SHIRE OF BEVERLEY PRESIDENT REPORT - APRIL 2018

Recent Fire Emergency

A recent fire emergency in the western part of the shire was thankfully brought under control relatively quickly considering its potential. The response from local Volunteer Bush Fire Brigades, support of Community Emergency Service Manager (CESM), and access to aerial water bombers saw a favourable outcome which still required managing for several days following the event. Thankyou to everyone involved in the response. Knowledge and information to assist should these events unfortunately occur are invaluable and there will be opportunities during 2018 to be involved in training.

Administration Centre Flags

Council proposes to seek grant funding in 2018/2019 to purchase two new flag poles for the administration building to fly the Australian Flag and the Aboriginal Flag. The Australian flag currently flown on the town hall as a mark of respect on the passing of current and previous Beverley residents will be replaced by the Shire of Beverley flag. This has been a long standing practice valued by our community however Council is aware that the manner in which this is done is outside of protocol for flying the national flag. The Shire will be flying the Aboriginal flag in front of the administration building from 8 – 15 July during NAIDOC week 2018.

Draft Strategic Community Plan 2017 - 2027

The draft Strategic Community Plan 2017 - 2027 is soon to be advertised for public comment. Watch out for your opportunity to review and provide feedback.

Alfresco Parking Bay Project

There has been quite a buzz along Vincent Street following installation of the relocatable Alfresco dining platform. Much positive feedback regarding this Main Street activation project has been received. As a trial the structure was made available free of charge to each of the food houses for 2 weeks, with a draw deciding the order of placement. Following this time the Shire will provide information on future availability of the "Alfresco".

Bremner Road Bridge Replacement

The southern end of Bremner road has been closed to traffic for the replacement of bridge 4739. This should be finished by the beginning of April however please take note of advisory signage until the works have been completed.

Beverley Aquatic Centre Review

A Focus Group comprising of Cr Brown, Cr Martin, Cr Seed, Pool Manager Brad Miller, Swimming Club President Zoe Wilkinson, Community representative Ben Murray and Deputy CEO Simon Marshall will be assisting CMCP Consulting with the Beverley Aquatic

Centre Review. In March various Focus Group members and Shire Councillors visited Wagin and Quairading to inspect the respective aquatic redevelopment projects in each of those towns. Stakeholder engagement is an important aspect of the review process so please watch for your opportunity to provide feedback.

Admin Office Power Saving

In the second half of 2017 solar panels were installed at the administration building and fluoro lighting was replaced with LED's. Council has been able to achieve a significant reduction in power usage when comparing the same period year on year. Excess power has also been exported back into the grid. As a rebate is currently not available to Synergy business customers investigation is underway on how to best utilise this excess power production.

Colin Tincknell MLC Visit

Hon. Colin Tincknell MLC and Electorate Officer Rod Caddies recently visited Beverley and met with the CEO and Shire President. Discussion included road funding, government grants commission and the proposed reduction in funding for CRC's. The visitors also enjoyed a tour of the town and visit to Avondale.

Level Crossing Upgrades

Arc Infrastructure has advised that upgrade work at the following rail crossings in the Beverley shire has now been commissioned (boom gates have not been installed).

John Street

Signalling equipment renewal work, bell installation

Vincent Street

LED upgrade, bell installation, power supply upgrade

Great Southern Highway

Signalling equipment renewal work

Beverley Triathlon 2018

Congratulations to the Beverley Triathlon organising committee of Sam Fricker, Kelly Mann, Gemma Bassett, Brad Miller, Treen Price and the large band of helpers who ensured the success of the 2018 Beverley Triathlon. The Community Resource Centre oversees this event which has become a regular activity on the Beverley calendar for both locals and visitors.

Easter

Best wishes for a happy and safe Easter. Thankyou to everyone who makes such a wonderful contribution to ensuring it is an extra special time in Beverley.

SHIRE OF BEVERLEY IMPORTANT SHIRE INFORMATION

BEVERLEY GETS FUNDING!

The Shire of Beverley has been successful in obtaining over \$90,000 in grant funding through the Mitigation Activity Fund (MAF) which will help to reduce the Bushfire threat to the town site. These funds have been made available from the Royalty for Regions programme managed by the Office of Emergency Management (OEM).

Areas recently identified by the Bushfire Risk Management Planning (BRMP) team have been essential in making Beverley one of 15 Local Governments eligible for this special funding. Consultation with stakeholders has been undertaken and in some cases still occurring. Permits/clearances for the works have also been thoroughly investigated and approved.

Weather permitting works along the river within the town site will soon be starting and it is envisaged will be completed by 30 June 2018.

The BRMP team and the Shire are very excited that thanks to the funding they have been able to identify these areas of concern and reach the point of reducing the risk.

On behalf of the Beverley CRC committee we would like to thank all our wonderful volunteers, without you we couldn't host this event to such a high standard and that is all because of you - thank you! We would like to give a big thanks to our local community groups and individuals for their assistance; Steve Ramm, Beverley Golf Club, Beverley Ag Society, Beverley Junior Sports, Beverley Tennis Club, Beverley Football Club, Beverley Swimming Club, Beverley Photography Club and a special thank you to the ladies from the Beverley RSL who cooked up storm providing competitors, spectators and volunteers with yummy Bacon and Eggs Burgers and Sausage Sizzles.

Thank you to the Shire of Beverley grounds crew for all your help setting up and ensuring our town looked amazing and once again to Brad for having the pool in mint condition (as always!).

We would like to acknowledge our generous event sponsors: Healthway, Shire of Beverley, Beverley CRC, CBH Group, Sportspower Northam, Contract Aquatic Services and Bendigo Bank.

Make sure you follow us on Facebook 'Beverley Triathlon' to keep in the loop and we hope to see you next year!

Triathlon Committee - Sam Fricker, Kelly Mann, Gemma Bassett, Treen Price and Brad Miller

Silver Medallist - Cody Stanfield

Congratulations to Beverley resident, Cody Stanfield who left Sydney's Australian Junior Championships with a silver medal. Cody had an outstanding result in the U14's 400m his time was 55.39 seconds.

Cody is now fundraising for the Australian Little Athletics Championships in Queensland in April. If you wish to donate, a fundraising tin is available at the Beverley Community Resource Centre.

Beverley Boys – Cricket Premiership

The Renegades Cricket Team from Northam have finished the year with a win in the Grand Final. They went through the year undefeated. In the team we had three boys from Beverley – Fred Ochtman, Thomas Mearns and Mitchell Ashworth. A big commitment from the boys as they travelled almost every week for training as well as the games.

Beverley soaring society was a great hit at sculpture by the sea

The Beverley soaring society was thrilled to be placed third, in the people's choice award, out of the 70 artworks exhibited on Cottesloe beach this year. The art work took centre stage on the beach where club members took turns over the three week period to chat to the public about the work and gliding in Beverley.

As reported in the February Blarney, Beverley Soaring Society collaborated with pilot artist Geoff Overheu to convert an obsolete Blanik glider into the visually exciting sculpture "final approach". Members spent many hours on the project lending their varied skills to bring Geoff's vision to life. The sheer size of the artwork was a mission to transport and install, anchored on a 3.5 tonne block of concrete buried in the sand.

Beverley Soaring Society president Roy McInnes said "the project is testament to the clubs ability to pool resources, work together and rise to the challenge, qualities that have made our club one of the most successful glider clubs in Australia".

Remembering THEM - 1918

One hundred years ago, Australians fought in battles on the Western Front at Amiens, Villers-Bretonneux, Dernancourt, Le Hamel, and Mont St Quentin.

Villers-Bretonneux was finally secured by Australians on April 27, 1918, never to be lost to the Germans again (see photos below). The Australians captured Montbrehain, a position beyond the Hindenburg Line on October 5, 1918.

This was the last action that Australians were to undertake in the war

The following eleven men from Beverley were killed in 1918:

Frederick James ANDERSON

Bonnay Communal Cemetery, Picardie

Walter Keith ARDAGH

Jeancourt Communal Cemetery, Picardie

Raymond Talbot COWAN

An Exhibition about the Impact of the First World War on Our Community

Dead Finish Museum, Beverley

The exhibition looks at the social impact and human cost of the war and its effects on rural Western Australia. Themes will include experiences of loss, gallantry and survival – both at home and in combat – and the effect of the war on those left behind.

The exhibition includes:

- Professionally designed panels on Beverley's involvement in WW1
- War memorabilia selected from the Museum's Collection
- Century-old artefacts on show in a new secure showcase
- Photos of Beverley's local lads who went away & those who came back
- Contributions made to the war effort by those here at home
- How Beverley had the highest 'Yes' vote on Conscription in Australia

OPEN March to November 2018

Four days of Easter, Anzac Day, Weekends

Avondale Farm & Museum

Committee members of the Avondale Farm Project Association held their first official meeting on March 01 at the Beverley Town Hall. The main points of discussion were the welfare of the horses, opening times for the Avondale Machinery Museum and the upcoming AGM to be held on Saturday 07 April at the Landcare building in the Avondale Farm grounds, as always the public are welcome to attend.

Other topics included the official welcome and acceptance of new members Garry Ray and Lyndon Wallis to our team, with discussion concerning the Easter Sunday refreshment day at the Museum, a new innovation put forward by our secretary Rachel.

During the past month our good 4 legged friend Robbie (one of our 2 Clydesdale horses) has been having treatment to his eye, a 'foreign body' had entered the side and caused an infection, this lead to regular medication via ointment and several vet visits which has certainly eaten into our 'horse budget', so no doubt we will be rattling the can 'so to speak' in the form of fund raising events the first being a Monster Cake sale on Saturday 12 May at the Lions Kiosk in town. And as always we are not only low on funds

due to the unforeseen vet bills, but also on feed for our boys, so if any kind horse lover can help in anyway we would really appreciate their efforts. And if you should want to see his 'war wound' feel free to come and visit him on the Easter long weekend, (closed on Good Friday).

As usual the Museum Maintenance Crew met up on the third Saturday of the month with the view to moving a few cobwebs that had formed inside the engines of several machines during the summer break.

Duayne lead his crew of Kerry and Kevin, to the Field Marshall Tractor, which had previously been running but had stopped due to a fuel issue, without the necessary information (as is the case with most old machinery) the three of them toiled relentlessly trying to get the fuel to come from the tank to the injector and cylinder using both the two methods for starting several times, one being the crank handle, which Duayne being the more ambitious swung tirelessly, alternating the other method using a shot gun cartridge, finally she burst into life and to the joy of everyone present sang happily once more.

While this was happening John H had (with John A the new boy looking on) decided to get the Fargo truck started that he had been working on previously, well she started but did not want to keep going, so after a clean of

the spark plugs and contact points, it made it out to the front of the Museum on the road and stopped refusing to start again, this time it was assessed that there may be a fuel issue, so the fuel lines and carby were cleaned and a new fuel filter added, this seemed to make her happy once more, and so were our team as the prospect of 'tow and push' were not on our agenda.

And for our last effort, John H was able to start and run our vintage Land Cruiser ute with a fully charged battery and some new fuel, but she is not going outside for a wash for a while as her clutch hydraulics require some attention, next visit maybe?

The National Trust have advised us that they will be holding two 'Busy Bees' at Avondale during April, the first is the weekend of 14/15 between 9.30am and 4pm with the intention of tidying up the bushland reserve, the second on Thursday 19 and Friday 20 will include pruning and making the area safe for the general public to enjoy, on all days there will be a sausage sizzle with light refreshments provided, please call Kyra Lomas at the NT on 9321 6088 for more details.

And as always if you or anyone you know may find 'The Avondale Experience' rewarding please feel free to call our Chairperson Jo Johnson 0417 951 513 on or the Avondale Warden Monica on 0427 477 734.

MEDIA RELEASE

A future for Avondale in bush produce research

The National Trust of Western Australia is working with the Shire of Beverley to determine a sustainable future for Avondale Farm which respects the history and significance of this place. Although established as freehold farming land, in 1918 it was made available as a training farm for returned servicemen and in 1926 agricultural research activities began and Avondale Farm became one of several experimental farms across the state. It is acknowledged as a place of significance to the local Ballardong Noongar people.

In keeping with its long history in the areas of research and investigation the Trust and the Shire propose to work with the Ballardong Aboriginal people and other interested parties to position Avondale as an Incubation Hub focussing on research for the emerging Bush Produce industry in Western Australia. The purpose of Avondale Farm will be to support the development of the industry to grow, value add and market Native Bush Produce. Demand is growing for bush produce, in restaurants, in the home and from the pharmaceuticals and nutraceutical industries who have an interest in the medicinal properties of Australian native plants.

As well as research activities the preservation of Avondale Farm's unique combination of historical, Aboriginal and natural heritage will also be considered through tourism programs, training opportunities and community access. The sorts of initiatives which could be considered include a café specialising in bush tucker food, an Aboriginal art gallery or cultural centre and continuing access to a further developed heritage precinct, the bush reserve and farm machinery museum. The activities being considered at Avondale Farm, complement and provide strong links to other tourism activities on offer at Beverley in the areas of the arts, nature trails and heritage tourism.

Planning for a re-activated Avondale Farm has begun with support for the concept received from local indigenous representatives, the Shire of Beverley, Regional Development Australia, the Wheatbelt Development Commission and ANFAB (Australian Native Food and Botanicals). The next step is to undertake a comprehensive planning phase that will involve attracting support and resources from a number of important stakeholders for this exciting project.

The planning phase for the Avondale Farm Bush Produce proposal is expected to take two years. In the meantime, the National Trust and the Shire of Beverley, with the support of AFPA, continue to undertake works at Avondale Farm to conserve and upgrade buildings and facilities to increase their potential for future uses.

Who's who at Avondale Farm.

National Trust of Western Australia

The National Trust of Western Australia manages Avondale Farm on behalf of the community and government and works to engage and inspire community support for the conservation of our natural, Aboriginal and historic heritage for the present and the future.

Beverley Historical Society

We held our first meeting for the year on Monday 12 March with 8 members attending. Even though the Museum has been closed the Society have been very busy with lots of requests for general information regarding past Beverley residents and events.

Firstly a BIG thank you to all our members who in their own ways spent hours washing curtains, bed linen, tablecloths, de-cobwebbing, and cleaning the Museum for the first day of opening, we could not function without all the volunteers.

A couple of interesting donations at the meeting were old photos of the Wesfarmers Shop plus houses that were owned by them.

- ➔ Field knife sharpener
- ➔ WAGRY Padlock

The Museum is opened on Sundays 11.00am - 3.00pm so feel free to visit and the volunteers will endeavour to help with any questions.

Our next meeting is Monday 09 April 2018 at 1.30pm.

Convict Sites in Beverley

The State Heritage Council is inviting members of the public to nominate places associated with convicts for inclusion in the State Register of Heritage Places.

If you have information about any sites in Beverley associated with convicts please let the Historical Society know at:

HAVE YOUR SAY

In regard to the cut backs closures of current CRC centres throughout country WA.

As residents of Brookton my husband and I being the older generation Australians; do use our CRC quite frequently. I am sure if the current State Government realise just how much we rely on our local CRC.

Beverley, Brookton Pingelly have all been absolutely essential to us both settling in this unique part of Australia. If we had to travel to Narrogin 70kms away it would be an issue of cost; inconvenience; and lots of extra kilometres.

I am not convinced the government realise how small town country folk rely on the expertise of these exceptional people who work in our local CRC. The advice care and concern given to each individual is absolutely 100%. Why take away from small country towns a service so much needed and appreciated by its residents.

We both want The State Government to be transparent with us all as fellow Australians. It is most important we have these centres operating fully to at least try to have some semblance of equality with our city cousins. Our CRC has been the lifeblood of our town, where it would be easy to fall through the cracks if we didn't have a place where we feel comfortable to go to. No wonder depression is on the increase.

It is years since I have written a letter to the editor however when passionate about something close to our heart it is amazing just how it makes us move. May the State Government do the same?

Sincerely yours Des & Marj Day

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304 BeverleyPol@twitter.com
Phone: 9646 3333 Crime Stoppers: 1800 333 000

Hello Everyone!

LIVESTOCK THEFT

- SHEEP producers are being targeted by opportunistic thieves as wool and sheep meat prices hit historic highs in WA. Don't become complacent and think it won't happen to you. No one ever thinks they will be a victim of crime. Below are some theft prevention hints to help you protect your valuable commodity:-
 - Livestock owners should keep all fences and gates in good condition to protect their livestock. Regularly check you stock and the paddocks and fences where the stock are grazing – daily if possible – especially around sale days – to ensure suspected losses are recognised and reported to police as soon as possible.
 - Loading ramps in paddocks or on farms away from direct supervision should be kept locked or obstructed at all times.
 - Keep all paddock, shed and stockyard gates closed and locked. Use locking posts to obstruct large openings to yards.
 - Ditches form a natural barrier. Cattle grids should be removable and locked out of position when not in use.
 - If you consider buying an additional farm, remember: "absentee landlords gather no crops". Rather try and buy close to your residential farm.
 - Be particularly watchful during full moon, weekends and at the end or beginning of a month or during periods that you know from your own experience, when stock thefts (slaughtering for the pot) occur.
 - Livestock owners should at all times report livestock theft cases on their property immediately. The longer the delay, the less the possibility of achieving success in an investigation.
 - The regular herding and counting of animals are of obvious importance. If it is not possible to count your livestock every day, try counting your animals at least twice a week on irregular days. Shortages and signs indicating possible thefts should be reported immediately.
 - When considering applicants for employment, enquiries should be made with previous employers. Establish what kind of criminal record the applicant has – a National Police Clearance Certificate is recommended.
- Employees should be trained to pay attention to irregularities. Ask your employees to be careful about what they say in the presence of strangers regarding activities on the farm. Careless talk can lead to livestock losses.
 - The necessity of a thorough stock register cannot be emphasised enough. Commit to paper as much detail as possible and keep the register up to date yourself.
 - The use of electronic identification is strongly recommended. Many farmers believe that the introduction of the National Livestock Identification Scheme is ideal for the control of stock theft. This involves stock being identified by a micro-chip in the ear or with a bolus which is inserted down the throat of the animal where it remains lodged in the rumen of the animal for its lifetime. These devices offer unalterable permanent identification.
 - Go around you property and look at it through the eyes of a thief. Look for areas where thieves could easily operate. This particularly applies to paddocks that border a public road.
 - Be visible on your property. Leave tyre tracks and evidence that you are frequently checking your paddocks.
 - Rural watch – get to know your neighbours. You are best placed to spot things that are out of the ordinary. Do not hesitate to report any suspicious behaviour or activity in your area, be aware of strangers or unfamiliar vehicles in your area. Write down their registration number and all other relevant information and pass it onto your local police and alert your neighbours. Due to the extensive area we patrol and our limited resources, your local Police rely heavily on you to be our eyes and ears in rural areas.

Until next month, stay safe.
Sergeant Karen Berry and Senior Constable Ian Jeffrey

Ever busy at Station Arts as we prepare for the Annual Art Exhibition and the last couple of events before the winter break. As a volunteer run organisation that provides a diverse program of arts, we think we deserve a break from the monthly run of events. A few of us however, take this opportunity to catch up on some PD.

Artist-in-Residence.

Carolyn Rhodes-Thompson is nearing the end of her time here as our Artist-in-Residence. She brought much life to the Station and her art classes were so inspirational. Her art philosophy is 'to allow the discovery of one's own capacity and creativity', and that's just what her classes have achieved! Come and see for yourselves the works of those who attended her classes at the Station Gallery which is open all Easter due to Carolyn's generosity. Such big-heartedness has extended to officiating at the Annual Art Exhibition on opening night, as well as being Easter Bunny and singing at the markets at the Station on Saturday!

Sad as it will be to see Carolyn leave, we look forward to welcoming our next artist who hails from Canada. Melanie Ruby who will be arriving here April 5th and staying until the end of May. Melanie would like to hold some workshops but will investigate dates etc when she arrives.

Please keep an eye on bulletin for further information on residencies/any changes to schedule and/or contact Artist in Residence Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence Programme for 2018:

April - Melanie Ruby (Canada)

May - Melanie Ruby (Canada)

June - Nada Murphy (Perth)

July - Manu Madan. (Perth)

August - Helen Amyes (York)

September - Community Engagement

October - Community Engagement

November - Susan Hoy and Jennifer Sadler (Perth)

December - Tyler Arnold (Victoria)

January 2019 - Tyler Arnold (Victoria)

Easter Art Exhibition

The Annual Art Purchase Exhibition. Easter 2018, will be the 50th annual exhibition which is quite some feat for a small town to show a top exhibition each year consecutively! And by the time this edition of the *Blarney* comes out the exhibition will be in full swing, the Official Opening underway as we eagerly await to see who has won the *Beverley Art Prize* valued at \$5000. That and the other prizes will be revealed in the next Station News.

It is with the utmost sadness that Kathryn Mclean is standing down from the position as exhibition secretary, a job she does so admirably. It has proved too much of a commitment for her to organise the show from Perth where she now resides. So, if you or you know of someone who has an interest in the visual arts and is looking for a voluntary position, please don't hold back - we need you!

Contact Exhibition Secretary Kathryn McLean, ph 0427 464 050 or wk.mclean@bigpond.com

Community Engagement Project

Another misfortune is that Bruce Denny has not been inundated with local Historians, Photographers, Researchers, Artists, Musicians and Singers to get the Platform Theatre film project underway. However, not to be deterred, he is thinking it better to begin at ground level and start a drama club in the town. Please let Bruce know on 0408 387 198 or email: adlibitums@bigpond.com if you are interested in being involved in a drama club!

COSTUMES REQUIRED: For The West Australian Photographic Federation holding its annual event in Beverley over the weekend of Friday August 31 - Sunday September 2 when members of 40 photographic clubs

spend the weekend at Beverley. They will be visiting the Railway Station on Saturday September 1 from 7.30am to 9.30am for breakfast, photographing the historic station buildings and would like to have a number of local people dressed in period style costumes so they can take portrait photographs. The type of persons could be:

Station master in uniform

Lady and gent in town clothes waiting for the train

Children in town clothes

Farmer with dog waiting for train

Busker in older clothes

So....can you help with period costumes or know of where to get some? Or happy to model a costume you can get hold of yourself? If so, please leave your details at the Station, or email brounj@westnet.com.au

Beverley Station Singers

Station Singers met this month on 12th March to rehearse for the coming Merredin Songfest 18th-20th May. Practice for Anzac Day will take place at the next meet on Wednesday 4th April at 7pm.

Kelly Newton- Wordsworth directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Tracey Fleay - Mobile: 0409 481 029 or Email: traceyfleay67@gmail.com

THE GREAT RIDE - ANZAC DAY 25 April at 8.30 am following the Dawn Service Breakfast - RSL Hall.

As Carmel Charlton performs her drama production she will take you on an incredible journey through the history of what has come to be known as "The Great Ride". 10th Light Horsemen Ned Moriarty wrote to his sister Alice in Bunbury from the deserts of Palestine in 1918 whilst on the 12day ride from Ludd to Damascus. The show includes images, songs and dialogue that illuminate the struggle, emotion, humour and life that Trooper Moriarty and the troops went through during the ride.

The 10th Light Horse Regiment was given the honour of leading the Australian Mounted Division into Damascus where they accepted the formal surrender of the city arriving 3 hours before Lawrence of Arabia.

Volunteer Thank You

👉 Kathryn McLean - a huge thank you for almost 8 years as exhibition secretary - something she took on in difficult circumstances following the death of Anne Rayner. Kathryn has done the most amazing job and has left no stone unturned to make the position so much easier for whomever takes her place.

👉 Valda and Carollyn for having the gardens smiling for Easter!

👉 The entire BSA Committee and the Jacks for all the extra work this month.

Beverley Garden and Tree Society

The first meeting for 2018 was held at the Dead Finish Museum on Tuesday 06 March with 24 members in attendance and we had 7 apologies. Much of the meeting was devoted to our 2018 programme, it promises to be brimming with activities and outings.

In the garden now....

Autumn is the best time of year to be in the garden. The soil is warm and we have good growing weather. There's a bit of rain around and that will soak in well if we take the opportunity to add soil wetting agents, particularly to lawns. Plants put in can establish roots, so when summer next sets they won't get stressed.

Don't wait until spring to plant – by then it will be almost too late.

If anything hasn't survived the summer, don't get emotional, get ruthless. Take it out and get another plant that will do well in a hot position. If something has burnt bits, give it a trim. Give roses a light prune and feed. Most spring-flowering shrubs should be pruned after flowering, not at this time of year, so ignore those.

This time of year is for planting: broccoli, silverbeet, Chinese cabbage, lettuce, beetroot, rhubarb, potatoes, peas, English spinach, Asian greens and carrots, and herbs such as marjoram, oregano, coriander and parsley. You don't need big spaces, just good soil in the pot or ground, five or more hours of sun as a general guide and regular fertilising with a liquid blood and bone or fish-based fertiliser, or organic granular fertiliser.

The next meeting will be held at the Dead Finish Museum on Tuesday 03 April at 10.30am.

Farewell

Sadly we are saying goodbye to Ashleigh this month who is moving up north to begin a new and exciting chapter in her life. Ashleigh commenced employment with the CRC over 3 years ago as a trainee studying Cert II in Business and is departing fully qualified with a Cert IV in Business. Ashleigh won the Aboriginal Trainee of the Year in 2016 and has been a valuable member of our team. We wish Ashleigh all the best in her future endeavours, we will miss you dearly!

Year 3 - 5 Zoo Excursion

The Year 3, 4 and 5 classes enjoyed their excursion to the Zoo! They investigated the structural features and adaptations that living things have to help them survive in their environment.

They critically analysed the conditions of the

enclosures and identified the importance of zoos and conservation. Special thanks must go to all of the parent helpers who attended and made this day such a success!

Pink Stumps Day

Everyone was in the spirit of Pink Stumps Day at BDHS! Our student leaders organised a cricket competition in the spirit of raising awareness and funds to support breast cancer research. It was a fantastic day and the school was a sea of 'PINK'!

Year 6 Rottnest Camp

Our Year 6 students were immersed in history and the natural environment as they challenged themselves with a physically demanding camp at Rottnest Island.

They learned independence and social skills, appreciated the need for teamwork and compromise, and had plenty of fun and laughter along the way. Thanks very much to Mrs Aynsley

for her terrific organisation and to parent helpers Derek Hammond and Anna Jennings for all their care and support.

Secondary Camp at Busselton

The Secondary students had a wonderful time exploring the Busselton area recently, with their camp activities including exploration of the history and geography of Cape Naturaliste and the coastal caves system.

The students had plenty of fun too, enjoying the mental and physical challenges of trampolining, water slides, laser tag and more! School camps offer students a fantastic opportunity to develop independence, tolerance and teamwork. Thanks to Sharyn Morrell for the organisation of a great camp, and to staff members Shirley Wallis and Chris Footer and to parent helper Ben Murray. **Thanks** to families and community members for donations and fundraising to support this camp.

School Open Afternoon

On **Thursday 5 April from 2.30pm**, parents and community visitors are welcome to see **performances by students**; to be part of **tours of the school**; to see some of the **amazing work** that students have been doing; and to be part of the official opening of the **Nature Playground**.

Anzac Assembly: Our school Anzac Service will be held on **Thurs 3rd May** from 9am. All welcome.

FACTION AND INTERSCHOOL SWIMMING CARNIVALS

This Year Beverley DHS hosted the Faction and CGSIA Interschool Carnivals. Our students participated in both carnivals with great determination and sportsmanship. Our parent community offered such great support in volunteering on the day to ensure the smooth running of both events. A huge THANK YOU to the Beverley Shire and to our Pool Manager Brad Miller for once again providing us with such a wonderful facility. Your support is invaluable and greatly appreciated.

Term 1, 2018

We have had a great turnout for our first few sessions of Playgroup for 2018. It's been lovely to see some new faces bringing their little ones along, we hope you've enjoyed playing! If you are interested in coming along to Playgroup and would like some more information, please contact Sharlee - her details are below. We'd love to see you at Playgroup!

Playgroup Committee

We'd like to say a big thank you to our outgoing Office bearers, Amanda Farr (our President) and Kate McLean (our Treasurer). Amanda and Kate have both been involved in Playgroup for many years and we thank them for all the hard work and enthusiasm they brought to their roles. We'd also like to thank Jo Copping for being a valued committee member and excellent handywoman. We'll certainly miss you Amanda, Kate & Jo, if you ever feel like a cuppa on a Thursday morning – please pop by!

We welcome our new office bearers, President - Sharlee Higgins and Treasurer – Hollie Smith. Sharlee and Hollie are certainly no strangers to our Playgroup having been members, committee members and office bearers in the past.

We have some new committee members, Jaime Williamson, Amy Tasker and Teagan Hudson. We look forward to their involvement in the committee and their new ideas for our Playgroup.

Valentines Craft

The children have been working on some art to brighten up the Playgroup building. They loved creating their masterpieces!

Promoting Healthy Lifestyles

Warrior Wellbeing Article **Social Media and Maintaining the Balance**

At Regional Men's Health we are always promoting social wellbeing and connectedness through appropriate communication and social networks because we are all social creatures at heart. However, in some ways social media is taking over as the predominant form of social connection, especially with younger blokes. This isn't totally a bad thing, there's a lot to be said for being able to open a group chat with your mates and stay engaged with your friends even if you're working or studying a long way from home. Social media is a form of social activity and can be very helpful, especially in maintaining friendships and as a convenient way to organize real world activities. So social media isn't this other world as it sometimes gets characterized but can be a simple extension of already existing social groups and dynamics.

Therefore, we must be vigilant and mindful of living in the here and now and staying connected to others. This is particularly important for blokes and must be maintained through the age-old channels of community. That can be the local sporting club, either participating or watching with a friend or simply having a drink/cuppa with our neighbour and dropping in on our mates.

These are some ways to stay present in the physical world that avoid the issues that the use of social media can raise, especially if we are young. These issues unfortunately are in most cases the result of deliberate programming and design by the creators of the tech companies. That's because Facebook, Twitter, Instagram and Snapchat amongst others make their money based on advertising; it's their goal to maximise the attention that you give to their platforms. Knowing that people are more engaged by negative emotion; things that cause us to feel outrage, anxiety, tribalism and envy are often highlighted or even manufactured to reflect the worst aspects of our nature to monopolise our attention.

It's well-known that on social media we get shunted into our own echo chambers, socially and politically. We are also taught to value internet points that can be withheld from us, we're shown the highlight reel of other people's lives which we compare to our own day to day. As the saying goes "comparison is the enemy of happiness" and young people especially are inundated with examples of lives that seem better than their own, with political information that outrages them and then the deliberate delaying of likes and positive attention on their own posts. It's no surprise that social media can be a place where young people feel more isolated and less social.

So, what does this mean for blokes that are rightfully worried by this technology and how it affects us? Well the answer is not to abandon it, instead we must understand its limitations and its consequences while using it to its best purpose. That means instead of looking at people's holiday pictures for hours, taking pictures of every meal or reading the latest Donald Trump controversy, use it to remember birthdays, organise a barbecue with your friends, to keep track of what music festivals are coming up and other simple activities that bring you closer to people, not feeling further away.

Reliable Internet

I've had quite a few calls recently from people whose PCs are running slow – some extremely slow or static! Many of these were not because of viruses. So, I thought I should give some tips to help you maintain a reliable Internet connection.

Are you connected to the Internet? Look for the simple solution first. This may seem obvious, but sometimes you may think you are connected, but there's actually no information flowing. If your browser (Edge, Internet Explorer, Google Chrome, or Mozilla Firefox) is not connecting then it very likely that you have no working Internet connection.

If your device (PC, Mac phone or tablet) is connected to your router by WiFi it may seem that you are connected to the Internet. But is the router connected to the Internet? The most common cause is that your Internet Service Provider (ISP) has disconnected you because you have run out of your allowance (or not paid your bill!). Then you ARE connected to the Internet but no information is flowing. A quick call to your ISP and a handful of dollars will usually solve this.

Poor mobile coverage? If you connect to the Internet using a mobile network with a modem or a Mobile Hotspot on your phone, it can be difficult to work out the cause of issues. Your account could have run out (see solution above), but it could also be that the mobile signal is too weak. This is common in country areas. If you see only one bar then there is not enough signal for a reliable connection. Also, if there is high traffic on a mobile network the cell size shrinks and the most distant connections are dropped.

You may improve the signal by moving your modem so that it can 'see' the tower, preferably near a window facing the tower. The WiFi signal from the modem is usually strong enough to reach across the house to your device.

There's another trick worth trying. Many modems and mobiles can choose which network they connect to, either 4G (LTE) or 3G (WCDMA). When the signal is weak the modem or phone may keep switching back and forth, interrupting your Internet connection. Try changing to '3G Only' or '4G Only' and compare the number of bars. The 3G signal may be stronger as most devices connect to 4G first.

Are updates killing your Internet connection? Not handling updates well causes problems for many people – particularly with Windows 10.

For phones, tablet and Windows 7 and 8 this is not usually an issue as updates are smaller. And, you have significant control over downloading and installing updates for Windows 7 and 8.

Windows 10 updates can be very large (up to 6GB) and there is nothing you can do to stop them. If you have a small Internet allowance updates can quickly chew up all your allowance. For some control go to 'Settings\Update & Security\Windows Update':

- 'Restart Options' allows you to schedule a restart time
- You can 'Change active hours'
- In 'Advanced options \Delivery optimization \Advanced options' you can set a download limit.

However, none of this stops Microsoft downloading the updates. It is specifically stated "We'll automatically download and install updates, except on metered connections (where charges may apply). In that case we'll automatically download only those updates required to keep Windows running smoothly."

Note: to turn on 'metered connection' go to 'Settings\Network & Internet \Status\Change Connection Properties'. This change will only affect the current WiFi internet connection. You cannot set this for an ethernet connection.

How do Windows 10 updates slow/stop my PC? If you don't change any settings Windows 10 will start checking for updates as soon as you turn on your PC - then install them. This can slow the PC right down and on a low-end PC can make it almost unusable. This may make you think you have a virus or other issues. If you then force shut down your PC – the updates will start again next time you turn on the PC. If you do this too many times you may use up all your monthly allowance. Or, more seriously you may corrupt the operating system. Then it can take hours/days of restarting to fix and uses lots of download allowance.

You can see that Microsoft make it very difficult for you to control Windows 10 updates – they want to force you to take the updates! If you have Windows 10 it is better to ensure that you have enough monthly download allowance and download speed to cope with large updates than mess around with the options above!

RECYCLE BIN DAYS FOR APRIL

Friday 06 April

Friday 20 April

Country Women's Association BEVERLEY BRANCH

At the Annual General Meeting of the Beverley Branch of the Country Women's Association, all positions were filled. Our President, Secretary, Treasurer and Vice President accepted renomination for another year.

There has been quite a change of furnishings in the hall to make it suitable for a greater variety of uses. We hope to make even more changes in the near future. Our Garden and Maintenance officer has been busy up-grading the garden also. We have arranged to have a full "Spring Clean" to brighten up the facility.

The hall is available for use by the public for meetings and other social functions requiring smaller accommodation; there are ample chairs and a piano.

To arrange bookings, please contact Lorraine Sims on 8646 1243 or sims@agn.net.au

We would love to see new members join us - so if you or anyone you know would like more information please contact the undersigned office bearers.

Our next meeting will be on Wednesday 13 April starting at 10.00am with a short meeting followed by some entertainment and a "Bring and Share" lunch.

Beverley water supply improvements

Temporary pressure fluctuations

Water Corporation is in the final stages of completing work to improve the water supply to customers in Beverley. This has included the construction of a 4 million litre tank and 3.4km of water main to connect the new tank to Beverley's existing network, with a new pump station still to be constructed.

In the coming months customers may notice pressure fluctuations, as we temporarily increase the pressure in the main supplying Beverley. We need to do this in order to finalise the integration of the new tank into Beverley's existing network.

As we have previously advised, we anticipate the new tank will be fully operational by mid-2018. Once this occurs many customers will be supplied with a higher and more consistent pressure on an ongoing basis, which is one of the long term benefits of the project.

We appreciate the community's understanding while this essential work is undertaken and apologise for any temporary inconvenience.

For further information please contact the Project Manager Shane Priddle on (08) 6330 6676.

Perth champion gets State blazer pocket

Peter Kennedy

Bert Wansbrough, the 1955 premiership vice-captain, and his wife Norma, didn't know what to expect when three club members visited their Beverley home recently.

Brian Sweetapple and Greg Dart from the Past Players and Officials Association, and Peter Kennedy, were on a mission: to deliver a replica of the crest on Bert's 1956 State team blazer pocket for the national carnival in Perth.

Bert is very proud of a montage of crests from various football and other blazers he has worn during a celebrated sporting career. But the 1956 carnival blazer pocket was missing.

His friend David White noted this gap and made inquiries as to how it could be rectified, without Bert's knowledge. Eventually he contacted Peter Kennedy, who suggested Brian Sweetapple might have access to a 1956 blazer through the club's History Centre.

Brian got to work with Greg Dart, and together they hit the jackpot. There was indeed a pocket with the crest in good condition, which they had duplicated. The gap in Bert's collection was filled.

Bert was also presented with a mounted cutting from The West Australian, noting his crucial role in Perth's nail biting two-point win over East Fremantle in that 1955 grand final. It was headed "Wansbrough Comes To Side's Rescue" and noted how, after being switched at half time from centre half back to full forward, he had kicked four goals in the third quarter to put Perth within reach of victory after a poor first half.

An epic last quarter, in which the whole side lifted and champion ruckman Merv McIntosh played at his brilliant best in his last game, saw Perth break a 48-year premiership drought.

Bert travelled from the family farm each week to play 127 games between 1952 and 1958. He kicked 167 goals for Perth and was named on a half back flank in Perth's Team of the Century. He was Club Legend in 2008.

Bert continued his football career with Beverley, adding to his illustrious record by leading the home team to a premiership as well.

He has the Demons' 2018 fixtures on his desk and plans to make the trip to the city to see a winning game at Lathlain Park.

Beverley brand

The Beverley logo was developed as part of a unified approach to promoting Beverley as a tourism destination, where all tourism related initiatives, products, services and experiences are promoted under the one banner.

The benefit of this brand helps to market and promote Beverley as a unified tourism destination. The distinct look and feel of promotions and the consistent brand identity avoids contradictory messages. This establishes a clear point of difference to visitors, expectantly increasing the visitors to our town.

Thank you to the local community groups and businesses who have embraced the new destination brand for Beverley.

The Beverley IGA has some fantastic Hessian shopping bags for sale displaying our wonderful logo.

The Beverley Agricultural Society have been busy organising this year's Beverley Agricultural Show on 18th August 2018. The theme this year is Country Connections and they are challenging you to "Be very Connected" "Be very Country". Get in touch or make new connections at this year's show and share our love of our country living.

The wonderful addition of the outdoor alfresco area popping up at various businesses along Vincent street. Thank you to the Shire of Beverley for this great initiative and hopefully you have had a chance to "Be very Alfesco" this month.

The CRC always has the lovely aroma of local produce and products. "Be very Local" and drop in to the quaint visitor centre and check it out.

We have seen the competitors from near and far "Be very Brave" at this year's Beverley Triathlon on Saturday 10 March.

If you are using the logo or the 'be very' slogan, send us a photo and we will help promote your group, event or business. Or if you want to know more about the brand email:

BEVERLEY FOOTBALL CLUB

It's been a busy couple of weeks at the footy club with pre-season training ramping up. Numbers at training have been great and we encourage people to come down and join us from 6pm.

To test our legs the club participated in the recent Beverley Triathlon, with many of our players battling it out as individuals across the swim, bike and ride. It was a great morning and the club would like to pass on its appreciation to the committee who ensured the entire day ran smoothly.

To test the boys even further, that afternoon the Beverley Football Club held a crutching busy bee. This was a great opportunity for some of the Perth players to get involved.

To keep the pre-season training kicking along, the club headed on down to Corrigin to compete in a round robin scratch match with Brookton/Pingelly and Corrigin. At the end of the matches Beverley came away with the trophy! A great start to the year.

Fixtures for the season have now been finalised and will be made available to members and supporters over the coming weeks. We have managed to secure a number of Saturday games again this year, so we will be holding some functions throughout the season.

Our first game will be against Federals in Northam on the 15 April, so we would love to see some supporters there to help us kick off the 2017 season.

Our first function of the year will be Bobs Fish Night. This will be held on Friday 13 April. We would love to see as many of our members and supporters at this event as possible. Come down and watch the whole team train before we announce the team and have a meal. Further details will be via our Facebook page

Lyme Disease Association of Australia

From the Committee

There's an absolute hive of activity happening at the LDAA in preparation for the coming months & the rest of 2018. We have a new board offering each and every Australian Lyme patient the benefits from an expanded experience base.

While the government response left LOTS of 'wiggly room' (read: 'very little clear commitment to action'), the pressure remains on the government to act. There are doctors, connected individuals and several Senators supporting the push, particularly prioritising Recommendation 5 in the government response.

We are excited to announce that the Country Women's Association of Australia are again committed to supporting the May Lyme Project and they want results!. We hope each & every one of you will link arms with us & support a UNIQUE, FUN & DYNAMIC campaign. Contact us if you, your friend or family member are ready to 'link arms' again this May. Meanwhile there is some very interesting posts on the LDAA Facebook page of some amazing treatment successes.

BEVERLEY CRICKET CLUB

With no club cricket being played in January it was time for representative cricket in **INKOSI DESIGN** which a number of Beverley players participated in.

INKOSI DESIGN

Junior Country Week was held from the 08 to 12 January. Thomas McLean played for Eastern Districts in the Under 16's A Section. Liam Gollan played for Avon / Pingelly in the Under 16's B section. Mitchell Ashworth played for Northam in the Under 14's Black Section with the boys performing well.

Eastern Districts ended the week in 6th position with 1 win and 5 losses, Avon / Pingelly side were 3rd in B Section with 2 wins and 4 losses. Northam were 3rd in the Black Section of the Under 14's with 3 wins, 2 losses and a tie.

Thomas McLean

Batting: 304 Runs 50.67 Average Highest Score 99
Bowling: 6.2 Over's 0 Wickets for 45 Runs Best Bowling 0/43
Fielding: 4 Catches

Liam Gollan

Batting: 39 Runs 7.80 Average Highest Score 16
Bowling: 16 Over's 3 Wickets for 38 Runs Best Bowling 1/0
Fielding: 5 Catches 2 Run Outs

Mitchell Ashworth

Batting: 114 Runs 22.80 Average Highest Score 79
Bowling: 13 Over's 2 Wickets for 64 Runs Best Bowling 1/6
Fielding: 2 Catches 1 Run Out

So in all it has been a very busy time for our juniors over the holiday period in which all the boys performed very well.

Senior Country Week was held from 21 to 26 January. Avon was playing in C Section and was represented by Beau McLean, Stephen Gollan, Luke Gollan and Daniel Gollan. Avon won C Section Final and will now be promoted to B Section.

Beau McLean

Batting: 73 Runs 18.25 Average Highest Score 34
Bowling: 32 Over's 5 Wickets for 99 Runs Best Bowling 2/20

Daniel Gollan

Batting: 46 Runs 23.00 Average Highest Score 16 not out
Bowling: 15 Over's 3 Wickets for 40 Runs Best Bowling 2/30
Fielding: 2 Catches

Luke Gollan

Batting: 51 Runs 17.00 Average Highest Score 51
Bowling: 18 Over's 5 Wickets for 59 Runs Best Bowling 3/11
Fielding: 3 Catches

Stephen Gollan

Batting: 15 Runs 15.00 Average Highest Score 15
Bowling: 15 Over's 6 Wickets for 50 Runs Best Bowling 4/7

At the completion of Senior Country Week the Inkosi Design Redbacks played Brookton in Beverley. Beverley had a number of new players who played their first game in a number of years in Robbie Wansbrough, Richard Gillespie, Mark Bickley, Ben Murray, Wayne Ashworth. Mitchell Ashworth and Warky Ugle Jnr. also played and our thanks to these players so that we could field a team.

Saturday 03 February 2018

Beverley 7 for 145 defeated Brookton All Out for 124

Beverley Batting: Stephen Gollan 50 retired, Robbie Wansbrough 23, Tyrin Ricks 18

Brookton Bowling: Chris Hartl 2 for 11, Sean Bennell 2 for 17

Brookton Batting: Tim Evans 37, Damien Rushton 24, Roy Yarren Jnr 11

Beverley Bowling: Stephen Gollan 4 for 12, Tyrin Ricks 2 for 25, Richard Gillespie 2 for 25

Richard Gillespie 5 runs, Mark Bickley, Ben Murray and Mitchell Ashworth made 2 each, Warky Ugle Jnr remained 4 not out. It was unfortunate that Wayne Ashworth did not bat, but Wayne did take a great catch when fielding.

The following week Beverley was scheduled to play Seabrook in the last qualifying game of the season. Unfortunately there were not enough players available and we had to forfeit.

To assist Seabrook in their finals preparation a scratch match was held.

This was a disappointing way to finish the 2017/18 season as Beverley played some very good cricket with a young side.

At the end of the Qualifying rounds the Premiership Ladder read:

Tammin	126.47 points
York	114.41 points
Seabrook	103.93 points
Brookton	58.93 points
Beverley	53.96 points
Quairading	24.99 points

Association Awards Winners for the 2017/18 season were won by the following:

Batting Aggregate	Nick Taylor	(Tammin CC)	357 runs
Batting Average	Stephen Gollan	(Beverley CC)	116.50
Bowling Aggregate	Mike Mount-Bryson	(York CC)	20 wickets
	Luke Button	(Tammin CC)	20 wickets
	Tim Evans	(Brookton CC)	20 wickets
Bowling Average	Ryan Nottle	(York CC)	8.08
Most Catches	Rohan Hadlow	(Quairading CC)	15
Best Player Country Week	Isaac Stokes	(Tammin CC)	
Cricketer of Year	Nick Taylor	(Tammin CC)	

The Grand Final was a good game, which saw Tammin prevail. York batted first and made were All Out for 136. Tammin chased these runs down in the 36th over to win by 6 wickets.

Beverley did struggle with numbers during the year but once again has continued to develop and encourage our juniors to play senior cricket.

Beverley Award Winners are

Club Champion (Warkie Ugle Memorial Trophy)	Stephen Gollan
Best Batsman	Luke Gollan
Best Bowler	Stephen Gollan

The club would like to thank all our supporters who have come along and watched games and special thanks to our primary sponsor in Graham and Fleta "Inkosi Design" for their support of the club.

Mention must also be made to the Shire of Beverley along with Mal Kehlet and his helpers for their efforts in maintaining the best ground and wickets in the Wheatbelt.

In all the Beverley Cricket Club looks forward to the 2018 / 2019 season.

Busy Bees

Busy Bees were held in late February and early March to get our course into shape for the coming season. It was especially encouraging to see the large number of volunteers who showed up for the first busy bee. As a result we have managed to get the course looking nice and tidy and it now depends on rains to provide some grass coverage. Keep fingers crossed.

Thanks to Gavin Sazanov for making the necessary arrangements and co-ordinating the member's efforts. Special thanks also go to Andrew Shaw providing sand for green maintenance and to Don Davies for being our plant operator on the day.

Beverley Tennis Pennants Season Windup

After making it all the way to the semi-final , Beverley were unfortunately knocked out by Goomalling.

The club celebrated the 2017/18 season in style. Players and partners came together for a windup dinner (and some awesome poetry by Deb) at the Red Vault.

In recognition of our Life Member Rob de Gruchy for 50yrs of playing pennants tennis, the club has awarded a Men’s and Ladies award for most sets won in the season.

Congrats to Graeme Lewis and Annie Budiselik for winning the inaugural Rob de Gruchy Pennants Award.

The runners up were Rob de Gruchy and Narelle Bailey

The club would like to thank Charmaine Willing for coordinating the team and for organising the windup.

Thanks to everyone who played pennants through-out the season.

Let’s hope we go one better next season.

Club Championships - Sponsored by P & D Roediger and Bendigo Bank York

The Singles and Doubles were played on Sunday 18 March in lovely conditions. Numbers were again low, but remain consistent with the same number of competitors as last year. The Ladies Doubles was taken out by Carissa Shaw and Narelle Bailey over Deb Roediger & Annie Budiselik in a tie-breaker. The Men's Doubles was won by Rob de Gruchy, runners-up were Brett Shaw and Adam Smith.

The Singles Championships will be played on the closing day on Sunday 08 April. The ladies match will be between Narelle Bailey and Annie Budiselik and the men's match between Rob de Gruchy and Graeme Lewis. The Men's plate between Ben Murray and Chad Vandenberg will also be played on the club's closing day.

The ladies plate was won by Dina Barrett-Lennard.

Thank you to our new sponsors Deb & Paul Roediger for being involved with the Club Championships.

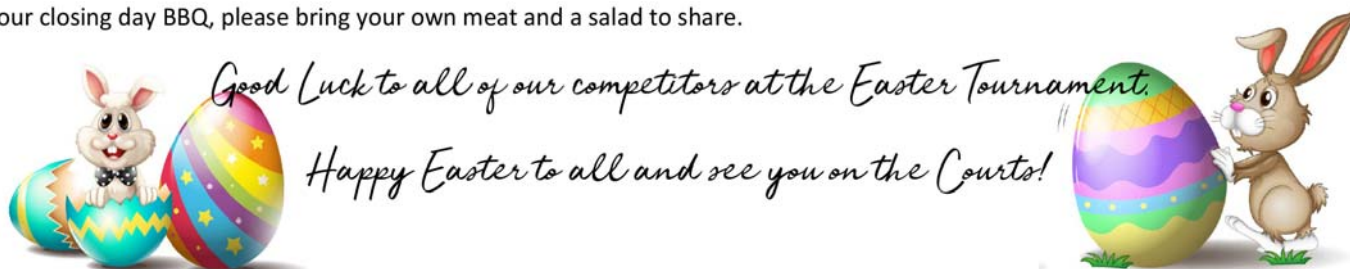

85th Annual Easter Tennis Tournament

Hopefully as you read this, the 85th Annual Easter Tennis Tournament is underway! If you're in Beverley over the Easter long weekend, please feel free to come and visit. Grab some cake and a coffee and watch a few games. Thanks in advance to the Easter Match Committee of Carissa, Mandy, Aliesha and Kelly for the hard work you put in prior to and over Easter. Thanks also to the general committee and members for all your help with the Busy Bee and setting up.

Full results and wrap up will be published in the May issue of the Blarney.

AGM & Closing Day

As previously mentioned all members and potential members are invited to the Annual General Meeting to be held at 5.00pm on Sunday 08 April. This coincides with the Championship Singles to be played beforehand. Immediately after the AGM will be our closing day BBQ, please bring your own meat and a salad to share.

BEVERLEY REDBACKS HOCKEY CLUB

The 2018 hockey season is just around the corner and here are a few dates for the diary.

At this stage the hockey season will kick off on **Saturday 05 May**, this is still to be confirmed with final fixtures from the Association over the coming weeks.

Training will start on **Thursday 05 April at 6.00pm at the Beverley Oval.**

We will be having a player's tea after training on **12 April**. This will include a Special General Meeting to elect a New President & at least one more committee member.

We are also still looking for a coach for this season. Please contact Kelly if you would be interested in being involved.

Rally: On Sunday 18 March we held our second rally start with a few committee members down. Vicky on her well-earned holiday and Annette spending some time with her newest family member. Early Sunday morning saw another committee member out for the day due to the lovely flu. All riders and parents were amazing and set up the dressage arena, a show jumping course, activie riding novelties and helped each group with horsemastership. What a great team effort to ensure the day ran smoothly. Our coaches for this rally were Sharla Abdulla for dressage, Marie Hammond for show jumping and Tess Hawke leadline and active riding. A busy and very rewarding rally.

Congratulations: Renee Peart and Phil Lycholit on the birth of their second child Levi Edward Lycholit, a little boy born at 3:19pm on Wednesday 14 March 3090g or 6.13pounds and 50cm long!
