## SHIRE OF BEVERLEY PRESIDENT REPORT - AUGUST 2019

**2019/2020 Budget** Council adopted the 2019/2020 Budget at the July Council Meeting, again supporting a 2.5% overall increase in rate revenue. It is becoming increasingly difficult to retain this modest increase amid ongoing cost pressures for Local Government. The budgetary process has been underway since February including road inspection, periodical meetings of Council Committees to determine the Capital program, review of services, facilities, fees and charges and final deliberation which required significant changes to proposed projects and capital works to achieve a balanced budget. The 2019/2020 Budget is available on the Shire website ([www.beverley.wa.gov.au](http://www.beverley.wa.gov.au)) or from the Shire office.

**Rate Notices** Rate notices will be received soon, if not already. **A 10% discount for rates paid in full by the due date of 2 September 2019 has again been offered.** An instalment plan is available but is ineligible for the 10% discount and instalments unpaid by due dates incur penalty interest. Please note that the percentage increase in total rate revenue of 2.5% may not translate to the same percentage increase for individual properties due to changes in UV and GRV valuations by the Valuer General, land amalgamations and subdivisions.

**Shire Stand at the Beverley Agricultural Show**  
The Shire will have a stand at this year's show where Councillors and staff will be in attendance throughout the day. An array of information will be available including plans for future projects such as the proposed Youth Activity Precinct. We look forward to seeing you there.

**Local Government Elections 19 October 2019**  
Changes to the Local Government Act require candidates intending to nominate in Local Government elections to participate in an online induction then undertake compulsory training in the first 12 months of office should they be elected. As yet no information has been provided by the Department of Local Government about the online induction. Hopefully potential candidates are not deterred from nominating. It is an opportunity to gain understanding of what is required and be confident that base level training modules will prepare successful candidates for the important role they have just been elected into on behalf of their community. Unlike State Government, elected members may straight away be making planning and financial decisions on behalf of their communities which can be somewhat daunting as was the case when I first commenced. At our first Council meeting decisions were being made regarding

building a new house for the pool manager.

**Youth Activity Area Update** The Youth Activity Area project is included in the 2019/2020 budget for an estimated cost of \$650,000. The Shire will be seeking external funding toward implementation. Thanks must go to the Working Group which included Councillors, Community members and staff, for their commitment, investigation and feedback regarding this long awaited project. Thankyou to the many participants, young and young at heart, involved in the extensive community consultation. A Concept Plan is available for viewing at the Shire Office or website.

**Ag Museum Steering Committee** A Museum Steering Committee has been formalised to progress development, promotion and operational functions of the Agricultural Museum at Avondale. The Shire took over the Collection from the Agriculture Department on behalf of the community when management of the property was transferred in 2009 to National Trust WA. The museum continued to be overseen by the Avondale Farm Project Association however this organisation has now been wound up and funds transferred to the Shire for the purpose of museum development.

**Town Hall Kitchen Refurbishment** The Town Hall kitchen refurbishment is due for completion by the end of August and it's looking great. A new fee was introduced in the 2019/2020 Fees and Charges for hire of the whole complex over 3 days for events such as weddings and large functions. The Shire is planning to market the facility and what our town has to offer.

**Grass Tree Replacement at Cornerstone** Four dead grass trees at the Cornerstone building are due to be replaced by the Landscaping Contractor and the Shire.

**Western Power Drone Trials** The Northam and Geraldton regions have been chosen by Western Power for a trial using drones as a new way of inspecting the network to speed up the process of locating faults and reducing outages. The trial is expected to run from July to December 2019.

**Destination WA** Destination WA on Sunday 14 July including segments on Beverley and York as the presenters commenced a journey of the Avon Valley. Well worth a look if you haven't seen it yet. [youtu.be/J3TY5AN2n-Y](https://youtu.be/J3TY5AN2n-Y)

## Beverley Brand

You will soon see the new Welcome to Beverley signs as you enter the Shire with a modernised look incorporating the Beverley brand. The brand was developed as part of a unified approach to promoting Beverley as a tourism destination.

This makes it a great time to jump on board with the Beverley branding if you haven't already! The idea behind the logo and the message was to create something all tourism stakeholders could use in an individual way. The message 'be very you' is intended to be altered in ways that suit individual businesses or organisations best.

If you want to use the square logo  and you don't know how to go about it, contact the Tourism Officer Jacinta Murray at the Shire [tourism@beverley.wa.gov.au](mailto:tourism@beverley.wa.gov.au) or 9646 1200.

## BEVERLEY HISTORICAL SOCIETY

Where has this year gone? August brings us our local Agricultural Show with the community busy doing displays, show entries and the list goes on. Please take the time to check out our Display in the Exhibition Shed.

The Committee have been inundated with lots of enquiries for research lately and we are hoping the Beverley Community maybe able to help with the following three.

-The Society has received a request from "The Headstone Project" for the location of any man or woman who has ever served in the Australian Defence Force from the Boer War up to the present. The project is supported by the Australian War Memorial and Australian War Graves Commission. It aims to ensure all such graves are appropriately marked. It will be funded by the Federal Government. Can you advise the Beverley Historical Society of any graves of service personnel that you know in the cemeteries within the Shire of Beverley. Please contact any Historical Society member, email [bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com), or write to PO Box 182, Beverley. Phone 96461541 for further information.

-Another request is the location of "SAN REMO" and of any weddings held there, or what the residence was used for. It would have been very early 1900's and suggestion that it was Hunt Road/York Road.

-Also if anyone has any information on "Oaklea" Waterhatch Road, maybe any history of who lived there over the years, when it was built and old photos that we could copy.

On Monday 12 August we will meet at the Museum at 12noon to do the Show Display for members that are available Meeting will then follow at 1.30p.m. followed by a cuppa.

New members are always welcome.

Some of you may have noticed a few different police faces around town lately. I have been teaming up with various officers from York due to Sergeant Karen Gubanyi's departure for the big smoke of Perth. Sergeant Gubanyi has been the Officer in Charge at Beverley for 3 years. I have worked with Karen for the past 2 ½ years and can attest to how hard she has worked in that role, for the betterment of the community. I wish her well for the future as I'm sure you all do.

The new OIC will be starting in the near future and many of you will already know him. Sergeant Darrell Hagan was the OIC in Beverley some years ago and obviously loves the town so much that he's back!

A lot of you already know this news due to the Beverley grapevine. Sergeant Hagan comes to us from Northam and I am looking forward to teaming up with him.

Pretty sure he wants to buy everyone in town a coffee so welcome Darrell back when you see him around shortly.

In other news there have been a couple of men seen around the area with an old tip tray truck, possibly up to no good, looking for scrap steel/metal on rural properties.

As Karen has repeatedly said, be vigilant, lock doors, close gates and lock them if possible. Consider CCTV cameras as well. They are becoming quite affordable and they do deter thieves and assist police in the event of any incidents. If you see something let us know (see below).

**CRIME STOPPERS**

You could play an important role in helping to make Beverley a safer place by making a report on any knowledge you have of criminal activity or suspicious behaviour.

It's up to you whether you'd prefer to use our online report form or toll-free telephone hotline (**1800 333 000**). Aside from the personal satisfaction of knowing you've done the right thing, you may also be eligible for a reward of up to \$1,000 from Crime Stoppers WA if your information leads to an arrest.

## Beverley Voluntary Community Services (B.V.C.S)

Over the last month Mr Mal Roberts has witnessed wills. A will prepared by a lawyer/ trustees can cost around \$700. So please check first, with legal centres or community advice bureaux. Referencing support letters, for a parole hearing. Witness to letters of support, for other witness's statutory declaration, affidavit. Advice on Centrelink matters. Referral to Share-Care. Witnessing enduring power attorneys (seek legal advice). Mal Roberts does not give legal advice. Please note that Doctor Remy has offered Mal an office, at the Medical Centre. It is convenient for people with medical problems and wheelchairs. The town hall office will still be used for families, eg. Enduring power of attorney's wills and immigration. Witnessing a large number of documents. Mal Roberts also provides home visits for people in wheel chairs or frail aged and mobility needs. People who are vision impaired or hearing impaired. It is advisable, when having documents attested. Please seek a doctor as the first witness, and a Justice of the Peace as the second. Please note the office (Mal's) is not available for photo copying or secretary work. Please use the services of the CRC, which we have been using for 15 years, for both B.V.C.S and CRANA Aboriginal Corp Inc. Needy cases those in urgent need facing financial difficulties or renting problems, please contact Share-Care, Homeswest (Centrelink recipients). Mal Roberts will provide covering letters and referrals to the doctor for medical certificates to qualify for emergency rentals and other facing hardship.

### Class Action Lawyers:

Mal Roberts has regular phone contacts, under authority as to Royal Commission Matters. Such matters are now progressing in the high court. Currently one case will be finalised in August 2019.

Hon. Christian Porter. Attorney General and member for Pearce. Mal Roberts met Mr Porter some 6 years ago, when he came to Beverley. Since then his office has helped many Beverley residents, on a wide range of issues under referral, by Mal Roberts.

### Parole and Parole Boards:

Check with your lawyer and parole board for dates, times and character references, if needed by whom.

### Dental facilities (serious problems)

We have had several enquiries from very concerned residents as to the high cost of dental fees which most pensioners and low income residents cannot afford. Some twenty years ago, Mal Roberts wrote to Tony Abbott M.P, Ministers of Health, State and Federal. Also Judy Moylan, former member for Pearce. This resulted in dental services returning for a few years.

### Justice of Peace

Certifying Identity Documents. Recently I notice photo copies of driver's licenses, passports. Strict regulations on all ID documents must be clear, legible and good quality. I suggest you use the CRC for quality photocopying.

### Superannuation:

New Regulations come into effect from 07 July 2019. These are legal requirements so please contact Super companies and the ATO information supplied on all TV channels. Re. Management fees, how much insurance plus cover and type.

### Prisons:

For eight years Mal Roberts has been helping families seek justice for some cases in prison. They are entitled to a case manager, legal aid, visitation rights and also seek transfer to another prison. Also community work, and to apply for education courses (for good behaviour). Please note B.V.C.S does not offer transport or legal advice.

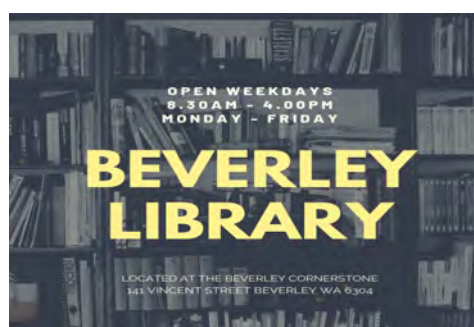

As Mal Roberts is unable to write clearly, this publication for the Blarney is written by Secretary Sylvia Seddon who has been with us since 1996. Sylvia has been confined to a number of years. Her commitment to the community is still commended.

# AGRICULTURAL MUSEUM

Waterhatch Road Beverley WA.

The recent rains have certainly assisted the crop of Oaten Hay being grown in the paddock adjacent to the Ag Museum at Avondale, the sale of which will assist our volunteer group in the restoration of more items.

A damp cold start to the day did not deter the number of museum maintenance members in attendance on the morning of the third Saturday in July. Some of our crew have even shown interest in meeting more often with the view to progressing projects faster if the funding is available. As always new members are always welcome to come and join us.

After the group had assembled for the July maintenance day we split up with Duayne and Kerry continuing to work on the Ferguson 35. This tractor was used recently to move an item outside of the Museum and as usual attention was required to the fuel system to remove air in the pipes with a bleed. Being old there are a few leaks around the fuel pump and some encouragement is needed to start. The Field Marshall was not so obliging feeling the cold.

John Hawke has been tirelessly working on a C30 International Truck for several years now, remanufacturing parts of the wooden Cab that were rotten and our newer member Eric who has shown great interest in the group has been helping him with this project. With the return of John Alexander after a couple of months away a big effort was made by everyone.

As Saturday was a combined open day and maintenance day there were members of the public visiting, which gave our volunteers an opportunity to show off their knowledge. Two couples and a young lady were not only given a brief history lesson by John A, but were also given a tour by John H long after our normal work period, including the picnic area where new tables have been installed.

Perhaps the midday sunshine was an encouragement for people to visit as John A who was on duty didn't get to lock up until after 3.30 pm, happily putting in the additional time for the benefit of our visitors. Sunday was somewhat quieter for volunteer John I.

The Ag Museum at Avondale is open on the 3rd weekend of the month 10am-3pm for a \$2 entry donation. Enquiries regarding Museum openings for group bookings outside of these times, or for anyone interested in joining our maintenance team, please contact Dee Ridgway on 0428 464 007 or John Alexander 9646 0768 for information.

## Media Release

23 July 2019

### AVONDALE FARM COMPLETED PROJECT, ACCOMMODATION, COMMUNITY DAY AND EOI

Avondale Farm has undergone significant upgrades to support its economic sustainability and provide a distinctive tourism offering in the Wheatbelt. With the generous support of the Wheatbelt Development Commission and Lotterywest, the National Trust of Western Australia has developed three short stay accommodation cottages and completed significant upgrades to its signage.

The comprehensive signage upgrade, including seventy new signs, will help visitors navigate the property to discover walk and drive trails, visit the agricultural museum and see key historical buildings. An upgrade to the directional signage was completed in conjunction with Main Roads and the Shire of Beverley. From the town and on York Road, signage will help people find their way between Beverley and Avondale Farm and other places in the district.

The Trust consulted with the local Ballardong Noongar Traditional Owners which highlighted the significance of the Avon region to the Ballardong. Signage throughout the property includes Aboriginal language, including an Aboriginal welcome statement and Aboriginal names for the flora and fauna found in this area.

To enhance tourism in the Trust completed the development of three unique short stay accommodation cottages which are designed for individuals, families, groups, educational organisations and corporate weekend stays. Visitors are able to experience this unique region of Western Australia and are encouraged to unwind and reconnect with nature, enjoy the Avon Valley's rolling agricultural landscape, walk through the nature reserve and enjoy a weekend disconnected from city life.

With so many exciting things happening at this property, the Trust will be opening Avondale Farm to the local community on Sunday, 22 September 2019 from 11am-3pm to give people a chance to discover what's been happening. Proudly supported by Lotterywest, this Community Day will allow you to explore the new cottages, Avondale Farm, and gain greater insight into its significance and history through its new signage. The event will showcase the local community with local suppliers, the agricultural museum will be open, there will be tours and nature walks, a range of children's activities, music and more. We encourage everyone to join us for the festivities at this free community day.

### **Expressions of Interest**

The National Trust of Western Australia is seeking an operator to lease this broadacre farming property and work in conjunction with the Trust to deliver combined outcomes. Approximately 514ha crop plus 101ha grazing the shearing shed, sheep yards, chemical storage area and silos will be available for use by the lessee. Should you be interested in this opportunity, Avondale Farm will be open for inspection on Monday, 19 August 2019 between 10am – 12pm. Expressions of Interest close at 5pm WST on Thursday, 5 September 2019. For more information head to our website [www.nationaltrust.org.au/initiatives/avondale-farm-eoi](http://www.nationaltrust.org.au/initiatives/avondale-farm-eoi) or contact Micaela Pereira at [micaela.pereira@ntwa.com.au](mailto:micaela.pereira@ntwa.com.au) or on (08) 9321 6088.

Please note that the property is currently leased.

### **Accommodation bookings**

### **History of Avondale Farm**

Wanju Nitja Ballardong Noongar Boodja.

Koora, Yey, Kalyakoorl, Nguny koort Boodja.

Welcome to Ballardong Noongar Country.

Past, present, forever, our Heartland.

Avondale Farm, a place of learning from the land.

For thousands of years this has been an important place for the Ballardong Noongar people, their customs and culture nurturing the land between two rivers which gave fresh water and food and a connection to Country that remains today. Chosen in 1836 by James Stirling, the first governor of the Swan River Colony and farmed by settlers until bought by the Government in 1910, Avondale Farm became new farms and hope for soldier-settlers after WW1.

1924 saw the farm become an agricultural research station, the innovations and trials undertaken here making a major contribution to Wheatbelt farming and landcare practice throughout the twentieth century.

In 2009 Avondale Farm was transferred to the National Trust of Western Australia by the Department of Agriculture. We continue to explore sustainable ways of caring for this fertile yet fragile landscape and learning from the land.

### **AGM**

The 2019 AGM was held on Tuesday 23 July and it was great to see a strong committee continue with a great mix of new members and those continuing in their roles for a further term. Chairperson: Drew Doncon, Vice Chairperson: Peter Jenkin, Secretary: Monica Van Der Snoek, Treasurer: Heather Sax, Committee: Steve Moore, Jenny Rayner, Debbie Spinks, Sue Eramiha & Christine Brooke.

Thank you to outgoing committee members Leesa Morrell & Kelly Mann. Both Leesa & Kelly have contributed an outstanding amount of time and effort into the sub centre over many years. Thank you to Scott Morrell & Leesa Morrell for their time as Volunteer Development Officers (VDO) which they have stepped down from this year. Drew Richardson (Community Paramedic, Central Wheatbelt) has taken on the role of conducting the Volunteer training sessions once per month until a replacement for this position is developed. On behalf of the whole community we thank them for their tireless work volunteering in these substantial roles.

### **REGIONAL CONFERENCE IN YORK**

This year's Wheatbelt Regional Seminar was held on Saturday 29 June at the York Racecourse, Spencers Brook Road in York. This year's theme was "Building Resilient Communities Through Partnerships". It was an action-packed seminar with all attending gaining a lot of valuable information and insight as well as catching up with fellow volunteers from other sub centres.

Congratulations to Sue who won the 3rd major door prize, a car fridge & Steve Moore who won a Myer Gift Card.

### NAIDOC Celebrations at BDHS

Our students have been looking forward to NAIDOC day as they prepared and practiced for their dance items ready for the final performance. We would like to acknowledge and thank Gemma Ugle, Janice Ugle, Donna Ugle and their team of many, for all of their hard work to make NAIDOC Day an important day on our school calendar! Janice and her team have been in the school for the 3 weeks prior to the day teaching our students their dance routines and, along with Mrs Wallis, working with our secondary students to design their own NAIDOC t-shirts. T-shirts were also screen printed for the primary students. During the day our students enjoyed the culinary delight of kangaroo stew and damper, prepared and cooked by Donna Ugle and her family. It was a wonderful day of dreamtime stories, aboriginal music and dancing, and was enjoyed by all!

A special thank you to the parents and students who coached, scored and umpired on the day. More photos can be found on our **Beverley District High School Facebook** page.

Though the previously booked artist cancelled at the last minute, the vacancy was soon filled for the month of July. Internationally renowned artist **Tim Burns** arrived from York to spend time in the town and work on his book about his incredible life in the arts world, and to paint some further works themed on the quarry rocks where he lives. An artist talk on Sunday 28 July was attended by an enthusiastic audience who were also treated to the screening of his short film "Luke's Party" at the Station Gallery. The film is about the Stolen Generations starring Dan Sultan.

### **Women and Wildflowers**

**Verena Marmion** is Artist-in-Residence 10-23 September and is offering '**Women and Wildflowers**' exhibition/ high tea on the **21 September 1pm -4pm followed by high tea.**

She writes seeking women to model for a portrait:

"Hello, my name is Verena Marmion and I will be doing an Artist Residency at Beverley from the 10-23 September. I'm a watercolourist and watercolour teacher who lives in Perth with my partner and 3 year old daughter. You can see more of my art on: <https://verenamarmion.weebly.com/>

I would like to tie the theme of my residency to two of my favourite subjects 'Women and Wildflowers'. I chose this theme because when I arrive in Beverley Western Australian Wildflowers really are quite special. I would like to also portraits of the local women in Beverley so I have a chance to get to know them. I'm particularly interested in their experiences of the wildflower season - what it means to them.

I will have a small display of my works and a high tea to say thank you to those who model in the last couple of days of my residency. Those who model for me are welcome to join my watercolour workshop on flower painting for free. Otherwise, it will be \$20 for a half-day session.

**If you, or a lady you know, have a spare couple of hours in the period between the 13-23 September; I would very much like to meet you and paint your portrait in watercolour. If possible, please bring along a posy (or photo) of your favourite wildflowers so I can integrate it into the painting.**

**Beverley Station Singers**

The Station Singers performed at the Royal Perth Yacht Club in aid of cancer research on Sunday 07 July. Though only six were able to make it, they did themselves proud and George, the only male in a packed room of ladies, did well to keep the singers' nerves from escalating. The next practice session will be Wednesday 07 August in preparation for the Country Choir Bash here in Beverley. A very popular event amongst choirs, there is even a waiting list in the event of cancellations!

The Station Singers have also been accepted to perform at the Guildford Songfest in August and the Dunsborough songfest in November.

Kelly Newton Wordsworth directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Tracey Fleay 0409 481 029 / [traceyfleay67@gmail.com](mailto:traceyfleay67@gmail.com)

**Beverley Amateur Dramatics (BAD)**

BAD is producing a two-night season of plays at the **Town Hall in August – Friday 16 and Saturday 17.**

Their reasons for wanting to do this are:

- To capitalise on the success of our debut season
- To maintain momentum within the acting group
- To provide an entertainment when little else is happening locally

The plays being produced are "*Down Came a Jumbuck*" by Queensland author Ian Austin and "*At Home With the Herringbones*" written by Perth playwright Bob Charteris. Both are comedies.

Tickets are \$20 per person.

### **Mural at the Platform Theatre**

A small grant of \$2250 was received through WA Country Arts *Creative Grid* towards a small public art project. As a screen was thought necessary to be in front of the ablution block at the Platform Theatre, it was decided a mural would be the ideal way to add interest to the northern end of precinct. Artist Sharon Peterkin was chosen for her light and whimsical paintings in public places and her ability to add meaning to a place. The resulting artwork should be completed very soon and hopefully bring joy to all who venture to see it. The mural is a dedication to the wonderful Ann Rayner who was tragically killed in a road accident 9 years ago and who is still sadly missed by the community. As secretary/treasurer of Beverley Station Arts she oversaw much of the construction of the Platform Theatre and it seems fitting to have a light hearted portrait of her displayed in the place she was never to see completed.

### **Volunteer Thank You**

- Gaye Redding for pruning the roses.

### **Beverley Station Arts Membership**

## European wasp season closes on a high

**It has been another record-breaking season with 166 European wasp nests found and destroyed in Western Australia, all in metropolitan Perth.**

Wasps discovered in Department surveillance traps, scattered around freight and transport hubs, led to the quick discovery and destruction of nests. But the real battle raged in the Perth Hills. To assist, Shires and other State Departments trapped, the community reported, and our operations staff traversed bushland and private property across the Darling Scarp to find the hidden underground nests, each with entrance holes only the size of a 20 cent coin!

On the front-foot from last season's surveillance and communication efforts, we knew where most of the action would be and the community quickly told us where else we needed to look.

Reports came in thick and fast - wasps stripping meat from discarded crab carcasses, scavenging food from picnics, and invading backyard

breakfast tables. Nests were reported in retaining walls, school grounds, road verges, dam walls and adjacent to driveways. Thankfully, no confirmed reports came from outside the Perth Metro this season, but the risk remains and there are fewer people to keep a lookout in regional areas.

European wasps, like fire ants and exotic stinkbugs are difficult to find, survive well in most environments and spread rapidly. Early detection is paramount, and often the only way to achieve localised eradication.

Come Summer, when wasp activity starts up again, we will know how WA's efforts this season paid off. For now, THANK YOU to all who looked, reported and spread the word!

# Beverley Toy Library

This month's Storytime book was *Each Peach Pear Plum* by Janet & Allan Ahlberg.

***In this book with your little eye, take a look and play I spy.***

This story has some of everyone's favourite fairy tale characters, like Tom Thumb and The Three Bears. With a poem on each page hinting to what was hiding in the picture, all the kids had great fun taking it in turns to follow the story and play a game of I spy on each page.

*Who doesn't enjoy a game of I spy?*

Thank you to Beverley IGA Supermarket & Liquor for their generous donation to the Beverley Toy Library. This will assist with purchasing some toy storage containers and new toys.

# Beverley GARDEN AND TREE SOCIETY

Our July meeting was replaced by the annual lunch for our senior members. With a very good attendance of around 30 members, it was a very successful event. The tables were beautifully set and enhanced by pretty little floral arrangements.

A meal of a great variety of tasty casseroles supplied by members was followed by a delicious dessert made by Val and Dalene. Throughout the afternoon we were wonderfully entertained by Richard, Terry, Barry and George. Thank you to all who contributed to this special day.

The next meeting will be on Tuesday 6 August at 10.30am at the Dead Finish. Don't forget your items for the "Bring and Buy" table.

August means that winter is almost over and now it's all about getting ready for spring.

There are plenty of tasks to keep you busy throughout August so that you're prepared for the full showing of September onwards.

## Gardening tasks

Prune any dormant plants, especially rose

bushes if you haven't already done so – always prune at a 45 degree angle to help the plant heal better while also limiting the risk of pests and disease taking hold

· Wait for the end of August or early September to start applying a slow release fertiliser to all of your plants

· Apply a healthy layer of mulch to lock in as much moisture as possible. Aim for layer of 5 to 10 cm

· Start planting spring fruits and vegetables, such as; spring onions, leeks, peas, lettuce and strawberries

· Plant tomato seeds in trays but keep undercover for now to protect them from frost

· Start planting annuals such as Petunias, Marigolds, and Vincas

## Top tip

During August, most nurseries will be stocking up with a wide range of annuals for the spring season, so go in and have a look at what's on offer

## **Red Card Success - \$20,000 for Regional Men's Health**

The partnership between the Sporting Shooters Association of Australia (WA) and the Red Card for Rabbits and Foxes program has again provided benefits to the Regional Men's Health Initiative (RMHI). Based on a \$5 donation per pest culled in community events across the south west the Sporting Shooters Association has today presented a cheque for \$20,000 to the Men's Health Initiative to support their work in raising awareness of men's health and wellbeing in regional WA.

Red Card for Rabbits and Foxes is a community based feral animal control program with over 1000 people across south west WA participating in autumn 2019 culling over 7000 pest animals. Red Card is a program run by Wheatbelt NRM and Chair, Debra Rule said, "This is the third year the Sporting Shooters Association has supported Red Card and Regional Men's Health. Our community really appreciate that by being part of this they not only are tackling pests but they are also contributing to an important regional health program. Living in the regions we know full well the devastating impact feral animals and mental health challenges can have on our community."

The RMHI is passionate about raising awareness of issues facing men in regional, rural and remote communities and this donation has supported special projects such as "Talk to a Mate" footy round and "Warrior Ambassador Award Program". Last year they also published a book – "Working with Warriors".

The Sporting Shooters Association President Ron Bryant said, "Our Association identifies the importance of men's health and across Australia we are strong supporters of tackling the issue of feral animals. To us it is just a great fit and we are really pleased to have donated more than \$50,000 over the last three years.

Ron confirmed that the Sporting Shooters Association had committed to this partnership for another four years. "We are looking forward to maximising our impact, not just on pests but for our regional "Warriors". Find out how you can be part of this important program at [www.redcard.org.au](http://www.redcard.org.au).

## Warrior Wellbeing Article

### TAKING THE STRESS OUT OF BEING A STEPDAD

Walking the tightrope of being a stepdad can be a particularly stressful time for many blokes and this added situational distress, that some blokes sometimes find themselves in, can be both challenging and take time to resolve. Remember all relationships are a work in progress.

Quite often, we may still be dealing with the scars of a past relationship breakdown whilst forging a new bond with our new partner. The confusion over the new role can be self-defeating not only to the marriage but to the relationship with the new kids. It's not only Dad trying to cope with a new role, but Mum and the kids are trying to find their feet in a changing landscape as well.

Here are some tips to hopefully help smooth the ride:

-Whilst you may already be a father, don't assume that this role will be the same with your step kids. Approach step fatherhood as more of a mentorship role. You will be a protector, a role-model and a significant influencer as they grow. These kids will almost certainly have an instinctive love and affinity to their natural father, so attempting to take that from them can only be counterproductive.

-Encourage their relationship with their biological father (unless this is counter to their safety or wellbeing). One of the worst things you can do is constantly make snide remarks about the "ex". All that this achieves, is that it teaches your kids to weaponize relationships. If your opinion or sentiment towards the "ex" is poor, keep it to yourself!

-Don't be forced into the role of being the sole disciplinarian. This can be hard, as it is quite often expected of the father. The problem is, that you haven't been there from day one, so therefore the relationships and rapport that you may already have with your own kids just hasn't had time to develop. Discipline should come from the

biological parent with you in a supporting role, at least initially.

-Just be a great partner. Kids are intuitive, and if they witness a loving, supportive bloke who genuinely cares for their mother, the love and respect that you're yearning from your step-kids should hopefully follow.

-Speak with other stepdads about their experiences and what has worked for them. You are not on your own and a wealth of experience waits for those willing to ask.

-The new role can't be rushed. To expect to immediately have the sort of relationship that you may already have with your own kids is wishful thinking. Listen attentively, be sensitive to how they are feeling and build trust.

From my personal experience, being a stepdad can be challenging at times but on the flip side, it's immensely rewarding. The trick is (like with anything worthwhile) to realise it's going to take time. All children no matter their age require and seek the approval of a father, stepdad and/or male mentor in their life. Remember, anyone can father a baby, but it takes a special bloke to raise a child!

# LADIES GOLF

Welcome everyone to our August edition. We are nearly half way through our golf season and our course is in tip top condition with many thanks to our men helpers and of course mother nature. Avon Valley, which is a prestigious event, is happening this year in Cunderdin and good luck to Yvonne Hobbs, Sera Minchin, Maxine Watts, Marg Peck, Glenys Collins, Lyn Mactaggart and Jane Murray.

Sera and Glenys will be only playing in the 4BBB Par competition on Wednesday as Sera will be heading to a much colder climate.

Next year, Beverley will be hosting Avon Valley in the first week of August. It is a 3 day event which we only have once every 9 years (sigh of relief) and the event usually attracts about 80 ladies from Avon Valley District. I have been contacting businesses for possible sponsorship and I have been overwhelmed by the support that we have so far:

Thanks to the following businesses who have come on board:

**Shazmac Plumbing**

**Beverley Transport Services**

**Dunnings Fuel**

**Whitfert Fertilisers**

**Fuel Distributors York**

**Mia Davies**

**Christian Porter**

I am still awaiting responses from some other businesses. I will finalize our sponsors in the October Blarney. If you would like to come on board, please contact me. We really want to make Avon Valley very memorable for everyone!!!!

# Beverley GOLF CLUB

With credit to Mother Nature and to the unstinting efforts of volunteers like Fred Sing, Terry Winfield and John Donovan, our course is now in an excellent condition. The grass coverage is the best it has been for many years which is making it a real pleasure to play the course.

## RESULTS

Saturday, June 29 saw the third qualifying round for the Club Championship. Fifteen players competed for the Wayne Smith Trophy. Alan Hammond narrowly edged out Keith Hawkins in a countback to take home the trophy. Both players scored a Nett 71 (Hammond 91 Gross, Hawkins 98 Gross). Other good cards were handed in by Darrell Hagan 72 Nett (81 Gross) and Jordan McMillan 73 Nett (88 Gross). Thanks to Wayne Smith for his continued sponsorship.

July 6 was a club members day due to several players travelling to Brookton. The winner out of the nine who played at home was Keith Hawkins who scored 35 Stableford points. Runner-up was Mike Carthew with 34 points. Unfortunately, none of our members had particularly good rounds at Brookton, the best result being Darrell Hagan who handed in a score of 50 Stableford points for the 27 hole Williams Cup.

On Saturday July 13, the fourth and final qualifying round for the club championship was held and fifteen players took to the course. The Fred Sing Trophy was taken home by Marc Edwards with a card of 69 Nett (80 Gross). Joint runners-up were Mark Bickley (70/90) and Steve Johnston (70/78) with Liam Gollan running a creditable fourth (71/99). Many thanks go to Fred Sing for his on-going support of this event.

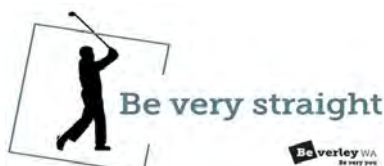

After completion of the qualifying rounds, eighteen players have qualified for the Match Play play-offs. The top eight qualifiers for 2019 are (in order of qualifying) Steve Johnston, Darrell Hagan, Marc Edwards, Mark Bickley, John Donovan, Jordan McMillan, Alan Hammond, and Chris Lawlor

The rest of the qualifiers who will compete in a Plate Division are (also in order) Ken Bradley, Ed Willis, Liam Gollan, Keith Hawkins, Mark Kont, Mike Carthew, Gavin Sazanov, Chris Pepper, Mel Vivian and Paul Burns. The play-offs are scheduled for Saturday the 10th of August with the Club Championship final Match Play event to be held on Sunday, August 25th (the day after the Beverley Show).

On Saturday the 20 of July, ten members travelled to Kweda for that Club's annual Open Day and six stayed at home for a Par event. The winner at home was Gavin Sazanov with +1. Runner-up was Jordan McMillan who scored -1. The best of the away players were the teams of Marc Edwards and Wayde McLean who scored 64 combined Stableford points and Liam and Steve Gollan (61 points). Edwards and McLean also came fourth in the gross event at Kweda with 44 points.

The Wayde and Kathryn McLean 4BBB and the Springdell Cup events were this year held over the weekend of 27 and 28 July. Full results will be announced in next month's Blarney.

As always, new members, visitors or anyone interested in trying the wonderfully frustrating game of golf are very welcome. Tee-off is generally at 12:30PM on Saturdays (arrive around midday) or you can contact Mens Captain Mark Kont on 0490 037 810 for any information.

## BEVERLEY NETBALL

Welcome back to another month of netball.

The Northam team played exceptionally well on the 8 June with Kelly Aaron filling in for those who were sick, maybe we should make Kelly a permanent member of the team? Overall a well deserved win over the Bakers Bandits with the final score being 57 - 18 We had a bye on the 15 June. 22 June saw us play against the Falcons, the girls fought very hard right up to the end but Falcons took away the win with 31 - 29 29 June saw us play against the Tigers, it was a thrilling game with Jo thinking everyone is taller than she thinks, Jen doing some long bombs (we think she is secretly practicing) Jess having the excuse of working to not come and play and then Taleeya doing injury to an ankle thanks to her own teammate Laura tripping her! After all that we took away the win 31 - 38

July 6 saw us take out a win against the top team the Renegades 32 - 17 with this win it puts us straight into 3rd spot! Well done girls..

20 July was to see us against Bakers Bandits but unfortunately they forfeited due to lack of players, so we get another win!!! We have another bye on the 27 July but we'll be refreshed for our next game on the 3 August which will be against Falcons which I'm sure will be another thrilling game! Results will be in the next Blarney.

Fast 5 has been going strong with plenty of laughs and even though its been quite chilly the girls have still gotten out there and played.

Here is the current standing ladder for Fast 5

Beverley1	5 points
Beverley3	4 points
Brookton	2 points
Beverley2	1 point

Until next time....

## BEVERLEY REDBACKS HOCKEY CLUB

### **JUNIOR HOCKEY**

Unfortunately, there won't be a Junior Hockey program this Term. We thank all parents and children for their past support and look forward to bringing you all a great Junior Program again next season.

### **June 22 Game 6: Beverley VS Aces**

This week saw the team take on Northam's Aces at home. Kelly made a few position changes to the team and Beverley started the game out with control of the play with Ali, Carissa, Chan, Britt, Di and Sierra in the forward line. The halfback line started with Lisa, Nic, Hollie and Dani and we had Marg and Carly in fullback and Bec in goals. We kept the talk up, played lots of short passes and kept pushing with second efforts and grit ensuring that we had control of play through most of the game. It was a fast-paced game with no one giving any ground easily. At half time Kelly spoke about holding our ground and playing our game, especially since the legs were getting a bit sore. Play of the day went to Carly who stopped what was a certain goal and played half the game in halfback! Fair to say we had plenty of the attack and were really unlucky not to score finishing with a nil all draw.

Best wishes to Britt Hadlow for a speedy recovery with an ankle injury after taking on the goalie in her determination to get a goal during the game and to Jenni Clausen taking a hard hit (accidentally) at training from fellow team buddy Dani and earning her this week's Eddie Echidna award.

Awards sponsored by Beverley Transport, Beverley Electrical, Freemasons Tavern and Waterbrae Pastoral: Nicola Broun, Chantelle Meade and Hollie Smith

Thank you to Alli from Aces for assisting us find an umpire this week

### **June 29 Game 7: Beverley vs York Hurricanes**

'Twas the afternoon game before Chirstmas in (almost) July and the girls were out to have a good game against York Hurricanes. The passing and intensity continued this week with lots of attacking play and goal opportunities, but that white ball just doesn't like to make its way into the Beverley goals.

Final score 3-0 down to the Reddies Girls. Thank you to Chris Hadlow for again coming over from Quairading to umpire for us.

To our wonderful award sponsors; Waterbrae Pastoral Co, Beverley Transport, Freemasons Tavern and Beverley Electrical thank you for your support! This week's award winners were: Ali Lewis, Chantelle Meade and Carissa Shaw.

### **July 6 Game 8: Beverley vs Wongan Drifters**

With snorkels & flippers on standby the girls travelled to Bert Hawke Oval in Northam to take on Wongan Drifters and came away with their first WIN of the season.

Carissa Shaw scored a brilliant goal in trying wet oval conditions with both "D" areas representing more like small lakes than grass. Awards sponsored by Beverley Transport, Beverley Electrical, Freemasons Tavern and Waterbrae Pastoral: Ali Lewis and Hollie Smith

Our thoughts and best wishes to Nicola after sustaining a broken wrist during the game.

Thank you to Marg Mourach for assisting with this week's umpiring duties.

## CHRISTMAS IN (ALMOST) JULY

What a fantastic night we all had for our Christmas in (almost) July, 10-year celebration. This year we celebrate 10 years since the reforming of the Beverley hockey club and what a great 10 years it has been! Thank you to the committee for cooking up a storm and organising such a wonderful night. The food was AMAZING!

# Beverley Horse and Pony Club

*Who's been out and about:*

**Horseman's Pony Club Marsden/Wilkie Cup:** On the 22 June a team of dedicated parents got up at 5am to load ponies and children for a 8am start for a PPMG day (Prince Phillip Mounted Games). We had a junior team competing and two senior riders joining a Horseman's team. This was a great opportunity to hone our skills before the State Qualifier in August. Huge thank you to Jessamin Pain for coaching this crew.

**Avon Zone Camp 6, 7 and 8 July:** Every year our Avon Zone (incorporating Beverley, York, Avon Valley, Mortlock and South Midlands pony clubs) run a three day camp for all our club riders. It's an amazing three days packed with dressage, show jumping, horsemastership skills, cross country, hand pony and treasure hunts. This year we had record number attend and it was great seeing so much yellow and blue! Thank you to the zone for running and funding such a beneficial event.

**Avon Zone Dressage Runoffs:** On Sunday the 7 July, five of our riders entered the Avon Zone Runoffs for the State Dressage Championships. Even though we just missed out on making the Zone Team, **ALL** of our riders qualified to go to the State Dressage Championships in August. We are so proud of their effort and training. Best of luck to Carly Ballantyne, Jessica and Emily Maxwell, Tealah Hawke and Eliza Higgins.

**Bomber Bit Fitting:** On Tuesday the 9 July Tegan Lush came to Beverley and gave a detailed explanation about the parts of a horses mouth and how important finding the right style, size and fit of a bit. Extremely informative and it made us all aware how each horse deals with different types of pressure and that they all have a unique shaped mouth.

**July Rally:** This rally was a quieter rally but by all accounts a very busy one with Vicky Lucas, Jenifer Petchell, Annette Peart, Marie Hammond and Jessamin Pain ensuring that all that attended worked hard in their flatwork, show jumping, horsemastership and games practice for the PPMG Qualifier next month.

**Get well soon:** The club wishes Bethany Blanch a speedy recovery following a family car accident recently and we are all missing her halo of hair and beautiful smile. Get well soon kiddo!
