President Report February 2014

Annual Electors Meeting

Thankyou to the community members who attended the recent Annual Electors meeting, this year held at the Function and Recreation Centre and including a slide show of various activities over the last 12 months.

In addition to the “statutory requirement” of these meetings, the Shire of Beverley take the opportunity to provide an update of events and activities, answer an array of questions (which generally aren’t related to the Annual Report) and enjoy informal interaction between community members, Councillors and senior staff once the meeting is concluded.

You may have seen an article written recently by the President of the Western Australian Local Government Association questioning the need for these annual meetings which are a statutory requirement to present the previous financial year Annual Report to electors. It represents a period which has concluded 6 months prior and has already been endorsed by Council and submitted, as required by legislation, to the Department of Local Government.

Although our meeting took around an hour, the statutory component took 8 minutes with a small number of attendees, so one does wonder about the time and cost in holding these meetings when the Annual Report is readily available, Council

meetings commence with public question time, and the newly legislated Integrated Planning Framework requires Local Government to have a Strategic Community Plan, which is developed and reviewed following community consultation.

2013 Variety Christmas Concert and Christmas Light Competition

Due to the earlier time frame for submitting notes for the January Blarney (and now perhaps becoming a distant memory for some!) I would like to make mention of the enjoyable Christmas event held at the Platform Theatre in December and thank Beverley Station Arts for putting this together for the community to enjoy. Thankyou also to everyone who participated in the Christmas Light competition which once again created a lot of interest and talented displays, and to Valery Seeber for her enthusiasm co-ordinating this project.

State Government Cuts to Road Funding

Recently announced State Government cuts to road funding are very disappointing and of

great concern. The underfunded road task is an ongoing challenge as many roads in the State were not built for the type and volume of traffic now accessing them and they remain Local Government responsibility.

Leeuwin Sailing Challenge

The Shire’s Community Grants Programme provided sponsorship for Noah Leonhardt to participate in a Leeuwin Youth Explorer challenge. Councillors have since been treated to an enlightening presentation by Noah of his experiences aboard the sailing ship during his week-long trip of a lifetime.

Council Meeting

The first Council meeting for 2014 will be held on Tuesday 25th February.

Dee Ridgway
Shire President

TRAILS MASTER PLAN INVITATION TO COMMUNITY MEETING

The **Shire of Beverley** has commissioned Mike Maher of Transplan Pty Ltd (recreation trail planning and design specialist) to prepare a Trails Master Plan for the Shire of Beverley.

The purpose of the Master Plan is to develop a strategy for the future development and maintenance of a series of trails throughout the Shire – to cater primarily for activities such as walking and off road cycling (mountain biking).

It is important that key stakeholders and interested people in the community have an opportunity to contribute to the shaping of this important trail strategy.

You and your colleagues are invited to attend a community meeting with Mike Maher to discuss a range of matters impacting on the Trails Master Plan, including:

- The location, condition and level of use of existing trails in the Shire.
- The need for additional trails and where these might be developed.
- Constraints and barriers to trail use, and management and maintenance issues.

The details of the Community Meeting are:

- **Date: Wednesday 19th February 2014**
- **Time: 5:30pm**
- **Place: Amenities Building, (Recreation Grounds, Forrest Street)**

The meeting will be primarily used to discuss general and detailed issues and concerns relating to existing trails, and to discuss possible new trails and to seek input on priority projects. There will also be an opportunity for those attending to provide information on historical matters that could be considered for inclusion on interpretive panels along any existing and proposed trails.

Please make a diary note of the meeting! By attending the community meeting, you have the opportunity to contribute to the future development of trails within the Shire of Beverley. Do not miss the chance to have your say.

For further information, please contact Ali Lewis at the Shire of Beverley via email at execassist@beverley.wa.gov.au or by phone on 9646 1200.

BEVERLEY VISITORS' CENTRE

Belated best wishes to the Residents of Beverley for 2014. Unfortunately due to several commitments in the middle of December I failed to present a Visitor Centre report to meet the Blarney deadline.

Our thanks go out to Neil who has resigned as a Volunteer, after many years of great work – thank you Neil for your years of volunteering - we will miss you.

With people away or taking breaks we are again back to the old Chestnut of inviting new volunteers to join us.

The Shire has had enquiries as to what we actually do at the Visitors' Centre. Apart from the fact that we do 'meet and greet' many lovely people - I suggest to anyone to come in and see.

Our responsibilities also include - purchasing and restocking souvenirs, replenishing of Beverley brochures, postcards, etc and organising the re-printing of same when stocks are running low. In fact we have just organised the re-printing of the Beverley Brochures. The new brochures have been updated and are now being distributed. We also keep in touch with other Bureaux with updates. Banking and accounting of all expenditure and income is another part of our duties.

The Museum has a dedicated volunteer who has put in hours of extra time bringing our displays back to their former glory – A very BIG thank you to John.

Our ideas for 2014 are many. Currently we are in the process of having a plaque made to identify the Vampire outside the Centre. An update of the Tourist Bay is a must and we have ideas for that in conjunction with the Shire. The ideas go on and on but as 'manpower' is a factor in all these ideas we are limited to what we can achieve - so you can see extra help is always welcome.

Technically we were closed over the Christmas/New Year period, however, we were requested to open on 27 December for a group of 24 Chinese Salvation Army people - Happy and delightful people with cameras clicking constantly. Straight on their heels was a South African Family of 10 members who went into raptures about the Museum. They were very impressed that a small town such as Beverley had such a Museum - all worth opening for.

Since then, in spite of the heat, we have had a steady flow of visitors especially grandchildren of local residents.

Once again, a huge thanks to all of our volunteers - they truly are appreciated and without them our doors would be closed.

The Beverley Junior Netball Club are pleased to announce that they were one of the successful recipients of The Junior Sports Grant Opportunity from The Hotel Beverley worth \$1,500.

Funds received will be used to purchase 2 agility ladders for training and dress uniforms plus bibs for the teams when they play competition matches.

Thank you Mr John Maxwell for your kind contribution to our club.

THINK  HOLDEN

Some exciting New Changes for all Holden Customers!!

On 1st November 2013 the Holden business previously owned and operated by Lewis Motors in Northam was taken over by Bryan and Joanne Lee, the owners and operators of Northam Toyota for the past 13 years.

A new dealership offering modern and comfortable facilities will be built on the corner of Peel Terrace and Oliver Street in Northam (Next to Mitre 10). Building will commence early in the New Year and we hope to have it finished by the end of April 2014. We are looking forward to bringing the same standard and quality of building to Holden that we currently have at Northam Toyota.

Our new Holden car sales yard is currently operating where the new dealership is to be built, on the corner of Oliver Street and Peel Terrace. We will continue to operate the Service Department at 9 Yilgarn Avenue until the new building is completed.

Our New Car Sales Manager, Chris Allert, a long term Northam resident will help you with all your new cars sales enquiries in a friendly and professional manner.

We have appointed several new staff to the business and undertake to bring to the Holden business in Northam a new level of professionalism and standard of service that will meet your expectations for both new and existing Holden owners.

As a previous or intending Holden customer, we look forward to meeting with you over the next few months but also to bringing to the Avon region and Wheatbelt a new revitalised Holden business with energy and a very strong focus on customer service.

Exciting times ahead!! If you have any queries please do not hesitate to contact us on 9622 1188.

Kind Regards,
Bryan Lee

Horse and Pony Dentistry Services

Each year the Beverley Horse and Pony Club organise an opportunity for equine owners to get their horse/pony dentistry up to date with Gary Crispin who is a Equine Dentist (he uses hand tools to file the horses teeth) and Heartlands Veterinary Hospital provides equine 'power float' dentistry (power file), oil drenching and tetanus vaccination.

If you are interested in either of these services please contact Tess Hawke before the 14 February so our club can determine if there is enough interest to co-ordinating a date in March.

CHALLENGED BY CHOICE ON LEEUWIN VOYAGE

Early in 2013, the Leeuwin Ocean Adventure Foundation came to the York District High School to tell students about the Youth Explorer Voyage on the STS Leeuwin sailing ship. I knew I enjoyed being out on the water in my Dad's tinny, fishing on holidays, so I decided to ask my parents if I could give it a try.

I applied for and was successful in receiving a Children's Trust Scholarship towards the voyage which was set for December 2013. I also received sponsorship from the Beverley Shire, Beverley Lions Club, the Beverley Weight Watchers and my parents. So on Monday 16 December, I stood nervously on the dock at the B Shed Fremantle, looking at a ship that did not look big enough for the forty odd youth standing right along side me. I farewelled my mum who was there to see me off and walked over the gangway. After several hours of safety training and settling into our bunks, we set the heading and set sail.

The first night we anchored near Rottnest Island where we spent the night getting to know each other. My first challenge came when I was asked to climb to the second highest gallant (top square sail) to tie up the sail. It was extremely high and I was very nervous.

On the second day we had a great breakfast cooked by chef Aidan, then got straight into 'happy hour' which is cleaning the ship. We lifted anchor and sailed west. In total we sailed approximately 125 miles west, and then zigzagged back towards Rottnest. Seasickness was a problem because of the rough swell with myself and many other sailors having to be clipped to the spew line.

My achievements throughout the sail included climbing to the highest point on the ship, the main mast, where only those who successfully climb it can read the message at the top. I met some awesome people including a group of youth from Karratha and I hope to have many of these as good friends for a long time. On the Leeuwin voyage I pulled ropes, set sails, furled sails, did team games and learnt about tacking and wearing the ship as well as many other sailing techniques. I accomplished things that I never thought I would attempt, and am very proud of myself. The voyage teaches you how to work in a team, alongside other people, and to trust others. We sailed back into Fremantle to a crowd of families and friends at lunchtime on Sunday 22 December. We left nervous sailors and came home warriors.

This was a fantastic experience! It challenged me and I learnt a lot and I am very grateful to the Shire of Beverley, the Beverley Lions Club, the Beverley Weight Watchers and my parents for sponsoring me. I am now eligible to return to sail on the Leeuwin as a volunteer Trainee Watch Leader. I would recommend the Youth Explorer Voyage to anyone.

BEVERLEY PATCHWORKERS AND QUILTERS

We have been quite quiet during January with several people still away on holidays?

On our first day back we did a thorough clean up of the rooms after being vacant for several weeks. Our display of quilts has been rearranged to freshen our work area so now we are ready to get down to lots of sewing.

It was lovely for us to have a new lady come last week. It is always good when new faces come along as everyone has their own unique abilities to bring to the group. Anyone else who is interested in coming along on a Tuesday at 10am at our rooms at Avondale, you will be made most welcome.

One of our plans this year is to take part in workshops to further develop our skills and learn new ones. So if you would like to learn something new come and join us. Some ladies are busy preparing some items for sale at Easter when we will have a display and stall at the Dead Finish.

For further information please phone either Catharina Turle (president) on 9646 0876 or Jan Sherwood (secretary) on 9646 0796.

THANKYOU

John Starling and his family thanks our friends and neighbours for their support and condolences on the passing of our son and brother John Raymond Jnr, aged 35.

John was hit with a blunt instrument on June 8 2013. Victorian Police are still awaiting a coroners report before charges can be laid.

ARE YOU INTERESTED IN THE FUTURE OF THE BEVERLEY OPPORTUNITY SHOP?

The Beverley Opportunity Shop, run by the volunteers of The Beverley Hospital Auxiliary, has provided a much needed service in the Shire of Beverley for over **64 years** and is now in danger of having to go into recess or close permanently.

CAN YOU HELP US? PLEASE READ ON.

THE PURPOSE OF THE SHOP IS THREE—FOLD

- **FIRSTLY, IT PROVIDES MUCH NEEDED FUNDS TO OUR LOCAL HOSPITAL AND ALLIED HEALTH SERVICES.**

These funds provide equipment, furniture, soft furnishings, linen, and other items for use in the Hospital, The Frail and Aged Lodge, Meals-on-Wheels, HACC, Speech/Occupational and Physiotherapy units.

For example, funds spent over the last 5 years are approx. \$15,000 and purchases include:

Frail and Aged Lodge

- * Furniture and curtains for the lounge/community room
- * Sound equipment and a flat screen TV
- * Coffee table
- * A complete replacement of all bedroom and bathroom linen
- * Christmas gifts every year to the residents

Hospital

- * Chairs for the waiting room
- * I.V. trolley
- * Shower trolley
- * Digital thermometers
- * Weighing chair
- * Microwave for the Palliative Care room and total refurbishment is underway
- * Gifts every year for the patients

Ancillary Services

- * Meals on Wheels trays and eskies
- * Toys for the Speech Therapy waiting room
- * Linen for the nurse's quarters
- * Lightweight wheelchairs for volunteers.

"THE FUNDS RAISED IN THE TOWN STAY IN THE TOWN"

- **SECONDLY, THE OPPORTUNITY SHOP SERVES AS A RECYCLING CENTRE**

We have a dedicated team of "sorters" who spend hours carefully sorting through the huge amount of pre-worn clothes and goods donated by you, the local householders. This means that you don't have to cart your unwanted goods to Perth or add them to waste at the dump and you can instantly rid yourself of clutter! Our helpers ensure that only good, quality, clean, undamaged second-hand items are sold. Unsuitable stock is sent to charities in Perth or disposed of and the stock is changing all the time. The Op Shop provides a "second home" for unwanted goods that still have some life left in them. Items of men's/women's/children's/baby clothing, linen, curtains, toys, puzzles, games and books, pictures, jewellery and crockery.....all can be found in the Op Shop.

"ONE MAN'S TRASH IS ANOTHER MAN'S TREASURER"

- **THIRDLY, THE OP SHOP PROVIDES A PLACE WHERE CHEAP, PRE-USED GOODS ARE AVAILABLE TO THRIFTY SHOPPERS WHO ARE UNABLE OR DON'T WANT TO PAY "TOP DOLLAR**

Whether it be cheap work clothes, jackets, baby clothes, collectables, crockery for the home (or the second home), elusive fashion labels, one-off formal dresses and suits, school uniforms, kitchen utensils, dress-ups for the B & S Ball....you'll find it at The Opportunity Shop. A bagful of goodies for the entire family for AS LITTLE AS \$5 OR \$10!

The Beverley Shire has sponsored the Opportunity Shop for 6 and a half years by providing a spacious and well located rent-free venue from which we can trade, firstly at The Old School Building (currently CRC) and for the past 3 years at The Child Health Centre. We have been extremely appreciative of this gesture of goodwill. The Shire has willingly made the building secure, tended to minor repairs and painted and maintained the buildings and garden for us. Due to the dangerous deterioration of interior of the Child Health Centre and the uncertainty of its future, this arrangement will cease after Easter and WE WILL BE HOMELESS.....unless we can find a new venue and attract new sponsor(s) to help us pay the rent.

Continued on next page (page 13)

The Hospital Auxiliary is searching for an unoccupied building of at least 2 reasonably sized rooms in a well-suited location (preferably main street) and a benefactor with whom we can enter into an arrangement to offset some or all of the rent payment.

We have been quoted figures of \$100 and over per week to rent a vacant building in Vincent Street. If the Auxiliary is forced to pay weekly rent from our minimal takings (we open for sales 2 hours a week), our volunteers will be working to simply pay the rent. There will be very few dollars remaining to donate to the Hospital Services in our own town.

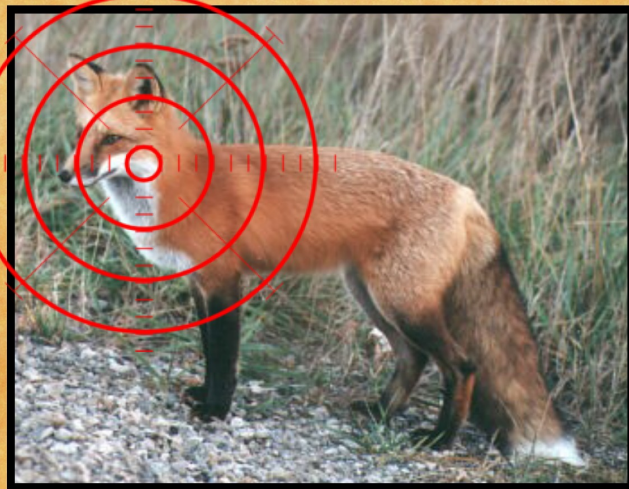

For this reason, we hope there may be a property owner who can offer us a rent free home or a sponsor who can commit to paying all or part of our rent for a set period of time e.g. 2 years or longer.

The Op Shop is a valuable asset to our community members, whether that be as a support for the patients and residents of the Lodge, Hospital and Allied Health Services (potentially, that could be you) or as a bargain basement for those in need or simply as a drop-off point for unwanted goods.

Please consider whether you might be in a position to enter into a short/long term arrangement with The Beverley Hospital Auxiliary to maintain the presence of The Opportunity Shop.

Please contact Vicki Glassby (President) 9646 0729

Station Gallery

Unfortunately due to depleted water pressure the garden has suffered this summer, but while some of us have been taking refuge from the soaring heat by heading to the coast, activity at the Station has not come to a standstill.

Artist-in-Residence

Our December artist Danielle Smith thoroughly enjoyed her time in Beverley, including Christmas hospitality, and returned to California with the promise of returning soon. And now to our next artist, another young lady Jasmin Chouikha who is from Portugal and staying at the Station with her little daughter for the remainder of January and half of February. Then arriving mid February, just for two weeks we welcome Sandie McKee, a writer from USA.

Writers Workshop

Maybe you should write! Would you like to write advertising copy? Maybe you're very good at describing how things work? Have you ever thought about who writes the speeches for political folks? Would you like to tell a personal experience or family story? What about that novel or short story collection you've been planning? At this workshop you will play with many different types of writing and discover your own author's voice.

Make your fiction writing live!—This two-part session helps writers develop characters, dialog and scenes that captivate readers with their accurate and vivid representations. We will use personality studies, creative visualization techniques, scene-blocking approaches and "touch it" activities to inspire you to create rich descriptions, lively dialog and engaging action. Your readers will pay you the best compliment a writer can receive, "I couldn't put it down!"

Workshop leader, Sandra McKee, has sold over 40,000 books worldwide including professional development, trade and fiction genres through major publishers. In addition, she has helped thousands of students, business professionals and aspiring authors find that "rare air" place in writing: the point at which creativity meets craft.

FREE WRITING WORKSHOPS! Our next artist in residence from America, Sandy McKee is holding two workshops at the Station Gallery for all aspiring writers out there!

WORKSHOP ONE: Tuesday 18th & Wednesday 19th February. 6.30 - 8.30 pm. **WRITING IN MANY FIELDS-** explores different types & genres of writing to broaden the perception of "authorship". Techniques for technical/professional, marketing/advertising and fiction will be practised.

WORKSHOP TWO: Tuesday 25th & Wednesday 26th February. 6.30 - 8.30 pm. **TECHNIQUES OF AUTHENTIC FICTION-** this session helps writers develop characters, dialog and scenes that captivate readers with their accurate and vivid representations. We will combine visual and tactile techniques to create rich descriptions, lively dialog and engaging action.

For more information contact Marylou on 0427085511 or hutchinson@wn.com.au

Beverley Station Singers

The *Station Singers* enjoyed positive comments from the Christmas concert with a few extending keenness to join the choir. This is good! Anyone interested in joining the choir contact Sarah Miller - Phone 96464066 or email miller@reachnet.com.au

Platform Theatre

The Family Christmas Concert on Saturday 21st December was huge - well over 300 attended (being a free event no one was counting tickets at gate) compared to the small crowd at the screening of "The Sapphires" on Saturday 11 January. Never the less, the movie was a fun evening picnicking under the stars with a gentle breeze taking away the blast of the day's heat, our thanks to Tim for providing such good surround sound.

QUEEN & FREDDIE MERCURY TRIBUTE by BOHEMIAN RHAPSODY

Yes!! Coming soon to the Platform Theatre are Thomas Crane and his band Bohemian Rhapsody performing Queen and Freddie Mercury hits from the 70s through to the 90s with all the flamboyance and theatrics of the great legend.

Press release presented by Entertainment Direct:

Thomas Crane made his appearance on Australia's Got Talent and in 2011 made it to the finals as a tribute artist to the late GREAT Freddie Mercury. Since then Thomas's absolute talent is taking him around the world touring with his band Bohemian Rhapsody playing the best of Queen and Freddie Mercury hits. There is only ONE Queen tribute band in the world that does justice to Queen and Freddie Mercury; with over four million hits on YouTube, you be the judge! Queen Fans all over the world ask WHY Thomas Crane has yet to perform with the original members? One day soon, Thomas is ready trust they are, LOL.

BEVERLEY BOWLING CLUB CENTENARY

Beverley Bowling Club - 1914 - SPOT THE PALM TREE?

2014 marks the centenary of The Beverley Bowling Club. On Saturday March 29th we intend to hold a Back to the Club reunion and are trying to let as many past members as possible aware of the event.

We plan to offer you

1. A comprehensive static display of history over the 100 year period
2. Many items offered by past members displaying how bowls and equipment has changed over the years
3. Our minute and day books dating back to 1914 for your careful perusal
4. Several slide shows of pictures and progress
5. An album chronologically displaying the clubs history with copies available for order
6. Memorabilia specific to our 100th year available for purchase
7. The unveiling of the old roller restored and on display at the club entrance
8. The opportunity to have a roll on our wonderful new Pro- max greens
9. Barbeque lunch cooked for you. Barbie packs on sale and salads provided. And of course a delicious offering of sweets as prepared by our lady members renowned for their catering capabilities
10. The bar will be open for a beer or soft drink or the kitchen for a cuppa
11. Breakfast on Sunday morning for those who stay the night

We anticipate this being a huge day of catching up with old mates and reminiscing about all those wonderful bowls shots and wins – and the nearly wins – over the years

THE BEVERLEY LIONS CLUB

Welcome to 2014, we hope everyone has had a very Happy Christmas and a safe New Years Eve.

Well I guess all the celebrations are over now and we are all settling down to a successful 2014 (God willing). The Beverley Lions Club previously advised the community that it will be holding its first meeting for the new year on the 20 February, this date however clashes with the first meeting of the RSL, **we therefore will change our meeting date to the 13 February, and meet at 6.30pm in the RSL Hall.**

Once again we wish to thank the Beverley Shire, local businesses and community for organising the Australia Day Celebrations at the swimming pool this year. We realise that the fact the Lions club is unable to present this much attended occasion, upsets many people within our community, however the Beverley Lions Club is not in a position to carry out this service to our community this year. We apologise for this and wish to point out that if we were able to attract more members from our community, major events like this would be serviced by the Beverley Lions Club.

Please take on board that if YOU don't come forward and become a member of the Beverley Lions Club this year, it will become an unfortunate circumstance which will result in the closure of the Club. Over the years the Beverley Lions Club has achieved a great many wonderful and much needed projects for our community.

As a member of our community we ask that you not only give serious thought, but take action to save the Beverley Lions Club, without keenly committed community members, the Club will no longer be able to provide the much needed projects required by the community.

We need **YOU**. Please help us to help our community.

Next meeting at the RSL Hall on Thursday, 13 February 2014 at 6.30pm Please bring a plate for supper.

THANK YOU

BEVERLEY HISTORICAL SOCIETY REPORT

Seventy-five years ago, this month, a head on rail collision occurred at Mt Kokeby. The following article appeared in the 'West Australian' on Tuesday 21 February 1939. The photos used here were taken at the scene by a local resident.

TRAINS COLLIDE HEAD ON SMASH AT MT KOKEBY Trucks Telescoped by Impact

BEVERLEY, Feb, 20.—The Perth-bound mixed train from Narrogin collided head-on with a Narrogin-bound goods train at Mt Kokeby siding, about seven miles from Beverley about 1 p.m. today. As a result of the smash both engines and the leading trucks sustained serious damage, two trucks which were immediately behind the engine of the goods train being telescoped and their loading of superphosphate scattered over the permanent way, while a truck of coal attached to the engine of the mixed train was scattered when the woodwork of the truck was splintered by the impact. The permanent way was torn up and the lines displaced, but despite the force of the collision the only injuries suffered were facial abrasions by a member of the crew of one train and a child passenger.

It was fortunate that the Perth-bound train was a mixed one, as the leading trucks undoubtedly saved the passenger coaches from damage by acting as a buffer. As it was passengers had a frightening moment as the trains met and they were thrown from their seats. The Perth-bound passengers were stranded at Mt Kokeby until a Diesel car travelling to Katanning, which was in the Beverley station at the time of the collision, went to Mt Kokeby and picked them up. It took the passengers to Beverley, where a further wait was necessary while an engine and van were procured from York and a train made up to take them on their way. They left Beverley about two and a half hours behind the scheduled time.

Gangs of workmen from stations on each side of Mt Kokeby were quickly on the scene of the accident. The first work which engaged their attention was the clearing of a line to allow the Diesel train to proceed on its way.

The accident occurred on the southern end of the Mt Kokeby station. The goods train had passed through the station on the main line and had just backed on to a loop to allow the Perth-bound

mixed train through. It had cleared the points, but before they could be changed over the mixed train appeared and swung on to the loopline, the driver apparently being under the impression that the points were set for the main line. The resulting crash was heard over a mile away and a few people who were watching the approach of the mixed train had an exciting moment when they saw what was about to happen.

Eye-witnesses state that when the trains met the two superphosphate trucks attached to the engine of the goods train telescoped and were thrown high into the air, coming to rest as a tangled mass of wreckage. Both tenders were twisted round at an angle to the engines to which they were attached.

Breakdown gangs are busy clearing up the debris and a breakdown train from Perth will arrive tomorrow to restore the engines to the rails.

It was announced last night that the Railway Department would conduct the usual departmental inquiry into the accident.

**BEVERLEY
HISTORICAL
SOCIETY**

The last meeting for 2013 occurred on 9 December with 11 members present. Matters discussed included:

- Arrangements for Easter 2014 when the Dead Finish Museum will open as part of the whole of town theme, **Beverley – Map Our Journey**. Once again we hope to work with the Beverley Quilters to mount a display of memorabilia & quilts with a focus on “Journeys”.
- Working with the WA Museum on a state-wide **WWI Remembering Them** Project. We aim to make this work a focus of our 2015 Museum Displays.
- Visitors are often confused by the fact that Beverley has two cemeteries. We hope to work with the Shire to resolve this problem.
- Protecting the *Beverley Times* printing press from the weather and arranging suitable signage.

Donations included:

- **WA Country Cricket XI** memorabilia: a baggy black cap and a certificate of registration presented to Ernie Strange as official player no. 157 at a special event in 2007
- Photo: **Beverley Cricket Team 1947** winners of Country Week
- **Morbinning Hall** records: minute books, cash books, correspondence & mementos of the 25th Anniversary Celebrations of the Hall in 1980.

The day following the meeting we met to discuss points of interest for Beverley Tourist Trails currently being investigated by the Shire.

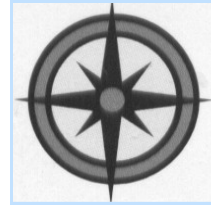

At the end of the week we had a convivial wind-up Devonshire Tea at Avon Rose Tearooms.

Re-opening: The Dead Finish Museum will reopen for the 2014 season from early in March. In preparation members are requested to attend the Museum from 9am Wed 5 to Fri 7 March for our annual autumn clean.

Next meeting: 9 March 2014 at 2pm. New members welcome. For further information contact the secretary at bhsdeadfinish@gmail.com.

Lyme Disease

Ticks are out & about again with the weather warming.

Please take all the precautions of covering up & using insect deterrent to avoid
Natures Dirty Needle.

You could be the next person to be infected with this nasty disease.

Please.....if you are bitten & feel the flu like symptoms start, find a Lyme sympathetic doctor and
arrange for a test.

Test kits can be sourced from the Lyme Disease of Australia Association.

<info@lymedisease.org.au>,

The sooner you are diagnosed & suitable treatment is commenced,
the better your chance of recovery.

By supporting the Karl McManus Foundation you will be assisting us in achieve the following goals:

- 1 Addressing the Australian government's position is of the highest importance for the Karl McManus Foundation for Lyme Disease Research & Awareness. Presenting scientific evidence of Borreliosis in Australia will warrant government acknowledgment that it exists here. However, medical research takes time to publish, and the accumulation of evidence to present to the government will be a slow process.
- 2 Many sufferers of Borreliosis in Australia do not have time to wait for the slow process of changing government policy – they require immediate medical attention. Hence the Foundation is inviting all medical doctors who have Borreliosis patients/or are interested in treating Borreliosis patients to contact the Foundation.
- 3 The Foundation wishes to support doctors in obtaining further education and training in the diagnosis and treatment of this disease. The Foundation will be raising money to fund travel fellowships for doctors to undergo training by Borreliosis specialists in the USA and Europe.
- 4 When Borreliosis is recognised by the government, education of all Australian doctors in the diagnosis and treatment of Borreliosis can begin.
- 5 The aim of the Karl McManus Foundation for Lyme Disease, Research & Awareness is to fund and promote research into Borreliosis in Australia. The Foundation welcomes proposals from researchers that aim to increase the understanding of Borreliosis and to improve the health of individuals suffering with Lyme Disease and associated co-infections and complications.

To find out more take a look at <http://www.karlmcmanusfoundation.org.au> where you will find a huge amount of information about the foundation , the disease and much, much, more

At Secrets... those magical fairies who visit our store over the summer have been in again. The transformation is just fantastic. As they weave their magic, everything is fresh and bright ready for a big & busy New Year. Our glitzy summer sandals are just the thing for comfort & add a very smart finish to our summer outfits. Also appearing are some great new ballet flats in lovely bright colours which will also match up with our fashion items.

The management have been out in the sun & are offering our entire Chamilia range at 30% discount.

We are also offering 20% off all hats.

Watch in store for more price reductions as we make way for our Winter Ranges.

We are adding to our Smitten Perfect Pout Lip Gloss & Smitten Whipped Tinted Mousse Moisturizer with SPF 15 with Smitten Fibre-lash.

The perfect extender for you natural lashes. Lashes appear thicker & longer with this easy to apply Mascara.

(Vanessa is the State Trainer & Sales Representative of this innovative, chemical free, WA cosmetic company).

We are still very committed to our Mary Kay skin care range which fits very snugly with our Smitten products.

At TM we continue to provide good service & quality products.

With your continued support we remain committed to seeing "Our Town" prosper.

Call in to 100 Vincent St,

CWA has been in recess since our Christmas meeting and lunch in December. I am sure that the hot weather has kept most of us a little less active than usual.

As we regain enthusiasm to face the new year, we look forward to our February monthly meeting and AGM on Thursday 13 February 2014 commencing at 10.00am in the CWA Centre.

We will start the day with morning tea and follow this with the general meeting. We will break for a "Bring and Share" lunch at noon and the Annual General Meeting will be held after lunch.

We would like to invite any new comers to town – or any longer term residents to join us for all or any part of the day. New members would be made most welcome or just come along and spend the day with us for some social company.

Once we know the interests of visitors and prospective new and old members, we can program events for the year so that CWA can continue to be a friendship group where ladies of all ages can gather and chat or come forward with some new ideas that we can put into action.

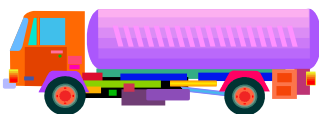

Cheers for now – we look forward to seeing you on our February meeting day.

BIG ENOUGH TO DO THE JOB SMALL ENOUGH TO CARE

GETTING BACK INTO WORK AFTER YOUR HOLIDAY

Quiet often after a holiday or a break it is difficult to get back into work and work habits. This affects us both physically and mentally, it is pretty normal! Physically - we may be a bit out of condition due to the extra eating, drinking and relaxing rather than exercising. This may restrict our capacity to do some of our physical jobs so make sure you ease yourself into physical tasks if that is what your job entails. Plan out a daily routine which allows enough time for work, rest, exercise and play. Mentally – we are creatures of habit so we must make sure we are alert to the fact that we are back in the workplace and become vigilant of the risks of the job. This will take a little time, don't rush it and prepare yourself.

There is some thought provoking outcomes from recent research into truck crashes by the Truck Crash Research Centre based in South Australia. One of the research outcomes is that the majority of truck accidents (more than 90%) happened on the outward bound journey of the truck trip!

We need to ask ourselves why is this? There are many reasons for this, but primarily it is a combination of being physically tired coming off the holiday break and/or mentally our headspace is not focused on the job at hand. That is we are preoccupied with either the great holiday we have just had, the rostered break, relationship issues, family issues that may have been going on in our life. Prioritising these issues and dealing with them is an important part of our life. It does take a little time to adjust back to the workplace routine. Occupational Health & Safety provides the legislative framework that gives the employees and employers safety guidelines to adhere to.

It is part of our culture and attitude however (especially prevalent in males) to risk taking, winning and getting the job done. These are the factors that we have to address, be aware of, and talk about so that as blokes we understand why we sometimes cut corners and how that may affect safety in the workplace. Our health and safety is ultimately our individual responsibility. Prepare yourself by being well rested and be alert when you're getting back into it. Enjoy your work in 2014 and get the work life balance right.

We come to you!

To the Community of Beverley,

THANK YOU VERY MUCH

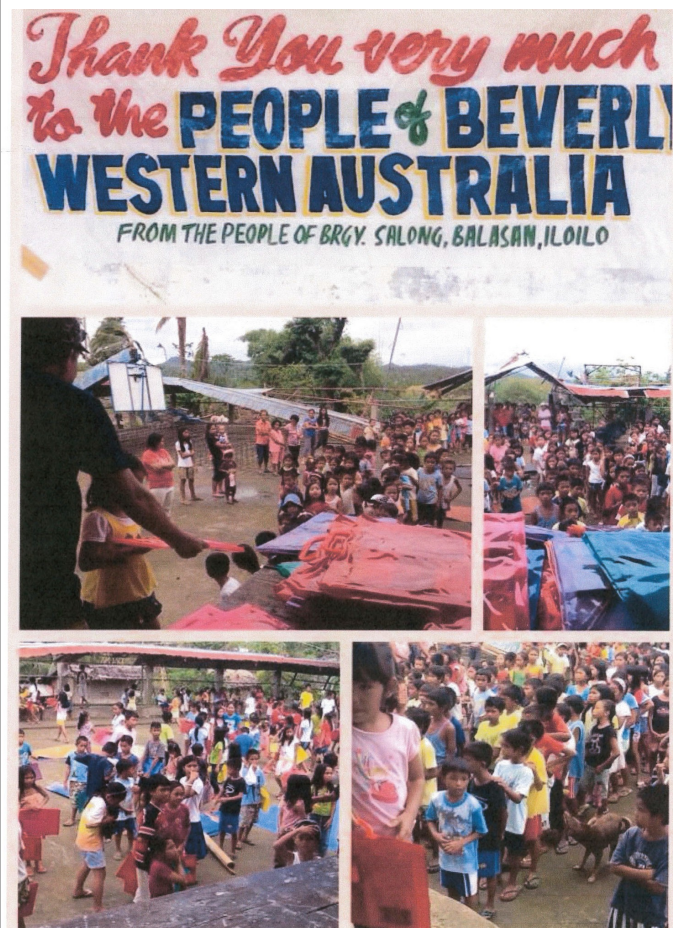

The Filipino people of both Hydra Boom and the village of BRGY, Salong, Balasan from the island of Iloilo would like to sincerely thank the community of Beverley for the money raised in the aftermath of Typhoon Haiyan.

A total amount of \$1,689.70 was raised and the funds went directly to the village and island, which is the home of one of the Filipino employees from Hydra Boom.

As both the village and school were completely destroyed by the typhoon, the money raised bought much needed food and school supplies for the families and the children.

Below are some photos of the children receiving their school supplies.

Again, thank you very much.

WEIGHT WATCHERS FEDERATION INC.
BEVERLEY BRANCH

Well Christmas & New Year we have left behind and we all look forward to a bright 2014 with the main objective to have a substantial reduction in our weight.

I begin our first news into the New Year with some very sad news for fellow Weight Watchers, back at the beginning of December we lost one of our longest serving members in Val Edwards. Val has been a member of Weight Watchers for more time than most of us can remember. Although all her time wasn't spent in Beverley when she came back to town she very quickly became a member again. Val had been battling ill health since the loss of her husband Paul only 12 months before and had been in and out of hospital for some weeks. Val has left a lasting impression on all of us within our small group and we miss her very much. We extend our Sincere Sympathies to her family. Also our Treasurer Ruth has not been feeling the best of late and we hope that she is on the road to recovery very soon.

Our Christmas luncheon although tinged with sadness, was enjoyed by our group and we thank Linda and Beverley who travelled from Perth to join us on the day. Each club member and our guests received most delightful gifts from our club.

Being a very small group we don't have a lot of fundraising, although we have two cake stalls throughout the year, one for Mother's Day in May, then a Christmas Stall, as well as holding a Father's Day Raffle. Being a small town we are delighted with the support we receive at each of these

fundraising ventures. This year our main support has gone to our local St John Ambulance to help with the lighting of the airstrip and we have happily handed over a cheque to them for \$1,000 – not bad for 8-10 ladies. Our town is able to have the helicopter land but late at night when it is unavailable the Flying Doctor is unable to land for the lack of lighting. Beverley St John Ambulance Sub Centre are now raising funds for the expensive project.

As a small group we are always looking for new members who like ourselves suffer from a little excess weight and would like the support and encouragement to help them reduce wisely. So if you know anyone in our area that would like to lose a little weight we would welcome them to join us. We have started the year off with penalising ourselves and our pockets and if we don't take weight off it is going to cost us. We are hoping that this will spur us on to reduce. Until next time happy slimming.

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304

Hello Everyone,

Blimey. How warm has it been? There was never any mention of 45+ degree days when I was interviewed for WAPOL in a very cold, very wet, very rainy London 7 years ago. Nothing like starting off the Blue Line with a grade A Pommy moan is there !

So, what's to report? There have been a few instances of petty but nonetheless mindless damage to a number of commercial properties in the town. This has raised a couple of points; 1. Parents, do you know where your kids are during the hours of darkness? And 2. There's more CCTV than you may think in this town. Smile, because some of you have been caught on candid camera..... Whilst we've been on afternoons we've taken a number of children who we've found wandering around the town at 11.30pm and later back to their parents. Bearing in mind many of the instances of damage have occurred during the hours of darkness it should come as no surprise that the finger of blame ends up being pointed at those wandering around during the wee small hours.

Another issue which makes gives me cause for concern is the fact there has been a number of fights in the town between teenagers. This in itself is worrying but the really concerning thing is a number of these fights have been filmed using mobile devices. During these fights there has been an element of 'egging on' those fighting. This is 2014, not the days of the Roman Coliseum. We are better than that in this town. Has anyone heard of the spate of one punch attacks which have left people at best brain damaged and at worst killed? By encouraging this behaviour and documenting it you become parties to the offence and that can result in only one thing, hello jail cell. We have come down very hard on those we found filming these incidents and have seized a number of mobile devices. In case you were thinking that once you'd uploaded the footage to the web and then deleted it from your device it was gone, think again, it hasn't. We have enough geeks in geeky departments within WAPOL who can find anything, and I mean anything that you thought had been wiped from the memory. Thankfully it seems to have stopped now so please let's not have it happening again.

This next one is probably for those further out on the fringes and beyond the immediate hustle and bustle of the townsite. There have been a number of thefts of diesel, particularly from farm properties and those premises considered remote. As we all know, the price of diesel only ever seems to go up and with this in mind I'd ask everyone to be vigilant in assessing how they store their diesel supplies. We'll be casting our patrolling net even further and wider over the coming weeks and we'll be paying regular visits to outlying properties as part of that patrol plan. We will be working with our neighbouring stations to pro-actively tackle any instances of rural crime. We all work hard in this district, why should someone get away with the bare faced cheek of stealing someone else's hard earned, paid for property? Please continue to report any suspicious activity, however trivial you may think it is, it all builds up a picture for us and allows us to allocate resources to the right areas at the right times.

Last but not least (well for this bit anyway), building and vehicle security. I know it's been hot but let's help ourselves by not inviting the criminal elements the opportunity to take advantage of our traditional 'relaxed' attitude to security. We have had stealings from the back of utes and I still see vehicles parked up overnight with whole rear trays full to brimming with expensive kit openly on show. I was walking my crazy dogs the other day and parked outside the bank was a very nice car with all its windows down, satnav on the dashboard, iPhone in its cradle and a laptop on the back seat. I made mention to the owner that it might be a good idea not to have those items on such open display. I was met with indifference and that's fine, whatever, but could you afford to lose that much valuable equipment to an opportunistic thief? I'm not getting all preachy but, well, I think you know what I'm saying.....

Anyroadup (remember those Lancashire sayings, that's one of them again) what's really been happening? Yes, I've had an animal related incident again. It wasn't quite on par with the devil sheep incident but it was nonetheless interesting. If you'd have been at the side of the police station a couple of Friday evenings ago you'd have seen me chasing an escaped goose up and down the road. I like my food (as you may have noticed, you don't get a figure like mine by eating salad) and I'm particularly fond of goose. The thing is, I prefer it ready to eat or at least ready for the pot. I chased this bird up and down before it leapt to its escape and back into the garden whence it came. At least I got support and encouragement from Ian. Granted, the support and encouragement was disguised as laughing like a hyena and rolling about on floor crying but I reckon it was support and encouragement all the same. If it wasn't he'll pay for it, oh yes, he'll pay.....

Ok, my lords and masters on the radio are demanding my presence somewhere so I must stop typing. By the time you read this the Beverley Police EWATCH will be up and running again. I'm excited by it and I reckon it's going to be a great tool for sharing information. It's going to be like a live version of The Blarney, just without any animal stories.

That's it for now so take care everyone and let's keep working together because let's face it, if there's a better place than Beverley in the Wheatbelt then I've not been to it.

All the very best,

The Words of the Preacher

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

For God sent not his Son into the world to condemn the world, but that the world through him might be saved.

He that believeth on him is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.

And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. John 3:16-19

BEVERLEY FOOTBALL CLUB 2014 RESERVES COACHING POSITION VACANCY

The Beverley Football Club is a participating member of the Avon Football Association and comprises of a League, A Reserves and Netball team. Beverley is situated less than 140km East of Perth. We pride ourselves on being a family-friendly Club and have always enjoyed a strong social following regardless of our on-field success. Our objective at the beginning of each season is to consistently field as competitive team as possible which will enable us to compete in the finals at the season's completion.

The Beverley Football Club invites applications for the position of Reserves Coach for the 2014 Season. Working in cooperation with members of the Match Committee, you will be required to undertake the following tasks:

- Player development and recruitment;
- Coaching of 14 Home & Away games, plus Finals; and
- Engage in Club Social Functions.

Full access to the Club's Coaching resources, including a Coaching Accreditation Course will be offered. Please submit your written application by e-mail to beverleyfc@bigpond.com or by post to:

The President
Beverley Football Club
PO Box 10
BEVERLEY WA 6304

Applications close 5:00pm, Friday 14 March 2014.

If you require any additional information regarding this role please contact President Damien Murray on 0428 416 032.

BEVERLEY CRICKET CLUB

There has been no Senior cricket since our last round-up in the previous Blarney but our Junior players have been very busy.

Beverley has been well represented in Regional Cricket with Thomas McLean and Lachie McLean being selected to play in the Rutherford Shield. Both Thomas and Lachie performed well in the games they played.

Beau McLean and Daniel Gollan also represented the Wheatbelt in a 16's Regional Carnival held in Bunbury during December in which both boys performed very well. This Carnival is played between the 5 Regions within the state. Beau was named Captain of the team, which came in second place, with the winners being the South West.

The boys' statistics for the carnival were:

Beau McLean	3 Innings	0 Not Out	46 Runs	15.33 Average
	Highest Score 33	1 catch		
	16 Overs	4 Wickets for 64 Runs	Best Bowling 2/7	
Daniel Gollan	2 Innings	1 Not Out	8 Runs	0.00 Average
	Highest Score 5	2 catches		
	27 Overs	5 Wickets for 94 Runs	Best Bowling 3/15	

Junior Country Week was held from the 6 to 10 January. The Avon Team consisted of players from Beverley, Brookton, Quairading, Tammin, Kellerberrin and also some players from Pingelly, Wandering and Boddington. The boys played in D section and were runners-up last season and went one better this season to win D section. This was an outstanding result from the team.

Beverley was represented by Beau McLean, Thomas McLean, Daniel Gollan, Luke Gollan and Liam Gollan. Khyle Ugle also played in B section for the Indigenous XI and performed well.

Beau McLean	6 Innings	2 Not Outs	171 Runs	42.75 Average
	Highest Score 54	2 catches		
	35.1 Overs	9 Wickets for 71 Runs	Best Bowling 3/10	
Daniel Gollan	6 Innings	2 Not Outs	214 Runs	53.50 Average
	Highest Score 97 not out	1 catch		
	34 Overs	11 Wickets for 67 Runs	Best Bowling 3/16	
Luke Gollan	6 Innings	0 Not Out	51 Runs	8.50 Average
	Highest Score 23	5 catches		
	27 Overs	5 Wickets for 94 Runs	Best Bowling 3/15	
Thomas McLean	0 Innings	0 Not Out	0 Runs	0.00 Average
	Highest Score 0	2 catches		
	19 Overs	2 Wickets for 101 Runs	Best Bowling 1/10	
Khyle Ugle	6 Innings	0 Not Out	70 Runs	11.67 Average
	Highest Score 26			
	18 Overs	3 Wickets for 88 Runs	Best Bowling 1/13	

Both Beau McLean and Daniel Gollan had further commitments after Country Week as both boys were selected to represent their respective schools in matches against a touring side from Queensland.

Daniel was also selected to represent WA Country in the Emerging Warriors under 16's carnival which was held in Perth from 27 to 30 January, this event assists in selecting the WACA State 17's squad.

So in all it has been a very busy time for our Juniors over the holiday period in which all the boys performed very well.

Back Row: Daniel Gollan, Beau McLean, Luke Gollan Front Row: Thomas McLean, Liam Gollan

Senior Country Week was held from 19 – 24 January with Beverley being represented by a number of our players.

With the holidays drawing to a close it's time to hit the training track, and get your skills and fitness up to scratch before our season opener on Sunday 6 April. We encourage all current, new and past players to pull on the boots and get involved!!

The Beverley Football Club is pleased to announce the appointment of James (Jibba) Turner as League Coach for the 2014 season. James was the Coach of our 2012 League premierships team and is excited about the prospects that the 2014 season holds for the Beverley Football Club. He will again be ably assisted on the sidelines by his Father, Steve Turner.

*******Pre-season training commenced on Wednesday 29 January, please contact League Coach James (Jibba) Turner on 0458 002 724 for all future details of the date, time and place.*******

On a sad note, the Beverley Football Club would like to extend our deepest sympathy to the Haythornthwaite family on the passing of Gary on Wednesday 8 January 2014. Gary was a loyal sponsor of the Beverley Football Club and we always enjoyed his company at Beverley Quairading games. He will be sadly missed by many in the Avon Community.

The Beverley Football Club would like to sincerely thank Michael, Cathy, Matthew and James Blechynden, of Blechy's Tyre and Battery, for their wonderful support and loyal sponsorship over the past 16 years. We always enjoyed your company at Beverley Federals games and you will be missed by many in the Beverley Community. We wish Blechy well in his new chosen career, and remember if you have a tough day at the office, there's always a fish shop around the corner!!

The Revue Night DVD's are ready!! \$10 each or \$15 if you would like it posted. Please contact Ali Lewis on 0417 947 955 to pay and order. If you had already pre-paid, your DVD will find its way to you ASAP (or again contact Ali).

The Beverley Football Club invites applications for the position of **Reserves Coach** for the 2014 season. Please submit your written application by e-mail to beverleyfc@bigpond.com or by post to:
