board for the day and both played extremely well. The day was piping hot and playing a strong team who know their stuff put our skills to the test. With 10 minutes left in the first half Jenna got a goal off a short corner. They got another goal in the second half, this one snuck in before we had time to blink. Once again we gave it everything we had in warm conditions.

Final score 2- nil

Coaches Award -sponsored by Beverley Electrical - Ros Mellick & Kira Strange

Captains Award - sponsored by Trevor & Mandy McLean - Lisa Mourach

Round 10 BYE

05 July

Round 11 School Holidays Bye

13 July

Round 12 Vs York Jets

19 July

It was chilly! We welcomed a new team member Marika Winmar, great to have you Marika! With extra numbers on hand we could keep our legs fresh. We played hard but unfortunately no goals were scored and the game ended with a draw.

Coaches Award -sponsored by Beverley Electrical - Kathryn McLean

Captains Award - sponsored by Trevor & Mandy McLean - Marg Mourach

Round 13 Vs Jenna

20 July

Another home game against top of the table Jenna and with some tired muscles due to our double header weekend (2 games in 24 hours). Every player still managed to put in 100%. Unfortunately Jenna managed to score twice and in the end we come away with a 2-0 score. Well done girls - great effort!! We wish Margaret Mourach all the best for a quick recovery after a hard knock to the finger, there was lots of blood :(

Coaches Award -sponsored by Beverley Electrical - Penny Burns

Captains Award - sponsored by Trevor & Mandy McLean - Kelly Mann

Sponsors Day 2013 4pm Game time 17th August

We will be celebrating the wonderful support of our sponsors on this day.

Beverley vs York Jets at the Beverley Oval. Please note the game time has been changed to 4pm to allow us to have a casserole dinner and drinks after the game.

THANK YOU TO OUR 2013 SPONSORS!!

Beverley Electrical, Beverley Farm Direct Stock Feed Supplies, Northam Tavern, Inkosi Design, U Beauty Country, Trevor & Mandy McLean, Avon Trading, Beverley Supermarket & Liquor and Blechy's Tyre & Battery.

Training ~ Wednesday: 5.30pm. See you there!

Beverley Junior Netball Club

During the July school holiday break, the West Coast Fever held Netball Clinic's in regional and rural areas for children aged 5 - 12 years old.

Two representatives from the Junior Netball Club took the opportunity to train and learn skills from the state team representatives.

Kana Moulton and Rebecca Grover worked in groups with Caitlin Bassett, Catherine Cox, Kate Beveridge, Verity Simmons, Chanel Gomes and Andrea Gilmore.

The girls learned some new training drills, shooting techniques and basic skills to improve their game. Both girls will be teaching other team members some of their new gain knowledge, which we are sure will benefit all the club.

After the morning clinic the girls had the chance to get autographs and photo's with the team. It is great to see the dedication both girls have towards netball and their enthusiasm to attend next years' clinic.

Keep informed of games, memberships and clinic by visiting <http://www.westcoastfever.com.au/>

Wednesday 10 July	Lyn Mactaggart Trophy Stableford	Winner - Maxine Watts – 41 pts She played beautifully today with 79 of the stick. Runner - up - Lyn Mactaggart – 36 pts Pin - Marg Peck
Wednesday 17 July	Val Moir Trophy Stroke - 4 th Qualifying Rd, Silver Spoon, Putting Rd	Winner - Glenys Collins – 73 nett Runner-up - Anne Szczecinski - 77 nett Pins - Maxine and Jane.

We have coming up the Jubilee Fours, the last Silver spoon and putting rounds and then we have Avon Valley at Quairading on the 7 - 9 August. All the best to the ladies that are going

Beverley Netball Club

The season is nearing the end with only 3 more games to go before finals. Unfortunately the Beverley Teams have not been able to climb the ladder and be contenders for the premiership. This year Beverley will be hosting the grand final which is on 7th September and the grand final will be hosted in Brookton for the next 2 years.

Make sure you look out for the Beverley Netball Girls in the show bags stand at this year's Beverley Agricultural show. Your support over the previous years has been fantastic and helped us raise \$30,000 to donate to the Beverley Shire for the new Netball Courts that are still under construction and with the weather the completion date is still unknown.

Results from July are:

5th July

Pingelly Green (64) defeated Brookton Glory (28)
Beverley Hunters (58) defeated Brookton Blazes (7)
Pingelly Blue (64) defeated Beverley Spinners (13)

20th July

Pingelly Blue (46) defeated Brookton Glory (30)
Beverley Spinners (25) defeated Brookton Blazes (24)

Next Games are:

Friday 26th July in Beverley

7:00pm Pingelly Pink V Brookton Glory
7:00pm Pingelly Green Machines V Brookton Blazes
8:30pm Beverley Hunters V Beverley Spinners

Friday 2nd August in Brookton

7:00pm Beverley Spinners V Pingelly Pink
7:00pm Pingelly Blue Lagoons V Beverley Hunters
8:30pm Brookton Blazes V Brookton Glory

Saturday 10th August in Pingelly

(Please note the times have changed due to Pingelly hosting the JK Cup, the following is the correct times)

1:45pm Brookton Glory V Beverley Hunters
1:45pm Pingelly Pink V Brookton Blazes
3:30pm Pingelly Green Machines V Pingelly Blue Lagoons

Friday 16th August in Brookton

7:00pm Brookton Glory V Beverley Spinners
7:00pm Pingelly Blue Lagoons V Pingelly Pink
8:30pm Beverley Hunters V Pingelly Green Machines

Friday 23rd August in Beverley

Semi Finals

Friday 30th or Saturday 31st August

Prelim Final

Hope to see you at the courts.

Results from Caption this:

"Look I'm dancing"

"I've got my 3 feet, now where's the ball"

"No, behind you Claire"

"Let's dance"

BEST CAPTION IS.....

"I am a ballerina, nice and tall, I am defending, but where is the ball?" tune of *I am a little teapot* song

This month's caption this photo of Jen Petchell.

Beverley Men's Golf

Fine weather once again greeted 25 players on Saturday 29 June for a 3 person Ambrose which was sponsored by **Beverley Hydra Boom**.

At the end of play the scores were very close but the eventual winning team were Peter (Dipper) Edwards, David (Slab) Adams and Mark (Head) Edwards with a nett score of 60.34. This team was closely followed by the team comprising of Darrell Hagan, Graeme Hagan and Ian Roberts with nett 61.25 in third place was John Islip, Mel Vivian and Les Annison with nett 61.67.

It was a day that saw a number of old faces come back and have a game namely Eddie Peart, Rob DeGruchy, Graeme Lewis along with Peter Edwards.

The day was a team with the Best Gross score was Peter Edwards, David Adams and Mark Edwards with a gross score of 67.

Novelties winners were:

Best Second Shot on 1
Stephen Gollan
Longest Chip or Putt on 2
Darryl Burton
Long Drive on 3
Mark Edwards
Longest Putt on 4
Stephen Gollan
Nearest to the Pin on 5
Darrell Hagan

Longest Chip or Putt on 14
Ian Roberts
Best Second Shot on 15
Stephen Gollan
Longest Putt on 16
Darryl Burton
Longest Putt on 17
Darrell Hagan
Nearest to the Pin on 18
Wayde McLean

Once again the club would like to thank **Eddie Peart of Beverley Hydra Boom** for his continue support of the club.

Primaries 3 Person Ambrose was held on Friday 5 July with 30 participating in the day, a little down on last year.

A great day was had by all who played and with novelties on all holes gave everyone a chance of winning a prize.

At the end of the day scores were very close, with the eventual winners being Mark Thomas, Gavin Sazanov and Darrell Hagan with a nett score of 56.50, they were followed by the all ladies team in Glenys Collins, Margie Peck and Val Hagan a nett score of 59.00. Third place went to Mark Armstrong, David Kennedy and Brad Copping with 60.67 nett.

The Best Gross score was shot by Mark Thomas, Gavin Sazanov and Darrell Hagan with 69.

It was very pleasing once again to see many players who don't play that often come to play in this event.

Novelties on the day were won by:

Longest Putt on 1
Mel Vivian
Best Position Drive on 2
Bruce Kilpatrick
Best Third Shot on 3
Mark Armstrong
Longest Chip or Putt on 4
Cliff Doncon
Nearest to the Pin on 5
Glenys Collins
Best Second Shot on 6
Mark Thomas

Mark Thomas
Best Second Shot on 15
Val Hagan

Longest Chip or Putt on 16
Terry Winfield
Longest Drive on 17
Bruce Kilpatrick
Nearest to the Pin on 18
John Islip

Again the Club extends their thanks to **Primaries of WA and Terry Winfield** for sponsoring this event each year.

Unfortunately fine weather greeted 18 golfers on Saturday 6th July for the **Streamline Brick Paving Trophy**.

This was the final round of qualifying for the 2012 Club Championships and also the Monthly Mug award.

The winner of the day was Wayde McLean with a good nett score of 70, Luke Gollan was in second place with a nett 71.

Terry Winfield had the best gross score with 80.

Justin Smith also provided novelties on the day and they were won by the following:

Best Second Shot on 1
Mark Thomas
Longest Chip or Putt on 2
Brenton Richardson
Longest Putt on 4
Mark Armstrong
Nearest to the Pin on 5
John Donovan
Longest Putt on 7
John Donovan
Nearest to the Pin on 8
Daniel Gollan
Best Second Shot on 10
Mel Vivian
Best Third Shot on 11
Daniel Gollan
Nearest to the Pin on 13
John Donovan
Longest Putt on 16
Mel Vivian
Longest Putt on 17
Chris Pepper

Thanks to **Justin Smith** for sponsoring the day.

It was great to have some rain during the week to make the course turn green. Saturday 13 July, 15 played for the **AL Oliver Trophy** which was a Stableford event.

With the course in better condition a number of high scores were anticipated.

John Donovan had a great day and shot 38 points to win the day from John Islip who also had a great time on the course to score 37 points to be runner-up.

We also had two visitors from Serpentine play in Keith Gray and Vic Tucker who both enjoyed the day.

Novelties on the day were won by:

- Best 2nd Shot on 1*
John Islip
- Longest Chip or Putt on 2*
John Donovan
- Longest Drive on 3*
Terry Winfield
- Longest Putt on 4*
Gavin Sazanov
- Nearest to the Pin on 5*
Stephen Gollan
- Best 2nd Shot on 6*
Vic Tucker
- Longest Putt on 7*
Daniel Gollan

Thanks go to **Paul (Chick) Oliver** for his continued support in providing the trophy for the day.

Sunday 14 July Beverley hosted the Darling Range Golf Association Championships. This was a 27 hole Stroke event. It was unfortunate that only a small field of 34 played.

The day went well and thanks to **Fred Sing** and **Steve Gowland** for co-sponsoring the event. Beverley players featured in the awards with Darrell Hagan winning the best nett score with, Mark Edwards was Gross

Runner-up by one shot, Wayde McLean was 4th in the Gross, Fred Sing won the Vintage award and Bruce Kilpatrick won the best 9 holes (10 to 18) score.

Award Winners:

- Gross Winner*
Troy Bradshaw - 119 Pickering Brook
- Gross Runner-up*
Mark Edwards - 120 Beverley
- Gross Third*
Steve Denman - 122 Serpentine
- Gross Fourth*
Wayde McLean - 124 Beverley
- Nett Winner*
Darrell Hagan - 100.5 Beverley
- Nett Runner-up*
Len Pettit - 102 Pickering Brook
- Nett Third*
Kevin Pollock - 104 Serpentine
- Best 18*
Dene Marshall - 67 Pickering Brook
- Best 9 (1 to 9)*
Alan Jefferies - 34 Waroona
- Best 9 (10 to 18)*
Bruce Kilpatrick - 34.5 Beverley
- Veteran (55 & over)*
Tony Downey - 11.5 Mundaring
- Vintage (65 & over)*
Fred Sing - 106.5 Beverley

Saturday 20th July saw the quarter finals of the Club Championships take place. Results for the day were:

Championships
John Donovan defeated Terry Winfield
Ben Moulton defeated Stephen Gollan
Mark Armstrong defeated Darrell Hagan
Wayde McLean defeated Mark Bickley

1st Division
Bruce Kilpatrick defeated Mark Thomas
Gavin Sazanov defeated Les Annison
Chris Pepper defeated David Kennedy
Fred Sing defeated Mel Vivian

Sunday 21st July witnessed the semi finals of the Club Championships take place, with the winners of each match proceeding to the final.

Results for the day were:
Championships
Ben Moulton defeated John Donovan
Mark Armstrong defeated Wayde McLean

1st Division
Bruce Kilpatrick defeated Gavin Sazanov
Chris Pepper defeated Fred Sing

This now means that Ben Moulton will play Mark Armstrong in the 36 hole Final to see who will be the 2013 Beverley Golf Club Champion.

In the 1st Division Bruce Kilpatrick will take on Chris Pepper, this also is a 36 hole match.

*****Sunday 4th August*****

AFA Round 15

**Beverley vs. Quairading at Beverley
(Lyme Disease Awareness Day
with special guest Paul Hasleby)**

*****Saturday 10th August*****

AFA Round 16

**Beverley vs. Cunderdin at Beverley
(1973 – 40 Year Reunion &
2003 – 10 Year Reunion)**

It was a pretty quiet July, with just the two games played, however, August shapes as a busy month as we charge towards the finals.

The Beverley Football Club would like to extend our best wishes to Darrell, Christine and Charlie Hagen on their move to Northam. We thank Darrell for his contribution to the Beverley Football Club as a player and a committee member and we look forward to seeing them around Club from time to time.

Congratulations to the Avon Football Association on winning the B Section Country Football Championships Grand Final defeating the Ongerup Football Association by 10 points.

A rare and special achievement took place on Saturday 27th July when Tim Kilpatrick chalked up 300 Reserves games for the Beverley Football Club. Tim has given an amazing amount of service to our Club, both on and off the field, and we congratulate Tim on this reaching this great milestone.

Check out the link to our website at <http://www.beverleyfc.com.au/> to catch "Off The Boot's" feature story on the Beverley Football Club.

BEVERLEY HORSE AND PONY CLUB

We had several riders take advantage of the Avon Zone Camp this year. Amy, Kip, Emily, Eloise, Katie, Vicky, Tealah, Bronte all spent the 6th and 7th July at the Avon Valley Equestrian Park where they joined with riders from York ,Toodyay, Avon Valley (Northam) and South Midlands (Muchea). They had a busy weekend and enjoyed the opportunity to meet other pony clubbers from our zone. Activities over the weekend included showjumping, cross country, unmounted Tetrathlon, with horse themed craft activities in the evening on Saturday.

Tealah & Bronte enjoyed their day at the Zone Novelties selection Day.

Our July rally saw Felicity, Jenifer & Tess take riders through the morning lessons. Riders had fun over a lovely Showjumping course that Renee designed and built for them. Horsemastership saw riders trying to put their bridles back together while wearing blind folds, older riders worked on TPR with Vicky's *Darcy* being a very well behaved demo horse even when it was time to take his temperature. During our lunch break members gathered in front of the fire to watch a DVD on the evolution of the relationship between man & horse and the impact that the horse had in aiding man's colonization and development of the world. The afternoon saw riders having lots of fun while practicing some of the Prince Philip Mounted Games that will be used in this year's competitions.

Kip, Tealah & Katie will be riding at the PCAWA Prince Philip Mounted Games Knockout as part of a composite team with York in the junior section. Good luck to all the riders in our team for the 3rd August.

Planning is well under way for our Breed Show in September. Judges have been booked and the program is now available on www.cavalletti.com.au Entry forms will also be on the site shortly. Some wonderful sponsors have come on board to support our event and we would like to say a big thank you to them all, including **Beverley Bakery**, **Sleeps Transport**, and **Beverley Steel Fabrication**

Our next rally will be on the 14th August. Please contact our Club Coach Coordinator Renée on renee.philip@bigpond.com to advise if you will be attending or not so that she can arrange coaches for the day.
