SHIRE OF BEVERLEY COUNCIL NEWS

Brief Report on the Rubbish Tip Fire

On Tuesday 12 November at approximately 6am a fire started in a green waste pile. Due to a strong south easterly wind blowing, the fire spotted into the solid waste pile igniting that and subsequent spotting then ignited some bush between the tip and the Water Corp's waste ponds.

Firefighting efforts were directed at extinguishing the bushland that had ignited and beginning to contain the two tip piles that were on fire. The tip loader was used to assist these firefighting efforts by spreading out the burning green waste so that water and foam application was more effective.

The tip grader was used to cut and reinforce containment breaks around the site and the backhoe was employed to start digging out the solid waste so that the water and foam application on that pile was also more effective.

Thanks to David Adams for his bulk water carrier and large excavator that assisted with the efforts on the solid waste pile and to David Johnson for bringing in his 30,000L water tanker to further assist the firefighting efforts.

Approximately 20 local farm firefighting units had turned out to assist along with the appliances of the Beverley VFRS and all three of the Shire's BFB heavy appliances. It is estimated that over 100,000L of water and 120L of Class A firefighting foam were deposited on the fires.

Due to the terrific support and excellent resources employed, the fire had been contained by approximately 9am and

firefighting efforts continued into the "mop up" phase where water and foam continued to be applied until all heat had been removed from all ignition points.

Welfare in the form of sandwiches made quickly by Beverley Country Kitchen and cold water were distributed to the onsite personnel at approximately 10.30am. All volunteers and all but one Shire staff member were able to leave the site by 12.30pm.

Thank you again to **ALL VOLUNTEERS** and Shire Staff who were able to assist to quickly bring the fire under control. As always, all efforts are valued and appreciated by your Community and Council.

Condolences

On behalf of Council, I would like to extend our condolences and deepest sympathy to the family and friends of Mrs Teagan Hudson. Teagan was Vice President of the CWA Beverley Branch and attended the Shire for the Local Emergency Management Committee meetings on a regular basis. We were very saddened by the news of her accident and our thoughts remain with her family and friends.

Roadworks

Work is underway on a 2 km stretch of Westdale Road near Kettlerock Gully Bridge. The Vincent Street bridge was unfortunately delayed in the reopening of the two lanes, however is now open and operational. Repairs will be carried out on Morbinning Road during December.

Swimming Pool Redevelopment

On completion of the proposed redevelopment

plans, Council recently contracted a Quantity Surveyor to determine the approximate building cost based on the plans (which were guided by the community and a working group). The cost estimate came in higher than anticipated. At the November Council meeting, Council determined to progress part construction design documentation ready for tendering when a suitable external funding stream becomes available.

Vincent Street Trees

Four trees on Vincent Street were removed after many years of cutting back their roots to level out the uneven footpath. Unfortunately, the tree roots were very hardy and continued to return. In 2019 alone three of our citizens have tripped and sustained significant injuries so a decision to remove them was made whilst other tree pruning was occurring around town. As part of the future main street redevelopment, tree planting in large pots is included in the plan. As with many large projects, the redevelopment will be dependent upon external funding.

AGM and Annual Report 2018/19

On Monday 25 November 2019 the Annual Electors Meeting was held at the Cornerstone Building. Six community members attended the meeting which is held to adopt the Annual Report. As per previous years the Presidents Report from the 2018/19 financial year is included on page 33 of the Blarney.

Continued from page 2

Seasons Greetings

The end of 2019 is almost upon us and I would like to thank everyone in the community who has participated in all forms of Council activities including working groups for Tourism, County Peak, Visitor Centre, Swimming Pool, Youth Activity Area; and meetings, functions and openings including the Cornerstone Building, Avondale, Council Elections, Council meetings and various Committee meetings.

The Shire Office will close at 4pm on Monday 23 December 2019. It will stay closed over the Christmas and New Year break, reopening on Thursday 02 January 2020. On behalf of Council and Shire Staff, I would like to wish everyone a very safe and happy festive season.

Cr Don Davis
Shire President

PROHIBITED BURNING TIMES

Section 17 (7) Bush Fires Act 1954.

Notice is hereby given that the **PROHIBITED BURNING** period for the Shire of Beverley commences at **Midnight on Thursday 31 October 2019** until **Midnight on Friday 14 February 2020** unless otherwise notified.

No open-air fires are permitted during this period. Gas barbeques are exempt.

Stephen P Gollan
CEO – Shire of Beverley

**FOR ALL FIRE EMERGENCIES
PLEASE CALL 000**

Beverley Visitor Centre

The Cornerstone Visitor Centre continues to be well received by visitors and tourists, many pleasantly surprised at our beautiful facility and what there is to discover in Beverley at their leisure. Some of their feedback ... “lovely town & people/friendly volunteers/fantastic facility”.

If you are interested in joining our volunteer team who help the CRC to keep the Visitor Centre open on weekends 10am to 3pm, contact Sam at the CRC 9646 1600 or Dee 0428 464 007. Training is provided.

If the banner is out then the Cornerstone Visitor Centre and exhibits are open!

WEDNESDAY 01 JAN	PUBLIC HOLIDAY (NEW YEARS DAY)
THURSDAY 02 JAN	OPEN 8.30AM - 4.00PM

WASTE AND RECYCLING IN BEVERLEY

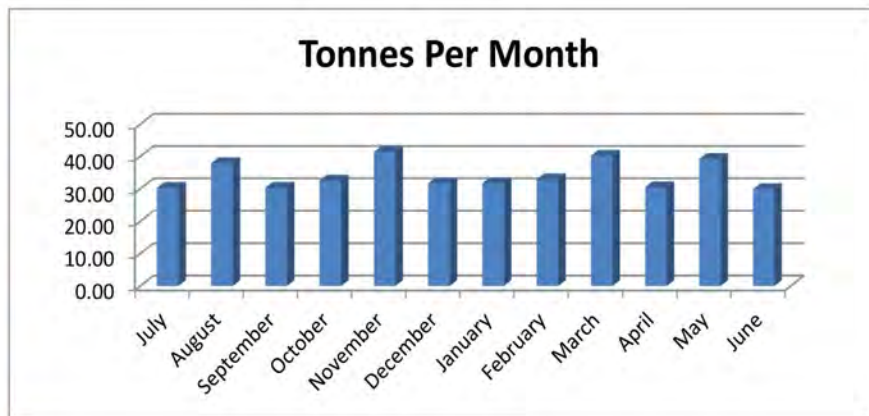

Have you ever wondered how much waste we produce here in Beverley, or how much we recycle? Avon Waste has provided the Shire of Beverley with some interesting statistics! Recycling is averaged for our region, however it is consistent with what can be expected for our town. The Shire of Beverley wishes to thank everyone for their recycling efforts in 2018 and 2019! Maybe we can do even better next year and be kind to our environment by reducing our waste that goes to the Shire of Beverley Landfill!

Shire of Beverley Waste Report 2018/2019

BEVERLEY MEN'S SHED

The Beverley Men's Shed is hosting a presentation by Michelle Bauer, Manager Health Services, on the **10 December 2019 at 10.00 am** at the Beverley Men's Shed.

The presentation deals with the processes and procedures in emergency situations (when doctors are unavailable).

David Paull
Secretary
Beverley Men's Shed

BEVERLEY HISTORICAL SOCIETY

On the 11 November we had a very short meeting at the earlier time of 1pm.

We then welcomed the family and friends of Maree Hutchinson and the late Peg Kempton to honour them with the hard work and hours that they have contributed to the Dead Finish Museum and the Historical Society for many, many years.

"The Beverley Room" was dedicated to Peg and "The Nursery" to Maree, it was then followed by a lovely afternoon tea. (Full report in either December or January blarney).

Next meeting is 02 December 2019 starting at 9am followed by the cover up of the museum and our Christmas lunch at the Top Pub at 12.30pm.

By the time this blarney is published we will have ceased opening the Museum until early March.

Once again we thanks all our volunteers for the work that is put in during the year and to the public that support us.

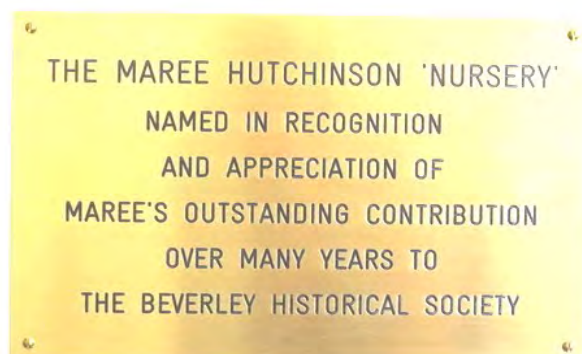

BEVERLEY HISTORICAL SOCIETY HONOURS TWO LONG SERVING MEMBERS

Members of the BHS and the community came together at the Dead Finish Museum on 11 November to honour Mrs Maree Hutchinson and the late Mrs Peg Kempton. These two ladies have been outstanding foundation members, willingly giving very long service to the Society and the community.

Maree joined when the Society was formed in 1977 (42 years so far). She was the first secretary for three 3 years and again for 2 years. She has been President for 5 years, Vice President for 11 years, done weekend roster to open the Museum, helped with Year 2 visits, exhibitions, show displays, bus groups and many more – probably at least 250 duties. And Maree has helped raise funds and done much research with Ruth Mann and others in Beverley, at the Battye Library, from her own library etc. to set up the Dead Finish Museum.

We love Maree's wonderful memory and her sharing of knowledge at our meetings. President Joy Smith said "After all Maree has been associated with the Smith, Edwards, Sims and Hutchinson families – no wonder she knows so much about this town, its farm's and people."

It was with an immense sense of pride that Maree, in the presence of her three sons Kim, Peter and Brett and their families and friends, unveiled her honour plaque on the door of the "Nursery room".

*Photo on left:
The new plaque.*

*Photo on right:

plaque.*

Maree Hutchinson with her family in the newly named "Maree Hutchinson Nursery Room "

In the Peg Kempton "Beverley Room" Pegs brother Robert Bartram, Dulcie Fleay, Bruce Mann, Delys Kilpatrick, Mary Blechynden, Dawn Edwards and Helen Bremner

Peg Kempton also joined the Beverley Historical Society soon after the foundation meeting and was an inspirational and hardworking member until her passing in January 2016.

Bette Bremner, Shirley Carr, Judy Moulton, BHS President Joy Smith and Secretary Morag Whitney

Pegs contributions to the society were many – 9 years as President (3 terms), had the idea of setting up a "Beverley Room", the historic fences in the garden, the cellar floor 'window', helped with the Shire`s first Heritage index and the Beverley History Book and of course helped with much fundraising, research and setting up of the Dead Finish Museum.

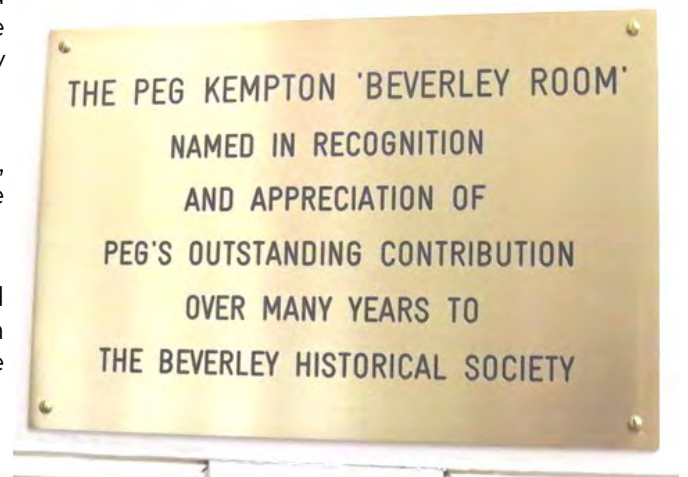

Peg was a keen gardener and helped maintain the museum gardens.

Speaking about Peg, our secretary Morag Whitney said, "Peg was always ready for a laugh and was known to have wheeled the old cane bath chair to the museum from the hospital and later with a dummy in the chair - to & from the Beverley show display! "

Peg had many anecdotes about the people and places of Beverley and the district and loved the quirky and amusing things – she made "dry" history entertaining.

In the presence of Peg's brother Robert Bartram, Bruce Mann unveiled a plaque to honour Peg on the "Beverley Room" Door.

Both Peg and Maree were born in Beverley and lived on farms until they both retired into town. Both ladies then really dedicated themselves to the Society and we will be forever grateful.

AGRICULTURAL MUSEUM

Waterhatch Road, Beverley

Even with the heat (during the 40°+ spell) most of our dedicated volunteers attended the November gathering for maintenance at the museum (last one for this year) on the third Saturday. Our first priority was given to completing the relocation of machinery used for display at the National Trust open day held in September.

Duayne and John H had to undertake minor repairs to the Farmall Tractor's ignition system before it would start, once done the Farmall was placed back into its display location.

Usually the Ferguson X35 requires the fuel system to be bled, so rather than waste use of the battery and place undue wear on the starter motor, Duayne and John A decided to 'bleed first' only to be surprised that the system was free of air already. With all haste once started, the Fergie was then attached to the front of the Jones Minor Baler which required some more than skilful manoeuvring by Duayne (with visual support from Eric and both Johns) to locate it back to its parking/display spot. It was then jacked up onto blocks and stands due to the age of the tyres. Now our Ferguson X35 is quite reliable but does suffer from 'heavy breathing' (should be locked up!) and without a breeze that day there was a certain haze in the air.

By this time Kevin and Kerry had arrived and it was decided to give the Field Marshall Tractor a start (we try to alternate between the 'Working items' so they are all kept in good running condition). The first problem arose when it was discovered the decompression valve was stuck open; to get to this valve is quite a task having to remove various panels for spanner access. Although there appeared to be a reasonable amount of fuel in the tank it was determined that it needs to be much higher to avoid air locks.

With these problems solved it was then a case of trying to start the tractor using the various means available. Everyone eventually had a

go on the crank handle, getting slower and slower (well it was a hot day!) but the Field Marshal was having none of it. When our group resume the maintenance and restoration days at the museum early in 2020 it will be on the 'to do' list to try again.

In between our attempts at swinging the handle we had our 'bring & share' break taking the opportunity to 'chew the fat' about all things local, reading machinery magazines and discussing what we would like to achieve in the future.

The Agriculture Museum at Avondale is now closed over the summer. If you are interested in either joining our group or volunteering at the Museum to show the public around when it reopens next year, please feel free to call John Alexander on 9646 0768 or Dee Ridgway on 0428 464 007.

THE BLUE LINE

Beverley Police Station

57 Hunt Road Beverley WA 6304 [@BeverleyPol](https://twitter.com/BeverleyPol)

Email: Beverley.Police.Station@police.wa.gov.au

Well, the end of the year has finally descended upon us, the Christmas decorations are slowly beginning to surface and the carol CD's are being dusted off in preparation to get everybody into the spirit of giving. Christmas is a wonderful time of year for most, a time for families to come together and share gifts and be merry. There is however many people who are alone at Christmas or are grieving for loved ones that have been tragically lost during the year, or are homeless with nowhere to go on Christmas day. I would like for our wonderful Beverley locals to spare a thought this Christmas for those less fortunate, after all that is the true spirit of Christmas.

DON'T DRINK & DRIVE!

**SANTA IS
JUDGING
YOU**

December is also traditionally a time when work places arrange their Christmas parties. It is well known that these parties involve consumption of large amounts of alcohol and a few silly antics. Here are a few handy tips to think about when arranging your Christmas function this year:

- **Employ a skipper** (a person dedicated to not consuming alcohol, or walk)
- **Enjoy a meal** (incorporate a dinner or lunch with your drinks)
- **Space your beverages** (Enjoy the evening for what it is; relax, you have all night)
- **Drink plenty of water** (keep the liver hydrated)
- **Be considerate of others** (you may not be the only group in the bar, or at the restaurant).

Police as always will be out in force over the Christmas period. We will especially be monitoring the back roads as well as the main streets. So please don't grow complacent and take unnecessary risks thinking that it will go un-noticed.

Moral of the story: Have a wonderful time this month and a fantastic Christmas, but be careful and safe.

The month in Rewind:

- 44yr old male was arrested and charged for Criminal Damage and driving without a licence from an incident on Monger Street on 09/11/2019.
- Police are attempting to locate a 36yr old male from Armadale who can assist with our inquiries in relation to a Breach of Family Violence Restraining Order that occurred on 12/11/2019 on Hunt Road.

Police are also seeking any witnesses or information relating to the below incidents:

- Burglaries to the Butcher and Beauty Salon on the 07/11/2019.
- Damage to the window of IGA on 22/10/2019.
- Graffiti tag "NASE" on various buildings around town over the weekend of 26-27/10/2019.

BEVERLEY POLICE - HOW TO CONTACT US

If it's life threatening or an emergency dial **000**

For all other matters phone **131 444** or **9646 3333** (leave a message if your call is diverted)

If it's not urgent send us an email Beverley.Police.Station@police.wa.gov.au on twitter [@BeverleyPol](https://twitter.com/BeverleyPol) or drop into the station for a chat.

Please take care and stay safe.

RESEARCH RETURNS TO AVONDALE FARM

The National Trust of Western Australia is pleased to announce that Living Farm will be the new leasee at Avondale Farm starting March in 2020.

This progressive York based agricultural research company was selected to lease the property conduct valuable agricultural research on behalf of WA farmers. The National Trust's CEO, Julian Donaldson said "we are excited to have a research company back at Avondale Farm, reconnecting with the sites history and providing a valuable resource to the farming community."

In line with Living Farms' growth strategy this lease will extend the business's ability to aggregate multiple trials in one location and deliver more efficient field days to farmers and customers. Living Farm is cementing itself as a leader in crop research in Western Australia and MD Richard Devlin said "access to the high-quality land at Avondale Farm complements our growth strategy of delivering quality results and focused research to farmers and agribusinesses locally, interstate & internationally. We feel privileged that our contribution will assist in maintaining this important piece of land and that we can restore its research focus."

Along with leasing Avondale Farm, Living Farm has acquired land in York for specific research purposes. This will allow greater control of trial sites, the ability to set up rotations and optimise trial results. This expanding research will also promote investment in plant, equipment and people creating employment opportunities in the Avon region.

About Living Farm

Living Farm is a leading crop research company conducting the highest quality agricultural research services in crop protection, crop nutrition, crop genetics, soil health, horticulture and agribusiness project management and provides grower group subscription services to Avon Valley and Wheatbelt farmers.

About the National Trust of Western Australia and Avondale Farm

The National Trust of Western Australia works to raise knowledge, awareness, understanding and commitment to Western Australia's natural and cultural heritage. The Trust achieves this objective through the conservation and interpretation of heritage places it manages on behalf of the community and government of Western Australia, and through its education and learning programs.

Avondale Farm is located between two rivers and its fertile land sustained Aboriginal people for thousands of years. Snapped up by the colony's first Governor, James Stirling, it passed through several hands before the government established a soldier settlement scheme here. When this was unsuccessful Avondale was set up as an agricultural research station. Several important agricultural breakthroughs were made here.

The work of the Agricultural Research Station began in 1926 involving experiments with wheat and superphosphate fertiliser. In 1930, a Laboratory was constructed to research the 'Braxy-like disease' now known as pulpy kidney that had plagued sheep in the area since 1915. Dr Harold Bennetts succeeded in creating a vaccine in 1931, the crowning achievement of the Research Station. This was followed by many farming innovations and trials which made major contributions to Wheatbelt agriculture throughout the twentieth century

In 1979 Avondale featured in the sesquicentenary celebrations morphing into a tourist destination. Now in the hands of the National Trust, the place is once again farmed while still welcoming visitors to the site.

Avondale Farm is about 6kms west of the Wheatbelt town of Beverley and 31kms south-east of York.

December greetings from your live and local community radio station, 101.3fm!

This year we have been delighted to support (and be supported by) local Beverley organisations like the Platform Theatre and Station Arts Gallery; Beverley Ag Society; the monthly community concerts at the CWA building, Friends of the Dale River and Beverley Men's Shed. And it's been wonderful to chat with Cr Dee Ridgway, to hear regular shire updates – we look forward to keeping the shire chats coming, with Cr Don Davis in the new year.

Other Beverley folk you may have heard on 101.3fm this year include: Jenny Broun, Sarah Aynsley, Marlene Willson, Peter Bremner, Linley Thompson, Fred Bremner, Sue Carbone, Owen Jones, James Berry, Joy Smith, Belinda Ley, Carmel Charleton, Janet Robertson, Dalene Davies, Betty Lobb and Morag Whitney.

Other folk chatted about Beverley events and info; like some of our Artists-in-Residence, Avondale Farm and the Astro Tourism event organisers. Thank you to all who shared stories, information and time to underline what a vibrant place Beverley is!

All our current station members have been invited to a 07 December Christmas celebration. We'd love to welcome you, as a member, to our events and celebrations each year – please just email the station to find out more...radio6ycr@hotmail.com

It's a great time to join as a member of the station (membership makes an ideal gift!). Your membership dollars are a tremendous support for the operation of the station, and we value and welcome your input and interest in the station. After all, the whole focus and purpose of the station is to provide a local voice and bring you all the things you'd like to hear on radio, but that miss out on the commercial and national broadcaster airwaves.

Broadcaster Training

In January, we plan to hold a broadcaster training course. One place has already been filled and 3 more spots are available. 5 sessions, each of 2 hours, with a friendly, supportive radio and TV retired professional broadcaster. Give it a go!

Community Group Free Promotion

In January we will be inviting Beverley community organisations and clubs to contact us and plan with us for 2020, so we can be an even better voice for what you do and have happening.

From the 19 volunteer broadcasters and fabulous gardening, maintenance, audio, admin & tech volunteers, and our valued subscriber members...

May your Christmas season be a safe and peace-filled time, shared with good friends.

Greetings from 101.3fm Voice of the Avon
Keith Taylor
Committee President (on behalf of the 101.3fm members)

Staying safe in summer

With a surge in the number of Western Australians treated for snake bites in the last year, the Beverley Sub Centre wishes to highlight the importance of first aid as we head towards peak snake season.

From July 2018 to June 2019, 169 people in WA were treated by paramedics for snake bites. By comparison, 104 people were treated in the 12 months to June 2018, and 120 in 2016.

More than 66 per cent of cases occurred in country WA, with the Wheatbelt (31), South West (29) and Pilbara (15) topping the list. Margaret River had the highest single number of emergency calls with seven, while 57 patients were treated in and around Perth, most in the South West (14) and North West (13) metropolitan areas.

Five of the world's 10 most venomous snakes live in Australia and unfortunately there are still many myths surrounding snake bite treatment. Our message is simple, but could be lifesaving – know first aid, even it's at a basic level.

The most important thing if you're bitten by a snake is to call triple zero (000), even if you're unsure of the snake type. People should lie flat, remain as calm and still as possible, and then bandage the bite starting from the fingers or toes and wrapping upwards."

Common snake bite symptoms include headaches, blurred vision, nausea, drowsiness and difficulty breathing, speaking or swallowing.

Downloading the St John First Responder smartphone application, which can dial triple zero (000) and provide operators with an exact GPS location, may save a life, especially in remote locations.

It's also important that if you are going walking in bush areas you take a first aid kit with you.

The Beverley sub-centre wishes our community a very, very safe
and relaxing Christmas and New Year.

We look forward to continuing to serve our community in 2020!

Emergency Medical Information Book

This useful book contains all a person's information and medicals record needed if, or when, an ambulance is called, and they need to be transported to a hospital.

The Emergency Medical Information Book
Available for a \$2.00 donation at Beverley Farm Services

FIRST AID FACT SHEET

Snake Bite

Snake bites are not common in Australia, but all should be treated as life threatening. Snakes force venom out under pressure through fangs in the upper jaw. The spread of snake venom depends on its absorption through the lymphatic system.

Caused by

- + Fangs puncturing the skin.

Signs & symptoms

- + Visible in an hour or more after the person has been bitten.
- + In children signs and symptoms may appear within minutes.
- + Puncture marks or scratches, may bleed.
- + Nausea, vomiting and diarrhoea.
- + Headache, drowsiness, giddiness or faintness.
- + Double or blurred vision, drooping eyelids.
- + Voice changes, trouble speaking or swallowing.
- + Pain or tightness in the throat, chest or abdomen.
- + Breathing difficulties, respiratory weakness or arrest.

What to do

1. Follow DRSABCD St John Action Plan.
2. Lay the casualty down, rest and reassure.
3. If the bite is on a limb, apply a broad pressure bandage over the bite site as soon as possible.
4. Then apply a further elasticised or firm bandage - start at fingers or toes and move up the limb as far as can be reached. Apply tightly but without stopping blood flow.
5. Splint the limb including the joints on either side of the bite.
6. Ensure the casualty does not move.
7. Urgent medical aid. Call **Triple Zero (000)** for an ambulance.
8. Write down the time that the casualty was bitten and when the bandage was applied.

DO NOT

- + Wash the venom off the skin (it may aid in identification).
- + Cut the bitten area and try to suck venom out of the wound.
- + Use a tourniquet.
- + Try and catch the snake.

In a medical emergency
call **Triple Zero (000)**

Book a St John first aid course today | (08) 9334 1233 | stjohnambulance.com.au

Information provided is as per Australian Resuscitation Council Guidelines. These first aid protocols are for the Australian market only. All care has been taken in preparing this information but St John takes no responsibility for its use. This information is not a substitute for practical first aid training with St John.

PRIMARY HEALTH SERVICES

Available to the community of Beverley

You can refer yourself or your child to the following health professionals:

Child Health Nurse - 9646 3200
to make an appointment, Hospital Admin Staff will assist you in setting an appointment time, which will be on most occasions a Monday.

School Health – 9641 0200

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a Doctors referral is required – Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto to Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

Podiatry – a Doctors referral is required
Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

BEVERLEY HOSPITAL AUXILIARY INC.

Be Very Charitable

Beverley Hospital Auxiliary wish to extend an enormous thank you to all their willing helpers at the Opportunity Shop throughout 2019, including Committee members who have worked extremely hard to keep things running smoothly and maintain excellent quality control.

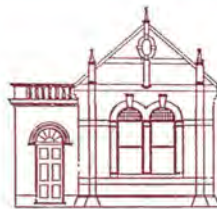

Yet again, thank you to Avon Trading for agreeing to be a drop-off point for donated items. Staff are very patient considering their storeroom can become very crowded sometimes.

And, to all those who donate goods, we are ever grateful. No donations means nothing to sell! We also cannot forget our loyal customers whose smiling faces we see time after time. Without each and every one of you, we would not have an Op Shop. Thank you to you all!

Without an Op Shop we could not offer additional funding for our local hospital. This year has been quite productive, enabling Auxiliary to purchase several items for the hospital. Among them is a deluxe chair/bed for the Palliative care room. As usual, we will be presenting Hampers to the Hospital and Lodge residents for a little extra Christmas cheer!

Opening times for the Op Shop are 11.00am to 2.30pm each Friday. This year there will be two "End of Year Sales Days" on 06 and 13 December, which will be the last day of trading for 2019. 50% off everything! We will then go into recess until Friday 07 February 2020.

Wishing one and all a very Merry Christmas and a safe, happy and prosperous New Year.

Enjoy the Ride

A message to our precious rural communities this harvest.

Harvest is upon us and the RACE is on again,
Got to get the headers out and gather in the grain,
Got to keep the PACE up, the road trains in top gear,
It's a crazy, hectic, HELL FOR LEATHER, stressful time of year.

Everything is FLAT OUT from the farmhouse to the sheds,
Answering the two way, taking phone calls, making beds,
Cooking meals, drying grain, kids home off the bus,
Moving gear from paddocks with a minimum of fuss.

Harvest is a time to push, to drive the horse power home,
To work long days, and sleep short nights, feel knackered to the bone,
Two weeks down, stress levels high, the team show signs of strain,
The chaser driver hangs on in, with secret hopes for rain,
But harvest stops for no man, and the drive does not subside,
The record year upon us at the forefront of our minds.

Run the lunch out, wash the clothes –
Fix the bust hydraulic hose.
Ring the truckie, feed the chooks –
Update the BAS and office books.

Shift the silo, move the bin –
Which ute was the grease gun in?
Check the bearings, order fuel –
Where's the mobile set of tools?

Note grain prices, load the truck –
WHERE'S he got the chaser stuck?!
Change the tyre, switch to Mace –
Can we keep up at this pace?

Test the sample, take the grain
To CBH then back again,
Pick up parts, drive to town...
AND NOW'S YOUR CHANCE TO STOP - SLOW DOWN.

Leave speed behind you when you put your vehicle on the road,
Rebel against the rush and put yourself in BACK OFF mode,
Make your car your sanctuary, and shut the door on speed,
And from fast-paced harvest pressure let yourself recede.
Let's get through this season, a community together.
Avoid the pain road trauma leaves, the scars that last forever.
Stuck behind a road train? Don't struggle to get past,
When all those tiny seconds saved could end up as your last,
And if you're choked with gravel dust, stress rising deep inside,
BACK OFF, breathe deep, and tell yourself - '

'Slow Down - Enjoy the Ride'

Esperance
where you're still you

Community Christmas Concert

Yes, it's time of year again when Christmas is foremost on our minds and what better way to relax and share some Christmas cheer than be at the Station for the Community Concert Saturday 22 December. This year the Shire has contributed \$1,500 towards entertainment for our free Family Christmas Concert when the whole of town and surrounds come together for some fun.

The evening begins at 5.30pm when Magician Pierre Ulric delivers fun, sophisticated and amazing interactive performances amongst the groups within the crowd. He creates 'mini-shows' and pockets of fun around the space, interacting with everyone in proximity.

Darci Miller will also be back with her *Act, Belong Commit* activities for the children. Then at 6.30pm we anticipate a visit from Santa and some Christmas songs and Carols for people to sing along to. Come 7.30pm when darkness sets in Pierre Ulric will be on stage to perform his 45 minute 'Enchantments' magic show followed by 20 minutes roving amongst the audience. Music throughout the evening will be heralded by Brandon Gray, a singer/songwriter/guitarist and loop pedal artist, who performs a range of music for everyone to enjoy - from the easy listening slow songs to the more upbeat chart toppers. He will play till around 9pm. Sounds like a great evening doesn't it? Don't forget that as it's a free event you can come and go to buy food from the cafes and pubs, or bring your own picnic baskets and drinks. There will be no bar this year.

Artists-in-Residence

Artist-in-Residence for the entire month of November was Roderick (Rod) Brown from Perth. Rod is enjoying his time immensely at the Station and gave Watercolour classes each Thursday and some Saturdays as well during his stay.

Rod demonstrating the art of portraiture

After school watercolour class

The Artist-in-Residence for December was to have been Bridget Chappell from Melbourne but we seem to have lost contact with her so for some of the month we welcome botanical artist Marta Salamon from Victoria back to the Station. Marta can't get enough of our WA flora. As a well-known artist and teacher specialising in botanical art for over 20 years she has a swag of awards to her name, including the Celia Rosser Medal for Botanical Art. Marta has exhibited widely and her work is held in collections in Australia and overseas.

She has exhibited widely in Australia, Japan and her work is held at the National Herbarium collection in Melbourne, the Florilegium Society for the Sydney Herbarium, the Sutton collection in New York and in private collections throughout Australia.

The Station Gallery will be closed from 22 - 30 December, then Kaitlyn Elsegood will be at the Station for just a week, but from January 05 to the end of the month the Gallery will again be closed.

Artists-in-Residence Programme for the remainder of 2019 and beginning of 2020:

November: Rod Brown (Perth)

December: Marta Salaman (Victoria)

January: Kaitlyn Elsegood

April: Carollyn Rhodes-Thompson

June: Suzi Marwick

July: Joanne Francis

September: Trish Davis

October: Thelma Cluning, Sally Watts, Suzanne Crawley

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact Artist in Residence Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Beverly Station Singers

The Dunsborough Songfest on November 08, 09 and 10 was a fabulous event attracting 650 singers for its 10th Anniversary. The Station Singers are proud to have performed at the last three of these Songfests. Their next practice in the Platform Theatre greenroom won't be till sometime in the new year - date to be confirmed, but if you're interested in joining the singing group please contact Tracey Fleay 0409 481 029 / traceyfleay67@gmail.com

Beverly Amateur Dramatics (BAD)

It's decided! The next BAD performance will be the Australian musical comedy "Cocky's Crossing" next **March 2020** Their first get together for a reading is on the 08 December and have most casting organised, any extras will be chorus line For more information contact Britt Hadlow by email britt.hadlow47@hotmail.com or beverleyamateurdramatics@gmail.com

BSA Annual General Meeting

The AGM for members and friends of Beverley Station Arts was held on Thursday 21 November at the Station Gallery. From the BSA members present the committee was duly elected:

Committee members to serve their two-year term as from now: Marylou Hutchinson (Vice Chairman and Artist-in-Residence Coordinator, Sarah Miller (Secretary), Pauline Knight (Treasurer), Tracey Fleay (Exhibition Treasurer), Penny Burns, Marlene Willson and Sharon Williams.

Committee Members to serve their second year: Jenny Broun (Chairman and Events Coordinator), Amanda McLean, Joanne Strange, Leita Barrett-Lennard and Valda Morton.

Positions outside of Committee: Exhibition Secretary (Joey Walter), Amateur Dramatics (Bruce Denny)

Volunteer Thank You

- 👤 Ross Leo of Combined Pest Control for keeping vermin under control at the Station.
- 👤 Shire of Beverley for the exterior paint job of the Station, and to Rob Bain for the wonderful work.

Beverley Station Arts Membership

As a member you will receive **discounted rates for all events including the Easter Art Exhibition Opening Night**. The cost is \$30 for the first year and there after \$25 per annum. Your support will assist us in maintaining the venue and to continue presenting a variety of entertainment for your enjoyment. We look forward to seeing you at the events we have planned for this season.

To become a member of Beverley Station Arts Inc (Friend of the Station) please contact our treasurer Pauline Knight 9646 0946 for a Membership Application form and payment, (Note - cheques to be made payable to Beverley Station Arts Inc.) and send to PO Box 112, Beverley 6304.

Station Gallery Open Hours: 11.00am – 3.00pm Thursday, Friday, Saturday and Sunday

Work Placement Program

We would like to thank and acknowledge the local businesses who have supported the school ADWPL Work Placement Program for our Year 10 students this year. We are very fortunate every year to have businesses who take on students so that they are able to gain workplace experience and earn credits toward their WACE (WA Certificate of Education). Thank you to our 2019 employers; Beverley CRC and Avon Trading. Our students have once again had a wonderful learning experience in our community.

Erin at Avon Trading

Book Fair

We would like to thank all of the families and community who supported our school book fair this year. It was a huge success resulting in a substantial gain of books for our school library and selling many books into the homes of our families which is a wonderful thing! ***A HUGE thank you to our wonderful Mrs Sims and Mrs Adams for all of their hard work in setting up and running the book fair again this year.***

*Merry Christmas
from the Staff at
BDHS*

Beverley Police Visit Beverley DHS!!!!

We were very fortunate this term to have our local Sergeant Darrell Hagan visit our school, not once but twice to run some educational sessions with our students.

Our Primary students enjoyed their session with Sergeant Hagan learning all about Road Safety and what the role of a policeman is in the community.

They had a great time exploring the police wagon and learning about all of the tools of the trade! We now have many little junior police academy students walking around the school in their hats and uniform ready and raring to join the police academy!

Our secondary students enjoyed learning about cyber safety from Kristi McEvroy, Nicky Cresswell and Sergeant Darrell Hagan.

The overall message that all of our students received was that the police are there to those in need and are another safe person to ask for help. A BIG thank you to Sergeant Hagan for coming in and organizing such great sessions with our students.

Secondary Murals

Our Secondary students have been working hard all year with Mrs Wallis to create wall murals that reflect our SPARK matrix. They are still a work-in-progress but we are so impressed with the effort our secondary students have put in to make these murals truly reflect our school mantra.

TERM FOUR- SAVE THE DATE

Term 4 Dates: Tues 15 Oct – Thurs 19 Dec
KPP Christmas Concert: 04 December
Secondary Formal: 06 December
K-3 Water Fun Day: 11 December
Yr 6, 10 & 12 Graduations: 16 December
Presentation Night: 18 December

BEVERLEY COMMUNITY RESOURCE CENTRE

On behalf of the CRC committee and staff, we would like to thank all our customers for their support in 2019. Stay safe over the Xmas period and we look forward to seeing you all in the New Year.

XMAS TRADING HOURS

Mon 23 Dec - 8.30am to 4pm
 Tue 24 Dec - 8.30am to 4pm
 Wed 25 Dec - Closed
 Thu 26 Dec - Closed
 Fri 27 Dec - Closed
 Mon 30 Dec - 8.30am to 4pm
 Tue 31 Dec - 8.30am to 4pm
 Wed 1 Jan - Closed
 Thu 2 Jan - 8.30am to 4pm
 Fri 3 Jan - 8.30am to 4pm

SENIORS WEEK 2019

In conjunction with COTA, Department of Communities and Lotterywest, Seniors Week was all about getting our senior community to 'Dare To Try Something New'. Congratulations to all the participant who gave something new a go!

FERMENTING THE DAY AWAY

Learning about the benefits of fermenting saw a few of us trying some very new foods. We learnt how to make Kombucha Tea, Sauerkraut and Kefir. We also learnt how we can introduce fermented foods into our daily diets.

GETTING JIGGY WITH IT

This was a great session with Janet who ran a fun circuit style exercise class. Everyone felt fantastic after an hour of stretches, Pilates exercises and light weight training. We were all pleasantly surprised how a light workout improved our mood and positively impact the rest of our day.

PAINT THE TOWN RED

Marlene showed our amateur artists the masterpieces they could create with pine cones and recycled materials from around their homes and gardens. We also made some beautiful pine cone pieces for Christmas.

Beeswax Wraps

Our eco friendly workshop was well attended with many ladies reducing plastics in the home by learning how to make reusable wraps.

The 2018/19 Annual Report was adopted at the Annual General Meeting of Electors on Monday 25 November 2019. For community interest please find below the Presidents Statement in relation to the 2018/19 Financial Year from outgoing Shire President, Dee Ridgway.

STATEMENT BY SHIRE PRESIDENT 2018/2019

2018/2019 has again been a productive year for the Shire of Beverley. Councillors and staff, guided by the Strategic Community Plan 2017 – 2027, have continued to plan, manage and implement initiatives for the ongoing advancement and sustainable future of Beverley on behalf of our valued community.

Rate levels remained at a modest overall increase of 2.5% which is below the 10 year financial plan projection. Council is mindful of economic challenges for constituents along with increasing State Government fees and charges, which also create challenges for the Shire's budget.

Of significant note during the year was the completion, transition to using, and official opening of the Beverley Cornerstone Multipurpose Community Centre which is proving to be a valuable facility in servicing the needs of community, business and visitors.

Strategic activity over the year has included consultation and development of plans for Aquatic Centre redevelopment, Youth Activity Precinct, County Peak and Town Heritage Trails. The ongoing strategic officer role co-funded with the National Trust has seen some success in advancing sustainable initiatives for the future of Avondale Farm, and strategic planning for the Ag Museum at Avondale is underway. Discussion with relevant authorities to enable future development of facilities at Yenyening Lakes has commenced and implementation of the Tourism Planning Framework is resulting in an increasing number of visitors to the town. Unfortunately plans for the construction of an alternative river crossing as a back up to the town's one bridge will not proceed due to the exorbitant cost to construct.

The Shire's ongoing renewal of Council's assets has included a robust road capital and maintenance investment programme, footpath construction, town hall kitchen upgrade, continuing refurbishment of units at Hunt Road Village, and reserve allocation for the Vincent Street Urban Design Renewal. Amid an environment of decreasing State Government funding and increasingly competitive grants from other sources Council has supported the engagement of external assistance in the development and preparation of grant applications.

Appreciation is extended to the Shire's staff, particularly CEO Steve Gollan, Deputy CEO Simon Marshall, Manager of Planning Stefan de Beer, Manager of Works Steve Vincent and Executive Assistant Ali Lewis. This last financial year has been particularly busy and Beverley is indeed fortunate with the quality and commitment of our staff and the positive relationship that exists between Council and Administration.

Thanks are extended to Deputy Shire President Cr Chris Pepper and my fellow Councillors for their time and commitment as elected members representing our growing community.

I am not renominating as a Councillor at the forthcoming Local Government Elections and take this opportunity to recognise and congratulate Council and Staff for the sound oversight and progress which is being undertaken within the Shire for our constituents and community, which I look forward to seeing continue.

Cr Dee Ridgway

BEVERLEY EARLY YEARS GROUP

The Beverley Early Years Group is a network that aims to strengthen opportunities for children (0-4) and their families to connect and thrive in our community.

What happens to children in their early years matters a great deal. Improving children's development through the critical early period can have transformative social and economic impacts.

Christmas Party!!!

Well... It's time of the year again! Where has the days and months gone? It was a fantastic year, little ones enjoyed and had so much fun.

Please come and join us for our Christmas party on **05 December**, this will be our **final session for the year**, and we will be having a presentation for children leaving playgroup to attend kindy in 2020.

Ho-ho-ho!!!

A special guest is coming to Playgroup!
Any guesses who?? Yes! It's SANTA CLAUS!!! Visiting us with a gift and goodies for each child. What an exciting day for everyone! So please save the date, looking forward to seeing you all there!

Playgroup 2019 is done! We wish you all a Happy Christmas and a safe New Year!!!

Note: We are closed during school holidays and reopen 2nd week in Term 1.

PLAYGROUP SESSION DETAILS

Every Thursday morning from 9.30am to 11.30am (closed for school and public holidays)

- ✓ Located at the Playgroup Building at the Beverley School (Lennard St)
- ✓ For all children aged 0-4 years old
- ✓ Bring a piece of fruit to share, hat and sunscreen
- ✓ **Weekly gold coin donation for Term 4**
- ✓ Annual Fees: Family - \$35 for Insurance, Concession card holders - \$15 for Insurance
- ✓ More info find us on Facebook: Facebook.com/BeverleyPlaygroupWA
- ✓ Or contact Cara Hammond on 0400762889

Storytime

Fins, Fluff & Other Stuff

Imagine what it would be like to made of something different - like lollipops, metal or feathers! With the help of fun rhyming text and amazing illustrations, this month's story called Fins, Fluff and Other Stuff followed a little boy as his imagination runs wild and he explores what it might be like to breathe underwater or be made entirely of feathers. Although being made of feathers, fluff or sweets might sound amazing, he discovers that everything comes with a catch. He eventually realises that just being yourself is actually the best thing after all.

A big thank you to Carissa Shaw for co-ordinating and running all of the Storytime sessions originally in the Library at the Shire and now in the amazing new facilities in the Cornerstone Building. All the kids have enjoyed the interactive stories and activities.

Beverley Toy Library

**** PLEASE NOTE ****

STORYTIME & TOY LIBRARY NOW BREAK FOR THE SUMMER

Keep an eye out in the Blarney & on the Facebook Page for next year's dates

If you still have any toys booked out, please contact one of the committee members to arrange returning them. We are holding a busy bee on Tuesday 03 December from 8:30am at the Library - feel free to return any toys to the committee during this time.

For more information please contact us via our Facebook page or contact one of the committee members listed below - facebook.com/groups/BeverleyToyLibrary/

Thank you to all the wonderful families that have supported Storytime & Toy Library this year. We wish everyone a Safe & Merry Christmas.

Beverley GARDEN AND TREE SOCIETY

The November meeting was held at the Dead Finish Museum with 20 members present and 7 apologies.

A visit to Lena's Lakehouse nursery on Tuesday 29 October was enjoyed by all those who made the trip including 3 ladies from the York garden club. Lena is a wonderful host and freely gave us information on growing irises and showing us around her amazing garden. We may have to make this an annual visit as she has so many projects still to implement on her property.

The annual Rose show was very successful with a record number of entries and we were very pleased to have 11 new exhibitors. However, we had fewer people through the door. Thank you, Geraldine, for writing the beautiful cards to identify those blooms for which we had names.

The general meeting was followed by the AGM which included the election of office bearers which are as follows;

President - Colleen McAdam
Vice President - Lyn Murphy
Secretary - Dorothy Sampson
Treasurer - Val Tylor
Social Secretary - Valerie Lamb

The next meeting will be replaced by our Christmas lunch. This will be on Tuesday 03 December at the Hotel Beverley at a cost of \$28.00 per head. Arrive at 11.30 for a 12 noon sit down. A secret Santa will be held for those wishing to participate with a gift up to \$10.00 in value. If you have not already put your name down please ring Dorothy on 0429 989 031 as soon as possible.

We will then have a break until March with the next meeting being on the Tuesday 03 March 2020 at a venue to be announced.

Garden Tips

HELP POTS TO STAY COOL

Potted plants, especially those in terracotta pots, are vulnerable to overheating. Lightly

mulch and, where possible, position them out of hot western sunshine. Remember that standing potted plants in saucers of water encourages root rot and mosquito breeding. Instead, stand them in saucers filled with sand, and keep the sand moist. This ensures roots stay cool and plants remain healthy. If potted plants dry out to the point where re-wetting is hard, soak them in a bucket of water for half an hour, then drain.

WATER EARLY TO AVERT MILDEW

Water in the cool of the day. The best time to water your garden is morning but, if you water in the afternoon, allow enough time for foliage to dry out before sunset. This reduces the risk of mildew and other fungi attacking leaves, and there's less chance you'll get caught by the evening shift of mosquitoes or sandflies. Mildew frequently attacks roses, pumpkin, melon, zucchini and cucumber. Spray plants weekly with a solution made from one part cow's milk to 10 parts water. Repeat after heavy rain or irrigation. This remedy won't reverse mildew damage, but it's an effective preventative.

ADD NUTRIENTS TO THE WATER

If you can only water occasionally, try to water plants deeply and use that opportunity to simultaneously feed and correct mineral deficiencies. Apply a soluble fertiliser with added seaweed. Water in potash around the base of fruit trees, especially citrus to improve fruit flavour and juiciness. The potassium in potash generally helps to improve plant vigour and resistance to foliar fungi.

PROTECT NEW PLANTINGS

Freshly planted vegetable and flower seedlings are likely to need a bit of sun hardening. Shelter them with 50 per cent shade cloth, old net curtains, dead palm fronds, or leafy branches for a week or two. This helps them establish without harm.

MULCHING BENEFITS

A layer of mulch limits moisture loss from the soil and saves you the job of weeding. The trick is getting the depth right. Generally, you need a 50-75mm layer. But only mulch to about 50mm in native gardens or gardens that aren't irrigated. If the mulch is too thick, rain won't always make it down to the soil.

Beverley Voluntary Community Services (BVCS)

General Information Services provided to Beverley Residents. Please note that all future submissions to the Beverley Blarney will be placed by Sylvia Seddon who is the Secretary of BVCS and authorised by Mal Roberts, President.

Synergy accounts- it has come to our notice that people are finding it difficult to pay their accounts. Contact Synergy to arrange a payment plan. TV advised that there have been 80 thousand disconnections this year.

For the last 30 years, Mal Roberts and Sylvia Seddon have been tirelessly working for the community to address serious concerns. For example dental services, writing to our local MP regarding our doctors Visa extension, problems with telcos, poor service and reception, writing to Federal Members of Parliament, lack of legal aid services, shortage of Homeswest rentals for low income earners. These general community concerns had to be raised, sometimes with the Prime Minister and other Senior Ministers to seek their help. These are all general issues that Mal Roberts will no longer be addressing as BVCS is not incorporating.

Mal Roberts has discussed this matter with Steve Gollan, CEO of Beverley Shire, as to who residents should be referred to. In the first instance, residents should contact relevant agencies for assistance.

Justice of the Peace duties. Mal Roberts has always been busy with the witnessing of all legal and court documents including sworn affidavits. Please note that BVCS does not receive any funding and bear our own day to day running costs (mobile phone, CRC secretarial services etc.)

Sylvia Seddon, Secretary
Mal Roberts, President

CRANA Aboriginal Corporation Inc.

From Mal Roberts

I have had to withdraw my resignation as it has not been accepted and I will remain on as a committee member and director.

Some of our committee members are in hospital and have very serious health problems.

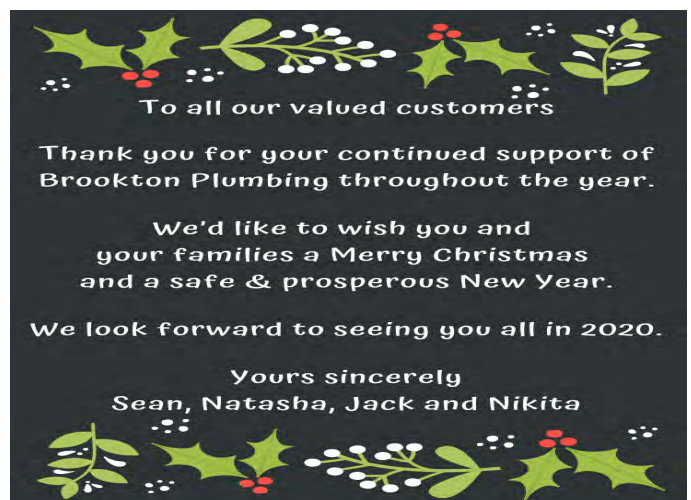

I am negotiating and speaking with two of the biggest class action law firms. These cases are still pending. The clients have been ripped off by an insurance company for 6 years.

I will be lodging a formal complaint against one of the health providers in the N.D.I.S. Providers. Once again, the funding has been drastically reduced in caring for a child who is permanently incapacitated.

All Government bodies recognize our status of CRANA, our ABN number and our role in the community. We are authorised to issue a certificate of Aboriginality, recognized by the office of the Registrar of Indigenous Corporation and Mal Roberts is a duly authorised person to represent CRANA.

Finally, our President Mitch Henry has also not been too well. I wish him, and all other sick members, 'all the best'.

Mal Roberts, Director
Mitch Henry, President

THE HUNT BEGINS

The annual hunt to detect and eradicate European wasps (*Vespula germanica*) from WA has begun!

Guard your BBQs, monitor your pet's food and check the insects you scoop from the pool. European wasps, we are looking for you!

They look like wasps but don't fly with dangling legs. Instead, they fly more like bees. They are **black and yellow** like a paper wasp, but with completely **black antennae** (feelers) and a nest 10x the size. You won't find it under the fence capping though, these pests prefer to hide their nests **underground**, just beneath the surface. The nest will contain thousands of wasps and the entrance can be as small as a 20 cent coin.

They're annoying like flies and **they like the foods and drinks that we do**, even your pet's food isn't safe – but swat one and you'll discover **they sting repeatedly**. Accidentally swallow one that has crawled into your drink, or disturb their nest or step on it, and you will be seeking **urgent medical attention!**

This pest has threatened to establish in WA since six nests were found and destroyed near Fremantle in 1977. Widely established across most of southern Australia, these 'cane toads of the South' hitchhike their way into WA each year, and this is the 43rd year spent competing in a sophisticated game of 'Hide and Seek' against this highly adaptable and dangerous pest.

The summer and autumn months present the only window of opportunity we have to detect, locate and eradicate European wasp nests from your homes, parks and bushland reserves.

If not found by May, nests release hundreds of fertile queens who can start nests of their own, and the population can explode. If this happens, these pests will be here to stay.

This year we are heavily focused on the Perth hills (Darling Scarp) where nests are particularly difficult to detect and locate, but European wasps can turn up anywhere, so everyone must keep watch.

Join the hunt and **LOOK** for the behaviours described – these are unique amongst the insects in WA. **REACT** by covering food and monitoring drinks if wasps are seen in your area, or restrict access to any suspect nests. **REPORT** all suspect activity and nests to the Department of Primary Industries and Regional Development via the reporting options below.

For more information about the eradication program, how to identify wasps or how you can help further, see agric.wa.gov.au/wasps or contact our Pest and Disease Information Service.

Beverley Bowling Club

FRIDAY NIGHT

Barefoot Bowls!

Smoke Free Event

The Beverley Bowling Club will be hosting Friday Night Barefoot Bowls competition starting in January 2020 on the 17, 24, 31 and in on February 07, 14 and 21.

Arrive at 6.15pm for a 6.30pm start.

To participate in a fun-filled family friendly, smoke free, social evening there's time to nominate a team of 3 persons by contacting Mike Carthew on 0429 496 135 or alternatively place your name and contact number on the notice board at the Bowling Club.

There will be a weekly entry fee of \$5 per person, i.e. \$15 per team.

Teams may consist of only 1 registered bowler.

Bowls will be available for use.

Looking forward to seeing you on the green.

Peter Tidman Optometrist

Have you had your eyes checked lately?

With the End of Year fast approaching, this is a good time to make sure you've taken advantage of any 2019 **Health Care Cover** on frames and/or lenses. If you have already, you may want to book in for the New Year to claim for a fresh pair for 2020.

Medicare covers standard yearly tests for all those over 65 and 3 yearly tests for those under 65. Also if you are experiencing changes in your sight you may be eligible for another test **covered by Medicare.**

Upcoming visit dates:

- 10th December 2019
- 7th January 2020
- 21st January 2020

We are located at the RSL, 50 Forest St Beverly.

JUNIOR CRICKET

Junior Cricket had its first session Saturday 02 November, with 29 children registered for the Woolworths junior blasters cricket. There has been a great turn out each Saturday morning despite the warm weather and it has been great that so many parents have been getting involved and helping coach the kids (and maybe learning a few new tricks themselves).

Carley Bickley was the lucky winner who will get to play on Optus Stadium during the drinks break between Australia and New Zealand on the 14 December. How exciting- I bet you'll have a blast! Junior cricket will finish up on Saturday 14 December with a little windup and presentation. Hope to see you down there.

Beverley Bowling and Croquet Club

On Friday 25 October the Croquet ladies played an 'in-house' competition, which consisted of 2 games, one being decided with the first player to win 7 hoops with the second being the first player to win 5 hoops. When the individual scores were added the overall winners were Robyn and Denise, runners up Dawn and Val.

This was followed by a sausage sizzle BBQ and Peter Fleay, who sponsored the day on behalf of the Fleay family, presented the winners and runner ups with their prize.

Croquet has now been played in Beverley since November 2017 with a very keen bunch of ladies coming along on Wednesdays and Fridays. We all enjoy the game and are improving on a weekly basis, learning the game, the rules and strategic plays combined with enjoying the company.

We also are very appreciative of the time that Jeff and David put in maintaining the green with watering, mowing, fertilising.

If anyone, female or male, would like to come along and 'have a go' please do not hesitate. The first 3 times you play are free and thereafter it is \$5 per week. Mallets are available.

Currently croquet is being played at 5pm on Wednesday and Friday afternoons. If you have any enquiries please phone Beverley on 0428 371 714.

Beverley Swimming Pool Season 2019/20 Report

As the current pool Manager every now and then you receive a gift that just excites you and this season it's our new spring-loaded diving board. Last season our old 1.5m board was decommissioned due to some minor safety concerns and general age. Fair to say this impacted the general entries especially the older teenagers/young adults that were down on numbers last year. So far, I'm pleased to report that the numbers are well up on general entries as well as season passes which, as stated above excites me. Thank you to Mr Ben Ratz, our current BDHS Principal who graciously accepted our offer to officially launch the diving board in front of a large eager crowd performing a 'Horsie' to huge applause.

From a personal POV I'm now fully re-qualified in all aspects of performing my duties as a Pool Manager. This includes, but not limited to Pool lifeguarding (equivalent of an old Bronze medallion), Senior First Aid and Advance Resus, Working with Children Clearance, Gas Installation and Chemical Handling. These must be done nearly every year to be LIWA accredited, our governing body. This is costly and exhausting, especially when you try to combine a winter job as well. But happy to announce that your Pool Manager has successfully completed all components and can legally operate a Class 1 pool again for another season.

As it's still very early days if you or your child shows some interest in competitive swimming or just likes swimming in general Beverley Swimming Club may be an option. There's still plenty of spaces available for all age groups and standards. Level 3 is the minimum standard so please pop into the pool Monday or Friday afternoons for information on how to join.

Lastly, our flag has been flying half mast for a while now in respect to one of our much-loved regular morning swimmers, volunteers and one of the nicest people you could ever wish to meet, Teagan Hudson. Teagan sadly lost her life in a tragic car crash earlier in November leaving behind a lot of broken hearts. As our good mate and season pass holder Darrell Hagan would say "Please drive carefully". Accident's like this have an enormous flow on effect in small communities like ours and Teagan's is no different. RIP beautiful girl.
Brad M.

2020 Coaching Position Vacancies– RESERVES, LEAGUE and NETBALL

The Beverley Football Club is a participating member of the Avon Football Association and comprises a League, Reserves and Netball team. Beverley is situated less than 140km East of Perth. We pride ourselves on being a family-friendly Club and upholding the values of enjoyment, achievement and development. Our objective at the beginning of each season is to field a competitive team which will enable us to compete in the finals.

LEAGUE COACH

The Beverley Football Club invites applications for the position of League Coach for the 2020 Season. Working in cooperation with members of the Match Committee and reporting directly to the Club Committee, you will be required to undertake the following tasks:

- Player recruitment
- Administer player contract negotiations
- Player list management and development
- Facilitate twice weekly training sessions
- Coordinate a pre-season training program, including a minimum of two practice games
- Instruct football skills and team tactics
- Provide clear instruction and feedback to the team and individual players
- Continually seek to upgrade skills and knowledge of the game
- Attend selection committee meetings
- Coaching of 14 home & away games, plus finals
- Engage in club functions and community events

You will need to demonstrate an ability to:

- Have a thorough knowledge and understanding of Australian Rules Football
- Practice good leadership and effective communication methods, providing constructive feedback to individual players and small, medium and large groups of people
- Be well prepared and organised on training nights and game day
- Analyse, study, plan and assess the game as it develops
- Identify, promote and develop talented players
- Work well under pressure
- Deal with a wide range of people, including players, officials and supporters

A remuneration package and full access to the Club's Coaching resources, including a Coaching Accreditation Course will be offered.

RESERVES COACH

The Beverley Football Club invites applications for the position of Reserves Coach for the 2020 Season. Working in cooperation with members of the Match Committee and reporting directly to the Club Committee, you will be required to undertake the following tasks:

- Player recruitment
- Player list management and development
- Assist with the facilitation of twice weekly training sessions
- Assist with coordinating a pre-season training program, including a minimum of two practice games
- Instruct football skills and team tactics
- Provide clear instruction and feedback to the team and individual players
- Continually seek to upgrade skills and knowledge of the game
- Attend selection committee meetings
- Coaching of 14 home & away games, plus finals
- Engage in club functions and community events

BEVERLEY FOOTBALL CLUB

You will need to demonstrate an ability to:

- Have a thorough knowledge and understanding of Australian Rules Football
- Practice good leadership and effective communication methods, providing constructive feedback to individual players and small, medium and large groups of people
- Be well prepared and organised on training nights and game day
- Analyse, study, plan and assess the game as it develops
- Identify, promote and develop talented players
- Work well under pressure
- Deal with a wide range of people, including players, officials and supporters

Full access to the Club's Coaching resources, including a Coaching Accreditation Course will be offered.

NETBALL COACH

The Beverley Football Club invites applications for the position of Netball Coach for the 2020 Season. Working in cooperation with members of the Leadership Group and reporting directly to the Club Committee, you will be required to undertake the following tasks:

- Player recruitment
- Player list management and development
- Facilitate weekly training sessions
- Coordinate a pre-season training program, including practice games
- Instruct netball skills and team tactics
- Provide clear instruction and feedback to the team and individual players
- Continually seek to upgrade skills and knowledge of the game
- Select the team for match-day
- Coaching of 14 home & away games, plus finals
- Engage in club functions and community events

You will need to demonstrate an ability to:

- Have a thorough knowledge and understanding of Netball Australia
- Practice good leadership and effective communication methods, providing constructive feedback to individual players and small, medium and large groups of people
- Be well prepared and organised on training nights and game day
- Analyse, study, plan and assess the game as it develops
- Identify, promote and develop talented players
- Work well under pressure
- Deal with a wide range of people, including players, officials and supporters

Full access to the Club's Coaching resources, including a Coaching Accreditation Course will be offered.

SUBMITTING APPLICATIONS

Please submit your application by email to beverleyfootballclub@gmail.com

Applications close 5.00pm, Friday 06 December 2019.

If you require any additional information regarding this position, please contact President Justin Mann on 0448 979 234.

Lew and Sandy Shaw Trophy

The annual Lew and Sandy Shaw Mixed Handicap Doubles Trophy was held on Sunday 03 November in favourable weather conditions. 16 pairs entered and making it to the final was Graeme Lewis and Carissa Shaw taking on Damien Murray and Annie Budiselik. Graeme and Carissa were the eventual winners in a tight game that was even on the bell. Thanks to the Captains for organizing a great tournament, it is not an easy task pleasing everyone with their allocated handicap but we think you did a super job! Thanks to Lew and Sandy for their continued support and to Carissa and all the helpers who assisted with the spaghetti dinner.

Beverley Ladies Open Day

Proudly sponsored by Phoenix Building Systems and supported by Jane Murray and Di Gault it was a fabulous day of long lunching, champagne, chin-wagging, catch-ups, raffles and...oh yes there was also a bit of tennis!! The conditions in the morning were windy to say the least but the ladies battled through to the much nicer afternoon.

Thanks to coordinator Narelle Bailey for organising a great day out. The raffles were donated by some of our wonderful local businesses: Vintage Fusions, Nourishabley, Westlands Honey and Foliage Bespoke Floral Design.

Our next fixtured tournament is the Beverley Transport Junior/Senior Competition. This will be held in conjunction with our Christmas Wind-up. A reminder that all members who attend Sunday Social tennis receive a ticket into the weekly draw for two tickets to see Spain vs Japan in the ATP Cup in January! The final draw will be at the Christmas windup so see you on the courts every Sunday!

SUNDAY	JANUARY	Twilight Tennis 4pm - Check Facebook or contact a Captain

2019 PHOENIX BUILDING SYSTEMS LADIES OPEN DAY

A total of 24 pairs took part in our Ladies Open Day on November 20 with players from Narrogin, Perth, Northam, Quairading, Meckering, Brookton and Pingelly joining our local members for a wonderful day of tennis and hospitality. A huge thank you to our new sponsor Ryan Patterson of Phoenix Building Systems for your generosity and minor sponsors Jane Murray and Di Gault for your support also. Rob DeGruchy put in a huge amount of work to have our grass courts in great condition for the day and along with our President Graeme Lewis, was at the club in the early hours of the morning setting up courts and shades for us. Such a day isn't a success without local players and members supplying delicious food and helping out where needed for the day to run smoothly. Our kitchen and bar workers do a fabulous job each year, the day wouldn't be the same without them – thank you Mary Blechynden, Delys Kilpatrick, Leita Barrett-Lennard, Jane Murray, Di Gault, Sera Minchin and Jeff Hoey for volunteering your time.

We had some extremely close results with some placings being determined on count back. Congratulations to our winners:

GRADE	WINNERS	RUNNERS UP
A	Sarah Knapp & Rhea Turton (Perth/Pingelly)	Kellie Brown & Cathy North (Quairading/Northam)
A RES	Ali Roe & Lynn Tagliaferri (Northam)	Alison Ashworth & Charmaine Willing (York/ Beverley)

Beverley Horse and Pony Club

Who's been out and about:

♦ **State Eventing Championships at Dardanup Pony Club** on 26 and 27 October: Tealah Hawke and her horse Falcons Temptation started the event with Dressage and placed 24th in a highly competitive class of 34 riders. Then they had showjumping at 80cm and rode a beautiful round to time and with no penalties, which moved them up the leader board to 19th. The next day saw them prepped and ready for cross country at 80cm, both started well but the water jump got the best of horse and rider and they were eliminated by three refusals. An amazing experience and some new goals for next year!

♦ **Swan Valley Hunter Trials:** Emily Maxwell, riding Peppermint, placed 8th in 65cm 13-25yrs. Jessica Maxwell, riding Eddie, had a fantastic day and she got him through the water jump!

♦ **Beverley HPC Wind Up @ Whispering Gums** on the 07 November. Our awardees for 2019 are...
