SHOW ENTRY FORM FOR GENERAL & POULTRY CATEGORIES PAGE 39

Shire of Beverley President Report

2015/2016 Budget

Council has adopted the 2015/2016 budget with an overall increase in rate revenue of 4%. This will assist existing service levels to continue and a number of new initiatives to be funded. It also includes the continuing allocation of funds for renewal of Shire infrastructure.

Please note that the percentage increase in total rate revenue may not translate to the same percentage change to individual notices, which may have been affected by changes to UV and GRV valuations by the Valuer General (Landate). Council continues to support a 10% discount for rates paid in full by the due date, which is Tuesday 8th September 2015.

The schedule of Fees and Charges for non-regulatory charges has in most cases been increased by 5%. Regulated fees such as planning and development applications, building licences and animal registrations are set by the state government.

The 15/16 Annual Budget can be viewed at the Shire office or website www.beverley.wa.gov.au

Beverley Tourism Steering Committee

Residents are reminded that the Tourism Steering Committee is investigating the development of a Beverley Tourism Planning Framework to guide economically sustainable tourism in our Shire. A community survey has been developed as part of the consultation process, to be distributed with Shire rate notices. A visitor survey has also been developed which will be available through local tourist related businesses. Copies of both surveys will be available from a display in the Shire marquee at the Beverley Show. Responses can be returned there if you wish. A drawing competition (page 7) with the theme of tourism has been arranged for the younger members of our community (with cash prizes!).

Maintenance Grading

The Shire's Acting Manager of Works (Ian Moulton) has advised that maintenance grading has occurred on the following roads:- Edison Mill, Dobaderry, Kokendin, Kiera, Caroling-Bally Bally, Qualandry, Barrington, Lennard, Spring Hill, Corberding and York-Williams.

Telecommunications

Council had favourable discussions with Telstra representatives prior to the June Council meeting which has resulted in various sites in the district and town being

tested for coverage by a technician, demonstrations of the Telstra Smart Antenna, some interim upgrades to the 3G tower and reporting of transmission capacity issues to Mia Davies' office. This is by no means a final outcome of what is required to remediate the problems community members have been subjected to, however it has assisted in highlighting the issues, escalated the area for longer term solutions and provided evidence to support future funding programmes.

Main Street Revitalisation Project

A draft concept plan has been developed by the Shire Planner to initiate discussion regarding potential revitalisation of the Vincent St shopping precinct. An informal dialogue will be held with business owners following which the concept will be available at the Shire office and website seeking wider comment.

Visitor Information Bay

The new Visitor Information Bay signage and structure has been installed.

Beverley Show – Saturday 22st August 2015

The dedicated Agricultural Society Committee (who are small in number) has again been working hard to stage the annual show for our community and visitors to enjoy. The show regularly attracts between 3,000 and 4,000 patrons and an enormous amount of work occurs before, during and after the event, so if you can help out in any way please put your foot forward and your hand up!

The Shire of Beverley will again have a marquee at the show where staff and Councillors will be on hand to provide information and receive your enquiries. The Tourism Steering Committee, currently investigating the potential for a Beverley Tourism Planning Framework to guide the economic and sustainable development of tourism will be seeking comment and feedback regarding this project.

Local Government Elections October 2015

WA Local Government elections are due to be held in October. Nominations are open from Wednesday 3rd September 2015 to Thursday 10th September 2015. If you are a rate payer however do not reside in Beverley (ie you are recorded on the state electoral role at a different location) you will need to ensure you are registered with the Shire in order to vote. This is the first year the Shire of Beverley will not have ward boundaries restricting which candidates you are able to vote for.

Rates Reminder

Please remember that in order to receive the 10% discount on your rate notice, full payment must be received by Tuesday 8th September 2015.

Monday 24 August 2015 - 4.00pm
E: blarney@beverley.wa.gov.au

SHIRE OF BEVERLEY - IMPORTANT INFORMATION

CUSTOMER SERVICE and ADMINISTRATION OFFICER (JOB SHARE)

Applications are invited from suitably qualified persons to fill the above position for 5 days a fortnight.

The successful applicant will be responsible for providing a first point of contact for Council in all library, cashier and reception services. Other duties include record keeping, police licensing, banking and word processing.

It is essential that the applicant has excellent customer relation skills, is computer literate and has experience with cashier duties. Experience in library systems and police licensing is desirable but not essential as training will be provided.

The successful applicant must be able to start the position on Wednesday 26 August 2015, attend a 5 day training course in Perth from Monday 14 September to Friday 18 September 2015, hold a current Police Clearance (no older than three months) and a valid driver's licence. A copy of the position description and selection criteria can be obtained by contacting Gail Moulton or Sheridan Irvine on 9646 1200 or via email to admin@beverley.wa.gov.au

Written applications addressing the selection criteria should be received no later than 4pm Friday 14 August 2015 and addressed to:

**Mr Simon Marshall
Deputy Chief Executive Officer
Shire of Beverley
PO Box 20
BEVERLEY WA 6304**

RATES

Within the next month property owners will receive their Annual Rates Notice. This explains there are two options to paying your rates.

Option 1 is to pay **in full** by the due date and receive a **10% discount**. The Early Payment Incentive cannot be granted after the due date of 08 September 2015.

Option 2 is to pay in four instalments, with the first payment due as above. This option attracts several additional charges which are explained on your rates notice.

Due by the following dates:

1st Instalment	08 September 2015
2nd Instalment	10 November 2015
3rd Instalment	12 January 2016
4th Instalment	14 March 2016

If the 1st Instalment is not paid by the due date you cannot join the Instalment Plan. THERE ARE NO EXCEPTIONS. An interest component of 5.5% is charged on the second, third and fourth instalments to cover loss of investment income and extra administration to the Shire of Beverley. Instalments not received by the due dates listed above will incur 11% interest penalty for each day the instalment is late.

Please note that, as a last resort, any outstanding rate balances will be handed to a debt collection agency to recover the amount owing.

In certain circumstances a special payment arrangement can be entered into inline with council's policy. If you are having **problems paying your rates**, please contact the Rates Officer on 08 9646 1200 to explore your options.

If you require any other rates information please contact the Rates Officer on 08 9646 1200 or pop into the office, Monday to Friday, between 9am - 4pm.

Free Carer Wellbeing Workshop Beverley

Are you caring for a family member or friend who has a disability, mental illness, chronic condition, terminal illness, an alcohol or other drug issue, or who is frail aged? If yes, then this workshop is for you!

Registrations are essential!
Please call **1300 CARERS (1300 227 377)**
or email events@carerswa.asn.au
Please book early as places are limited.

**"We care
because you do"**

SHIRE OF BEVERLEY LOCAL GOVERNMENT ELECTIONS

Election Date

In accordance with the Local Government Act 1995 (and regulations), an Ordinary Election is held every two years on the third Saturday in October.

The Local Government Ordinary Election will be held on Saturday 17 October 2015.

Eligibility to Enrol and Vote

You are eligible to enrol if you are:

- 18 years of age or older;
- An Australian Citizen;
- Correctly enrolled on a State or Commonwealth electoral roll; and
- A resident or a non-resident owner of rateable property or land within the Shire of Beverley.

As of 17 October 2015 there will no longer be wards in Beverley. There for everyone who is eligible (as above) is entitled to vote once.

Enrolments close at 4:00pm Friday 28 August 2015.

To enrol to vote, to update your details or to check your enrolment please contact the WA Electoral Commission:
www.waec.wa.gov.au or 9214 0400

Councillor Nomination information will be available from the Shire Office from Monday 22 August 2015 and will be advertised in the September Beverley Blarney.

COMPULSORY MICROCHIPPING FOR ALL DOGS AS OF 1 NOVEMBER 2015

The Shire of Beverley has received notice from the Department of Local Government and Communities that from 1 November 2015 it is compulsory for all dogs to be microchipped.

Amendments to the *Dog Act 1976* made in November 2013 provided that from 1 November 2015 the owner of a dog that has reached 3 months of age must ensure the dog is microchipped.

A dog is exempt from the microchipping requirement if a veterinarian issues a certificate stating that the implantation of a microchip may adversely affect the health and welfare of the dog. The certificate cannot apply in respect of a dog that is under three months of age.

When a person registers their dog, they will be required to provide proof that the dog has been microchipped by providing their local government with the microchip number.

If you lose your microchipped dog, it will make it easier for you to be reunited. The dog's microchip can be scanned by the ranger or a vet, which will reveal the owner's contact details.

If your dog is impounded and it is discovered that it has not been microchipped, you may be liable for a fine. As a result, it is in your best interests to ensure your dog is microchipped.

A person who fails to ensure their dog is microchipped on and after 1 November 2015 is liable for a fine of up to \$5,000.

More information about the *Dog Act 1976* and microchipping is available on the Department of Local Government and Communities website: www.dlqc.wa.gov.au

SP Gollan
Chief Executive Officer

BEVERLEY TOURISM STEERING COMMITTEE RESIDENT SURVEY

The Committee have been meeting regularly with a view to constructing a strategic framework for the development of tourism within Beverley.

To date this process has involved committee meetings and two open invitation community workshops to assess:

1. WHY Beverley should develop a framework for tourism development?
2. WHY Beverley should develop tourism?
3. HOW tourism should be developed?
4. WHAT assets does Beverley have?
5. The development of a BRAND for Beverley.

The committee would like to develop this assessment by giving the community another opportunity to "HAVE YOUR SAY".

A resident survey will be included with your rates notice with copies also made available at the Shire office following rates distribution. Please complete this survey and return it with your rates payment or to the Shire office. Another opportunity for input will be available to the public at the Shire display at the Beverley Agricultural Show.

An opportunity for primary school children to be involved in this consultation is available on the following page of this Blarney. Great prizes are on offer! Older youth are encouraged to obtain a copy of the survey from the Shire or at the Show.

VISITOR SURVEY

The Tourism Steering Committee is also consulting with visitors to Beverley via a survey distributed through local businesses including but not limited to accommodation providers, the CRC and local attractions. Visitors attending the Beverley Agricultural Show on Saturday 22nd August are also invited to complete the survey at the Shire display.

For further details please contact committee member Kathryn McLean via
E: cdo@beverley.wa.gov.au or M: 0427 464 050

THE JUDGES HANDY HINTS

For would be winners in the next Act – Belong - Commit Beverley show.

These tips were given by Aileen Hickey from the CWA who was a well known instructor and show judge.

Schedule: Check the rules the judge has to judge according to the schedule, so you must enter according to the schedule e.g. 3 distinct varieties means 3 different varieties.

Collection: 2 or more is a collection.

Preserves: No manufacturers' names, trademarks, etc. on jars and lids. If painting lids, do so well ahead, say 12 months, to prevent paint smell. No rust inside lids. Clean and dust jars. To present for judging, do not use wet cloth to clean jars, use paper towel. The best thing for polishing jars is an old stocking.

Jam: Must be properly set. The jam must not move if you tip the jar of jam upside down. No bubbles in the jam. Labels should be in proportion to the jar, not wrapped around the whole jar. Place label 2/3 to 3/4 up jar, not at the bottom of the jar.

Cakes: Line tins properly. Prevent bubbles in the cake by mixing smoothly. No rack marks on top or bottom of cakes - this will lose points. If your cake cracks across the top it is usually because the mixture is too dry or oven temperature is not correct.

Scones: Scones should be uniform in size with even colour and no sogginess. Dust those scones – no remains of raw flour allowed.

Flowers: Specimen: One only, no buds. Remove buds carefully.
Bowl: Width is 1½ times height. Opening is half the width. A container is anything that is not a bowl.
Arrangements: Height - 1½ times above the vase. Present on a mat, doyley, etc.

**GOOD LUCK WITH
YOUR ENTRIES.**

SECTION E - POULTRY

Chief Steward: Leah Adams - 0428 919 389

Entries Close: 5pm Tuesday 18 August

Penning: By 8.30am Saturday 22 August 2015

Unpenning: Commences at 4pm Saturday 22 August 2015

Prizes: Peoples Choice \$150, Runner Up \$100 and Junior \$50

Sponsors:

Thankyou to ANZ Beverley and Bendigo Bank York and Districts Branch for sponsoring the poultry competition at the Beverley Agricultural Show in 2015.

We're ruffling up our feathers this year, and changing the Poultry Shed proceedings. The Shed will be open for exhibitors to display their birds and game, for the public to see, free of charge.

**No classes
No categories
No entry fees
No judges**

Monetary Prizes are available for 'People's Choice' entries. The public will receive a ticket upon entering the shed, and will vote for their favourite bird (via pen tag number) via a locked ballot. At the conclusion of the day, birds with the most votes in each section, will receive a prize.

Exhibitors have the choice to bring along whatever poultry they choose and, can utilise pens that suit each bird appropriately. Feel free to include tags with information about your bird; name, breed, age, funny fact etc.

Exhibitors; please ensure exhibits are entered in a clean condition. Infested or diseased birds will be disqualified and removed from shed. Any birds found unwell will be removed from shed and exhibitor notified to pick up bird/birds. Chief Stewards decision is final. Entry to shed at exhibitors own risk.

Entry Form; please complete the entry form in the centre of the schedule, outlining how many birds will be entered. Please include details if entry is in the 'Juniors' Section. Junior entries are aged 0 – 15 years at time of Show.

Judging; 'People's Choice' entries will be drawn at 3.00pm. Prizes allocated at the conclusion of counting.

Other prizes to be allocated as determined on Show Day

BEVERLEY AGRICULTURAL SOCIETY MEMBERSHIP REMINDER

To members.....

Tickets are now being sent out so if you haven't yet renewed your membership it's not too late to do so.

For those choosing to pay by Direct Deposit, please remember to post your membership renewal form back to us also, so we know what tickets are needed.

To those thinking of becoming members for the first time, there is still time and we welcome you to join us.

You can download a form from our website

www.beverleyagsociety.com or fill in the form on page 32 and post to PO Box 108, Beverley WA 6304.

Thankyou.

SUCCESSION PLANNING - A SERIES OF COMMENTARIES [4]

In my previous commentaries on succession planning, I have addressed some of the issues surrounding succession, the importance of using your accountant to assist achieving the family's succession planning goals and the impact of the *Duties Act 2008* (WA) on the transactions that arise from the succession planning process.

In this commentary, I will draw your attention to some of the matters you will need to address during the process.

Our experience has shown that the most difficult and challenging task in the succession planning process is to clearly set out and establish the goal or goals you wish to achieve through the succession plan. Accordingly, we recommend you carefully consider and evaluate the goals you wish to achieve by the succession plan before you start the succession planning process.

The following are some of the important matters that you will need to consider, namely:

- What goals do you want to achieve by the succession plan? What do you want the situation to look like at the conclusion of the implementation of the succession plan?
- What is the structure through which the family operates the farming business? Your accountant's assistance in answering the question is paramount.
- If a partnership agreement has been entered into, what does the partnership agreement say about retirement and succession? If the partnership agreement addresses the issue of retirement, which it is likely to do, the partners are legally bound to follow the procedure for retirement and succession set out in the partnership agreement.
- Is the entity that owns and operates the farming business different from the entity that owns the land upon which the farming business operates? If so, you must clarify the details of the legal entities that own the farming assets.
- If any of the farming assets are owned by a company, who are the directors, secretary and shareholders and who will be the directors, secretary and shareholders? Will there be a need to resign directorships and appoint new directors? Will there be a need to transfer shares? Are the shares in the company of the same class? If not, what rights and powers are attached to the respective class of shares?
- If the farming assets are owned by a discretionary trust, who is the current appointor and guardian and who will be the future appointor and guardian and trustee? Is there a need to change the trustee or appointor or guardian? If so, how is that to be done and who is take on the offices?
- If the farming assets are held by a unit trust, who is the trustee and who owns the units? Is it necessary to change the trustee or to transfer units? If so, how is that to be done?
- Do your current Wills reflect past circumstances or the changes proposed by the succession plan? If your current Wills do not reflect the succession plan, your Wills will need to be changed to align with the succession plan.
- Do you have an Enduring Power of Attorney? If so, who is the attorney and is that attorney to remain your attorney. Also, is the power lodged at Landgate so that your attorney can transact on land that you own?

Of course, if we can be of any assistance in relation to your consideration on whether to embark on the succession planning process, we invite you to contact us.

BEVERLEY SUB-BRANCH 2015 ANNUAL GENERAL MEETING Wednesday 12 August at 6.30 pm

The Annual General Meeting of the Beverley Sub-Branch of the Returned and Services League will be held on August 12 at 6.30pm in the RSL Hall.

All positions will be declared vacant at this meeting, however, please don't let that keep you away as many of our current committee members are happy to stand again.

So please come along and give your vote of support to your local Sub-Branch as we wind up a very successful year of commemoration and launch into the next cycle of planning for the remaining three years of commemorating WW1.

Beverley Historical Society

We had a good roll up of members at our last monthly meeting with three apologies.

Our display for the show this year will be one of our panels of information from the 'Remembering Them' exhibition. To dismantle, research and set up another display for the show would have been too time consuming.

In the Dead Finish garden, our gardener that is on display has had a make over. A new outfit, complete with lipstick and rouge. Many thanks to Delys whose work we sure it was.

We had a small group through the museum on Wednesday 8 July. They were from a group called 'Wheels' for over 55's from the hills area. They were very interested in the current exhibition and the whole museum, very complimentary as well.

Coming up on our agenda is:-

1. An antique afternoon high tea on Sunday 11 October at 2.00pm. More information will follow later.
2. A field trip in the second half of October.
3. A talk by a lady who belongs to the Australian Light Horse Society. We hope to have this on November 10.

Our latest donations have been two books, a marching girls top and photocopies of photo's from The Beverley Times and the Western Mail. Also received a photo of the Beverley Agricultural Society Officials from 1930.

The next meeting for the Historical Society will be held on Monday 10 August at 2.00pm at the Dead Finish Museum.

Beverley in early 1890s

From Memoirs of Frank Lodge written in 1947

What is now the main street of Beverley was occupied by the Freemasons Hotel, the Railway Station, the old school and schoolmaster's cottage on the one side; on the other Pat Whitely's store opposite the present Coop stores, the single storied Beverley Hotel owned by old Royce, and Ephy Fairhead's new house where his son lives today. In Hunt Road there was, I think, one house on the York side of the Church and Rectory, an old brick house near where Mr N Brody now lives, Langsford's small brick smithy, the Settler's Arms Hotel kept by old Feeney, nearly opposite was the dwelling house and stores of Mr Horace Smith and behind it the cottage which still stands then occupied by Mr R.J. Edwards and family. Nearby was the old brick farmhouse of Mr Thomas Edwards (Policeman Edwards) which still stands. In front of it on the other side of the road was the Beverley Pound yard with a thatched shed in it, and the Beverley Show Ground on the corner. On the top of the hill a ¼ mile away was the Post Office and Police Station. The two mounted policemen were Corporal Doherty and Trooper Jack Walsh, who many years afterwards as Detective Inspector Walsh was murdered by Coulter and Treffene in the bush outside Kalgoorlie, when he and another detective discovered them smelting stolen gold. Coulter and Treffene were hanged.

Edward Langsford lived in the cottage near railway line now occupied by his son Harold, and Mr Joe Wansborough and family lived in what is now Forrest Street. With exception of one or two other cottages near the Railway Line the ones mentioned was all of Beverley on West side of the River. There was no bank in Beverley. Later the West Australian Bank opened one day a week, the York manager driving from York. Mr Adam Johnston, I think, was the first to do so.

Canon Groser was the Rector of the Parish, Mr James Drake-Brockman stationmaster of the Government Railway and William Higgins stationmaster of the Great Southern Railway Co owning the line to Albany. Some of the landholders around the district were William, Horace, Hubert and Sam Smith; Edward, Jesse, Joe and Henry Blechynden; Henry Lukin; William, Andrew and Bob Robins, James Broun, Darlot Bros of Yangedine, Thomas Edwards of Mt Pleasant, Charles Edwards of Speldhurst, James Bartram, Andrew Strange, J. Moulton, Eddie Lennard, Earnest Lennard of Wannering, John Fleay of Talbot, Jenkin Thomas, Smith of Dongadilly, C and Gr Heal, David Kilpatrick, W.H. de Lisle, J Potts, Alfred and Charlie Draper, J.P. Dempster of Addington, Edward Doncon of Boyadine, Harry Sewell, Bevan Hamersley, Aubrey and Everitt Hancock, Thomas Willy, Charles Chance, Thomas Jackson; Curtis, Edward and John Powell of Severn Grove, Richard Clayton, Henry Millington, John McGrath.

A number of these left worthy descendants, many of whom still live in the Beverley district.

Dr Fred House was the first doctor to reside in Beverley (1891 – 1892). After him came Dr E.H. Schaffer (not fully qualified), Dr S.B. Davies, Dr Blanchard, Dr House a 2nd time, Dr Butler, Dr Richards, Dr Hodgson.

Tom Davy was an early builder and contractor. He and his sons built many farm houses, homes and other buildings.

Three of the settlers mentioned Messrs William Smith, Horace Smith and David Kilpatrick assisted the police sergeant McKenna from York in finding the murderers of Police Trooper Hackett of Beverley, Carbury, Miller and Brown in 1884. The two latter were shot somewhere on the Dale River, after many shots had been fired on both sides from shotgun, rifle and revolvers. Carbury escaped to be captured some days later at the Lakes and afterwards hanged.

Horace Smith, Storekeeper and Butcher, was the best known man in Beverley town and gave friendly and kindly help to many struggling settlers and others. He represented Beverley in the Legislative Assembly for some years. A townsman and landholder of later date was Richard Bowyer Smith, known as Stump Jump Smith, the licensee of Railway Refreshment Rooms and Freemasons Hotel. He claimed to be, and probably was, the inventor of the Stump Jump Plough in South Australia, an implement that did so much towards the cultivation of newly cleared forests in Australia. He was no relation to any of the numerous early Smiths of Beverley.

The most esteemed and liked by all classes of the community was Edward Langsford the blacksmith who with his son Jack worked in the little smithy near Anglican Church and shod practically all of the horses of the district. 4/6 was his price for light horses more for heavier ones. "Surely, Ted" someone said to him, "You were not fool enough to shoe that horse without cash payment for that man who has owed you so much for years?" He replied, "I did refuse to do it, but I looked at the poor horse's feet, and did it for his sake." Good old Ted. It would be good to know that we should meet him and may other friends in "that undiscovered country".

NATIONAL TRUST

S

t's been a bit quiet here over the past month, despite the orphan lambs always calling out for a feed or the paddock lambs that have misplaced their mums for a few minutes. There is also the noise of the geese in the animal nursery calling out whenever somebody turns up or puts a foot wrong. It's actually never really that quiet.

But sadly the recent open weekend was rather quiet and we didn't have many visitors even though the weather wasn't all that bad. Next open weekend hopefully some more visitors.

Once again Section 95 paid us a visit and have done an amazing job, as the months go by the property is looking more and more organised like it used to be back in the day. Some of the paddocks have a beautiful tinge of yellow to them with the signs of canola starting to flower despite not having much rain. Hopefully we will get some more soon. I am pretty sure Robbie and Comet here at Avondale are very thankful to have PJ's on during these cold nights. We hope everyone is keeping warm.

Top right: Comet, Erin, Robbie and Jaz the pony

Bottom right: Kath Rudd helping out with the orphan lambs at Avondale

From AFPA - Avondale Farm Project Association.

The Museum at Avondale recently acquired 4 new tractors from a Museum in Boyanup (well new to us anyway), exciting times ahead for direction of the Museum with a new data base being constructed by John Pratt and Greg Manzie. We will keep everyone posted with future updates.

AFPA are still holding the battery drive for the horses for those who have so far donated a massive thank you. If anyone has any old batteries laying about please phone Mon on 0427 477 734 or Jo on 0417 951 513

Our next open weekend is on August 15th and 16th, come out with the family and have a picnic.

WILLS AND ENDURING POWERS OF ATTORNEY

A friendly service for York, Beverley and Quairading.

MAD MEN'S MUSTER

Upcoming events calendar

Mad Men's Muster	Monday 24 August
Be Yourself - Youth Workshop	Friday 04 September
Charity Dog Race	Saturday 12 September
Carer's Mini Expo	Monday 14 September
Wild Women of the West	Monday 19 October
Beverley Rose Show	Friday 23 October

CHARITY DOG RACE

MAD MEN'S MUSTER 2015 - Monday 24 August 2015

Attention all the men of Beverley that need a break for a few hours!!!

Book your place NOW, it's free and no chicks allowed. **Monday 24 August**, 10.00am - 2.30pm at the Amenities Building. We have returned back to the original venue due to popular demand and yes the seminar is still fully catered and this year we will have wood fired pizzas that will be supplied by Porta Pizza's. We have a fantastic line up of guest speakers - **Derrick McManus** former Sniper of the elite STAR Group of SA, former AFL player **Karl Langdon**. The blokes from Regional Men's Health will be there plus this year we have in international comic hypnotist **Matthew Hales**. Please RSVP for catering purposes on 9646 1600 or email: beverley@crc.net.au. This event is proudly supported by One Life.

BE YOURSELF EVERYBODY ELSE IS TAKEN - Friday 04 September 2015

The 2015 youth seminar is based on building awareness of suicide and depression, prevention and early intervention. Schools from the Wheatbelt region area invited to Beverley to listen to guest speaker, Amy Coombe who has had first hand experience in dealing with issues that face teenagers in today's world.

CARER'S WELLBEING WORKSHOP - Monday 14 September 2015

Are you caring for a family members or friend who has a disability, mental illness, chronic condition, terminal illness, an alcohol or other drug issue, or who is frail aged? If yes, then this workshop is for you! On the day we will cover topics such as respite and other creative ways you can take a break, recharge your batteries and general help you improve your wellbeing. Monday 14 September, 11.00am - 2.30pm at the Amenities Building. FREE! A light lunch will be provided, registrations are essential, phone 1300 227 377 or email: events@carerswa.asn.au

GUIDE DOG FUNDRAISER - Saturday 19 September 2015

We set a target of \$700 to raise as a contribution to the grand total of \$30,000 that the CRC Network are aiming to raise before October 2015. Your local CRC has organised a 'Fancy Dress Dog Race', the morning is set to be a fun family day with your pooch. To enter your dog it only costs a gold coin donation, so why not make your dog feel special and take the time to have an outing for them. They may even win a prize for the best costume, best owner/pet look-a-like and of course the fastest pooch. If your dog is not so friendly but you would still like to contribute to this fundraiser, then you can donate any amount online by accessing <https://crc.everydayhero.com/au/beverley-crc>.

TAX TIME

The CRC are your local access point for the Australian Taxation Office. We will have our Tax Help volunteer coming in to assist those eligible residents to lodge their individual tax return, free of charge. Dates and times have not been confirmed for this service as yet, we are taking names now please call in or contact the CRC on 9646 1600. For those residents that wish to lodge their own return, the CRC offers free internet access in a private area, bookings are essential, please reserve your place now.

SENIORS BRAIN TRAINING CLUB

Seniors Brain Training Club we can help you learn how to use your device such as iPads and Android Tablets to download memory games so you can play solitaire, word chum, luminosity and lots more brain training games, all for FREE. That means seniors you get FREE Wi-Fi and tutors on hand to assist. Weekly sessions on Wednesday's from 10.30am - 12.00pm, light refreshments will be provided at each session. Book now and take advantage of this one off opportunity.

READING CHALLENGE FOR YOUTH

The Reading Tree project has started with many interested children collecting their passports for the centre. This project is aimed at the youth in our community encouraging literacy. Whenever you read a book from either the school library, Shire library or a book from home your passport needs to be signed by your parent/guardian. There will be monthly prizes for different age groups, for the most books read, most pages read, etc. Pop into the CRC today to receive your passport and details of entry.

drumMUSTER makes it easy

Recycling your eligible farm chemical containers with *drumMUSTER* is easy - all you need to do is follow these simple steps:

✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

✓ Pour the **RINSE WATER** back into your spray tank

✓ Make sure **ALL** chemical residue is removed

✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

✓ Metal containers should be **PUNCTURED** from the top through the bottom

✓ **DELIVER** your eligible clean empty containers to your local *drumMUSTER* collection centre

For details on *drumMUSTER* collections in your area contact your local Council or visit the *drumMUSTER* website at:

Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local *drumMUSTER* collection centre.

Suspension concentrates (Atrazine, Simazine, etc)

✓ Rinse your container immediately after use to ensure any chemical residue does not dry

✓ Use methyated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

Oil-based chemicals (ULVs, LVs)

✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

Other chemical residues

✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry

✓ Some containers may require additional rinsing (more than three rinses)

✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT *drumMUSTER* COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

SHIRE OF BEVERLEY

drumMUSTER

21 SEPTEMBER 2015

BOOKINGS ARE ESSENTIAL
PHONE 9646-1200

Drums must be:

- ◆ Triple rinsed
- ◆ Lids to be removed
- ◆ Steel drums must be punctured through the top, out the base

Station Gallery

Still awaiting movement at the station regarding restoration but it will happen!

As was reported in last month's Blarney, Beverley Station Arts was a fortunate recipient of the recently announce Royalties for Regions' Creative Regions Program which will see the State Government invest \$24 million dollars in the arts and culture in regional Western Australia over four years. Country Arts is overseeing part of this programme and has requested a profile of our organisation and information about what the CRP Funds are earmarked for. I thought as some readers might be new to town and are unaware of just what happens at the Station Gallery and Platform Theatre, I would include the report sent to Country Arts WA:

Beverley Station Arts (BSA) is responsible for the Beverley Station Gallery and Platform Theatre which is a multi-purpose cultural precinct in the centre of the wheat-belt town adjacent to the railway. The association has the added benefit of being affiliated with Country Arts WA which initiated negotiations for the recently announced Royalties for Regions' Creative Regions Programme of which BSA is fortunate to be a recipient.

The intended long term benefits for Beverley Station Arts is the continuation of "arts in the regions", and for the continuing promotion of the Station Gallery and Platform Theatre as the arts and cultural centre for the community. From this community, BSA offers a variety of cultural activities and functions by way of exhibitions, residencies, learning, music, drama and multicultural events. We are especially dedicated to nurturing and supporting our local talent, both young and old, as well as bringing innovative and inspiring artists to our doorstep by providing a residence and studio space from which to live and work, production support and an audience to reflect on the work.

The station building itself houses the gallery and residency providing a diverse and accessible visual arts programme to the community through its artists-in-residence. Unfortunately, the building has been closed since last October due to structural restoration requirements, but the local Shire has been diligent in getting the necessary approval through the State Heritage Council and works should be commencing in the near future.

In the meantime, BSA has still been able to present monthly outdoor events at the Platform Theatre during the summer, and also continue as best we can to maintain the Artist-in-Residency programme with artists residing in Shire accommodation (although at some cost to the our association). However, with the surprise allocation of \$10,000 from Royalties for Regions' Creative Regions Programme, this rental will now be covered with ease. The Creative Regions Funding will provide not only operational support to BSA, but will be used to employ the expertise of private contractors (in collaboration with BSA executive) to develop both a web page and a professional business plan which will double as skills development for our wholly volunteer committee. Hopefully any remaining funding, can provide some remuneration for event management and artistic programme development. As a launch pad for continuing growth, the funding will ensure the long term future of Beverley Station Arts.

Furthermore, it is worth noting that a group of writers and another 6 individual visual artists cancelled their residencies due to not being able to reside and work at the Station, however, most of them have booked for 2016. And also, until such time as the Station Gallery is restored, the BSA committee monthly meetings are being held in the Platform Theatre greenroom, as is 2-4 weekly choir practice for "Station Singers".

It has become customary that at the end of the season's events, usually April/May, the hardworking Station Gallery and Platform Theatre team get together for a party. Well, along with the seasonal weather, we were a little late this year, but at the end of June on a sunny afternoon we did just that - got together at 'Southbourne' for a relaxing luncheon.

Carriage Restoration

There have been no offers to date regarding the restoration of the carriage at the Station, but I shall ask again - is there anyone in the community interested in giving of their time (paid or voluntary) to restore the ZJA Brakevan? We have a conservation plan drawn up by an historian, heritage and museum professional some years ago which will guide you through the restoration. If you can help, or know of someone who would be right for the job, please contact one of the Station Arts committee, or leave your name and contact details at the Shire.

Artist-in-Residence

A new term at the school and the AiR (Artist-in-Residency) Grants Programme with Charlotte O'Shea is underway again. With completion of the sustainability projects almost completed, we are in the planning stages of the next whole school project which will culminate in a production at the Platform Theatre for the community at large to see - watch this space for updates!

From little one to the older students, Charlotte O'Shea has them all intrigued with the process of making art.

Australian Government

GOVERNMENT OF WESTERN AUSTRALIA

Department of Culture and the Arts

Department of Education

Artsedge (the AiR (Artist-in-Residency) Grants Programme funded by The Australian Government, The Australia Council for the Arts, Department of Culture and the Arts Government of Western Australia, Department of Education, Government of Western Australia) 'sustainability' projects for the Beverley Ag Show and Royal Show displays are nearing completion. Monday after school art classes are proving popular.

For information on residencies check with Artist in Residence Coordinator Marylou Hutchinson 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence programme for 2015:

- July/August: Charlotte O'Shea - AiR at School
- September/October: Charlotte O'Shea - AiR at School
- November: Hilly and Jos Coufreur - visual artists
- December: Sue Brook-Roberton - visual artist

Beverley Station Singers

The Station Singers have been invited to join the celebration of the inaugural Desert Heart Song Festival in the City of Kalgoorlie Boulder from Friday 14 to Sunday 16 August 2015 when choirs from around Western Australia will muster for a vibrant weekend of singing and friendship. There is much practicing in store for the eleven singers committed to trip - not so for the three 'support crew' going along for the ride!

Kelly Newton Wordsworth directs the group on a monthly basis (\$35pp) - the next meeting being Wednesday August 5th at 7pm in the Green Room of the Platform Theatre at the Station.

Anyone interested in joining the singing group contact Tracey Fleay
Mob: 0409 481 029 or E: traceyfleay@hotmail.com

Platform Theatre

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser.

Calendar of Events:

September: Saturday 12th - Country Choir Bash presented by Voice Moves

November: Saturday 7th - Rolling Stones and Rock Montage Tribute

December: Saturday 19th - Family Christmas Concert

February: TBA - Fringe Festival Touring

March: Saturday 13th - OPERA ROCKS on the PLATFORM "Diva Licious"

March: Thursday 25th - Monday 28th - 48th ANNUAL ART PURCHASE EXHIBITION
(presented at the Town Hall) with OFFICIAL OPENING Thursday 25th April

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Beverley Station Arts Membership

To become a member of Beverley Station Arts Inc (Friend of the Station) please see Treasurer Pauline at the Newsagency, phone 96461042. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

The Station garden is available for public use at any time, just open the gates and enjoy!

CRANA Aboriginal Corp Inc.

NAIDOC Week

1. Changes to the Constitution. Once again, meetings and discussions were held between Senior Federal Government Ministers and Indigenous Elders. Nothing legal could be reached till a referendum is held e.g. rights should be enshrined in to the Constitution.
2. Discrimination Clause 36 - Elders opinions differ.
3. The main focus is: to be recognised as an Aboriginal person i.e. taken into account. Their culture, equal rights, respect for their language, telling stories to children, teaching languages, bond between country, land and their ancestors and most importantly what does it mean to call yourself an aboriginal or the first people to have a culture or tradition going back over 60,000 years. The original custodians of the land Sec 36 in the Constitution touch on racism and discrimination, for further information, read on this particular section 36.
4. The following cases were cited on TV on 12 July 2015. Tamara - 3 year old girl, was dressed up as a 'Fairy Queen' by her mother to enter a 'Disney World' children's competition. Tamara went as 'Queen Elsa', this was held in a Melbourne Shopping Centre. The mothers of the other children said "How can 3 year old Tamara enter the competition, she is black!" and another 4 year old child said "Black is Ugly", these comments made 3 year old Tamara and her mother very upset. The question that should be asked to both the shopping centre manager and the organisers of the competition. How did they let this offensive act take place? Did they apologise to the 3 year old girl and mother, as a public apology is warranted in this instance.

BEVERLEY PATCHWORKERS AND QUILTERS

The school holidays kept many of our members at home or elsewhere. Slowly our attendance is increasing.

We are preparing for our retreat in August by discussing fabrics and the foundation pieced work we intend to discover.

Some of us attended the York Friendship Day on Saturday 20 June, there were a lot of finished quilts on show. As usual we found the nearest craft shop.

If you are interested in coming along we meet on Tuesdays at the Moash building located on the Lennard Street side of the Beverley District High School. For further information please contact Jan 9646 0796.

BIG ENOUGH TO DO THE JOB SMALL ENOUGH TO CARE

Beverley Sub Centre

ORDINARY PEOPLE DOING EXTRAORDINARY THINGS! ARE YOU UP TO THE CHALLENGE?

Did you know that your local St John Ambulance relies on locals to volunteer their own time to run this vital community service? And to retain it we need people like you who care enough to get involved. Committed, caring, community minded people to ensure the high quality service we provide can continue into the future. If you've ever had a situation which required ambulance care then you'll know how important this service is, particularly in a rural setting where St John Ambulance plays an essential part. As well as the satisfaction you receive in giving back to your community, you will also learn valuable, life-saving skills which could save the life of someone you love.

Are YOU up to the challenge? To find out how you can get involved, or to get more information, email us at bevsja@westnet.com.au

Ambulance Cover

From the 01 July 2015, the cost of ambulance cover has had a slight increase. These prices are set by SJA Aus. WA Inc, not by your local sub centre.

Family cover is \$83 per annum

Single cover is \$50 per annum

Membership is still a cheaper alternative than the cost of an ambulance should you need one in an emergency, saving you hundreds of \$\$\$.

If you wish to have ambulance cover with the Local Sub centre, you can pick up an application form and pay for your membership at the Beverley Pharmacy.

If paying by cheque, please make cheques payable to:- St John Ambulance Association Beverley Sub-Centre. This will help our treasurer greatly and enable your payment to be processed without delay.

Thank you.

Promotions Officer Wanted

Position responsibilities include:

1. Writing the quarterly communique.
2. Monthly notices in the Beverley Blarney.
3. General promotion of St John Ambulance within the community.

If you are looking for a way to serve the community or you find enjoyment in writing, then this position could be for you.

Contact Michelle Drury on 96461208 for more information.

Healthy Body – Healthy Mind

By Valerie Gunsch

Clinical Nutritionist, Profemme Practitioner
Email: healthylivingbev@westnet.com.au

Can I live on Raw Food?

There is nothing more important in the whole field of health than to learn how to listen and understand our body. Our body is miraculously made. It can never make a mistake! It is always doing its best, trying to make us healthier! Sometimes we don't see it this way, because we don't understand our body's language. When my husband and I started our raw food journey, it opened a new understanding of the living matter within us. If anybody in the world can heal our health problem, it is only our own body. All we need to do is to listen attentively to our organism so we can feel what kind of help the body wants from us. Maybe it wants us to fast, or to rest, or to eat less or to do exercise. Pain often is an indication that something is not right. If animals are sick they stop eating. We human beings should be able to do the same. Perhaps you noticed that when you do have pain for several days, it usually hurts less in the morning, and increases during the day. This is because you don't eat during the night. The night is the only time a body can reduce the load on the digestive system which is actually a fasting time which in turn can heal or lessen your pain. See it this way: your body is the bridge to the universe and works according to universal laws. It is a part of nature, and if you are in tune with your body, you know what is going on in it. Your body can get vibrations from other sources and transmit them in a sense you can understand. There is no knowledge more important than the knowledge of listening to our body for the sake of our own health. Somehow we have an illusion that somebody from the outside can heal us. If anybody in the world can heal us, it is only ourselves. It will take centuries for science to learn the hopelessness of the attempt to push the ever changing human body into frames of scientific theories. But it is possible to know what we need to do here and now for our health. It is possible to learn how to hear our body's voice.

When we went on a raw food plan, we were surprised how difficult it was for us to stay on a strict raw regimen, especially during the first two weeks. At first, we thought that our cravings for cooked food were caused simply by the love of home cooking. Our longing for cooked cuisine lasted approximately two months, then little by little we forgot about the mere existence of cooked delicacies and we became content with the new way of eating. I know now that the transitioning to raw food is not easy for the majority of people. After two month all of a sudden we recognised the change in our taste buds; we felt amazingly energetic, our brains expanded and we could think clearly and received completely different conception about our surrounding. Very often when we worked outside we saw and experienced different emotions and vibration. Everything appeared to be brighter and clearer to us. However, we did not go on a complete raw food diet. We stayed on an 80/20 raw food plan for about 9 month. 80/20 means our food intake was

80% raw, 20% lightly cooked food. For example we would have twice a week a small protein dish such as Pulses (Lentils, Beans), we would have Rice or Quinoa with a small piece of grass fed Beef, or we would have some carbohydrate such as Pasta, Wholemeal Bread with Nut Butter or Tahini. The most amazing thing was that we lost all excessive weight. Our bodies became lean and strong. We stayed on this diet for about 9 month and in this time my husband lost about 10 kilos and my weight dropped about 13 kilo. At this stage we decided that we have lost too much weight and reduced the raw eating. Very slowly we increased the intake of one cooked small meal a day, which also increased our weight only slightly. At the time of writing we have settled on a 70/30 ratio of eating raw and cooked and this is ideal for both of us. During the last 12 month we have kept the same weight which shows us, the balance is about right. So our typical food intake now would be as follows:

Breakfast would be mostly raw except on cold winter days. A warm lemon drink first, sprouted buckwheat kernel with raw nut milk, topped with berries or raisins and nuts soaked the night before, sprinkled with cinnamon, sometimes we would change toppings depending what's in the fridge. Another day we would have Chia Seed soaked in Soy Milk the night before, include a shredded apple or a chopped banana, topped with raw cacao chips and more nuts. For extra protein we would include a tablespoon of Hemp Seed.

Morning Tea: piece of fruit in season and a handful of raw nuts (unsalted of course).

Lunch would be a small cooked meal, steamed vegetables in season, cooked Rice or Quinoa, small Pasta Dish, perhaps a vegetable soup and once or twice a week small piece of chicken or beef.

Afternoon snack would be raw: Chocolate Chia Seed Pudding with some Pepita Seed and Goji Berries, or a green smoothie.

Dinner would be half raw: for example a plate of salad mix with a light dressing, a poached egg or two and a cracker bread which is also raw. We also like to make raw dips. For us this is a great way to manage the day. We both are very active people, we exercise, we work outdoor, my husband builds and creates all sorts of useful stuff, I like to experiment and create food and I like to write. These are physical and mental activities which are important for our brains.

Until next time - Be Happy
Valerie Gunsch

Lyme disease is preventable

Tick encounters are more likely to occur when bushwalking, mountain biking or gardening in tick-infested areas. Tick bites may go unnoticed as larvae and nymphs are difficult to detect and their bites are painless. Below are eleven tips to help prevent tick encounters.

1 Always use insect repellent ::

Use a product with a minimum of 20% DEET. Apply to skin and clothing. Use pyrethrin products on children. Reapply as required.

2 Tuck in your clothes ::

Tuck the legs of your pants into your socks or boots and keep your shirt tucked into your waistband. Wear a wide-brimmed hat.

3 Wear light-coloured clothes and limit exposed skin :: Ticks are easily seen on light-coloured clothing, allowing for detection and quick removal. Wear long-sleeved shirts and wear long pants.

4 Always walk on the track ::

Ticks wait on long grass for a passer-by. Staying on the track will decrease the chance of brushing past plants where ticks may be found.

5 Be tick aware ::

After being outdoors, check for ticks on your clothes and body. Check children and pets. If you find an attached tick remove immediately.

6 Place your clothes in the dryer on high heat ::

Put all clothing into a dryer for 30 minutes to kill ticks. Ticks can make it through the washing machine, but most will die during a dryer cycle.

7 Keep your backyard tidy ::

Regularly remove plant debris and undergrowth. Ticks thrive in moist vegetation. Lower humidity and higher temperatures are detrimental to ticks.

8 Mow lawns regularly ::

Ticks like to live in tall grass as it allows easier access. Mow your lawns to less than 5cm tall. Trim trees so that sunlight saturates lawn.

9 Grow insect repelling plants ::

A simple measure to repelling ticks is to use garden-friendly herbs. Grow chrysanthemums, citronella, lavender, sage or garlic in your garden.

10 Keep firewood dry ::

Store firewood in a sunny/dry place away from vegetation to discourage ticks from living there. It should be covered and raised off the ground.

11 Don't encourage native wildlife ::

This includes animals such as bandicoots, possums, wallabies and lizards.

LET THE AIR GAMES BEGIN!

Visit Northam between

28 AUG - 06 SEPT 2015

for an event not to be missed!

NATIONAL BALLOONING CHAMPIONSHIPS NORTHAM, WA

International and Australian Balloonists will participate in ballooning events that require **SKILL AND NERVE**, while officials determine who the next Australian Champion will be.

The skies of Northam will be filled with hot air balloons between 30 August to 05 September (with visitors arriving in Northam from 28 August), providing interactive opportunities for spectators. Each day will bring with it new experiences, packed full of community activities and the action begins from 5am each morning at the Northam Aero Club in Withers Street, Northam.

For more information or to access the **EVENT PROGRAM** go to the website www.northamnationals.com or email info@northamnationals.com.

Look out for some of the fantastic community activities:

Balloon Glow and Family Fiesta | Ballooning Photographic Gallery
Northam Art Prize Exhibition | Visitor Centre Tourist Activities
National Ballooning Championships Photography Competition
History of Ballooning display | Northam Theatre Group Production

Government of Western Australia
Department of Regional Development

Santos
We have the energy.

**PRIMARY HEALTH SERVICES
available to the community
of Beverley**

You can refer yourself or your child to the following health professionals:

Child Health Nurse - Phone 9646 3200 to make an appointment, Hospital Admin Staff will assist you in setting an appointment time (attendance Fridays).

Child / School Health – 9646 1210

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a **Doctors referral is required** – Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Thursdays)

Podiatry – a **Doctors referral is required** Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor’s referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child’s health and development, please phone the relevant health professional to discuss your concerns.

Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

SUNDAY 4th OCTOBER

the Avon Valley Century Ride for all bikes and new heroes

MEDIA RELEASE- 1ST JULY 2015

The Beverley Heroic brings the community out.

Celebrating the long history of the bicycle and the Historic Avon Valley, the 2015 Beverley Heroic rides again on Sunday 4th October 2015.

This popular recreational bike ride on gravel and country roads is a little nostalgic. Riders come from all over Australia to enjoy the country air, ride their trusty steed and tell tall tales of the open road.

Our Beverley Heroic Town ride is suited to children and family riders. This map led adventure around Beverley is sure to entertain.

We are planning greater support from local community groups to host checkpoints and open their doors to hundreds of riders. The Beverley RSL, the York Olive Oil Company, the York Motor Museum and the Northam Heritage Centre are excited about their checkpoint offerings. Local farmers are getting involved too.

Beverley Town Hall in the Avon Valley is our start and finish place. The region will benefit from the increase in visitors and added tourism.

The 2015 Beverley Heroic is proudly supported by the State Government through Tourism WA's Regional Events Scheme, which is jointly funded by Royalties for Regions.

I hope you can come to Beverley and enjoy the 2015 Beverley Heroic.

Hello Everyone

By now everyone should have learned what credit cards and CD cases are actually for. That's right, scraping ice off car windscreens. It's been mighty cold in the mornings, so cold in fact I actually haven't minded working afternoon shifts, even though they get 'beeping' cold too. Moan, moan, moan.....

Crime

There's been a few bits and bobs going on, mostly out of town and some of these have been historic. By that I mean there have been some instances of damage and burglaries which appear to have happened 5-6 weeks ago but have either only just been noticed or have only just been reported to us. Rural properties seem to have been targeted by the criminals and whilst we have increased our patrolling in and around the far reaches of our district we seem to have been the victims of a crime spike which occurred over a very short period of time. Regardless, rest assured we'll continue to patrol the outer reaches of our area and even if the horse has bolted this time hopefully our increased presence will deter the ferals from coming back.

Doggies.....

I used a doggy metaphor last month in regards to supplying us with information. By all accounts this upset some people. Tough, I don't care. If it offended some people then I'm afraid I (and other like minded people) are also offended that some people seem to think it's ok to bury their heads in the sand and ignore what's going on under their noses. There are some in this community who are ruining peoples lives by peddling filth. Well, I've got this message to those who have chosen this path, watch this space, some people have had enough and have provided us with superb information which will mean a few unwelcome door knocks, including those door knocks with real dogs, the ones who can sniff out gear regardless of how well it's hidden.

You've been warned, I don't care who you are and when we come a knocking you really shouldn't be surprised.

Short but sweet.....

Well folks that's all I've got for this month. We continue to be busy, we've got quite a few protracted investigations ongoing currently which may appear to be going slowly but rest assured we are still working on them, nothing is ever forgotten.

Finally, take my advice regarding the credit cards and CD cases. Trust me, they work better than boiling water. Yes, some people have been using the number one windscreen cracker. It'll only end up in tears (and a funky crack in your windscreen).....

Take care everyone, until next time,
Ian & Nick.

Small landholder news

Small Landholder Information Service

agric.wa.gov.au/slris
facebook.com/DAFWAsmalllandholders

With spring only a month away August is the calm before the plants and animals spring into life. The days are getting longer and the day time temperatures will soon start lift in anticipation for warmer weather.

Plants which have been dormant during winter will be starting to look for nutrients to aid them in growing new leaves and produce flowers. Use a 'complete fertiliser' with trace elements following instructed application rates. If relying on rain to incorporate fertiliser into the soil apply in late August and avoid fertilising before heavy rain. Do not rely solely on animal fertiliser as they will be deficient in some nutrients.

First plantings of brown onions and zucchini seeds can be undertaken now. Also monitor your soil moisture as rainfall may not be sufficient to prevent crop stress. If you have an irrigation system take some time to check to see if the system is operating correctly, so you are able to use it when needed.

Continue to monitor weeds on your property and undertake any spot spraying of weeds missed in earlier pasture spraying. Weeds growing in pastures which are allowed to grow unchecked will compete with pasture plants for moisture and nutrients.

Is your property up to scratch for safety? Having first aid kits in your vehicles, shed and house can save valuable time in the event of an accident. If they are easy to locate, well stocked and nearby treating an injury can be undertaken quickly. Are there fire extinguishers readily available on the property? Fires can move quickly so being able to locate and use an extinguisher within minutes could save lives, valuable infrastructure or vehicles.

Western Australian pig owners now have a one-stop shop for all their pig information needs with the launch of the PigCentral website by the Department of Agriculture and Food this week. The website provides biosecurity, general health and management information for small-scale pig farmers and owners of pet pigs.

If you own chickens or any other animals it is important to know what is healthy and normal. Chickens should have bright, shiny and wide open eyes. Their feathers should be glossy and lie flat against their bodies. A healthy chicken's comb will be vivid red and their dropping will be slightly moist and dark brown with a white tip. Check your animals regularly and always investigate unusual behavior.

For more information on other small landholder events, visit our SLIS Facebook page ([facebook.com/DAFWAsmalllandholders](https://www.facebook.com/DAFWAsmalllandholders)) or website (agric.wa.gov.au/slris).

Until next time, Jodie.

Beverley Garden and Tree Society

The July meeting of the garden club was held at the Dead Finish and members were very happy with the condition of the garden there. We still have the water on as there hasn't been enough rain yet. Maybe this week.

We had a lengthy agenda as there is a fair bit happening in the next few months.

Eight members travelled over to York for their open day on the 1st July and enjoyed their hospitality and the various speakers. We were sumptuously fed and appreciated the various stalls and catching up with old friends.

August 4th is the date of our "precious oldies" luncheon and will be held at the home of our President Glenda. Many of our members are of the age they don't go out as much as previously and we miss them. We all look forward to catching up with them.

Our Show preparations are well under way and we will be setting up our display on the Thursday the 20th as per usual.

September 1st is the day that we will be going on a bus trip to Araluen to see the tulips and members will need to book their seats. The bus will leave the Dead Finish at 8.30am.

Our friends at the Pingelly club will be visiting on October 6th and we have a speaker and a propagation display to entertain them.

November will see us going to the Dale for Melbourne Cup luncheon. As previously mentioned there hasn't been enough rain yet and we are still watering vegies and new plants.

We welcome new members and anyone wanting to join our club can ring Glenda on 9646 0546 or Dalene on 9646 0800. Remember to think of something for the Show.

Happy gardening everyone.

Hon Mia Davies MLA
MEMBER FOR CENTRAL WHEATBELT

THE NATIONALS
for Regional WA

Media statement

20 July 2015

Maintenance funding for schools in Central Wheatbelt

Local Member Hon Mia Davies MLA has welcomed the announcement of maintenance funding for fourteen schools in the electorate of Central Wheatbelt.

The cash injection has been allocated for projects like new paint, carpets, classroom refurbishments, gutter replacements, repair of uneven paving and replacement of air-conditioning units.

“Maintenance funding for schools has been an ongoing issue across the electorate, we have ageing infrastructure, much of which could do with a spruce up,” Ms Davies said.

Ms Davies said the fourteen schools had been identified to receive between \$20,000 and \$70,000 toward priority projects:

- Beverley District High School, \$50,000 to refurbish classrooms, replace carpets and internal painting
- Brookton District High School, \$70,000 to refurbish classrooms, replace carpets and internal painting, replace roof gutters
- Bruce Rock District High School, \$50,000 to refurbish classrooms, replace carpets and internal painting
- Corrigin District High School, \$50,000 to refurbish classrooms, replace carpets and internal painting
- Dowerin District High School, \$50,000 to refurbish classrooms, replace carpets and internal painting
- Kellerberrin District High School, \$50,000 to refurbish classrooms, replace carpets and internal painting
- Mukinbudin District High School, \$70,000 to refurbish classrooms, replace carpets and internal painting, repair uneven paving
- Narembeen District High School, \$50,000 to refurbish classrooms, replace carpets and internal painting

PRESIDENT'S REPORT

It gives me great pleasure in presenting my report to this, the 71st Annual General Meeting of The Beverley Hospital Auxiliary.

The past year 2014 - 2015 has seen several changes.

It was with great regret that we said goodbye in December to our President Vicki Glassby, who took the helm in 2013 but was preparing to relocate to Queensland in December 2014. Vicki lead the committee through the challenges of another relocation for the Opportunity Shop, as well as working with the Shire to resolve the issue of rent payment. We thank her for her two years of service and several years as a committee person. Also farewelled was Maxine Watts who contributed to decision making at meetings and of course, happily sorted sold items at the Op Shop.

And, as mentioned, with the closure of the Child Health Centre building, our biggest hurdle was to find new premises for our Opportunity Shop. The shop was in recess from June 2014 until February 2015 resulting in a stalling of funds being raised. After inspecting various locations, we accepted the offer from the Beverley Shire Council to use the room previously used by the Naturalists Club next to the Lesser Hall. We are grateful to the Toy Library and the Naturalists Club for vacating the rooms for our use.

We are now for the first time in 70 years required to pay a weekly rent, the amount being \$50. Much decision ensued at our meetings and within the community, but our duty of our not for profit business is to raise money for the benefit of the community's health in Beverley, we have moved on, resumed trading and have consolidated our financial position. Thankyou to the community members who offered their support during this difficult time. And thank you committee person Val Moad who coordinated the transfer of goods to "across the road" and creatively arranged the layout of our new shop. With the hours of work done by Val and the supportive effort of the entire committee, the transition has been smooth.

Anxieties about the new cost structure were relieved temporarily with the anonymous donation from a generous Beverley couple who reimbursed the Auxiliary for the rent for the first 6 months of 2015. We were thrilled to receive their pledge and thank them sincerely for their contribution and support.

The Auxiliary has made several donations of items to the Hospital and the Alex Miles Lodge during the past year. New dining room tables for the Lodge as well as a new bird bath for the gardens have been purchased. Requests from the Health Service Manager for 2 shower chairs values at \$1,000 each, a wall mounted flat screen TV with a built in DVD player for the hospital day room and various craft items and pamper have been approved.

As well, substantial funds have been made available to the Primary Health Services in Beverley to purchase teleconferencing equipment to benefit our local services. This equipment will always remain the property of the Primary Health Services in Beverley, even when the service relocate to the Hospital in future years.

The efforts of the Beverley Hospital Auxiliary committee and volunteers to purchase goods for the local Health Service are rewarded by the continuing support we receive from people of the district. We appreciate the continual donation of goods to our charity shop by you all, as well as the jobs done by the Men's Shed, Daryl Storer, Dean Parker, the Shire of Beverley as well as those who donate items for the shop itself. Thank you Julie Paull for the donation of a mirror and coat hangers. The Jenkins family, Jodie and Jo at Avon Trading/Thrifty Link do us the enormous favour of being a depot for donated items. Sometimes we receive calls several times a week, requesting a 'clearance' of their store room. Where would we be without you all? Special mention must be made of the Morbinning Catchment Group, who become aware of our plight in January and, after their recent disbandment agreed that their remaining funds should be donated to the charity of their choice.....The Beverley Hospital Auxiliary. And, Isobel kindly instigated some entertaining Sunday afternoon concerts at her venue The Meeting Tree with funds raised being presented to the Auxiliary. Thank you Isobel and all of your talented team of musicians and singers. And thankyou once again, Delys Kilpatrick, who together with Pat Parker created a beautiful wreath to lay on this special ANZAC Day.

I entered the job of President 'mid stream' so to speak when Vicki was leaving the position. Through the ups and downs for the relocating of the Op Shop as well as enduring a lengthy recess in trading, my initiation into the job was 'interesting' to say the least. However, it was made easier by the support of Secretary Jan Howell. Treasurer Betty Cable and Op Shop Coordinator Val Moad as well as hard working committee. Thank you for your efforts one and all.

Sandy Shaw
President
Beverley Hospital Auxiliary Inc.

T.M. Hair Design.

We offer Family Hairdressing at very reasonable prices.

Our hairdressers are here to provide a professional local service
& are fully across all facets of hairdressing.

Our Sydney based technical advisor, visited us in July with the latest updates, trends & techniques from the East Coast.

Call in soon & ask "what's new"

If you haven't tried our beautiful ammonia free colours with no smell, great coverage & lasting.....well..... we are seeing great results with those who have tried this amazing new product.

TM Hair Design is one of the few salons in WA to provide **Absolute 3**, & it is right here in Beverley, just for you.

Phone for an appointment in advance as bookings are essential.

We are offering a special price for Senior Gents, please ask your hairdresser about it.

At Secrets..... Our gift selection is looking good & the **Cool Coconut jewellery** range has added great colour. This range is made from renewable coconut shells and Pangantuan trees, providing valuable rural incomes in an ethical & sustainable way plus not damaging the planet when the wearer is finished with it.

This also applies to our **ECO MAX brush wear** for kitchen bathroom & home. These quality products are made using Fair Trade principles, handmade components, natural unbleached materials, non toxic toy paint sealer so it's animal & child friendly. The wire is galvanised so it won't rust & is the only thing left to re-cycle at the end of the brushes life when all the other components can go in your compost bin, where they will break down naturally.

We are busy with winter warmers with wool jumpers & cardies for ladies & gents. Have you tried the **possum & wool** gloves? They are the warmest thing for your hands. Team with a scarf & beanie & you will be toasty & warm.

We have a few sizes only left in our leather boots, the most comfortable boots ever...tried & tested!!!

Call in to 100 Vincent St, or phone 9646 1122.

Be SunSmart during winter

With cloudy skies and cooler days many people think they won't get sunburnt. Sunburn is caused by UV radiation not temperature therefore even on a cooler cloudy day the UV level can be intense. You can get sunburnt on cloudy days, as UV radiation can penetrate some clouds, and may even be more intense due to the reflection from the bottom of the clouds. Outdoor workers have a higher than average risk of skin cancers because they spend long periods of time working in the sun, all year round, over many years of working life.

So it's important to remember that even on cloudy days we need to be mindful of the UV index forecast for that day and protect ourselves as necessary. When the UV index is 3 and above it is time to be SunSmart

- ❖ **Slip** on protective clothing
- ❖ **Slop** on SPF 30 or higher sunscreen
- ❖ **Slap** on a hat (broad brimmed)
- ❖ **Seek** shade
- ❖ **Slide** on some sunglasses

A really great website for learning about the UV Index, including finding out what the UV is right now and the **SunSmart app**, is www.myuv.com.au. While you are there **Download the SunSmart app** to your phone and use it daily. It is free and fun and can be tailored to your location – The app lets you know when you need sun protection, the daily UV level, the weather forecast, and lets you set a reminder for putting on sunscreen and how much (it has a sunscreen calculator!) – check it out on myUV.com.au

Remember UV3 is the key!

At UV3+, cover up.

Below UV 3, no sun protection is required.

For more information and/or to book a talk about the prevention of cancer for your community please ring 9622 4326

Beverley District High School

For more information about the school, visit our website!

P&C Disco

Our P&C gave our students (and staff) the opportunity to chase away the winter blues and get ready for the holidays with a very enjoyable and well-attended disco on the last Thursday of Term 2. Special thanks must go to the P&C Committee for the organisation and for the sausage sizzle, to Tim Kilpatrick for the use of his sound system, and to Kerry-Anne Doyle's sister Tracey Cargill for her very professional DJ efforts on the night. A lot of fun was had by one and all.

Zero to Hero Day

Our student councillors made the last day of school a very memorable one by organising a great activity to remind us that we all have people we can look up to. Zero to Hero Day raises money for mental health awareness and gives everyone the chance to reflect on the qualities they admire in themselves and others. It was great fun to dress up as our heroes. Some students dressed up as mums and dads, while others chose to come as superheroes, story characters, or emergency services workers. The afternoon involved a great activity tabloid organised by Mrs Shaw and the councillors. It was a very enjoyable day.

Try-a-Trade

Our Year Nine and Ten students should be congratulated for their efforts in working together effectively and industriously to take on a major construction project under the guidance of Wes Miller-Smith from CY O'Connor Institute. The students worked in teams to construct a chain and post fence and build a steel-and-pine ramp – both significant tasks. Special mentions go to Year 10s Ben Treasure and Jessica Appelbee for their uncomplaining hard work and leadership on this project.

The fenced area will provide a safe enclosed play space and the ramp will allow wheelchair and pram access to the front of the MOASH building. These modifications will allow the building to be used by Beverley Playgroup for their weekly sessions once some additional preparations are completed. The school would like to thank a number of community members for their assistance and support, in particular Scott Morrell, Dan Wilkinson, and Steve Moore. Thanks also to staff members Jethro Sleer, Steve Ellison and Marie Carroll for help with preparation and organisation.

HeadSpace Presentations

Headspace and Youth Focus are organisations providing support for mental health and wellbeing for adolescents and young adults. Their aim is to increase awareness about depression and anxiety in young people, and to remind them that there is help available. Seeking help early if something doesn't seem right is very important and really can help to make things better. Headspace and Youth Focus can work with young people and the adults who care about them to provide face to face, online and telephone advice, as well as counselling and support.

Headspace led a presentation for school staff on the professional learning day after the school holidays, and also ran a parent and community member forum in the evening. Thanks to parents who came along and participated in the very worthwhile workshop.

Youth Focus presented a session for secondary students on Tuesday 21st July, and shared information about where to access support and information. Young people and their carers can access counselling or support at no cost at www.headspace.org.au or by telephoning **9274 8860**. For mental health emergencies, contact **lifeline 13 11 14**.

The **Try-a-Trade** project at Beverley DHS, run in conjunction with C Y O'Connor Institute, gave our Yr 9 and 10 students the opportunity to gain experience in the construction industry and provided the MOASH building with some necessary infrastructure at the same time.

Warriors Wellbeing Walking up to 20 kms a day Our ancestors and exercise.

Our ancestors were used to walking up to 20 kilometres per day, they had to, to survive on the Savannah Plains and the Serengeti's or they would end up as someone's lunch. We are not designed for sitting around and not exercising. The human body has not had millions of years to adapt to our sedentary lifestyle and we need to change our habits before it is too late.

Blokes, in particular, have had a significant change because many of the work tasks that have always been manually done are now obsolete and/or automated.

Exercise is essential for our brain, mind, body and our cardiovascular health. I have just finished reading a book titled "Brain Rules" by John Medina and rule 1 (out of 12 brain rules) is **exercise boosts brain power**. An enlightening read.

There are a lot variables, from nurture to nature, that help how we age but one of the greatest predictors of successful ageing is the absence of a sedentary lifestyle. Civilisation has given us many benefits but it has also meant, that for the majority of us, we have gradually quit moving. The result of this is more and more Australians are being classified as being overweight, with the biggest physical health epidemic in Australia in 2015 being Type 2 Diabetes.

There is a lot of current research that suggests exercise can:-

1. help prevent Type 2 Diabetes (by up to 60%);
2. improve our cardiovascular health thus decreasing the risk of strokes and heart attacks;
3. affect the outcome of both anxiety and depression. The fact that exercise helps regulate the release of chemicals (serotonin, dopamine, and norepinephrine) into our bodies makes it an important element in maintaining the right balance;

4. aerobic exercise, just twice a week, halves the risk of general dementia. It also cuts the risk of Alzheimer's by 60%.

So what does this all mean for our exercise regime?

There is a lot of advice around with different suggestions on exercise requirements. This varies from 5 minutes high intensity, to 30 minutes per day, to 1 hour a day every second day. We are the only one that knows our body's physiology and what will ultimately work for us.

If you are limited in how you can exercise you can still make a difference. If you can physically walk only 50 metres a day, double it! Walking 100 metres per day compared to 50 metres does make a huge difference. The improvement in your body's physiology will be profound and the positive effect is that starting with a little bit of exercise will make you want to move more.

Exercise options are endless, swimming, hydrotherapy, light gym work, walking groups, sporting groups, volunteering; although in regional WA sometimes these options can be problematic for people to access.

Don't let it stop you exercising – get moving.

CWA Beverley Branch Country Women's Association

The sun shone beautifully for our July meeting of CWA. We enjoyed the morning on the verandah and as it was school holidays, it was only a small meeting but we all enjoyed the social company and stayed for a light lunch which was enjoyed by those of us who were able to stay.

State Conference of CWA of Western Australia is to be held in Dunsborough this year. We will have a delegate to represent Beverley Branch and look forward to catching up with many of the members we have known over the years and to hear the guest speakers. It looks as though there will be a lot of rain in the south so we hope some of it will reach through to Beverley where it is truly needed.

Beverley Branch of CWA celebrates 90 years of service to the Beverley Community and to commemorate this milestone we will be installing a water fountain at the oval - near the Amenities building. As we are not certain when the fountain will be available and installed, we await notification so that a date can be set for this celebration day.

Best wishes to those who have been able to go on leave and take a well earned holiday where the weather may just be a little warmer. We wish you a happy stay and a safe and enjoyable trip back.

Next meeting: Thursday 13th August at 10.00am for morning tea and bring and share lunch.
Lorraine Sims.

Beverley Gym, is located at The Old Courthouse, Vincent Street.

Beverley Men's Golf

Ideal conditions greeted 13 golfers on Saturday 27th June when the 3rd Qualifying round was held. This day was sponsored by Life Member Fred Sing. At the end of the day Mark Armstrong was declared the winner with a very impressive 65 nett. Stephen Gollan also recorded a fine 68 nett with Terry Winfield shooting 72 nett. It was pleasing to see Trevor Heard return to the club for a game. Mark Armstrong also had the best Gross score with 80. Fred also provided 18 Novelties on the day. Thanks are extended to **China** for sponsoring the day.

Primaries 3 Person Ambrose was held on Friday 3rd July with 25 participating in the day, a little down on last year. A great day was had by all who played and with novelties on all holes gave everyone a chance of winning a prize. At the end of the day scores were very close, with the eventual winners being Mark Edwards, Bill Cleland and Tim Cook with a nett score of 57.66, they were followed by the Mark Bickley, James Adams and Ryan Ware with a nett score of 58.83. Third place went to Mark Armstrong, Fred Sing and Chris Pepper with 65.16 nett. The Best Gross score was also shot by Mark Edwards, Bill Cleland and Tim Cook with 68. It was very pleasing once again to see many players who don't play that often come to play in this event. Again the Club extends their thanks to **Primaries of WA** and **Terry Winfield** for sponsoring this event and hopes it can continue next year.

Saturday 4th July was a club trophy in Beverley as a number of members were playing a 4 ball competition in Brookton. The winner of the day was Terry Winfield with 36 Stableford points followed by Gavin Sazanov on 30. Sunday 5th July was Brookton's Open Day which saw 12 player from Beverley participate. All players who played performed well.

Saturday 11th July was the Quarter Finals and Semi Finals of the Club Championships. Results for the day were.

Quarter Finals:

Championships Mark Edwards defeated Chris Pepper
John Donovan defeated Mark Bickley
Mark Armstrong defeated Bruce Kilpatrick
Wayde McLean defeated Fred Sing

Semi Finals

Championships Mark Edwards defeated John Donovan
Mark Armstrong defeated Wayde McLean
1st Division Ryan Ware defeated Graham Hagan
Gavin Sazanov defeated Mel Vivian

This now means that Mark Edwards will play Mark Armstrong in the 36 hole Final to see who will be the 2015 Beverley Golf Club Champion. In the 1st Division Ryan Ware will take on Gavin Sazanov this also is a 36 hole match.

Sunday 12 July saw 6 Beverley players head to Pickering Brook for their Open Day. None of the Beverley players faired too well on the day, but still enjoyed the challenging course.

11 players on Saturday 18 July played for a Club Trophy at home with Darrell Hagan shooting a magnificent 44 Stableford points to win the day. He was closely followed by Graeme Hagan and Mel Vivian who both recorded a fine 38 points.

Beverley also had 10 representatives play in the Kweda Open Day. Once again a great time was had by those who attended.

Wayde and Kathryn McLean was sponsoring the 4 Ball Best Ball Stableford competition which was held on Saturday 25th July with 50 playing. At the end of the day a countback was required to find the Nett Winners for the day. After the countback was conducted S. Johnston and J. Woods from York were declared the winners from Daniel and Luke Gollan of Beverley both with very good scores of 48 points. The Gross Winners were also decided by a countback with A. Lister and B. Wagner from York being declared the winners and the Runners-Up was Sean Osgood and Vance Blechynden from Brookton both had 36 gross points. The club sincerely thanks **Wayde and Kathryn** for their generosity in sponsoring this event.

Sunday 26th July was the "**Springdell Cup**" a 27 hole event. Play commenced in lovely conditions at 8:30am with 61 players in the field. At the end of the day there were some tremendous scores and not so good, but in the end all who played had a great day. The Winner of the **2015 "Springdell Cup"** was Luke Gollan (*pictured on the right*) from Beverley with a wonderful score of 71 points. Runner-up was Sean Osgood (Brookton) 65 points with third place being Garry Ashworth (York) 63 points.

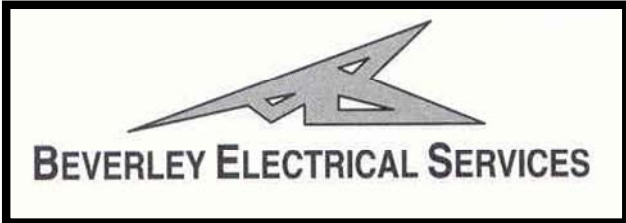

In the Gross Ryan Sheridan from Brookton won the **Barry Winfield Memorial Trophy** for the best gross score with an impressive 55 points. Second place went to Chris Rawes (Brookton) 54 points and third place was won by Vance Blechynden (Brookton) on 47 points.

Other award winners were;

Best 18 Holes:	M. Doujardin (Mundaring)	43 points
Best 9 Holes (1 to 9):	Stephen Gollan (Beverley)	21 points
Best 9 Holes (10 to 18):	Mark Harvey (Pickering Brook)	24 points
Limit Marker (27 h/cap & above):	Gavin Sazanov (Beverley)	55 points
Veteran (55 & over):	Gary Byles (Serpentine)	58 points
Super Vet (65 & over):	Russell Jenkins (Pickering Brook)	59 points

Once again the club would like to thank **Heng EE** for supporting this day.

BEVERLEY NETBALL CLUB

The Derby

All good things must come to an end and on Saturday 25 July, the Beverley Spinners and the Beverley Hunters played their last games of the 2015 season, wrapping up another fantastic year.

On Friday 03 July both Beverley teams battled it out for the Jukarine Shield, sponsored by the Ridgway family. Hunters used tactics such as having the super cutest mascot in Junior Higgins. It was a well fought out match and in the end Spinners were the victorious team winning, 46 to 12. Thanks must go to Nooky and Dee for sponsoring the club, to Glenys, Ingrid and Jen thanks for keeping us and our visitors feed with yummy hot beef rolls, hot dogs, soup and hot drinks.

Both teams had their last away games in Brookton on Friday 17 July, it was a freezing cold night and unfortunately both teams lost.

The ladder from the 2015 hasn't reflected the effort and dedication that both teams have put in during the season. The Wednesday night training sessions have had a good turn out this year. We are hoping that next year we can get in some pre-season fitness, if you are interested let Jess know and we can put your name down.

We hope that all the friendships that have formed over the season continue and when we resume play again in 2016 the committee hope that you will all return to play again. We have had a fantastic season, with loads of fun and laughter, thanks must go to all of the players. If you would like to be a part of this fantastic club and get fit and have some fun, you can express your interest for the 2016 season early, simply contact the club by calling Natalie on 9646 0159.

With the AGM and annual wind up at the Amenities building on Saturday 15 August, we are sure that all of the players and partners will enjoy a great night out. Each year the players are set a dress up theme that is kept a secret, last year the Hunters were 'Muppets' and Spinners were 'Zombies'. Be sure to catch all the photo's of the players dressed up at the windup in the September edition of the Blarney.

Pictured top left: The decoy mascot from Hunters, Junior Higgins

Top to bottom: Derby Day - Beverley Hunters, Beverley Spinners (middle) and Nooky Ridgway presenting the Jukarine Shield to Captain of the Beverley Spinners Jessica Fleay (bottom).

Final match of the 2015 season. Bottom left: Beverley Hunters team. Bottom right: Beverley Spinners Team.

BEVERLEY REDBACKS FOOTBALL CLUB

Featured Events:

Sunday 2nd August – AFA Round 15: Beverley vs Railways at Beverley;
Sunday 9th August – AFA Round 16: Beverley vs Quairading at Beverley; and
Sunday 6th September – AFA Preliminary Final at Beverley.

The footy was few and far between in July, with just the two games played, which unfortunately produced two losses. However, there is still plenty of belief in the player group that we are capable of knocking off the best teams, which gives us good confidence in the lead up to the finals. On Saturday the 4th of July we held our Americano Night, and a big thank you to Joey Walter and the crew of gals for decorating the social rooms and cooking up a delicious feast of Yankee treats to enjoy.

We start August with two consecutive home games, so we encourage all supporters to get to the games and cheer on the lads as we strive for a place in the finals!!

The Beverley Football Club extends our deepest sympathy to Tim Seed and Cathy Blechynden and family on the passing of their mother Helen on Sunday 12th July.

Congratulations to:

- **First League game players for Beverley:** Beau McLean and Leyton Ugle.
- **First Reserves game players for Beverley:** Luke Patterson.
- Blake Wansbrough, who played his 50th Reserves game against Kellerberrin/Tammin on Saturday 4th July;
- Justin Mann, who represented Beverley playing for Avon at the Country Football Championships in Perth from Thursday 9th until Sunday 12th July;
- Fraser Wittwer, who celebrated his 21st birthday on Monday 13th July;
- Owen Heasman, who played his 50th League game against Federals on Sunday 19th July;
- Jai Jeffery & Kara Dohle, who announced their engagement on Sunday 19th July;
- Andrew Veitch, who celebrated his 25th birthday on Tuesday 21st July;
- James Veitch, who celebrated his 25th birthday on Tuesday 21st July;
- Kyle McLaughlin, who celebrated his 25th birthday on Friday 31st July; and
- Rick Smith, who celebrated his 60th birthday on Friday 31st July.

Coming up:

- ☆ Sunday 2nd August – AFA Round 15: Beverley vs Railways at Beverley;
- ☆ Sunday 9th August – AFA Round 16: Beverley vs Quairading at Beverley;
- ☆ Sunday 16th August – AFA Round 17: York vs. Beverley at York;
- ☆ Saturday 22nd August – Beverley Agricultural Show;
- ☆ Sunday 23rd August – AFA 1st Semi Final hosted by Kellerberrin/Tammin;
- ☆ Sunday 30th August – AFA 2nd Semi Final hosted at Cunderdin;
- ☆ Sunday 6th September – AFA Preliminary Final at Beverley; and
- ☆ Sunday 13th September – AFA Grand Final at York.

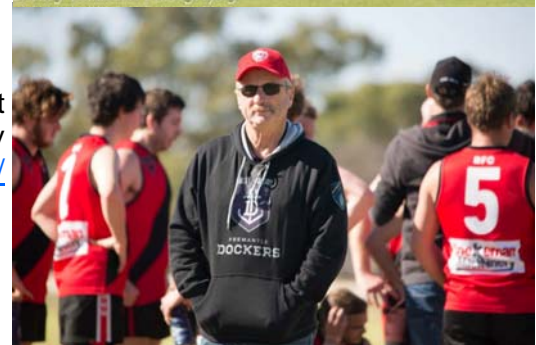

The Beverley Football Club urges all supporters to join as a Member in season 2015! Members are integral to the survival of our Club and your support is greatly valued. The membership fees for season 2015 are:

- ⇒ Football Senior Player (age 22 and over) - \$100.00

BEVERLEY REDBACKS HOCKEY CLUB

Round 7 Northam Aces vs Beverley 27th June

We travelled to Northam to take on the Aces. What a fantastic game. With both sides fighting for the first goal, Beverley managed to score first. The goal game the girls the confidence to score again and come away winners of the day. Congratulations to Michaela Miller on scoring your first goal!! Beverley 2; Aces 0

Goal Scorers – Mirika Winmar 1, Michaela Miller 1

Award Winners

Kelly Mann – Captains Award - Sponsored By: Garry and Sarah Miller, Beverley Transport

Michaela Miller – Coaches Award - Sponsored By: Trevor and Amanda McLean, Waterbrae

Round 8 Beverley vs York Vipers 3rd July

Our first night game of the season and we were pumped to take on the York Vipers. In a fast paced game, the girls fought hard against a determined York Team. With a few shots on goal, the girls unfortunately couldn't score. York managed a few quick goals which saw them take out the win. The girls in defense deserve a big pat on the back, especially Bec Sims our goaly, who were all on fire and managed to keep Yorks score to only 3.

York 3; Beverley 0

Award Winners

Lisa Mourach – Captains Award - Sponsored By: Garry and Sarah Miller, Beverley Transport

Chantelle Meade – Coaches Award - Sponsored By: Trevor and Amanda McLean, Waterbrae

Round 9 Jennacubbine vs Beverley 18th July

After a week off and a few weeks off from training, the girls travelled to Northam to take on Jenna. What a fantastic first half! The girls fought hard against the very skilled Jenna, especially in the defense. The score was kept at 1 Nil due to the fantastic effort from the girls, with the Jenna girls praising our goalie. The temperature rising, the second half was tough and unfortunately the girls were not able to stop the Jenna girls from running away with the game. Fantastic effort by everyone and special thanks to Penny Burns for filling in for us.

Award Winners

Penny Burns – Captains Award - Sponsored By: Garry and Sarah Miller, Beverley Transport

Carissa Shaw – Coaches Award - Sponsored By: Trevor and Amanda McLean, Waterbrae

Emma Davey – Northam Tavern

UPCOMING DATES TO REMEMBER

Beverley Horse and Pony Club

What a busy couple of months it has been, this year just seems to be flying by. On the 28th of June saw 5 of our pony clubbers (Bronte, Kip, Tealah, Grace and Vicky) trek over to Avon Valley Pony Club in Northam for a ODE; which they all competed in PC45. Unfortunately Grace had a couple falls off a naughty Primrose and Kip had too many refusals in cross country and both riders were eliminated. Tealah was very pleased with how her new mount Woody behaved finishing their first ODE together in 9th place; Bronte was a little quick on cross country and gained time penalties taking her back to 5th place. In the senior PC 45 Vicky was sitting equal 1st at the end of the day but on a count back ended in 2nd place.

Our Zone Camp was the weekend after, again held in Northam. This year the largest number of members attend; this include Emily, Jess Maxwell, Bethany, Oscar, Kip, Tealah, Mollie, Chloe, Bronte, Jessamin and Vicky. It was a fantastic weekend were every rider improved their riding and knowledge tremendously. To organise this weekend is a huge effort but the riders are very thankful for all the efforts put in.

On the 18th of July was our rally, we welcomed new member Toby riding Lisa in our lead rein group. It great to have another boy at the club, I'm sure Toby and Jacob will be trouble making at the club for years to come. It was a busy rally for the two older groups practicing for the 50th anniversary and still having time to show jump as well. In the afternoon we had a visit from Shane and Jo Wheat who came and taught everyone about polocrosse. It started with a quick talk about the rules and how to use your racquet to pick up the ball, then the riders went and saddled up ready to have a go at a game. There were enough players to have 4 different teams which was great fun. Most of the horses seemed fine with the balls and racquets, others needed a little more encouragement. As you can see from the photos it was lots of fun for all.

Thank you to all the members who are helping clean up the grounds ready for the 50th anniversary at the end of this month. Members please keep an eye on your emails for busy bees leading up to the event. We are looking forward to a fantastic day and if you'd like to attend the celebrations please contact our club.

In September we are holding our annual breed show; the program is now on Cavalletti and entries will be open soon. Our new fence looks great, again thanks to everyone involved, from the photo you can see the huge improvement it has made to the ground.

New members are always welcome; please contact Mrs Pauline Appelbee if you are interested [9647 1181](tel:96471181) or at appelbees@skymesh.com.au.

Happy Riding
