Edition 407

September 2018

No Charge

**COUNTRY  
CHOIR BASH**  
SATURDAY 08 SEPTEMBER 2018

Presented by **Voice Moves** this Country Choir Bash is hosted by **Beverley Station Arts** at the **PLATFORM THEATRE** in Beverley – as the ongoing opener of the season of events for the fifth consecutive year, Beverley is the place to be on Saturday 08 September. Truly and event for the whole family!!

**Date: SATURDAY 08 SEPTEMBER 2018**

**Time: 2.00pm – 5.00pm (Gates open at 1.00pm)**

**Venue: Platform Theatre, 120 Vincent Street, Beverley**

**Tickets: \$10 per person available at the gate on the day, children half price**

Gate takings will be used for the interior restoration of the railway carriage.

Traditional country afternoon tea with flair is served during this wonderful afternoon of entertainment from these 9 choirs singing a wide variety of songs.

As the venue is outdoors, please dress for the weather – hats and sunglasses if warm; rug up if cold; in the event of inclement weather, the concert will be relocated to the Beverley Town Hall.

**ROSSMOYNE COMMUNITY SINGERS**

Ladies choir singing everything from classic pop hits to jazz and musical theatre

**STRIKE A CHORD**

Auditioned ensemble of 15 ladies, always a crowd pleaser

**QUIRE-VOCAL ADDICTION**

Mixed voices singing works from renaissance to the modern day

**MERRY DIN 7**

7 stalwarts from other Perth choirs covering everything from gospel, classical, folk and pop

**TRILOGY**

A harmony singing trio with a diverse repertoire and ukulele accompaniment

**BALLPOINT PENGUINS**

Flock to the fun of comic a capella with this trio

**SEMI TONES**

High quality vocalists drawn from other singing groups, singing a cappella

**A CAPPELLA GO**

A mixed group of 30 singing mostly popular and jazz classics

**BEVERLEY STATION SINGERS**

Small group specialising in well known and loved songs

## Bystander In Beverley

*An Artist in Residence Project*

The Beverley Station Arts group are excited about the next Artist in Residence project in Beverley, *Bystander*.

In September and October we will see artists, Mark Storen and Georgia King (Whiskey & Boots) return with photographer Holly Garvey. With the help of Beverley local, Bruce Denny, Georgia and Mark will be collecting real life stories and experiences from people living in the community of Beverley and then turning them into community performance.

Through the magic of theatre, music, photography, verbatim theatre and using the exact words of each participant, the stories will be retold by Georgia and Mark in a one off performance for the community. Some of the stories you might know well, some you might not know at all.

These accounts will then be turned into a performance that can be seen at The Platform Theatre on Saturday 20 October and then will reside in the Beverley Station Arts gallery as an interactive installation that can be experienced by the community from 21 October until 11 November, both are free of charge.

*Bystander* in Beverley hopes to open people's eyes and hearts to the experiences we share day to day and to celebrate our local community with the people living around us.

### **Rates Discount Reminder**

A 10% discount is applicable to rate payments received in full by **Monday 10 September 2018**. The 2018/2019 Budget is available on the Shire website [www.beverley.wa.gov.au](http://www.beverley.wa.gov.au) or from the Shire office. The ESL component of the rate notice is a State Government charge collected by the Shire on behalf of the State Government.

### **Companion Card Programme**

Council has endorsed the Shire's affiliation with the National Disability Services "Companion Card" program and will offer free entry for the Companion Card holder to the Beverley Swimming Pool, Beverley gymnasium and any admission/entry fee should Council hold an event. The Companion Card program is specifically for people who have a lifelong need for an attendant carer to attend community activities and events with them.

### **Disability Access and Inclusion Plan Review**

The Shire is conducting a full review of the current Disability Access and Inclusion Plan (DAIP 2013-18). Please complete the surveys that came with rate notices, obtain a copy from the Shire Administration Centre or go online under the Documents tab of the Shire of Beverley website. The review process will inform the DAIP 2018-23.

### **Solar Street Lights**

Council has budgeted to install solar lighting in a section of Railway Street which is not currently serviced with street lighting. This is potentially a more cost effective street lighting solution and will be observed with great interest once installed.

### **Beverley Cornerstone**

Furniture for the Cornerstone has been delivered and construction of the Library and Visitor Centre fitout is underway. "Glitches" are being ironed out and whilst it would have been lovely for the building to already be in use as was the original plan, it should be in action before the end of 2018 with an official opening February/March next year.

### **Local Government Convention**

This year's Local Government Convention at the Perth Convention and Exhibition Centre was attended by Councillors Martin, Seed, Gogol and Ridgway together with the CEO.

### **Beverley Town Hall**

The beautiful Beverley art deco Town Hall has turned 80. Over those many years it has been used for a range of activities and events including Balls, Dances, Weddings, Movies, Shows, Cabarets, Conferences, Exhibitions, Badminton, Line Dancing, Fitness classes, Dancing lessons and Sleepovers! The hall was officially opened by His Excellency the Lieutenant Governor Sir James Mitchell on 01 September 1938 and continues to be a significant feature of the town centre. In recognition of this anniversary the Shire has funded "Reclaimed Pianos" and Beverley Station Arts are co-ordinating the special event which should be a memorable one for our community. Mark Wednesday 07 November in your diary!

### **Youth Activity Space**

Council has been approached with an idea for a Pump Track to be located within the recreation ground precinct. Further investigations are to be made regarding this interesting concept suitable for bikes, scooters and skateboards.

### **Beverley Show 2018**

The Beverley Agricultural Society successfully organised another fabulous Beverley Show. Glorious weather, lots of things to see and do and a very large crowd enjoying the day. What a great outcome from the huge effort required to provide such an enjoyable family day out.

### **Thankyou to Deputy Shire President**

Thankyou to Cr Pepper who was Acting Shire President in July when I was on leave.

Cr Dee Ridgway - Shire President

# Beverley Show 2018

## WOW! OUR BIGGEST SHOW YET! THANK YOU, BEVERLEY

What an amazing day of community support!

With record numbers through the gate, stall holders and displays in all corners of the showgrounds, an exhibition shed full of entries and beautiful weather, we showcased our town to the district and city friends. A huge thank you to the hard-working committee, our sponsors, our shire, community groups, local businesses, volunteers, exhibitors, stall holders and everyone who attended the show.

We look forward to doing it all again next year!

## DETAILS OF MODIFICATIONS TO THE HARVEST MASS MANAGEMENT SCHEME

During the 2016-2017 harvest season, new access arrangements were introduced to address first and last mile access issues for the forecasted bumper harvest. While these arrangements enabled larger Restricted Access Vehicles (RAVs) to cart grain from the farm gate to the bins, the arrangements needed to be strengthened to ensure both transport operators and Main Roads could also meet their legal and road safety obligations.

HVS has been working with industry representatives to develop and introduce minor changes to the RAV access arrangements for the 2018-2019 harvest season. These changes have now been finalised and are outlined below.

- ⇒ A requirement for the transport operator or farmer to submit their HMMS Road List Form to Main Roads identifying;
- the RAV Category Vehicle to be used
  - All road(s) from the paddock to the nearest road approved for RAV Network Access being used to transport grain
  - All road(s) used to return to the paddock after delivering grain to a participating grain receiver.
- ⇒ Heavy Vehicle Services will then conduct a preliminary assessment of the roads nominated on the HMMS Road List form to ensure they are safe for the proposed operation. If deemed safe, we will endorse the HMMS Road List and specify any access conditions, if necessary.

**Main Roads is accepting and accessing roads list now.**

All existing conditions that form part of the HMMS remain unchanged, for example the 40km/h speed limit and flashing amber warning light.

Further details of the scheme, along with the Business Rules, supporting documents and registration forms can be found at <https://www.mainroads.wa.gov.au/UsingRoads/HVS/Pages/harvestmassmanagementscheme.aspx>

# Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local *drumMUSTER* collection centre.

## Suspension concentrates (Atrazine, Simazine, etc)

- ✓ Rinse your container immediately after use to ensure any chemical residue does not dry

- ✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

## Oil-based chemicals

(ULVs, LVs)

- ✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

## Other chemical residues

- ✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry
- ✓ Some containers may require additional rinsing (more than three rinses)
- ✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

- ✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT *drumMUSTER* COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

[www.drummuster.com.au](http://www.drummuster.com.au)  
**drumMUSTER**

# *drumMUSTER* makes it easy

Recycling your eligible farm chemical containers with *drumMUSTER* is easy - all you need to do is follow these simple steps:

- ✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

- ✓ Pour the **RINSE WATER** back into your spray tank

- ✓ Make sure **ALL** chemical residue is removed

- ✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

- ✓ Metal containers should be **PUNCTURED** from the top through the bottom

- ✓ **DELIVER** your eligible clean empty containers to your local *drumMUSTER* collection centre

For details on *drumMUSTER* collections in your area contact your local Council or visit the *drumMUSTER* website at:

## BEVERLEY HISTORICAL SOCIETY.

The Beverley Agricultural Show has been and gone for another year and what a wonderful show it was. Lovely weather, plenty of magnificent displays and stalls – congratulations to all involved.

As the theme was Country Connections we decided to do Communications – Old Phones, Typewriter, Fax Machine, Telegrams and Beverley Times. We are so lucky to have a wonderful volunteer that takes all these projects on.

At our last meeting we had a gentleman visiting who is studying Land Grant Railways and was researching at the Museum. At the start of the meeting he gave us a short talk on his findings.

Early in September we have the annual visit of the Year 2's to learn about the "olden days", keep an eye out for details in the October Blarney.

Next meeting is Monday 10 September at 1.30pm (followed by a cuppa).

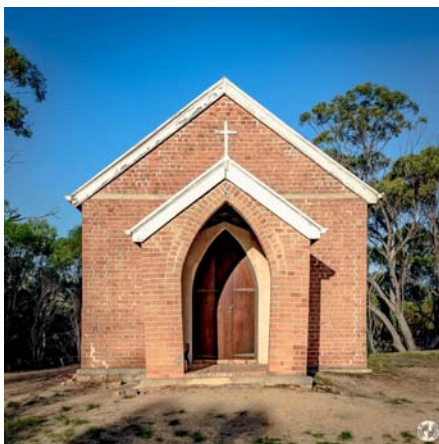

New members are always welcome.

### STRINGS IN SPRING ST PETER'S CHURCH

St Peter's Church (1858) was the first church in the Beverley district (before the Beverley town was established). In 1937 the district boundaries changed and the Gilgering area was transferred from Beverley to the York Road Board management.

The Church of St Peter's at Gilgering became part of the Parish of York (after 79 years in the Parish of Beverley).

## Beverley Garden and Tree Society

The August meeting was held at the Dead Finish and despite the distinctly chilly weather we had a good number of members present. Much of the discussion was centered on the Beverley Ag Show and the Garden Club display. The project saw us working in conjunction with the Men's Shed and showcased the annual Rose Show.

We had a busy bee at the Dead Finish on Tuesday 21 August, the roses have been pruned and the gardens weeded. Hopefully we will be able to source some pea straw to finish the job.

The September meeting will be replaced by a visit to Kings Park Wildflower Festival. The bus will leave the Dead Finish at 9.00am. Please ring Dorothy on 0429 989 031 to put your name down. The fare will be \$20 to \$25 per person with no charge for entry to Kings Park.

## Gardening Hints and Tips

- ✎ Leap into springtime gardening, especially in your veggie patch! Try celery, silverbeet, lettuces, leeks, spring onions, climbing beans, cucumber, sweet corn, tomato, carrot, Jerusalem artichokes and radishes. Wait until the frosts have finished.
- ✎ Get into herbs with parsley, chives, catnip, sage, oregano, rosemary, thyme and marjoram.
- ✎ It's time to plant blueberries, passionfruit, citrus trees, olives (non-weedy varieties). If your tastes are a little more exotic, try putting in a guava... they're tough plants and the fruit is sensational!

WOMEN IN FARMING ENTERPRISES

Beverley

The members of the Beverley WIFE Group thoroughly enjoyed our first field trip - an Agronomy 101 workshop with Rebecca Smith in early August. We wish to thank Rebecca and Living Farm for providing their services, it was a very informative day and we really enjoyed visiting the trial sites - even though the weather was a bit rough on us. We are very fortunate to have access to such a wealth of knowledge in Rebecca and the Living Farm team.

Our upcoming events are:

Tuesday 18<sup>th</sup> September  
Annual WIFE Inc seminar @ Dowerin

Tuesday 23<sup>rd</sup> October 2018, 9am - 2pm  
Guest Speaker (TBC) and Beverley Branch Meeting

If you are interested in finding out more about the Beverley WIFE Group, please contact Kelly Mann or Skye Carlshausen via email [beverley@wife.org.au](mailto:beverley@wife.org.au)

## Independent Public School

*Successful, Supportive, Sustainable*

For more information about the school, visit our website and Facebook page!

### WA Education Assistant of the Year Award Nominee

We are proud to highlight the nomination of Mrs Tracy Hare in the latest WA Education Awards. Tracy has been an employee at our school for the past 18 years.

Mrs Hare's nomination for WA Education Assistant of the Year was based on the outstanding work that she does in supporting students' speech and language development. Mrs Hare has specialised skills in this area and our student in Kindy, Pre-Primary, and Junior Primary love working with her in activities that help them to communicate clearly. She also does outstanding work supporting special needs students across the school.

### New High School Jerseys

Our high school students have a new uniform option and aren't they looking great!!!

### Accredited Sports Coaching Course

This Semester our high school students will be completing a Sports Coaching course with Mrs Narelle Bailey. This is a great opportunity for our students as a pre-cursor to the Level 1 Sports Coaching Accreditation that the students can access once turning 16. Our students are having a great time and have spent lessons planning out their coaching sessions and will be coaching some of our younger students.

### Jeans for Genes Day

Our school and students supported the aim to raise funds toward research of genetic diseases. Everyone wore their jeans to school and we raised \$211.55 to support this very important cause.

## The Beverley Show

Our students were certainly starring at the Beverley Show! Between the Welcome to Country by Bobbie Little-Taylor, our Pre Primary's dance performance, our School Choir singing and our School Dance Group performing, they certainly provided some great entertainment!

### SHOW OPENER!!!

## Beverley Show

Thanks for much to the Beverley Ag Society for putting on such a wonderful Show for our whole Community. Our little ones particularly loved all the events and activities for our 0-4 years age group. Special thanks to Beverley Early Years, the Ag Society and the mum's who donated playdough and/or time for the Early Years chill out tent. Finally did you see our amazing show Mural? So much colour! Thanks Hollie for pulling it all together and the mum's who helped her.

### BSA Annual General Meeting

Beverley Station Arts advises all members and friends that the Annual General Meeting to nominate persons to the Committee which manages the Beverley Station Gallery and Platform Theatre will be held on Thursday 18 October at 2.00pm in the Station Gallery, followed by afternoon tea. All members/friends/supporters welcome. Enquiries to secretary Sarah Miller 0427 464 078.

### Artist-in-Residence

An Open Mic Afternoon ended Manu Madan's residency - think we might do this every sunny Saturday morning - what does the community think of that idea?

For the month of August, we welcomed back Helen Amyes of York. Helen did a residency some years back then had a two-year stint in Tasmania but she and her photographer husband Paul became homesick for the Avon and so returned to York. Not only were Helen's exhibition of past works alongside those of her Finnish friend Anja a feast for the eyes, but the pieces she was working on whilst in Beverley were stunning and bound to be prize winners.

During September we will see two lots of Artists-in-Residence. Firstly we welcome Trish Davies from Perth who is a textile artist and will be offering FREE workshops on Funky Patio Cushions and Loose Knitted Felt Scarves! So for those of you not into drawing or painting, here's a great opportunity to be otherwise creative. Trish is a textile artist and patchwork specialist and welcomes anyone to call into the Station to view her work and is happy to solve any sewing issues and is a keen recycler of old fabrics.

**Workshop One: Loose Knitted Felt Scarves.**

Wednesday 05 September, 10.30am - 1.30pm. BYO lunch. Cost \$5 to cover wool

**Workshop Two: Funky Patio Cushions**

Thursday 13 September, 10.00am - 2.00pm. BYO lunch

Fabric provided, unless you have your own. Can order cushion inserts for around \$10 or bring an old pillow to adapt to suit. BYO sewing machine if you have one. Trish happy to help non experienced sewing machinists.

Please let Trish know for numbers at: [trish.ken@bigpond.com](mailto:trish.ken@bigpond.com) If you would like to do a workshop but can't on above dates, please contact Trish to organise another day/time

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact Artist in Residence Coordinator Marylou on 9647 1027 / 0427 085 511 or email: [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

***Artists in Residence Programme for the remainder of 2018:***

September 01 - 16 - Trish Davis (Perth) - FREE workshops on Art Cushions and Patio Seating!

September 17 - October 21 - Mark Storen and Georgia King (Perth) - BYSTANDER community project

November - Susan Hoy and Jennifer Sadler (Perth)

December - Tyler Arnold (Victoria)

January 2019 - Tyler Arnold (Victoria)

**POSITION VACANT**

Are you organised?

Can you be self-directed?

Do you enjoy working within a team?

The position of Exhibition Secretary for Beverley Station Arts is vacant. The Exhibition Secretary is responsible for co-ordinating the Beverley Art Prize and Easter Art Exhibition, held annually in the Beverley Town Hall over the Easter long weekend. Experience with administration duties, modern office technologies (for example computers, email, databases, Microsoft Office) and availability before and during the Easter long weekend are essential criteria for this position. If you are interested in this very fulfilling and extremely gratifying position and would like more details, please contact the outgoing Secretary, Kathryn McLean on E: [wk.mclean@bigpond.com](mailto:wk.mclean@bigpond.com) or M: 0427 464 050.

 **Community Engagement**

Apart from the workshops run by the Artists-in-Residence, we have approaching fast the West Australian Photographic Federation weekend in Beverley and Station Arts involvement on Saturday includes providing breakfast for the photographers and getting together local models in period style costume to 'hang out' at the Station from 7.30am to 9.30am September 01. Many thanks to those who have come forward with costumes and volunteered to model - some with their horses and wagons!

THESE COSTUMES STILL REQUIRED: Station master in uniform; Children in town clothes; Farmer with dog waiting for train; Busker in older clothes. So....can you help with period costumes or know of where to get some? Or happy to model a costume you can get hold of yourself? If so, please leave your details at the Station, or email [brounj@westnet.com.au](mailto:brounj@westnet.com.au)

DRAMA CLUB: Please let Bruce know on 0408 387 198 or email: [adlibitums@bigpond.com](mailto:adlibitums@bigpond.com) if you are interested in being involved in a drama club!

## **Beverley Station Singers**

The Station Singers met this month on Wednesday 08 August when we learnt that Norma Wansbrough will no longer be singing with us as she and Bert have moved to Busselton to live where they will be closer to their family. Thank you Norma for your contribution to the choir - you are sadly missed....but we look forward to seeing you at the Dunsborough Songfest in October. Just one week till the Choir Bash in Beverley on Saturday 08 September, and then the Guildford Songfest the following weekend. The next practice meet is Wednesday 05 September.

Kelly Newton- Wordsworth directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Tracey Fleay - Mobile: 0409 481 029 or Email: [traceyfleay67@gmail.com](mailto:traceyfleay67@gmail.com)

### **COUNTRY CHOIR BASH Saturday 08 September from 2.00pm - 5.00pm**

The Voice Moves Beverley Choir Bash is shaping up to be another great programme of singing this year with other country choirs becoming involved and giving the city slickers a run for their money! And this year the funds raised from the Bash will again go towards the restoration of the train carriage.

- Country Choir Bash presented by ♪ "Voice Moves" (WA's major choral association)
- Saturday 08 September 2.00pm - 5.00pm (tea break 3.20pm - 3.45pm)
- Beverley Platform Theatre, 120 Vincent St
- An event for the whole family to enjoy as 9 choirs "Sing into Spring"
- Gates open 1.30pm. Cost to the Country Choir Bash is \$10 general public (\$5 choir members) payable at the door/gate
- Country style afternoon tea at intermission
- Wear hats and sunglasses if warm; Rug up if cold and, in case of inclement weather the event will be relocated to the Town Hall

### **COMING SOON**

#### ***Bystander* - Beverley Community Project**

Whiskey and Boots are so excited to announce that they will be working with the community of Beverley with *Bystander*, a Verbatim Performance work that takes the stories of real people living in the community. Part performance, part installation, *Bystander* aims to bring understanding to those living around us through the sharing of stories.

Following the *BYSTANDER* performance on the grassed area will be time to dance the night away to the sounds of musical duo KOKOMO as they play on stage!!

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser.

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller [miller@reachnet.com.au](mailto:miller@reachnet.com.au)

## Volunteer Thank You

- ☞ Valda, Gay, Amanda and Pauline for pruning the roses and attending to the weeds in readiness for Spring.
- ☞ Steve Ramm for stepping up to introduce more visual effects at future Platform Theatre events.
- ☞ To Britt Hadlow for coming forward to join ranks with Bruce Denny to get the Drama club started!
- ☞ To all those who have offered to model period costumes for the photography session at the Station on Saturday 01 September.
- ☞ To all the wonderful people who gave their time to be interviewed by Daryl Wallis as a precursor to the event *Reclaimed Pianos* on Wednesday 07 November.

#### HELLO EVERYONE

I know this has been mentioned before, but I want to talk about having your headlights on while driving.

A few weeks ago I was driving from Beverley to York. It was one of those mornings where the fog was really quite thick and it hung around till late morning. There was a slow moving truck in front of me and while I was waiting for the right time to pass it, two ghost cars appeared out of the fog heading in my direction. That's when I realised it was far too dangerous to try and pass the truck. Neither of those cars had their headlights on.

Like a lot of you I am old enough to remember a TV campaign many years ago about putting headlights on during the day. From memory it was aimed at country drivers. I am a massive fan of this. Not just in the country but the city as well. Some drivers seem reluctant to turn them on during the day, possibly thinking that the battery might go flat? I can assure you all, there is nothing magical about the car engine or electrics that stops batteries going flat at night time! Also, practically every modern car from the last 20 years or more rings some sort of bell if you leave your lights on after turning off the engine. Again, I am old enough to have owned and driven cars that didn't remind you to turn off your lights. But that really was ages ago. (And yes, I suffered a couple of flat batteries in my youth).

So please, turn lights on in fog or as soon as it starts to get dark, or better still have them on all the time, and not just the parking lights! Turn them on properly.

On another note. We often hear whispers around the community about things being stolen, or other offences. Often these things are never reported to police. For the police to get involved (investigate) we must have a report from the actual victim. So please give us a call, or email.

Until next month, stay safe.  
A/Sergeant Ian Jeffrey.

PRESIDENT'S REPORT 74<sup>th</sup> AGM BEVERLEY HOSPITAL AUXILIARY INC.

The Hospital Auxiliary has enjoyed ongoing success and satisfaction in being able to support the Health Service in Beverley and therefore, the citizens of our community. **We are a charitable organisation whose funds will directly benefit the health of our own citizens.**

During this past year.....

- Changes were made to our Set Of Rules [formerly The Constitution] to broaden our objectives to include supporting any community health initiatives or emergency relief [fire, flood], donating to charitable organisations whose existence directly benefits country patients and their families [e.g. family/patient accommodation facilities such as Ronald McDonald House] as well as the ongoing provision of amenities and equipment for the local Health Services, including the Hospital and Lodge.
- And the fundraising vehicle is **The Beverley Opportunity Shop** which currently enjoys the voluntary services of 48 local people including 13 committee! We are grateful for the time given and the enthusiasm shown by this wonderful group. This year, we have been trialling longer opening hours on Fridays and special community events days. Our committee spends many extra hours working behind the scenes to present the excellent standard of goods and shop environment for which we have become recognised in the Avon Valley. Collecting, sorting, transporting surplus stock to Perth, pricing, cleaning, taking several turns to be the weekly Shop supervisor, assisting the Health Service Manager with purchasing items donated by us, visiting Lodge and Hospital staff and patients to gain an insight into their well being as well as to hear what may be needed to make their surroundings even more pleasant – we ask a lot of our volunteers, particularly the committee. I personally thank you all for your donation of time, energy and above all, your enthusiasm. **And perhaps that description will help answer the often asked question.... "Just what does The Hospital Auxiliary Do?"**
- During the past year 2017/18, the Auxiliary has donated **\$17,031.60** to the Health Service with some items still on order and payment not complete. Items included a jarrah bench seat for front of Hospital, 3 leather recliner chairs for Hospital Day Room, the painting of Hospital staff dining room and ward curtains, Comfort packs for Hospital patients, Xmas gifts for patients of the Hospital and residents of The Lodge, roses and reticulation for the Gazebo at The Alex Miles Lodge, window blinds and recliner chairs for the Lodge supervisors flat as well as a refrigerator and a microwave. Discussion re installing Pathways to the Gazebo at the Lodge are currently underway. As well, we have purchased some shop fittings for the Op Shop. **2017/18 grand total** is solely from the proceeds generated by The Opportunity Shop.
- As well as creating and spending funds, we have been fortunate to have the assistance of donations of money and goods and services. I would particularly like to thank the anonymous donor who contributes an amount annually to our account as well as the many customers who pop a donation into the tin on the Op Shop counter or simply tell us to "keep the change".
- With extended Op Shop trading hours this year, it was wonderful to receive the donation of a small fridge from Mike Carthew and Lyn Wilkinson. A small microwave for 'winter warmers' may be next on our list! Thankyou to the Shire of Beverley for providing the Opportunity Shop facility at a minimal rental figure and for performing any minor maintenance issues that arise. And of course, the friendly staff at Avon Trading continue to provide the valuable service of acting as a depot for all of our donated items! We are very grateful for their support and sometimes patience when their own goods are hidden beneath ours!
- We were saddened to lose Lyn Wilkinson who passed away earlier this year. Lyn was a valued committee member whose enthusiasm and willingness to contribute was well known by many groups with whom she was involved in the Beverley Community.
- Thankyou to all people who donate goods to the Op Shop and for the people who pass through the door to purchase or to just browse. You will be amazed at what you find there.

Thankyou to all the committee who have contributed so much. And to our menfolk who have picked up, delivered, put together tables and racks, shifted furniture, whipper snipped, taken rubbish to the tip and generally lent a willing hand when asked. Thankyou to Val Moad for her weekly job of sorting, tidying and generally keeping an eye on the Op Shop, to Dawn Edwards for collecting volunteer names and drawing up the roster and to Jan Howell and Betty Lobb, who as Secretary and Treasurer have kept me organised during my 4 years as President.

And lastly, thankyou to Michelle Bauer HSM and her staff at the Hospital, The Alex Miles Lodge, HACC & Allied Health for working with the Hospital Auxiliary to further improve the wonderful health and care facilities we have in Beverley.

I wish the incoming President Glenys Lane and committee a successful and enjoyable year ahead and hope that you all continue to gain the same satisfaction as have I from this worthwhile and highly respected organisation - The Beverley Hospital Auxiliary.

## August 2018 Donation to Beverley Health Service by Beverley Hospital Auxiliary Inc

Michelle Bauer, Beverley Health Service Manager recently accepted a donation of a Jarrah Bench Seat from The Beverley Hospital Auxiliary. This beautiful seat, made by Timber Living Outdoors, will provide outside sheltered comfort for patients as well as visitors to the Hospital. It is located in the covered main entrance and set down area of the Hospital. The Auxiliary thanks Matt McLean and Joey Walter for collecting the heavy seat from Perth and delivering it to the Hospital.

# Avondale Agriculture Museum

With the Beverley Show being held on the third Saturday in August this year, it was decided by popular vote that the regular maintenance and restoration morning would not be held, and with most parties attending the Show we only opened up for the afternoon that day to the general public, which did prove beneficial with several people coming to visit as part of their journey home from the show grounds. Thankyou to John Alexander for giving up his Saturday afternoon at the Show to ensure the museum would be open, and to John Islip for giving up his Sunday to do the same. If you are interested in helping with this task please contact Dee Ridgway 0428 464 007.

As there was little activity in the Museum apart from cleaning and general exhibit care, there are two 'items' of interest for this month.

The first being the much loved David Brown Tractor Plough which was let out for a breath of fresh air when the Sikh's visited back in June.

## **David Brown Model 2 D built between 1956 and 1961.**

Ideally suited to precision market garden work, the 2D was also used as a specialist row crop machine on larger farms.

It has a lightweight air cooled 2 cylinder diesel 4 stroke engine producing 14.1 horse power at 1800 revs per minute, and was designed for use with mid-mounted implements.

A rear lift and PTO were available as options. Both lifts were operated by compressed air and the two front cylinders could be operated independently. The approximate weight is 965kgs. It was donated to the Avondale Collection by the Stoneville Research Station.

Our second item has previously been mentioned during reporting on our maintenance and restoration activities and was also part of an enquiry from

**Mr Kevin Ding** who wrote a letter to the Blarney in July, his father donated his two Field Marshall Tractors to the collection back in the 1970's, one of the tractors is in good working order and an excellent example being held inside the Museum, the other is resting in the picnic area awaiting further funds becoming available for restoration.

Above: John Hawke taking the David Brown Tractor Plough for a spin

## **Field Marshall Diesel Tractor 1949.**

Produced by The Marshall Company & Sons of England and donated to the collection by Mr J Ding & Family of Eneabba.

Field Marshall Single Cylinder Tractors commenced production in 1930 with the model 15-30 and continued through to 1957 with the series 3A.

The semi Diesel 'Lanz type' engine had a compression ratio of 7-1 compared to the Field Marshall 'full diesel' which had a ratio of 15-1, this meant that pressures were very much greater.

An advantage was that the Field Marshall engine could be either cranked to start with a handle or fired up with a Gun Cartridge. The latter attracts a lot of interest from museum visitors!

If you feel that you could benefit from a visit to our collection feel free to attend on open days for a small gold coin donation.

### **Community Resource Centre funding to continue**

- Following a review and consultation, Community Resource Centre funding will continue
- Community Resource Centre (CRC) funding will continue at the full \$13 million per year

The McGowan Government has listened to regional community concerns about the future of Community Resource Centres and will continue to fully fund each CRC.

Following extensive consultation and a review of the CRC program, the State Government has decided to continue to fund Community Resource Centres to the tune of \$13 million per year.

The review of the Community Resource Centre program did highlight some areas that could be improved.

The traineeship component of the CRC program will be strengthened to ensure Community Resource Centres are working with local businesses and local governments to get the best outcomes for their trainees, and will be made available to regional areas which do not have CRCs.

Auditing processes will be strengthened to ensure Community Resource Centres are delivering the best outcomes for their communities.

#### **Comments attributed to Regional Development Minister Alannah MacTiernan:**

"Our Government was forced to consider a number of Budget savings to help fix the financial mess left by the former Liberal National Government.

"After reviewing the Community Resource Centre program and listening to regional communities' concerns about the future of CRCs, it is clear CRC funding should continue.

"We will continue to fully fund CRCs to the tune of \$13 million per year, ensuring CRCs can deliver important services to regional communities.

"We want to see the CRC program strengthened, with a real focus on getting the most out of the traineeship program to drive training opportunities across regional WA."

The 2018 AGM was held on Tuesday 24 August and it was great to see a strong committee continue with a great mix of new members and those continuing in their roles for a further term. Chairperson: Drew Doncon, Vice Chairperson: Peter Jenkin, Secretary: Monica Van Der Snoek, Treasurer: Heather Sax, Committee: Steve Moore, Leesa Morrell, Kelly Mann, Jenny Rayner, Debbie Spinks and Sue Eramiha. Thank you to outgoing committee members Sharyn Morrell (previous Secretary) and Anne Armstrong (previous Treasurer). Both Sharyn & Anne have contributed an outstanding amount of time and effort into the sub centre over many years. On behalf of the whole community we thank them for their tireless work volunteering in these substantial roles.

**BEVERLEY SHOW**

Congratulations to the Beverley Agricultural Society on another excellent Beverley Show. The Beverley St John’s Sub Centre had a first aid post for visitors, an active ambulance on standby for community callouts and enjoyed having a stand on the day. It was a great opportunity for current volunteers and committee to be able to speak with those interested in volunteering, showcase educational material for those in the community and have first aid kits available for purchase.

Lyme Disease Association  
of Australia

The Federal Nationals Conference held in Canberra on Saturday 18 August debated an urgent motion which was unanimously accepted by the delegates. We have the National Party's WA Leader Mia Davies, a staunch supporter of Lyme sufferers and Tori Castledine, who seconded the motion, to thank for their stellar efforts. They spoke with passion on behalf of Lyme patients.

Motion: That this Nationals Federal Council request the Australian Government to:

- ◆ Recognise that a Lyme-like disease exists in Australia and is placed on the 'notifiable disease' register.
- ◆ Insist that doctors who are treating Lyme-like disease in Australia are protected from investigation and reprisals, in particular but not limited to, medical boards in Australia.
- ◆ Insist that general practice and infectious disease specialist doctors are provided best practice education on Lyme-like diagnosis and treatment.
- ◆ Ensure patients are offered affordable testing, treatment, and full access to acute and chronic disease support.
- ◆ Commit to research, on par with other infectious diseases, such as Zika, SARS, Ebola etc.
- ◆ That this matter be treated with urgency and is initiated prior to the upcoming Federal Election.

The Conference is made up of National Party members from all around Australia representing the country communities.

We might be starting to get somewhere at last!!!

With thanks to Lyme Disease association of Australia.

## Home Automation

Many technologies are now converging with wireless and Internet technology. In the December Blarney, I gave an example of one – mobile phones calls can now be connected via the Internet using WiFi calling. Home automation is another technology converging with wireless and the Internet.

**What is home automation?** Home automation allows electrical devices, e.g. lights, heating, hot water systems, sound systems, etc., to be controlled centrally in the house or remotely via the Internet. These systems have existed for some time but, in the past, they required special wiring and were very expensive. Hence, these systems were only installed in expensive homes and in offices. If you wanted to automate an existing house, it usually needed to be completely rewired.

**What has changed?** Wireless and Internet technology is now more widespread and miniaturised. Hence goods using wireless technology are much cheaper. This means that the electricity can be controlled at the point where it is used, in the lightbulb, the heater or other device. For instance, lightbulbs that you can control remotely can now be purchased in hardware stores and lighting shops. And, you no longer need to rewire your house to install home automation.

**How does home automation work?** Many electrical devices have remote controls which use wireless technology to connect between the controller and the controlled device. Home automation takes this one step further. Instead of having many remote controllers you have one general-purpose controller which can control all devices wirelessly. Taking this one step further, by using the Internet the controller can be remote from the premises – on your PC, phone or tablet. Remote control can now also be added to devices that previously couldn't be controlled remotely.

**What are the benefits of home automation?** Home automation can make your life easier. Here are some examples:

- Turn devices (e.g. lights) on/off by program, voice command or remotely (handy when you're away from home);

- Automate lights to turn on/off at different times when you are not at home;
- Control your hot water system so it only comes on at certain times and for certain periods, saving electricity costs;
- Link actions with other actions, e.g. if you open a door the light automatically turns on;
- Set different lighting moods so you can change the mood remotely without having to go around to all your lights;
- Link to a home theatre system to remotely control your music or films;
- Trigger events using sensors, e.g. automatically turn on a bathroom fan if the humidity gets too high;
- Keep track of power usage – see which devices are using the most energy and costing the most to run;
- When building a new house the electrical wiring costs can be reduced as there is no need to bring the wiring down to wall switches – the light switches can be replaced by control pads or central/remote control devices.

### Home automation is becoming more affordable.

- Remote controlled devices are now readily available off-the-shelf and are therefore becoming cheaper;
- Now it is not necessary to make expensive changes to your electrical wiring;
- For new houses, less electrical wiring is required;
- The widespread availability of the Internet and better mobile coverage enables universal remote access.

As a result, home automation is being added to existing houses. Also, some new houses are being sold with home automation built-in. The cost is partly balanced against savings in the electrical wiring costs. Soon home automation will become the standard for new houses.

**How easy is it to add home automation?** Home automation is not yet a mature technology. While there are many new devices available that can be controlled automatically, there are several different wireless systems for communicating to the devices and several different control systems available. Therefore, integration of all the devices and controllers into one system can be quite tricky, especially if you want to control all devices remotely. However, you can start cheaply by installing some remote-controlled lightbulbs. Remote control apps are available for your phone or pad

## Fruit fly control

Mediterranean fruit fly, *Ceratitis capitata*

If you grow fruit, it's likely you know the pain and expense of controlling Mediterranean fruit fly (Medfly), the fruit fly established in the majority of Western Australia's south-west. Whilst there's no 'silver bullet', there is a lot that can be done to reduce numbers.

**General advice** – If you want to get the best from your fruit trees you must control fruit fly all year round and prune plants and trees to a manageable size.

However, if you are not collecting the fruit for eating, you are better off stripping the fruit as they start to form or removing the plants or trees completely.

### How to control

- **Remove** ripe, fallen or infested fruit.
- **Install** homemade or commercial fruit fly traps.
- **Bait** regularly (Naturalure™, Nature's way or similar baits).
- **Bag** fruit or **net** trees with fruit fly netting or exclusion bags.
- **Fruit disposal options**
- **Soak** in a bucket of water with an oil film (3 days).
- **Seal** in black plastic bag and place in the sun (3-5 days).
- **Boil** fruit (stove or microwave).
- **Freeze** (2 days).

Only after treatment can fruit be composted or thrown in the bin.

The best thing to do is ensure fruit fly can't breed on your property, and to enlist your neighbours to do the same.

## **WA Photography Federation visit Beverley**

A big thank you to Thelma, Kingsley and the WAPF committee for selecting Beverley to be the host town for their annual weekend of photography which includes the PrintWest competition. With 90 photographers out and about in Beverley I am sure there will be many beautiful scenic shots of our iconic Australian bush setting. We were very fortunate to have well-known photographer and publisher Steve Parish be the guest speaker for the weekend and even host a community information session on Fathers Day.

## **Lotterywest Grants Information Session**

We had a great turn out at the grants information session on Thursday 30 August. A big thank you to Shireen and Kate from Lotterywest for taking the time to come to Beverley and speak to our local community about funding.

# Beverley Netball Club

By the time this Blarney is circulated, we would have come to the end of our netball season, with the Beverley Orbs making it into the Grand Final against Pingelly. The final is to be played in Beverley on Saturday 01 September at 2.30pm. Thank you to all who wished us luck in the finals.

Now its time to look forward to the netball windup and Trophy Presentations. This year we get to enjoy a meal at the Castle Hotel in York on Saturday 15 September. We will kick off the evening with our AGM at 6.00pm and would like to invite all who wish to attend. The teams will be dressed in their usual secret costume attire which I'm sure will get a few laughs on the night as some girls will get right into character.

## Results

Friday 03 August

Brookton Glory Forfeited against Pingelly Blue.

Beverley Orbs defeated Beverley Hunters 29 to 6

Saturday 11 August

Beverley Hunters defeated Brookton Glory 42 to 21

Pingelly Blue defeated Beverly Orbs 27 to 21

Friday 17 August - 1st Semi Final

Pingelly defeated Brookton 34 to 31

Beverley Orbs defeated Beverley Hunters 35 to 18

We will discuss how finals went next month

The final battle between Brookton and Beverley Orbs was an exciting match to watch until the final seconds. Unfortunately Beverley Orbs shooter Jodie Bell went down with an ankle injury, we all hope you heal quickly Jodie in time for the grand final. Thanks to all of our supporters that came to cheer us on in the cold weather.

Friday 24 August

Beverley Orbs defeated Brookton 27 to 23

The Beverley Football Club have worked hard all season, and as a reward we had both teams make it into the finals for 2018. Both the reserves and league teams faced off in Quairading on the 19th August. The reserves side faced a hard hitting Keller/Tammin and unfortunately we unable to progress any further into their finals campaign. Well done to all the players, and in particular, well done Simon Marshall on coaching the team.

The league side faced off against Federals. It was an epic game to watch, with the Beverley boys unable to get on top before the end of the game. Again, a great result to make it to finals and congratulations to Clint Rudd in coaching the team.

Thank you to all our members and supporters throughout the 2018 season. The club would not be able to run without the helpers and support we receive.

### Coming Events:

The clubs windup will be held on Saturday 01 September. Further details will be available via our facebook page once everything is finalized. We hope to see as many of our members and supporters there as possible

# Beverley Men's Golf

Due to favourable weather, everyone agrees that the golf course is in the best condition it has been for several years. There is excellent coverage over most of the fairways which has resulted in the maintenance team working extra shifts to keep up with it. The Club would like to extend a big thank you to Fred 'China' Sing, John Starling, Graeme Hagan and Alan Hammond for their volunteered time that's keeping the fairways and greens in great condition. The club also extends a huge thank you to John Donovan and Terry Winfield for their seemingly tireless and often unsung volunteer efforts in general course maintenance.

## Club Champion

Due to many qualifying players not being available because of conflicting arrangements there were no lead-up matches to decide the Club Champion. The outcome was that the two top qualifiers, Marc Edwards and Darrell Hagan, mutually agreed (with the Club's permission) to hold their Championship Match on Sunday 19 August. By all accounts it was a great tussle with Darrell Hagan finally taking the honours 1-up on the 18<sup>th</sup>. Congratulation Darrell!

## Other Results

On Saturday 28 July, 4 players competed for a club trophy while four members travelled to Quarading to play in their Open Day. The winner at home was Robbie Wansbrough with a score of 41 Stableford points which was the only notable score of the day. Unfortunately, our away players did not fare particularly well. Better luck next year.

The playoffs for the Club Championship Plate Division were held on August 4<sup>th</sup>. Results were -

### **Quarter Finals:**

Gavin Sazanov def. Chris Pepper (4 & 2)  
Mel Vivian def. Mark Kont (19<sup>th</sup> hole)

### **Semi Finals:**

Alan Hammond def. Gavin Sazanov (2 & 1)  
John Donovan def. Mel Vivian (7 & 6)

The winner of the Plate Division will be decided on Saturday 01 September.

Saturday 11 August saw a good field of 14 players take to the course to compete for the **Dave Adams Trophy**. Winner on the day was Luke Gollan with a Par score of +4. Dale Wansbrough was runner-up by nudging out Jordan McMillan in a countback on +2. The club thanks **Dave and Gina Adams** for again providing trophies for the event.

On Sunday 19 August (the day after the Show) had 5 players competing for a Club Trophy while the Club Championship match was being held. Winner of the golf balls was Chris Lawlor with 34 Stableford points relegating Gavin Sazanov to second place in a countback.

## Game 11: July 27 York Scorchers (4) vs Beverley (0)

This game was always going to be a real test of the skills and fitness of the team taking on a very talented York side. We stepped up from the very start with relentless second efforts and tackles in what was a very hard running game. We had several opportunities to score but didn't manage to convert. Our defence was under an intense amount of pressure with Fleta deflecting at least 16 direct shots on goal. Not to mention Marg's efforts and the rest of the backline.

In the second half we were down to zero subs due to a couple of injuries but managed to run out the game and continue to put pressure on Scorchers. While the score didn't go our way this time, we can take from it that our hockey has risen a notch and we are well able to put pressure on and attack when playing a team that the odds are likely they will go the whole way this season.

## Game 12: August 04 Jenna (2) vs Beverley (0)

This week the girls headed to Lake Bert Hawke (also known as the Northam hockey fields) to take on a strong Jenna side. With the field resembling a swamp more than a hockey field we knew it was going to be a tough game and to our absolute credit we picked up the level and played our best game for the season.

Collectively the team dug deep and met the ball, worked on short passes down the wing and had several opportunities to score. Jenna scored 2 goals that we weren't able to match despite playing an attacking game and when the game was called off because in the last ten minutes due to the storm that rolled in we can be very proud of how we played. The team wasn't without their scoring opportunities but just didn't quite convert them into a goal. Thank you to Marg Mourach for doing our umpiring duty this week in the wet and cold conditions.

## Game 13: August 11 Wongan (3) vs Beverley (0)

With the furthest destination for a game of hockey this year we arrived ready to take on a Wongan team. It was a fast paced, intense game that saw scoring opportunities for both sides. Beverley didn't have any subs but in spite of that, we kept the pressure on Wongan the whole game. Ali and Charlotte played

great out on the wing, and Kelly and Carissa were dynamite through the midfield. Fleta, Lisa and Marg were very solid down in defense and we were able to get some good plays into our attacking half and earn a few short corners. However, Wongan were stronger and scored three nil by the final whistle. It was a disappointing result for a game that could have easily had another outcome. Thank you to Troy from York for helping with this week's umpiring duty. Big thank you to the fabulous Aliesha Murray for driving the bus to make for a great day and night out.

## Game 14: August 17 York Storm (0) vs Beverley (0)

We always love the action of a Friday night game and the contest between Storm and Beverley was no exception. Both teams had strong scoring options but Beverley were able to hold off a strong attacking York side particularly in the second half to keep the game to a nil all draw. Thank you to Nick Szekeres for assisting us with our umpiring duty this week.

The ladder is so close between these two teams that the 4<sup>th</sup> spot on the ladder and an entry into the finals will come down to next weeks fixtured games.

## Who's been out and about ....

**State PPMG Qualifier at Moora:** We had three members made the dedicated drive to Moora. Jessica Maxwell competed in the Novelty events. Emily Maxwell competed in a composite junior team and placed 6<sup>th</sup> and Tealah Hawke joined Avon Valley SJPC senior team which placed 6<sup>th</sup>. All riders will now head to Serpentine on the 01 and 02 September for the Sate PPMG and Novelties Championships.

**Dryandra Show Jump Champs:** Bronte Cleland jumping out of her comfort zone but had a lovely PCAWA 90 cm round placing 3<sup>rd</sup>.

**State Dressage Championships on the 18 and 19 August:** The club is so thrilled to have Emily Maxwell represent Beverley HPC and the Avon Zone in the Novice section of the Zone Team Challenge and their team placed 4<sup>th</sup>!

**Beverley Show:** Oscar Blanch, riding Dixie, looked fantastic in the Beverley colours and won many ribbons in all the different events he entered (hacking, jumping and games). Tealah Hawke, riding Falcons Temptation, had an amazing day coming home with Supreme Junior Rider, Surpeme Hack and Off The Track Champion Rug. Many thanks to Mt Bakewell HPC for running the equestrian events on the day.

**August 12 Rally** this rally was a quiet but productive rally with Jenifer Petchell instructed our riders in Jumping and Flatwork. Jessamin Pain taking everyone through their horsemastership workbooks and Vicky Lucas running a few riders through their certificate skills. Lisa Maxwell manned the canteen and cooked us all an excellent hearty winter lamb soup.

**Reminders:** Our next rally is on **Sunday 08 September**, please arrive at 7.45am. Please let Vicky, our Coach Co-ordinator, know if you are attending via [bevpc.coaching@gmail.com](mailto:bevpc.coaching@gmail.com) or 0409 158 852.
