

# BEVERLEY BLARNEY

Edition 392  
JUNE 2017  
No Charge

## Beverley Junior Netball Team

The under 12's junior team from Beverley headed over to the Northam Recreation Centre on Sunday 21 June to compete in the Wheatbelt Regional Netball Carnival. A few of the girls picked up some moves from watching the clash between the West Coast Fever vs The Collingwood Magpies the night before at the Perth Arena.

The carnival kicked off at 9.00am and the under 12's faced some immense competition from teams in the same age division from Kellerberrin, Kalamunda, Northam, Central Wheatbelt and Eastern Goldfields. The team had a mixed result, breaking even with 3 wins and 3 losses. The girls are looking forward to the annual Fever Cup held later in the year in Northam.

This team have been playing together for many years and this year they are coached by Samantha Fricker. The girls have put in some solid training already as they train every Wednesday during the season, which has paid off and reflected in their score at a recent game in Cunderdin on Saturday 26 May, coming out with the win 23 to 3, well done girls.

### *Under 12's team*

*Left to right: Ella Cooke, Zoe Shaw, Sophie Kilpatrick, Grace McLean, Dazza Ugle, Charlotte Murray, Hannah Morrell.  
Front row: Charlee Fricker*

## Mollie lights up the stage in Albany

When Beverley local, Mollie Hare headed down south to Albany for the lead role as Maria in the Sound of Music, little did she know that she would be performing to a sell out season of eleven performances.

Mollie has received rave reviews from her family, peers and media. After watching her daughters performance, Tracy said, "I've noticed how much her voice had matured and how strong it was. I also saw how happy she is to be part of the Albany theatre group and how supportive they are. She will be auditioning for their next musical "Stepping out", auditions are next month".

The season ended on Saturday 27 May and we are sure that we will see more of Mollie on the stage in the near future.

## SHIRE OF BEVERLEY PRESIDENT REPORT - JUNE 2017

### **Removal of Licence and Stamp Duty Concessions for Local Government**

A letter from Treasurer Ben Wyatt MLA to the Shire President of Corrigin, who chairs Regional Road Group South of which Beverley is a member, indicates the new State Government will continue to implement a decision made by the former State Government to discontinue vehicle licence fee and vehicle licence duty concessions for Local Government Authorities (LGAs). This will affect LGAs to varying degrees depending on the number of vehicles they have, and as reported in the March Blarney, it is expected to equate to an additional annual cost in the Shire of Beverley's budget for licencing of approximately \$14,600 and an average annual cost due to removal of stamp duty concessions on plant of approximately \$24,000. These increases could be funded by increasing fees, charges and rates (which we are working very hard to keep to a minimum), or they could be absorbed by reducing some other service or capital works. The Treasurer claims this decision needs to be implemented due to the requirement for urgent State budget repair and that as *"revenues from vehicle licence fees support the cost of constructing, improving and maintaining an ever increasing road network, LGAs will continue to benefit directly from the investment of these revenues in transport infrastructure around the State"*. This is ironic as a reduction in the road program could well be where the LGA endeavours to absorb the cost, not to mention the State budget also proposes a reduction in funding to Main Roads. Once again, I say this is extremely disappointing for our residents and ratepayers as Local Government already picks up the slack on behalf of their constituents in many ways.

### **Council May Meeting**

Council had a busy May meeting as various aspects of the 2017/2018 budget were discussed, including proposed fees and charges, and projects in the capital expenditure program, 15 year plant replacement program and 4 year road construction program for inclusion in the budget.

Council also acknowledged the work undertaken by the Tourism Steering Committee to progress development of a "Beverley Brand" and endorsed the preferred message concept and logo as a unique identifier available for use by Beverley tourism stakeholders. More information regarding this project will be provided to stakeholders and community in the very near future.

### **Staffing Changes**

Council and staff have welcomed back Stefan De Beer as Shire Planner following a short time away in Queensland. Stefan's role has been expanded to include some functions of the development role following Kathryn McLean's resignation.

### **Shire of Beverley Community Grants Open in July**

The next round of Community Grants opens on Monday 03 July and closes on Friday 28 July. Contact the Shire office for further information.

### **Western Australia Natural Disaster Relief and Recovery Arrangements (WANDRRA)**

Following the January/February emergency weather event the Shire engaged the services of Core Business Australia as a matter of urgency to undertake damage assessment and cost estimate to the nature and extent of impairment to the Shire road network. The report is nearing completion and will be forwarded to Main Roads WA for approval for a WANDRRA claim to contribute toward the repair work.

### **Avondale**

It's pleasing there is more progress occurring across a range of areas in relation to Avondale. A position is being advertised for a part time Executive Liaison Officer, which the Shire and National Trust have agreed to co-fund, to strategically activate and seek funding for implementation of the Avondale Masterplan. The Community Survey has now closed and the collated results will provide valuable information toward Masterplan priorities, and perhaps some new ideas. Work is continuing in the Bush Reserve, including fire hazard reduction, to enable reinstatement of the walk trail. There is the possibility of establishing a volunteer landcare group specifically for the Bush Reserve. Minor maintenance is proposed for the old landcare building to better service groups visiting the property. There are many opportunities to contribute toward the redevelopment of Avondale if you are interested?

### **Congratulations Morag Whitney**

Congratulations to Morag Whitney and the Beverley Historical Society on Morag becoming a finalist in the 2017 State Heritage Awards in the Volunteer Section. The Beverley community is very fortunate to have such a dedicated group donating their time to record, research and retain local history information and artifacts and Morag has been tireless in this task for many years.

### **Australia's Biggest Morning Tea ... in Beverley**

What a great morning it was on Friday 19 May 2017 when the Beverley Health Service and Beverley District High School hosted an Australia's Biggest Morning Tea fundraising event at the Function and Recreation Centre at the town oval, with proceeds going to the WA Cancer Foundation. The school Cross Country was also held, finishing just before the rain, and the school choir delighted those at the morning tea.

Dee Ridgway  
Shire President

### **GYM MEMBERSHIPS**

Now is the perfect time to get your gym membership.  
Available now from the Shire of Beverley office.

## SHIRE OF BEVERLEY IMPORTANT INFORMATION

### COMMUNITY GRANTS

Is your group considering a local project for 2017?

Will your project need some extra financial help to achieve real community benefit?

Application packages for Community Grants  
will be available from the Shire office from 03 July 2017 – closing 28 July 2017.

Start getting your paperwork together now, before the holidays.

Enquiries to the Shire of Beverley – 9646 1200.

### RUBBISH BIN REPLACEMENT

Avon Waste will be replacing ALL CURRENT 240L GREEN  
GENERAL WASTE BINS on **Friday 02 June 2017**

This will happen at the same time as the normal collection service.

To get a NEW BIN please ensure you put out your old one  
whether it has rubbish in or not.

### SHIRE OF BEVERLEY JOB OPPORTUNITY

#### Executive Liaison Officer - Avondale

Applications are invited from suitably qualified persons to fill the above position, three (3) days per week.

Beverley is a picturesque town in the Wheatbelt less than one and a half hours drive from Perth, and within easy day trip access to the Avon region. Avondale is a place that integrates natural, Aboriginal and historical heritage in a sustainable way and provides farm-based educational and tourism experience generating social, economic and environmental benefit to the wider community.

The successful applicant will have a friendly professional attitude, a current C class driver's license, the ability to assist with the development of key strategic plans and policies, and highly developed communication skills to liaise with key stakeholders including the Shire of Beverley and the National Trust.

Please call Sheridan Irvine on 9646 1200 or email [admin@beverley.wa.gov.au](mailto:admin@beverley.wa.gov.au) for a copy of the application pack.

Your application should include a resume and a covering letter which addresses the selection criteria and be mailed to Mr Stephen Gollan Chief Executive Officer, PO Box 20, Beverley, WA 6304 or emailed to [ceo@beverley.wa.gov.au](mailto:ceo@beverley.wa.gov.au). Applications close **Friday 16 June 2017** at 4.00pm.

## TOURISM TRACTION IN BEVERLEY

We like to say that in Beverley, there is something for everyone. Whether visitors are looking for a permanent tree-change, want a weekend getaway, or just want to breathe some fresh country air for the day, Beverley has a range of things to offer.

After months of involvement by the Beverley Tourism Steering Committee, and recent endorsement by Council, it is exciting to introduce the new Beverley brand and logo, which will be available for use by any and all Beverley tourism stakeholders. Whether you are a business owner, or you are organising an event in town, this logo can transform your promotions.

Development of a Beverley 'brand' was recommended in the Beverley Tourism Plan and Framework, and was proposed to reinforce a unified approach in which all tourism initiatives, products, services, and experiences could be promoted under a unique identifier.

It is part of this unified approach to tourism and promotion in Beverley whereby all tourism stakeholders can use similar messages and styles, making our town more easily recognisable as a destination for visitors.

In conjunction with the brand launch, an upgrade of the tourism website [www.beverleywa.com](http://www.beverleywa.com) will be undertaken, and the creation of a "one-stop" visitor's booklet to replace the information currently handed out at the CRC. Watch this space for further information, including Tourism Stakeholder and Community information briefings!

If you would like to use this logo and message in your marketing and promotions, or on your social media accounts, or would like more information, please contact Shire of Beverley Tourism Project Officer Jenny Murray, E: [tourism@beverley.wa.gov.au](mailto:tourism@beverley.wa.gov.au).

Follow us on Instagram - *Visit Beverley*, or like us on facebook - *Visit Beverley WA*, for regular updates on all the happenings in and around town.

# **CBH GROUP HARVEST CASUAL WORK 2017**

## THE BLUE LINE

### Beverley Police Station

57 Hunt Road, Beverley WA 6304 BeverleyPol@twitter.com  
Phone: 9646 3333 Crime Stoppers: 1800 333 000

#### Hello Everyone

##### **A QUICK HELLO AND GOODBYE**

As you may be aware, Sgt. Berry has been on leave and enjoying time away for the last five weeks. In her absence, Senior Constable KERR and I from York Police have been making our best efforts to fill her shoes. For me it has been a whirlwind three weeks here and whilst my time has been short, it has been productive. From a personal point of view I would like to have been able to stay longer and spend more time getting to know the community here as Beverley is a very unique town with many opportunities and challenges and great people.

That said, upon returning to York I will undoubtedly be visiting Beverley fairly frequently for one reason or another. Should you see me or any of my York colleagues in your town, please come and have a yarn. We are usually never far from a coffee outlet! (Insert donut joke here)

##### **OFF-ROAD MOTORCYCLES**

There has been an increase in complaints regarding the use of off-road motorcycles in public areas, particularly on gazetted roads around town. I will take this opportunity to serve as a timely reminder for those people who choose to do the wrong thing and to the parents of youngsters who allow their children to ride in areas where these bikes are not permitted.

If you are caught riding an unregistered motorcycle on a road, firstly, **the bike will be seized**. The owner will be liable for costs involved in the seizure and storage of the vehicle and you may very well lose the bike for good. Secondly - you may be charged and face a magistrates court which can ultimately affect your driving license with suspensions and some hefty fines being issued.

If the rider happens to injure another person whilst riding, they are not insured and any injury caused to another party as a result may leave the rider (or their family) liable to civil action for all financial losses to the injured party. May I ask that if you are one of those parents whose children have an off road motorcycle, please teach them responsible riding behaviours and use the facilities provided in the area. Use a trailer to get the bike to a suitable off-road location and of course, wear protective gear!

##### **SUSPICIOUS ACTIVITY**

Over the last few weeks we have had numerous reports of suspicious activity around the town. Of note, there were some new concrete culverts awaiting installation stolen from the roadside on McKellars Road. If you see something suspicious, please report it. Any details you are able to provide could prove crucial. Unfortunately the cost of stealing hits us all with insurance premiums rising, so anything we can do to help prevent and detect these crimes will benefit us all. Not all suspicious activity turns out to be criminal, but it's better to be safe than sorry.

##### **WET WEATHER DRIVING**

With winter just around the corner and the wet weather on the increase, now is the ideal time to check over your vehicles to make sure they are prepared and road worthy for the wet weather. Please be sure to pay attention to your brakes, tyres, lights and indicators and make sure the windscreen wipers and wash are all functioning. The wet weather can obviously increase the risk of accidents but you can make sure you're doing your part to stay safe by conducting some quick easy checks on the items listed above and driving to the conditions.

##### **AND FINALLY**

I would like to take the opportunity to thank Senior Constable Ian Jeffrey for his hospitality and support during my time at Beverley, to Sgt Berry for the opportunity to take the reins in her absence and to the people of Beverley for making my time here enjoyable.  
All the best!

**Acting Sergeant Ben White & Senior Constable Ian Jeffrey**

## Avondale Discovery Farm

Avondale has been a hive of activity this last month with several projects getting started, the planning work on the up and coming houses project is being finalised and getting started very soon. All residential houses will be refreshed ready to be rented out for short term stays.

The Avondale bush reserve walk trail has been cleared and is now accessible; a new project has begun called "Operation Clean up". The aim of this project is to clean up as many fallen trees as possible, and yes it is a lot. If anyone is interested in coming out to Avondale and helping out, you are more than welcome to come and join in the fun. On Thursday 18 May, burning was carried out of built fuel loads, under the guidance of our local Community Emergency Services Manager, Troy Granville along with his DFES work colleagues John Hansen and Tyrone MacMahon, plus volunteers:

- Greg Manzies,
- John Barrett-Lennard (Annadale),
- Phyllis Facey (Wildlife Carer),
- Sarah Kneebone (Wandoo Environmental),
- Don Davis (Machine Operator/Shire Representative) a

The National Trust and I would like to thank all, your assistant was greatly appreciated. It is valuable work managing a huge fire risk in the bush reserve. The aim in the near future is to set up a Landcare group specifically for the reserve, the bush reserve requires a lot of work as there is enough dead wood in there to keep England warm for a whole winter.

A study was carried out and pinpointed 4 priority plants, which means that they are growing way outside of their usual range. These are Hemipenis platyphylla, they are a low growing shrub about 30 to 40cm high. We endeavour to protect these species as much as possible.

The National Trust has scheduled a reserve busy bee community volunteer day on Saturday 01 July. Anyone interested in coming along please email [Avondale@ntwa.com.au](mailto:Avondale@ntwa.com.au) to put your name down or phone 9646 1107. Light refreshments and lunch will be provided to all who attend.

The Avondale Farm Project Association had their AGM on Saturday 20 May, welcome to all the new committee members. For all enquiries regarding AFPA and becoming a member please contact Jo Johnson on 0417 951 513.

Avondale is open on the long weekend 03, 04 and 05 June and also 17 and 18 June from 10am to 4pm on all days.

# Beverley District High School

## Independent Public School

For more information about the school, visit our website!

### YEAR 7 – 10 CAMP

Our Year 7 – 10 students attended camp in Week 1 of Term 2 at the Perth Hills Discovery Centre Camp in Mundaring. They experienced the art of camping and having to set up their tents. They were fortunate enough to meet the Environment Minister, Stephen Dawson and participated in some nature activities with him at the campsite. They also enjoyed exploring Fremantle and the Fremantle Prison as well as a game of Supa Golf on their last day. Camp involved endless hours of spotlight, nature activities and ecological studies and the students enjoyed their time at the camp immensely. We could not be more proud of the way our students conducted themselves in representing Beverley DHS.

### WHAT'S NEWS.....

#### Nature Playground

Our P&C are working hard on the design of our new Nature Playground with the intention to start construction this year! This is in the planning stages and we will be asking anyone with expertise in building, timber, landscaping or just using a shovel, to come along to lend a hand. If you are keen to be a part of this project, please contact [jacinta.thomas@hotmail.com](mailto:jacinta.thomas@hotmail.com).

*Beverley District High School*

# MOTHER'S DAY CELEBRATIONS

Our Kindy and Pre Primary students celebrated Mother's Day in style this year. Our mums enjoyed activities with their little ones such as painting, puzzles, bracelet making, play dough and stories. Our Pre Primary mums enjoyed some pampering by receiving a hand massage and manicure. The students then shared a lovely afternoon tea with their mums to show them how special they are!

## SCHOOL GROUNDS PROJECTS.....

Our P&C, together with the school, are working on a lot of grounds planning and construction at the moment. The Stormwater Harvesting Project is full steam ahead being near completion, ready for some big winter rains to harvest some water to maintain our beautiful school grounds. A big thank you to all involved to enable this project to come to fruition. A special mention must be made of Jethro Sleur who has overseen the process from the very beginning to its current state of near completion. Many community members and the Beverley Shire have been extremely generous in their support of the project and lending us a hand when in need.

*Research shows that what happens during the first four years of life influences a person's development throughout their life.*

**Are you passionate about the future of 0-4 year old children in the Beverley Community?**

**Would you like to have a say on the issues that impact on children in this age group, and shape the opportunities available to them?**

If the answer is YES, we would love for you to join us...

# Connecting Early Years Networks

*Early Years Networks can play an important role in connecting a community by working together to develop and implement initiatives, services and activities aimed at improving outcomes for young children and families. Each Early Years Network is individual, with its own culture and set of practices based on its members and the needs of the community. Early Years Networks have existed in Western Australia since 2003, with about 50 active networks across the State.*

The Beverley Early Years Network (with the assistance of WA Council Of Social Services Project Officers) are holding a Planning Session, to determine the aims, strategies and future direction of the group. We are VERY keen for input from interested members of the community.

- When:** Monday, 12<sup>th</sup> June
- Where:** MOASH Building- Beverley District High School
- Time:** 10am
- RSVP:** Friday, 9<sup>th</sup> June

For more information, or to RSVP, please contact Angela Sims on 0427 819 226

# BEVERLEY TOURISM VOLUNTEER PILOT PROJECT

Extract from the BEVERLEY TOURISM FRAMEWORK 2016 - 2020

GOALS	STRATEGIES	ACTIONS	RESPONSIBLE BODY
Tourism will contribute to the ECONOMIC VIABILITY of Beverley by 2020.	Identify, Coordinate & Retain Volunteers	Develop supported teams of tourism volunteers	<b>Commence with Pilot Project</b>
COORDINATION of Tourism in Beverley will be established by 2020	The complete Beverley Tourism Plan and supporting Tourism Framework 2016 – 2020 is available for viewing on the Shire of Beverley website or at the Shire office( <a href="http://www.beverley.wa.gov.au">www.beverley.wa.gov.au</a> ) The Plan was developed with assistance from the Beverley Tourism Steering Committee.		
Beverley MARKETING Plan will be developed and implemented by 2020			

## Tourism Volunteer Pilot Project

**WHY** – is this project being developed? An action within the Beverley Tourism Framework 2016 – 2020 proposes that supported teams of tourism volunteers be developed, commencing with a Pilot Project.

**HOW** - is the Pilot to be progressed? Expressions of Interest will be soon be advertised seeking community members who would like to become part of an intergenerational team of tourism volunteers who can donate around 6 hours of their time each month. The Pilot Project is supported by ANZ Seeds of Renewal, Beverley CRC, Shire of Beverley and a voluntary co-ordinator.

**WHAT** – will be happening? Establish a team of tourism volunteers, skills development in tourism customer service, awareness of local and regional attractions and tourism products, feedback and review.

Watch the Blarney for further information and for enquiries contact Dee Ridgway ([deeridgway@bigpond.com](mailto:deeridgway@bigpond.com))

### Beverley Tree and Garden Society

The May meeting was held on Tuesday 02 at the Dead Finish Museum with 13 members present and 8 apologies.

Members who attended the outing to the Perth Garden Show on Friday 28 April all enjoyed the day.

The garden at the Dead Finish is looking very nice and Kate has offered to donate sweet peas for the trellis.

Linley will revamp the garden at the caravan park with chard and parsley. The weather is getting colder and the days shorter but there is still plenty of gardening to be done in June.

Vegies to plant in June include: asparagus, broad beans, cabbage, celery, artichoke, lettuce, onion, peas, spinach, spring onions and strawberries.

Flowers to plant in June include: alyssum, calendula, pansy, dianthus, viola, primula, carnation, cornflower, poppy, snapdragon and stock.

The next meeting will be an outing to a private garden, "Romancing the Stone", for morning tea then on to a geranium nursery on Tuesday 06 June.

The bus will leave the Dead Finish at 9.00am and cost is \$20.00 for the bus plus \$8.00 for morning tea.

# Traffic Controllers Wanted

With an increasing workload we now require qualified Traffic Controllers to work from our **Corrigin** Depot.

We are looking for people with the following traits:

- Hard working
- Extremely reliable
- Well organised
- Reasonably fit
- Have a current Manual Driver's Licence

If you think you have got what it takes (even if you are not yet qualified) please email your resume to [admin@ruraltrafficservices.com.au](mailto:admin@ruraltrafficservices.com.au).

We encourage applications from semi-retired people.

Rural Traffic  
Services

CORRIGIN / ESPERANCE / KALGOORLIE

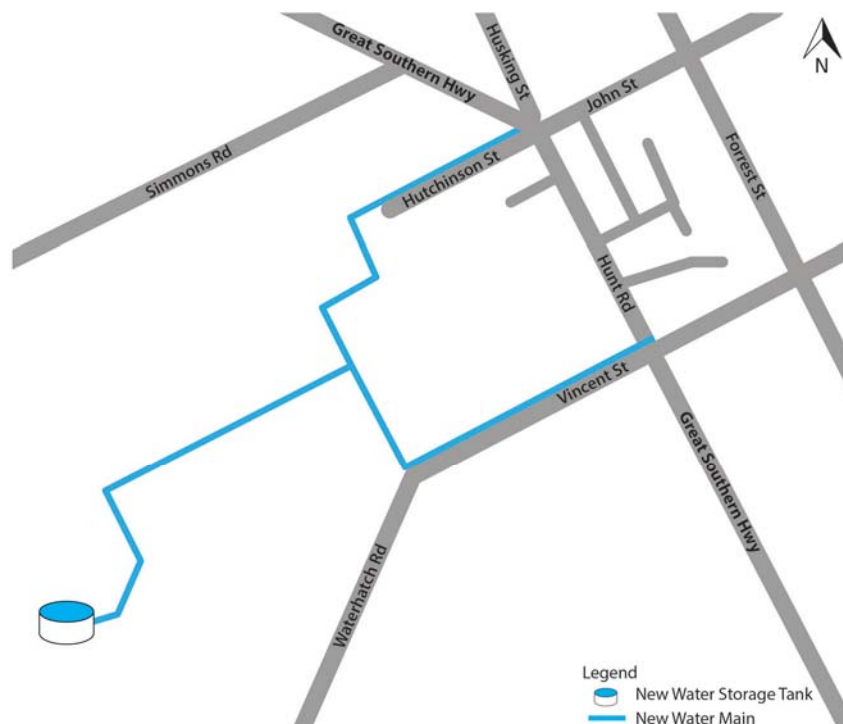

## Public Notice

### Improving Beverley's water supply

Water Corporation is improving the water supply to customers in Beverley. This project includes the construction of a new 4 million litre tank, and about 4 kilometres of new water mains.

Work will begin in June 2017 and is expected to be completed by the end of May 2018.

A new water pipeline will also be laid along Vincent Street, and through the intersection of Vincent Street and Hunt Road, Sewell Street and on Hutchinson Street.

We appreciate the community's understanding while this essential work is undertaken, and will provide regular updates regarding this work in the Beverley Blarney.

24-hour Faults, Emergencies and Security Line: **13 13 75**  
[watercorporation.com.au/projects](http://watercorporation.com.au/projects)

# The Aussie Outback Campfire

The camper's kitchen area at the Beverley Caravan Park was full on the evening of Friday 05 May, with more than 90 guests attending the Aussie Outback Campfire held to celebrate 'Belonging' as a part of Neighbourhood House Week.

The event was created in 2016 by CRC committee member Dalene Davies who had expressed that many of our retired farming families in our community no longer would go out to the farm and that they missed the experience of sharing good old fashioned meals such as: damper and camp oven stews around a campfire in a relaxed country atmosphere and thanks to funding from Linkwest and the Beverley CRC, it happened.

The CRC crew and helpers prepared fire drums, wood, camp ovens, food and refreshments for the hungry guests and whilst the food finished off cooking Monica and Erin cooked damper to go with the meal. This year we had outback beef casserole with dumplings, chicken curry, jumbuck stew(lamb stew), stuffed pumpkins, potato bakes followed by apple crumble and pavlova. The food was superb and many guests helped themselves to seconds except for the dessert that was gone quite quickly.

We were all entertained by wonderful performance by two of our local members of the Beverley Mens Shed, Terry McLaughlin and Richard Boladeras, they had the guests singing along and the kids dancing, we sincerely thank them both for taking time out to perform.

It was fantastic to see more of our local residents this year and we had another 22 guests from the Sandgroper Caravan Club, who visited the same time last year and have pre booked for 2018.

It was excellent to see everyone mingling with the visitors and make them all feel welcome to our community, our staff at the centre received some excellent feedback from all of the guests. A big thank you to Dalene and Errol for lending us equipment and Janet for your assistance.

# News from your local CRC

In May the centre hosted 2 workshops from local at home suppliers. Our centre encourages the promotion of home based businesses for those with young children.

We hosted a popular essential oils session for 14 guests on Wednesday 24, we thank Colleen, Jacinta, Kylie and Sharlee for all of their fantastic information and wonderful free samples. We hope to host more sessions from the Young Living group as everyone that attended was keen for more.

The Thermomix cooking class with Jo Copping was very entertaining and informative. The group of 10 people enjoyed cooking and eating the strawberry sorbet, veggie pasta and bread rolls. It was very interesting to watch the process of grains being turned into flour and the multiple uses of the machine. Thank you Jo.

If you are interested in attending any future workshops on these products please let us know by phoning 9646 1600.

## FRIDAY BINGO!

### Friday Bingo at the Lesser Hall

Dates: Friday 02 June

Friday 23 June

Time: 1.00pm - 3.00pm

Devonshire Teas available at half time break.

## Personalised Products

## BEVERLEY HISTORICAL SOCIETY

### WHAT WAS IT LIKE TO CALL THE DEAD FINISH YOUR HOME ?

Well, the members of The Beverley Historical Society were curious about this! So in May we were very pleased to host two former residents of the Dead Finish - Heather McLean and Ailsa Scott (formerly Reynolds). We also enjoyed some local visitors joining us and sharing their stories in a lovely informal conversation with Heather and Ailsa. Thank you all for coming along.

Heather and Ailsa`s father - Mike (Gordon) Reynolds qualified as a carpenter/builder in the 1930-40`s under his father George Reynolds, also a local Builder. As work was short during the depression Mike went to work up north in WA and then to Fremantle first as a shipwright and then on the Catalina flying planes in Perth during WWII.

In 1943 Mike married and in 1946 the young family moved into the Dead Finish on Hunt Rd in Beverley. Their brother Ian was born after they moved. The family shared the residence with Mrs Abbey – who was the last licensee of the Hotel (according to the Beverley Times - White Hart Hotel and Dead Finish were de-licensed as part of a reduction of licences in Beverley). We understand Mr and Mrs Abbey shared the hotel residence with various people. Some being the Cameron family (Bev Vivian`s mother) Eric Boyle`s family, and lastly Mrs Abbey shared with the Reynolds family from 1946 to ?

Heather and Ailsa remember the area being like a farm with few buildings around. There was an almond orchard all the way to Mr Eynon`s house. They remember having a large orchard with beautiful peaches, a pomegranate and an apple tree and a vegetable garden. There were tin stables.

Heather remembers planting the lilac tree that is growing beautifully in the garden today. The house to the north on Hunt Rd was built in 1960`s. The ladies said that "Dad really loved the building, but their mother longed for a `proper - more convenient` home." The family occupied the front entrance room as their kitchen/lounge room (now the Barber Shop and formerly the Hotel Bar) and the current large meeting room which Dad divided with a simple partition to make the family bedrooms for her parents and the 3 children. Mrs Abbey had the rest of the building using the current `Finery room` as her bedroom.

The wood stove provided hot water for the kitchen and a bathroom which their dad built outside the kitchen to the east side. The bathroom has now been removed. Ailsa recalls the walls being covered in paper picture advertisements that were painted over. They removed this and painted the walls. (Maree Hutchinson remembers that some of these papered walls remained in the 1980`s when the Museum was started.)

"To the north side Dad enclosed the verandah so they had a play area and Heather recalls her mother drying nappies on the louvres of this verandah. There were no fly screens so insects were sprayed with the hand pump sprayer". The ladies clearly remember having two toilets outside and the `night cart` coming to clean the toilets out. In later years when Mrs Abbey left and the family had the whole building an Aunt and Uncle came to live with them for a few years. Heather recalled the girls playing a joke on Uncle Ted by sneaking behind the toilets in the dark and banging the flap of the toilets to frighten him!!

trailer loads.

## BEVERLEY HISTORICAL SOCIETY

### WHAT WAS IT LIKE TO CALL THE DEAD FINISH YOUR HOME ?

#### CONTINUED.....

With the use of the whole building the current kitchen at the rear was used as a laundry, the girls bedroom was the museum dining room, they had a spare room for friends to stop over and they played in the current storeroom. This had a bright skylight which is still there.

Annie Lucy`s room, which was the first school teachers room and is located on the outside of the building, was used by their father as a tool store. We learned that the nails remaining on the wall today were put there for Mike to hang his tools on. They didn`t use the large cellar as Heather said it was rather dark and damp and they didn`t require it.

Life at the Dead Finish was pretty good – the kids used to play cricket and footy on the road with all the local kids - using an orange box for wickets. Heather recalls when Ailsa got out she`d pick up the wicket, bat and ball and take off. It was her way of getting back at them all when they were mean to her!! Despite many stories to the contrary they said there were no ghosts in their time - though their very Scottish mother was quite superstitious.

Other memorable recollections were:

- Snakes coming up from the bulrushes in the gully
- The girls having to apply polish to the wood floors and then hand polishing them
- A horse stuck it`s head through their bedroom window one night
- The terrifying time a lightning bolt came through the kitchen window, across the dining area and out through the west window.
- Her mother was particularly scared as she had experienced severe storms in the Goldfields
- The time a fire got away from the railway line and burned all the way to their orchard and the old tin stables area
- The children had to beat off the swooping magpie on their walk to school.

Heather also spoke of a stone cottage over the road. This was built by Dr House but was occupied by two ladies Mrs Stone and Mrs Hack. It had dirt floors in front of the fireplace. Mrs Reynolds would cook cakes and food for them which the girls delivered. As they were quite elderly Heather said she used to help by threading the needles for them with dark colour cottons. The ladies came over for Christmas with the Reynolds family.

In 1966 Heather left to get married and Ailsa commenced her nursing training in Perth while Ian trained as a carpenter with his father. Mr and Mrs Reynolds moved out in 1976 to retire to his parents home in Beverley.

During their working life in Beverley, Mike and his father George built many homes in town and on farms, the Alex Miles Lodge, Nurses Quarters and rebuilt the Golf Club after a fire in 1958. The last home Mike built was for Heather on their County Peak farm.

Heather would very much like to hear from you if you have any information at all about buildings constructed by either George or Mike Reynolds. Please contact her on 0428 461 375.

This will be an interesting history for her family, our district and the Museum.

## Community Information

Residents are advised that the Shire has obtained a Damage Licence to control the numbers of Little and Long Billed Corella`s by way of shooting. A shooting program will commence immediately and continue as required until 30 June 2017. Shooting will occur at dawn and dusk.

### Station Gallery

#### *CircuitWest Show Case*

Sarah Miller and I were fortunate to have been able to attend the 4 day performing arts conference 'WA Show Case' at the CircuitWest headquarters in Perth and the Subiaco Arts Centre. The days were long and exhausting but informative from keynote speakers making us feel more comfortable with the concepts of community engagement, audience development and programming, and making culture work, amongst some fabulous 15 minute pitches from various producers throughout Australia. Yet again it became obvious that Beverley Station Arts was the only totally volunteer based presenter amid all the regional art centres. But....and this is the good bit, we and the Platform Theatre have become known with so many producers - many of whom we didn't know even existed. So, there's a feather in our caps!

#### *Artist-in-Residence*

Unfortunately, besides a weekend visit from artist Robyn O'Grady who will be AiR in September, no artist was available at such short notice to replace photographer Josh Wells for the month of May.

However, from the 12 June we see the return of Cynthia Boyle and Ngaere Donald again making the trek across the Nullarbor from their homes near Orbost in East Gippsland, Victoria. You may remember them from October 2011 when they brightened up the Station Gallery with their gloriously colourful paintings and ran a drawing workshop. Well this time we'll see another exhibition, and they'll run another workshop but of a different kind. They will do artist demonstrations in the gallery styled around the format of Ann Doh's 'Brush With Fame', painting one of our locals! Sounds intriguing huh? People are welcome to come and watch but more so for other artists to come along and paint from a live model with Cynthia and Ngaere. The results from all could be shown in a little 'pop-up' exhibition at the gallery. Do come and join these fun-loving ladies over the over the weekends of 17/18 and 24/25 June. Keep an eye on the Bulletin for definite dates, or ring Marylou.

Cynthia Boyle and Ngaere Donald at their exhibition at the Station Gallery in October 2011.

From 06 - 17 July BSA is presenting the ART ON THE MOVE touring Exhibition "creations from the man cave" by Neil Elliot. ART ON THE MOVE is supported by the State Government through the Department of Culture and the Arts and this will be our first experience of such touring exhibitions. They are costly - some \$3,000, so we have applied for a grant to cover this. Fingers crossed that we get it! The exhibition coincides with Neil Elliot as AiR and he will be running two exciting workshops over the two weekends he is here. So star gathering an old wooden chair, scrap timber pieces (shaped) old tools, old car parts (small), wire, rusty nails, old paint brushes, old cutlery, old washers, pressed tin, old cogs, old tin signs, old cow bells, old tins of paint, old kitchen tools, old horse

shoes, bale hooks, old sheep shears, old plough blades etc. You will also be required to bring some basic tools if possible: cordless drill, hammer, screw drivers and saw. See workshop advertisement overleaf.

Neil Elliot in his Studio

For all information on residencies check with Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

### ***Artists in Residence Programme 2017***

February: Thibaud Guichard and Nathalie Gelard - Visual Artists (France)

March: 02 - 27 - Amani Holbert (California, USA)

April: 27 March - 23 April - Dianne Clarke (Collie WA)

May: cancelled

June: 01 - 11 cancelled; 12 - 02 July - Cynthia Boyle and Ngaere Donald (Victoria)

July: 03 - 17 Neil Elliot - Sculptor (Perth WA); 27 July - 01 August - Susan Payne and 3 friends.

August: 07 - 21 Mike Vandeleur - Painter (Australind WA); 23 August - 07 September Robyn O'Grady

September: 01 - 07 Robyn O'Grady (Perth); 09 - 17 Leslie Austin (Mandurah); 18 - 30 Marta Salomon (VIC)

October: Carine Nemery (Perth)

November: Hazel Moore (Perth WA)

December: 01 - 06 Jana Vodessii-Buruffi (Perth)

### **Beverley Station Singers**

Our next get-together is the 07 June. The May session saw us sifting through new songs as we warm up for the Choir bash here in Beverley on Saturday 09 September. Kelly Newton- Wordsworth directs the group on a monthly basis at \$50 per session.

Anyone interested in joining the singing group contact Tracey Fleay - Mobile: 0409 481 029 or Email: [traceyfleay67@gmail.com](mailto:traceyfleay67@gmail.com)

### **Platform Theatre**

### **SMALL VOICES LOUDER**

Part Two of the production *Small Voices Louder* is a sound experience that takes the Beverley School children's playful, insightful and refreshingly honest responses to the questions asked in Part One at the Platform Theatre end of March, to the adults. These beautiful responses from our local kids plus others from regional WA will be delivered over local radio, ABC radio and at the Beverley Ag Show. Something to listen out for at the Show - don't miss it!

 **BARBARA & BARRY SWEET, SOUR & SAUCY** organised by Country Arts - Shows on the Go - this production is coming to Beverley on Wednesday 02 August. This was the only day available to us that fitted in with the tour and obviously being August, the show will be presented in the Town Hall and not the Platform Theatre. It's a cabaret show combining virtuosic piano playing, strong and sultry vocals, rich harmonies and inventive accompaniment (ukulele, washboard, spoons, trombone kazoo, tap dancing), and Barbara and Barry end up being everyone's favourite Love Agony Aunt and Uncle. B&B have been a five-star

hit at the Edinburgh Fringe, toured right throughout Queensland and hosted cabarets across the UK. So mark it on your calendar and more about the show will be revealed in the next Blarney. That's them below.....Barbara and Barry; aka (aka real life couple Melissa Western and Tnee Dyer).

**Calendar of Events for 2017/18 Season:**

August: Wednesday 2 - Barbara & Barry Sweet, Sour & Saucy

September: Saturday 9 - Country Choir Bash presented by VOICE MOVES

December: Saturday 16 - Christmas Concert

March 2018: Thursday 29 - Monday 2 April: 50<sup>th</sup> ANNUAL ART PURCHASE EXHIBITION and 80<sup>th</sup> ANNIVERSARY of the TOWN HALL (presented at the Town Hall) with OFFICIAL OPENING Thursday 29 March.

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser.

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller [miller@reachnet.com.au](mailto:miller@reachnet.com.au)

**Beverley Station Arts Membership**

Becoming a member will give you discounted rates for all events plus free entry to the Easter Art Exhibition Opening Night. The cost is \$30 for the first year and there after \$25 per annum. You only need to attend three events and your membership is covered. Your support will assist us in maintaining the venue and to continue presenting a variety of entertainment for your enjoyment. We look forward to seeing you at the events we have planned for this season.

To become a member of Beverley Station Arts Inc (Friend of the Station) please contact our treasurer Pauline Knight 96460946 for a Membership Application form and payment. Membership forms can also be downloaded from [www.beverleywa.com](http://www.beverleywa.com) (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

**Station Gallery Open Hours**

11.00am - 3.00pm

Thursday, Friday, Saturday and Sunday

Enquires: Jill 9646 0283

# SCULPTURE EXHIBITION

by Neil Elliott

*Creations from the man cave*

**Station Gallery, Vincent St, Beverley WA 6304**

**July 6 – 17 Thursdays – Sundays 11am – 4pm**

**Neil Elliott** finds inspiration from found objects and gives them a new lease on life – reimagining the everyday to reflect happiness and positive experiences. *Creations from the man cave* encourages people to feel empowered to create their own art using found objects and recycling, up-cycling, and repurposing. So come on, have fun and create art in Neil's workshops!

**Adult Workshops:** Workshops will be held at Men's Shed, Vincent St, Beverley where space and tools are available.

**4 Day Workshop over 2 weekends:** 8 and 9 July; plus 15 and 16 July  
\$150 per person for the full 4 days. Limited numbers. BYO junk/ found objects.  
hutchinson@wn.com.au For ideas check out Neil's website [www.neilelliott.com](http://www.neilelliott.com)

ART ON THE MOVE touring Exhibition. ART ON THE MOVE is supported by the State Government through the Department of Culture and the Arts.

Beverley Station Arts is supported by the Departments of Culture and the Arts and Regional Development, Royalties for Regions and Country Arts WA.

**Country Women's  
Association**

Another month gone and we have not had our May meeting of the Country Women's Association in Beverley.

We are pleased to welcome another member to our Branch. Karen is transferring her membership from Quairading to Beverley. New members and interested visitors are always made very welcome.

The sewing girls are working hard towards the Shoe Box scheme with sewing bees every second week. Small items of toys, trinkets and items suitable for children of all ages will always be gratefully received for use when packaging these boxes for needy children. Donations of any kind can be given to Colleen Mearns (ph 9646 0984) or any member of the Beverley Branch of CWA.

We have agreed to hold another firewood raffle at the Beverley Show in August to raise funds for the postage fees to send the shoe boxes to the worthy recipients. Thank you James for the kind donation. We hope to hold a small promotion stall at the show in conjunction with the raffle.

Isobel is making our study of Malta very interesting with pictures and information and this meeting she actually brought along some Maltese pastries which were absolutely delicious (Special thanks for making these, Pat!)

We have the State Conference coming up in July. We hope to have two delegates and two observers. We have also received a voting form to choose the next country of study. The selection is between Peru, Cuba or Israel. All would make interesting studies so we will wait now until the voting is announced.

**Next meeting** of the Branch will be on **15 June** with the usual morning tea at 10.00am with the meeting to follow.

We will again stay for our usual "Bring and Share" lunch and some extra time to chat.

## BEVERLEY NATURALISTS CLUB NEWS

### **BROOKING STREET RESERVE**

We have been very busy doing fire hazard reduction work in this Reserve. By the time the Blarney goes to print we will have had our burns done in there. We have been removing fallen timber and grass from our new fire breaks and it has been surprising at how much we have removed. We are creating buffer zone around the perimeter of the Reserve. We have raked little fire breaks around the trees so that when we burn it will help protect the trees. I would like to thank Mike Wilson and Don Sax for all the hours of work they have done to help me with this very important work. Mike and I have worked there every day since Good Friday and Don has done so much work on his own. Thank you to you both it has been very much appreciated. We would also like to thank John Hansen who has helped with this work but also has taken the time to teach us about fire and the best ways to lessen the risks. He has had so much patience and understanding and has listened and understood our main concerns for this Reserve and has come up with very good ideas and practical advice to help prepare this area for our burns. I am terrified of our burn but have complete faith in John, Tyrone and Troy and we are hoping for favourable weather conditions to get the best results. Thanks also to Lorna for all your help and especially the thermoses of water for our coffee. Thanks also to Angie for your help and laughter and always having a smile and a laugh with us. We also found our first Bunny Orchid for the season and will protect it from the fire as it is in our fire zone. We are only burning around the perimeter so most of the other orchids will be safe and untouched. We also have some beautiful big habitat trees which we will protect and have paid particular attention to the area around them.

### **CREATURES OF THE NIGHT**

Thank you to everyone who attended the Creatures of the Night event held in Beverley Saturday 06 May what a

2 scorpions at the night stalk

fabulous time it was. This was run by Wheatbelt NRM in conjunction with Beverley Naturalist Club. They had Joe Tonger who is a leading bat expert with all his fancy gadgets to help identify bats and lights to make scorpions glow green (pictured top left) and boy these are a great hit with the children. We all got to make bat boxes and Black cocky nests (pictured below on right). There has been much research into the best boxes for the critically endangered Carnaby Black Cockatoo and we were lucky enough to not only learn to make them but were able to keep them to put in our bush reserves. We had a lovely bush walk and were lucky enough to see many creatures of the night in our beautiful bush reserve. We had so much positive feedback about our wonderful facilities and the quality of the bush. I was so proud that we have such wonderful facilities in Beverley and that the bush reserve was one of the best Joe has seen in the Wheatbelt and his comment was that the only thing he found wrong with it was the number of foxes we had in there so I guess we will have to deal with this problem. Joe himself can help with the fox problem which is great. We had more than 60 people with 27 of these people children and I think everyone enjoyed themselves. We all learnt heaps about our creatures of the night and how to protect them into the future. We had a great tea provided by Wheatbelt NRM. Some big thanks go to Angie for her beautiful bark painting that she did and donated to the club to raffle. This painting was very popular and the lucky winner was Karen Hansen.

For any information, please contact Phyllis Facey  
0437 483 175

## NOTICE OF AGM

Beverley St John Ambulance Sub Centre

**Date:** Tuesday 25 July 2017

**Time:** 7:30pm

## Community Notice and Information from Mal G Roberts

*A speaker for the voiceless*

**Community Work Update** - May was a very busy month at our new office - Hotel Beverley, Conference Room. Managed to cope with help from experienced volunteers and friends.

**Community Issues** - Making representation, under authority to various government ministries and our Federal MP Christian Porter, Minister for Social Services (on behalf of our residents). Matters related to: Centrelink, housing, immigration, registrar Supreme Court (estate/probate information).

**Referrals** - Share and Care, Housing, Department of Human Services, Citizen Advice Bureau, Community Legal Centres and others.

**Justice of the Peace work** - witnessing documents related to: estate and will matters, court, affidavits, statutory declarations and identity certification.

**Legal Advice** - on all such matters I have been referring those in need to community legal centres, citizen advice bureau and legal aid offices. Please note: I DO NOT offer legal advice - or a legal opinion.

**Local Group of Community Volunteers** - Some of my friends and local community workers have assisted me for some time. These experienced locals have helped me to keep the service in operation: Pat Thompson, John Burnside, Verna McKelvie and others. This group in future will now be known and to as Beverley Community Volunteer Group (BCVG) we all work for our Beverley community to help others.

**Indigenous Matters** - I hold the position of Manager/Director/Adviser to CRANA Aboriginal Corporation Inc. I assist on all community matters.

*Mal G Roberts*

## PRIMARY HEALTH SERVICES

Available to the community of Beverley

You can refer yourself or your child to the following health professionals:

**Child Health Nurse** - 9646 3200  
to make an appointment, Hospital Admin Staff will assist you in setting an appointment time, which will be on most occasions a Monday.

**School Health** – 9641 0200

**Dietetics** – 9690 1320

**Occupational Therapy** - 0429 466 224

**Physiotherapy** – a **Doctors referral is required** – Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto to Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

**Podiatry** – a **Doctors referral is required**  
Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) \*\*

**Social Work** – Phone 9690 1320

**Speech Pathology** – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

## Beverley St John Ambulance

### SUB CENTRE NEWS

#### **ANZAC DAY SERVICE**

Lest we forget. Congratulations to the Beverley RSL for all their organising of the Anzac Day Services in Beverley this year. The Beverley St John Sub-Centre had representatives partake in both the Dawn and Mid Morning Services. A beautiful wreath (photo: right) was layed at the mid morning service.

Mid Morning Service Marchers (L to R): Robyn Murray, Peter Jenkin, Jenny Rayner & Sue Eramiha.

Absent: Dan Wilkinson who marched at the Dawn Service

St John Ambulance is an international leader in reducing fatalities and serious injury resulting from road trauma.

'clicktosave' is a St John Ambulance initiative to reduce road accident deaths and serious injury. Fatalities and serious injuries can be reduced when road accidents occur. Research shows that up to 15% of road accident deaths can be prevented by administering basic first aid to the casualty at the scene of the accident before the arrival of emergency services.

St John Ambulance has developed the 'clicktosave' course to help save lives on WA roads. Having basic first aid skills means you can "do something" at a crash scene before the ambulance arrives. This free online training only takes around 20 minutes to complete.

To learn more visit: [www.clicktosave.com.au](http://www.clicktosave.com.au)

## Beverley Historical Society

Our May meeting was very well attended with 11 members and 3 guests. Our President Di Smith attended the Motorcycle Friendly Region launch in York and had a great time. The Museum is a Motorcycle Friendly area.

The Historical Society will be celebrating 40 years later in the year so please watch out in the Blarney for what is planned.

At the end of the meeting we were very lucky to have Heather McLean and Ailsa Scott give a talk on their years of living in the Dead Finish and thank members of the public for attending followed by a lovely afternoon tea.

The Museum is opened every Sunday 11.00am – 3.00pm.

New members are always welcomed and we can be contacted on [bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com)  
Next meeting is Monday 12 June at 2.00pm.

## ROYAL ANTEDILUVIAN ORDER OF BUFFALOES

# Beverley Playgroup

## Mothers Day...

We had a great turnout for our Mothers Day Morning tea, thanks to those who brought in delicious morning tea to share with the children and carers. The children had great fun making their Mothers Day cards. We hope that all Mothers in our Beverley Community had a lovely Mothers Day and got a moment to themselves! Congratulations to Evelyn McLean who won the Mothers Day Raffle – a beautiful quilt kindly donated by Jean Hayden of Busselton and chocolates.

Izabella and Kyron-James making their card

Heidi climbing off her morning tea

Loving their cupcakes and popcorn

## Show Mural Preparation...

Under the guidance of Chris Mann, our Playgroup Kids are excited to have started craft activities for the Show Mural – we love this year's theme of "Paddock to Pantry". They can't wait for the big reveal on Saturday 19<sup>th</sup> August!

Concession card holders - \$15 for Insurance
- ✓ More info call Amanda on 0407 389 642
- ✓ Or find us on Facebook: Facebook.com/BeverleyPlaygroupWA

# Cyber Attack

In this month's Blarney I was going to cover **Identity Theft** and **Ransomware**. However as there has been a huge amount of press about the latest Ransomware attack I will deal with Identity Theft next month.

## Is Ransomware new?

There has been a lot of hype in the press about the recent Ransomware 'attacks' but ransomware is not new it is just that this latest version of Ransomware, **WannaCry**, has more effective methods of entering your PC. You can be sure that there will be more attacks, even more effective than this one.

I dealt with two Ransomware cases last year locally:

- A customer in Westdale had all their files encrypted by **CryptoWall**. They did not pay and as they had no backup, they lost all their files.
- A business in York realised there was something wrong and called me. I advised them what to do and immediately went to help. It took me an entire day to clean up their PCs and server but due to their prompt action, only half their files were destroyed. They refused to pay but fortunately, they had off-line backups of all their files, so they could recover all their information.

Please make sure that you take all the precautions I suggest below to ensure that **YOU** are not affected by the next attack!

## What is Ransomware?

Once Ransomware enters your PC it starts encrypting **all** your files on the PC – photos, documents, spreadsheets, pdf files - everything. If you examine the file contents all you will see are seemingly random letters, numbers and symbols. When a file is encrypted it cannot be opened by any of your

programs until it has been decrypted. The files are encrypted using an encryption key which is a long string of random characters. The key is also required to decrypt the files. If you don't have the key then it could take hundreds of years to find the key, using current technology. The criminals 'offer' to send the key to recover the files if you pay a ransom using bitcoins with a complicated payment procedure over the Internet. If you pay they will probably ask for more!

## Protecting your Information

My recommendation is **don't pay** – you will be encouraging further crime. Instead you should protect yourself as follows:

- The best protection is to backup all your personal files **regularly**. If attacked the encrypted files can be deleted after cleaning the PC and good files restored from backup. You will only lose files created since your last backup.
- The best backup is an external hard drive. **Do not backup on a PC internal drive** – the backup will be encrypted.
- Do not leave your backup drive connected all the time – only when doing backups. Otherwise the files on the backup drive will be encrypted too.
- Ensure that the operating system is up to date. Take all updates. Many updates are security updates.
- Install a good quality virus protection – there are good ones available FREE on the Internet from reliable sources.
- Scan your PC for malware regularly.
- Do not open attachments or click on links in email unless you **know** the email is from a reliable source. Otherwise delete the email. If it seems suspicious, it probably is.
- Do not click on adverts or links in web pages or download software unless you **know** the source is reliable.
- Scrap any XP or Vista PCs. They are no longer supported by Microsoft. Therefore, they are a security hazard.
- Finally, do not try and remove a crypto virus from a PC yourself unless you are an expert. Often many copies of the program are hidden on the PC. **Get professional help.**

## The Trilogy of Fermentation - Part 3

When hunting for the origins of Kombucha, it is natural to start with the ingredients. Let's start with tea, one of the components of Kombucha. China produces more than one billion metric tons of tea annually and has a tea history that stretches back almost five millennia. Tea is one of the healthiest and most popular beverages on the planet; it is consumed more than all other beverages combined, including soft drinks, coffee and alcohol. Ranging from mild to astringent and from mellow to tannic, the flavour and nutritional benefits are likely what has conferred the revered status it holds in numerous cultures from China to Europe to the Middle East and India including the United States. Tea is rich in polyphenols and other anti-oxidants, which combat free-radical damage, support long-term human health, and keep the blood clean and free from toxins. There are many other aspects in this brew which help the body to protect itself against disease. There is an old Tibetan Proverb: "It is better to go three days without oil and salt than to go one day without tea".

No wonder Kombucha has been attributed with such a host of healing properties – it is made from a beverage that already has amazing health benefits. Kombucha is a daily elixir we drink and 'my o my' do we love this fermented beverage. We drink it right first thing in the morning and before going to bed. It is part of our hydration during the day including the proper amount of water. Talk about powerful! It is a wonder drink and there is nothing else like it on the market. It helps remove toxins through the kidney, liver, and the bowels. You might notice that Kombucha can help you lose a lot of excess water weight. It helps you to eliminate the excess swelling and fluid that accumulates in your tissues from chemically laden foods and alcohol.

This will show up on the scale eventually at some stage because Kombucha is a liver cleanser and it will assist your liver in removing toxins that have accumulated. It aids digestion and gut health because it is naturally fermented with a living colony of bacteria and yeast; Kombucha is therefore a probiotic tonic. It has a myriad of benefits such as improved digestion, fighting Candida (harmful yeast) overgrowth, mental clarity and mood stability. However, the greatest reason Kombucha supports digestion is because of its high levels of beneficial acid, probiotics and enzymes. It is called "Immortal Health Elixir" by the Chinese and originating in the Far East around 2,000 years ago. It is a fermented beverage of black tea and sugar (from various sources including cane sugar, fruit or honey) that's used as a functional food. It contains a colony of bacteria and yeast that are responsible for initiating the fermentation process once combined with water and sugar. After being fermented, Kombucha becomes carbonated and contains vinegar, b-vitamins, enzymes, probiotics and a high concentration of acid (acetic, gluconic and lactic), which are tied with many health benefits. We will explore them in the next issue.

# Lyme Disease News from Lyme Disease Association of Australia.

## Found a tick? - submit it for research

A small research project between an Australian doctor and a German lab requires Australian ticks. If you have a dead tick that you've removed from yourself or your pets then you can tape it to a piece of paper and send to the address below. The project is especially seeking common kangaroo ticks.

Send ticks to: Tick Project - Attention Hugh. Health Quest Integrative Clinic, Point Walter Medical Centre 322-324 Canning Highway, Bicton WA 6157

## How do you remove ticks?

It is important that ticks are not covered in methylated spirits, rubbing alcohol, bi-carbonate of soda, vaseline, or burnt with a match in an attempt to remove. Such action can induce a tick to release spirochetes and/or other pathogens known to cause Lyme disease and/or Lyme-like illness into its host's blood stream.

•Use fine-point tweezers or a special tick-removing tool. Grasp the tick as close to the skin as possible. If you don't have tweezers, protect your fingers with a tissue.

Pull the tick straight out with steady, even pressure. View a [Tick's Mouth](#) and why it is so important to pull out the tick correctly.

- Avoid squeezing the tick, breaking it, or allowing any blood to remain on your skin.
- Place the tick in a small plastic bag or vial with blades of grass, leaf, or moist (not wet) piece of tissue.
- Label the bag with your name, date, site of bite and how long tick was attached.
- Have the tick identified and tested by a lab, health department or veterinarian.
- Wash your hands, disinfect the tweezers and bite site.
- Educate yourself about tick-borne diseases and consult a doctor to see if treatment is warranted.

# Media Statement

## JOINT ROAD & FARM SAFETY FORUM PLANNED FOR WHEATBELT IN JULY

The Great Eastern Highway Road Safety Alliance (GEHRSA) is collaborating with Farmsafe WA Alliance to organise a Wheatbelt Road and Farms Safety Forum in the third week of July 2017. Many of the road users in the Wheatbelt region are from farming and rural communities. Goods and services are transported in many different combinations, regularly travel along the Wheatbelt Highway as a major transport route in Western Australia.

Chair of the Great Eastern Highway Road Safety Alliance, Mr Cam Dumesy said “We are excited by the opportunity to work with the Farmsafe WA Alliance, to develop a joint approach to road safety within the Wheatbelt community.” Mr Dumesy has a long association with road transport and logistics across Australia in a number of industries. He added “GEHRSA recognised that the Farmsafe WA Alliance play a unique and very important role supporting the farming industry with information, combined with long term commitment to rural communities.

GEHRSA was formed following on from the Wheatbelt Highway review as an important collaboration of organisations to bring together road users including local shires, transport industry groups and road safety authorities to help develop effective local road safety solutions along this major transport route. GEHRSA is working hard to lead change and embed safer road use.

The 2017 Wheatbelt Road and Farm Safety Forum will provide up to date important information on your responsibilities, with practical take-home solutions that participants can implement the next day. We will be learning how to respond to an accident or emergency, as well as presentations about general road laws such as Chain of Responsibility Legislation, Dangerous Goods, Farm Safety and First Aid.

Mr Dumesy said “This Road and Farm Wheatbelt Safety Forum is not going to be a Talk Fest! The ‘take home’ for anyone attending is information and practical tips that they can pick up and use straight away.”

Farmsafe WA has been providing leadership and support regarding on-farm safety to the Western Australian farming industry since 1994. Farmsafe WA is committed to working with GEHRSA on this very worthwhile initiative.

## Cauliflower and Broccoli Cheese

If you are after a healthier version of this winter classic, then look no further. Here is a quick and easy version of cauliflower and broccoli cheese.

### Ingredients

- ½ head cauliflower, cut into florets.
- 1 head broccoli, cut into florets.
- 1/3 cup water.
- 2 Tbsp plain flour.
- 2 cups of low fat milk.
- Pepper, to taste.
- ½ cup of reduced fat cheese.

Image: LiveLighter

### Method

- Preheat oven to 180°C
- Place cauliflower, broccoli florets and water into a microwave safe and ovenproof dish.
- Microwave on HIGH (100%) for 5 minutes. Carefully drain off the water and set aside.
- Put flour into a tall microwave safe jug. Add 2 tablespoons of milk and whisk to a smooth paste with no lumps. Season with pepper. Add the remainder of the milk and stir.
- Microwave the milk mixture on HIGH (100%) for 1 minute. Stir.
- Heat again for 1 minute and stir. If needed, heat again for 30 seconds intervals and stir until thick and creamy.
- Add grated cheese and stir until melted through.
- Top cauliflower and broccoli with cheese sauce.
- Bake in oven for 15 minutes or serve immediately.

# Beverley Netball Club

The 2017 season has had the three teams playing in the heat, the cold and the pouring rain. The first game was held in Beverley on Friday 28 April. It was our first derby of the season, the Hunters defeated the Spinners. The Pingelly Storm won against the Orbs but it was a close match. A huge thanks to the badged umpires that travelled to assist the club.

On Saturday 06 May the teams headed over to Pingelly and it was a hot one! The final results on the day were Brookton Glory 47 defeated the Beverley Orbs 28. The Brookton Blazers 36 defeated the Beverley Hunters 26 and the Beverley Spinners had a bye.

The bus and a few car loads headed over to Brookton the next Friday and unfortunately both the Spinners and the Orbs came home without a win, whilst Hunters enjoyed their bye.

The next game day was filled with mixed emotion, yes it poured with rain but thanks to Mrs Petchell and Mrs Bell we were all well feed with pumpkin soup and hot dogs, many thanks ladies. At the end of the evening the Spinners and Orbs came away without a win but drenched and the Hunters had an amazing win over the Brookton Glory.

The Hunters and Spinners will be travelling over to Pingelly on the 27 May and results will be in the next Blarney edition. The Orbs will have their first bye of the season. All teams seem to be looking forward to the long weekend bye coming up at the start of June.

The first game back from the break will be in Brookton on Friday 09 June at 6.45pm and it's the mighty derby between the Orbs and Hunters. The Spinners will be up against the Pingelly Storm. The bus has been booked, please let Monica know if you will be catching the bus and the fee is \$5 per person.

We have noticed the reduction in numbers training on Wednesday nights, we understand if you can not make every training but you are a part of a team and training together is imperative for growth and development. The committee would like to thank Samantha Fricker for excellent training sessions this season even though she is not playing she takes the time every week to improve our players, so thanks Sam.

This year the club celebrates the 10 year reunion of the 2007 premiership win. To mark this special occasion the Netball Club would like to invite our sponsors, past and present players to a sundowner at the Amenities Building on Saturday 15 July from 4pm onwards. The teams will be playing locally that day, so come along after the game and enjoy a drink or few with your team and the ladies from the 2007 premiership team. Light refreshments will be served, simply BYO your drinks. Kids are welcome. Please RSVP to Glenys 0475 268 468 for catering purposes.

BEVERLEY 60

### Upcoming Games:

Sunday 28 May - Cunderdin v Beverley

Saturday 3 June - Beverley v Keller/Tammin

Sunday 11 June - Beverley v Federals

Its been a month of milestones at the Club, with members of netball, reserves and league all celebrating milestones.

Congratulations to Narelle Bailey and Chantelle Meade for reaching 100 netball games for the club. Congrats also to Daniel Bailey reaching 100 reserves games. Our league captain James Turner reached 100 league games for the club against Quairading last weekend. Congratulations everyone!!

Our first event was held on Saturday 13 May where the club enjoyed the Groovin' the Boot festival. It was great to see so many players, supporters and families involved in the evening.

### Coming Events:

We will be holding a casserole night on Saturday 3rd June following the Keller/Tammin game.

### Club Merchandise

Redbacks beanies are here!

See Stuart Murray or Blake O'Meagher

See you at the footy !

## BEVERLEY REDBACKS HOCKEY CLUB

Saturday 29<sup>th</sup> April saw the start of the 2017 hockey season with all games being played in Northam. It was a great first (HOT!) game vs York Jets. Unfortunately the girls went down in the last half 2-0 but it was a very high standard for the first game together.

Beverley Electrical Award: Jacinta Murray  
Beverley Transport Award: Sian Calyun  
Northam Tavern Award: Andi Haigh

The first home game of the year on 6<sup>th</sup> May saw another hard fought game from the girls against a very skilful York Vipers. Unfortunately the goals fell against us in the warm conditions being defeated 7-0.

Beverley Electrical Award: Skye Borona  
Beverley Transport Award: Lisa Mourach  
Northam Tavern Award: Ali Lewis

Big thank you to Phyllis Facey who was involved in the Beverley Creatures of the night event at the Amenities at the same time as our game and was very kind in coordinating both groups to share the facilities for our afternoon tea after the game.

After what had been a hot start to the season it was nice to see some cooler weather for our second home game on 20<sup>th</sup> May versus a very skilful and quick Jennacubbine team. Beverley were defeated 6-0. The score doesn't reflect the very high level game from the girls with some very exciting forward plays – which were so close on several occasions in converting to goals.

Beverley Electrical Award: Emily Miller  
Beverley Transport Award: Brooke Ramsay  
Northam Tavern Award: Lisa Mourach

Thank you to the Beverley Tennis Club for allowing us to use their facilities after the game for our afternoon tea whilst the amenities was being used for another function.

## Beverley Men's Golf

On Saturday April 8, Vice-President Terry Winfield welcomed members to the 2017 season. Life Member John Donovan then had the honour of opening the year with a drive from the 17th Tee.

Following the official proceedings, 15 players teed off in the **T Bone and Sons** Ambrose-in-Three's event. The club would sincerely like to thank **Brian Tyrer** for his continued support of the club.

The winning team on the day was Chris Pepper, Terry Winfield and John Donovan with a nett score of 59 1/6. Second place was jointly shared by the team of Maxine Watts, Yvonne Hobbs and John Islip together with the team of Liam Gollan, Tom McLean and Luke Gollan. Both teams scored nett 62.

Warm weather on Saturday, 15 of April greeted the 9 players who competed in a Stableford event sponsored by **Darryl Sims**. John Donovan won the day by scoring 35 points. John Islip was runner up with 30 points on a count-back from Terry Winfield. Novelty winners were Terry Winfield, visitor Simon Dawson and John Donovan. Thanks to **Darryl Sims** for his ongoing support of the club.

Saturday April 22 saw a field of 12 participate for club trophies in a Par event. The winner was Luke Gollan with a great score of +10. Liam Gollan with +3 was runner up and Les Annison came third with +2. Novelties were won by Graeme Hagan, Luke Gollan and Gavin Sazanov.

The winner of the **2017 Diggers Cup** on April 25th was Glenys Collins who beat out Gavin Sazanov on a countback. Both scored 37 stableford points for the day. Thanks once again are extended to **Lew Shaw** for his continued sponsorship of the valued **Diggers Cup** event.

On Saturday April 29 fifteen players vied for the **Always Green** trophy, sponsored by **Gavin Sazanov**. This Stroke round was also the first qualifying round for the club championship. Robbie Wansbrough won the day with a nett score of 68. There was a three-way tie for second place with Keith Hawkins, John Donovan and Steve Gollan all carding a nett 72.

Fourteen members competed for the **Belhus** trophy on May 6. This Four-Ball-Better-Ball stableford event was won by Mel Vivian and Chris Pepper with a team score of 47 points. Wayde McLean and Steve Gollan took second place with 45 points. Graeme Hagan, Gavin Sazanov, Les Annison and Darryl Hagan won the novelties. Thank you to **Greg Barrett-Lennard** for again providing trophies for the day.

Ryan Ware beat out thirteen other players with a notable score of +8 to take home the **Beverley Electrical Services** Trophy on May 13. Runners-up were Darrell Hagan (+4) and Keith Hawkins (+2). Many thanks go to **Karl Smith** for his continuing sponsorship.

Saturday May 20 saw 13 players compete for **Ron Bickley's Garden Gnome Trophy**. Wayde McLean Scored a very good 42 stableford points to beat out Darrell Hagan (39 points) for the trophy.

The last game for the month was the second Club Championship qualifying round with players competing for a trophy donated by John Donovan. Winners will be announced in next month's Blarney.

## Beverley Horse & Pony Club

The May rally brought with it some cold wintery weather. The small number of riders who braved the rain to attend enjoyed their day despite getting rained on. Older riders were kept busy by working on leg yielding and their jumping. The younger riders spent their horsemastership learning how to care for their saddle and bridle. They also enjoyed their regular ridden lessons and practicing their road rules on the ride out.

Tealah and Bronte represented the club at the Zone Showjumping day hosted by South Midlands Pony Club in Muchea.

Tealah recently visited Dryandra Pony Club to attend a C\* camp where she was introduced to the more technical skills required at this level.

Our next Rally is on **Sunday 18 June 2017.**

Please let Vicky know if you are coming.
