## Shire President's Report December 2012

### De Lisle Street Industrial Project

A letter expressing extreme concern has been forward to Minister Grylls regarding the ongoing delay of the current De Lisle St light industrial development seeking the Ministers urgent assistance. Council has not been able to confidently advise when land will be available and subsequently there have been many lost opportunities.

### Deputy Chief Executive Officer

Deputy CEO Simon Marshall commenced work with the Shire of Beverley on Monday 5<sup>th</sup> November, which just happened to be the day of the Wild Women of the West Seminar, so he has seen Beverley in action from the word go! Council and staff look forward to Simon's involvement in the smooth running of our Shire and we welcome him into our community.

For over 12 months David Vaughan has made an invaluable contribution to the executive team in a part time capacity as Special Projects Officer and Acting Deputy CEO. David's knowledge and wealth of experience following many years involvement in Local Government is highly valued by all staff and Councillors.

### Local Planning Strategy

As mentioned in the November Blarney, the draft Local Planning Strategy is available for public comment until 31<sup>st</sup> January 2013. The Strategy document can be viewed on the Shire website or in

hard copy at the Shire office or Community Resource Centre.

### Roadworks

Following bituminising of 1.8km in November, the Beverley section of the Greenhills South Rd has now been sealed from the Mawson Rd to the York boundary. The carpark at the Doctors surgery is also receiving a facelift.

The Plant and Works Committee will be undertaking the annual review and update of the 10 year road programme early in 2013. Comments or issues to be raised are welcome and can be directed in writing to the Works Supervisor. The following Councillors are committee representatives:

Cr Jim Alexander (Chair)  
Cr Keith Murray  
Cr Lew Shaw  
Cr Belinda Foster  
Cr Chris Pepper  
Cr Peter Gogol.

### National Trust Award

The CEO and I attended the National Trust AGM on 7<sup>th</sup> November to receive an award on behalf of the Shire of Beverley for the Shire's relationship with the Trust and our assistance regarding Avondale.

### Beverley Harvest Festival at Avondale - Sunday 25<sup>th</sup> November 2012

The commitment from the Avondale Farm Project Association towards Avondale is remarkable. The Harvest Festival was a day for all ages attracting a crowd of around 2000, was supported by well over 60 volunteers, and received impressive feedback, particularly from city visitors. Congratulations to all involved.

### Avondale

The potential financial risk to the National Trust (or any public

body) in retaining the property in its current state of deterioration creates a very fragile situation for Avondale. Indeed, I have just received advice from the National Trust Chief Executive Officer that his executive team have reluctantly agreed that due to this risk, the property should be prepared for disposal. This is despite the fact they believe Avondale could be one of the Trust's greatest educational tools for present and future generations. The final decision in relation to this will most likely be made by the National Trust Council early in 2013.

There are many interlinked facets that could be developed to achieve a sustainable outcome for Avondale, with the community educational aspect highlighted as a priority. Without a capital injection to reverse the many years of infrastructure decline it will be difficult to move forward, and as reported previously, that required capital has so far been elusive.

The National Trust CEO regularly quotes that in his twenty years plus in the role, he has never seen such community and other support for a place like Avondale and that the potential for education, tourism and regional development is enormous.

You will find more information on page 30. I propose to provide a community update at the Annual Electors meeting in December and the January edition of the Blarney.

### Retirees Luncheon (aka Young at Heart Luncheon!)

Many special members of our community took advantage of this event, sharing a lovely meal, great entertainment, camaraderie with each other and Shire Councillors and this year also the CEO. Thank you to Shire staff, particularly Ali Lewis, for organising the day.

## Swimming Pool

A large crowd attended the recent Teddy Bears picnic at the swimming pool. The day was well organised and I had the opportunity to thank Brad and Mat from Contract Aquatic Services for the time they put into the day and for the magnificent condition of the swimming pool and surrounds. As the pool is turning 50 it is rewarding to have such dedicated people involved in looking after this important community facility.

## WWW Seminar

The second Wild Women of the West Seminar was again a fabulous day, attracting a large crowd from Beverley, surrounding towns and Perth. Congratulations to the organising CRC committee for their professionalism in presenting this event, which has attracted interest from across the region.

## Christmas in Beverley

Don't forget the Christmas Lights Competition and light up the town, and the Family Christmas Concert on Saturday 15<sup>th</sup> December at the Platform Theatre which is being organised by the Beverley Station Arts.

Dee Ridgway  
Shire President

# National Broadband Network 'Innovation in the Region'

## Competition

The NBN has the potential to transform many aspects of our lives including home internet and telephone services in areas such as education, business, entertainment and access to online services.

If the Wheatbelt is to realise the full potential of the NBN when it is rolled out, we need to start thinking about the possibilities that faster broadband will enable for our region. With this in mind Regional Development Australia (RDA) Wheatbelt Inc. is running an NBN Innovation competition to identify online applications that present a real opportunity for our region.

There are three categories for entries:

- Social Opportunity** (e.g. on-line tools and/or services that will promote opportunities for our communities to access better education, entertainment, support services, etc)
- Economic Opportunity** (e.g. ideas for new and innovative on-line business ventures or ways to grow and improve your current business)
- Environmental Opportunity** (e.g. using on-line tools to reduce your carbon footprint or generate better awareness and understanding of environmental issues and solutions)

The competition is open to all Wheatbelt residents. All ideas are welcome no matter how small.

For a copy of the Entry Form please go to -

[www.rdawheatbelt.com.au/LatestNews.aspx](http://www.rdawheatbelt.com.au/LatestNews.aspx)

Or contact our Admin officer Pippa Harris Tel 9575 1888 or [admin@rdawheatbelt.com.au](mailto:admin@rdawheatbelt.com.au)

*"This activity is supported by funding from the Australian Government Department of Regional Australia, Local Government, Arts and Sport."*

## Competition Prizes

Competition prizes cannot be redeemed as cash. There will be one prize awarded in each of the three categories. The prize for each category will be an iPad 3 with Wi-Fi and 3G capabilities.

## Entry Information

Entrants must be residents of the Wheatbelt region of Western Australia and comply with the Terms and Conditions as described on the Entry Form

An Eligible Entrant aged 18 years or under must obtain their parents' or guardian's consent prior to entering this Competition.

Entries close 5.00pm, 11 January 2013

**NO LATE ENTRIES WILL BE ACCEPTED**

Completed Entry forms can be emailed to [admin@rdawheatbelt.com.au](mailto:admin@rdawheatbelt.com.au) or posted to:

**18<sup>th</sup> ANNUAL BEVERLEY HARVEST FESTIVAL**  
**@ Avondale Farm**  
**Sunday 25 November 2012**

Despite the unsettled weather experienced on Saturday 24 November, many people came together to enjoy another Beverley Harvest Festival. The 18<sup>th</sup> annual event featured many attractions and the contributors, volunteers and “paying” customers appeared to enjoy the day.

A huge thank you to the following:

The **Beverley Shire** Councillors for their support, and the works who managed to make Avondale look a well loved property, albeit somewhat dry!!

The **National Trust of Australia** (WA) for their communications expertise, and guidance, and for the use of their property for such a major community event.

The **Section 95 crew** who have, over the last two visits, done some really big longstanding cleanup jobs around the place, including garden maintenance, whipper snipping and cleaning the museum, and outside of the homestead. Well done guys.

The **Max Employment Crew** who have worked very hard to make the whole venue look fantastic – from the front gate in. The buzz around the property on Sunday is testament to their hard work.

The **other community groups** and individuals who so willingly come forward to make the Harvest Festival the unique event it is - including Milly Molly Mandy’s, the Beverley CRC for some prompt and professional printing, Sue Grey-Smith for her assistance with the program and clever map drawing, various members of the friends of Avondale, the Avon Valley Showjumping and Pony Club, the Beverley Quilters and patchworkers, The Rockingham Guides, and Victoria Park Scouts.

We thank the following major sponsors of the Avondale Harvest Festival  
 The York and Districts Community Branch of the Bendigo Bank  
 Regional Events Scheme through funding from Royalties for Regions  
 Go For 2&5 Healthways  
 Water Corporation

The **Great Quiz Quest** was drawn by Dee Ridgway at 3.30pm.  
 The winners named below each won \$25;  
 Graham Harley of Duncraig  
 Kohdi Sankey of Swan View  
 Chloe Burger of Toodyay  
 Logan Baker of Kalumunda.

The Australian Year of the Farmer *My Farmer Rules* challenge was won by the local team Matt, Jamie and David. Congratulations to them, and we hope they enjoy their team winnings. A team dinner at the Hotel Beverley!! Many thanks for the other teams who participated. Kelly, Chantelle and Kylie. Tess, Jamie and Jess.

Thank you also to all those who help out on the day with the demonstrations, safety, interpretation, tractor drivers, bus drivers, looking after horses and animals and general administration. I thank you.

## Beverley Recreation Ground Development Update

The construction of the Beverley Function and Recreation Centre at the Recreation Ground has continued at a blistering pace.

The partial demolition of the old amenities building has been completed and the concrete footings and pad have been laid.

Works currently underway include completion of brickwork rectifications to clubroom, erection of structural steel, commencement of roof sheeting and commencement of brickwork.

Individuals are reminded that access to the site is restricted to authorised persons only, please stay on the outside of the fence and do not enter the construction site.

### Thank You

On Tuesday 13th November, a very hot day, I was very grateful to Pat Pepper, who found me stranded on my gopher, near the Museum.

My gopher had been skidding on gravel and sand on my journey to town and the front wheels locking.

Pat went to get help for me via Michael Blechynden and from the Shire - Steve Gollan and Steve Vincent.

They discovered the hand brake oil compartment was the problem and released the pressure.

Thank you all for seeing me safely home.

Maureen Cole.

## WA COLLEGE OF AGRICULTURE - NARROGIN

### Local girls shine at Graduation

Greta Evans and Holly Moulton from Beverley have been studying at the College for the past 2 years and won major achievement awards at the Narrogin Agricultural College graduation last Friday.

Luke Ledwith, College graduate of 2005 and now successful stud merino breeder was the guest speaker and presented Greta with the Stage 1 English Award and Top Sportswoman Award.

Derek Gardner, Field and Community Manager from Bauxite Resources presented Holly with the Farmsafe Award.

The quality of the prizes accompanying the awards reflected value placed on high education and training achievement by the College's industry sponsors.

The College Graduation Ceremony was a formal luncheon which saw 48 students graduate from the Agriculture and Trades Courses.

## BEVERLEY BRANCH, COUNTRY WOMEN'S ASSOCIATION

[www.cwaofwa.asn.au](http://www.cwaofwa.asn.au)

The November meeting was quite a social event, with a good roll up of members.

As is usual at this time of the year, our Branch will be donating seven Book Prize awards for Citizenship to students at the school for presentation at the end of year break up function.

Several more little crib quilts have also been made and donated to King Edward Memorial Hospital for use in the special nursery. As a result of these donations, an invitation has been extend to us by King Edward Memorial Hospital and the Women and Infants Research Foundation to a special Volunteer Afternoon Tea in appreciation of our support.

Our next meeting will be held at the CWA Centre on Thursday 13<sup>th</sup> December 2012 commencing with a cup of morning tea at 10.00am followed by the last meeting for the year. We will then enjoy a light lunch at the Avon Rose Tea Rooms at 12.30pm where we will exchange gifts and some social time together. We look forward to having most of our members present for lunch on that day.

The first meeting in 2013 is expected to be in February. This will be advertised nearer the time and we invite interested new or potential members to join us.

On behalf of our members we wish all a very Merry Christmas and Safe and Happy New Year.

### BEVERLEY HISTORICAL SOCIETY

There were 11 members and 2 apologies for the November meeting at the Dead Finish Museum.

Members were pleased to see our new Post & Rail fence finally in place.

The Society was pleased to be advised that the ashes of the late Joyce Oliver have been returned to Beverley and are interred with those of her husband.

We have forwarded information to Cathy Day for inclusion in the Significance Report on items in our Museum. Many interesting facts were rediscovered in this exercise.

Visits from Year 2, Beverley DHS & Year 8, Rossmoyne SHS have been arranged.

#### Donations this month included:

1. Book "Yukering: The early days of the Bailey Family", by Dr Coral Piercy as told by Helen Bailey, published in 2008, blurb states "strong roots in the farming community of the Dale". The family forebears left Liverpool in Nov 1907, disembarked at Sydney & two years later sailed to Fremantle & took the Albany Express train to Beverley.
2. Clock with large figures (100<sup>th</sup> birthday present in 2003).
3. A small booklet "Handbook of Pidgin English"
4. Three books: "The Cub Book for Australian Cubs", 5<sup>th</sup> edition, 1958 reprint; "The Australian Scouts' First Book, 3<sup>rd</sup> Impression, 1960, cost 1/9; "The Australian Scouts First Class Tests and how to pass them", 6<sup>th</sup> edition, 1957, cost 1/9.

#### Next Meeting:

2.00pm, 10 December, Dead Finish. Followed by cover up of displays for summer recess.

New members or visitors always welcome.

Further information please contact the Secretary via email:

[bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com) .

### Athol Gerald Willey 13.08.1918 - 25.08.2012

Michelle Garwood, Colin Willey and families, wish to thank everyone for their cards, phone calls, food and attendance at our Dad's funeral. Dad loved his little unit and was very proud of his garden at the Beverley Retirement Village. He was often complimented on his garden which always made his day.

He also enjoyed his visits from the meals on wheels people and the ladies that helped him in his unit for as long as he was there.

### Museum

The volunteers have been very busy with preparation of the machinery for the Harvest Festival. The Chamberlain 9G is being prepared for use with the AL Harvester.

The binder canvasses have been completed and fitted. A very good job completed by Andrew Thomas of Oakdale Handcrafts in Beverley. 180 sheaves have been cut ready for the My Farmer Rules sheaf stooking challenge.

### Group Visits

Throughout October we had weekly visits from customers from Yongah Hill. We have a class from Rossmoyne SHS booked in for a visit at the end of term 4.

### Clydesdales

Marian and Emily are still working towards having Comet and Robbie on display, in the stables, for the Harvest Festival. They have also cleaned out the stables and prepared the stalls in readiness for the Clydesdale Society members and their horses over the weekend of 24/25 Nov. The horses had their feet trimmed by Alex McQuire on 5 Nov. Marian and Emily need some straps for holding the collar back to the saddle. I have asked Andrew Thomas to make these up.

### General Property Maintenance

This has been carried out by Brian Beddall and the Max Employment team. It has been a great help having them around on a regular basis.

### Staffing at Avondale

The farm manager, Peter Jenkin, and Project Officer, Dina Barrett-Lennard, have been advised by the Beverley Shire that the current contracts will finish on 31 December. The National Trust, Beverley Shire and AFPA are meeting in November to discuss the future of Avondale beyond that date.

### Farm Activities

Hay has been cut and stored. Large round bales, small square bales and oaten sheaves! Harvest equipment is being prepared, and the first bit of harvesting has commenced.

# Station Gallery and Platform Theatre News

## Station Gallery and Gardens

Following on from the three Artists-in-Residence Exhibition last month, the local artists whose work was displayed on the Town Hall walls at the recent WWV day is now exhibited at the Station Gallery. Most paintings are for sale and could be just the Christmas gift you've been looking for - worth a look!

A farewell drinks party was held at the Gallery for Juliette and Han Verdel on Saturday 17<sup>th</sup> November. Both Han and Juliette have been great supporters of the Station and we wish them every success in their future endeavours.

The Beverley School will be holding their staff party 30<sup>th</sup> November preceded by a class excursion of art activities at the Gallery. The school's end of year presentation night on Monday 17<sup>th</sup> December follows the Station Arts Family Christmas Concert on Saturday 15<sup>th</sup> December. It's great to see the venue being used by a cross section of the community, and two more weddings have been booked for March and April 2013 at the Station so - it's even becoming a 'destination wedding' location!

## Platform Theatre Events

The one we'd been waiting for.....DIAMOND! with Brenton Fosdike and his fabulous band and guest star Wayne Pride - fantastic all of them. And Steve Ramm working overtime with the live videos onto three screens (Station buildings) really added to the excitement. Did it rain - yes! But did we care? No! it was truly an amazing concert for the 300 strong crowd.

## **Beverley Tourist Bureau**

November brought a sad time to the bureau and its members. With the passing of Paul Edwards, we lost not just a volunteer but a true friend. Our love and thoughts go to Val, who has been involved in the bureau for many years.

We have been busy over the past month with an increase in visitors to our lovely town. We seem to have lots of favourable comments and people seem surprised how busy Beverley is for a small country town. This of course is attributed to the various businesses, sporting clubs, art gallery and museums. It never ceases to amaze me how a small population can wear so many "different hats". Beverley thanks you all.

What a wonderful day at the swimming pool for the Teddy Bear's Picnic. Brad was certainly on a winner there.

This report is going to the Shire prior to the Neil Diamond Tribute Concert but that will have to be wonderful.

Again the Harvest Festival is a huge drawcard to Beverley where the whole town will benefit.

We hope to keep the Bureau open throughout that weekend. Yes, here I go again VOLUNTEERS, or rather lack of them.

Christmas will be on us shortly but I do urge you to think about what you may be able to offer to the bureau in the New Year. Think about it please. Come in and see us. None of us bite and we can always have a cuppa and a chat.

In the meantime let us all wish you and your families a happy safe and peaceful Christmas.

As always we wish all the bureau volunteers a relaxing festive season and we thank you for so much for all your work during 2012.

## Beverley Patchworkers and Quilters

Thanks to everyone who attended we were able to bank an amount of \$285 for cancer research. Thirteen ladies met at the home of Joy Moffat in Kauring for a 'Girls' night in' lunch and chat to raise money for this worthy cause.

b  
We are looking forward now to the Avondale Harvest Festival where we will display some of our handy work and serve morning and afternoon teas.

Our president, Catharina Turle, has returned from her trip to Holland to visit family. We look forward to catching up with her and to hear of her travels.

Our Christmas lunch is to be held at the top Beverley pub on Tuesday November 27th.

Quilting on a Tuesday will still be running at our centre at Avondale, where any members of the public are very welcome to come.

Just phone either of the ladies listed below for details.

We wish all members of the community a very happy and safe Christmas and New year period.

# THE BLUE LINE

## Beverley Police Station

57 Hunt Road, Beverley WA 6304

Hello All,

Firstly I'd like to introduce your new local police officer, First Class Constable Ian Roberts. Ian arrived a few weeks ago with his wife Annette. Some of you have already had the pleasure of meeting and extended them a warm welcome, thank you!

**STOCK THEFT** - Livestock theft is the most significant rural crime. Clear identification limits saleability of stock and greatly aids identification and return of stolen stock.

To assist police:

- \* Maintain good stock records. Keeping accurate records of all livestock bought and sold.
- \* Regularly check your stock and the paddocks, fences and where the stock are grazing.
- \* Keep all paddock, shed and stockyard gates closed and wherever possible, locked.
- \* Use locking posts to obstruct large openings to yards.
- \* If possible, locate stockyards or loading ramps away from public roads or main entrances to your property. Keep them locked when not in use.
- \* Ensure loading ramps are stored out of sight when not in use.

If you have livestock stolen you should contact the Police. Beverley Police will attend the scene of every reported stock theft within our area. Do not disturb the area; police will conduct a forensic examination of the area. You will be asked a number of questions in order for us to obtain a better description of the livestock. You will need your brand and PIC details. We will be increasing our vehicle stops of vehicles carting livestock. If you are stopped carrying livestock, the driver will be asked for a stock waybill or National Livestock Vendor Declaration. The only exception to this is where a primary producer has been given a letter of authority from Department of Agriculture for regular transport between different farming locations under the PIC.

Also, please show some courtesy and slow down when a road sign indicates a farmer is moving sheep ahead. They are a flighty animal and can be difficult to settle if spooked and become a traffic hazard if scattered across a road.

**HOLIDAY SEASON - TAKE CARE** Over 55% of road fatalities occur in Regional WA and it's a myth that those killed are city people who are inexperienced at driving on country roads. The truth is its country people dying on roads they travel on every day.

The road environment in Regional WA means drivers there need to take special care. Long distances, higher speed limits, fatigue and an unforgiving driving environment all contribute to an increased risk of fatal or serious injury crashes.

Drivers should always wear seatbelts, take extra care, slow down and allow plenty of time for long journeys, stopping now and again for driver breaks. Driving while tired can be as dangerous as driving under the influence of alcohol.

Every road crash affects more than just the person killed or seriously injured. It also affects husbands, wives, sons, grandparents, daughters and friends - often for the rest of their lives. Beyond this, there are the effects of road trauma on those who have to directly deal with it - police, ambulance officers, doctors, nurses and so on.

The fact is, everyone who uses the roads has a role to play in road safety, and we can't do enough to all build a culture of safe driving.

**GOPHERS** These vehicles are a highly prized possession for those who are no unable to drive a car. They give the owner the independence and freedom to travel at a slow but steady pace safely from A to B. Please do not interfere with or take any liberties with them when left unattended. A reminder to the drivers of these vehicles; you are a person in charge of a motor vehicle and as such will be subject to a breath test and charged if over the limit.

**TAKE CARE AND HAVE A VERY SAFE AND MERRY CHRISTMAS!** Karen and Ian

# Beverley Garden and Tree Society Celebrates 30 Years

**Shopping Stalls**

Cars lined the surrounding streets on Saturday 24th November at the Dead Finish Museum. The area was full of members, stall holders and guests that gathered around the gardens

to celebrate the 30th Anniversary of this wonderful long standing community group.

The newly installed fence and the immaculate gardens truly displayed the hard work and dedication of its members and it was the perfect backdrop for the event. To recognise this special occasion, the Beverley Historical Society presented the Beverley Garden and Tree Society with a plaque, that will be displayed in the Dead Finish Garden. The plaque reads:

The Beverley Historical Society  
Recognises the achievement of  
The Beverley Garden and Tree Society  
In establishing & maintaining the  
**DEAD FINISH GARDEN**  
Erected by the Beverley Historical  
Society, November 2012  
In Commemoration of the 30th  
Anniversary of the  
Beverley Garden and Tree Society

Guests enjoyed the Devonshire teas available in the garden area as well as shopping opportunities with local businesses such as Talbot Nursery and Studio Bibi having stalls.

The Beverley Garden and Tree Society was established by former Beverley resident Jenny Jones (wife of Dr. Arnold Jones) along with a group of fellow passionate gardeners. Jenny attended the celebration and was very impressed

by the beautiful garden. The Dead Finish Garden was established a few years after the group started and with careful planning and design the project was developed. There is a vast variety of plants, which includes: natives, vegetables, succulents, roses, annuals and much more. The upkeep of the area is handled by the members of the group and you can often see them in the area weeding and pruning.

Harpist Rowan entertained the crowd

### **CRC NETWORK STATE CONFERENCE**

Staff members Amor Moulton and Samantha Fricker recently attended the CRC Network State Conference in Busselton. With over 200 people from CRC's throughout WA, the 5 day event included training, workshops, information sharing and networking. During this time Amor Moulton was included in a panel discussion (pictured above) with Andrew Murray, Regional Development Trust; Ruth Shean, Department of Training and Workforce; Posy Barnes, Jobs South West; Bruce Manning, Great Southern Regional Development Commission and Sue Ash, Uniting Care West. Panel session was a hypothetical '20 years from now'

### **BEYOND GARDENS WaterWise Workshop**

The Beyond Gardens workshop hosted by the CRC at the Town Hall brought together a passionate group of gardeners, approx 65 in total. The expert speakers gave great advice and tips, specifically for the Wheatbelt region. The live interactive workshops are still being run via the Westlink service at the centre. Thank you all for supporting the night and to the people that assisted in the catering, a big thanks you too. To the team from Beyond Gardens we are greatly appreciative to you all for

taking the time to come to our town. For those that missed the information websites on the night.

## Beverley High School Happenings

Crash, bang was what we were greeted with at our school assembly last Thursday. While to some a storm is exciting, to others it is a nuisance and sometimes very damaging. To our farmers, it is not a welcome event at this time of the year. Hopefully, we have seen the end of storms for a while.

The storm did remind me of our presentation night last year where we had to move to the town hall. Our **Presentation Night** this year will be held, weather permitting, at the Station Gallery on **Monday 17<sup>th</sup> December** commencing at **6pm sharp**. Everyone is welcome to attend. Hope to see a big crowd at the great facilities that we are lucky to have in this small country town.

**Please enjoy the musings of Miss Lia Gault's Year 2/3 class below.**

### **Year 2/3 – Classroom Happenings!**

It's been a busy term 4 already for the students of Room 6 and there is still so much more to fit in!

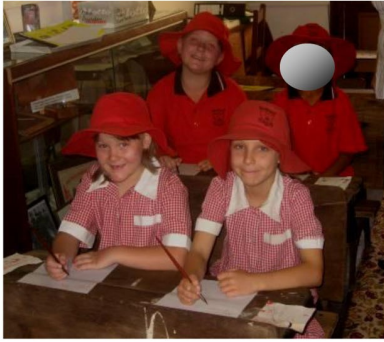

Here we are after our class assembly. We told a tale of two bad boys, Willy and Wally Wolf. They go on the 'lamb' by trying to pull the wool over the eyes of three very clever sheep, Betty Mutton, Trudie Ewe and Meryl Sheep.

What a fun afternoon we had being entertained recently by the Silver Threads Band. We learned all about instruments that some of us had never heard of! A member of our class had "Happy Birthday" played for him and he got to conduct the band! Others played instruments along with the band and there was even dancing! The Silver Threads Band showed that being active can be so much fun!

The highlight for the Year 2's this term was our visit to the **Dead Finish Museum**. We left the Year 3's behind and headed off at the invitation of the Beverley Historical Society. We had so much fun getting our hands dirty (and clean!) We polished silver, did the washing using on old tub and wash board, dressed up in some fine clothes from the olden days and wrote with ink and a nib pen in the old classroom. More importantly we learnt a lot about the early history of our town. The Year 2's would like to thank the volunteers for an enjoyable learning experience (once again!), yummy refreshments and the individual penny we all received.

*A little memory of a year gone by...*

A reminder again of our **Presentation Night** which is being held at the Station Gallery on **Monday 17<sup>th</sup> December** commencing at **6pm sharp**. Staff have decided there will be no early notification of prize winners. We would like you all to have a pleasant surprise.

From all staff at Beverley District High School, we would like to wish you all a very Merry Christmas and may Santa bring you all that you wish for. **Buon Natale e Felice Anno Nuovo!!!**

# RECYCLING IN THE SHIRE OF BEVERLEY

**YOUR FIRST COLLECTION WILL BE ON: FRIDAY 4 JANUARY 2013**

**The Shire of Beverley and their Contractor, Avon Waste, are pleased to introduce your new Kerbside Recycling Collection.**

***Please read the following information to familiarise yourself with the recycling process.***

## **How The Collection Works:**

- You will be provided with a new 240 Litre Recycling Bin. This bin is for recyclable materials only – **NO RUBBISH**.
- Your bins will be collected each fortnight.
- Place your rubbish bin and your recycling bin on the kerb next to each other, leaving a gap of about ½ a metre between the bins.
- Remember: Your rubbish and recycling bins will **not** be emptied at the same time, please leave your bins out until the truck has emptied them.
- Please **do not** place your recycling in plastic bags; it must be loose in your recycling bin.
- Make sure your recycling material is clean, **do not** put full cans, jars or bottles in your recycling – empty and clean them first.

## **Useful Tips:**

- Have you thought about putting a second bin in your kitchen? It saves sorting through rubbish to find recyclables, and each bin can be easily emptied into your wheelie bin for collection when they are full.
- Flatten your cardboard boxes and stack them inside each other, this will save room in your bin.
- Make sure you don't jam your bin. If your bin has only been half emptied, it is because the recycling didn't fall out when the bin was tipped up. Place heavier items at the bottom of the bin, they will help to force out lighter items.

**If you have any questions, please contact Avon Waste on (08) 9641 1318,  
or email [admin@avonwaste.com.au](mailto:admin@avonwaste.com.au)**

# RECYCLABLE MATERIALS

You **CAN** place the following in your recycling bin:

- GLASS:** Clean Bottles & Jars (lids removed).
- PLASTIC:** Empty bottles and containers with 1, 2 or 3 printed on the bottom (lids removed).
- PAPER:** Clean, untied newspapers, paper, magazines, telephone books, envelopes
- CARDBOARD:** Clean, flattened boxes and cartons.
- ALUMINIUM & STEEL:** Cans, tins, clean foil, aerosol cans.
- LIQUID PAPERBOARD:** Milk, juice and laundry detergent cartons

## NON-RECYCLABLE MATERIALS

Do **NOT** place the following in your recycling bin:

- ✗ Green Waste
- ✗ Food Scraps
- ✗ Polystyrene
- ✗ Plastic Bags
- ✗ Nappies / Sanitary Items
- ✗ Appliances
- ✗ Tools
- ✗ Lawn Clippings
- ✗ Liquids
- ✗ Toys
- ✗ Clothing

**All recycling must be placed loose in your recycling bin, please do not place any plastic bags in your recycling bin.**

Update: Re: Matter Changes to the Australian Constitution, see extract from page 2, Congress Mob, September 2012 on proposed changes.

1. Remove Sec 25 - which allows state to make laws.
2. Remove Sec 5 (26) Allows the Government to make Special Laws for our people.
3. Add a new Section (51A) to recognise Aboriginal and Torres Strait Islander Occupation of the Land and relationship to the land and water.
4. Add a new Sec (116A) which will specifically prohibit racial discrimination.
5. Add a new Sec (127A) for recognition of the languages and protect the role of that language in our community.

As the above proposed changes have been made by an expert Legal Panel, I have No Comments to make.

## Wild Women of the West Seminar Stop and Smell the Roses

Above: Hon. Mia Davies MLC and Jenn Morris

Wild Women of the West was held on Monday 5 November 2012 at the Beverley Town Hall hosted by the Beverley CRC. This year's theme was 'Stop to Smell the Roses' and boy did the ladies do that, our town hall was swathed in roses!

The lovely Sandy Shaw emceed the event once again this year and introduced all our special guests - Hon. Mia Davies (who read an exclusive article penned by Fleur McDonald), Bob Melville, Amanda Harding, Karen Tighe and Jenn Morris.

Fleur McDonald, author, wrote about the importance to stop to smell the roses (or canola) and of finding pleasure in the simple things around us especially when times get tough. Fleur's article was very heartfelt and relevant to our farming community as the past years have been very challenging in the Wheatbelt region. Fleur generously donated a copy of her novel 'Blue Skies' to all our audience.

Bob Melville, Melville Rose Farm, answered all our questions of the trials and tribulations of growing roses in our climate. All of our guests were invited to ask Bob questions regarding their roses, fertilising, water management and pruning, etc. Bob and Marie bought a variety of beautiful roses from Melville Rose Nursery that were able to be purchased on the day.

Amanda Harding - Find Cancer Early campaign, discussed the importance of early detection in bowel, lung, prostate and breast cancers. The message was very clear that early detection will increase the great chance of successful treatment.

Karen Tighe, ABC sports presenter, discussed her career, family and partner Glenn Mitchell. We all felt privileged to listen to Karen's presentation which was very honest and personal as she discussed the impact of living with Glenn who suffers with depression and bipolar disorder.

Jenn Morris, former Hockeyroo's Captain, spoke of her career in hockey, Ric Charlesworth, Olympic village life and also success in her career outside of sports. Jenn also spoke on a huge range of topics which were prompted by questions from the audience. Unfortunately Jenn declined the offer to join the Beverley Redback Hockey team next year, much to Fleta's disappointment.

All our guests this year were spoilt with a gift bag, scrumptious food, decadent shopping, remarkable guest speakers and of course great company! Congratulations to Mrs Anne Fisher who won the major door prize - 1 Night Accommodation at the Crown Plaza, Dinner and 2 Crown Theatre Tickets valued at \$800.

Thank you to all our generous sponsors, subcommittee Marlene Willson, Anthea Cooke and Mandy McLean, volunteers Marge Bristowe, Eleanor O'Rafferty, John Fregon, Glenys Lane and Dalene Davis, Beverley Netball Club Natalie Ashworth, Glenys Lane and Zoe Wilkinson, Beverley Station Art Gallery members and last but certainly not least Gemma Ugle, Christine Sazanov, Teresa Reid, Claire Thomas and Sarah Owens.

A very big thank you must go out to all the ladies who have supported this event once again and we look forward to WWW 2013.

## Beverley Community Para-Legal and Referral Services

The following is from a most unusual case and is taken from the ABC Law Report—Radio National of 22.11.2012.

### **Family Court Case Hearing**

Couple 'S' got married in 1971. No problems throughout their married life.

1999 - Wife went into Age Care Residency.

1999 - Daughter appointed as Guardian for the parents.

1999 - Husband living in his own property (life tenant).

2010- Wife diagnosed with Dementia.

2010 - Thereafter - Daughter lodged application to the Family Court, claiming her inheritance, as property settlement. Even though both her Mother and Father were still alive. The Family Court in it's wisdom ordered the Husband to pay his Daughter \$613,000.00 - The Husband( father of the claimant) had no savings. He would have to sell his home - value \$1.3 million.

2011 - Wife passed away then husband appealed to the High Court, to challenge the decision of the Family Court. Thereafter the High Court ruled by overturning the

decision of the Family Court. Bases: Even though the wife had Dementia and passed away; prior to that , the couple were married for 37 years, had no problems and had NO intention to divorce. The husband had life tenancy and where would he go, at the age of 83.

**Lawyers comment:** This is the most unusual case, more or less of extreme legal significance - Why?

1. Firstly a claim for inheritance is normally made after the person has passed on (not while they are still alive).
2. The matter is dealt with Estate/Grant of Probate etc. property settlement which has to be lodged through the Supreme Court and NOT the Family Court.
3. This case "S" will create a tremendous amount of interest in all legal circles.

Final Comments: Before any family wish to appoint a Guardian, Attorney of Enduring Power of Attorney. Think carefully and discuss as to whether a trustee company or a family member is more suitable for the responsibility.

Dementia is a cruel and sad affliction, thousands of families feel the pain and their interests need to be protected.

## And that's when the Argument started!

### View from the Shed

Arguments often start because we don't, or can't see another person's point of view. We always tend to see things our way so when someone doesn't have the same idea on solving a problem sparks can fly!

An example of this happened to my wife and I on our recent trip to the United States. Our plan was to drive across America following Route 66 (the old mother road). This was really my trip, part of my bucket list, so I booked a Mustang for the journey.

All was going to plan, we had a few days in San Francisco and then went to the airport to get the car. This is when I was informed there were no more Mustangs! Now the car bloke was polite, informing me he had this beautiful little European upgrade which he was sure I would enjoy driving! Was I happy, NO and I informed him politely that I hadn't come all the way from Australia to drive some European scrap metal - I wanted a Mustang!

Now my wife saw this quite differently. She was interested in the trip and the places we were going to visit, but the car, well the make and model just didn't matter to her. For her a car is a means of getting to a destination and this little European thing looked the part, and *that's when the argument started...*

Very often people have very different ideas about the same thing. When an issue threatens to blow up it often requires slowing down, counting to 10 and contemplating other points of view. If we don't do this we apply our own emotionally charged perspective without considering the other person's viewpoint and we can end up in a heated discussion with little chance of a mutual resolution.

In my case the car hire company miraculously found a brand new red Mustang within minutes, so the situation quickly dissolved. Sometimes situations aren't as easily resolved and my suggestion would be to step back, get your emotions in check and try to consider another point of view perhaps by putting yourself in their place. If we do this we can usually reach a compromise that avoids a confrontation.

At this time of year, when we are all busy our nerves can be a bit raw. Take time to consider before over reacting. It will save an unnecessary argument starting simply because we reacted prematurely. Better to avoid confrontation than having to dig yourself out of a tricky situation later.

**Media Release November 15, 2012**

## **Put yourself first this Christmas**

The best Christmas present you can give yourself is time *now* to look after yourself. Many people put off seeking help about their health in the lead up to Christmas.

Taking time in the lead up to Christmas to see your doctor about possible signs/symptoms of cancer is an important message of the Cancer Council WA's Find Cancer Early campaign.

"The lead up to Christmas gets pretty hectic and it's easy to forget about looking after yourself. If you know something isn't right we encourage you to see your doctor well before - it's the best present you can give yourself", said Mandy Harding Find Cancer Early Project Officer.

During the development of the Find Cancer Early campaign, researchers spoke to a number of people from regional WA with cancer. Christmas was a common reason why people postponed getting help.

"We were over-whelmed by the number of people who spoke about having symptoms before Christmas, but because they were so busy they put off seeing their doctor," said Professor Jon Emery, GP and lead researcher at the University of Western Australia. "But because of the Christmas shut down, when they were ready to see someone there were big delays that pushed things back even further."

Evidence shows that delaying seeing the doctor for just 5 weeks can have a big impact on patient outcomes, which is why the campaign's message 'the earlier cancer is found, the greater the chance of successful treatment' is so important.

"Recognising symptoms early is important, so we want to encourage people to put themselves first. Find Cancer Early is all about helping people to recognise symptoms early and giving strategies to overcome excuses or barriers to seeking help" said Mandy Harding.

If you are over 40 and have coughed up blood or had blood in your pee once off tell your doctor. You should also tell your doctor if you have had any of these symptoms for more than 4 weeks: blood in your poo; problems peeing; looser poo (diarrhoea); unexplained weight loss; an unusual pain, lump or swelling anywhere in your body; becoming more short of breath; or a persistent cough.

Having these symptoms doesn't mean you have cancer – often they turn out to be something less serious, but it's important to tell your doctor. More information is available at: [www.findcancerearly.com.au](http://www.findcancerearly.com.au).

## 1913 -2013 Brookton's Old Police Station turns 100

2013 is the Year for Celebration of the Old Police Station and Quarters Centenary. The Brookton & Districts Historical Society invites the community to participate in several events to mark this occasion.

The Brookton community began its quest for a resident police presence in 1906 but it took until 1913 to achieve that goal - even after the Road Board Secretary had pointed out early in 1912 that a Police Station was warranted because of "a large numbers of men of all descriptions drinking and rolling about the streets".

From 1913 to 1969 the building served as accommodation for a succession of lone Police Officers and their families. By 1975 the number of serving officers had grown to three - all of whom had to work from the small Charge Room at the same time. As the Charge Room also served as the Court Room on Court Day, working space was at a premium so in 1980 a new Police Station and separate quarters were built. The old building changed its role to "Museum" in 1986.

To begin the celebratory year there will be:

A POSTER COMPETITION which is open NOW to all age groups. The Launch of the Celebrations on 22<sup>nd</sup> February 2013 when the PRIZES for the POSTER COMPETITION will be awarded; a new exhibition about the Brookton Co-op will be opened and the Museum will be open to the Public on that day and the 23<sup>rd</sup> February.

## The Beverley Business Network's monthly Local Business Profile:

### Avon Rose

Avon Rose opened in October 2010. We started as a small Gift Shop and have grown to a beautiful Tea Room which has delighted our customers and enables them to experience the calm serenity of yesteryear.

Our Devonshire teas led the way to our delicious coffees and light lunches. We have many regular customers from Beverley, surrounding towns and Perth.

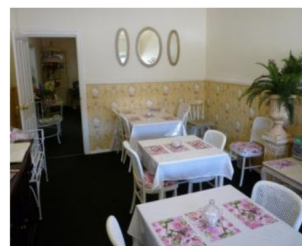

We endeavour to create a special experience for our customers with the use of vintage china and personal service. We offer an appetising selection of scones, cakes and light lunches including our popular gourmet toasted sandwiches, quiche and salad.

Avon Rose can also cater for your special occasion, group meetings, birthdays, ladies meetings and the like.

Avon Rose has been fortunate to enjoy the support of dear friends who have given us help and encouragement. Maryann is supported by Murray on weekends, who still works full time. We created Avon Rose because of our love of Beverley and we hope you agree that it gives our special town in the Wheatbelt a little extra sparkle.

### Sticky Beaks

As a child in UK I used to visit Jumble Sales. That was the start of my interest in old and second-hand goods.

Going to auction to find treasures is almost addictive. It's easy to get caught up in a bidding war which can be an expensive mistake so maintaining self-control at auctions is important.

I receive many favourable compliments regarding Stickybeaks windows displays. Each week I attempt to theme the windows by colour or current events.

My full time job is in the travel industry in the City. Stickybeaks is a weekend hobby and unlikely to be more unless the weekend tourist trade increases.

The rear of Stickybeaks is the home of the Greydog Studio, run by well-known local artist Barry Mackie. Besides selling artist supplies Barry also displays his wonderful art that is available for sale.

Come in have a "Sticky Beak" and find a bargain!

## Over Size Agricultural Equipment

As hay cutting and the preparations for this year's harvest are underway, please note that it is essential that you are safe when moving farm equipment on public roads.

There have been complaints from local police that some of the farming community are not complying with safety regulations as set down in the "Guide to the use of Towed Agricultural Implements in WA". Failure to follow these guide lines could result in a tragedy or at least a heavy fine.

Guide lines and the Traffic Act are available on the internet at:

[http://www.slp.wa.gov.au/legislation/statutes.nsf/main\\_mrtitle\\_2013\\_homepage.html](http://www.slp.wa.gov.au/legislation/statutes.nsf/main_mrtitle_2013_homepage.html)

If you are not on the internet contact your local shire for a copy.

Today the permit "Authority for the movement of towed agricultural implements on road" MR 19 is no longer available from police stations. When a permit is required unfortunately it is the internet again at:

<http://www.mainroads.wa.gov.au/USINGROADS/HEAVYVEHICLES/PERMITS/Pages/Agriculturalequipment.aspx>

Main Roads WA heavy vehicle department have a 24/7 phone number to help us all with our questions on the requirements for moving farm equipment. Call (08) 9311 8450.

Please remember that large and over-width farm equipment that is self-propelled is covered by the Traffic Act.

It is important that you consider not only your safety and the safety of people working for you (OH & S), but the other road users who may not be accustomed to meeting slow oversized vehicles on our narrow roads.

It is also a good safety measure to use UHF radios when moving farm equipment to communicate with other road users and broadcast you movements on Channel 40.

Please travel safely this harvest.

# CHRISTMAS, PARTIES & ALCOHOL

Lots of drinking often occurs during the festive season and it can be helpful to know how to minimise the risks.

## Christmas Cheer!

**Too much Christmas Cheer can result in harm for drinkers and others**

- Last Christmas 2 million Australians knew someone who was injured/harmed as a result of binge drinking.
- 1.3 million Australians experienced abuse or violence arising from binge drinking.
- 70% of Australians were negatively affected by someone else's drinking e.g. excessive noise, verbal abuse, traffic crashes, physical and sexual assault.

## Hosting a Christmas Party

**Be the perfect host**

- **Food:** food slows the rate of alcohol absorption and eating slows the pace of drinking.
- **Non-alcoholic drinks:** provide mineral water, soft drink, juice, tea and coffee.
- **Alcohol alternatives:** provide low alcohol drinks such as mid-strength beer and low alcohol wine. Serve in small glasses.
- **Entertainment:** provide diversions so drinking isn't the party's focus.
- **Friends:** offer food and non-alcoholic alternatives to the quick drinkers.
- **Closing Time:** stop serving alcohol and start serving tea and coffee.
- **Transport:** get guests home safely by taxi, public transport, or picked up by parents or friends, and suggest in your invitation that if people are going to be drinking to leave the car at home.

## Christmas Party Goers

**Have fun... and be invited back next year**

- **Start with a soft drink** and have a spacer or Mocktail (non-alcoholic drink) every 2 or 3 drinks.
- **Use standard drinks** to keep track of how much you drink using information on labels\*
- **Drink slowly** and avoid drinking games that encourage 'skulling' or 'shooters'.
- **Eat before and while you are drinking** and avoid salty snacks that make you thirsty.
- **Stick to one drink at a time** and don't let people top up your drink.
- **Stay busy** with activities such as playing pool or karaoke.
- **Drink low alcohol alternatives** such as low or mid-strength beer and low alcohol wine.
- **Be strong** and don't be pressured into drinking too much.
- **Don't medicate with alcohol** if you suffer from mental health issues such as depression. Seek support instead.
- **Enjoy Yourself!**

\* (the National Health and Medical Research Council recommends for reduced lifetime risk of harm no more than 2 standard drinks for men and women on any one occasion and no more than 4 drinks on a single occasion reduces the risk of alcohol related injury).

**Have a safe and happy Christmas!**

# BEVERLEY LIONS CLUB INC.

The members of the Beverley Lions Club are looking forward to a well earned break over the Christmas period.

So far we have received 9 interested Sponsors for our Catering Trailer and their names and contact numbers have been displayed on both sides of the trailer. The cost of sponsor advertising is \$100 annually for local business houses and organisations. Please contact Secretary Barrie Burns on 9641 6075 or email: [b.j.burns@bigpond.com](mailto:b.j.burns@bigpond.com) if you wish to support this advertising initiative for the Lions Club.

The Lions Club catered for the Air Show at White Gums Farm on the weekend of 29/30th September and was quite a successful weekend for us. We had our catering trailer on site with generators totalling 15kva to run all our cooking equipment.

Our next major event is the **Family Australia Day** at the Beverley Pool on Saturday 26th January 2013, where the Lions will provide hot dogs, sausage sizzle and cool drinks for the children.

Pool opens at 10.00am to the public and entry on the day will be FREE, courtesy of the Shire of Beverley.

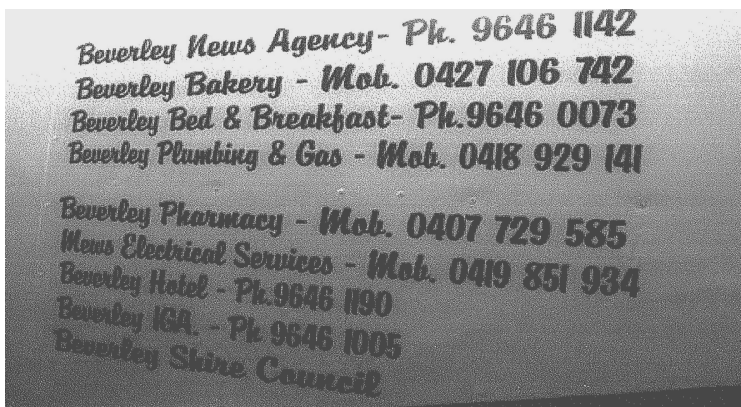

Pool events will be arranged by the Pool Manager and his team with the Lions Club providing prizes on the day.

The bouncy castle (knights castle) will be available for the children to play in.

There will be the traditional flag raising ceremony at 11.00am.

We are still having problems in clearing our paper and cans shed so we request the community to hold on to their papers and cans until the Shire is in a position to take the papers down to a recycling depot in Perth. We need the shed to be cleared of papers before we can start cleaning up the aluminium cans.... Hopefully when this article goes to print, it will have been done for us.

The Lions Club did not do their usual catering at the Harvest Festival this year due to a shortage of volunteers, we have a few members away with illness. To keep the Lions Club active in Beverley, we desperately need new volunteers, for further information contact Secretary Barrie Burns.

The Beverley Lions Club meet on the 1st and 3rd Thursday of the month at the Beverley RSL Hall, Forrest Street at 7.30pm and all is welcomed.

The members of the Beverley Lions wish you all a Happy and safe Christmas and we hope the year 2013 is a good one for you all.

**Roses from the Heart**

**Dear Friends,**

For the past 7 years Christina Henri, artist in residence at the Female Factory in Hobart, has been orchestrating one of the world's largest art works. Now it is nearing completion and it is time to take it to the next level. This is going to support Hobart and help transform Tasmania into a powerhouse of creativity. I am writing to you because she has been in contact with you over the past few years.

**25,566 bonnets**

With your help Christina is creating 25,566 christening bonnets, one for each woman transported from Great Britain or Ireland in the 1800's. So far people all over the world have created more than 22,000. When the last of the bonnets are made they will be taken on a sailing boat to Sydney. From there they will be flown to London for a blessing in a London cathedral. On their return to Australia they will form the centrepiece of a permanent exhibition.

**25,566 records online**

Christina is in Ireland getting another 800 bonnets from Dublin. When she gets back we will start work on an online website with one page for each woman. You will be able to discover your convict past and curate your ancestor's page adding details about yourself and your family. One in four Australians have convict heritage and many are unaware of it.

## View from the Shed - Exercise for Cardiovascular Health

We need to link exercise to our heart health first and then the other factors associated with exercise will fall into place, which may include weight loss, change in our metabolism, feeling energised and in control of who we are.

The group of diseases linked under the cardio-vascular category are the leading causes of deaths in Australia today. When our lifestyle incorporates exercise and a well-balanced diet we will reduce the risk of poor health outcomes.

### Physical activity and participation in sport is associated with:

- improving our psychological wellbeing;
- fostering social networks which can provide support;
- maintaining a healthy body weight;
- reducing the risk of many chronic conditions and injuries.

From a recent National Health Survey 42% of males (18 years and over) reported that they exercised enough to obtain benefits for their health. However the rate of physical activity reported changed with age. Activity generally decreased in males between ages 18-24 and 45-54 years, but increased from 55 to 74 years and then declined substantially after that.

Interesting! At all ages males were more likely than females to exercise sufficiently.

### Busy time of the year

Whether it is harvest time or any other busy time of the year, we can use this as a starting point to include exercise as part of our weekly routine. It's always busy and we are good at making excuses to not exercise.

We factor holidays into our diary. We should factor exercise into our daily lives.

### What are the recommendations for physical activity?

The *National physical activity guidelines for adults* sets out steps to better health for Australian adults. These are:

1. think of movement as an opportunity, not an inconvenience;
2. be active every day in as many ways as you can;
3. put together at least 30 minutes of moderate-intensity physical activity on most, preferably all, days. (examples of moderate intensity activity are brisk walking, swimming, doubles tennis and medium paced cycling);
4. if you can, enjoy some regular vigorous activity for extra health and fitness (examples of vigorous physical activity are jogging, football and basketball).

### Start now!

This can then mean we can perhaps indulge in a few extra treats – whatever they may be.

## Beverley Cricket Club

**Saturday 27<sup>th</sup> October 2012**

**Beverley 6 for 211 defeated Kellerberrin All Out for 147**

**Beverley Batting:** Stephen Gollan 89, Robbie Wansbrough 75, Wayde McLean 21

**Kellerberrin Bowling:** A Jacobson 3 for 28, Tim Stewart 1 for 48

**Kellerberrin Batting:** John Hammond 54 not out, Paul Giles 27, Matt Innes 26

**Beverley Bowling:** Stephen Gollan 5 for 22, Robbie Wansbrough 3 for 13, Terry Jones 1 for 29

Beverley had a number of players away this week and thanks go to Daniel Fleay, Scott Minchin and Brendan Minchin who made the long trip to Kellerberrin. Beverley bowled and fielded well to contain Kellerberrin to 147. Beverley lost Jake Fleay first ball of their innings but a 2<sup>nd</sup> wicket partnership of 152 between Robbie Wansbrough and Stephen Gollan saw Beverley win their first game of the year. Wayde McLean batted well in making 21, with Luke Gollan (9 not out) and Brendan Minchin (2 not out) provided an entertaining partnership at the end of the innings.

**Sunday 3<sup>rd</sup> November 2012**

**Quairading 6 for 238 defeated Beverley 7 for 175**

**Quairading Batting:** Rob Polson 91, Reece Bland 34, Rohan Hadlow 34 retired

**Beverley Bowling:** Leyton Ugle 2 for 9, Thomas McLean 1 for 5, Robbie Wansbrough 1 for 27

**Beverley Batting:** Stephen Gollan 105, Jake Fleay 24, Wayde McLean 17

**Quairading Bowling:** Jack Richards 3 for 27, Rob Polson 2 for 32

Beverley batted first on a difficult wicket that suited the fast bowlers of Quairading. Stephen Gollan played very well in compiling 105 with Jake Fleay making a good 24. Quairading commenced their run chase well with Reece Bland and Rob Polson adding 100 for the first wicket in quick time and this saw them cruise to a win. Beverley was a couple of players short. This allowed Thomas McLean and Leyton Ugle to play their first games, with both boys doing very well in the field and they bowled extremely well taking wickets.

**Sunday 10<sup>th</sup> November 2012**

**Beverley 7 for 191 defeated Seabrook All Out for 152**

**Beverley Batting:** Stephen Gollan 98, Kodie Fleay 46

**Seabrook Bowling:** George Nelson 5 for 24, Ben Mitchell 2 for 33

**Seabrook Batting:** Brad Eyre 33, George Nelson 23, Lachie Gray 22

**Beverley Bowling:** Stephen Gollan 5 for 22, Stewart Murray 3 for 43

Kodie Fleay opened the batting with Stephen Gollan and this pair added 151 for the first wicket which provided Beverley with a good platform to make a match winning score. Kodie played very well in making 46. Robbie Wansbrough and Kodie Fleay opened the

bowling and bowled well to keep the pressure on the Seabrook batters. Stewart Murray bowled well in the middle over's to claim 3 wickets and with Stephen Gollan claiming 5 wickets Seabrook was bowled out for 152.

**Sunday 18<sup>th</sup> November 2012**

**Tammin All Out for 216 defeated Beverley All Out for 140**

**Tammin Batting:** Nic Taylor 53, Clint Nicholls 51, Scott Button 32

**Beverley Bowling:** Terry Jones 3 for 48, Graeme Lewis 2 for 4, Stephen Gollan 2 for 32

**Beverley Batting:** Stephen Gollan 55, Terry Jones 18, Michael Sweeney 16

**Tammin Bowling:** Nick Caffell 4 for 21, Nic Taylor 3 for 35, Scott Button 2 for 39

In very hot conditions, Beverley won the toss and batted. Losing wickets at regular intervals hampered Beverley setting a good total. Tammin openers got off to a flying start recording a 93 run partnership in the first 10 overs to set up their win. Terry Jones bowled very well in taking 3 wickets off 10 overs. Thanks go to Graeme Lewis and Michael Sweeney who played their first games for Beverley. Graeme did very well in taking 2 wickets. Our juniors who are having the opportunity to play with the seniors are performing well in this game with Thomas McLean taking 1 for 18 off 3 overs and making 1 run. Luke Gollan continues to wicket keep well taking a catch and a stumping along with assisting in a run out. Luke made 3 when batting.

**Sunday 25 November 2012**

**York 3 for 292 defeated Beverley All Out for 92**

**York Batting:** Darren Chitty 60 retired, Mike Mount-Bryson 54 retired, Terry O'Brien 52 retired

**Beverley Bowling:** Lachlan McLean 1 for 24, Khyle Ugle 1 for 25, Kodie Fleay 1 for 36

**Beverley Batting:** Stephen Gollan 28, Robbie Wansbrough 21, Terry Jones 16

**York Bowling:** Mike Mount-Bryson 3 for 2, Terry Main 3 for 7, Darren Chitty 2 for 12

Unfortunately Beverley suffered one of their heaviest defeats in many years against a very strong York side. Well done on our junior players who played in this game namely Luke Gollan (1 catch and stumping, 0 runs), Khyle Ugle (0 runs, 1 wicket), Leyton Ugle (2 not out, 0 wickets), Thomas McLean (0 wickets and fielded very well) and Lachlan McLean (1 wicket).

# BEVERLEY LAWN TENNIS CLUB

A busy month for tennis at the club amidst drenching rain and very hot days.

### ***Vin and Anne Szczecinski Handicap Mixed Doubles***

There was a super turnout on a day which was probably better suited for being a duck than swinging a tennis racquet! Somehow the tennis gods smiled down on Beverley Lawn Tennis Club and a great afternoon of tennis was had. Ashe Murray and Darrell Hagan were worthy winners on the day after a great final with Bob Hall and Natalie Kilpatrick.

### ***Championship Mixed Doubles***

Congratulations to our Doubles Champions for 2012 - Charmaine Willing and Marc Edwards, who seem to be making a habit of winning this title! A super day and a fantastic final with the winners being challenged by Rob De Gruchy and Kate Schilling. Well done to everyone who made it a great day. A big thanks to Ashe for a super Spaghetti Night, and Fleta and Bruce for their great efforts.

### ***Ladies Mid Week Competition***

The Ladies mid week competition has finished for this year, we had 5 teams lots of great tennis and lots of fun. A very big thank you to Aliesha for organizing this great competition, and to John at the Hotel Beverley for on-going sponsorship. A big thanks to all the players that filled in during the 5 weeks—most appreciated! The white team Anne Cleland, Nikki Gors, Sandy Shaw and Deris Ford were the winners this year—well done girls!

### ***Beverley Ladies Open Day***

The open day was held on the 28th of November. Thank you to Kelly Piper and CBH Grain for again sponsoring this great day!

## ***Christmas Windup..... 16th December***

*Come in your best RED & GREEN  
for our windup and BBQ dinner.*

*Please bring a salad to share —and lots of Christmas Cheer*

## **Pennants**

Congratulations to the pennant team - finishing a fantastic 3rd, only just missing out on the 1st Grade finals! A huge congratulations to the ladies for taking out the Ladies Pennant Shield—great work! Well done to our pennant team

## **Beverley Ladies Bowling**

On the 24<sup>th</sup> October, 50 up Singles was the competition played for the Val Edwards Trophy. After many close competitions, the eventual winner was Marg Peck from Glenys Hastings.

Friday 2<sup>nd</sup> November was the first Open day of the season held at Quairading, and the team of Glenys Collins, Glenys Hastings, Rhonda Seymour and Anne Behn, had an enjoyable day winning 3 of their 4 games. Glenys Collins and Rhonda won a prize for the first round of pairs winning 13-3.

Sunday the 4<sup>th</sup> of November was the Beverley Ladies Gala Day, and even intermittent rain could not deter the 72 players from enjoying the "timed games" competition. Only half an hour was lost over the 4 rounds in the whole day. 6 of the 18 teams ended with 6 points from a possible 8, and the winning teams were:-

York No 1 - M. Watts, S. Smith, M. Fleay and J. Screaigh with plus 27 - 1<sup>st</sup>

Tammin - J. Shemeld, P. Button, J. Button and C. Crane with plus 23 - 2<sup>nd</sup>

York No 2 - Lyn Smith's team with plus 19 - 3<sup>rd</sup>

AM round went to Phyl Brown's team from Quairading with 2 wins plus 17 PM round winners were Anne Behn, Rhonda Seymour, Jo Copping and Lesley Heal - 2 wins +13

Many Thanks go to our generous sponsors - **Primaries, Purslowe**

**Tinetti Funerals, C.B.H. Group and Boekeman Machinery**, for without Sponsors these days would not be possible.

A HUGE Thanks goes to the Men and senior Members of our Club who offered, and stepped in, to help in the kitchen with everything from serving lunch and washing up, to then making sandwiches and heating savouries for afternoon tea. Without this support we would not have been able to field any teams ourselves.

On the 13<sup>th</sup> of November the Avon Valley League Pairs were contested at York. The winners were Sian Smith and Lepe Tadman from York, with our own Glenys Collins and Glenys Hastings the runners-up - Well done the "Double-Gees"

On the 14<sup>th</sup> of November 3 rounds of Musical Triples were played, where each player in the group plays as lead, second then skip over the 3 rounds. The winners were Glenys Collins, Sera and Rhonda from Glenys Hastings, Lesley and Judith. Dowerin

Gala Day was held on the 15<sup>th</sup> of November and the team of Glenys Hastings, Glenys Collins, Lyn Mac and Anne enjoyed their day winning 3 from 4 games. Glenys Hastings and Anne were successful in winning their pairs game 14-0 and taking home the trophy. Glenys Hastings, Anne and Lyn also won raffle prizes.

**The Thursday Evening Ladies Bowls is progressing well, with 6 ladies attending each week.**

The Beverley Football Club would like to wish all our players, members, sponsors and supporters a Merry Christmas, and a safe and happy New Year!!!! We achieved the ultimate success in 2012 and this would not have been made possible without the continued support from our loyal and committed followers. We will be aiming for back to back League premierships in 2013, and with the Avon Football Association allocating the Beverley Football Club to host next year's Grand Final, there's no bigger incentive to do this. Of course, we will again need your full support if we're to make this feat possible.

The Beverley Football Club has recently been informed by 2012 League Premiership Coach James (Jibba) Turner that regrettably he will not be seeking reappointment for the 2013 Season due to increased work commitments. It's unfortunate Jibba's Coaching tenure has been short lived, however we respect and understand his decision. We would sincerely like to thank Jibba and his father Steve Turner for their contribution to our Club in 2012 as Coach and Assistant Coach respectively and for achieving the ultimate success in Jibba's first year as a Senior Coach. Jibba has indicated he will remain with the Beverley Football Club in a playing capacity of which he is of great value to our Club.

On a sad note, the Beverley Football Club would like to extend our deepest sympathy to Val Edwards and family on the passing of Paul on Wednesday the 14<sup>th</sup> of November. Paul was a past player, trainer and loyal supporter of the Beverley Football Club and he will be sadly missed.

The Beverley Football Club extends our best wishes to long time Sponsor Colin Willey of Willey's Trading Post who is soon to be retiring. We thank Colin for his generous support of our Club for such a long period of time, and wish him well for a well deserved retirement. We are sure Colin will remain a regular follower of the Beverley Football Club in the years ahead.

My apologies for forgetting to acknowledge two special birthdays earlier in the year. Congratulations to Elyse Alexander who celebrated her 18<sup>th</sup> birthday on Monday the 20<sup>th</sup> of August, and Jenelle Alexander who celebrated her 21<sup>st</sup> birthday on Wednesday the 29<sup>th</sup> of August.

The Beverley Football held its Annual General Meeting on Friday the 26<sup>th</sup> of October at the Hotel Beverley with a small number of Members in attendance. Treasurer Michael Barrett-Lennard delivered his 10<sup>th</sup> Financial Report and it was pleasing to record a healthy profit for the Club. There was one significant change to the Committee, with Ian Ross stepping down after four years of dedication in the role of Secretary. We would like to take this opportunity to sincerely thank Ian for his outstanding contribution throughout his time in this role. We welcome Ali Lewis to the position of Secretary and look forward to her contribution.

## **Beverley Football Club – 2013 League Coaching Position Vacancy**

The Beverley Football Club is a participating member of the Avon Football Association and comprises of a League, A Reserves and Netball team. Beverley is situated less than 140km East of Perth. We pride ourselves on being a family-friendly Club and have always enjoyed a strong social following regardless of our on-field success. Our objective at the beginning of each season is to consistently field as competitive team as possible which will enable us to compete in the finals at the season's completion. The last decade has been a successful period for the Beverley Football Club, with four League Grand Final appearances producing three Premierships, with our most recent being the 2012 AFA Flag.

The Beverley Football Club invites applications for the position of League Coach for the 2013 Season. Working in cooperation with members of the Match Committee, you will be required to undertake the following tasks:

- Player development and recruitment;
- Facilitate training sessions and Pre-season scratch matches;
- Coaching of 14 Home & Away games, plus Finals; and
- Engage in Club Social Functions.

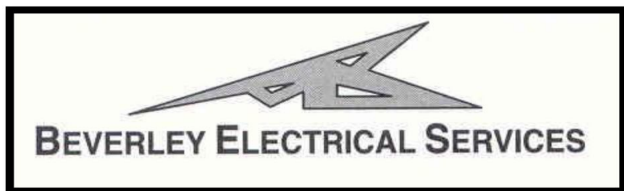

A remuneration package and full access to the Club's Coaching resources, including a Coaching Accreditation Course will be offered.

Please submit your written application by e-mail to [beverleyfc@bigpond.com](mailto:beverleyfc@bigpond.com) or by post to:

The President  
Beverley Football Club

## Beverley Horse & Pony Club

Our Windup and presentations day was held on the 11<sup>th</sup> November. Riders spent the morning participating in a variety of games with their ponies. We had musical tyres a scavenger hunt and to finish the day apple bobbing. Both riders and their ponies took turns at doing the apple bobbing with several ponies showing a talent for eating the apple under water. With riders cooled of and their ponies ready for some lunch quite a few of our younger rider lined up to have a ride on *Mickey*. With Vicky providing some much needed help mounting our smallest riders enjoyed their chance to have a ride on this gentle giant.

Members and their families enjoyed the smorgasbord of food brought along to share, then found a little bit of room to try Anne's very yummy horse head birthday cake as we celebrated the last of this year's birthdays. Thank you to Annette Peart who has arranged the photos and birthday cards for the riders all year.

Renee started the official proceedings by presented each member with certificates recognising their personal achievements over the year. Riders who had represented the club at various activities over the year were also presented with certificates detailing their activities for riders to store in their pony club file.

We then moved on to the presentations of the Club Trophies. Riders this year got some very nice prizes as the club had won a Europa voucher and used it on prizes for our end of year awards.

This year Most Improved Showjumper went to Amy Blechynden and her horse *Tom*. Evie Wilkinson and *Blue* were runners up.

The Clean and Tidy trophy was presented next to the person who had been awarded the most points over for the presentation of themselves, the cleanliness of their gear and pony. Kip Reick won this year with Amy Blechynden 2<sup>nd</sup> and Georgina Fisher 3<sup>rd</sup>

Vicky on behalf of the riders presented the club's volunteer coaches with some very lovely thank you gifts. Thank you's went to Renee, Tess, Jenifer & Annette without whom the coaching bill would be much higher.

Our final award was presented by our Patron Mrs Lesley Barrett-Lennard to a member who had shown true club spirit over the year from helping at busy bees, organising fundraisers, attending rallies and representing the club. Our Club Person Trophy was awarded to Vicky Lucas.

Before we all packed up for the day we enjoyed some ice cream cake very kindly brought in by Mrs Barrett-Lennard.

Wishing you all a happy and safe festive season.
