

# BEVERLEY BLARNEY

Edition 378

April 2016

No Charge

## *Lest We Forget*

### ANZAC Day Services in Beverley

#### Dawn Service

March will start at 5.45am in front of the Beverley Licensed Post Office to the War Memorial, Vincent Street. Marchers to fall in at 5.40am.

#### Gunfire Breakfast

The Beverley tradition of the Gunfire Breakfast, after the dawn march, will be served at the RSL Hall in Forrest Street. All welcome.

#### Mid Morning Service

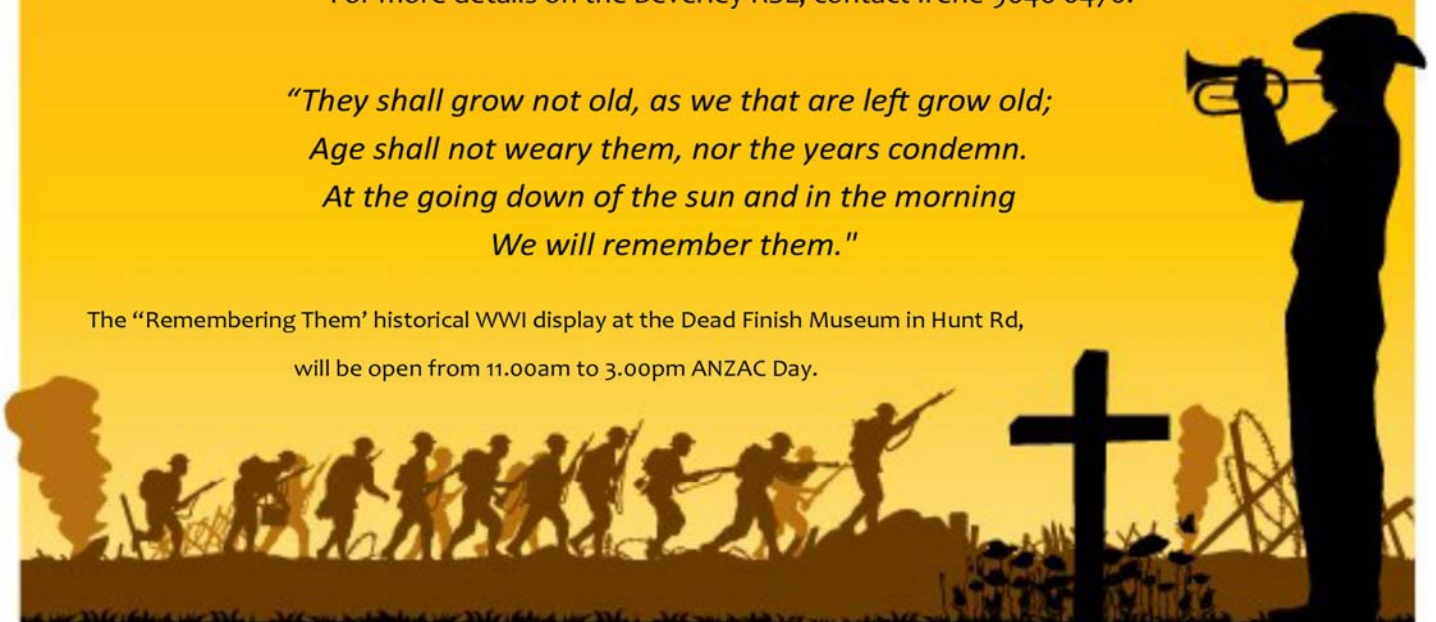

The mid morning service will start with the march at 10.45am, marchers to fall in at 10.30am from the RSL Hall in Forrest Street to the War Memorial, Vincent Street.

Performances from the Beverley Station Singers  
and the Beverley District High School Choir.

For more details on the Beverley RSL, contact Irene 9646 0470.

*"They shall grow not old, as we that are left grow old;  
Age shall not weary them, nor the years condemn.  
At the going down of the sun and in the morning  
We will remember them."*

The "Remembering Them" historical WWI display at the Dead Finish Museum in Hunt Rd, will be open from 11.00am to 3.00pm ANZAC Day.

In this month's edition we have ANZAC Day articles submitted by the Beverley Historical Society on pages 20,21 & 22

## Shire of Beverley

### President Report

#### Multipurpose Community and Visitor Hub – “Beverley Cornerstone”

The grant application for Round 3 of the highly competitive Federal National Stronger Regions under the project title of “Beverley Cornerstone” was submitted during March 2016. A separate application to the Wheatbelt Regional Grants Scheme was also completed.

#### Register of Interest – BBP Aged Housing Project

The Beverley, Brookton & Pingelly (BBP) shires are currently working with the Wheatbelt Development Commission to develop a Business Plan for Aged Housing in our communities. Exact details for the project are yet to be determined. The Shire of Beverley proposes to establish a register of interested residents who wish to be placed on a waiting list for age appropriate housing in Beverley. No personal or financial information is required other than contact details at this time. Please contact the Shire Office as soon as possible to register.

#### Water Harvesting Project

Work is almost complete:

- The plastic liners have been laid in both retention basins.
- The permanent link mesh fence has been booked to be completed prior to Easter.
- Laying of the return water line to the dam has begun, all the poly pipe is on site.

An official opening is expected towards the end of May or beginning of June.

#### Easter 2016

I trust everyone enjoyed a safe and successful Easter, even with the downpour on Saturday. Beverley comes alive during this period and I thank all the shire staff, business owners and volunteers and members of various clubs and groups who donate their time and effort to all the happenings around town.

Dee Ridgway  
Shire President

# MEDIA RELEASE

## Sowing the seeds for road safety

With seeding season on the way, motorists in Beverley should be aware of increased heavy freight traffic and towed farm equipment on local roads.

Drivers should be alert on local roads. Expect more heavy traffic on roads that may normally have little traffic.

Trucks, utes and farm machinery are likely to be on the roads, crossing roads and exiting in unusual places. Many of these will be oversize vehicles, and they will need some or even all of the other side of the road. It is important to give them room to pass safely.

Shire of Beverley advises all motorists to use their headlights during the day time as we head into autumn and winter, so that other road users can see them in poor light.

CEO Stephen Gollan said, "Current dry conditions means that there is dust on country roads, and this will affect vision of taillights and judgment of distances. With burn-offs and when the rain starts, smoke and spray will also affect vision. Don't overtake if you can't see through dust, smoke or spray."

"For farmers who are often working into dusk and night time, it is important to have all flashing lights on machinery and vehicles in working order to ensure maximum visibility to other road users," he said.

Farmers are encouraged to check the updated *Guide to the Movement of Towed Agricultural Implements in Western Australia*, which is available from [www.transport.wa.gov.au](http://www.transport.wa.gov.au), or ring 13 11 56 for guidance on their responsibilities.

It is also important to consider the risk of fatigue and take extra care when driving home after working long hours in the paddock.

We have a shared responsibility for safety on our roads, so all drivers need to be careful and vigilant in this busy season.

# Terms and Conditions

## Showerhead Swap

### **Before removing your showerhead, it is important you read the Terms and Conditions below.**

- Water efficient showerheads are not suitable for low pressure, gravity fed (in the roof) and some instantaneous or continuous supply hot water systems.
- The Water Corporation takes no responsibility for plumbing issues relating to your property as a result of the program. It is the customer's responsibility to ensure the new showerhead/s is compatible with existing systems. If you are in any doubt ask a licensed Waterwise Plumber for advice.
- In accordance with the *Residential Tenancies Act 1987 (WA)*, if the property where the showerhead/s is to be installed is rented, both the landlord and tenant must agree to the replacement of the existing showerhead/s with the water efficient showerhead/s.
- If you need assistance with installing the showerheads, we recommend you contact a licensed Waterwise Plumber. You can find a list of licensed Waterwise Plumbers on our website at **[watercorporation.com.au](http://watercorporation.com.au)**
- If you experience any product faults with your new showerhead/s, call the supplier Methven on 1300 638 483. The Water Corporation provides no warranty regarding the performance of the showerhead.
- The Water Corporation is not responsible for the removal or installation of the showerhead/s, or any associated costs incurred by participating in the Showerhead Swap program.
- Listed distribution points will act as a distribution point only for the showerheads on behalf of the Water Corporation. Distribution points will not be responsible for any potential issues arising out of the swap arrangements such as installation or warranty problems.
- Each household is able to swap a maximum of two showerheads. A Water Corporation account must be presented at the time of the swap. The old showerhead/s swapped will be accepted by the distribution point and they become the property of the Water Corporation and cannot be returned to the customer. The old showerheads will be recycled and the scrap metal will be used to make other products.
- This offer is only valid whilst stocks last or until 30 April 2016.
- By participating in the Showerhead Swap program you have accepted these terms and conditions.
- For more information, visit **[watercorporation.com.au](http://watercorporation.com.au)**

---

# Free showerhead swap

## BEVERLEY

**Are your showerheads old and inefficient?  
You could be saving water by making a simple change.**

**22% of all household water use is in the shower** – so it's a great place to make water savings. Switching to a water efficient showerhead can save up to **7,000 litres per showerhead, each year.**

### **How to exchange your showerheads**

Water Corporation customers are able to exchange up to two of their old showerheads for new, water efficient models **absolutely free.**

To receive your new showerheads,

- Go to the SHIRE OF BEVERLEY OFFICE)  
136 Vincent Street Beverley WA 6304
- Present a copy of your Water Corporation bill
- And handover up to two of your old showerhead/s

Before removing your old showerheads, **read the Terms and Conditions** at [watercorporation.com.au/programs](http://watercorporation.com.au/programs)

# CBH GROUP GROWER MEETINGS

It's time to have a discussion about CBH's future.

We want your input and we're holding a round of grower meetings in March and April. Hosted by your local Director with the senior CBH team, don't miss this opportunity to join the conversation and have your say.

## Familiar face joins CWIB Northam

**MEET Andrew Knapp, he's the new branch manager at Country Wide Insurance Brokers Northam.**

A familiar face about town, Andrew's a long-time Northam resident, who's called the Wheatbelt home for more than 17 years, which includes 11 years' experience in the insurance game.

A former police officer, Andrew met and married his wife Kristy in Northam and the pair keep very busy raising two young daughters Emily, 6, and Amber, 4.

Since joining CWIB's Northam Branch, Andrew's enjoyed working alongside "some of the best in the business" CWIB Northam's Accounts Manager Jayi Turnock and Broker Support Stephanie Kintsch.

"I've been extremely fortunate to work with such a dedicated and well-respected team," Andrew said.

"It's been fantastic getting out and about with Jayi over the past few weeks and catching

up with our valued clients from across the region.

"We are a highly mobile team and coming out to visit you, face-to-face to discuss and assess your insurance needs is part of what sets us apart – that and our exceptional customer service!"

Andrew said CWIB worked hard to offer its clients value-for-money peace of mind.

"We use our expert knowledge of insurance products, policies and benefits to ensure your assets are fully protected," he said.

When loss, theft, damage or disaster strikes people want quick action and Andrew knows first-hand how important this is.

**If you'd like to speak to Andrew, Jayi or Steph about tailoring an insurance solution to fit your home, farm or business call CWIB Northam today on (08) 9621 9300.**

## Locals are invited to get active through new program

BEVERLEY, it's time to get active!

Thanks to the Shire of Beverley and the Department of Sport and Recreation, residents are being encouraged to get moving through a free active lifestyle program called ActiveSmart.

ActiveSmart is a behaviour change program designed to increase people's activity levels and change long term habits. Residents are encouraged to become more active and connected to others in their community.

Participants will be able to access personalised telephone coaching, as well as a range of information about opportunities to get active in the local area. This tailored approach moves away from the traditional focus on exercise, catering to different lifestyles and making getting active accessible for all.

"We're really excited to be part of ActiveSmart because we hope it brings people's health to the front of their minds," says Community Development Officer, Kathryn McLean from the Shire of Beverley. "We'd like to encourage residents to sign up to this program which has had great success in other regions such as Geraldton, where 4,000 households took part in the program. Through ActiveSmart Geraldton, residents increased their physical activity by 15 minutes per day."

The program is being rolled out across 12 local government areas: Beverley, Dowerin, Goomalling, Koorda, Merredin, Moora, Narrogin (town and shire), Northam, Toodyay, Wyalkatchem and York.

"We're excited and proud to be collaborating with the State Government to bring ActiveSmart to our community. We're all working with a common goal but it would be great if BEVERLEY residents joined together and showed the rest of them just how ActiveSmart we are!"

ActiveSmart was conceived and created by the Department of Sport and Recreation and has already been successfully received in Rockingham (2009) and Geraldton (2011). It was staged in Cockburn (2014) and more recently in Wanneroo (2015), where 90% of participants made plans to get active and 80% of those had either taken small steps towards being more active or had achieved their goals.

Discounted 12 month gym memberships will be available to all participants of the Activesmart program (NB a doctor's certificate, gym induction session and payment of key bond must be completed prior to becoming a gym member)

For more information on ActiveSmart, contact Kathryn McLean at the Shire of Beverley ph 9646 1200

# AGM Notices

## Beverley Bowling Club

### AGM

Friday 08 April  
Bowling Club  
At 7.30pm

All committee positions  
will be declared  
vacant.

Are you a member who  
has never held a  
committee position?

Then make this your  
year for your club.

Make the effort,  
make the time and  
commit for just a year.  
Have your say on the  
future of the club.

## AVONDALE FARM PROJECT ASSOCIATION

## LiveLighter Beverley Triathlon 2016

The second triathlon for Beverley was held with great success on Saturday March 12. Beverley saw over 133 competitors from all over the Wheatbelt arrive for the early morning start in perfect weather conditions. Five race categories were available to competitors - Nippers (9 years and under), Juniors (13 years and under), Short (14 years and over), Long (14 years and over) and the new novelty event 'Clash of the Clans', giving competitors the opportunity to race with their family members in a shorter course. Our youngest competitor was 4 years old and our eldest was 64 years old - well done to all!

This event showcased the true essence of community spirit with help from over 30 volunteers on the day and equipment assistance from over ten community groups including the St John Ambulance, Football, Golf, Tennis, Swimming, Junior Sports, Agricultural Society, Beverley Photography Club and the Boddington Tri Group. A big thank you to the Shire of Beverley crew for making the course look fantastic on the day, your efforts are greatly appreciated. To all of the residents and drivers that were affect by the restricted road conditions we thank you for your patience. It is a true credit to the Beverley community that so many groups can work together to host such as positive event.

The fun activities continued well after the last competitor had crossed the finish line with a pool party for all ages to enjoy the bouncy castle, music, pool inflatable and games. The Beverley Swimming Club made sure all competitors and spectators were well sustained during the day with a sausage sizzle and a fully stocked pool kiosk.

The LiveLighter Beverley Triathlon was proudly supported by LiveLighter, Healthways, Shire of Beverley, CBH Group, Contract Aquatic Services, Beverley Community Resource Centre, Northam Sportspower and Bendigo Bank York.

Beverley CRC Assistant Co-ordinator Sam Fricker said due to the success of this year's event, plans had already been discussed for a bigger and better Beverley Triathlon in March 2017.

Thankyou to all the sponsors, volunteers and competitors for creating a fantastic day, keep posted for the **March 2017 3rd Beverley Triathlon!** 'Like' Beverley Triathlon on facebook for all the latest event updates, training hints and tips. From your 2016 Beverley Triathlon Committee – Sam Fricker, Kelly Mann, Jenny Murray, Brad Miller and Gemma Ridgway.

**FINALIST  
MAREE GOOCH**

Congratulations to former Beverley resident Maree Gooch on being a finalist at the RIRDC Rural Women's Awards.

Maree is currently the chairperson at RRR-Rural, Remote and Regional Women's Network of Western Australia. She is also an advisory board member at Business Women Australia and a board member at Peel Development Commission. She has various roles within the community and is a strong advocate for farm safety.

The 2016 winner of the award was Ord Valley farmer, Kalyn Fletcher. Well done to all of the nominated ladies.

## Thank you

Hello,

I was traveling home from Southern Cross yesterday via Beverley to Mandurah.

Whilst I was driving on Westdale Rd I encountered a vast stretch of road that was covered by debris from a recent storm. This made the road impassable for all vehicles.

Fortunately and without notice farmers (with John Deere, and Massy and a random "B" Dble) from all over the local region appeared, and with the help of local 4x4 owners cleared the path with no fuss. It was a relief that nobody was hurt.

To be honest, I think for most the smiles on everyone's face whilst patient people waited and farmers just took care of business just demonstrated our strong Australian belief of no matter what - we can still be the quiet achiever without the need for pomp and ceremony.

Regards  
Greg

# BROOKTON CLEARING SALE

## Saturday 16 April 2016 - 12noon.

### CWA Beverley Branch

March commenced with our usual monthly meeting followed by lunch together and then the annual general meeting which was ably chaired by Kathryn McLean, Community Development Officer at the Shire of Beverley.

It was an honour to have Kathryn with us, as we wanted to thank her and the Beverley Shire staff and councillors for making the local community grants available to community groups such as ours.

We were thrilled to be advised that the CWA application was successful. We are very grateful to have financial help for the installation of a reverse cycle air conditioner which is now operational and benefits all who use the building. No more fans and heaters or dangerous cables across the floor. It is much easier to clean the rooms too!

We also thank Graeme and Brendon from CDA for the very professional installation and the neat and clean manner in which they left the building. Thank you to Mark and the management of CDA for your co-operation in getting the job done as soon as possible.

CWA members attended the "Gathering of the Birds" in York - a get-together of members and friends from surrounding areas. All enjoyed the lunch with recipes from Croatia - the current country of study for all branches of CWA for 2016. There was a speaker on the Motor Neurone Disease and the funds raised on the day will go to that organisation.

**Our next meeting will be held at the Beverley CWA centre at 10.00am on Wednesday 20th April.**

**(There will be the usual Bring and Share lunch to follow the meeting) ALL WELCOME.**

This will be a "meet and greet" day with a load of fun and entertainment. We look forward to catching up with members and friends - hope to see you there.

Enquiries to Glenda Ferris Robinson (President) 9646 0546.

# THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304 BeverleyPol@twitter.com

## Hello Everyone

*Licmetis* is a subgenus of the white cockatoos (genus *Cacatua*). They are collectively known as corellas in Australia. Three of the six species are primarily – or only – found in Australia. Most members of the genus *Cacatua* seem to now primarily live in Beverley, a beautiful Wheatbelt town approximately 140kms from Perth.

I almost miss the mozzies.

## Crime

A number of warrants have recently been executed in town resulting in the seizure of a quantity of drugs and other items. I will not comment on individual cases either in public or in private. What I will say is that there are people in this town who are happy to peddle family and life destroying filth to those people they consider friends. Strangely, the people providing these people with an income by buying the stuff from them seem to consider the sellers their friends. They are not and never will be.

I'll leave it there except to say this, if you are involved in this despicable trade and think that we as an organisation don't speak to each other then you are more deluded than I thought. The last knock may not have been the last knock...

PS Thanks to all our colleagues involved in executing the warrants.

## Roads Policing (or traffic work as it used to be known)

The next bit isn't a cut and paste from the February edition of The Blue Line, honest, it's just very similar.... We recently stopped in excess of 60 vehicles over the recent long weekend roads policing campaign. Zero people blew over the limit. Sure there were a few infringements issued for heavy right foot syndrome but other than that all was good. Whilst I may appear to be making light of the speed situation I'm not really. Speed is a major causal factor in accidents so please, just back off the gas a little bit.

With regards to drink driving, don't do it. The recent tragedies on our roads have illustrated that drinking and driving simply don't mix. As pointed out above, our figures are good and with the assistance of the pub managers we are managing the issue with various initiatives. Now it's recently been pointed out that I may be fat (open for debate, I prefer big boned), lazy (at home yes, at work no) and of questionable character to some (I think I'm wonderful) but I tend to practice what I preach so if you're planning a good night then leave the car at home. I know some of us live further away from the pubs than I do (800 metres for anyone who's interested) but we have the ways and means in this town to get home after a few too many without losing our licences. Please use these resources, they are there for us all.

## Gossip and rumours...

I mentioned a long long time ago that gossip and rumours can be hurtful. Vile, vindictive, malicious gossip and grossly misinformed opinions do not just distress those people about whom the erroneous misinformation is aimed at it also affects family members. Some of us have broader shoulders and when, for example, allegations and gossip are aimed at me then at least some other poor bugger isn't copping the flak.

If you have an issue come and speak to me and we'll have a chat. I'll make you a truly horrible cup of tea and that's not a rumour, I really do make horrible tea, ask my boss.

## That's all for now...

Well, not quite.

This is likely to be one of my last Blarneys as the time to move on has inevitably arrived. The last 2 1/2 years have been an experience I will never forget. Beverley has been taken to both mine and Janes hearts. We genuinely love the place and it is with a somewhat heavy heart and lump in my throat that we have taken the decision to leave.

The work has been challenging and hard but often fun. We have both met so many wonderful people in what I've always described as the best town in the Wheatbelt. That's a comment I stand by and we certainly won't be strangers. We have been made to feel welcome by most people here and for that we are eternally grateful.

I have a decent idea of where I'm going to but I don't want to put a curse on that so I'll keep my big mouth shut for now. By the time this is published I'll probably have a better idea and I'll be only too willing to tell anyone who might be interested.

For those who got me through the rough times, thanks. For those who caused me the rough times, thanks, you made me a better copper.

Once again, there simply isn't a better town in the Wheatbelt. I've been immensely proud to be your local copper.

Regards,  
Ian.

## Remembering THEM - 1916

One hundred years ago, after Gallipoli, Australians troops were fighting in the First Battle of the Somme, suffering huge losses at locations in Northern France such as Fromelles & Pozieres.

The following thirteen men from Beverley were killed in 1916:

**Robert William Wylie ADAM**  
**Owen Moore ALLEN**  
**Raymond William Arthur ANGOVE**  
**Sydney Ignatius CAMPBELL**  
**James Arthur DEAN**  
**George Samuel FEIST**  
**Herbert GREAY**  
**Malcolm Leslie HIGGINS**  
**James Francis HOPKINS**  
**Alfred James JACKSON**  
**Thomas Charles John RANDALL**  
**George Layton RIDGWAY**  
**Theodore SMITH**

Three of these Beverley soldiers are commemorated as follows:  
Higgins at **Warloy-Baillon**, and Jackson at **Puchevillers** -  
both in Picardie, France -  
while Campbell is at **Lodge Hill Cemetery**,  
Birmingham, UK.

The other ten men are commemorated at:

**Villers-Bretonneaux National Memorial**  
(pictured).

Remember THEM on Anzac Day this year.

Beverley Historical Society remembers

# The Forgotten Sacrifice of Francis Briggs

The Beverley War Memorial contains the name **F BRIGGS** but there is no ★ shape next to the name. The ★ denotes "Killed in Action". A family member visiting the Dead Finish last year revealed this error. (The following research is from the Australian War Memorial and National Archives of Australia websites.)

**Service Number:** 778

**Rank:** Private

**Unit:** 12th Australian Infantry Battalion

**Service:** Australian Army

**Conflict / Operation:** First World War, 1914-1918

**Conflict eligibility date:** First World War, 1914-1921

**Date of death:** 25 April 1915

**Place of death:** Gallipoli, Dardanelles, Turkey

**Cause of death:** Killed in action

**Place of association:** East Beverley, Beverley, Western Australia, Australia

**Cemetery or memorial details:** Lone Pine Memorial, Gallipoli Peninsula, Canakkale Province, Turkey

Description of <i>Francis Briggs</i> on Enlistment.	
Age... 20 years... 11 months.	DISTINCTIVE MARKS <i>2 Tattoo spots right forearm</i>
Height... 5 feet... 7 inches.	
Weight... 140 lbs.	
Chest Measurement... 36 inches.	
Complexion... <i>Fair</i>	
Eyes... <i>Light Brown</i>	
Hair... <i>Brown</i>	
Religious Denomination... <i>C of E</i>	

CERTIFICATE OF MEDICAL EXAMINATION.

I HAVE examined the above-named person, and find that he does not present any of the following conditions, viz.:-

Scrofula; phthisis; syphilis; impaired constitution; defective intelligence; defects of vision, voice, or hearing; hernia; haemorrhoids; varicose veins, beyond a limited extent; marked varicocele with unusually pendent testicle; inveterate cutaneous disease; chronic ulcers; traces of corporal punishment, or evidence of having been marked with the letters D. or B.C.; contracted or deformed chest; abnormal curvature of spine; or any other disease or physical defect calculated to unfit him for the duties of a soldier.

He can see the required distance with either eye; his heart and lungs are healthy; he has the free use of his joints and limbs; and he declares he is not subject to fits of any description.

I consider him fit for active service.

Date... *14 September 1914*  
Place... *Blackby Hill*  
Signature of Examining Medical Officer... *E. B. ...*  
*R. H. ...*

**Next of Kin:** Francis John Briggs, father, Edmund St Beaconsfield, WA

**Brother:** His only brother Frederick William Briggs was killed at Fleurbaix, France while serving with the AIF on 5 July 1916.

**Additional Information:** Born at Windsortown, Kimberley, South Africa; went to Redditch, England, at 9 years of age; came to Australia aged 14; worked as a labourer/farm hand for Donell Fowler at Balkuling, East Beverley prior to outbreak of war.

**Commemorated:** Beverley War Memorial (without the Star)

**Source:** AWM145 Roll of Honour cards, 1914-1918 War, Army

**Remember Francis Briggs on Anzac Day**

## Beverley's Orphan Digger

Sydney Ignatius Campbell enlisted from Beverley on 7<sup>th</sup> October 1914. He was 21 years of age, 5 feet 7 inches tall with fair hair and brown eyes. He was a Roman Catholic and described himself as a Farm Hand.

He was assigned to the AIF 11<sup>th</sup> Infantry Battalion, given the Service No 1111 and the initial rank of Private. He was later made Lance Corporal. He trained at Blackboy Hill, Greenmount; was then sent to Melbourne to embark on HMAT *'Thermistocles'*A32 on 22<sup>nd</sup> December 1914.

He arrived in Egypt on 7<sup>th</sup> January 1915. The famous photo of the 11<sup>th</sup> Battalion – mostly Western Australians - on the Cheops Pyramid near Cairo, was taken on 10<sup>th</sup> January 1915. It is possible that Sydney Campbell is in that photo.

### 11<sup>th</sup> Battalion AIF on Cheops Pyramid

He managed to survive Gallipoli and then went to Northern France for the First Battle of the Somme. He received a gunshot wound to the right arm in the Somme Valley & was transferred to England where he died on 28 November 1916 at Birmingham General Hospital. He is buried at Lodge Hill Cemetery, Birmingham. He was awarded the 1914/14 Star; the British War Medal; the Victory Medal; and the Memorial Plaque and Scroll.

Sydney Ignatius Campbell was an orphan.

He had no known relatives. He named his best friend, William Bailey of the Locomotive Shed, Mt Magnet, as his Next-of-Kin. He made Henry William Afric Tanner, farmer, of *'Waimering'*, Beverley, the Executor of his Will in which he left his effects to William Bailey and the Clontarf Orphanage, Victoria Park, Perth.

### Clontarf Orphanage 1906 -

**Sydney would be about 12 years old here**

A letter in the Army Records from William Bailey (then living in Geraldton) explained how they had been friends since being in the orphanage together. The Army decided that *"as these two lads seem to have been brought up together, to all intents and purposes standing in the relationship of brothers"* William Bailey was to become the recipient of Sydney Campbell's awards. William Bailey also served in the AIF and received the Military Medal.

Sydney Ignatius Campbell is commemorated on the Beverley War Memorial.

**Remember  
Sydney Campbell  
on Anzac Day.**

Research by Beverley Historical Society from the **Australian War Memorial** and **National Archives of Australia** websites.

## Station Gallery

The Station will be abuzz on Easter Saturday as the markets are back after a break last year due to the Station being closed. This year Marlene Willson has taken on the markets as her project and we look forward immensely to the ten or so specialty stalls that she has organised. The Bowling Club Ladies are again serving Devonshire Teas from the Station Kiosk. Yum!

### Artist-in-Residence

It has been a busy time at the Gallery for the month of March with Artist-in-Residence Nada Murphy happy to run workshops for the community free of charge. And when not manning the Gallery Nada has taken trips around the district particularly the Yenyenning Lakes in search of inspiration for her new bevy of work. Nada has gleaned local information from people living in and around Beverley and is enthralled by stories of the river and the lakes.

Her workshop *Conquering Colour* on the 6<sup>th</sup> March was attended by both experienced and not practiced to the art of painting and all went home having learnt something new. Relaxing with craftswomen is one of Nada's pleasures and a regular part of her studio practice. And so she was thrilled to have Chris join her with her spinning wheel. Hopefully she will be joined over the Easter weekend for some adventure working with gouache paint.

Unfortunately the artists Sally Watts & Suzanne Crawley booked for April have had to pull out, but we are pleased to inform you all that Nada Murphy is gracing us with her presence for another 2 weeks. To celebrate Nada's extended stay, we are having a wine and cheese evening on Friday 08 April at 6.00pm for all to peruse her works in progress thus far.

Mid April we have a very interesting artist by the name of Mutsuko Bonnardeaux as our next artist in residence. Mutsuko is Japanese - well, born in Japan, is of Belgian nationality but an Australian permanent resident who speaks fluent Japanese, French and English. Married with two grown up daughters she makes beautiful handmade and hand torn paper collages. I have had the privilege of seeing some of her work and it is exquisite! Mutsuko has an artistic resume as long as your arm with some 20 solo exhibitions since 1990 throughout Australia and in France and Belgium, numerous group exhibitions and won many awards. She has also been featured in more than twenty selected publications, demonstrated her craft and run workshops as well as been artist-in-residence in Australia, New Zealand and Europe. We feel very honoured that she is coming to Beverley for this coming month! Presently finishing a children's book, it is certain to appeal.

For all information on residencies check with Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email:

[hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

### Artists in Residence Programme 2016

April: Mutsuko Bonnardeaux - WA

May: Jill Ansell - WA

June: Myer Taub - South Africa

July: Myer Taub - South Africa

August: Sue Brooke Robertson - WA

September: Paul Amyes - WA

October: Alan Pickering - WA

November: Mat Vaughn - Victoria

December: Marlish Glory - WA

### Easter Art Exhibition

The Annual Art Purchase Exhibition Easter 2016 will be the 48<sup>th</sup> exhibition and for the second year include the *Beverley Art Prize* valued at \$5,000 which has attracted many entries ensuring a fabulous exhibition. Our thanks to those who were able to unpack the 335 paintings that are now hung and await

Artist in residence Nada in the studio of the gallery painting her latest project

judging. The opening night promises to be a big one with the exhibition dedicated to Margaret Shenton who died in December. Marg exhibited in all the Beverley exhibitions leading up to last year and is sadly missed. Please contact Exhibition Secretary Kathryn McLean, ph 0427 464 050 or [wk.mclean@bigpond.com](mailto:wk.mclean@bigpond.com) if you are able to help with packing up at the end of the exhibition from 3pm Monday 28<sup>th</sup> March.

### **Beverley Station Singers**

The Station Singers had fun night revisiting old songs and planning for the coming year on Wednesday 16<sup>th</sup> March. The next get-together is at 7pm on Wednesday 13<sup>th</sup> April which will include practice for Anzac Day. Kelly Newton Wordsworth directs the group on a monthly basis (\$35pp). Anyone interested in joining the singing group contact Tracey Fleay- Mob: 0409 481 029 or E: [traceyfleay@hotmail.com](mailto:traceyfleay@hotmail.com)

### **Platform Theatre**

On the morning of each event run at the Platform Theatre comes the obligatory busy bee, and you can imagine our surprise and delight when Brett Hutchinson turned up with a mobile bar he had just finished building. Thankyou Brett!

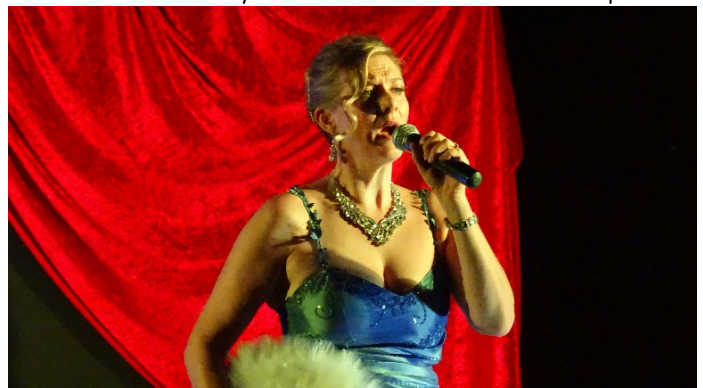

Three 'Jacks' and visitor Bernard from Queensland take time out to test the bar.

Three Jacks and a Jill at work on the night

Netty and Janet dressed to kill for the Opera

*DivaLicious* - if you didn't make it to their show *OPERA ROCKS!* on Saturday 12<sup>th</sup> March I'm sure you've heard

around town just how wonderful the night was - perfect in every way, complemented by a beautiful balmy

night . And their next stop is the Sydney Opera House!

Beverley Ag Society

Annual Show Day

Saturday 20th August 2016

## ♫ 4 SEASONS IN 1 NIGHT with Bobby Fox - Saturday 16<sup>th</sup> April

Backed by a smokin' 6 piece band, *4 Seasons in 1 Night* is a celebration of the music of *Frankie Valli and the Four Seasons*. Handpicked for the Australian production of *Jersey Boys* by Frankie Valli himself and after three years and over 850 performances, Bobby Fox returns to the stage in *4 Seasons 1 Night*. Join Bobby on his journey of the *Jersey Boys* with all of your favourite Frankie Valli songs including *Oh What A Night!*, *Walk Like A Man*, *Grease*, *Can't Take My Eyes Off You* and more. Through *4 Seasons in 1 Night* Bobby Fox will give a first-hand insight into the world of this legendary man and band, *Frankie Valli and the Four Seasons*, sharing with you behind the scenes experiences of his unique journey from his first audition to the final curtain call.

**Bobby Fox** is an Irish born Australian actor, is a former 4 times World Irish Dance Champion and toured with many dance productions and musicals. Best known for playing Frankie Valli in *Jersey Boys* and, recently, the lead *Tap Brother, Spring*, in the 21st anniversary season of *Hot Shoe Shuffle*, he has also landed guest roles in the Nine Network's *House Husbands* and Seven's *Tricky Business*.

Oh what a night 16<sup>th</sup> April promises to be! SAVE THE DATE!!

- **WHAT:** "4 SEASONS IN 1 NIGHT" with Bobby Fox
- **WHERE:** Beverley Platform Theatre

**Campers Kitchen, Beverley Caravan Park**

In celebration of Neighbourhood House Week the Beverley CRC will be hosting a free traditional Australian Outback Campfire style meal.

Come along and enjoy a meal together around a campfire and learn how to make damper. Bookings are essential simply call into the CRC, phone 9646 1600 or email [beverley@crc.net.au](mailto:beverley@crc.net.au) places are limited, reserve your place now!

Proudly supported by

# CWA

CWA is not just a cup of tea and a scone. This has become a mindset that we must change.

The achievements of C W A are quite amazing.

Here are some more interesting facts which were originally instigated by CWA of WA:

1. Installation of safety grids inside all wheat bins and silos
2. Australia Day and Anzac Day holidays be on the day which they fall
3. Shelter to be provided for students in schoolyards
4. Widows without support be granted monetary assistance
5. Newly constructed toilets to have one with wheel chair access
6. Prohibiting the use of hand held mobile phones by drivers of motor vehicles

Our motto is:

*Honour to God*

*Loyalty to the throne*

*Service to the country*

*Through Country Women*

*For Country Women*

*By Country Women*

*An old man told his grandson*

*There is a battle between two Wolves inside of us*

*“One is Evil. It is Anger, Jealousy, Greed, Resentment, Inferiority, Lies and Ego”*

*“The other is Good It is Joy, Peace, Love, Hope, Humility, Kindness, Empathy, and Truth*

*The boy thought about it for a while Then asks his*

*His grandfather “Which Wolf wins The old man*

*Quietly replied “THE ONE YOU FEED”*

*Lets feed the good wolf and make our CWA the place we want it to be*

*Come join us April 20 In our new air conditioned room Our program for the day*

*“Getting to know you” and a look at Croatia*

## BEVERLEY HISTORICAL SOCIETY

We had a very small attendance at our first meeting of the year. Just managed a quorum. Some of our members are out of action and we wish them well and we hope that we will see them again soon. We welcome into our fold new member Bruce Mann, we hope that you enjoy your time with us.

Our late dear member Peggy Kempton is missed by all our members. She was a friend, mentor and past office bearer. Her knowledge of the local history was wonderful. There didn't seem to be anything that she did not know. Rest in peace dear friend.

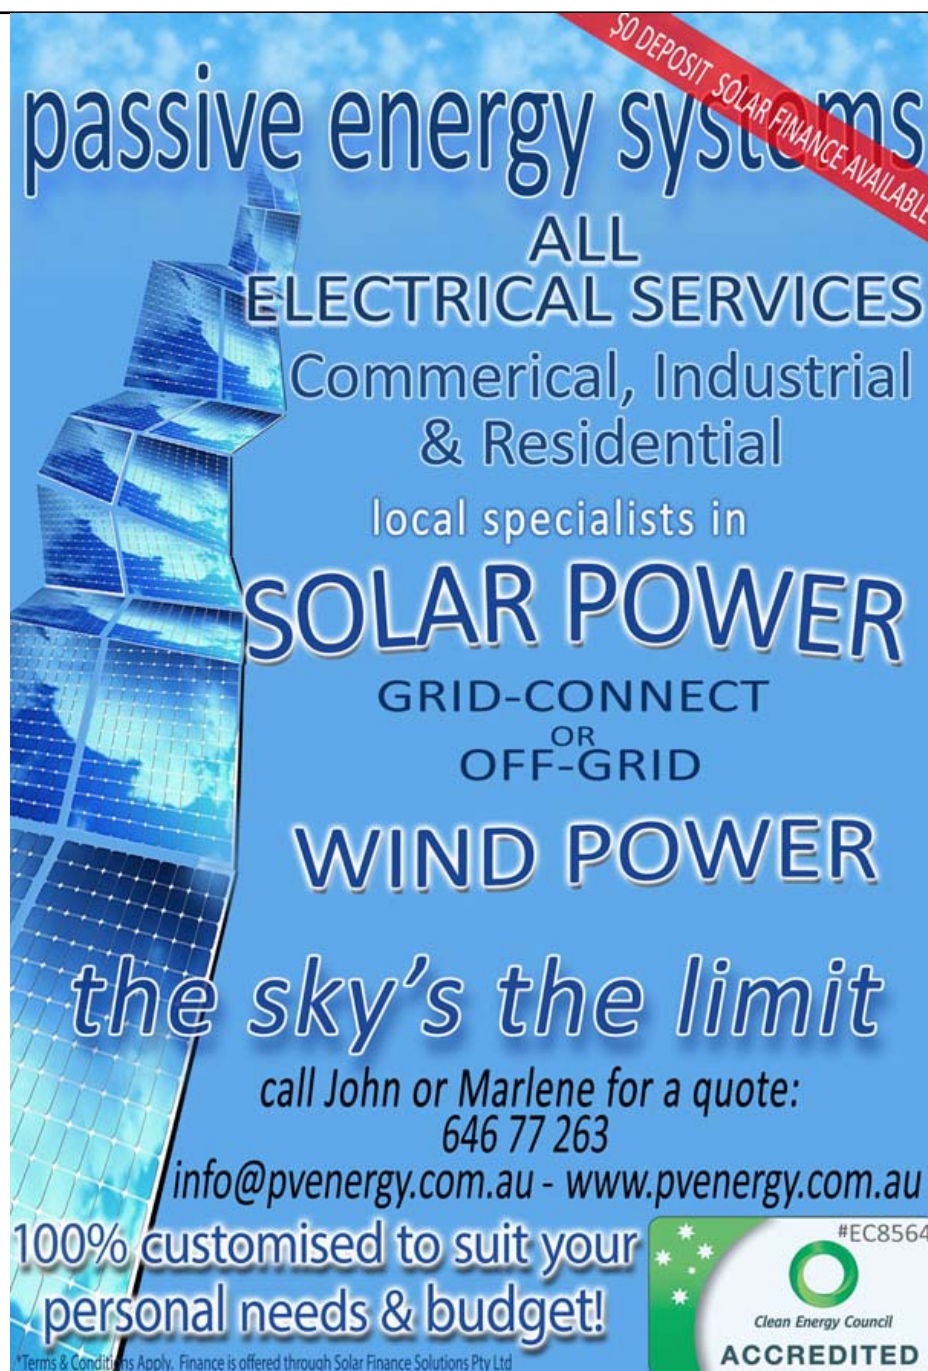

We were fortunate in getting a grant from the Shire to restore the printing press. The costings have been done and hopefully the project can get underway when the weather cools. The printing press will be included in the town walk trail.

If anyone has a book titled "The Lady was not a Spy" that they no longer want or if they know where we could get a copy, could you please let us know.

The Dead Finish will be open on Monday 25 April from 11.00am - 3.00pm for ANZAC Day. The "Remembering Them" exhibition is still in place, so please come along and read about the local men that went to World War I. Plus there are other things of interest as well.

Our next meeting will be held on Monday 11 April at 2.00pm at the Dead Finish Museum. Visitors are welcome.

## MEDIA RELEASE – Building homes for endangered Wheatbelt critters

Sheds across the Wheatbelt are rumbling to the sounds of woodwork and sweat as specialised nest boxes are being prepared for threatened species to shelter in.

There are 20 Men's Sheds in the Wheatbelt – unique and inclusive places where blokes can work side by side on meaningful projects in a safe, friendly and welcoming environment.

Five of these sheds are now working with regional NRM group Wheatbelt Natural Resource Management, to build nest boxes of various shapes and sizes that appeal to a mixture of native bird and mammal species.

Men's Sheds taking part in the project so far include Beverley, Kondinin, Wongan Hills, Wyalkatchem and Goomalling.

“The Men's Sheds are invaluable to this project – bringing practical skills and local on-ground knowledge,” said Terri Jones, biodiversity project delivery officer with Wheatbelt NRM.

“They are helping build nest boxes, plus they are providing advice on which species are around, and where to place the boxes for easy-to-access monitoring by community.

Endangered species such as Carnaby's White-tailed Black Cockatoos and Red-tailed Phascogales will benefit from the boxes, along with several species of parrots, owls, pardalotes, microbats, and possums.

The biggest boxes are for the Carnaby's at over one metre in length, while the smallest are for phascogales with an entrance hole less than four centimetres wide.

All boxes are being made from natural materials such as untreated wood and marine ply and will be installed in nature reserves by professional arborists, tree surgeons and local shires.

Ongoing monitoring will be done by local school students and community members who will help provide monthly observations over the next two years.

Monitoring will take place from ground level by listening for sounds in the boxes, watching for movement in and around the site, and using sensor cameras and Go Pro cameras.

“One of the greatest things about the project is the collaboration between the Men's Sheds and local schools and the sharing of knowledge between the generations”, said Terri Jones.

To find out more about the project, contact Rowan Heggulun at Wheatbelt NRM on (08) 9670 3101 or via [rheggulun@wheatbeltnrm.org.au](mailto:rheggulun@wheatbeltnrm.org.au)

Or visit the website at: [www.wheatbeltnrm.org.au](http://www.wheatbeltnrm.org.au)

This project is made possible through funding from the Australian Government's National Landcare Programme.

*Picture 1 – Members of Beverley Men's Shed installing a Boobook Owl nest box at a local reserve with help from Wheatbelt NRM and the Shire of Beverley's Works Supervisor*

*T.M. Hair Design.*

Our four professional hairdressers are looking forward to taking care of all your hairdressing needs, right here in Beverley, where we will offer Family Hairdressing at very reasonable prices.

We happily offer a special price for Senior Gents.

Please ask your hairdresser about it.

*At Secrets.....* We are pleased to present for your pleasure, our Autumn sale, with all clothing, buy one, pay half price for the second item. (The half price will be on the lesser priced of the two items). We include hand bags in our sale, with all bags at half the marked price, & footwear at 30% off. So come in & bag some bargains while they last.

Even if you are not a TM Hair Design client, we welcome you to Secrets & all the treasures it holds. Look forward to seeing you very soon.

Call in to 100 Vincent St, or phone 9646 1122.

### **Community Information** **Witnessing of legal documents**

#### **Changes**

In the last two years there has been changes, to the document structure, ID requirements, fees and charges and police clearances. Changes have occurred to paperwork Centrelink, Veteran Affairs, Superannuation withdrawals and Landgate.

Did you know that, when applying for government jobs you may be requested to attach documents such as educational qualifications/degrees, police clearance and copies of working with children cards to be certified by a qualified witness such as a Justice of the Peace. Please note - requirements may vary depending on the department.

#### **Superannuation**

I have received information from applicants who are beneficiaries in an estate. When they are withdrawing funds they have had to get the deceased person's drivers licence witnessed by a JP.

Some super companies have requested that I witness all documents for funds withdrawal in a BLUE pen and not black pen.

Incomplete submission of documents: I have been made aware and have six (complete sets) of documents which all have had to be re-certified and re-witnessed, as the time limit had expired. Some applications contain 4 forms, others may contain 54 attachments. (120 including certified copies).

Some suggestions from those who had to resubmit is: always check from the sender as to what needs to be signed, certified and witnesses.

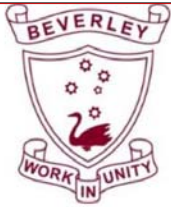

In the meantime I have gone through 3 rubber stamps (JP).

The Aeronautical Museum is open to the public on days that I offer a JP service to the community.

#### **Beverley Garden & Tree Club Meeting**

Tuesday 05 April at 10.30am at the Dead Finish Museum. It is also a bring and buy, further information call Betty 0400 569 971 or Dalene 9646 0800.

# Beverley District High School

## 2016 Faction Swimming Carnival

Our students had such a wonderful day at the Faction Swimming Carnival.

We would like to extend a huge thankyou to our parent helpers and to Mr Brad Miller for their help in the preparation and running of the carnival!

Cr Keith Murray presented our Championship trophies - newly revived thanks to the extraordinary craftsmanship of Mrs Gay Vandenberg - to Alex Pepper and Rebekah Aynsley. Congratulations to these keen and talented swimmers.

Congratulations to Dale on their Carnival win! Forrest was in second place and Eyre in third place. Students from all three factions showed great

team spirit and determination, as well as exceptional sportsmanship. A great job all round.

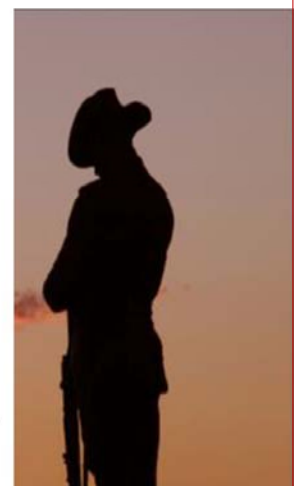

We would also like to thank the P&C Association for running the canteen and keeping volunteers and staff happy with tea, coffee and goodies throughout the day. That's definitely service with a smile.

You can see more photographs of the carnival on our facebook page, our website, and by visiting the Beverley DHS Connect Parent Community page.

## Beverley DHS Anzac Service

We would like to invite all parents and community members to attend our Beverley District High School ANZAC service on **Thursday 7<sup>th</sup> April 2016 at 11 am** at the school. Members of the public will be welcome to lay a wreath.

## Political Correctness – is it a strain on our wellbeing?

Political correctness is a doctrine “which holds forth the proposition that it is entirely possible to pick up a turd by the clean end”. In my opinion, political correctness is a major inhibiting factor when interpreting and applying bureaucracy and common sense (often the ingredient missing of lots of decision making) into our daily life. This ultimately can affect our wellbeing.

Bureaucracy on its own does have its place, however at times it can limit how we do things because of the many layers of rigid rules that may complicate getting the job done on the ground. This occurs in everyday life whether completing tedious processes, filling out pages of paperwork, or dealing with a system that appears to be more focused on processes rather than helping achieve an outcome.

When a disaster strikes (catastrophic fires late 2015 and early 2016) and other personal health and safety issues arise in our life, layers of bureaucracy are not always helpful, they can exacerbate an already tense environment. We have spoken to many blokes who feel both frustrated and restricted in their reactions to these disasters because of the many layers of procedures that had to be adhered to. Common sense was taking second place!

The point about the effects of this political correctness doctrine, is that it enshrines both bureaucracy and common sense and quite often masks/dilutes what should be done and said and can also inhibit robust discussions.

Blokes, by our own nature are hard wired to be action orientated, i.e. we want to solve problems, and we want to do stuff now. Once this is stifled by political correctness, a few things can start to happen:

- normal stress can become distress;
- short cuts can be taken (with increased risk);
- we inhibit our natural problem solving process;
- blokes shut down and stop seeking help (we go into our cave and don't come out).
- It creates an “us versus them” mentality.

So where have we gone wrong and how can we make changes?

- Don't allow political correctness to mask what should be done and said. Sometimes we have to be critical and blunt about our processes to keep them relevant and up to date.
- Bureaucracy should facilitate what we do, not dictate how we do it (not create barriers and thus frustrate people who are trying to deal with a challenging situation at the coal face).
- The **common sense** rule should be applied to everything we do. I repeat, apply it to everything we do.
- People/communities have the innate ability to band together and deal with stressful situations. This should be fostered thus empowering individuals and communities rather than disempowering through micro-management and removing them from vital decisions regarding their own lives and local community.
- “**Language**” is always important. Appropriate language that can be understood needs to be used. A robust discussion is vital to air all points of view and to prevent the same mistakes being made again.

Remember at the end of the day we are responsible for our own wellbeing. Hopefully these suggestions, encourages communities to claim back some responsibility and ownership. This would bring about positive change not only in blokes lives but the whole of the community.

## **BLUETOOTH PAIRING TO YOUR CAR STEREO**

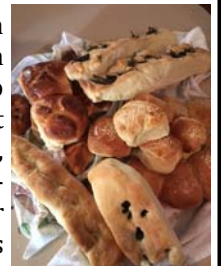

With the road toll in the country areas increasing, one way you can be safer on the roads is to connect your mobile phone to your vehicle via Bluetooth. Bluetooth is wireless technology that allows for seamless hands free calling. If your car is not equipped with this you can buy a hands free car kit. Here are the basics for connecting to your compatible car stereo:

1. Initiate pairing on your car's stereo. This process varies from vehicle to vehicle (it maybe be located in the hands free calling system) you may have to answer a few questions and then complete the setup process on your phone.
2. On your phone go to the settings menu - Android phones select wireless & networks / Apple Bluetooth
3. Ensure the Bluetooth setting is open, then go into the sub menu.
4. A list of available devices will appear, locate your stereo and select it.
5. Enter PIN, you'll be prompted for a PIN (which varies from vehicle to vehicle) this will pair the phone to the car stereo.
6. You do have the option of enabling media. The entry on the Bluetooth device list should read "Connected to phone and media audio"/ If not then press and hold on the stereo's name until this appears and check the box next to media.
7. Enjoy your music and call and answer your phone hands free.

## **BREAD MAKING & YEAST COOKERY CLASS**

We had a fantastic turn out of enthusiastic bakers on Saturday 05 March. In the very capable hands of the teacher Dalene Davies the group watched in awe as she worked her magic, plus they asked heaps of questions, just to make sure they got it right. After Dalene finished the demo the group got straight into measuring, kneading and proving their loaves. With focaccia's, Easter buns and dinner rolls all in the oven, the school smelt amazing. Everyone got to take home a huge amount of loaves and buns. We are preparing for the next cooking class, we are open to suggestions, so please feel free to let us

know.

## **BUSINESS SUNDOWNER**

Our recent business sundowner saw a great turnout of local business owners interested in learning ways to improve promoting their businesses online. The evening started with CRC trainee Ashleigh covering database emailing using the free service of Mail Chimp, a big congratulations to Ashleigh on her first presentation. Samantha gave the guests the ins and outs of budgeting, marketing plans and getting value for money when sponsoring events. Then Amor gave the guests a tour of online social media from Facebook, Twitter, websites and Instagram. It was a lot to cover in the short session and thankfully staff had handouts for all of the guests to take home. If you missed out on the evening and would still like a copy of the information, please inform our staff and we will arrange to get the information to you.

## **NEIGHBOURHOOD HOUSE WEEK**

Our CRC has been successful in attaining funding from Linkwest to promote Neighbourhood House Week, 9 - 15 May 2016. To celebrate their theme of *Grow Together, Eat Together*, we will be hosting 'The Aussie Outback Campfire' on Friday 13 May from 5pm onwards at the Caravan Park, Camper's Kitchen. We will be cooking an old fashioned outback campfire meal, with camp ovens cooking stews, grilling meat and cooking damper all on the menu. Join us at this free event, numbers are limited and bookings are essential call 9646 1600.

## **BROADBAND FOR SENIORS**

Did you know that you can access the internet for free at the CRC if you are a senior? The broadband for seniors kiosk has Microsoft Office so you can type letters, newsletters or what you need to do and with our friendly staff on hand it makes it easier for you when you are unsure or need help.

## **2016-2017 TRAINEESHIP - EXPRESSIONS OF INTEREST**

We are seeking expressions of interest for the upcoming traineeship that will be available at the centre in May/June 2016. Traineeships are important for gaining work experience whilst studying to attain a certificate. If you are unsure what is involved come in and chat to Ashleigh about her traineeship at the centre. Please forward your details to beverley@crc.net.au or call 9646 1600.

# ChemClear ON ITS WAY TO WA

ChemClear is heading to Western Australia in June 2016 and is urging chemical users to register their surplus or unwanted agvet chemicals for safe disposal before 22 April 2016.

“We encourage WA farmers to seize the opportunity to use our program this year as it will be another two years before we head back across the Nullarbor,” said National Program Manager Lisa Nixon.

Since the program was established 16 years ago, ChemClear has undertaken five regional collection runs across Western Australia and retrieved in excess of 61 tonnes of obsolete agvet chemicals.

The program uses local council sites to collect from waste holders who have registered their chemicals for retrieval. The collection process is quick and easy, and waste holders are given an appointment time to meet the ChemClear retrieval team to drop off their registered chemicals for safe disposal.

“Our program operates like a milk run and visits every local government region that we have received a registration in, even if there is only one or a handful of waste holders in that area,” said Ms Nixon. “We are required to obtain licences for the transportation and removal of hazardous waste, therefore each waste holder must take an inventory of their obsolete chemicals before registering for the program.”

WAFarmers Chief Executive Officer Stephen Brown believes ChemClear is critical for maintaining a safe working environment for farmers.

“Our organisation is committed to ensuring farmers are provided with safe working environments and we're proud to support the ChemClear initiative which works towards this goal,” he said.

“Unused chemicals on rural properties can pose occupational safety and health risks for farmers, so we encourage all our members to work sustainably and dispose of obsolete chemicals through this environmentally safe method.”

ChemClear collects APVMA currently registered chemicals produced by 121 manufacturers supporting the Industry Waste Reduction Scheme. Chemicals classified as Group 1 are collected free of charge.

As an additional service, ChemClear collects what is classified as Group 2 chemicals. This category covers deregistered, out-of-date, mixed, unlabelled or unknown agvet chemicals produced by a manufacturer not signed to the ChemClear stewardship program.

There is a cost for disposal of Group 2 chemicals which is quoted to the waste holder once their registration has been processed.

**To register for the WA June collection, please take an inventory of your product and call 1800 008 182 or visit [www.chemclear.com.au](http://www.chemclear.com.au).**

**It is recommended that waste holders do this as soon as possible as registrations CLOSE ON 22 APRIL 2016**

# DISPOSE OF YOUR UNWANTED AG CHEMICALS

## WA STATE COLLECTION JUNE 2016

FREE COLLECTION FOR CHEMICALS DISPLAYING THIS LOGO

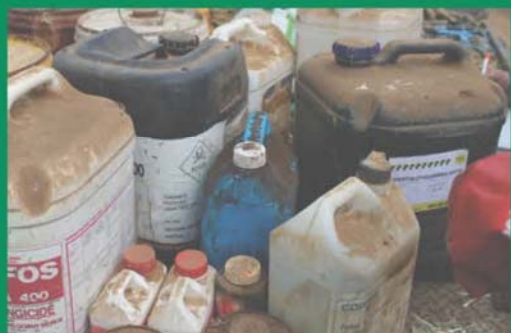

### Eligibility requirements for free collection:

- Readable product labels

## PETITION FOR MOBILE BLACK SPOT FUNDING

A Kojonup veterinarian is calling on **Beverley** residents to join her fight for increased funding to improve mobile phone black spots after her partner was tragically killed.

Katharine Marsh is spearheading a petition aimed at the Federal government to increase mobile phone black spot funding and commit to a deadline to rectify currently identified locations.

"I am campaigning for this issue after my partner, Mick, tragically passed away following a motorbike accident which occurred in a mobile phone black spot, delaying emergency assistance for 20 – 30 minutes," Miss Marsh said.

"My experience is not an isolated incident - others have been affected in a similar way. Recent bushfires in late 2015 - early 2016 have also highlighted the problems of mobile phone black spots preventing access to emergency services."

There are more than 6000 nominated mobile phone black spots throughout Australia, including near capital cities, along major highways and transport routes and in whole towns and villages. WA has 570 black spots registered.

Miss Marsh said where there is a black spot, there is no mobile network coverage and emergency services like '000' and alternative numbers such as '112' will not work.

# BEVERLEY TYRE SERVICE

Licence Number: L/NMRB5463

**Your local tyre specialist**  
**All Major Brands**  
**Second Hand**  
**Batteries, Repairs, Fitting and Balancing**

**Bridgestone Preferred Dealer**  
**Open Saturday mornings, except long weekends**  
**Ph/fax Alan on 9646 1607 or a/hrs 0428 129 575**

48 Dawson Street  
 (Old Telecom Shed)

"If you are faced with a life-threatening emergency and are in a mobile phone black spot area you will not be able to obtain emergency assistance. This could be the difference between life and death," Miss Marsh said.

"The technology exists to eradicate mobile phone black spots – it is simply a matter of further funding."

The Federal Government has committed \$160 million, with the Round 2 locations expected to be announced at the end of this year.

"After this current round, there are no further plans for funding for mobile phone black spots, yet current funding is like to leave at least 1000 black spots still unaddressed," Miss Marsh said.

"If mobile phone black spots in your area miss out this time there is no guarantee as to when they will be resolved."

To download the petition visit:

<http://triple0foraustralia.wix.com/triple0foraustralia> or

<https://www.facebook.com/triple0foraustralia/>

Miss Marsh is aiming to collect 100,000 signatures by April 30 to send to the Standing Committee on Petitions for presentation to the Australian parliament.

**Guy Slingerland**

**0403602335**

Last month saw the first of our open weekends for the 2016 season over the Easter Long Weekend. I hope everyone enjoyed the public holiday weekend and made the most of the cooler weather.

Both Robbie and Comet are looking great, with Comet back in the cart after the summer break and once again seems to loving the weekly activity thanks to Mitch, Kia, Rachel and Erin.

Once again Mr Pratt and his band of volunteers have been busy rearranging and cleaning up the museum. Over the past year Greg and Mr Pratt have created and interesting data base, the data base has heaps of information about every piece of machinery, horse drawn implement and other various items that are in the museum. Over the past year items have been photographed and recorded where it is from, what it was used for, the manufacturer and its significance to Avondale and heaps of other information pertaining to the item. If you ever get the chance to have a look at the data base it is very interesting and worth a look.

**National Trust appoints new CEO**

This year the National Trust appointed a new CEO to take over the leadership role from Mr Tom Perrigo, Mr Julian Donaldson who has had a long association with the highly successful Perth International Arts Festival as General Manager and has been instrumental over a decade in delivering to Perth audiences, a captivating line-up of leading international performances. Has been appointed and we wish him all the best in his future role.

**The Avondale Farm Project Association is having their AGM this month Saturday 9<sup>th</sup> of April at 9.30 am in The Avondale Homestead After the meeting everyone is welcome to stay back for a sausage sizzle.**

**Cake Stall**

On April 30<sup>th</sup> AFPA will be holding a cake stall in town at the Lions Street stall any donations would be greatly appreciated. If you can assist with any donations please call Mitch on 0439 927 724 and let her know.

I hope everyone is looking forward to some delicious cakes, see you at the cake stall .

LISA WAY — Child Health Nurse

## Lyme Disease Association of Australia

### What is Lyme disease?

Lyme disease is an infection caused by a bacteria known as *Borrelia*. The bacteria, a spirochete, is transmitted when an individual is bitten by a vector e.g. tick. Lyme disease can impact many bodily systems and organs and can in some cases mimic other illnesses e.g. Lupus. As well as giving people Lyme Disease, the ticks often also transmit other diseases (**co-infections**). Thank you to the [Canadian Lyme Disease Foundation](#) for their list of symptoms.

### What are the symptoms of Lyme disease?

Lyme Disease is generally categorized into acute and chronic stages of disease, each with varying symptoms.

#### Acute Lyme disease

- Flu like symptoms such as headache, fever, muscle soreness & unexplained fatigue.
- Fewer than 50% of people with Lyme Disease develop the "bulls-eye" (or Erythema Migrans) rash a few days or even a few weeks after their tick bite (if they remember the bite).

#### Chronic Lyme disease

The following symptoms can be attributed to Lyme Disease when it has reached the Chronic stage of disease.

Head, face and neck. Eyes and vision. Ears and hearing. Digestive and excretory systems. Musculoskeletal system. Respiratory and circulatory systems. Neurological system. Psychological well-being. Mental capability. Reproduction and sexuality. General well-being.

- Unexplained hair loss
- Headache, mild or severe, Seizures
- Pressure in head, white matter lesions in brain (MRI)
- Facial paralysis (Bell's Palsy, Homer's syndrome)
- Tingling of nose, (tip of) tongue, cheek or facial flushing
- Stiff or painful neck
- Twitching of facial or other muscles
- Jaw pain or stiffness
- Dental problems (unexplained)
- Sore throat, clearing throat a lot, phlegm ( flem ), hoarseness, runny nose

Taken from Lyme Disease of Australia newsletter. With thanks.

## **Beverley Districts Motorcycle Club**

Beverley Districts Motorcycle Club has been operating since 1954 and started when a collection of local riders collaborated and formed the club that is known as Ulinga Park. In the past the BDMCC has historically hosted Junior and Senior state titles. This year we are set to host the Junior State Round in June.

In 2012 the club took out the MWA award for 'Most improved club' this was a massive boost for our little club all thanks to our hard working committee and volunteers.

BDMCC is one of Western Australia's top motocross clubs and boasts one of the best layouts in WA. The club is well known for its relaxed and friendly atmosphere and welcomes all riders from beginners to pros. The club also has a 50cc only track which means the kids can ride in between their races for a little extra practise. Our track team has worked hard to make our track excit-

ing, technical, safe and fun.

Our club caters for division 1 and 2, 50cc, 65`s, 85`s, junior and senior lites, opens, vets and first time riders. We highly encourage both girls and ladies to compete and they are catered for in various age groups and classes.

Throughout the year events such as the Go Moto days and Competition Days (Ulinga cups) are all part of the calendar, this year the club will host 10 race days including a junior state round.

The clubs facilities include free camping grounds, toilet block, and fully functioning canteen, First Aid Room, wash bays and a pristine track using the best loamy soil found in WA. Our committee and small band of volunteers are working very hard to provide our members with a fantastic track and ever improving facilities.

Registrations are now being taken for the 2016 race season for more information please contact Bob on 0416 250 300 or email him [bob.vanderlaan@hornresources.com.au](mailto:bob.vanderlaan@hornresources.com.au) Or visit the Clubs Website [www.beverleymx.org.au](http://www.beverleymx.org.au) for all the latest updates and information.

**FLAGGIES WANTED!!** In order for our riders to race safely we require flaggies at every race meeting. Flaggies will be paid \$75 CASH and looked after with lunch as well. If you are interested in flagging please call Mon on 0474 105 242 for details, No experience necessary the only condition is that you must be over 16 years old to flag.

**Up and coming Race meetings for the 2016 season:**

10 <sup>th</sup> April (Go Moto 1),	1 <sup>st</sup> May (Ulinga Cup Rd 1),	29 <sup>th</sup> May (Go Moto 2),	12 <sup>th</sup> June (Junior state round),
26 <sup>th</sup> June (Ulinga Cup Rd 2),	17 <sup>th</sup> July (Go Moto 3),	21 <sup>st</sup> August (Ulinga Cup Rd 3),	11 September (Go Moto 4),

## BEVERLEY NETBALL CLUB

Our pre-season training is well and truly underway, a huge welcome to those new players who have joined the club.

Last month the club held a Netball Umpiring Clinic to help explain the new rules that had been introduced not only for umpiring but also for coaches and players on how the new rules will effect playing the game.

A huge thank you to Donna Circosta and her daughter Sam for travelling to Beverley to run a highly helpful and informative afternoon, we hope everyone walked away learning something new and we have a few new umpires in the making.

If you would like to come down and join a team their isn't much time left, registrations are due before April 5th 2016.

Our training sessions are on Wednesday evenings at 5.45 pm. For those interested or who have questions please contact Jess Fleay on 0427 181 029 or email [jess\\_fleay@hotmail.com](mailto:jess_fleay@hotmail.com) for more info.

To keep up to date with what's happening at the Beverley Netball Club you can find us on Facebook.

## BEVERLEY PHOTOGRAPHY GROUP

We are pleased to announce that the Beverley Photography Group are now officially affiliated with the WAPF (West Australian Photographic Federation Inc.) Camera Club as of 28 February 2016. We look forward to working alongside this club.

Our members are assigned subjects for the month of February and it is truly amazing to see the end results at our monthly meetings. Our set subject for the month was 'Sunset/Sunrise', and we saw some stunning shots come in. First Place went to Hollie Smith (pictured below), with her 'absolutely GOLD' shot. Second and Third place to Robyn Murray, and Merits to Kathy Adams and our brand new member Woofie. Congrats ladies.

If you have a passion for taking photos why not come along to one of our monthly meetings.

- ◆ Social interaction with all levels of like minded photography enthusiasts who wish to be challenged to improve their skills.
- ◆ Providing opportunities to shoot beyond images they would normally take.
- ◆ Aim to learn together and promote photography in the local area.

Keen photographers of any level welcome.

Contact Colleen Sleer for more info 0408 319 022. or email [caugust@bigpond.com](mailto:caugust@bigpond.com)

## **Beverley Cricket Club**

**Saturday 6 February 2016**

**Beverley 4 for 207 defeated Kellerberrin All Out for 84**

*Beverley Batting:* Daniel Gollan 66 not out, Stephen Gollan 58 not out

*Kellerberrin Bowling:* Jason Ferguson 2 for 27

*Kellerberrin Batting:* Greg Clement 19, Jason Ferguson 18,

*Beverley Bowling:* Daniel Gollan 4 for 7, Beau McLean 2 for 5, Damien Murray 2 for 9

Beverley batted first and amassed 4 for 207. Beverley at one staged were 4 for 86 but a fine unbroken stand of 127 between Stephen and Daniel Gollan took Beverley to their final score of 204. Kellerberrin run chase started poorly with Beau McLean picking up 2 early wickets and with Daniel Gollan collecting a further 4 wickets in his 5 over's Kellerberrin collapsed to be 6 for 30. Damien (Junior) Murray and Toby Henry-Mourish each took a wicket and Ryan (Patto) Patterson took 2 wickets to bowl Kellerberrin out for 84. Big thanks to Junior, Toby, Patto and Ben Murray for playing in this game.

**Saturday 13 February 2016**

**Quairading 6 for 277 defeated Beverley 8 for 177**

*Beverley Batting:* Beau McLean 46, Dale Wansbrough 45, Daniel Gollan 34 not out

*Quairading Bowling:* Craig Anderson 2 for 23, Mark Riley 2 for 28

*Quairading Batting:* Troy Newick 121, Mark Riley 79 not out

*Beverley Bowling:* Dale Wansbrough 2 for 37, Daniel Gollan 1 for 48

Quairading batted first and had a day out against Beverley. Beverley's bowlers tried hard to stem the runs but too no avail as Troy Newick play a fine innings to score 121. When he was dismissed Quairading's score was 4 for 210, he was well supported by Mark Riley with 79 not out, which took Quairading to 6 for 277 off 45 over's. Stuart (Fletch) Murray joined Mark Thomas to open the innings and this pair were primed to have a crack at the Quairading bowlers, unfortunately the bowlers won as both men were dismissed with 12 on the board. A 91 run partnership between Dale Wansbrough and Beau McLean started putting some pressure back onto Quairading however both Beau (46) and Dale (45) were dismissed in quick succession which put an end to the run chase. Beverley batted out their 45 overs to score 8 for 177. This gave everyone a good hit before the finals, Daniel Gollan remained 34 not out with Jake Fleay 12 and Stephen Gollan 16 retired. Thanks to Fletch who played his first game in a few years and also to Lenny Ugle and Jamison Ugle for playing. The most pleasing aspect of the day was to see Robbie Wansbrough back playing and he performed very well bowling 10 over straight taking 1 for 60 and made 1 not out.

**Saturday 20 February 2016**

**Tammin 8 for 137 defeated Beverley All Out for 66**

*Beverley Batting:* Beau McLean 22, Stephen Gollan 19, Daniel Gollan 10

*Tammin Bowling:* Matt Hocking 4 for 11, Scott Button 2 for 0, Jack Charlton 2 for 3

*Tammin Batting:* Luke Button 29, Cory Dixon 26, Scott Button 21

*Beverley Bowling:* Khyle Ugle 2 for 14, Daniel Gollan 2 for 24, Mitchell Ashworth 1 for 4

Beverley won the toss and batted first and was hoping for an improvement from last week's game, but once again did not play well. Nick Jacobs opened the batting with Mark Thomas however Mark Thomas was adjudged LBW in the second over for 1 which, then saw a stream of steady wickets fall to see Beverley bowled out for 66. Beau McLean played well in making 22. Daniel Gollan grabbed two quick wickets in Matt Hocking and Chris Thompson to see Tammin slip to 2 for 22 but a third wicket partnership of 43 took Tammin to within 1 run of victory when Beau McLean had Scott Button caught for 29. Tammin declared in the 30<sup>th</sup> over at 8 for 137. Khyle Ugle took two wickets and Mitchell Ashworth, Robert Ugle and Nick Jacobs 1 each. Thanks are extended to Mitchell Ashworth and Graeme Lewis for playing.

This was the final Qualifying game for the year. The Premiership ladder at the completion of all games showed York on top with Beverley in Third place.

The Premiership Ladder read:

York 140.13 points

Tammin 134.75 points

Beverley 116.45 points

Seabrook 102.08 points

Brookton 88.59 points

Quairading 79.28 points

Kellerberrin 22.12 points

### **1<sup>st</sup> Semi Final**

**Saturday 27 February 2016**

**Beverley 9 for 184 defeated Seabrook All Out for 95**

Beverley won the toss and elected to bat in hot conditions. David (Disco) Kennedy and Mark Thomas opened the innings and played well. Mark was first out caught behind for 5. Beau McLean then joined Disco and proceeded to score well until both were caught in quick succession leaving Beverley 3 for 49. Beverley continued to score well but lost a further 2 wickets to be 5 for 87 off 28 over's. A partnership was needed and this was provided by Daniel Gollan (26) and Tom Fleay (51) who added a fine 72 runs in 12 over's. Tom played some great shots in his innings of 51. This set Beverley up to post a sizable target for Seabrook to chase. Troy Granville remained 8 not out and Jake Fleay 0 not out to see Beverley score 184 off their 45 over's. Beverley needed to bowl well to put pressure on Seabrook's batting. Seabrook started steadily to be 3 for 45 after 12 over's. David Kennedy then produced an outstanding spell of bowling to put Seabrook out of the contest claiming 5 for 19. This bowling along with some good fast bowling from Dale Wansbrough, Daniel Gollan and Beau McLean all with a wicket each with Stephen Gollan chipping in with 2 wickets saw Beverley bowl Seabrook out for 95 off 27 over's.

*Beverley Batting:* Tom Fleay 51, Daniel Gollan 26, Stephen Gollan 23, Dale Wansbrough 21

*Seabrook Bowling:* Grant Brain 3 for 24, Jacob Kerr 3 for 35, Chris Rawes 2 for 31

*Seabrook Batting:* Grant Brain 24, Hayden Fancote 14

*Beverley Bowling:* David Kennedy 5 for 19, Stephen Gollan 2 for 1, Dale Wansbrough 1 for 9

### **Preliminary Final**

**Saturday 5 March 2016**

**York 4 for 177 defeated Beverley 8 for 176**

Beverley travelled to York to take on the defending Premiers after their shock loss to Tammin the previous week. Beverley elected to bat first and lost both Mark Thomas and David Kennedy in the first 10 over's with the score on 25. Beau McLean and Khyle Ugle then played well to take the score to 78 before both were dismissed, Beverley lost a further 3 wickets to be 7 for 108 off 36 and were in need of some quick runs. Luke Gollan joined Stephen Gollan and this pair added 68 for the 8<sup>th</sup> wicket with 63 coming off the last 6 over's to take Beverley's score to 176 off 45 over's. Luke played a tremendous innings scoring 36 off 17 balls and Stephen remained 35 not out. Beverley needed to take wickets at regular intervals against a very strong batting line-up to have any chance of winning. York had reached 49 when David Kennedy had Josh Creighton caught behind by a diving Luke Gollan down the leg side for 12. David Kennedy then picked up his 2<sup>nd</sup> wicket when Mike Mount-Bryson was caught for 41, York was 2 for 74 and Beverley needed quick wickets. In the next over a very confident caught behind appeal against Darren Chitty was turned down before he had scored. Beverley kept trying to get those quick wickets, but York's experience was starting to show and they lost a further 2 wickets in reaching their target of 177 with Darren Chitty remaining 59 not out and Terry O'Brien 6 not out. Kyle Ugle and Daniel Gollan each took a wicket and David Kennedy 2 wickets.

*Beverley Batting:* Luke Gollan 36, Stephen Gollan 35 not out, Beau McLean 34

*York Bowling:* Mike Mount-Bryson 3 for 21, Craig Warren 3 for 38

*York Batting:* Darren Chitty 59 not out, Mike Mount-Bryson 41

*Beverley Bowling:* David Kennedy 2 for 24, Khyle Ugle 1 for 23, Daniel Gollan 1 for 41

Beverley once again had a great season with the youngest team in the competition and has continued to develop and encourage our juniors to play senior cricket. This season saw 7 under 13's boys play, 3 under 16's along with our 3 older boys in Khyle Ugle, Beau McLean and Daniel Gollan.

The Grand Final was easily won by York who bowled Tammin out for 95 and lost 5 wickets achieving this total.

The club would like to thank all our supporters who have come along and watched games a special thanks to all our sponsors in Graham and Fleeta "Inkosi Design", Amanda "Freemason Tavern" for their support of the club.

Mention must also be made to the Shire of Beverley along with Mal Kehlet and his helpers for their efforts in maintaining the best ground and wickets in the Wheatbelt.

In all the Beverley Cricket Club had a successful year and we look forward to the 2016 / 2017 season.

### Protecting your information

In my previous article I explained about different types of viruses and what you should do to protect against viruses. This month I will be talking more generally about protecting your personal information.

#### Password Protection

**Login passwords or PIN codes:** are not very effective at protecting your information. They are designed to stop someone easily entering your device (PC, tablet or smart phone) when you are not around. They are most useful for preventing casual access, e.g., in offices, public places or to prevent children from accessing a device that isn't child safe. If your device is lost or stolen the password/PIN will not stop people getting at your information.

**Protect your passwords:** Someone can easily watch you putting in your Password/PIN, especially with so many cameras around).

**Website Passwords:** Most websites that hold personal information now require passwords, e.g. Facebook, banks, email. Use different passwords for each website you use. If a criminal gets hold of a password then the damage is limited.

**Password Management:** With so many passwords it is impossible to remember them all. Keep the passwords in an encrypted, password protected file, or use one of the many password management programs available. Some are free. Keep a backup of the password file.

**Protect Passwords:** Do not keep passwords in plain text file on your device – always encrypt password files (see below). Never write down your passwords and leave them easily accessible, e.g. next to your computer!

**Do not use easily cracked passwords:** E.g. your name. Use a phrase or sentence and modify it by changing letters to numbers or vice versa. A long, strong passwords with more than 20 random characters will currently take thousands of years to crack Use a password manager to generate and manage these passwords.

#### Computer and Information Encryption

Encryption is the only way to fully protect your information. The information is scrambled and it needs a password to unscramble it. Because the Internet is so open many devices are now protected by encryption. However you must never lose the password, or you will lose information – forever! New Window 10 PCs, new tablets and new smart phones are protected by encryption by default. Older PCs (including those upgraded to Windows 10) and other devices, are not encrypted, but encryption can be added. Backup discs can also be encrypted,

Many software apps can create encrypted files, for example in Microsoft Office apps (Word, Excel, PowerPoint etc.) when you select to "Protect with a Password", the files are also encrypted. Encrypt all files containing personal information.

**DISCLAIMER:** Community information provided in good faith by Beverley IT.  
Shire of Beverley accepts no liability for the content of this article

**There could be more  
than 100 million  
cyber-criminals in  
Beverley\***

You may not see them, but they are on-line looking for every opportunity to get hold of your money by entering your PC, tablet or smartphone, and stealing your identity, tricking you or holding you to ransom.

\*My very rough estimate based on 3 billion internet users, 4% of people globally are in jail, and 4% not yet caught!

**PRIMARY HEALTH SERVICES**  
available to the community of  
Beverley

You can refer yourself or your child to the following health professionals:

· **Child Health Nurse** - Phone 9646 3200 to make an appointment, Hospital Admin Staff will assist you in setting an appointment time (attendance Fridays).

· **Child / School Health** – 9646 1210

· **Dietetics** – 9690 1320

· **Occupational Therapy** - 0429 466 224

· **Physiotherapy** – a Doctors referral is required – Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Thursdays)

· **Podiatry** – a Doctors referral is required Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) \*\*

· **Social Work** – Phone 9690 1320

· **Speech Pathology** – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns.

Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

# Beverley Redbacks Hockey Club

## Training

The first training session was held on Thursday 31<sup>st</sup> March, and new players are still more than welcome. Training is vital for team moral and improvement and to assist this, for the first time Redbacks Hockey are offering a crèche service during training! We ask that children be dropped at the playground side of the amenities and please pack food, drink and any other essentials. Please contact Club Secretary or Coach for further information and to book in.

## Scratch Match

The date of the previously advertised scratch match has changed. We will now be holding a pre-season mixed intra-club scratch match on Saturday the 23rd April. We will be seeking male and female players to play in this game. It will be a modified format but players require some basic hockey knowledge to ensure the game is fun and safe for all. This will be followed by a BBQ tea and we welcome all supporters and sponsors to come along and enjoy the evening as a great launch to our 2016 season.

## First Game

At the time of printing, the fixtures had not been released but the Redbacks first game is expected to be on the weekend of 30 April.

## 2016 Coach and Committee

Coach - Chris Mann -0427481027  
Carly Veitch - President -0429966678  
Hollie Smith - Vice President - 0409299089  
Chantelle Meade - Secretary-0429418576

## 2015/16 Fundraising

### Harvest Grain Donations

The Beverley Hockey Club has started fundraising for our long term goal of having a dedicated hockey field in Beverley. The Club has set up a Grower Number through Loadnet, where Harvest Grain donations are welcome to be made, to help us achieve this goal.

### HOW DO I DONATE GRAIN TO THE BEVERLEY REDBACKS HOCKEY CLUB

- Log into CBH Loadnet
- Hover over Nomination on the blue menu bar.
- Click on Donate in the drop down.
- Choose the required account number and season from the drop down box.
- Choose the relevant commodity and zone from the drop down box.
- Select **Beverley Redbacks Hockey Club #40408031** to which you'd like to donate from the drop down box.
- Choose your acquirer, payment method and destination site from the drop down box
- Click on select loads
- Nominate grain

If you would like assistance with completing your nomination you can contact Kelly Mann – Email: [kelly.mann@cbh.com.au](mailto:kelly.mann@cbh.com.au) or Phone: (08) 9690 2989.

Following Presentations of Championship Trophies, the Beverley Lawn Tennis Club will be holding its AGM from **5pm on Sunday 3rd April 2016**. All Welcome. This will be followed by a BBQ Dinner. Please bring a salad to share.

# Beverley Horse and Pony Club

On the 20<sup>th</sup> of March we ran our first rally for the year. We have 19 riding members this season with a few new members joining us; we have welcomed Lucy and her mount 'Bella', Aahlia and her mount 'Mia', and Toby and his mount 'Lisa'. Our day started nice and early so we could be set up and ready to start on time. Thank you to everyone who helped set up, many hands make light work. We were lucky enough to have Leigh White Saddle Fitting come out and check the horses saddles. She also presented a captivating speech at lunch time as to why saddle fitting is important and what to look for when buying new and second hand saddles.

Unfortunately we had to cancel our Open Training Day due to low entries, but due to the high temperatures that day, I think we were all very thankful. This is our first time having to cancel an event but there were several other events on around the metropolitan area on the same weekend. We will run this event again next year but on a different weekend. Thank you to those who entered, we appreciate your continued support.

We do have a number of other events scheduled for this year; a Show Jumping Training day in June, our annual All Breeds Show in September and a Gymkhana in October. We are looking for sponsorship for our Annual All Breed Show, if you are interested in sponsoring us please contact our event coordinators at [bevhpcc.events@gmail.com](mailto:bevhpcc.events@gmail.com).

Our next rally is on the 17<sup>th</sup> of April, members please arrive at 7.45am to help set up and to be ready for gear check at 8am. New members are always welcome, if you have any questions please don't hesitate to contact Vicky at [vickylucas@live.com](mailto:vickylucas@live.com) or on 0409 158 852.
