## **President Report September 2014**

### **Shire Rates Due by Monday 8<sup>th</sup> September 2014**

Payment of your rates is required before or on Monday 8<sup>th</sup> September as after this date penalty interest will apply. Rates paid in full by this date receive a 10% discount.

### **Local Government Convention**

Crs Pepper, Davis and Ridgway along with CEO Steve Gollan attended the recent Local Government Convention in Perth which presented a good opportunity for networking and information gathering. Among the notable conference speakers were former Prime Minister John Howard and Rabia Siddique, a criminal and human rights lawyer and former terrorism and war crimes prosecutor. Another treat for those walking or driving along the Terrace were the Local Government Banners, with the Beverley Banner located right out the front of Council House.

### **Hon Dean Nalder MLA, Minister for Transport; Finance visits Avondale**

The Minister for Transport visited Beverley at the end of July and following a brief tour of the Avondale Heritage Precinct met with Shire Councillors, senior staff and the Hon Mia Davies MLA at the Avondale homestead. This provided an opportunity for candid discussion between the Minister and meeting representatives regarding a variety of transport related issues.

### **Health Services in Beverley – a United Approach**

Whilst the health sector is not core business for Local Government, the community looks to Council for advocacy, advice, leadership and financial commitment (such as retention of a local medical practice). To define an appropriate role for Councils' interface with the health system and more broadly, a report funded by Medicare Local has been commissioned from Virtual Health by Council to provide clarity regarding the Shire of Beverley's overall role in health and aged care, and on a

range of issues and opportunities within the Shire.

Also a variety of activities and events have occurred during 2014 aimed at building a sound relationship between the Shire, Beverley Health Service, Beverley Medical Practice and our community:-

- most recently being a presence at the Beverley Show by the three parties
- quarterly meetings between the Shire President, CEO, Health Services Manager and Beverley Medical Practice
- reactivated Local Health Advisory Group, chaired by Cr Keith Murray, who has also become a member of the District Health Advisory Committee
- "Body Holding Facility"(former morgue) soon to be available for St John Ambulance use
- collaboration between the Shires of Beverley, Brookton and Pingelly with a view to progressing sustainable aged care planning, services and support within and between our communities

### **Water Harvesting**

Several meetings have now been held with a view to progress the concept of street water harvesting in the Beverley town site. Investigations are underway regarding assistance to implement such a plan through the Department of Water, Community Water Supply Program.

### **Fire-break Order**

Don't forget to attend to your firebreaks as per the information contained in the Shire of Beverley Information Booklet sent out with the rate notices. Relevant firebreaks need to be installed by 1<sup>st</sup> November and maintained until 15<sup>th</sup> April. A reminder also that paddock burns require a firebreak completely surrounding the area to be burnt. The Firebreak Order is available on the [beverley.wa.gov.au](http://beverley.wa.gov.au) website.

### **Applications for Planning Approval**

Information regarding Planning Approval has been included elsewhere in the Blarney for your reference. Please contact the Shire Planner if you require further assistance regarding planning

issues.

### **Get on Track Challenge – Battle of the BBP Shires!**

An invitation for Beverley to participate in a healthy workplace challenge in conjunction with the Shires of Brookton and Pingelly has been accepted. Along with healthy eating, this entails the "Beverley Blazers" team of 8 walking the virtual Indian Ocean Adventure Track during the month of September. If you see some walking groups your words of encouragement would be welcome! More information about this concept is available at [www.getontrackchallenge.com.au](http://www.getontrackchallenge.com.au)

### **Beverley Show 2014**

What a great day out with plenty to see and do. Congratulations and thank you to the small and dedicated Agricultural Society committee and their helpers who, with retiring President Teresa Reid at the helm, put in a huge effort to produce another successful Beverley Show. If you would like to be a part of this dynamic group please respond to calls for assistance as the committee is seeking help to ensure the show can continue long into the future.

### **Avondale Bush Dance**

The hard working Avondale Farm Project Association Committee continually investigate opportunities to support the development of Avondale and a Bush Dance to be held in October is another idea they are developing to do this. Please watch for the advertising and bring your family and friends for a great night out  
Dee Ridgway  
Shire President

## APPLICATIONS FOR PLANNING APPROVAL

All development, including a change in the use of land, unless exempt, requires the prior approval of Council. An Application for Planning Approval is required for:

- Single houses in Town Centre, Rural Residential, Rural Townsite and Farming Zones;
- Industrial and commercial buildings;
- Sheds and other outbuildings in all zones;
- Modifying the natural landform such as by earthworks, dams and drainage works;
- Changes made to an existing use of land and/or buildings, which may not include any construction, such as a panel beater proposing to occupy an existing building;
- Development on sites listed in Council Municipal Heritage Inventory, including demolition and renovations; and
- Use of rural land for intensive agriculture, such as irrigated plantations and pasture, feedlots, piggeries and aquaculture.

Some development proposals might be exempt from requiring an Application for Planning Approval. Please check with the Shire Planner to determine whether this is the case for your proposal. Please note, that even though the development proposal might be exempt from obtaining Planning Approval, it might still require a Building Permit. Examples of exemptions include:

- Single dwellings in Residential zones that comply with all Town Planning Scheme No. 2 and Residential Design Codes requirements;
- Carrying out of internal works on any buildings that do not alter the external appearance of the building;
- Patios, carports and verandas proposed to be attached to a dwelling that complies with the Town Planning Scheme No. 2 requirements.

For any questions regarding planning issues, please contact Stefan de Beer, Shire Planner.

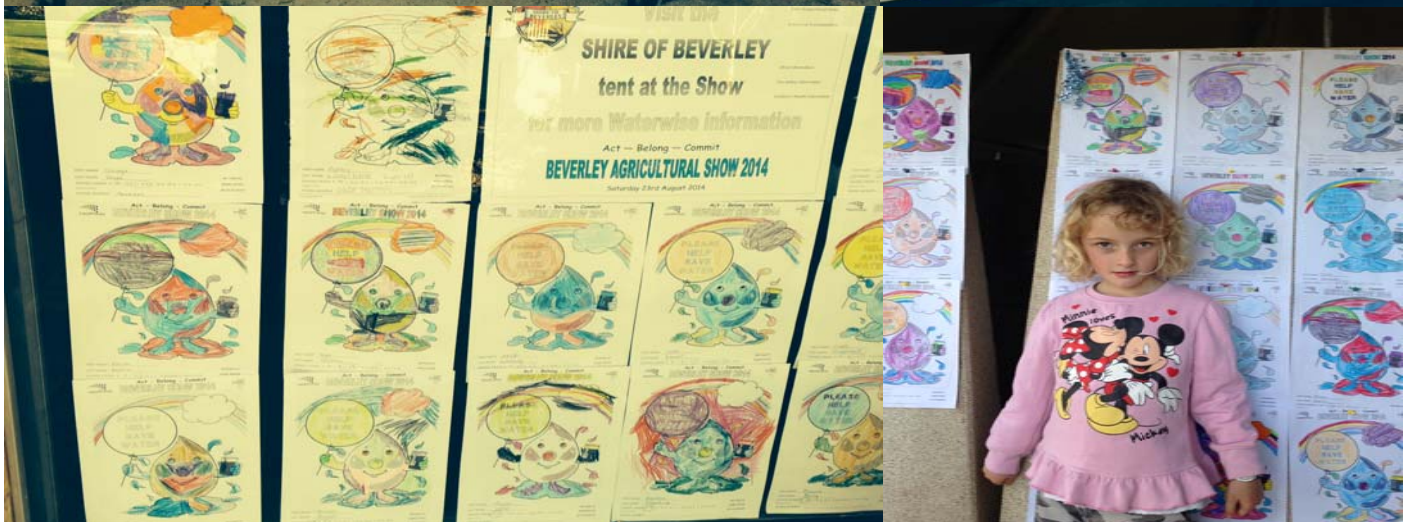

# Shire of Beverley Show Display

Thank you to the Water Corporation for their support of our colouring in competition and the Water Conservation message at the Shire of Beverley stand at the Beverley Agricultural Show.

Thanks also to FESA for supporting our stand at the Show with information regarding Emergency Services and Fire Safety. The stickers were popular with the children.

# Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local *drumMUSTER* collection centre.

## Suspension concentrates (Atrazine, Simazine, etc)

- ✓ Rinse your container immediately after use to ensure any chemical residue does not dry

- ✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

## Oil-based chemicals (ULVs, LVs)

- ✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

## Other chemical residues

- ✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry
- ✓ Some containers may require additional rinsing (more than three rinses)
- ✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

- ✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT *drumMUSTER* COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

[www.drummuster.com.au](http://www.drummuster.com.au)  
**drumMUSTER**

# *drumMUSTER* makes it easy

Recycling your eligible farm chemical containers with *drumMUSTER* is easy - all you need to do is follow these simple steps:

- ✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

- ✓ Pour the **RINSE WATER** back into your spray tank

- ✓ Make sure **ALL** chemical residue is removed

- ✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

- ✓ Metal containers should be **PUNCTURED** from the top through the bottom

- ✓ **DELIVER** your eligible clean empty containers to your local *drumMUSTER* collection centre

For details on *drumMUSTER* collections in your area contact your local Council or visit the *drumMUSTER* website at:

# FARMERS IN CONJUNCTION WITH WREN OIL AND THE SHIRE OF BEVERLEY USED OIL CAN BE COLLECTED

Australian farmers are well recognised as environmental stewards, owning, managing and caring for 61% of our countries land mass.

Wren Oil has been delivering waste oil re-refining and hydrocarbon waste management disposal solutions to agriculture, industry, mining and local communities for over 30 years.

A recent survey has identified there are in excess of 12,000 farms in WA

It is estimated from the above statistics that some 5 million litres of waste oil is produced by farms annually. The contaminants in this waste oil include- lead, cadmium, chromium, arsenic, dioxins, benzene and polycyclic aromatics.

The real risk for farmers is contamination of the ground water supply by the incorrect or long term storage of waste oil on rural properties. Leaking containers and incorrectly disposed used oil can cause severe damage to valuable water supplies in rural areas.

Wren Oil can provide farmers with suitable collection pods, assisting farmers to meet their own environmental obligations. The amount of oil currently being collected from rural areas is not reflective of the amount sold into these areas by oil companies and the service industry.

Wren Oil is prepared to work with Farmers and Local Government and other sections of the local communities to develop a sound and ongoing method to deal with this issue.

The collection of used oil, which is a simple logistic issue in our cities, is more difficult for our regional centres and communities. You can play your part by enquiring with your local government authority about how you can dispose of your used oil correctly.

The more oil collected from one site lowers the cost of collection and so a co-ordinated program involving farmers, Local Government and Wren Oil could have great financial benefits to all involved as well as improving environmental outcomes.

Under the "Product Stewardship for Oil Program", the Australian Government provides industry incentives to increase the recycling of used motor oil. More information relating to this program can be found at [www.oilrecycling.gov.au/what-happens](http://www.oilrecycling.gov.au/what-happens)

## COLLECTION OF USED OIL FROM FARMS PROJECT OBJECTIVES

The objective of this project is to identify and collect used oil from farms in WA.

While the ability to collect this oil has always been there, locating and identifying the amount has not, resulting in many litres of oil being held or disposed of on farms, and that oil is a direct threat to the environment.

By establishing a simple recording method through local shire councils it is hoped a large amount of this oil can be recovered and treated properly.

**IT IS ENVISAGED THAT MOST OF THIS RECOVERY CAN BE DONE FREE OF CHARGE AND THE ROLE OF THE SHIRES WOULD BE MINIMAL.**

For further information on how you can take up this offer of disposing of your used oil, please contact Valery at the Shire on 08 9646 1200.

**PLEASE NOTE THIS FREE SERVICE WILL ONLY APPLY TO FARMING PROPERTIES FOR ENVIRONMENTAL REASONS, ALL OTHER BUSINESSES ARE SERVICED THROUGH OUR NORMAL PROCEDURES.**

## “The Beverley Heroic” bike ride.

On Sunday 5th October 2014 we celebrate the history of old bike races and the Wheat belt. South Perth Cycle Club and the Shire of Beverley are planning the Beverley Heroic - “the Avon Valley Century Ride for all bikes and new heroes”.

In Australia there was a bicycle race that ran from 1897 to 1999. It was hard riding in the days of gravel tracks. We celebrate the history. We love those bikes. We look forward to the new heroes making the event another historic ride.

We will be riding:

- 100 or 50 miles on bitumen and gravel roads.
- Heroic bikes - think old bikes and muddy faces.
- Single and 3 speed bikes - new or Heroic,
- Fast or Slow groups any bike.

The new spring classic granfondo bike challenge.

### Join the Beverley Heroic.

### VOLUNTEERS

The Beverley Heroic welcomes people to volunteer on Sunday 5th October 2014. You will be helping the riders on the day, but helping your town in the long term. With a positive experience we hope that the event grows and brings more people in 2015.

You can help out by:

- Assisting the Beverley RSL provide breakfast.
- Standing on a street corner to marshal riders around the town- Beverley, York or Northam, or on the route pointing the right way.
- Cheering riders at the start, Beverley at 8am or from 2pm to 4pm in the afternoon as they finish.

## "CAN YOU HELP?"

I am trying to find a photograph of one of my cousins (not with us anymore) and as most of the same age are not with us anymore its hard to find a contact. My cousin's name was Elsie Louisa Doreen Willey born 1916 in Beverley, and her brother was Arthur who passed away a few years ago. I am an Otway and my grandmother was a Willey and like a lot of local families at the time were very interlinked. There maybe someone around the Beverley area who still has some photos.

My email and my phone number. [barbarajmelvin@yahoo.com.au](mailto:barbarajmelvin@yahoo.com.au) and phone is 08 94017564.

My address 57 Mawson Crescent, Hillarys, WA 6025.

Hoping you can help.

Regards,

Barbara Melvin.

## *Thank you*

The Boyle family wish to extend a sincere thankyou to the people who sent cards, expressed sympathy and attended the funeral of their father Bob.

It was very much appreciated.

To the good lady who has been attending the Police Station's front garden. It is looking so much better and cared for.

I know that our two lan's have their own work to do, so I know that they appreciate this good deed, being done. Maureen Cole

# ACT-BELONG-COMMIT BEVERLEY SHOW BUSINESS WINDOW DISPLAY WINNER

We had some serious competition this year in the business community vying for the window display trophy. All contenders managed to combine the theme and promoting the Act – Belong – Commit message while showcasing our town's big annual event.

With so many different approaches to the theme of water conservation, judging was not easy. It was very difficult to compare and there was some discussion between judges. There were original art works by budding artists at the IGA and Beverley Bakery, some more sophisticated art by Vicky at Avon Trading and the Ag society president was so taken with the CRC entry produced by Ashleigh Ugle it was displayed at the show.

The shire had 55 entries in the water wise drawing competition and they were on display both at the shire offices and at the show. Both Country Kitchen and Sticky Beaks had effective displays. There seemed to be no clear winner so we resorted to a point system to decide. It was a very close run competition and in the end the winning entry by half a point was T M Hair design.

Congratulations to all contenders for getting involved and producing such wonderful displays.

Teresa Reid

Beverley Agricultural Society President.

# The Act – Belong – Commit 138<sup>th</sup> Beverley Agricultural Show.

It was a beautiful day for the show, the sunshine and 22°C temperature brought many families out to enjoy the day.

I think you would definitely call it a success. A Town with a population of 1700 managed 1300 entries in the exhibition shed. We had a record high in equestrian events and High School students from Ag Colleges participating in the junior judging and parading. We had 113 traders and 3000 through the gate. But numbers are boring and what the show is really about is people.

Leah Adams, chief steward, poultry section congratulating Gaenor Carter (R) winner of the York & Districts Bendigo Bank Best Bird in show.

The longer I'm part of the Ag society the more I realise how it brings people together. Yes it is educational, yes it is fun with a little friendly rivalry thrown in but mostly it is about connections. As a very small committee we rely on our connections with family, friends and acquaintances to put the show together (and pull it apart). Without these connections we would not have a show, so thank you to all those who helped us. The show connects people of like minds together like the passionate exhibitors in the poultry section through to traders making new business partners. Mostly it brings families and friends together. It gives us the opportunity to make new friends in the community while renewing old acquaintances. It's an event that brings us together and strengthens our ties to each other and this community we live in. It is an essential if we are to maintain a strong vibrant community.

Of course none of this would be possible without the financial support we get from the shire of Beverley, local business community, private individuals and this year grants from York & Districts Bendigo Bank, Healthway and the Department of Agriculture and Food WA. The committee truly appreciates their support and collaboration. THANK YOU!!!

Although it is officially a one day show 60 people enjoyed an almost party atmosphere on the Friday before while the setting up and the judging was taking place. It takes a lot of work to organise the exhibits and Sarah and Sue did a wonderful job with help from the stewards and students from BDHS. Congratulations to exhibitors for the high standard of entries. The display by BDHS students was vibrant and colourful and represents hours of work by students and teachers alike.

Both the Beverley Historical Society and the Beverley Tree and Garden society had wonderful displays that promoted this year's theme of water conservation. Proceeds from the T & G society raffle of hand crafted mosaic tiles went toward the lighting the airstrip fund; a perfect example of a great community working together.

The 'donate your disaster' project was a roaring success and we had lots of cake to feed volunteers and show goers over the weekend.

Thank you to those who baked and made delicious soup. Special thanks to Wayne from Country Kitchen for your contribution in looking after the volunteers leading up to Saturday and Mark and Angie at Beverley Bakery for morning tea that lasted over the whole weekend.

The free entertainment was very popular and the decision to extend the hours available to show goers was vindicated when we had over 3500 participants at the various sites like gym bus and top fun amusements so the kids must have tried everything at least twice.

The Beverley District High School choir directed by Mrs Kelly Shaw drew a large crowd at the official opening and sang beautifully. There were a lot of justifiably very proud parents in the audience.

A record number of traders and displays from Avondale and Agricultural businesses complimented side show alley. The perennial favourite, Horses versus Humans, was won by the footy club after some controversy and a rematch. The West team were easy winners of the Tug of war competition with Steven Drury as Anchor. Many stayed to watch the fabulous fireworks made possible by our major sponsors Beverley Hydraboom, Rushtons, Whitferts, Peter Fischer and Connie Nish.

So all round it was a wonderful day and a credit to you and your community.

On a personal note I have to express my thanks and gratitude to my family and ten friends who helped in the kitchen over the weekend. I have an absolutely brilliant and dedicated committee. These people and their families need special mention (in no particular order) Sarah Aynsley (shed secretary), Mel Vivian (gate & voice of experience), Tim Cooke (grounds), Michelle Drury (membership), Sam Fricker (treasurer), Sue Martin (secretary and schedule secretary), Bev Murphy (gate), Leah Adams (poultry), Tim Seed (immediate past president), Sandy Woods (cattle), Amor from CRC for creating the promo poster and Sue Britza with the Balkuling pony club. It has been a real pleasure and a privilege to work with people of such high calibre.

Thank you.  
Teresa Reid (President)

### Station Gallery

It was a quiet time at the Station for most of August, so quiet that few people noticed the removal of the beautiful gum tree that stood centre of the seating area and gave such welcome shade during the summer months. But unfortunately its free falling limbs was a safety concern and so Shire saw fit to remove it. As soon as the stump is ground away we can plant another tree - not a gum, and hopefully a fast grower!

### *Artist-in-Residence*

We welcome watercolourist Dave Conlin, and printmaker James Larkin to the Station for the last week of August and September. Both Dave and Jim will be holding workshops while in Residence.

David Conlon will be artist-in-residence from the last week of August to mid-September. Dave lives in Perth and his main passion is painting local scenes in the open air, and he enjoys both Impressionism and Fine Arts. He was born in England and as a child always wanted to be an artist but was directed into engineering in Oil and Gas and Petrochemicals, moving to Australia in 1988 and retiring in 2012 to concentrate on painting.

Dave is holding a **free watercolour demo** and talk on **Saturday 30th August at 9.30am**, then you can paint with him 'plein air' in the afternoon if time permits or join him on Sunday for a paint. This is suitable for children to come along and have some fun also. A full list of materials required for watercolour painting can be picked up from the Gallery, or contact Marylou Hutchinson. The aim is to have fun, so don't worry if you can't source materials or buy everything - we can share around and help with anyone who hasn't got all the materials but would like to have a go.

Dave is generously donating his time but asked that a small donation is given to Beverley Station Arts. We don't mind either way, we would just love to see lots of people there to watch his demo. He is in residence until the 16th so feel free to call in and see him.

James Larkin will be artist-in-residence from the middle to the end of September. Jim was born in Scotland and lived in London 1968-77 where he studied and practiced architecture. He moved to Perth in 1977 later studying Interior Design which he practiced until retiring in 2002. Since then he has developed skills in arts and craft with a particular interest in printmaking which he teaches at Trinity School for Seniors. Jim is offering **tuition in lino cuts daily from 16th - 29th September from 9.30am - 2.30pm**, making it easy to choose a day that suits. There is a \$60 charge per day for this but all materials supplied and cutting tools to share. Even though we will be using a proper printing press for the workshops this can be adapted at home using a roller to press image onto a card, so maybe design your own Christmas cards, invitations, etc: Jim has asked for payment up front by the 9<sup>th</sup> September, but if you only decide that you can come at the last minute, this is fine, but please let Jim know by phoning 0411 186 483 or [aadi@bigpond.net.au](mailto:aadi@bigpond.net.au) this but this interest in printmaking which he teaches at Trinity School for Seniors studying Interior Design or contact Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

We have been fortunate to have on loan from CYO Connor Institute a printing press for the purpose of these workshops (our thanks to David White and Richard Boladeras for collecting it

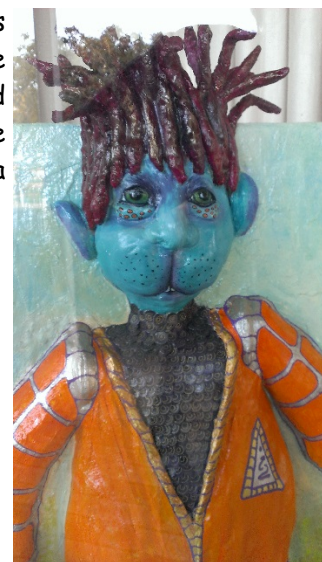

from Quairading - no easy task!). If enough local interest is shown in this craft then Beverley Station Arts may look into purchasing a similar press.

Station friends David and Bola transporting the printing press into the gallery

## Youth Workshops

A series of after school and weekend workshops suitable for youth up to 17 years (inclusive) will be held by artist Charlotte O'Shea during her stay in November. The programme will involve recycling local materials to construct 3D art to display around town. Examples of Charlotte's fantastic alien critters are on display in the Shire Council windows - take a look - you'll be awe-struck!

### **Artists in Residence programme for the remainder of 2014:**

August/September - Dave Conlin - watercolourist, and James Larkins - printmaker (Perth)

October - Mervyn Beamish - artist (Perth)

November - Jill Ansell - painter (Perth); Charlotte O'Shea - digital and public artist (Perth)

Graham Milson - painter (England) February 2015

### **Beverley Station Singers**

*Station Singers* have been practicing weekly for the Beverley Show on August 23<sup>rd</sup> and for the Choir Bash at the Platform Theatre on September 13<sup>th</sup>. Anyone interested in joining the choir contact Tracey Fleay - Mob: 0409 481 029 or E: [traceyfleay@hotmail.com](mailto:traceyfleay@hotmail.com)

### **Platform Theatre**

🎵 On **Saturday 13<sup>th</sup> September** at 2.00pm - 4.30pm **"Voice Moves"** (Western Australia's major choral association whose main aim is to support and encourage networking among choirs and singers in WA) will present the annual **Country Choir Bash** at the Platform Theatre. Leonie Thorogood, president of VoiceMoves, has indicated that this event is proving very popular with choirs around the state - it seems everyone wants to come to Beverley! **Our local School Choir under the direction of Kelly Shaw will sing three songs to start the day as well as Beverley Station Singers singing 3 numbers.** Following our home grown talent will be **5 other choirs, mainly from Perth and ranging in sizes up to 90 people, all singing for around 20 minutes per choir.** For further information check the website [www.voicemoves.com.au](http://www.voicemoves.com.au) Entrance to the Country Choir Bash is \$10pp and a gold coin (or two) donation for country style afternoon tea.

**Please note that ALL GATE TAKINGS WILL BE DONATED TO THE AIRSTRIP LIGHTING PROJECT**

- Country Choir Bash presented by 🎵 "Voice Moves" (WA's major choral association)
- Saturday 13<sup>th</sup> September 2.00pm - 4.30pm (tea break 3.00pm - 3.30pm)
- Beverley Platform Theatre, 120 Vincent St
- An event for the whole family to enjoy as 7 choirs "Sing into Spring"
- **Gates open 1.00pm. Entrance to the Country Choir Bash is \$10pp payable at the gate**
- **Afternoon tea at intermission (\$2 gold coin donation) and raffles to be won**

Wear hats and sunglasses if warm; Rug up if cold and, in case of inclement weather the event will be relocated to the Town Hall.

We're still finalizing events for 2015, trying desperately to bring the Charlesworth Ballet Institute to the Platform Theatre, so fingers crossed, but here is what is planned to date:

# COUNTRY CHOIR BASH

**SATURDAY 13 SEPTEMBER 2014**

Voice Moves is pleased to announce that the beautiful town of Beverley will be hosting the Country Choir Bash on Saturday 13 September. Established in 2010 by the Beverley Station Arts, The Station Gallery and Platform Theatre is a unique outdoor performance venue situated in the beautiful grounds of the restored Railway Station.

**Beverley Station Arts** has made the Platform Theatre the place to be, with the country choir bash as the ongoing opener of the season of events, for the third year running. Truly an event for the whole family!!!

**Date SATURDAY 13 SEPTEMBER 2014**

**Time 2.00pm – 4.30pm (Gates open at 1.00pm)**

**Venue Platform Theatre, Beverley**

**Tickets \$10 per person available at the gate on the day**

Enjoy a traditional country afternoon tea with flair. Raffles available to purchase on the day. All gate takings will be donated to the *'Beverley Airstrip Lighting Appeal'*.

Come along for a wonderful afternoon of entertainment and hear the 6 choirs performing wide variety of songs as they "Sing into spring".

Wear hats and sunglasses if warm; rug up if cold and in the event of inclement weather the concert will be relocated to the Beverley Town Hall.

**BEVERLEY STATION ARTS**  
GALLERY & PLATFORM THEATRE

The call for volunteers to work with the Clydesdales is working. We now have Monica helping out and in early August she came out twice daily to get Comet ready for the show. Robbie seems a little put out. Glenn, the Warden actually asked him "what's going on Robbie? Why the long face?" He replied. "That's because I'm a horse". But in all

seriousness, Mitch and Monica are turning into quite a team with the Clydesdales. Please note: the joke was Glenn's. The farrier has also been out this month so the big boys are getting plenty of attention. All the hard work put in to get Comet ready for the show really paid off and he looked at his very best. He brought a big smile to lots of faces as he gently nuzzled up to all those who came up to say hello and many commented on how fit and healthy he looked. So a big thank you to Monica and Mitch for all their hard work and also to Marian and Wayne for helping with Comet on the day and to Dan Wilkinson who came in to help transport the big boy at the last minute when previous plans didn't quite go the way that we expected.

The volunteers in the Agricultural Machinery Museum cleaned up the old Bedford truck and the McCormick tiller for the Beverley Show which were on display next to Comet. A big thank you goes out to all the volunteers who helped to get Avondale up and ready for the show.

### Visitors to Avondale Farm in August

Year 11 Geography students from two different high schools have been out for field days on the property. Comet and Robbie put on their usual charms which was a highlight for all the students. Killara Adult Day Care Centre at Northam has been for two group visits with nine very entertaining and knowledgeable gentlemen enjoying their day here.

Nineteen visitors attended later the same week for a picnic lunch at the homestead. Many of these seniors had interesting stories to tell as well as many commenting how young they felt this particular day. Glenn reports that he enjoyed all these visits immensely.

The picnic area upgrade is commencing in September with new plans drawn up and a tender accepted from Minda Mia Landscaping. Talbot Nursery have planted over 5000 trees in the reserve and completed the first stage of the weed control. Not much to report on the Max Employment side of things. The guys from section 95 at Woorloo Community Work party are back next month so work will get flowing along nicely again.

The August open weekend visitors came from Kalamunda, Katanning, Geraldton, Perth and even Malaysia and they all enjoyed the facilities. Sadly no locals came out. Hopefully this may change on the 20th and 21st of September which is the next open weekend.

### Beverley Bush Dance

Our Bush Dance featuring the Mucky Duck Bush Band is all set for Saturday October 18<sup>th</sup>. Tickets are now available from the Beverley Community Resource Centre or online from [www.trybookings.com/FPFC](http://www.trybookings.com/FPFC). See the advertisement in this issue for more details. Please contact Jo on 0417 951513 for queries and suggestions.

We are still seeking interested volunteers to help out at the Bush Dance. We would love some help with a busy bee to clean up the shed and grounds in early October. On the night you may want to volunteer to assist with parking, on the food and drink stalls or to assist just helping everyone to enjoy themselves. Please contact Valda on 0418 902 434 to discuss further.

### Warden Glenn

Glenn has been employed by the National Trust at Avondale Farm for a couple of months now. Although he is employed on a very part time basis, he is certainly knocking up many more hours as a volunteer. Avondale Project Farm Association would like to recognise the support and work that he has been doing. He is proving to be an invaluable asset to the Farm with his winning smile, his eagerness to assist everyone and his wonderful cooking skills..... not so sure about his horsey jokes though!

### Open days

Avondale Farm will be open to visitors on Sat 20<sup>th</sup> and Sun 21<sup>st</sup> in September. We are located at 550, Waterhatch Road which is just 6km west of the Police Station. We look forward to seeing you there.

## BEVERLEY HISTORICAL SOCIETY

**August Meeting:** There were 10 members in attendance with 3 apologies. We took time to remember our founding member **Beth Hutchinson** who recently passed away. A tribute appears elsewhere in this publication.

**WWI Project - Remembering Them:** Naomi Lam from WA Museum has reported that our panel information has been forwarded to the Royal Western Australian Historical Society for an accuracy check.

**Beverley Show:** The Society put together a display featuring stories of Beverley "**Journeys**" including a newly written tract on **Water Carting: Then & Now** that touched on the various ways people carted water in big and small quantities from earliest times.

### Research:

- ☞ An old photo of the **Avon Trading** store with a Morris Miner parked outside has been found thanks to community members.
- ☞ The Society has been advised of the location of a couple of **motor bike racing tracks** used in the early days. One on the property of Arthur Cole between Hunt Rd and railway line. Also an area near the school. Does anyone know of any other places used?
- ☞ We have had a request from England for any information about **Frank & Kate (nee Feaver) Hayman** who lived in Beverley from 1920s till their death in the 50s & 60s. If anyone knows where they lived or anything about their children, please contact the Society.

**Field Trip:** The field trip to **Bally Bally, County Peak & Morbinning** has been planned for Wed Sept 10 (changed date). Interested members of the community are welcome to join us. Bring your own lunch, a thermos & a chair and meet at Dead Finish at 9am. We will travel to Bally Bally Hall first, so you can meet us there about 9:45 if more convenient. Sue and Mick Martin have kindly invited us to have our lunch at their place.

## Beverley District High School

Hello everyone! Welcome to our spring edition. We hope you are all avoiding the dreaded lurgy that is going around our school. In one of our classes there were 9 students missing out of 22 and now our teachers are going down!!!!!! We have lots of articles in this edition, so sit back with a cuppa and enjoy!!!!!!

**Beverley Pre Primary** has been extremely busy this year. We started the year learning about ourselves and our families, we then celebrated Easter with our annual Easter Hat Parade. Term Two saw us dig into the world of Dinosaurs and host a special afternoon tea for our fabulous Mums.

### **Dinosaurs! Dinosaurs! Dinosaurs!**

It began with a call from "Avondale Discovery Farm". They had found some bones that might be from a dinosaur. The Pre-Primary and Year One students took up the challenge, donned their Palaeontologist badges and headed to Avondale to dig for bones on the 25<sup>th</sup> June.

Wow!!! Did we find bones! Small ones, bumpy ones, long and huge ones, lots and lots of old greyish bones.

We collected our precious finds and brought them back to school to research, share and study what type of dinosaur they could possibly be. A Muttaborrasaurus??

An Ozraptor?? A Rhoetosaurus?? A Minimi??

The journey of learning continues!

This term we are keeping an eye out for trolls, wolves, dragons and fairies as we follow the trail of Fairytales. We have used this theme as inspiration for our show display. Our next adventure is preparing for our special Father's Day night and making a gift for our Dads. Before we can 'live happily ever after' we need to find out if the Gingerbread Man made it across the river, did the Little Red Hen get some help and how do you grow magic beans?

**Mrs Marg Barrett-Lennard** entered a competition to experience the sailing ship, Leeuwin, for a day for the high school students and her entry has won the students an experience to sail the high seas on board the Leeuwin II! Well done, Marg. The students will be sailing on Friday 7<sup>th</sup> November. Below is Marg's winning entry.

### **Sailing on the Leeuwin II**

We are a group of Year 8&9 students who attend Beverley District High School.

Our school is located 130km from the centre of Perth; this means that we are 145km from the **OCEAN!!!** No sea views in our country town.....we have trees, sheep, cows, huge paddocks full of wheat and canola but **NO OCEAN!!!** Living in Beverley is a little like being dry docked all year round, without any hope of a fresh sea breeze drifting through the classroom windows, or the squawk of a seagull as it swoops looking for a stray sandwich crust! A trip on the Leeuwin would be the experience of a

lifetime and may even inspire some of us to investigate careers outside of the farming industry; it could be a real eye opener for country students, at a time in our lives that is pivotal to our future choices and inspiration.

Teamwork and leadership has long been a focus at Beverley DHS and we understand that this is vital on a ship like the Leeuwin II. Teamwork is integral to life in the country and we are often involved in events that require us to work together with other students and adults in order to attain a common goal. Our local annual show would not be the success it is (now in its 138<sup>th</sup> year) unless we all knew how to get together to get the job done! It is a *long* way from the town oval in Beverley, to the top of the main mast on the Leeuwin II; what a wonderful journey that would be for a small group of year 8 and 9 students if we were lucky enough to win this chance of a lifetime! The stories we could tell our landlocked friends upon our return! The dreams we could dream, on the days and weeks to follow, when we had had our eyes truly opened to the wonders of the sea and the unbelievable thrill of sailing on this amazing ship, out on the open water of the Western Australian coast!

*Please*, consider us for this amazing opportunity; we would love to find out if any of us have some salty sea water in our veins or some windy westerlies in our chests....

Yours very hopefully

The Year 8 and 9 students at Beverley DHS

(There are about 15 desperate landlubbers in our gang and 2 teachers who really need some FRESH air!)

### Flight Experience

On Tuesday 19<sup>th</sup> August, the Year 7-10 students travelled to Perth on Mr Hunter's bus, to visit the "Flight Experience" simulator in Northbridge. The bus trip took two hours and we arrived at about 10.45am. Once there, we were divided into four groups and basic instructions were delivered; Captain Martin explained the flight simulator and told us that we would be spending 15 minutes per group, "flying" to Sydney. He showed a brief film clip about the science behind flight and answered our questions about planes and how they fly.

The first group entered the simulator which looked exactly like the cockpit of a Boeing 747. There was an instructor inside, ready to show us how to "fly". Looking through the aircraft window, we could see the ground below and the city that we would be flying into. We all took a turn at the wheel, using all the instruments and navigating the plane. The co-pilot told everyone what to do and how to land and take off safely.

While waiting for our turn we were kept occupied with various film clips, talks and a paper aeroplane competition!

**Where:** Brookton – WB Eva Pavilion  
**Date:** Wednesday September 10  
**Time:** 2.00 pm  
**Presenter:** Rowan Jones

### Why should you attend?

Rowan's an investment advisor from Entrust Private Wealth Management and regular contributor to the Farm Weekly. He will be addressing 3 key areas:

#### 1. Investment

- How to manage your super fund like a professional
- Why building a share portfolio is like picking a footy team
- Is now the time to be investing offshore?
- What's the one key attribute all wealthy people share?

#### 2. Superannuation

- Is it the best way to build wealth?
- Are you overlooking the easy wins?
- What are the biggest mistakes people make?
- Why are farmers using their SMSF's to acquire farm land?

#### 3. Estate Planning

- Who gets your superannuation when you die?
- How to make sure your beneficiaries benefit from your estate instead of the tax man
- Simple mistakes to avoid

#### RSVP is Essential

If you would like to attend please call or email.

## CWA BEVERLEY BRANCH

The 90th State Conference of CWA of WA was held in York at the end of July - too late for reporting in the August Blarney. It was a huge success with approximately 400 attending. York CWA members and the community excelled in their presentation of a conference to remember.

The Conference was ably chaired by State President, Mrs. Sara Kenny (who officially opened the Beverley Show in 2013) and supported by State Officers. Catering was exceptional, Floral arrangements delightful and excellent guest speakers, including Liz Davenport who donated many pieces of her famous dress fabrics and a contribution from the sale of her book, "Liz" a copy of which Beverley Branch purchased and will be awarded to the "Most Outstanding" article in the Needlework of the Beverley Show. The new CWA Scone Book was also launched to mark the occasion. Donations, raffle gifts and hospitality excelled.

It was great to have Margaret James, former Branch President and office bearer, come up from Albany to catch up with her Beverley friends and stay in Beverley during the week = long conference.

Since her return to Albany Margaret has advised us of the passing of husband, Tony. Beverley CWA members and friends extend their sincere sympathy to Margaret and all the James family. The funeral was held in Albany on 20th August.

Next meeting of CWA in Beverley will be on Thursday 11th September at 10.00am for a morning cuppa followed by the meeting with a "Bring and Share" light lunch to follow.

Visitors and prospective members and always invited to join us at our meetings.

## **BEVERLEY WEIGHT WATCHERS**

Our little group is travelling along very well, unfortunately we can't seem to find any new members so perhaps we are the only few people a little overweight in our town. But if you would like to lose a few kilos come along on Monday mornings from 10am to around noon at the OT room at the Hospital we will make you welcome. Our group although only small encourages you to watch what you put in your mouth. We don't have a pig pen like days of old. For each little bit of weight you lose we reward your loss with a small gift. But then if you do the evil thing and put a little bit on then you need to replenish the gift box. It is amazing what one can do when you put your mind to it.

In July we held our AGM and Joan was happy to stay our President for another year with Daphne our Secretary doing the same. Janet has taken over as Treasurer from Ruth who has stepped down after many many years of Service and we thank Ruth for keeping our Financials in line and recorded with professionalism. We are sure Janet will follow closely in Ruth's footsteps and do an awesome job. Helen remains our Weight Recorder and what a wonderful job she does always encouraging us to strive to lose that extra little bit. After our AGM we had our customary luncheon to reward ourselves on a job well done and we thank Wayne and his staff at Beverley Country Kitchen for a beautiful luncheon and the Pavlova for sweets although we shouldn't eat it sure touched the spot.

Results of our weight loss campaign for the past 12 months is as follows :- Queen - Daphne, Princess - Jean, Most attendance at Meetings - Janet runner up - Joan. Graduates - Helen and Joan. Our Club Federations Slimmer of the Year was Sylvia who represented our Club at the State level. Congratulations to these ladies they sure concentrated on losing weight and hopefully the rest of us will follow in their footsteps in 2014-2015.

This past year we have had a couple of cake stalls and Father's Day Raffle, with our takings over these stalls we have been able to donate a nice amount to Beverley SJA for the lighting of the air strip, donation to the Agricultural Society for Prizes at the Show, A goodies pack for the Hospital Kitchen so they can make cakes and the like for the permanent care residents on their birthdays, and also to a Youth of Beverley so they could go on the Explorer Leeuwin Ocean Adventure, so you see we support our community as much as our finances allow us.

For us to support our Community we must once again thank the community for supporting our fund raising ventures. As in all small communities every little bit helps make our Community better for us all to live here.

As I write this the Beverley Show is fast approaching and we hope that they day is successful for the Show Committee and all who attend and the weather is kind on the day.

To the Beverley St John Ambulance and Beverley Shire who started the initiative to light the air strip so that the Flying Doctor can land in Beverley 24 hours a day if necessary, congratulations on a fantastic job, we look forward to the opening of the runway which hopefully will not be too far into the future.

To our small group congratulations on your achievements this year with attendance, support for our stalls and generally encouraging your fellow members to stay on the right track to lose those little bits of extra weight.

May 2014-2015 be a weight loss year for everyone of us.

**STRESSED is DESSERTS spelt backwards!!!**

## BEVERLEY ST JOHN AMBULANCE.

### LOCAL BEVERLEY ST JOHN AMBULANCE OFFICERS RECEIVE SERVICE MEDALS AND BARS AT ST JOHN'S STATE CONFERENCE 2014.

Beverley Sub Centre this year have 4 recipients for Service Awards that are presented at the State Conference in August. Nominees for their 12 year Service Medal are Robyn Murray and John Lane, John receives his first service bar for five years of voluntary service. Peter Jenkin and Jenny Rayner who previously have received their medal get a bar for years of Service. These awards are given for years of continuous service and the local Sub Centre nominate the recipients to St John Head Office who then forward to Canberra ACT for the citation to be approved.

Peter or commonly known as 'Jenks' by our crews. Peter has to be one of the Centres longest serving Ambulance Officer being involved since 1991. With this year's award Jenks has a total of 23 years active service. This year 'Jenks' receives his 2<sup>nd</sup> Service Bar. Peter was awarded his 12 year Service Medal & first 5 year 1<sup>st</sup> Service Bar in 2009. In 2013 he was inducted as a Member of the Order of St John at Government House. Over the years Peter has served the Beverley Sub Centres as President, Vice President and currently Trainer, Committee member, and the Induction Committee. Not to mention active ambulance duty for call outs at any time of the night or day. Peter holds a current AAC (Advanced Ambulance Care) which he has renewed many times in 23 years.

Jenny is also one of our longest serving Ambulance Officers being involved since 1992. Jenny will have served 22 years active service. This year she receives her 2<sup>nd</sup> Service Bar. Jenny was awarded her 12 year Service Medal and her first 5 year 1<sup>st</sup> Service Bar in 2009. She has served as Vice President, First Aid Trainer, and instigator with Robyn for our Sub Centre Communique. Currently she is a Committee Member, Induction Committee Member and Social organiser. Not to mention active ambulance duty for call outs. Jenny also holds a current AAC (Advanced Ambulance Care), And like Jenks has renewed it many times in her years of Service.

Robyn, who is receiving her 12 year Service Medal, has been actively involved with Beverley Sub Centre since early 2001. During this time Robyn has been not only an Ambulance Officer, she has been Sub Centre Secretary and Crew Trainer, of which she is still helping with training of officers and is currently serving on the Sub Centre Committee. Ordering of stock for the ambulances is also a job Robyn does. Robyn was one of the instigators with the Sub Centre Communique which helps to keep the crews up to date with Sub centre information and other vital information from Head Office. Robyn has volunteered at Mandurah and currently volunteers at Dawesville doing a couple of 12 hours shifts per month as well as being active in Beverley. Robyn holds a current AAC (Advanced Ambulance Care).

John, who is receiving his 12 year Service Medal as well as receiving his first five year service bar. He commenced involvement with St John in the early nineties with the coastal Sub Centre of Leeman. On moving to Beverley and being the licensee of Hotel Beverley he helped out on the odd occasion with driving the Ambulance. Then when he sold the hotel in 2004 he became actively involved

with our Beverley Sub Centre. John is the current President of Beverley Sub Centre and has been since 2005. John instigated the community fund raising for Beverley to have defibrillators of which we now have 7 in the community, which for a small town is a wonderful and amazing achievement. At present the Sub Centre are the instigators of having the Beverley Air Strip lit, which will enable the Royal Flying Doctor to land at any time, John has taken on this mammoth task in conjunction with the Shire, Soaring Society and professional people who need to be involved with getting the lights operational. John is also a qualified AAC (Advanced Ambulance Care) and an active Ambulance Officer.

These 4 people have given many years of active service to St John Ambulance combined total of 70 + years, all serving the Beverley Community 24 hours a day 365 days a year and they are to be congratulated on their dedication as Volunteers to Beverley and St John Ambulance.

## BEVERLEY NATURALIST CLUB

Wow! We have been so flat out photographing orchids and other wildflowers, and spraying weeds in two of our gorgeous reserves. We have photographed some pretty specky orchids and one not so common Primrose Spider Orchid. We have also started up a Facebook page for our club called Beverley Naturalist Club Inc where we have put up plenty of orchid photographs so please feel free to check it out. We are also very happy that other people have felt comfortable posting some of their flora photographs on our Facebook page and we welcome everyone to share their flora and fauna photographs and videos.

We have given the Western Australian Herbarium permission to use our photos on Facebook for their pages to help people with identification of species in Beverley. Over 1300 specimens are in the WA Herbarium with just over 100 of these weeds. A large number of these specimens do not have photos and that's where we can help by letting them use our photos. If anyone would like to see our herbarium or would like a plant or animal identified please contact us on 9646 1469 or 0437 483 175.

We are about to start a new venture because when we heard the Hospital Ancillary Op Shop needed new premises and we were happy to give up our building because we do not use it very often (we would rather be in the bush than in a building). It still is a very sad time for us as we have many happy memories behind the green door over the last 15 odd years but we will make more happy memories in our new building over the next 15 years. Thank you so much to Stephen Gollan for all his hard work in sorting out our new premises and also Dee Ridgway, who has been fantastic at helping us as well. I believe we are very lucky to have the Shire of Beverley as they are very good at helping out community groups like ours. Many other places are very jealous that our council are so helpful, they go above the call of duty. A very special thank you to the Shire of Beverley staff and councillors for all the help given to all of our community groups. Our Herbarium and natural history library are going into the Meeting Room at the Town Hall and all our other things will be going to the Holding Cell at the Old Court House.

Just a reminder to all drivers, it is joey season for marsupials such as Kangaroos, Possums and Echidnas so if you see a dead marsupial on side of the road and don't want to stop and check please ring or text me because I will happily go out and check. I would rather go out to a hundred marsupials with no Joey than to have just one die slowly in their mum's pouch of starvation, exposure or being eaten alive by predators. I can be contacted on 0437 483 175 any time night or day. It is so heartbreaking to find dead joeys when the only thing they needed was someone to notice.

Thank you from Phyllis and Dottie

## BEVERLEY COMMUNITY INFORMATION AND REFERRAL SERVICES

Disability - Aged Care - Carers Centrelink payments:- To qualify for any types of benefits, the criteria if getting more difficult to understand and the forms are getting increasingly difficult to complete. The range of questions includes car trailers, age, make value, licence and the same applies to cars, boats and other vehicles etc. Therefore take extra care when you are filling in any type of forms for either Centrelink or Veteran Affairs and all attachments, when requested, should be certified by a JP or other qualified witness. Please ensure that you hold onto the original documentation and certificates.

Impounding of vehicles/fines infringements by Police Authorities under the Road Traffic Authorities Traffic Act: First phone the Northam Police and seek direction as to how to go about these matters: I have been informed that some of these forms/affidavits need to be witnessed by a Justice of Peace or a court officer and remember that the storage for the vehicle is calculated on a daily basis, this will be over and above the fine imposed. As these matters usually end up in court, seek legal advice before you proceed. Remember on all such matters, the authorities have access to background checks. Fill in all paperwork very carefully.

### **BEVERLEY VISITORS CENTRE**

This is probably the final report under the banner of the Tourist Bureau .However as the CRC are taking over the business side there may be a different heading next month when all the " I's " are dotted and all the "T's " have been crossed in the final handover.

The general running will still be in the hands of our very capable volunteers but of late there have been times when we have been unable to keep the doors open due to either illness, holiday plans or work commitments. Disappointing I know but as with other organizations in Beverley we are stretched to the limit.

During the past month I have been unable to cover all of my shifts for personal reasons .There has been a regular flow of visitors during that time and it is really good to hear all the positive remarks about our town and it's various facilities.

The Agricultural Show will surely bring in a large influx of people over the weekend. Another way to let others know what Beverley has to offer. Again, a huge thank you for all the time you give every week even though you have busy lives outside the bureau.

## Beverley Garden and Tree Society

This month the weather was so beautiful that our monthly meeting was held in the garden of the Dead Finish. We sat in the pale winter sunshine and admired the efforts of the volunteers who attended the July busy bee. The garden has been weeded, pruned, thinned out and generally re-furbished and is looking great. It will look even better in the spring.

Members are reminded that the demonstration of bonsai growing is on the 2<sup>nd</sup> of September at the Dead Finish at 10am. They are asked to bring along any plants they might like to learn about in relation to bonsai, and any suitable pots and growing medium.

September 11<sup>th</sup> is the club's turn to host the friendly club at the lodge and members are asked to bring a plate of savouries and sweets. This event is at 2pm.

The bus trip to Toodyay is proving very popular and only three seats remain. We will visit a winery, the Emporium, garden centre, the Christmas shop. This is to be on the 28<sup>th</sup> August.

Now to our gardens! August is the time to both feed and plant citrus and for those with a warm place early tomato seeds can be tried. I have a friend who puts hers on a hot water bottle at night and out in the sun in the day!

Carrots, parsnips, artichoke suckers, celery, peas, silver beet lettuces and spring onions can all go in. It's not too late to put in some kale either. In the flower garden seed dahlias, gerberas, alyssum, cosmos, nasturtium, salvias, cleome, sunflower can all go in.

The winner of the pavers pictured below was Beryl Hughes.

## Book Launch in Beverley

On August 13th, Beverley hosted author Linda J Bettenay's Author Talk in the playgroup area of the Beverley CRC. A small but enthusiastic group of locals enjoyed Linda's talk. Many came from far and wide to listen.

With a range of passionate readers attending, the conversation bubbled with these book loving locals taking the opportunity to learn more about the unbelievable story behind Linda's first book 'Secrets Mothers Keep'.

In her presentation, Linda revealed how her husband Mike only recently discovered that his grandfather had been murdered and grandmother, mother and two aunts had been savagely assaulted and so unearthed a carefully kept secret that had existed in the family for over 80 years. She also explained how she then researched the story, discovering strange links across the globe which assisted her to develop a complex set of extraordinary characters and bring this pioneering yarn to life. This is all revealed in her book 'Secrets Mothers Keep'.

At the local author talk, Bettenay revealed that the truth behind the murder and abuse within their family, was discovered in Denmark two years ago. The rest of the story unravelled from that point. This amazing yarn is the basis behind 'Secrets Mothers Keep'.

'My visit to Beverley was lovely with locals giving me a warm welcome.'

'Sharing the joy behind my first book is a fulfilling experience. We intend to be back. We are hoping to return when my next book 'Wishes For Starlight' is released. All interested folk are invited to attend; watch the local press for more details,' Bettenay said.

If you would like to know more about this book and the story behind it, or for details on purchasing the book go to [www.lindasbooks.com.au](http://www.lindasbooks.com.au) or for details on the author tours visit her facebook page [www.facebook.com/lindasbookswa](http://www.facebook.com/lindasbookswa).

# Beverley Playgroup

We are a fun place for babies and children aged 0-4 years old to come and meet new friends, learn from each other, problem solve, play with new toys and equipment, practise their social skills and learn the meaning of 'share'. It's not all about the children though, it's great for the adults to socialise, share tips and enjoy a cuppa as well. We are always welcoming new members. You are entitled to 3 free sessions before joining as a member. Children don't have to be brought in by a parent, it can be a grandparent, aunt etc. We'd love to see you at Playgroup!

## This Month

Whilst it has been great fun doing all our 'Under the Sea' themed craft for the show mural, it is nice to move onto some different activities... like finger painting with shaving cream and creating crazy sponge creatures! Thank you to Jo Roques and Chris Mann for their combined efforts to get our show mural completed. It has been fabulous to see some new faces at Playgroup this month, we look forward to seeing these people return in the future.

## Boogie Roos

On the 31<sup>st</sup> July, Sandra from Boogie Roos ran her interactive musical session at the Amenities building. It was lovely to see the kids have so much fun! Sandra had them singing, dancing, smiling and laughing and using all sorts of props; like finger puppets, large cheerleading pom-poms, bits of silky material, balls, bubbles, maracas, a large parachute and more. She even brought along her puppet 'Lipstick' who took a liking to some of the Dads! It was also good to see some new people there, we hope we might see them at Playgroup again soon. Thank you to Jenette Loud for organising this, Jo Johnson for helping set up and making all the tea and coffee, to all the members who brought in yummy morning tea to share and to those people who stayed to help clean up at the end.

## First Aid Course

What would you do if there was an emergency with your child? Do you have up-to-date paediatric (child specific) first aids skills? Hopefully, you will never have to use these skills, but it is better to be prepared isn't it? We will be organising a paediatric First Aid course. Date, cost and other details are yet to be arranged. Please register your interest in this course with a committee member at Playgroup, or by contacting Jenette Loud 0414 923 534 or [jenetteloud@bigpond.com](mailto:jenetteloud@bigpond.com).

## Coming Up

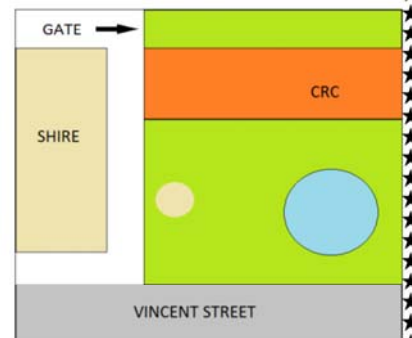

Father's Day is Sunday the 7<sup>th</sup> September. Be sure to attend Thursday 4<sup>th</sup> September, as we will be making something special for Dad ready for Father's Day. We wish all the Dads out there a Happy Father's Day!!

## FATHERS DAY

Henry Maxwell

Dad you were there at my birth,  
You gave advice for what it was worth.

You let me decide if I took it or not,  
You never left me in an awkward spot.

You stuck up for me when I went astray,  
So Dad, this love is for you on  
Fathers Day.

**EVENTS****Wild Women of the West 2014**

The 2014 seminar 'Diamonds in the Rough', we are excited to announce Judith Fordham and Sarah McIver as our guest speakers for this year's event. We will have shopping, door prizes, raffles. Tickets will be released to the public soon, be sure to look out for advertising. Grab your mum, sister, friends or work colleagues and have a great day out in style.

**The Truth about Forever**

What is the truth about forever? A one day seminar created specifically for the youth in the Wheatbelt region with the aim of raising awareness of drug and alcohol prevention in our teens. Real life experiences from athlete Jade Lewis and her husband on the day plus the crew from Noongar sports will be running activities on the day.

**The magic is in the music**

School holidays is coming and the centre is hosting a day workshop for local children to learn how to make music videos, by simply accessing apps available on their iPads. If your child has an interest in creating their very own clips then register them now to secure their spot, yes they do need to bring their own device on the day, Tuesday 30 September.

**Welcome to Beverley morning tea**

Wednesday 10 September, 9.30am - 11.00am at the CRC

The welcome to Beverley morning tea is a new initiative from the centre, giving the new residents to town the opportunity to meet and greet members of the community, collect information about clubs and groups in a friendly and relaxing environment. If you would like to come along, simply register your details at the centre on 9646 1600.

**Community Directory 2014 - 2015**

The 2014 - 2015 Beverley Community Directory is due to be distributed in November 2014. If you need to register or update your details, forms are available at the centre. We ask all community groups and clubs to update contact information. Businesses there will have advertising opportunities plus discounts available for members of the CRC.

**TAX TIME****Lodge online with FREE Etax or MyTax**

The CRC has downloaded the latest version of Etax on our computers at the centre, that are located in a private area. If you wish to lodge your tax return online via Etax or My Tax, please call us and we can set aside a time for you to ensure your privacy. This is a free service to the community. *Please note that staff are not able to do the lodgement for you.*

**Tax Help Volunteer**

Beverley has a Tax Help Volunteer who has been trained by the ATO to assist eligible residents to lodge their tax return for FREE. If you would like to book an appointment with Terry for **Tuesday 09 September**, then please contact the centre on 9646 1600.

**Business Sundowner**

A big thank you to all of the business owners that attended the business sundowner on Thursday 07 August. Thank you to Caroline Robinson from Wheatbelt Business Network (WBN) her talk was informative and injected some motivation into the shop local campaign. We understand that your schedules are busy but we are hosting more events specifically targeting business owners including breakfasts and another sundowner.

**Mad Men's Muster**

Thank you to One Life (1ife) for funding the event and allowing us to access some fantastic guest speakers such as Paul Haselby and Mickey Arthur. The turnout for the day was great, with a wide range of age groups coming along to enjoy a few hours of bloke time, plus some superb food from the Smoke Shack guys. Thanks to Terry from Regional Men's Health for the on the spot pit stop health checks. Congratulations to Fred Bremner the winner of the counter top smoker and all of the other spot prize winners. Lastly thank you to the comedy factor for the day, yes that's you John Lane our devoted MC and the guys from Suns of Fred, unfortunately due to the acoustics of the hall, not everyone could enjoy their music/comedy act, they will be back in Beverley in February 2015 at the Platform Theatre. Pictures on page 29 of this edition.

**Memberships at the CRC**

Membership packages that have been released, giving you a range of options from basic, individual, business and community group. Each package has a different level of benefits including training and IT assistance. For business owners there is online advertising and marketing opportunities. For all of our members please don't forget our AGM is on Monday 08 September at the centre, if you wish to be on the committee or just listen to the annual review of the centre, this is a great opportunity. The CRC is run by a committee with the interest of the community driving it forward to bigger and better places, if you want to be part of our pro active team join now.

# Tribute to Beth Hutchinson

from the Beverley Historical Society

It is with regret that we mourn the passing of founding Beverley Historical Society member, Beth Hutchinson who died unexpectedly on 25 July.

In 2011, Beth found time to document her memories as a child in the Beverley district. She was born Elizabeth Ann Edwards in 1929 in the Beverley Maternity Hospital. Her first home on the farm, out Bally Bally way, was a mud batt house with a bullnose tin roof.

Beth was educated first at the Convent school, then by Correspondence and, when the school bus service was introduced, at Beverley State School before a final three years at boarding school in Katanning.

She married Bob Hutchinson in 1952 and moved to the West Dale where they farmed for 30 years, raising three children, before retiring to Hunt Rd in town.

Her family says she was resilient, forgiving & loving. Her friends say she had a wicked sense of humour and could be fiercely independent.

Beth was the founding Treasurer of the Historical Society for seven years from 1976 to 1982, the Secretary for three years 1986 to 1988 and served the Society again as President for three years from 1992 to 1994.

Many of the younger generation who experienced an "Olden Days" morning at the Dead Finish Museum will remember Beth's instruction in "washing the old-fashioned way". Beth called on her own experience as a child to give practical demonstrations of washing routines before the ready availability of electric washing machines.

Beth devoted over thirty years to the Historical Society and the Dead Finish Museum, and we celebrate her enthusiasm for local history and her animated efforts to pass this interest on to the children of Beverley.

Beth was a remarkable member of our Society and an outstanding citizen of our community.

### Lyme Disease

#### Could There be a New Vaccine for Lyme Disease?

by [Jenna Smith](#)

Posted on [April 7, 2012](#)

While politicians and lobbyists squabble about the possibility of a condition known as “chronic Lyme disease”, other scientists are studying what makes Lyme chronic. The evidence of chronic Lyme disease has already been thoroughly examined and confirmed, and yet there is a massive effort to disavow chronically suffering individuals from accessing insurance coverage and social security disability in a blatant case of discrimination.

To make matters worse, the doctors who desperately want to help their suffering patients are afraid to treat them for some very real reasons:

- peer pressure from other doctors in a large practice;
- liability from other doctors filing charges of malpractice – NOT the patients, but ignorant physicians;
- the outrageous cost of law suits charged by other doctors NOT patients.

Meanwhile the PhD’s are ignoring the debate completely fascinated by such an intelligent bacteria. Somehow the Hippocratic Oath seems to mean more to the scientists than the medical practitioners.

What is wrong with this picture?

### Looking after your Mates (...are you okay??)

On the back of the Regional Men's Health Initiative delivering a paper to the National Suicide Prevention Conference in Perth last month, we thought it was appropriate to talk about suicide from a primary carer's point of view. As a community we have to be able to talk openly and frankly about suicide, because without using the word suicide we can't talk about it and make a difference.

Caring for ourselves and each other is a primary responsibility for all human beings. Sometimes we are so busy with our lives that we fail to see signs of despair, hopelessness, desperation and depression in those we live and/or work with. Failure to recognize these signs could have life threatening consequences.

When we consider that 80% of suicides in Australia are men, it is important to develop an understanding of "life problems" in our own lives and the lives of others around us. Suicide is not a standard list of risk factors, it is always contextual and personal. Suicide prevention is everyone's business.

When dealing with "intense" life problems, thoughts of suicide can be a "normal" reaction and become part of the problem solving process. Research tells us that most of us will have "suicidal thought" during our lives, but we will not harbour them. It is when people can't get rid of bad thoughts and ideas that it becomes a problem. Suicide can affect anyone, anywhere, at any time.

Three things you need to commit to memory about suicide are:-

1. People don't want to die, they want to stop the pain.
2. It is safe to talk about it.
3. Know where to go for help (Lifeline – 131 114, Mensline 1300 789 978)

Our educational programs' philosophy is to assist and encourage men to be able to identify who their mates are. Our experience, based on research and anecdotal information, is that many people, particularly men, in our fast moving society have not identified key people in their lives who they can turn to in times of distress and crisis.

The Regional Men's Health Initiative promotes the simple slogan "before it all gets too much...Talk to a Mate" or talk it over. This slogan is the basis of all our initiatives. Suicide awareness is mentioned and part of every education session we present, but not the focus.

We do however have one 2 hour education session titled, "Looking after your Mates (... are you okay??) that does focus on suicide awareness and primary care.

"Primary Care" is ordinary people looking after "Their Mates". We promote an inclusive responsibility that everyone is a primary carer of family, friends and neighbours. Our focus is always on "ordinary people caring for people" appropriately supported by good medical and psychological services.

Most of us will not know how others around us are feeling unless we care enough to ask. Warning signs may not be obvious but any changes from the normal in respect to appearance, behaviour and/or conversation may provide a vital clue.

World Suicide Prevention Day is on the 10<sup>th</sup> September, let's have that conversation and if you are concerned about someone ask "how are you going?"

If you are seeking support and/or information contact Lifeline 131 114, the Suicide Call Back Service 1300 659 467 and/or Mensline Australia 1300 78 9978.

## The Words of the Preacher

“And He (Jesus) spoke many things unto them in parables, saying,

‘Behold a sower went forth to sow; and when he sowed, some seeds  
fell by the wayside, and the fowls came and devoured them up:

Some fell upon stony places, where they had not much earth: and  
forthwith they sprang up, because they had no depth of earth: and  
when the sun was up, they were scorched; and because they had no root,  
they withered away.

And some fell among thorns; and the thorns sprang up and choked them:

But some fell into good ground, and brought forth fruit, some an hundred fold,  
some sixty fold, some thirty fold.

## **Beverley Men's Golf**

The weekend of 27<sup>th</sup> July 2014 saw the club hold their Open Day the “**Springdell Cup**” which was jointly sponsored by **Wayde and Kathryn McLean** and **Heng EE**.

**Wayde and Kathryn McLean** was sponsoring the 4 Ball Best Ball Stableford competition which was held on Saturday 26<sup>th</sup> July with 28 playing.

The Nett Winners for the day were G.Davies and B.Wallace from York with a very good score of 49 points and the Runners Up were G.Forward and D.Forward with 46 points.

The Gross Winners were A.Lister and P.Bateman from York with 32 gross points and the Runners-Up on a countback were S.Osgood and V.Blecynden with 32 gross points.

The club sincerely thanks **Wayde and Kathryn** for their generosity in sponsoring this event.

Sunday 28<sup>th</sup> July was the “**Springdell Cup**” a 27 hole event. Play commenced in lovely conditions at 8:30am with 53 players in the field.

At the end of the day there were some tremendous scores and not so good, but in the end all who played had a great day.

The Winner of the **2014 “Springdell Cup”** was Micheal Griffiths and Phil Crute with 57 points. Third place was W.Phillips.

In the Gross Ryan Sheridan and Vance Blechynden from Brookton won the **Barry Winfield Memorial Trophy** for the best gross score with 46 points. Third place was won by A.Lister from York.

An 18 hole event was also held on the day to assist those players who wished to play 18 holes instead of the 27 hole. This was won by Mick Jones with 33 points from Fred Sing who had 30 points.

Once again the club would like to thank **Heng EE** for supporting this day.

Saturday 2nd August 2014 saw 7 players take part for the **Club Trophy**.

Terry Winfield played well scoring 35 Stableford Points, with Mel Vivian scoring 33 Stableford Points.

Terry Winfield also played well shooting 82 to card the best Gross score.

Once again a big thankyou to **Beverley Golf Club** for sponsoring the day.

On Saturday 9th August the final of the Club Championships were held. Mark Armstrong and Terry Winfield played for the 2014 Club Champion award and this match was decided after 34 holes of the scheduled 36, which saw Terry Winfield, defeat Mark Armstrong. Gavin Sazanov played Mel Vivian for the 1<sup>st</sup> Division title.

These two played very well and their game was also decided on the 28th hole, with the winner being Gavin Sazanov.

Congratulations are extended to both Terry and Gavin on their wins and also Mark and Mel in making the final.

In conjunction with the Club Championships a small field of 6 players battle for the **Les Annison Trophy**. This was a Stableford event which saw Darrell Hagan win his own day with 37 points. Les advised that he did not wish to win his own day and awarded his trophy to Steve Gollan who had 34 points two more than Dale Wansbrough with 32 points.

Big thanks go to **Les Annison** for providing a trophy for the day.

Good conditions greeted 12 players on Saturday 24<sup>th</sup> August to play for the **David Adams Trophy**.

This was a Par event which saw only 2 players having a plus score at the end of the day. The winner of the **David Adams Trophy** was Terry Winfield with a score of +3 with John Donovan in second place with +2.

Once again our thanks are extended to the **David Adams** for supporting this event.

We've reached the business end of the season, and by the time we're all reading this edition we will be hoping our League and Netball teams are preparing for a Preliminary Final. Our Reserves team finished the season with three wins and eleven losses. A big thank you to first time Reserves Co-Coaches Daniel Fleay and Jarrad Minchin for all their hard work and dedication throughout the season. We're sure they both learnt a lot from this experience and found it rewarding seeing the development of players. A full list of the award winners for the season will be detailed in the October Blarney, however we wish to thank all our players, members, sponsors, supporters and hard-working volunteers for your loyal and on-going support which makes our Club such an enjoyable place to be a part of.

## BEVERLEY REDBACKS HOCKEY CLUB

We are currently sitting 5<sup>th</sup> on the ladder and with only one game still to play, Beverley still has a chance on making Finals.

### **Round 10 Wongan vs Beverley 26<sup>th</sup> July**

What can be said about this game, except for Wet and Muddy....did I mention wet??! Beverley took on Wongan Hills in the Seasons wettest game so far. Skill was required not only on the field, but balance to stay vertical, while still concentrating on the game! Beverley put the pressure on right from the start, which resulted in a fantastic win by the girls and Thomas. Congratulations to Thomas one your first goal.

Wongan 0; Beverley 5

Goal Scorers: Chantelle Meade 1, Carissa Shaw 1, Lisa Morach 1, Kelly Mann 1, Thomas McLean 1

#### **Award Winners**

Emily Miller - Coaches Award - Sponsored By: Garry and Sarah Miller, Beverley Transport

Kelly Mann - Captains Award - Sponsored By: Trevor and Amanda McLean, Waterbrae

Megan Gaine - Play of the day - Sponsored By: Northam Tavern

### **Round 11 Allsorts vs Beverley 2<sup>nd</sup> August**

Our opposition, Allsorts, forfeited the game, resulting in Beverley taking the winning points for the game.

### **Round 12 York Cougars vs Beverley 9<sup>th</sup> August**

The Spring weather definitely arrived, in what was a very warm game. The girls played extremely well, but with no subs on the sidelines to let the girls get their breath back, York was able to overrun Beverley with fresh legs throughout the game. Lisa scored a textbook goal leveling the score to 1 All, however York fought back to claim victory.

York 2; Beverley 1

#### **Award Winners**

Kelly Mann - Coaches Award - Sponsored By: Garry and Sarah Miller, Beverley Transport

Karlee Morrell - Captains Awards - Sponsored By: Trevor and Amanda McLean, Waterbrae

Carissa Shaw - Play of the Day - Sponsored By: Northam Tavern

### **Round 13 Beverley vs Aces 16<sup>th</sup> August**

Our last home game for the season was held in conjunction with our Sponsors and Supporters Day. The girls and Thomas played a hard fought game with plenty of play in our defensive half. We had plenty of opportunities on goal, but unfortunately couldn't get more on the scoreboard, which resulted in a draw. Congratulations to Megan aka Bird, on her first Goal!!

Beverley 2; Aces 2

Goal Scorers: Lisa Morach 1, Megan Gaine 1

#### **Award Winners**

Thomas McLean - Coaches Award - Sponsored By: Garry and Sarah Miller, Beverley Transport

Kelly Mann - Captains Award - Sponsored By: Trevor and Amanda McLean, Waterbrae

Lisa Morach - Play of the day - Sponsored By: Northam Tavern

#### **Sponsors & Supporters Dinner - Saturday 16th August**

Thankyou to all our Sponsors and Supporters who came along and cheered on the Hockey Team at our last home game. Your support from the sidelines is very much appreciated and helps lift the spirit of the team. Thankyou again.

## AGM

The Annual AGM was held on 20<sup>th</sup> August at the Amenities Building after training, to elect Positions for the following year. The following Committee was elected:-

President – Kathryn McLean  
Vice President – Carly Veitch  
Secretary – Chantelle Meade  
Treasurer – Megan Vandenberg  
Committee – Hollie Smith, Lisa Mourach and Megan (Bird) Gaine

Welcome to Lisa and Bird to the Committee!

We farewell from the Committee-

Ali Lewis, who has been a vital part in the running of the Committee. She is an all-rounder who helps out in any aspect she can Thankyou Ali!

And to Kelly Mann, who was a key player in starting Hockey back up in Beverley 5 years ago. Thankyou for all the time and effort you put into the Committee and the team over the past 5 years. Without your dedication, the team wouldn't be where it is today without you. Thankyou Kel!

# BEVERLEY NETBALL CLUB

Well Beverley Netball Club followers, we have come to the end of the netball season. We have gone as far as we can go. Its now up to Pingelly and Brookton to battle it out for the 2014 Premiership.

As most of you are aware, our last game saw the two Beverley teams compete for the Jurakine Shield. The Jurakine Shield was donated by Dee Ridgway and family. The Beverley Netball Club became a significant part of Dee's life when she was a member and player for many years. The Netball Club's fundraising started when Dee was active in the club so her dedication at the time, along with other members shall not be overlooked. The title of the Shield originated from Nookie Ridgway's Grandfather as he established their farm in the Beverley district. Jurakine became the name of the farm.

Anyway, back to the Derby. Again it was an extremely close game and could have been either teams match right to the end. Most people would agree that players showed off some of their best netball skills. The huge congratulations goes to the Beverley Hunters on winning the Jurakine Shield by 2 goals. The end score being 30 to 28. The Netball Club would like to thank Dee and Nookie Ridgway for taking the time to attend the Derby and to present the shield.

It is how time to organise the end of season windup. Again this year each team has chosen a theme to dress up as. Of course I can't tell you what they are because its a surprise. The venue and date are still to be advised but just keep an eye open for some oddly dressed ladies in the near future.

The next edition of the Blarney will include the end results of the finals and trophy winners.

# Beverley Horse and Pony Club

## Giddy Up ! Giddy Up!

Our August rally was quiet with a few away which was lucky as one of our wonderful coaches Felicity Perry, had to cancel due to illness. It was lovely to see Marika Coghill back at Pony Club, who along with Jenifer, Annette, Pauline and Tess ran a super smooth rally. We warmly welcome our new member, Aaron riding Starlight, in the miniatures group. It is great to have another boy in the club! We also had some new horses with Talia on her new horse Dixie, and Jess riding Max. Annie Herzer on her mount Keyway from Avon Valley joined us for the day as she was qualifying her new horse for the PPMG.

In the afternoon the two older groups combined to tackle the cross country course. Heart's pumping and focused riding saw the riders challenging their jumping skills. Kip showed us her spectacular flying style as her pony, Minute, demonstrated how to jump in the Olympics and forgot to let Kip know how high he was going. All riders made great improvements and were impressive to watch.

We wound up a busy day with all the riders practicing the novelties for the Beverley Show.

### Coming Up

We have lots of activity coming up so mark these dates in your diary

- 19th September Busy Bees for the Breed Show
- 20th September Beverley Horse and Pony Club Breed Show
- 21st September September Rally
- 12th October D and D\* Examinations
- 19th October October Rally
- 26th October Avon Zone ODE
- 8th November Pony Club Windup—Twilight Ride and Camp out

### OUT AND ABOUT

#### Avon Valley Gymkhana

Tealah and Kip represented Beverley Pony Club at the Avon Valley Gymkhana in Northam on the 27th July. Tealah and her pony, Cherry, competed in the showjumping with a blue ribbon in the 35cm and a red ribbon in the 40cm. Kip on Minute then joined Tealah and Cherry in the novelties in the afternoon. Due to the weather the number of competitors was low and we thank Avon Valley for holding this event. Both Tealah and Kip competed against each other in the under 10 years novelties and equally shared the blue and red ribbons with Kip just winning overall. Both girls came away with a beautiful body brush as their prize for the day.

Well done girls!

Tealah and Cherry—and yes that is a train in the background!

#### Beverley Agricultural Show

We hope everyone had a fantastic time at the show! Good luck to those attending the York Show.

See you all for our next rally on the 21st September, gear checking at 8.30am Sharp!

Please contact Mrs Pauline Appelbee via email [appelbees@skymesh.com.au](mailto:appelbees@skymesh.com.au) or phone 9647 1181 so that she knows who will be attending the rally!
