SHIRE OF BEVERLEY PRESIDENT REPORT - SEPTEMBER 2016

Pay Rates by Monday 12 September to Receive Discount

Don't forget to pay your rates in full by the due date, Monday 12 September 2016, to be entitled to receive a 10% discount.

Telstra Towers Upgrades

Telstra representatives briefed Council prior to the July 2016 Council meeting and advice has since been received that the following Telstra tower sites are approved and funded to be upgraded. Providing no unforeseen circumstances they are scheduled to proceed this year as follows:

*Beverley 4GX upgrade to be completed in September/October,
Mawson 4GX upgrade to be completed in September/October, and
Westdale 4GX upgrade to be completed in December/January.*

There will be an outage to base stations during the day when the upgrade occurs and further information will be provided closer to the relevant dates to let the community know when and why this is happening.

Regional Grants Scheme

The Shire was successful with an application to the Royalties for Regions Regional Grants Scheme, receiving \$195,000 towards the Beverley Cornerstone project.

Bushfire Risk and Management

The issue of bushfire risk and management is a concern which Council takes seriously and the following may be of interest:-

- Beverley has 8 Volunteer Fire Control Officers (FCO) whose services are highly valued, as are those of volunteer bushfire fighters throughout the Beverley and surrounding Shires. FCO details are on the Shire website www.beverley.wa.gov.au
- The Shire engaged a Community Emergency Services Manager (CESM) in 2011, a role shared and part funded by the Shires of Beverley and York and largely funding by DFES. Amongst other things, the CESM assists our FCOs' and the Local Emergency Management Committee (LEMC)
- Subsequent to a bushfire risk management workshop attended by the President and CEO in 2014, and a register of interest by the Shire, Beverley is one of the first Shires to receive total funding to engage a Bush Fire Risk Management Planning Coordinator for the period required to undertake the task of relevant mapping in our Shire
- Firebreak Order – Following a review by the FCO's and endorsement by Council a new requirement for small landholdings has been included in the firebreak order requiring all rural properties in the Shire equal to or less than 100ha to construct and maintain a 2.2m firebreak along all external boundaries, or provide on the property an operational, independent mobile water filled fire-fighting unit of not less than 650lt to be at the ready during the Prohibited and Restricted burning period. (Note:- exemption applies when small landholdings are managed by a neighbouring

landholder for agricultural purposes and this information is provided to the Shire in writing). The Firebreak Order is available in the Shire of Beverley Information booklet sent out with rate notices, on the Shire website or at the Shire Office

- The recent August Council meeting was delayed by 2 hours to enable Councillors Alexander, Gogol and Shaw and the CEO to attend a breakfast presentation by Waroona Bushfire Special Inquirer, Euan Ferguson. This was followed by a workshop to inform the WA Local Government Associations advocacy to the State Government regarding the Emergency Services Levy
- The Beverley Community Resource Centre is working with the Shire CESM to host a community safety event in the near future.

Swimming Pool Condition

Our beloved swimming pool (which was opened in 1962) is starting to need a little more than just TLC. I hope the community will get behind the Shire as we work through a planning process to determine what will be required to keep a swimming pool in Beverley for another 55 (and more) years. Details on page 3 in the Blarney.

Beverley Hospital Upgrade Works

It is very pleasing for our community that work proposed for Beverley Health Service has gone to tender and is anticipated to commence before the end of 2016. The upgrades include emergency department, nurses station, kitchen, front entrance and some bathroom facilities. Once the work commences the hospital will be functioning as per normal, with every endeavour to reduce inconvenience. I'm sure our tolerance and support will be greatly appreciated by the staff during this busy but exciting time.

Avondale

The Shire and National Trust WA continue to work together with the aim of community engagement and information regarding Avondale in the near future. Please review last month's Blarney which includes 2011 Avondale Masterplan proposed works. Congratulations and thankyou to those involved with the recent planting day and ongoing work in the Avondale bush reserve.

Beverley Heroic Weekend – 08/09 October 2016

Have you dusted off your pushbike ready for the Beverley Heroic weekend? Well at least for the town ride on Sunday if you're not a regular cyclist, or perhaps just come along anyway! It's shaping up to be another great weekend in Beverley.

Beverley Show

Congratulations to the Beverley Agricultural Society Committee, your team of helpers and everyone involved in staging another terrific Show. What a great day!

Dee Ridgway - Shire President

SHIRE OF BEVERLEY IMPORTANT INFORMATION

BEVERLEY MEMORIAL SWIMMING POOL REPAIRS & FEASIBILITY STUDY – COMMUNITY INFORMATION

The Beverley Memorial Swimming Pool was built in 1962 and has provided the community with over 50 summers of aquatic enjoyment. Over the last 8 weeks the Pool Manager and Shire have noticed a severe decline in the water level of the swimming pools.

A specialist company were called in to investigate any possible leaks and it was discovered that the main pool has major leaks on two control joints spanning the width of the pool. The Shire of Beverley is now obtaining quotes to make interim repairs to the pool, enabling it to remain open over the 2016/17 summer.

Information to date indicates that the Beverley Swimming Pool will need to be either rebuilt or replaced in the future. The Shire of Beverley will engage a consultant to prepare a Feasibility Study with community engagement to support grant funding. Some important points to consider during this process are:

- The approximate cost of replacing a swimming pool is \$2 to \$4 million.
- Does the community still want or need a 50m pool or should a smaller pool at a reduced cost be considered?
- Would groups/clubs/individuals consider fundraising or contributing to a new pool?

Community information will continue to be distributed via the Blarney as repairs are made and a Feasibility Consultant appointed.

MAKING THE CHANGE ASSOCIATIONS INCORPORATION ACT 2015 WORKSHOP

On 01 July 2016 the new Associations Incorporation Act 2015 came into effect. The new law will replace the current Associations Incorporation Act 1987.

The requirement of the new law means that all associations will need to amend their rules.

The Department of Commerce, Bendigo Bank, The Shire of Northam and the Department of Sport and Recreation invite club and association representatives to a workshop.

The workshop will cover the following:

- How the new laws will impact existing incorporated associations
- Key changes to committee responsibilities
- Prescribed Model Rules
- Financial reporting requirements to members
- The process for updating an association's rules during the 3 year transition period
- Question and answer session

Where: Northam Recreation Centre

When: Tuesday 06 September

Time: 3:00pm – 4:30pm

RSVP (essential): No later than Tuesday 30 August 2016

Dianne Groves:

Phone: (08) 9690 2400

Email: Dianne.groves@dsr.wa.gov.au

DEVELOPMENT OF BEVERLEY AVIATION DISPLAY ON HUNT ROAD (& DEMOLITION OF AERONAUTICAL MUSEUM)

The Beverley Aviation History Interpretation Project has evolved through the planning for the construction of the Beverley Cornerstone building which will see the Beverley Aeronautical Museum (and old Infant Health Building) demolished and its collection relocated. This project recognises the perceived, promotional advantage of retaining the Vampire jet on Hunt Road and involves protecting the plane from the elements and displaying information from the Aeronautical Museum about local Beverley aviation history. Interpretative signage incorporated into the design of the shelter for the plane will showcase this local aviation history. Information provided in the Significance Assessment for the Beverley Aeronautical Collection (January 2016) will guide this interpretation.

Beverley is home to a number of museums and collections, all of which are only available to the public through the tireless efforts of a declining number of volunteers. By establishing a self-guided point of interest, this project will create an economically sustainable and relevant attraction. The display will serve as a link to a small aviation display in the new Visitor Information Centre at the Beverley Cornerstone.

Further to this project, the Amana memorial will be relocated to the new display area on Hunt Road, the second Vampire jet and any remaining items in the collection will be returned to donors (if possible) or relocated from Beverley and recognition of the origins of the Aeronautical Museum as a home for the Silver Centenary will be included within the Beverley Cornerstone development. Dependant on funding, a scale model of the Silver Centenary is an option that may be considered for the Cornerstone building.

For further information, please contact the Community Development Officer at the Shire on
T: 08 9646 1200 or E: cdo@beverley.wa.gov.au

BEVERLEY ON DISPLAY

Avon Tourism is hosting a photography student from Monday 26 to Friday 30 September, who will be touring around the Avon Valley, experiencing the sights, tastes and adventures the region has to offer, and blogging about the journey along the way (and taking photographs).

Information and photographs gathered will be used by Avon Tourism to promote the Avon Valley as a destination — so let's put on a good show!!!

SHIRE OF BEVERLEY IMPORTANT INFORMATION

IMPORTANT CHANGES TO THE SHIRE OF BEVERLEY FIREBREAK ORDER

RURAL RESIDENTS AND RURAL LAND

All rural properties equal to or less than 100 hectares in size are required to have constructed and maintained a 2.2 metre firebreak clear of all flammable material along all external boundaries **or** provision on the property of an operational independent mobile water filled firefighting unit with the water capacity of not less than 650 litres to be at the ready throughout the Prohibited and Restricted burning period.

Note: An exemption applies when the small landholding is managed by a neighbouring/adjoining landholder for agricultural purposes and this information is to be provided to the Shire in writing by the landowner.

Firebreak Order 2016/2017

Pursuant to Section 33 of the Bush Fires Act 1954, all residents and ratepayers within the Shire of Beverley are required to clear a fire break of all flammable material in their land as set out below.

Due Date: 1 November 2016

Maintained Until: 15 April 2017

FAILURE TO COMPLY MAY RESULT IN A FINE OR PROSECUTION

TOWNSITE LAND

All lots with an area of 2.012ha (5 acres) or less, shall be clear of all flammable material or have grass mown to a height no greater than 15cm.

All lots or combination of lots that comprise of one holding and having an area greater than 2.012ha (5 acres) shall be either clear of all flammable material or have a firebreak 2.2 metres wide free of all flammable material inside and along all external boundaries.

RURAL RESIDENTS AND RURAL LAND

All rural properties equal to or less than 100 hectares in size are required to have constructed and maintained a 2.2 metre firebreak clear of all flammable material along all external boundaries **or** provision on the property of an operational independent mobile water filled firefighting unit with the water capacity of not less than 650 litres to be at the ready throughout the Prohibited and Restricted burning period.

Note: An exemption applies when the small landholding is managed by a neighbouring/adjoining landholder for agricultural purposes and this information is to be provided to the Shire in writing by the landowner.

A fire break of at least 4 metres wide and not more than 60 metres from the perimeter of all buildings (including temporary dwelling e.g. caravans) and/or haystacks or groups of buildings and/or haystacks so as to completely surround the building, haystacks and/or fuel drums.

A fire break 20 metres wide shall be maintained immediately inside the external boundaries of all land which has been bulldozed, chained or prepared in any similar manner for clearing by burning (whether it is intended to burn the bush or not).

PLANTATIONS

- All plantations firebreaks must be maintained.
- All new plantations and extensions to current plantations must have minimum 6 metre fire break installed on all boundaries.

FIREBREAK VARIATIONS

If for any reason it is considered impractical to clear firebreaks on any land as required by this Order a Firebreak Variation can be applied for. All requests for variations must be received at the Shire Office by 01 October 2016. The request must be in writing and provide a sketch of the property with existing fire breaks and the proposed alternative.

If permission is granted it will be in writing and shall remain valid until revoked.

Easing the impact

No one expects a spinal cord injury. Yet every day, someone, somewhere in Australia, sustains this life changing injury.

PBF Australia were delighted to attend the 'safe road to Beverley' Agricultural Show on Saturday 20th August .

It was great to meet so many of you!

Rob delivered our road injury prevention presentation at Beverley High School and the York Roos footy club before the show. We hope to come back soon and speak to sporting clubs, community groups and workplaces who care about safety.

Interested in learning more or joining PBF? Want to book a presentation?

BEVERLEY PATCHWORKERS AND QUILTERS

Many of you may have viewed our beautiful quilts hanging on the Saturday of the Beverley Show. Some, just completed, had not yet been seen even by the group ladies. It was quite a special occasion for their first airing. We hope you enjoyed them as much as we did.

Two of our ladies have recently completed 'Rag Quilts'. Denise made hers from a pack of cotton material with a bee theme which she acquired from a quilting trip we made last year, and Bette made hers from a flannelette fabric which even looks warm for our cool winter nights.

Rag Quilts usually have their blocks completed with batting, backing and quilting before they are sewn together. The blocks are joined with a wide seam exposed to the front of the quilt. The frill is then cut every inch or so to create a ragged look. When it is washed more fraying occurs and all this gives the quilt an interesting appearance.

The photos show to left - Bette sewing up the blocks and the photo at the bottom is the finished quilt.

Balco Australia

"Growing Hay the Balco Way"

Balco Brookton is employing seasonal workers for the 2016 Hay harvest commencing in September. Positions available are the following:

Weighbridge and Hay testing workers x 6

BEVERLEY HEROIC TOWN RIDE

SUNDAY 9TH OCTOBER 2016

ROAD MARSHALS REQUIRED

The Beverley Heroic Town Ride is a recreational bike ride under normal road rules with no changes to traffic conditions.

Your job will be to direct bicycle traffic from certain points around the streets of Beverley for approximately 2.5 hours (no cycling required) from 10am.

If you are able to help on the day please contact Kathryn at the Shire.

Further details ph96461200

The Shire of Beverley thanks you for your contribution to the success of this event.

Connecting to the Internet

There are several different ways you can connect to the Internet. What is available and the cost will depend where you are and what service you use.

ADSL

Asymmetric Digital Subscriber Lines are connected via your Telstra phone line. This service is reasonably priced, has a good bandwidth allowance, good performance and is the most reliable service (unless there is a cable fault in the area, e.g. a cable pit is flooded). This service is only available in the central area of the Beverley town site. If you have an ADSL service, don't change it, you have the best.

Wireless NBN

The National Broadband Network wireless broadband service was implemented in Beverley last year. This is a fixed wireless data service which can also come with a phone. The service is currently only available in the outer part of the Beverley town site but coverage will be extended to cover the whole town site. However, there are some dead spots as the antenna is low down, near the old race track. This service is only installed in the home, you cannot roam around using it. This service is also reasonably priced, has a good bandwidth allowance, good performance and is reliable. There are a number of providers for this service so you need to do an investigation on the Internet and chose a service provider that whose price and service suits you.

Installing a New Data Services?

If you are installing a new data service in your home get the installer to demonstrate it that it works on **your PC**. A demonstration on the installers PC is not good enough. If the service is not working correctly on your PC it can take weeks of frustrating phone calls to get it fixed.

Satellite NBN

The new NBN satellite service is now available across the whole of Australia. The satellite is positioned over the centre of Australia and is wholly owned by the NBN, unlike earlier satellites which were shared with other countries. If you live in a country area this is the only service available that gives a good bandwidth allowance, good performance and a reliable service. Installation is free in country areas. Most people using the new satellite are very satisfied with the service, although there have been some issues with support. There are 8 service providers providing a range of services. Contact me for a copy of my analysis of the costs.

Mobile Broadband

This service is based on mobile networks. Only Telstra, Boost, Optus and the Optus resellers provide service in Beverley. However, there is no 4G service and service is non-existent in many parts of the Shire. The service is expensive (more than 7 times other services), has a low upper capacity limit and has extremely poor service during the daytime in Beverley due to heavy usage by smart phones and tablets. However, it is the most flexible service as it can be used anywhere in Australia where there is 3G/4G mobile coverage.

Electric Vehicles in Beverley

At the Beverley Show on the 20 August, two electric vehicles were on display.

Jeff Johnson from Beaudesert in Queensland displayed his Nissan Leaf electric car. Jeff is travelling around Australia in this car raising funds for NETS, as well as showing that electric vehicles are capable of being driven around the nation.

NETS is the emergency service for sick or injured babies, infants and children needing transfer from a hospital to a specialist perinatal or paediatric centre. You can find more information about NETS at nets.org.au

Robin and Rob Dean drove their Tesla electric car from Mandurah. They have driven their Tesla as far north as Broome and south to Albany, covering over 50 000km in a little over a year. On their journeys north, Robin and Rob have recorded where electric vehicles can be charged.

Jeff, Rob and Robin met with representatives from the Beverley Shire Council. They also shared their experiences with many people who attended the show.

Information about charging points for electric vehicles can be found at plugshare.com

More information about the Electric Vehicles Association can be found at aeva.asn.au

Beverley District High School Class

Year 1 - 1967 to Year 10 - 1976

Reunion on Sunday 17 July 2016

25 Classmates and 6 staff

Back Row - Julie Davis (Cowcher), Trevor Craine, Darryl Borrett, Mr Daryl Fowler (Principal), Lindsay Strange, Mr David Kernutt (Yr. 5 and 6 Teacher), Judy Richards (Shelley), Kerry Fleay (Smart), Michael Kramer.

Middle Row - Malcolm Turner, Tony Dhu, Mr Richard Hunter (Science Teacher), Jennie Swan (Robinson - Knox), Karen Jackson (Clinch), Lynni Penny (Webb), Leonie Tobin (Farell), Debbie Norris (Jamieson), Ms Rosaleen McCarthy (English Teacher), Corinne Ford (Fordschmid), Robyn Winfield, Linda Kemp (Rhodes), Vincent Ugle.

Front Row – Neil Grover, Ian Ridley, Margaret Edwards (Beavis), Steven McNamara, Janine Wansbrough (Ayres), Kerin Fowler (Tietzel), Janet Smith (McArtney) **Missing** - Mrs Diane Colbrook (Home Economics Teacher)

The CWA organised a fantastic morning tea in a facility well remembered for its high school 'socials'. All together about 55 classmates, staff and family attended. Visits to halls and school enjoyed immensely.

Displays included: (a copy to be given to the Dead Finish)

- Excerpts from "The Beverley Times" by Year 1 teachers Miss Byrnes through that tie in 1967 where we had 40 students in the class.
- Excerpts from "The Beverley Times" a 1 page on most of the classmates.
- School class and various group photographs – some still to guess who the students were.

A 2 minute (or seemed longer) talk from classmates and staff about now and what you remember about the school days. From far and wide they came especially Corinne from Switzerland and Ms. McCarthy from New Zealand.

Some laughs were had from the fun memories such as:

- Where is the time capsule that was buried at the school in 1971?
- High School SW trip whereby we played the tape ABBA on the bus the whole trip, which drove the bus driver nuts.
- Ms. McCarthy's lambs Desdemona and Esmeralda

The day ended with 14 for dinner at the bottom pub and after quite a few drinks, 8 of the ladies revealed who they had their first kiss with (and a bit more) only to find it was in some cases, the same bloke, eek!!!!!!

Some classmates were presumed dead only to be found 'resurrected' the weekend before when they called Janet. Unfortunately many classmates and staff could not make it but want to come to the next one in 5 years (as everyone said 10 was too long). Friendships rekindled and promises to catch before next reunion were made and many now connected on Facebook.

More info: www.facebook.com/BeverleyDistrictHighSchoolClassof1967to1976/

Till next time Janet McArtney (nee Smith) Albany.

Beverley Rose Show 2016

FRIDAY 21 OCTOBER 2016

EMPLOYMENT OPPORTUNITY MAINTENANCE OFFICER

Balco Australia Pty Ltd is a major supplier of hay and straw products to international markets. Balco is an equal opportunity employer with a strong focus on workplace health and safety and ensuring the quality of our product. Due to internal vacancy we are now seeking a highly skilled and motivated individual to join the Operations Team based at Brookton in Western Australia.

Reporting to the Maintenance Supervisor as a key part of the team you will be responsible for driving a culture of success both directly within your allocated shift and collectively across the whole of business in sustaining manufacturing excellence. As a skilled tradesperson you will enjoy the challenge and reward of helping to drive reliability, safety, quality and productivity results using your initiative and technical skills to deliver robust reliable outcomes.

The successful person(s) will need to possess the following:

- ⇒ Demonstrated results in a similar role ideally within a manufacturing environment with formally recognized qualifications in an engineering/electrical trade
- ⇒ Sound working knowledge of fabrication, hydraulics, and process automation principles
- ⇒ Proven technical and leadership skills
- ⇒ Sound time management and decision making capabilities
- ⇒ Good written and verbal communication skills
- ⇒ Competent and efficient computer skills
- ⇒ Current High Risk Work License – LF Forklift Truck

Relevant ongoing training in all aspects of the manufacturing process and management systems will be provided to the successful candidate.

Telephone enquiries: Mark Murphy, Brookton Site Manager
M: 0428 520 146 W:08 9642 0025

Applications: Applications **must** address the above criteria and **must** be directed via the email address shown below. Please note that applications **must** contain the **position title only** as the email subject line. Send applications to: vacancy@balco.com.au

ATTENTION BUSINESS OWNERS Maximise your Merchandise Workshop

**The Beverley CRC are inviting
all business owners to a local workshop in
September with a merchandising specialist.**

**We are taking expressions of interest now.

Or email: accountsbcrc@westnet.com.au

Beverley Garden and Tree Society

This month members met at the Dead Finish for their monthly meeting and spoke mainly about the show entry which had been completed in Colleen's shed. A number of members went to the show grounds to set up the display in the pavilion. We were pleased with the mosaic elephant (pictured bottom left) and with the display in general (Top and middle photos). The clean up was completed on Sunday and we have to think of next year's show!

Next month members are invited to go to the Chittering Wildflower Festival on Friday 16 September. We have the bus booked and names are

filling up quickly so get your name on the list by ringing Dalene on 9646 0800.

The Shire has given the go ahead for the garden club to install raised garden beds at the caravan park and the ever helpful girls at Avon Trading ordered the bed and Ken Moody did all the bolting together. We are awaiting the delivery of compost and then the garden will be planted with salad vegetables and herbs for the campers to enjoy.

The Rose Show is our next commitment and work is ongoing for the Show in October. Those of you who haven't pruned yet will have left your run too late!

In general garden tidying and pruning and weeding goes on until it gets a little warmer. Warmer days are coming when we can get out in the garden a little more comfortably. In the meantime look at the catalogues and dream of the next buy!!!!

Happy gardening

Backyard Buddies

Your monthly guide to pests, diseases and weeds

Bees – friend and foe

As the weather warms and spring arrives, it's a good time to talk about the European honey bee (*Apis mellifera*) and how you can help protect Western Australia's bee industry by reporting unfamiliar bees or insects.

European honey bee. Photo submitted via the MyPestGuide Reporter app. Photo credit: John Botha.

Honey bees are familiar to most of us, whether through visiting our gardens, being trod on at the local swimming pool or avoiding a bee swarm in spring.

They're also more commonly seen than the estimated 2000 native bee species we have in Australia.

As the name suggests, European honey bees are not native to Australia and were first introduced by early European settlers to supply honey. Today, in addition to the production of honey, bees provide important pollination services for our horticulture and agriculture sectors. Thirty five industries depend on honey bee pollination for most of their production.

Unfortunately, honey bees have also become an invasive species colonising most of Australia. Having left their man-made beehives, these wild or 'feral' bees can out-compete native insects for floral resources, disrupt native pollinators and displace endemic wildlife such as birds and possums from their homes in tree hollows or artificial nest boxes.

Unless you have a beekeeper with beehives living nearby, your flowers, fruit trees and vegetables are most likely being visited (and pollinated) by feral bees.

During spring, bee swarms are often seen as bees leave their parent colony in search for a new home. This can cause concern to property owners if that new home is in your wall cavity, compost bin or letter box. Honey bee workers may also sting people and domesticated animals when defending themselves or their hive. Their sting may trigger allergic reactions in some people, which can sometimes be life threatening.

As with most pests, a balance must be struck. In this case the cost and benefits of providing local pollination versus environmental protection, health and safety.

It's also important to understand that the removal or destruction of problematic bee swarms or hives in domestic, recreational or bushland/conservation areas poses little to no impact on the health of the bee industry in WA.

To support the WA honey, horticulture and agricultural industries and continue to enjoy home grown produce, we need to protect the health of all bees. **The**

Backyard Buddies

Your monthly guide to pests, diseases and weeds

greatest health threat to our bees comes from the entry and spread of exotic pests and diseases.

For assistance with bee removal contact a licensed pest controller, local apiarist or see the WA Apiarist Society's website (waas.org.au) for a list of swarm collectors.

How you can help

If you find dead bees or can safely take close up photos (especially showing the vein pattern of their wings) please send these to us with the location and a brief description. We screen samples and photographic reports for exotic bees and pests not yet present in WA, such as the Asian honey bee, *Apis cerana* (established in far north Queensland), bumble bee, *Bombus terrestris* (common in Tasmania) and varroa mites, *Varroa destructor* and *Varroa jacobsoni* (the latter species was recently detected on Asian honey bees in QLD).

Before sending in samples, please contact us (phone or email) so we can provide tailored advice to your situation. To find more information on bees – see our website agric.wa.gov.au and search 'bee'.

Reporting unfamiliar pests

The Department's Pest and Disease Information Service (PaDIS) screens enquiries for new weeds, pests and plant diseases, which could negatively impact the success of WA's local horticulture and agricultural industries and the ability to grow home produce.

You can report biosecurity concerns or unfamiliar pests using our free smartphone & tablet apps or online!

See: mypestguide.agric.wa.gov.au. The **MyPestGuide Reporter** app is available from [Google Play Store](https://play.google.com/store/apps/details?id=com.agric.wa.gov.au) and [Apple iTunes Store](https://itunes.apple.com/au/app/my-pest-guide-reporter/id1088111111). You can also contact us direct if you have concerns about unfamiliar weeds, pests or plant diseases.

Pest and Disease Information Service (PaDIS). info@agric.wa.gov.au. 1800 084 881 Department of Agriculture and Food, WA. 3 Baron-Hay Court, South Perth WA 6151.

AVONDALE FARM

What a busy couple of weeks it's been here for me at Avondale, shearing in the past couple of weeks, farrier for the horses, NRM grant visitors working in the reserve and of course our local show. Another great show put on by a hard working committee, a job well done to all the volunteers involved.

Once again this year Comet ventured into town for the show accompanied by his old buddy Dakota, both received many pats and cuddles from heaps of people. They also won some ribbons in the Breed Classes although little Dakota won a 1st and Comet won a 2nd and a 3rd. I think we need to lift our game for next year, Comet even made a new friend who just happened to be a little bit taller and a little bit bigger and it wasn't Robbie either. Comet was more than happy to stand next to the Elephant in the Wheatbelt for a photo while cheeky Dakota managed to fit between his legs. Yep she is such a character young Dakota.

This year the AFPA committee held two raffles to raise funds not only for the horses but the museum. Congratulations to Mrs Wendy Moore on winning the trailer load of wood and to Mr Mark Thomas for winning the Wheelbarrow Raffle. Thank you to all who brought tickets in both raffles. I would like to thank Wayne and

Marian Byrne for all their help this year with both Horses at the show and to AFPA for letting Comet enter in the Breed classes.

Avondale was very lucky to have a busy Saturday afternoon with people heading back to Perth stopping in at Avondale for a visit. More work has been happening in the Avondale reserve with the plan to have the walk trails sorted out by next year ready for public use. Work has been happening on the old North Cottage which was one of the very 1st residential houses here at Avondale. The old weather board house was in need of a little repair and now looking a bit newer.

Our next open days in September are 17 and 18 and again on the Queen's Birthday Long Weekend 24, 25 and 26. It would be a great opportunity to come out with the family to see the progress that has been made at Avondale. Mon

BEVERLEY NATURALISTS CLUB NEWS

BROOKING STREET RESERVE

We were lucky enough to have a visit from the Murdoch branch of the Wildflower Society on Sunday 14 August. We went to the Brooking Street Reserve and they were so impressed with this Reserve rating it as one of the best Orchid Reserves they have seen. We are extremely proud of this Reserve and to be told by people that tour around looking at Reserves all the time how good it is most certainly exciting. They loved it so much they want to come back in a few weeks. We have also been out photographing Orchids and it is most certainly shaping up to be a big year for the Orchids this year.

BUSH CLEANUP

We had a great day at our last cleanup and found a snake that had made it home out of old tin and rubble. We removed its old run down old house and made it a lovely new home out of fallen timber, bark and leaf litter. We are sure he will be more comfortable in his new home. It was a wonderful day and we had a lot of fun with Lorna finding so many old bits of car that she thought she might be able to make a car. It would be a very unique car so if you see Lorna driving around in something unique you know where she made it. Angie has also found lots of old bottles which is great.

Our next cleanup days are the 06 and 20 September. We meet on my road just off the Nicholas Street. We have breakfast at 9.00am and start cleaning up at about 9.30am. Just wear sensible footwear bring gloves and most importantly bring a great sense of humor. Have a bit of fun while doing something worthwhile.

RARE FLORA

Our rare Eremophila has now been properly documented and is receiving the protection that it needs. The worry is there is only 2 small populations that have been found and that means we have only 80 plants so it is very vulnerable indeed. We have had wonderful support from Main Roads and DPaw so things are looking up. We have been out in our Reserves looking for other populations of Eremophila in Beverley.

WILDFLOWER SEASON

As many of you know the wildflower season is starting and it is wonderful to see so many different species of flora putting on a very colorful display. It shows nature at its most beautiful. Just remember when out in our beautiful Reserves or Roadsides where the wildflowers are to watch where you walk so as not to trample any as some of our Orchids are quite tiny. Please never ever pick any as they will not grow in your gardens. Find them, photograph them and love and admire them and save them for future generations.

Hope you all had fun at the Beverley Show the weather was reasonable for it even though it was a worry for a while.

Please feel free to contact me at any time.

Junior Sport- Winter Wrap

Football

Our 2016 Junior Football season was a great success for all of our participants. We participated in all inter town games and carnivals and fun was had by all. The development of our squad, as a team and individuals, was outstanding and the true measure of our season. I hope to see everyone back next year.

I would like to specifically thank the kids, Auskick coaches (Deane Aynsley, Jethro Slerer and Joel Farr) and Junior footy coaches (Deane Aynsley, Chris Mellick, Michael Hill, Wayne Ashworth and Monica Vandersnoek). I also thank our umpires, Ben Murray, Beau McLean, Graeme Lewis and Mark Britza.

You all assisted to make our season a reality. I would also like to thank outgoing committee members Monica Vandersnoek and Pete Stevens for all of your efforts over the last 2 years.

Summer Sport – Starting 4th term 2016

We are seeking expressions of interest for **CRICKET** and **BASKETBALL** starting in term 4 2016

If your child is interested in participating in either of these sports please contact Deane Aynsley on 0428 466 246 or email deaneaynsley@bigpond.com. Registration will take place at the end of term 3. Please let Deane know your interest by **Wednesday 7th September**.

Basketball is new to Beverley so all beginners are very welcome. Ages for Basketball are Year 2-Year 7 and for Cricket PP-Year 7. Parent helpers and coordinators are also required, so if you are interested in being involved please contact Deane.

Netball

2016 has been a big year for our Junior Netballers. 12 girls aged between PP and Year 3 participated successfully in the Net Set Go program. Congratulations to **Brianna Cable, Kaisha Cable, Ruby Murray, Emma Kilpatrick, Bethany Blanch, Alice Hammond, Mya Mearns, Mahli Kitai, Holly Lewis, Isabella Mellick, Indiana Doyle** and **Diana Perry** for taking part. They were coached by Jacinta Murray, Ros Mellick and Cara Hammond.

The Junior Netball side saw three Year 3 girls join the team this year, **Leah Morrell, Fillipa Bell** and **Soraya Doyle** all began to play games for the first time. The Junior and Intermediate Netballers aged between Year 3 and Year 7 all participated admirably in the Home and Away fixtures as well as additional shield competitions. They did Beverley proud, winning the **Doncon McNeil Shield, Pat Ferguson Shield** and **West Coast Fever Cup**. These girls were coached by Sam Fricker and Anthea Cooke.

As always Junior Sport could not run without the contribution of volunteers. Thank you to the ladies who coached and umpired for lending your valuable expertise. Thank you to parents for scoring, timing, washing uniforms, bringing oranges and supporting your children in their participation. For those leaving Junior Netball we wish you all the very best in your future endeavours. See you in 2017!

Date and Muesli Slice

Ingredients

- olive or canola oil spray
- 2 medium apples, core removed, coarsely grated with skin on
- 1/3 cup water
- 1/4 cup margarine
- 2 cups dates, seeded
- 2 cups natural muesli
- 1/2 cup plain flour
- 1/2 cup wholemeal plain flour
- 1 tsp ground cinnamon

Method

- 1) Preheat oven to 180°C (160°C fan forced).
- 2) Lightly spray a slice tin (approx. 25x30cm) with oil.
- 3) Add apple, water, margarine and dates to a small saucepan and bring to the boil.
- 4) Reduce heat, cover and simmer for a further 5 minutes until the apple is soft.
- 5) Cook uncovered for a further 5 minutes and stir occasionally until mixture thickens to a paste-like consistency.
- 6) While apple and date mixture is cooking, place muesli in a large frypan. Stir over low heat for 5 minutes until lightly browned.
- 7) Sift flours into a large bowl, returning husk remaining in the sieve to the bowl.
- 8) Add cinnamon and muesli to the flours and mix to combine.
- 9) Stir into the date mixture then spoon into prepared tin.
- 10) Bake for 20 minutes until firm.
- 11) Cool in tin before cutting.

Colourful Fruits and Vegetables That Boost Your Immune System

By Valerie Gunsch, Dip. C.N.C. Mac. H.V. P.P.
Clinical Nutritionist, Profemme Practitioner
Email – healthylivingbev@westnet.com.au

As part of my Immune boosting series we will look into the colours Red/Blue/Purple.

Red fruits and vegetables are coloured by a natural plant pigment called lycopene.

Purple/Blue in plants is created by a plant pigment called anthocyanins. This is also an antioxidant and protects cells from damage; they help reduce the risk of cancer and stroke. Antioxidants fight diseases and promote good health. Red, Purple and Blue Fruits and Vegetables may prevent Stroke and protect from Alzheimer's, they may even slow down the aging process. Eating the Blues can keep you healthy, feeling young and should be eaten as often as possible.

Tomato, Red Capsicum, Radishes, Red Onions, Beetroot, Red Cabbage, Purple Eggplant, Asparagus, Black Currants, Strawberries, Rhubarb, Cherries, Red and Purple Grapes, Raspberries, all Red and Blue Berries, Dried Plums (Prunes), Raisins, Pink Grapefruit, Watermelon, Guava, Red Apples and Red Kidney Beans are the one we are looking at. There are also Sauces, Soups or Juices such as Spaghetti Sauce,

Tomato Juice, and Tomato Paste. Here is my favourite salad I make all the time.

Beet Salad with Carrot, Quinoa & Spinach

1 cup cooked Quinoa
 1/3 cup slivered almonds, pepitas or sunflower seeds toasted
 1 medium raw beet, peeled
 1 medium to large carrot peeled (or 1 additional beet)
 2 cups packed baby spinach or other greens
 1 small avocado, cubed

Vinaigrette

3 tablespoons apple cider vinegar,
 2 tablespoons lime or lemon juice,
 2 tablespoons olive oil, 1
 tablespoon chopped fresh mint or cilantro, 2 tablespoons honey or maple syrup, 1/2 to 1 teaspoon Dijon mustard to taste, 1/4 teaspoon salt, freshly ground black pepper

Instructions

Toast nuts or seeds in a small skillet over medium heat, stirring frequently to prevent burning until they turn golden on the edge, about 5 minutes. Transfer to a large serving bowl to cool.

Prepare the vinaigrette: whisk together all of the ingredients until emulsified.

Assemble the salad ingredients, toss gently and finally drizzle dressing over the mixture, toss gently again. You might not need all of the vinaigrette.

BEVERLEY BRANCH
WEIGHT WATCHERS FEDERATION OF WA INC.

Do you want to lose a little weight, or try and keep within a reasonable weight range?

Why not join the local Weight Watchers Group – it isn't stringent rules and regulations just a very small group of people who try and either lose weight or maintain their weight.

We meet every Monday morning in the OT Room at the Beverley Hospital and weigh in and have a small social meeting. Membership isn't exorbitant either just \$6 per year and \$2.50 each week.

When you join encouragement is given to everyone who is trying to lose that little bit of extra weight.

Now is the time to come along and see how we work, before the end of winter so that when Spring & Summer arrive you are well into your weight loss regime and with support it is amazing what we can achieve.

There are small rewards for Weight Loss each week.

The Club held its AGM on Monday 08 August and so there is no pressure to take on any Official Position, as all position have been filled.

Just want to know more about the group call President Joan Leonhardt on 9641 6084 who will be only too happy to give you as much information as she can.

The Group will be once again having a Father's Day Raffle with which tickets will be available at the end of August / Early September.

We only have a couple of fund raising activities throughout the year, so not lots of extra commitment is needed from you, only the desire to lose weight. With our fund raising we donate to Local Organisations to help them, for example Beverley Hospital, Beverley Agricultural Society.

Don't forget Monday mornings weigh in from 10.00am for a 10.30am Meeting in the OT Room at the Beverley Hospital. We will encourage you all the way to wear away those extra grams – Are you up for the Challenge?

BEVERLEY HISTORICAL SOCIETY

We had a much better attendance at our last meeting with only three apologies.

The show is over for another year and the weather was kind with only a brief shower during the day. Our congratulations to the Agricultural Society on a great day.

The printing press has finally been moved so that the sandblasting and painting can be done. The paint has been purchased and we are very pleased that things are happening. It's been rather a long process to get to get to this stage and a much bigger undertaking than what we initially thought.

The Tree and Garden Society have been active in the Dead Finish garden. Weed clearing and a big pruning session. It looks much better and neater and we can now see the other Sandalwood Tree. Our thanks go to those people that attended on the day.

Research still goes on. there's always somebody who is after information or who are doing family history. Most of the requests these days are by email which everyone knows is easier.

The next meeting of the Historical Society will be held on Monday 12 September at 2.00pm at the Dead Finish Museum, located on the corner of Hunt road and Morrison street.

Gail Alabach
Hon. Secretary

Station Gallery & Platform Theatre News

Station Gallery

August is the time of the year when we warm up for our next season of events but the weather has been discouraging for any warm-ups! However, dates have been finalized as you will read further into this report. Our first event for the season being the Country Choir Bash on the afternoon of the 10 September. Our previous bashes have clearly been popular as this year there are 8 choirs singing!! The president of Voice Moves, Leonie Thorogood, who organizes the event, has indicated that this event has again proved popular with choirs around the state, by saying she "can ALWAYS rely on at least a couple to pull out but this time - no-one is!!! So it will still be a big afternoon of singing even without the primary school" (yes, our Beverley School Choir is unfortunately unavailable this year).

Because of the increase in people expected on the day Beverley Station Arts is calling for volunteers to help bake for the afternoon tea we offer. Sponge cakes are particularly in demand but anything is welcome!

From the 28 - 31 August I have been invited by CircuitWest to attend the Performing Arts Exchange in Melbourne which I am very much looking forward to as I am keen to experience all that PAX has to offer in regards to networking and development, and the opportunity to explore new ways for audiences to see and experience live performance.

We had a taste of live street performance in Beverley with our South African artists-in-residence and those who attended *TIME FLIES AND THE VAMPIRE OF HUNT ST* can surely attest its uniqueness and engaging style. Well, Dr Myer Taub his colleagues Andrew Lamprecht, Palesa Matabane, and photographer Aliza Levi from Melbourne promised to produce some contemporary work whilst here and this they did with performance projects themed on treasure, presence and collaboration. Myer reflected that Time Flies proved to be developmental for its process as an innovative social historical interactive parody and was much appreciative of experimenting with it in Beverley!

In lay terms it began with an hilarious 'historical' lecture in the Town Hall by Professor Alain Said who spoke of the town of Beverley and it's connection to Beverley in England and the holy grail. The 'vampire' link was based on the two Vampire planes, one in the main street and the other in Hunt St; and then there was the reference to sheep being a focus our rural town and the 'fact' that Prof Said is a renowned expert on the education of sheep. Hence followed a treasure hunt with cryptic clues throughout the town in search of the chalice. Performances by the four South African artists-in-residence were frenetic alongside a few of Beverley's local talent.

Here are some pics of their time in Beverley photographed by Aliza Levi (who is presently executing a solo exhibition in South Africa which includes images taken at night of some of Beverley's houses).

Artist-in-Residence

From 15 - 30 August, photographer Josh Wells, was the artist-in-residence and his images on the walls of the main gallery of the Station were stunning. He is holding a popular and very informative workshop on Saturday 27th August.

The next artist to arrive is another photographer. York visual journalist and writer, Paul Amyes, will be the Beverley Station Arts artist in residence for September 2016. During that time there will be an exhibition of some of his work called *Sex, Lies*

and Flowers. *Sex, Lies and Flowers* is a project on the terrestrial orchids of the Wheatbelt of Western Australia. The word orchid comes from the Greek "orchis", which literally means 'testicle' (with reference to the shape of its tuber). Orchids are distinguished from other flowers by their uniquely shaped column which is comprised of the fused stamens and pistils. Often the petals are modified to mimic the shapes of insects to attract male insects to mate with the faux female and pollinate the flowers. Some of the forms they take also resembles human genitalia Hence the title "Sex, Lies and Flowers".

Over the last eight years Paul has travelled the Wheatbelt photographing the plants on location. Instead of taking the standard approach of photographing the plant in its environment showing its full structure he has chosen to photograph them in a style more used in portraiture so as to bring out the distinguishing features and characteristics of the plants. The aim is not to produce an exhaustive catalogue of the plants but to

produce a series of images that show case the beauty of the plants and raise awareness of them and how fragile they are.

Photos to the left: Paul Amis and one of his images

For all information on residencies check with Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence Programme 2016

November: Mat Vaughn - Victoria - painter

December: Marlish Glory - writer - WA

Beverley Station Singers

The Station Singers had fun performing at the Beverley Show. Congratulations to the Beverley Agricultural Society committee for relocating the entertainment tent to the front of the Amenities Building - it made for an amphitheatre feel and improved sound - or was that due to sound techno's Steve and Tim (thanks fellas), and also provided shelter from the rain for the audience.

The next performance for the Station Singers is at the *Voice Moves' Country Choir Bash* in Beverley on Saturday 10 September, then Dunsborough Songfest Friday 11 - Sunday 13 November, and the Beverley Community Christmas Concert Saturday 17 December. The next get-together to practice for all these events is at 7pm on Wednesday 07 September.

Kelly Newton Wordsworth directs the group on a monthly basis (\$35pp to be paid up-front 3 monthly, or \$50 per session). Anyone interested in joining the singing group contact Tracey Fleay- Mob: 0409 481 029 or E: traceyfleay@hotmail.com

Platform Theatre

COUNTRY CHOIR BASH Saturday 10 September at 2.00pm - 5.00pm

The Voice Moves Beverley Choir Bash is less than two weeks away and it looks like a great programme of singing is on the menu for the day. This year the funds raised from the Bash will go towards the restoration of the train carriage.

- Country Choir Bash presented by ♪ "Voice Moves" (WA's major choral association)
- Saturday 10 September 2.00pm - 5.00pm (tea break 3.20pm - 3.45pm)

- Beverley Platform Theatre, 120 Vincent St, Beverley
- An event for the whole family to enjoy as 8 choirs "Sing into Spring"
- Gates open 1.30pm. Cost to the Country Choir Bash is \$10 general public (\$5 choir members) payable at the door/gate
- Country style afternoon tea at intermission (\$5)

Wear hats and sunglasses if warm; rug up if cold and, in case of inclement weather the event will be relocated to the Town Hall. "**Voice Moves**" has specified there will be 8 choirs, each singing for 20 minutes instead of the usual 25 to fit into the tight programme:

2.00pm – Born to Sing
 2.20pm – Rossmoyne Community Singers
 2.40pm – Beverley Station Singers
 3.00pm – Strike a Chord
 3.20pm – AFTERNOON TEA
 3.40pm – Voices in Sync
 4.00pm – Two Up Two Down
 4.20pm – The Semi Tones
 4.40pm – Summerhouse
 5.00pm – FINISH

Calendar of Events:

At last some dates have been finalised for the coming season!

September: Saturday 10 - Country Choir Bash presented by VOICE MOVES *Family*

October: Tuesday 11 - In A Dark, Dark Wood produced by BARKING GECKO *Schools and Family*

November: Friday 4 - ELIXER (dramatic circus act) and COCO CABANA (burlesque) *15+*

December: Saturday 17 - Community Christmas Concert with RAY RYDER *Family*

February: Saturday 11 - BARRY MORGAN *15+*

March: Saturday 18 -Desperately Young at Heart with ROBERT HOFFMAN & Le Diner en Blanc *15+*

March: Thursday 13 - Monday 17 - 49th ANNUAL ART PURCHASE EXHIBITION (presented at the Town Hall) with OFFICIAL OPENING Thursday 13 April *Family*

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser. BSA is thrilled that the Beverley Football Club, weather permitting, has chosen to hold their medal count/presentation event at the Station.

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Beverley Station Arts Membership

It's time for membership renewal! We thank you for your support in the past by attending events at the Platform Theatre and hope you will consider becoming a member which will give you discounted rates for all events and will assist us in maintaining the venue and to continue presenting a variety of entertainment for your enjoyment.

We look forward to seeing you at the events we have planned for the next season. Our programme will be available soon.

To become a member of Beverley Station Arts Inc (Friend of the Station) please hand your Membership Application form to Treasurer Pauline Knight at the Newsagency, phone 9646 1142. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

The Station garden is available for public use at any time, just open the gates and enjoy!

Station Gallery Open Hours 11.00am - 3.00pm on Thursday, Friday, Saturday and Sunday

Jenny Broun, President, Beverley Station Arts: 9646 1500 / 0419 040 063 / brounj@westnet.com.au

COUNTRY CHOIR BASH

SATURDAY 10 SEPTEMBER 2016

Presented by **Voice Moves** this Country Choir Bash is hosted by **Beverley Station Arts** at the **PLATFORM THEATRE** in Beverley – as the ongoing opener of the season of events for the fifth consecutive year, Beverley is the place to be on Saturday 10 September. Truly and event for the whole family!!

Date	SATURDAY 10 SEPTEMBER 2016
Time	2.00pm – 5.00pm (Gates open at 1.30pm)
Venue	Platform Theatre, 120 Vincent Street, Beverley
Tickets	\$10 per person available at the gate on the day, children half price.

Gate takings towards the restoration of the train carriage at the Station Gallery.

Traditional country afternoon tea with flair is served during this wonderful afternoon of entertainment from these 8 choirs singing a wide variety of songs:

Born to Sing
Rossmoyne Community Singers
Beverley Station Singers
Strike a Chord
AFTERNOON TEA
Voices in Sync
Two Up Two Down
The Semi Tones
Summerhouse

As the venue is outdoors, please dress for the weather – hats and sunglasses if warm; rug up if cold, and in the event of inclement weather, the concert will be relocated to the Beverley Town Hall.

Planning Ahead and being Prepared

All too often the sudden death of a loved one is an experience filled with anxiety and swift decisions.

It doesn't have to be this way.

Beverly Community Resource Centre will host an educational seminar with the information you need to know from the friendly team of Purslowe Tinetti Funerals of Northam. A solicitor will also be present to offer any legal advice.

So come along and learn how to **PLAN AHEAD AND BE PREPARED - How to prepare a will, funeral planning, Power of Attorney and general information.**

Join us for a complimentary morning tea and honest discussion as Purslowe Tinetti's professional team share their experience and their knowledge.

REGISTER NOW to learn valuable information about planning ahead to **make things easier for your family.**

Avon Zone Meeting

The recent WAFarmers Avon Zone Meeting proved to be one of the most successful meetings to date, with robust discussion about the issues currently facing the state and the organisation, in addition to a rare opportunity for attendees to learn more about the relationship between the state's two main agricultural advocacy groups.

To kick off proceedings, members were updated on WAFarmers' current activities, including the submission on biosecurity regulations presented by the Department of Agriculture and Food WA, the expansion of member services, and the sales of WAFarmersFirst Milk, and office bearers were elected during the Annual General Meeting.

WAFarmers congratulates Ken Clark (President), Sue Pike (Vice President), Greg Richards (Grains Council representative), and Guy Bowen (Livestock Council representative) on their appointments, and encourages local wool-grower members to be part of the Avon Zone team.

Following this was the highlight of the evening - a discussion between WAFarmers President Tony York and Pastoralists and Graziers Association President Tony Seabrook which focused on ongoing and future issues for the state's agricultural sector and the potential for an amalgamation of the organisations.

While it was stated that an amalgamation of the two organisations would not occur in the near future, with differences in policy focuses cited as the main deterrent, both Presidents acknowledged the groups' continued working relationship and welcomed opportunities for further collaboration on mutually beneficial issues.

In addition to this keynote discussion, presentations were heard from Maddison McNeil, WAFarmers Executive Officer – Grains,

DJ YATES

Beekeeping and Transport (Ports and Rail) and AgConnectWA Vice President, Stephen Brown, WAFarmers CEO, Ley Webster from 2 Work in Oz, Jeff Murray, Sheepmeat Council of Australia President and WAFarmers Livestock Council representative, and Tony Hansson from Keystart Country Home Loans.

Avon Zone President Ken Clark said the meeting was highly successful and had attracted a number of new faces, particularly from a younger demographic.

"We were very pleased with how well attended this Zone Meeting was, especially as there were many younger farmers in attendance who we don't often see at these meetings," Mr Clark said.

"WAFarmers cannot stress enough how important it is to have our members – younger and older - attend Zone Meetings as this is the best way for members to voice their opinions and enact change, both within the organisation and the wider agricultural sector.

"The contribution of fresh thinking from young farmers is invaluable to our operations, as is the guidance and experience of our more established members, so we encourage attendance from all members at future meetings, and ask members to continue to provide input into reviews and submissions that WAFarmers undertakes on your behalf.

"We thank all our guests for their contributions to this meeting, particularly Mr Seabrook, and look forward to welcoming them again at future meetings."

The next meeting will be a combined Mortlock and Avon Zone Meeting (including a farm tour and lunch) at the Western Australian College of Agriculture (Cunderdin) on Friday 21 October at 11.00am.

Further details will be provided on the WAFarmers website.

The Show

Another show is over and things are back to normal,
A little country town where things are friendly and informal.
It happens every year with very little fuss,
just turn up at the gate and share the fun with us.
It all began with a skeleton out on the Oval green,
then men with tarps and ropes quickly changed the scene
"The big tent is up" and all around the smaller ones appear
'The Show is on. No big deal, it happens every year!
What's that you say, 'No big deal?' you obviously haven't a clue
about the planning, skills and work involved in entertaining you.
The farmers and their wives come in from East and West,
joined by 'Townies' young and old and they will never rest
till every little detail and has been checked and checked again,
the only thing they can't control is thunderstorms or rain.
'It's all under control', or 'don't worry, we'll just wing it',
translates to 'Yes, we've done the job', or ' I have one, and I'll bring it'.
Cattle, horses, poultry too, are washed and groomed and penned,
lucky sheep still have their wool, till the shearing man descends!
The exhibition shed is ready for cookery, crafts and stuff,
so many entries in this year, is there space enough?
We'll fix it, just let's move some things, the school kids have been
busy,
so many different articles I'm beginning to feel dizzy.
We all stop for a cuppa, a sandwich or a scone, then
back to work, not finished yet, still more to be done.
Judging over, awards are up, the workers home they go,
to recharge and refresh for tomorrow is 'The Show'!
They're back at six to start again the gates open at 9,
no clouds about, not a breeze, the sun comes out to shine
A shower or two, not too much, the day has gone so fast,
fun and food, old friends to meet, the fireworks are a blast.
You go off home the day is done, tomorrow you can rest
Kids are trying to decide just which ride was the best?
Come morn the workers all turn up to pack up all the gear,
already they are planning improvements for next year!!!

Beverley Show Exhibition Shed Results 2016

Another wonderful display in the Exhibition Shed, Poultry Shed, Cattle Yards and Wool Tent with close to 1500 entries from local residents and neighbouring towns. Thank you to all our volunteers who assisted with the display of exhibits and the judging process. Donations of trophies by our generous sponsors ensure our winning exhibitors have a lasting memory of their successes.

PRIMARY HEALTH SERVICES

Available to the community of Beverley

You can refer yourself or your child to the following health professionals:

Child Health Nurse - 9646 3200
to make an appointment, Hospital Admin Staff will assist you in setting an appointment time, which will be on most occasions a Monday.

School Health - 9641 0200

Dietetics - 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy - a **Doctors referral is required** - Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto to Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

Podiatry - a **Doctors referral is required**
Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work - Phone 9690 1320

Speech Pathology - Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.

- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health

Service do not get involved in taking fee payments - only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).

- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

Beverley District High School

For more information about the school, visit our website!

Come along to the Beverley DHS Fete

16 September 2016 from 1pm

Parents and community members young and old will be welcome at the **Beverley DHS Fete on 16 September**, co-ordinated by our wonderful Beverley DHS P&C Association. There will be games and activities, goodies to buy, and delicious afternoon teas to enjoy. Each class will run a stall, and activities will be low cost. Some will even be free of charge. I am sure that you or your children would enjoy a turn at Hooplah, Balloon Pop, Messy Play or Splat the Rat.

The P&C will be running a monster raffle to be drawn on the day of the fete. As well as being in the draw, you may wish to donate unwanted items in 'as new' condition to be raffled or sold at one of our stalls on the day. There will be a toy stall, a plant stall, a cake stall, a recycled children's dress-ups stall, a bric-a-brac stall and a book stall. Donations in any of these categories would be greatly appreciated and can be left at the school in the weeks leading up to the fete.

Money raised at the fete will be used to fund an ambitious 'nature play space' in the school grounds. Plans are already afoot to make this one of the best natural playgrounds in the district. For more information about the fete or the planned playground, contact the school or a P&C representative.

Vi Barham Award Nominees

Congratulations to Rebekah Aynsley and Bronte Cleland, Beverley DHS's nominees for the prestigious Vi Barham Award. This award, for a Year 6 student from a

Wheatbelt community, recognises academic excellence and celebrates participation and initiative. Nominated students will undergo rigorous academic tests and finalists will proceed to a series of interviews and the opportunity for some public speaking. We

wish our nominees all the very best and know they will represent our school admirably.

Student Leadership Forum

Student leaders from Beverley DHS joined those from other schools across the Wheatbelt at a leadership forum at the Amenities Building on 11th August hosted by our school. Guest speakers Hon Mia Davies MLA and former WA Chief scientist Professor Lyn Beazley inspired the students as they talked about their own leadership journeys.

Beverley DHS student leaders Mitchell Ashworth and Barclay Wilkinson at the leadership forum.

Some of the student leaders from Wheatbelt schools with Hon Mia Davies MLA at the leadership forum.

The student leaders participated in team building and event planning activities and developed networks across schools. The day was organised by Beverley Deputy Principal Aliesha Murray and we thank her for her hard work in providing this opportunity for our students to develop the ambition and skills to become future community leaders.

Science Week activities

To celebrate Science Week, our upper primary and secondary students listened to presentations from Professor Lyn Beazley about the value of scientific endeavour, and participated in group activities. Secondary science specialist Sharyn Morrell organised experiments and investigations for students to try.

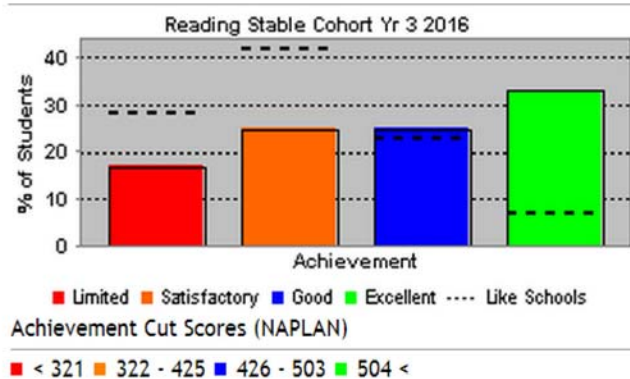

Professor Beazley with principal Wendy Moore and students Hannah, Dinga, Tabitha and Kate at the Science Day. Tim and Nathan experiment with different variable to improve aerodynamics.

Here, Mrs Morrell, Hannah and other students test their designs.

Early years focus pays off in NAPLAN results

At Beverley DHS, we have been focusing for the last two years on ensuring that our students are making good early gains in their literacy skills and receiving early intensive support if they need it. This early focus certainly seems to be paying off ...our Year 3 students have achieved significantly higher rates of 'excellent' progress and achievement, and significantly lower rates of 'limited' progress and achievement, than students in demographically similar schools in both reading and writing. As such, their results are higher (2.4SD) than the expected results.

For students who have not yet achieved the minimum standard, we have special programs in place to ensure that they receive extra help. For example, we run the

innovative research-based Macqlit program from Macquarie University for students from Year 3 and up.

It's Book Week!!

Last week was Book Week, and at Beverley DHS we like to celebrate all things literary in style. On Wednesday 24th August we had our book character dress up assembly. Can you guess who Mrs Sims, Angel, Owen and Claire are dressed as?

Design and Technology program

Beverley DHS has an excellent D&T program that is the envy of the district. Mr Steve Ellison runs woodwork, metal fabrication and mechanics programs with students from Year 6, and students line up outside the door to get inside and work through their lunch breaks. You can see why: students are engaged in fantastic learning projects and develop skills in materials handling, design, and project planning.

Above, Shevaun's go-cart, and below, some models by Aaron, Mitchell and Alex.

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304 BeverleyPol@twitter.com

Phone: 9646 3333 Crime Stoppers: 1800 333 000

Hello Everyone,

I can't believe another month has flown by!

I must start this Blarney with a heartfelt apology for those of you who were looking for us at the Beverley Agriculture Show – sorry but duty called. Just to give you some appreciation of what we do in a day, it started with a phone call at 5.00am requesting our attendance to relieve York officers at a scene guard after a fire at the York ambulance sub-centre. We left York mid-morning with a job waiting in Westdale; while at the scene investigating this matter we received a phone call from VKI requiring our attendance back at the station. Just as we arrived at the station our phone rang again advising us of a traffic crash on Edison Mill Rd x Brookton Hwy, Flint. I am happy to report this crash was not as serious as first reported, with the rider of the quad bike suffering relatively minor injuries. Below is a photograph of the air-ambulance paramedic being winched down to treat the rider as the terrain prevented them from landing.

On returning to the station to catch up with the necessary paperwork and the remaining outstanding job I sadly watched the steady flow of vehicles past the station as they were heading home from the recreation ground and another show day drew to a close. I was, however, very grateful that mother nature smiled on Beverley and provided an almost perfect day for the event.

Rural Crime

As mentioned in our recent ewatch, there has been a few burglaries on the outskirts of town, predominately, rural properties in secluded locations. Visibility is a key factor for thieves, if they believe they can get into and out of your property without being seen, your property is at higher risk. We have free Rural Crime Prevention booklets at the station for anyone looking for some advice and guidance around security. We also have UV pens to mark property items if you are interested.

Crimes of Opportunity

Out of sight, out of mind! Two recent stealings could have been avoided if property owners had secured their valuables rather than leave them in plain sight. If you are selling items from your front yard and have them on display, please remove and secure them out of sight before dusk. You've worked hard to earn your valuables so don't let someone simply walk away with them; take the time to keep them safe and remove the opportunity.

Timely Information

It is very encouraging to see the increasing number of Crimestoppers reports we have been receiving, however, I would like to point out that with the passage of time there is a high potential for the loss of evidence. So please report any suspicious behaviour or activity **AS AND WHEN IT IS OCCURRING**. With the previously mentioned rural burglaries, possible vehicles of interest were sighted but not reported until after the event. If something looks out of place then call 131 444 and bring it to our attention sooner rather than later.

Rewarding Good Driver Behaviour

Over the coming month we will be acknowledging and rewarding good driver behaviour. While it is still in the development phase, we will be educating drivers about various related traffic matters through a series of short and sharp articles. During traffic stops we will be giving out questionnaires for you to complete relating to the article. Correctly answer these few questions and you go into the monthly draw to win a prize – easy. So watch this space and our next ewatch for further details.

Take care, stay safe.

What to do in an Emergency?

The Beverley CRC and Shire of Beverley Fire Control Officer/s will be hosting 2 information sessions prior to the bushfire season.

Thursday 13 October at 5.00pm
And
Friday 14 October at 10.00am

Both sessions will be held at the Amenities Building, Forrest St.

We will be covering important information for the whole community, such as:

- Stay and defend OR Leave? - Pro's and Con's
- Preparing your residence/business/property before summer.
- Do you have an emergency safety box?
- Access to road closure information

We will have information packs available at both sessions so you can be sure you are PREPARED !!
Book now Phone: 9646 1600 or Email: beverley@crc.net.au

Still time to complete your Census

17 August 2016

CO/104

The Australian Bureau of Statistics (ABS) reminds Australians there's still time to participate in the 2016 Census and help make a difference to the nation's future.

Since taking the online Census form down as a precautionary step on 9 August to protect people's data, more than half of Australian households have now completed the Census.

Head of the Census Program, Duncan Young, said the online form has been performing smoothly since it was re-opened, and with good responses over the weekend, the Census is progressing well.

"We thank the many Australians who have already completed the Census and we apologise again to everyone for the inconvenience caused on Census night," Mr Young said.

"If you have not completed the Census, we remind you to complete it as soon as possible. Your information is safe and you won't be fined for completing it after Census night, but it is important to complete the form either online or in paper as soon as possible.

"If you have lost your online Login or require a paper form, please call our help lines now and we will send you one. If you are having trouble accessing the online form, this might be due to the tight security protocols we have in place, so please try a different device," Mr Young said.

The ABS has 38,000 Census Field Officers now working across Australia to visit households. They will remind people to complete their Census, and make sure they have the Census materials they need. Field Officers will be able to provide houses with a 12-digit Login code to facilitate online completion, or provide a paper form, with a blue Reply Paid Envelope.

Reminder letters containing 12-digit online Logins required to access the online form will also shortly be sent to households that haven't yet returned a Census form. If you don't have your Login or a paper form, please wait for your letter or visit.

The Census Inquiry Service is still open seven days from 8am to 8pm local time, to help with any questions people have about completing the Census online or on paper. The dedicated Paper Form Request service is also still available 24 hours a day.

Census Inquiry Service: 1300 214 531

Media Release

Davies welcomes new Container Deposit Scheme

Member for Central Wheatbelt Mia Davies MLA has welcomed the announced introduction of a container deposit scheme for beverage containers in Western Australia.

The scheme is expected to start in mid-2018 and will help improve recycling and reduce littering in the State.

Under the scheme, consumers will be able to get a 10 cent refund on containers for soft drinks, bottled waters, small flavoured milk drinks, sports drinks and spirit-based mixed drinks.

“Communities are rightly proud of their natural environments and they want to ensure those natural values are protected through better waste management and recycling,” she said.

“Containers from a wide range of drinks are constantly in our litter stream and they end up in the environment, along roads and in parks and gardens.

“This scheme will benefit local communities by helping to reduce litter while also generating jobs and economic activity in the recycling sector.”

Ms Davies said community groups that undertook regular fundraising, such as charitable groups, sporting clubs, Scouts and Guides, would now be able to profit by participating in recycling activities.

Member for the Agricultural Region Martin Aldridge MLC said it was a practical way to reduce litter in the region and help keep places like the Wheatbelt beautiful.

“With a 10 cent refund on drinks containers, Western Australians will be rewarded for their recycling efforts. This initiative will complement our recycling culture and is a win for the environment, jobs, the community and the recycling industry,” Mr Aldridge said.

The container deposit scheme will complement the Western Australian Waste Strategy: Creating the right environment and the Litter Prevention Strategy for Western Australia 2015-2020.

For media enquiries please contact Mia Davies on 08 9041 1702 (Merredin office), 08 9622 2871 (Northam office) or email mia.davies@mp.wa.gov.au.

THE MURESK OLD COLLEGIANS' ASSOCIATION INCORPORATED

Established 1930

Incorporated 1984

Seeking former MURESK students, graduates and staff

Muresk is turning 90!

Help us celebrate the many accomplishments made by Muresk and its students, staff and graduates over the past 90 years. Please join with the Muresk Old Collegians' Association (MOCA) to celebrate this significant milestone in the history of agricultural education in Australia.

Muresk 90th Anniversary

10 am to 3 pm on Sunday 30th October

Muresk Campus, Muresk Road, Northam

Muresk alumni and their family and friends are invited 'back to Muresk' to help celebrate and reminisce the many achievements made by Muresk over the past 90 years. Not the least of them being the great sense of community spirit and mateship that has been shared across generations of Mureskians!

All Muresk alumni are requested to update their contact details for the MOCA database at:

<http://www.iagribusiness.com/page/MureskUpdate> or for those without internet access, please phone Deb on 0419 911 980 or Trish on 0427 330 103. This will ensure you're sent an invitation to the 90th Anniversary and kept up to date with future MOCA activities, reunions and events.

Please register to attend the Muresk 90th Anniversary celebrations via the Eventbrite site. Just search for 'Muresk' or, for those without internet access, please phone 0427 330 103.

T.M. Hair Design.

At T M we are pleased to offer
a competent, local, hairdressing service
with all our hairdressers being highly skilled
in all facets of their profession.

This month we look forward to our technician from Sydney
returning to update skills & techniques involving new additions
to our colour range & much more this month.

Ask your hairdresser to find out more.

We happily offer a special price for Senior Gents. Please ask your hairdresser about it.

At Secrets.....Have you checked out our
Reiker leather boots? They are so comfortable.
Designed in Germany & made from excellent quality
leather with comfort the priority.

Our coats & jackets are looking good as we still need
layers yet with the last of winter to get through.

Matched with our snugly Merino Wool & even cosier
Possum & Wool blend socks, gloves & scarves.

Our gents don't need to be cold either with some
Pure New Wool jumpers & cardigans available.

Soooooo.....

**Even if you are not a TM Hair Design client,
we welcome you to "take a peek" at Secrets**

Look forward to seeing you very soon.

Call in to 100 Vincent St, or phone 9646 1122.

Getting enough Vitamin D

We need vitamin D to maintain good health, in particular to keep bones and muscles strong and healthy.

Vitamin D forms in the skin when it is exposed to UVB radiation from sunlight. Vitamin D levels can naturally vary throughout the seasons. Most of us will produce enough vitamin D in summer, when UV levels are higher. However, most people's levels will be lower in winter, when UV levels are low, as people tend to cover their skin and stay indoors. Our bodies only store enough vitamin D to last between 30 and 60 days.

Now with some beautiful sunny days upon us, and when the UV is below 3, it's a great time to get outdoors, roll up our sleeves and top up our vitamin D levels. During winter it is recommended that people be physically active outdoors in the middle of the day, with some skin exposed. The amount of vitamin D you make is also related to the amount of skin exposed to the sun – if you expose more of your skin, in most cases you'll make more vitamin D. Be guided by your local UV Index forecast and cover up when it reaches 3 or more.

A really great website for learning about the UV Index, including finding out what the UV is right now and the SunSmart app, is www.myuv.com.au

While you are there, **download the SunSmart app** to your phone and use it daily. It is free and fun and can be tailored to your location – The app lets you know when you need sun protection, the daily UV level and weather forecast, set a reminder for putting on sunscreen, and how much (it has a sunscreen calculator!), vitamin D tracker, find out when it's safe to get some sun for vitamin D – check it out on myUV.com.au

Remember UV3 is the key!

At UV3+, cover up.

Below UV 3, no sun protection is required.

Think UV not heat!
When UV is 3 or above be SunSmart

When UV is 3 or above Be SunSmart
But how do you know when?
GRAB the free SunSmart app!

The sun is unbeatable UV radiation is the major cause of skin cancer.
UV cannot be seen or felt and can damage you on cool or cloudy days.
The sun protection times tell you when UV is forecast to be 3 and above. That's the time to be SunSmart!

Grab the app or visit myUV.com.au

Find your UV forecast at myUV.com.au

Too Strong and Too Silent

A very common issue I am called to help men with in the country is a seemingly “without notice separation” that leaves a dumbfounded male struggling to make sense of what just happened. Today women are more likely to be career orientated, more independent financially, more educated and empowered and divorce no longer carries the stigma it once did, and rightfully women no longer are as accepting of abuse or not getting their needs met.

Given this societal change there is even greater need for effective communication in relationships. Getting men to talk more is slowly changing, however, too often men tend to be stoic and un-communitive about how their relationship is going, “Too Strong and Too Silent”.

Relationships breakdown for many reasons for example: Emotional disconnection, differing views on finances; too much work; not enough time with the family; stonewalling; lack of respect; or not being appreciated; to name just a few.

If we don't communicate what is going on within us, we are not resolving such issues and setting up our relationships to fail. A common quote is *“I tried but he just never listened”* OR *“I work hard every day, dawn to dusk to provide, I thought I was doing the right thing”*.

If we talk about things as they arise, resolution is more likely. Men tend to be *“too silent”* but again women can be as bad at communicating as well. I often hear comments like *“if only she had said something”* or *“I didn't know”*. Chances are may-be we were told or didn't want to deal with it or simply didn't listen. We need to learn to communicate more and listening to your spouse is paramount.

Here are 4 tips to improve listening to your spouse:

- 1. Body language:** you may say you're listening to your spouse but the body language says otherwise. Body language accounts for 93% of communication. Face directly to each other, look into your spouse's eyes. Be cautious about your pose, things like being fidgety or folding your arms, tends to give a message of disinterest.
- 2. Ask questions:** asking questions shows your spouse you're interested and heard what was said. eg. “so then what happened” or paraphrase “ so what you're saying is”
- 3. Avoid one-upmanship:** listen to the bad day story without jumping in with your worse bad day. Instead ask questions, listen and show interest, otherwise the message your spouse gets is you don't really care.
- 4. Don't try and fix it:** this is a really good thing to remember especially for blokes. Men will often offer a solution to the problem and try to fix it. We really just need to listen and be engaged. Women prefer that blokes don't jump in with their best solution unless asked.

**Good effective communication is essential for a healthy relationship.
don't be**

Easing the impact

No one expects a spinal cord injury. Yet every day, someone, somewhere in Australia, sustains this life changing injury.

PBF Australia is a membership based not-for-profit organisation and we recognise that the financial, physical and emotional costs of spinal cord injury can be devastating. Injury can occur anywhere - at home, at work, on the road or in the water.

Paraplegia and quadriplegia are among the most expensive chronic injuries a person can face. PBF membership provides the financial security so that the associated immediate expenses are covered.

PBF membership offers:

- Low cost protection for you and your family
- \$250,000* payment should you sustain a permanent spinal cord injury
- Full Family Annual Membership \$85[^]
- Cover 24 hours a day, 7 days a week
- Full cover up to the age of 85 years
- Member benefit claims processed as soon as possible after diagnosis is confirmed

Call **1800 809 780** to join PBF and get cover today or visit www.pbf.asn.au to join online or to learn more about our injury prevention, peer support and gifting programs

*See our Product Disclosure Statement for full terms and conditions www.pbf.asn.au/corporate-governance/. [^]Includes all children under the age of 18. Please consider whether the PBF membership product meets your requirements prior to purchase

LADIES GOLF RESULTS

Tuesday 26 July 2016

NORTHAM OPEN DAY

4 ladies went to Northam and only 1 of us came home with a prize.
That was Glenys with the Veterans Trophy.

Wednesday 27 July 2016

Lyn Mactaggart trophy 5th silver spoon & putting.

Winner- Maxine Watts 71 net and runner-up - Lyn Mactaggart 68 nett.

Lyn actually won her own trophy but she gave it to Maxine. The only decent round Lyn has had all year and it happened to be on her day.

Nearest to pin – Glenys Collins

Longest Putt - Maxine Watts.

Maxine Watts won the Silver spoon competition and will now play off at Gosnells golf club on the 30 August 2016.

Jane Murray won the Putting Competition with 81 putts.

Wednesday 03 - Friday 05 August 2016

AVLGA Championships at Bolgart.

6 ladies went to Bolgart to play in the championships. We had a great time and come home with a few minor rewards.

Lyn Mactaggart won best nett score for Friday.

Sera won a raffle, Yvonne & Glenys won a money raffle.

Wednesday 10 August

Tracy Fleays trophy. 1st Round 54 hole championships and Monthly Medal.

Winner – Lyn Mactaggart – 74 nett

Runner-up- Glenys Collins – 77 nett

Last shot on 16- Sera

Best 2nd on 18- Glenys

Wednesday 17 August

Val Moir trophy 2nd round Championship.

It was so wet that the greens were unplayable so we called it off and we decided to play on Sunday 21 August. We returned to the club house and played cards which was a much more enjoyable day.

Friday 19 August

YORK OPEN DAY

4 ladies represented Beverley at the York open day, we all had fun.

Glenys Collins won 2 golf balls on a count back for the best score on 1-9, Marg Peck won a golf ball, Maxine Watts won money on the raffle and Yvonne Hobbs won a plant with the raffle.

Sunday 21 August

Val Moir Trophy.

Winner- Glenys Collins- 81nett .on a countback from Yvonne & Lyn

Runner-up – Yvonne Hobbs

Nearest to pin – Marg Peck

We have a very busy schedule ahead of us with the following events:

- ⇒ AVLGA Foursomes,
- ⇒ Country Week,
- ⇒ Our Open Day and
- ⇒ Open Teams Weekend.

BEVERLEY

STEEL FABRICATION

Beverley Men's Golf

Saturday 30 July saw a Club Day be held in Beverley due to Quairading holding their Open Weekend.

In cold conditions 8 members played. Terry Winfield won the day with 33 Stableford points from Alan Hammond and Gavin Sazanov both on 29 points.

On Sunday 01 August 2 players travelled to Quairading to play in their Open Day. In cold conditions all of the Beverley players played well. John Donovan was the best performed Beverley player.

Cold wintery conditions once again greeted players on Saturday 06 August for a 2 person Ambrose which was sponsored by **Beverley Hydra Boom**.

At the end of play the winning team were Les Annison and Mark Armstrong with a nett score of 64.25. This team was followed by Terry Winfield and Gavin Sazanov with nett 68.50 in third place was Alan Hammond and Mark Kont with nett 75.00.

The team with the Best Gross score was also Les Annison and Mark Armstrong with a gross score of 77.

Once again the club would like to thank **Eddie Peart** of **Beverley Hydra Boom** for his continue support of the club.

On Saturday 13 August the final of the Club Championships was held. Wayde McLean and Terry Winfield played for the 2016 Club Champion award and this match was still tied after the allotted 36 holes. Wayde and Terry then needed to play two extra holes before Terry edged Wayde out to claim the 2016 Championship.

Graeme Hagan played Chris Pepper for the 1st Division title. These two played very well and their game was decided on the 32nd hole, with the winner being Chris Pepper.

Congratulations are extended to both Terry and Chris on their wins and also Wayde and Graeme in making the final.

In conjunction with the Club Championships a field of 6 players battle for the **Les Annison Trophy**.

This was a Stableford event which saw Gavin Sazanov win the day with 34 points. John Donovan and Dale Wansbrough were next best with 30 points.

Big thanks to **Les Annison** for providing a trophy for the day.

Four players travelled to Corrigin on Sunday 14 to play in Corrigin's Open Day. Mark Kont and Mel Vivian recorded the best score of the Beverley players, with Mark also winning two novelties.

Golf was held on Sunday 21 August due to the Beverley Show being on Saturday (Once again a great show and congratulations to the Show Committee and those volunteers who assisted in making this day a success).

In wintery conditions 5 played for a club trophy, which was a Par event.

At the end of the day no players had a plus score. Alan Hammond had the best score in trying conditions with minus 3, he was one shot ahead of Liam Gollan with minus 4.

Alan capped off a good day by also wining the Birdie Nest.

Lyme Disease
Association of Australia
News - NATA Testing

We've recently had many people come to us saying they tested negative to Lyme disease (testing from Australian standard Medicare / NATA labs) via neurologists/infectious disease doctors, even though they have since being diagnosed with Lyme. Please be aware that testing NEGATIVE via these labs could still mean you have Lyme disease. Australian testing has been flagged by the Chief Medical Officer of Australia (CMO) as 'inconsistent' or 'discordant'.

If you have a negative test result via these means and you still have no answers for your ill health, and suspect you may have Lyme disease, then you should follow up with a Lyme aware doctor and/or testing ([contact the LDAA for a physician list in your area](#)).

Australian health officials do not recognise Lyme (-like) disease in Australia, which has resulted in inadequate testing options. Australian testing is based on overseas strains of the pathogen (s) that cause Lyme.

While the government is taking steps to correct the discordant NATA testing, in the meantime, the LDAA advises against relying on NATA testing as the final answer for your Lyme disease diagnosis. For conclusive answers you should seek the assistance of a Lyme aware doctor. It is also important to note that 'world's best practise' for Lyme disease diagnosis is a clinical diagnosis by an experienced Lyme-literate doctor. Having a positive blood test is a bonus, but not necessary for diagnosis.

Beverley Hockey Club

Saturday 30 July Northam Aces v Beverley

Beverley travelled to Northam on a cool overcast day. A good all round team effort saw Beverley come away with a 2-1 win over Aces. Thanks to Carissa and Kelly who captained and coached the side in the absence of Chris and Kathryn.

Score: Beverley 2 def 1 Aces

Goal Scorer: Mirika Winmar

Award Winners

Coaches Award: Carissa Shaw – sponsored by Beverley Electrical

Captains Award: Lucy Nicolaides – sponsored by Beverley Transport

Mirika Winmar – sponsored by Northam Tavern

Friday 5 August York Jets v Beverley

The late game in York started with a sprinkle of rain and a quick goal by Beverley in the first half. Unfortunately York responded immediately with a return goal and then out-scored the Beverley girls with 2 unanswered goals in the second half. Everyone put in top effort to regain the lead but it wasn't to be on this occasion.

Score: Beverley 1 lost York Jets 3

Goal Scorer: Lisa Mourach

Award Winners

Captains Award: Bec Sims – sponsored by Beverley Transport

Coaches Award: Chantelle Meade – sponsored by Beverley Electrical

Kathryn McLean – sponsored by Northam Tavern.

Saturday 13 August Beverley v Jenna

Sunny conditions and a strong attacking Jenna team greeted the Beverley girls in Northam. Half back Nicola Broun scored the first goal of the day from a fantastic run out of defence. From here the team defended over 10 Jenna short corners to keep them scoreless in the first half. Goalie Bec Sims was again fantastic in the second half reading the play, directing her players and defending the goals. Unfortunately Jenna managed to draw even with a goal in the second half. It should be noted that Jenna (top of the ladder) have had only 4 goals scored against them for the season and score an average of 4 goals themselves per game, so a 1 all draw is a mighty effort!

Score: Beverley 1 drew Jenna 1

Goal Scorer: Nicola Broun

Award Winners

Captains Award: Bec Sims – sponsored by Beverley Transport

Coaches Award: Nicola Broun – sponsored by Beverley Electrical

Carly Vietch – sponsored by Northam Tavern.

Friday 19 August Beverley v York Vipers

A resounding 5 – nil team effort to end the home and away season and head to the finals! Everyone in the team played their best, although the girls in defence would've liked a little more action down their end to keep warm (so they tell me)!!!

Score: Beverley 5 def York Vipers 0

Goal Scorers: Mirika Winmar (3), Lisa Mourach (1) and Emily Miller (1)

Award Winners

Captains Award: Mirika Winmar – sponsored by Beverley Transport

Coaches Award: Lucy Nicolaides – sponsored by Beverley Electrical

Penny Burns – sponsored by Northam Tavern.

Beverley Show

The Beverley Redbacks Hockey would like to thank everyone who supported them by purchasing hamburgers, chips and sausage sizzle at the Beverley Show! We loved seeing you and thoroughly enjoyed the fireworks too. Thanks to the players, committee members and supporters who assisted on the day.

Hockey Grandfinal

The Beverley Redbacks Hockey club will be hosting the Avon Association Hockey Grandfinals on Saturday 10 September 2016 from approximately 8am.

Grand Final Times:

Mixed 5/6's 9am

Mixed 7/8's 10.30am

Mixed 11/12's 12.30pm

Women 1.30pm

Men 3.00pm

We will be running a canteen and bar, so come down to watch some great games and support the club. If you are available to help out anytime during the day please contact Club President, Carly Veitch 0429 966 678.

Finally, remember to keep an eye on Facebook to check the girls progress throughout the finals!

BEVERLEY NETBALL CLUB

Our 2016 netball season has officially finished with the grand final being held in Pingelly on Saturday 03 September.

Congratulations to all the teams that made this year's finals.

Our show bag stand at the show was a huge success with plenty of everyone's favourite show bags available, it was a great day with awesome weather.

Beverley Netball Club players wind up is on Saturday 03 September at 5.45pm at the Amenities Building on Forrest Street, players please RSVP to Glenys Petchell if you are attending ASAP!! Money must be paid beforehand.

The end of year results and photos from the wind up will be posted in the October Blarney.

YOUR 2 WATERING DAYS

Watering with sprinklers should be before 9am and after 6pm on your two days.

Last digit of your house number	Your 2 watering days are
1	Wednesday & Saturday
2	Thursday & Sunday
3	Friday & Monday
4	Saturday & Tuesday
5	Sunday & Wednesday
6	Monday & Thursday
7	Tuesday & Friday
8	Wednesday & Saturday
9	Thursday & Sunday
0	Friday & Monday

For example if you live at 55 Rose Street, the last digit of your house number would be 5. So your sprinkler days would be Sunday and Wednesday. If you don't have a house number, use your lot number. If you would like further information, visit the Water Corporation website at www.watercorporation.com.au or call the Waterwise Infoline on 13 10 39.

FREE SUICIDE AWARENESS WORKSHOP

Presented by Lifeline WA
Supported by Phoenix Sheds

For anyone in the Beverley community, regardless of prior experience or training who wants to learn the skills to save a life. The courses build the skills, knowledge and confidence of participants to recognise the signs of suicidal behaviour and how to deal with crisis situations.

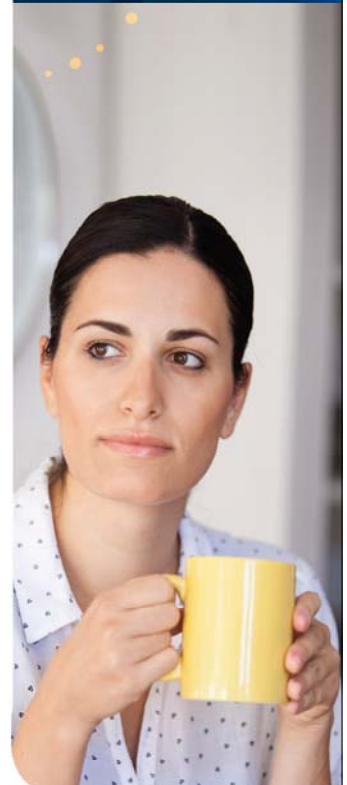

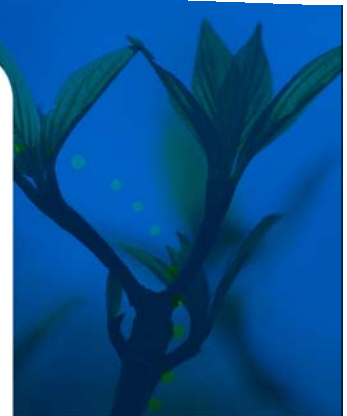

Participants will learn:

- A clear model for assisting people expressing thoughts of suicide
- Some skills in basic counselling related to crisis and suicide prevention
- More confidence in talking and supporting someone who is suicidal
- Identifying which situations are personally challenging and being able to support yourself and others
- Knowledge and ability to refer people to appropriate services
- An understanding of the importance of self-care during and after stressful situations
- How to access personal and community supports.

DETAILS

Wednesday 7 September 2016
10am to 1pm
Amenities Building - Beverley Function and Recreation Centre
Forrest Street Beverley

To register please contact 9261 4467 or education@lifelinewa.org.au

See you at the footy !

Beverley Horse and Pony Club

On Sunday 14 August our club held our sixth rally for the year, with some fabulous weather. Our miniature group was joined this month by two visitors from England, Emily and Evie. They and their family were visiting their Aunty Rebecca, Toby and Pia who are members of our club. Our numbers were down due to illness but Jacob and his pony, 'Candy', enjoyed having some new faces in the group. The group had fun working on their trotting skills and practising turning and stopping to collect different grooming items and naming them. They then combined with the Shetlands group after morning tea for a ride out down to the river in beautiful weather. Then returned for some novelties practice in the afternoon ready for the Beverley Show.

At the moment we seem to have a few horses being shared between the members, it is fantastic to see what a great group of members we have who are willing to lend their horses out for the day. Emily is still looking for a horse to buy, since the retirement of 'Tommy'. She was lucky to have borrowed Bronte's 'Cheeky'. Unfortunately, Jessamin's 'Playboy' was lame with a hoof abscess but she got to use Vicky's 'Rusty' for the day.

The two older groups had a great day with separate flat work lessons in the morning with coach Maria Weible but then joining together for their jumping lessons. With low numbers this rally it worked out fairly well with the groups combining for the afternoons lessons. They managed a show jumping lesson in the morning together, followed by a two hour cross country lesson in the afternoon. With Emily on borrowed pony 'Cheeky', Bronte riding her new mount 'Nacho', Lucy riding her mount 'Bella', Teleah on 'Robbie' and Jessamin on 'Rusty' everyone went very well. The jumping lesson was very good with all riders encouraging each other. The afternoons cross country lesson with Jenifer Petchell, as coach, was a fabulous lesson with walking the course first followed by riding it. They practised the warm up ups jumps individually, then one by one they rode the course. This was perfect practise for a One Day Event and was thoroughly enjoyed by everyone.
