Council will continue to represent the Community to make Beverley the place to BE! Some of the projects for 2020 include the development of the Youth Activity Area, remedial works to road levels on Vincent Street to alleviate high kerbs near the Post Office and ANZ Bank, Seniors Concert in the Town Hall (October) and widening of a section of Mawson Road and Top Beverley Road.

## Community Bus Shed

The old Fire Truck shed that houses the Community Bus recently sustained some accidental structural damage. Due to the shed containing asbestos, the Shires insurers have agreed that the old shed will be removed and a new steel one built in its place.

## Solar Lights

The Shire has installed five solar street lights on Railway Street to assist residents and visitors to find their way around safely at night. These are the first solar lights the Shire has invested in which are intended to reduce costs and be better for the environment.

## Bush Fire Volunteers

Once again thank you to all the local bushfire volunteers and our friends from Brookton who attended a large fire in the Dale, 11-12 December. There were approximately 80 volunteers on the fire ground who worked tirelessly in trying conditions.

## Community Grants

The Shire of Beverley Community Grants open 02 January and close 31 January. Early and late submissions will not be accepted. Application forms and details are available from the Shire website [beverley.wa.gov.au](http://beverley.wa.gov.au). There are minor grants (up to \$1000) and major grants (\$1001-\$5000 with 50:50 matching funds) available for local incorporated groups.

If you are travelling for holidays throughout January, please stay safe on the roads. If you're staying home there is still plenty to do in Beverley – consider a picnic at the Beverley Swimming Pool, try out Barefoot Bowls on a Friday or Twilight Bowls on a Wednesday (contact Bowling Club) or take a visit to the airconditioned Visitors Centre and Library in the Cornerstone Building.

## THANK YOU TO VOLUNTEER FIREFIGHTERS

The Shire of Beverley's Fire Control Officers wish to extend a huge THANK YOU to all the volunteer fire fighters, heavy machinery suppliers and operators, food and drink suppliers and preparers and to our neighbours from the Shire of Brookton who for the second season in a row now have worked side by side together to successfully control a large fire.

Last year's fire was at the olive oil tree farm near Dale Kokeby Road.

On Wednesday 11 December this year a fire broke out near Williamson Road in the Dale region which burnt just over 160 hectares fanned by strong winds and hot conditions.

Along with approximately 80 firefighters on the ground who came from every district within the Beverley Shire and beyond, DFES air support was received with the assistance of two fixed wing water bombers and two Helitak choppers and an Air Supervisor helicopter. Without the terrific commitment and support of everybody who assisted the fire would not have been able to be contained so successfully with no reports of significant property damage or injury.

The fire at times threatened to jump the Dale River and head towards Westdale Road and beyond but was kept in check by the efforts of firefighters on the ground and the water bombers and Helitaks in the air.

Incidents like this highlight just how wonderful the Shire of Beverley community is in helping each other in times of need.

## **BE VERY FIRE AWARE!**

It has been a long, hot and dry harvest period and the Shire of Beverley's volunteer Bush Fire Brigade members along with Shire staff have been kept busy with responding to fires during this time. Now that harvest is nearly done and the Xmas/New Year Holidays are upon us it is important for every community member to remain vigilant against the threat of fire in the many months still to come.

The community becomes increasingly vulnerable during January when many farming families go away on holidays depleting our volunteer firefighting resources meaning the rest of us need to be even more prepared to deal with fire threats.

The Community Emergency Services Manager along with the Chief Bush Fire Control Officer for the Shire of Beverley would like to remind all farmers and small rural land holders of the need to remain properly prepared to protect not only your own properties but to also be available to help your neighbours when there is a fire in your district.

Every rural property should have at least one firefighting unit full of water, with an operational pump and hose reel, mobile and ready to respond to a fire at short notice. Skid mounted firefighting units should remain on your ute from October to May every year and trailer mounted units should be ready to hook up and go.

We would like to remind everyone that it is important to look out for and help your fellow community members wherever you can. The Shire of Beverley is a wonderful community and when there is a fire every bit of assistance is appreciated by every single person who turns out to extinguish that fire as quickly as possible.

By remaining prepared and working together we can all help to protect property from fire and keep everyone safe.

## **THANK YOU**

Tony, Joy, Daniel and Narelle Bailey along with Rob and Cherrie Williamson send their sincere thanks and gratitude to DFES, the Beverley community and surrounding districts for the amazing response to the fire at Umuna on Wednesday 11 December.

Special thanks to the Shire of Beverley for their wonderful support and generosity and to local businesses who donated supplies to assist everyone helping us last week. We have an amazing community. Thank you.

# BEVERLEY HISTORICAL SOCIETY

"ON WEDNESDAY WE WENT TO THE DEAD FINISH MUSEUM" YEAR TWO VISIT

The Beverley Historical Society was pleased to welcome the Year Two class from Beverley school on Wednesday 23 October 2019 to the "Olden Days" experience at the Dead Finish Museum.

Volunteers on the day included Maree Hutchinson, Delys Kilpatrick, Erica Murray, Sheila & Ted Sheehan, Glenys Petchell, Joy Smith, Morag Whitney and some special guest volunteers Raewyn Blight, Robyn Johnson and Janet Eloury. We thank the students for their interest in the Museum and their good manners while there. We thank you too for the wonderful stories you wrote and observant drawings you made back at school, which are all printed below (with some comments on the illustrations). The stories mostly started "On Wednesday we went to the Dead Finish Museum ..."

... It took us about 15 to 20 minutes to get there. We explored the museum and did stuff. I liked polishing the silver. I had to get some cream and rub very hard. It was fun writing with a nib pen. I had to dip my pen in the inkwell many times. I also liked dressing up. I wore a hat that made me look like I had no eyes. We had morning tea there. I missed out on an ANZAC biscuit but I had two pieces of fairy bread. It tasted good. My favourite part was looking outside. I saw the printing press and lots of pretty flowers. I felt like I was on a bush walk. I had lots of fun.

By Ashley (We like the wide verandah & the garden)

... How did we get there? Well we walked all the way there. It wasn't too far away it was just in town. It probably took 20 minutes- well that's what I think. What did we do there? Well we used nib pens with ink. We even got to write with the nib pens. We did washing and dressing up. We looked at old fashioned stuff. There was days of the week were they did washing, ironing, mending and baking. Then it was time for morning tea. We had fairy bread, ANZAC cookies, juice and water. It was delicious. After morning tea we got coins. Some coins were over 100 years old. We also got some lollies. Then it was time to go back to school. We were all talking about the Dead Finish Museum. My favourite part that I really liked was when we dressed up. I hope we get to go there again.

By Nikita (There is a bench under a tree in the garden)

... We got there by foot. The first activity was washing. I did it like this. I had to scrub the clothes then rinse in clean water next I rinsed it in blue water then I hang the clothes up on the line with dolly pegs. Second we went to the dress up room. I put on 2 things. First I put on a skirt, a top and a hat. The second dress up was a pink dress, a hat and a handbag. My favourite thing was the tour. We saw some fences, a newspaper printer, a bench and some old rooms. For morning tea, I had an apple juice and 2 pieces of fairy bread. We all got a surprise that was some old money and a bag of lollies

By Ella (There are three doors on the Hunt Rd side)

... We walked there. When we got there we washed the clothes, then we pegged them up the line. Second we polished silver and cleaned the we had to rub hard. The surprise was a bag of lollies and two pennies. We had juice ANZAC biscuits and fairy bread. It tasted good. My favourite part was using a nib pen and ink. I had to write my name on a piece of paper, it was easy to write.

By Declan (The pupils are correctly waiting by the desks)

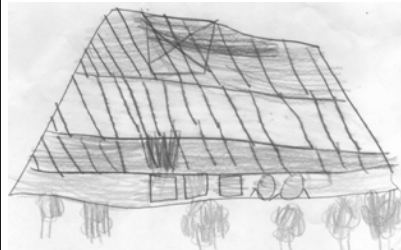

... We had to walk it felt like long way but it wasn't. We got to polish silver. We used some cream and a cloth. We had to rub really hard. For morning tea juice, ANZAC bickies and Fairy bread. We got a surprise it was a bag of lollies and 2 coins. Finally we went back to school.

By Angus 7 (Students on the verandah for refreshments)

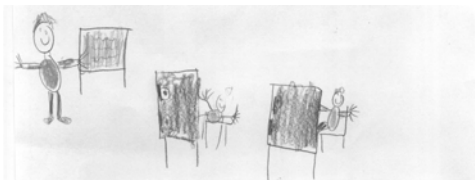

... We walked there from school. When we got there we said hello to all the helpers. Then we got to do some of the washing and polishing, dressing up. We wrote with a nib pen and ink. Next we looked at the old rooms and we went out into the garden. We had morning tea it was yummy my favorite thing was dressing up. Before we went back to school we got some very old coin and a bag of lollies.

By Jason (The roof is just like this – very big)

... To get there we had to walk. One of the things we did there was washing cloths. To wash the cloths, we had to rub the soap on the cloths, rinse them in water and rinse them in blue. We also got to polish some shine things we had to put a special cream on them and scrub really hard. For morning tea we had fairy bread, juice and ANZAC biscuits. My favourite thing we did was write with a nib pen. To use a nib pen we had to dip the pen in ink and write on the page. To stop it from smudging we used some paper to blot it.

By Noah (We like the old school desks with inkwells)

... we travelled by walking. It was not far it took about ten minutes to get there. We got to do old jobs I liked dressing up, polishing and washing clothes on a washboard. The helpers gave us an old coin and some nice morning tea. We had orange or apple juice for a drink and ANZAC biscuits. Some of my favourite things were dressing up, polishing washing, exploring the room of the first teacher of Beverley and getting lollies.

By Oliver (Very happy to be at the Dead Finish Museum.)

On Wednesday we walked from school to the Dead Finish Museum. We did washing with a washing board. We used blue in the water to get the soap out. We used dolly pegs to hang them up. We wrote with a ink pen and it was really cool. The ink doesn't last. You can only write with your right hand. We had some really nice morning tea. There was apple juice, fairy bread and ANZAC biscuits. We got lollies and old money too. My favourite part was when we got to dress up in some old clothing. I really liked dressing up because there were lots of things to choose from. I hope we can go back soon.

By Abigail (See the verandah posts and the hanging sign)

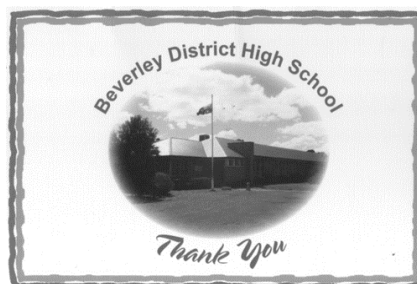

... We had to walk there. One of the things we did was dress up in olden day clothes. I put a fancy hat on and some very fancy clothes. The next thing we did was wash the dirty clothes and rags. The pegs were called dolly pegs. After exploring the museum, we had morning tea. They gave us an ANZAC biscuit, fairy bread and some apple or orange juice. Last but not last some History coins. Some were even over a hundred years old. We also got a bag of lollies. My favourite part was writing with the nib pen.

By Ruth (The bag, the cane, the strap & blackboard are there)

Dear Committee members & Helpers  
 Thankyou for giving up your time and making our visit so enjoyable. We all had a fabulous time.  
 Regards  
 Year 2 and Sam Goller.

## HISTORICAL SOCIETY- PRESIDENTS REPORT

Another year has passed by very quickly. A year that has seen a small group of volunteers do great things. We would love to have more members helping us do great things. I don't think the greater community realises just how many people out there are seeking our help to find out information about their relatives, houses, farms and much more. Although all our members help in the research field, I must thank our chief researcher Morag Whitney, very much for her endless work for this society.

We have been able to open the Museum from March to November on Sundays and many Saturdays, and we've also opened for those who want to visit out of regular hours. I sincerely thank everyone who has manned the Museum this year. Apart from our regular weekend visitors, we have had two caravan clubs, two tour groups and many others through our door. About 270 Visitors in all. We even had the team from Destinations WA to visit and film for the TV show.

Di and Anne did a lot of work to organise our trip to Boyadine, and we spent a lovely day with Debbie and Blaire Doncon, Viv and Cliff Doncon and the current owners of the house and some surrounding land, Fiona and David Mofflin. It was a very interesting step back in time, not always possible with so many of our old properties not being restored as this house and sheds have been. It would be lovely to hear of other farms we can visit with their history intact.

In November Glenys went as our representative to the CRC AGM, thank you Glenys.

In December our members enjoyed a Christmas meal together in York at the old 'Settlers Arms' to celebrate our year of 2018, unwind and enjoy each other's company.

Thank you to Morag and Glenys who represented us at the Volunteer Day held at the Cornerstone building in December.

Thank you also to Morag and Di who attended the opening of the Cornerstone Building in February on behalf of the Society in our time of recess.

Now into our new year, and well done to the ladies who organised our new display "Fashion and Finery". To Morag thanks for all the signage on these displays and special detail that she brings to all our displays. The opening of "Fashion and Finery" was for Easter and we were rewarded with about 40 visitors over that weekend. (The display has been ongoing.)

Thanks to Glenys Petchell for attending the Community Participation Open Day at the BDHS representing the Society. We are happy to be a part of their school's calendar with the year 2 visit to the Museum every year.

I did an interview with our local radio station about the Dead Finish Museum and our Society which was fun, and Morag has also done a talk with Rhonda since. Thank you to them for their interest.

At our May meeting we had a talk by Elspeth Binkes about an early Dale resident William Quinlan. He came to WA a convict and farmed in the Dale with his wife and young children. His wife died suddenly and then at a later date he also died tragically, and his children were farmed out to relatives and orphanages. A sad tale indeed.

A talk by Scott Whittaker about Railway Hotels across Australia was held in August at the CRC which was very interesting. We had hotels in Beverley at one time or another named as a Railway Hotel. Even our Dead Finish Museum was once known as the Railway Hotel for a time. A book was donated to us for information provided by our Society. Thanks to those who attended.

The show theme 'Pathways to Beverley'. A big thank you to all members for helping Morag searching for information and photos from our files and Morag for labelling and putting it together. It took longer than anticipated because everyone involved got side-tracked with the interesting information that we have in our Research room. Thanks to Glenys and Mark Petchell for taking the display to the show and Diana and Richard Smith for returning it to the museum.

The Wheatland's Chapter AGM and meeting was this year held in Southern Cross. Thanks to Morag for attending and presenting our annual report.

We thank the Garden and Tree society and members for their wonderful ongoing maintenance and plantings in our Museum garden throughout the year. Thank you also to the Beverley Shire who looks after the Dead Finish building. I thank Glenys Petchell who reports each month for the Blarney, assists with archiving and incoming mail. Thank you to Diana Smith for her support as Vice President and for putting an advert for our opening hours on Facebook every week, to Morag Whitney for her work as secretary and to Erica Murray our treasurer for watching over our funds. Thank you to our loyal members for their ongoing support. And a big thank you to Bill Whitney for auditing our accounts once again.

I look forward to the next year's activities and research provided by the Society and hope that we can get some very much needed new members to join us in our interesting quest to keep our history available to visitors to Beverley and to our own community.

Thankyou,  
Joy Smith (President)

# BEVERLEY HISTORICAL SOCIETY

We held our final meeting of the year on 02 December starting early then cover up the museum for the summer followed by a Christmas Lunch at the Hotel Beverley.

We are now in recess until Sunday 08 March 2020.

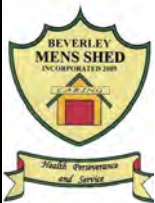

The committee have had a request for a photo of Evangeline Mary (Eva) Adam 1877-1949, who was married to Seymour Grant Meares. If anyone could help us, it would be much appreciated.

The Society have once again had a very busy year with lots of research requests, plus getting a couple projects completed. Our wedding albums are in the process of been updated and put it suitable albums, thanks to a very generous volunteer.

On a sad note we send our deepest sympathy to Erica and her family on the sudden passing of Neil. Our thoughts are with you all.

As fewer people became involved  
A Museum Steering Group was born  
A new start, a new dawn  
Busy Bees with the Shire involved  
Many problems to be solved  
Efforts of the past respected  
Any rubbish now ejected  
As usual we sowed our crop  
Only limited rain did drop  
Our harvest was not the best  
Even though our crew did not rest  
The weather had closed the doors  
On extra donations for our cause  
Visitors still came and saw  
100 years and many more  
Farm implements, machinery,  
A lesson in Wheatbelt history  
Several openings for special groups  
A good reason to rally the troops*

*Volunteers always giving their all  
Continually happy to answer the call  
National Trust held an open day  
Our group helped in every way  
New Accommodation and signage to see  
Visitors welcome to explore for free  
Several Museum items being exhibited  
Many guests were notably riveted  
To the changes through the ages  
The evolution of Agricultural pages  
A Men's Shed visit on a Tuesday they came  
Enjoying Machinery many could name  
For some, memories from the past  
And others, new ones that will last  
Item numbering is our view  
Additional work for our crew  
Recording updates now to keep  
No one here gets much sleep  
So many tasks, were always busy  
Just watching can make you dizzy  
Trying to solve Museum history  
Much of it still a mystery  
So, if you want to join us Mate

## AVONDALE FARM UPDATES AND CHRISTMAS GREETINGS

It's been a busy year at Avondale Farm. The very successful community day in September celebrated a number of projects that have been completed including the redevelopment of three of the houses into short stay accommodation - one with universally accessible facilities - and upgraded signage and interpretation throughout the precinct.

A lease has been signed with Living Farm, a York-based agricultural research company who will work with WA farmers to continue the history of agricultural research at this significant property.

"The National Trust is also very excited to announce a joint project with the Noongar Land Enterprise Group, Food Innovation Australia Limited and the Shire of Beverley, focusing on the development of an Aboriginal led bush produce research, training and enterprise development hub at Avondale" National Trust CEO, Julian Donaldson said.

The project includes a scoping study of Aboriginal participation and opportunities in the bush food industry across Australia. One of the key outcomes of the project is to design a model to increase participation of Aboriginal people in the bush produce industry and Avondale, as a hub, has been identified to have potential to be a key part of this process.

It is important to understand that Aboriginal people benefit from Bush food production, including through commercial production, while at the same time respecting cultural knowledge and understanding and that there are limitations to protecting intellectual property. The study will include extensive engagement with Aboriginal people to ensure cultural knowledge is a central driver for the project.

Bush food production has potential to provide a range of benefits both to Aboriginal people and the broader community including nutritional and medicinal applications.

Oral McGuire of the Noongar Land Enterprise Group (NLE) is also excited by the opportunity. "The hub will be used to conduct research and development, training and marketing, and dissemination of information and learnings to Aboriginal and other communities across Australia. This is a fantastic opportunity for Aboriginal communities and the Beverley district," he said.

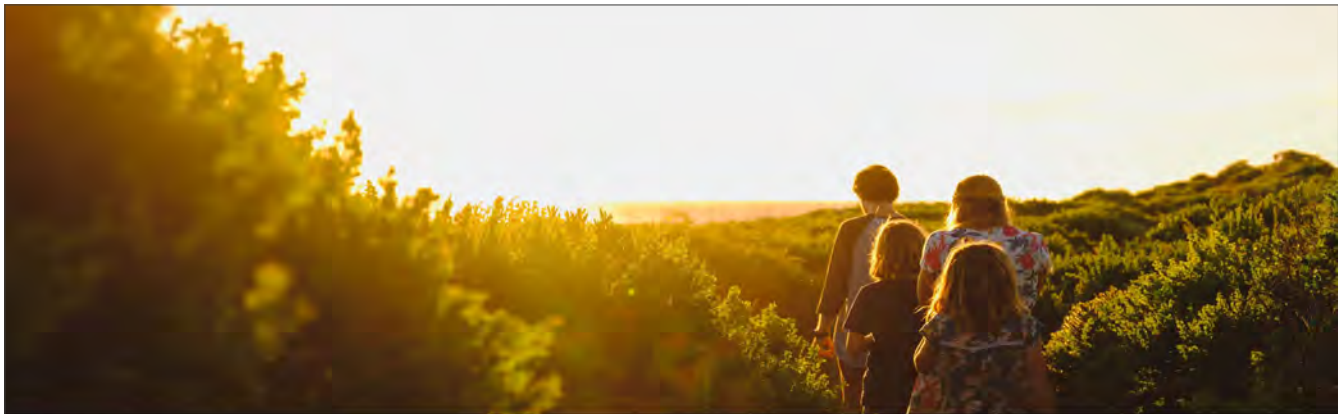

The feasibility study was launched on Tuesday 17 December and work will begin in the new year. Exploring the potential for a Bush Food Innovation Hub to be established at Avondale Farm is part of this project.

The Trust continues to work closely with the Shire of Beverley and the dedicated volunteers who open the Agricultural Museum and work on the care and conservation of its collection. This collection is not only a key attraction in the Shire but it holds significant material reflecting the industrious and inventive farming community over many decades.

"On behalf of all here at the Trust we would like to thank Monica and the volunteers for their hard work and wish everyone a happy and safe festive season. We really look forward to working with the community next year to continue to build the profile of Avondale Farm and make important contributions to the social and economic well-being of this important community.

Avondale Farm is closed during the summer months. Keep an eye out for 2020 opening times in the next Blarney.

# MERRY CHRISTMAS

The Councillors and staff of the National Trust of Western Australia wish you and your family a very Merry Christmas and a safe and Happy New Year.

## Christmas Party

The annual Beverley St John Christmas party was an enjoyable evening for everyone to come together and celebrate another year of wonderful work within the community. With a focus on providing enjoyment for the children, they enjoyed decorating our Christmas Tree showcasing their artistic talent and, of course, a visit from the great man in red.

Beverley Sub Centre of St John WA also presented Wayne Rayner from Beverley Country Kitchen with a Certificate of Appreciation in recognition of the continued support provided to St John WA and the provision of food and drink at any time of the day or night to the crews of the RFDS and Rescue 65.

## Thank you

The Beverley Sub Centre appreciates the generosity of our community in contributing to the ongoing of our community. This month thanks are extended to the Freemasons for their generous donation, along with the Beverley Pharmacy for their continuing support as a 'drop off' point where benefit funds subscriptions may be paid.

**On behalf of all volunteers and  
committee at the Beverley Sub Centre**

**we wish everyone a very Happy & Safe New Year 2020**

## Snake Bite

Snake bites are not common in Australia, but all should be treated as life threatening. Snakes force venom out under pressure through fangs in the upper jaw. The spread of snake venom depends on its absorption through the lymphatic system.

### Caused by

- + Fangs puncturing the skin.

### Signs & symptoms

- + Visible in an hour or more after the person has been bitten.
- + In children signs and symptoms may appear within minutes.
- + Puncture marks or scratches, may bleed.
- + Nausea, vomiting and diarrhoea.
- + Headache, drowsiness, giddiness or faintness.
- + Double or blurred vision, drooping eyelids.
- + Voice changes, trouble speaking or swallowing.
- + Pain or tightness in the throat, chest or abdomen.
- + Breathing difficulties, respiratory weakness or arrest.

### What to do

1. Follow DRSABCD St John Action Plan.
2. Lay the casualty down, rest and reassure.
3. If the bite is on a limb, apply a broad pressure bandage over the bite site as soon as possible.
4. Then apply a further elasticised or firm bandage - start at fingers or toes and move up the limb as far as can be reached. Apply tightly but without stopping blood flow.
5. Splint the limb including the joints on either side of the bite.
6. Ensure the casualty does not move.
7. Urgent medical aid. Call **Triple Zero (000)** for an ambulance.
8. Write down the time that the casualty was bitten and when the bandage was applied.

### DO NOT

- + Wash the venom off the skin (it may aid in identification).
- + Cut the bitten area and try to suck venom out of the wound.
- + Use a tourniquet.
- + Try and catch the snake.

In a medical emergency  
call **Triple Zero (000)**

## Artists-in-Residence

The Artist-in-Residence from 16 – 24 December is botanical artist **Marta Salamon** from Victoria whom we warmly welcome back to the Station. Marta can't get enough of our WA flora. As a well-known artist and teacher specialising in botanical art for over 20 years she has a swag of awards to her name, including the Celia Rosser Medal for Botanical Art.

She has exhibited widely in Australia, Japan and her work is held at the National Herbarium collection in Melbourne, the Florilegium Society for the Sydney Herbarium, the Sutton collection in New York and in private collections throughout Australia.

Marta invites people to drop into the Station to watch her paint and answer questions on her technique or anything about botanical art.

Following Marta leaving the Station, **Kaitlyn Elsegood** will be in residence till mid-January. She originally hails from Fremantle and has been living in Melbourne for the last two years. Kaitlyn is about to graduate with a Masters in Arts Management from RMIT and currently juggles a few jobs but all her roles are centred around community or disability art.

## FREE FORM CLAY WORKSHOP (half-day) Sunday 29 December

Whilst at the Station Kaitlyn would like to run a FREE FORM CLAY WORKSHOP for both adults and children on **Sunday 29 December at 10am**. BYO lunch. Each person will make a cup which can be glazed for a minimal material cost.

The Elvis and Abba show on 29 November was well attended by 200 people on unfortunately a cold windy night. But we danced to keep warm and it was a great show!

### End of Year Presentation Night

Thank you to all our parents, guardians, students and the wider community who attended our Presentation Evening. Congratulations to all students who received an award for their hard work and achievements in 2019, and a fond farewell to our graduating students and those moving to other schools for 2020. A special farewell to Abby, our Year 12 student who has graduated this year through SIDE. Abby has been an amazingly self-motivated and driven student who we wish all the best for a very bright future.

This year we farewell Mrs Corinna Thomas, Mrs Marie Carroll, Mr Steve Ellison and Mrs Erin Dunne. We wish them all the best in their future endeavours.

Thank you to all our generous award donors - without you these awards would not be possible.

## Moving Forward to 2020 at Beverley DHS

We are very much looking forward to 2020 along with our staff under the leadership of Mr Ben Ratz and Mrs Aliesha Murray. As always our staff will continue their focus on Explicit Teaching and we have a fabulous line up of consistent staff who continue to build on our level of expertise in the school. Our continued focus on strong and consistent Literacy and Numeracy programs will be evident in all classrooms. We are excited about the specialist staff and programs that will be running such as Mrs Bailey as PE specialist, Mr Terry Chivers as D&T specialist, Mrs Minchin teaching Italian, Mrs Barrett-Lennard as Arts specialist and Mrs Sarah Aynsley in her exciting new role of STEM specialist in the Primary.

At Presentation Night we announced our Student Leadership team for 2020 including our Faction Captains. Congratulations to these students who had to nominate and give a speech to be

elected by their peers into their positions of leadership. We have already planned their attendance at the Halogen Leadership conference in March with guest speakers such as Rove McManus, Erin Molan, Bianca Chatfield, John Coutis and Eamon Sullivan. This is to develop our students and their leadership skills in order to be great role models to

others and understand what it means to be a great leader. We are looking forward to working with these students to make our school the best it can be for all students!

## Secondary End of Year Celebrations

Our secondary students enjoyed a great end to the school year. On the 06 December 2019 our students attended the Secondary Formal. The students had a wonderful time 'dressed to the nines' and finished off the year in style. A HUGE thank you to Mrs Morrell, Mrs Linda Footer (Chaplain) and Mrs Wallis for all of the hard work they put in to make this night a great success.

## Plenty of play in Junior Primary!

It's been a hive of activity in the Junior Primary over December. Our Kindy and Pre Primary together with our KPP committee hosted a wonderful Christmas Concert once again! Santa even arrived with the police and fire truck as escorts! Our Pre-Primary to Year 3 students enjoyed an afternoon of fun games at the pool! They certainly liked the opportunity to cool off in the hot weather that we had at the beginning of December. Our primary student leaders also enjoyed the chance to attend the event to lend a helping hand to run activities and keep our students extra safe in the water. These are both annual events for our junior primary students and as always, they were enjoyed by all. Thank you to our wonderful staff and parents for all of your hard work!

## Secondary Mock Interviews

Mrs Sam Fricker from the Beverley CRC came into the school to facilitate mock interviews for our Year 9 and 10 students, organised by Mrs Bailey in Careers Education. This was a great experience for them to formulate answers to interview questions in response to an advertisement for traineeship position at the CRC. We would like to thank Sam for her time and effort in this venture, it was certainly a valuable learning experience for our students.

*From all the staff at Beverley District High School, we wish all our families a safe and wonderful holiday. We look forward to seeing our students return on Monday 03 February 2020.*

## BEVERLEY EARLY YEARS GROUP

The Beverley Early Years Group is a network that aims to strengthen opportunities for children (0-4) and their families to connect and thrive in our community.

What happens to children in their early years matters a great deal. Improving children's development through the critical early period can have transformative social and economic impacts.

# *Beverley* **GARDEN AND TREE SOCIETY**

The last meeting for 2019 was replaced by our Christmas lunch. This was a happy, noisy event at the Hotel Beverley where we were served a delicious meal. Thank you to John and his staff for their friendly efficiency. The secret Santa proved to be very popular as were the door prizes. Who would have suspected that a bag of manure or potting mix could be greeted with such enthusiasm? We wish all of our members a safe and happy New Year. We will meet again on Tuesday 03 March 2020 at 10.30am at a venue to be announced.

Gardening in Beverley during January can be challenging dealing with the heat waves and strong, hot winds.

Vegetables to plant in January include: beans, beetroot, broccoli, brussels sprouts, cabbage, carrot, cauliflower, leek, lettuce, radish, rhubarb, shallots, silverbeet, spring onion and turnip,

Flowers to plant in January include: alyssum, aster, dahlia, gerbera, impatiens, marigold, nasturtium, pansy, petunia, portulaca, salvia, stock, sweet pea, verbena and zinnia.

January is a great time to attend to the following tasks in the garden:

- Divide bromeliads
- Trim hedges and espaliered plants to maintain good shape
- Dead head roses to encourage more flowers
- Tip prune basil regularly to encourage bushy plants
- Top up mulch on everything – including pot plants – to help retain moisture in the soil
- Check your worm farm regularly to ensure it does not dry out
- Tip prune native shrubs that have finished flowering to help make them bushier
- Harvest fruit, vegetables and herbs daily
- Clean out excess plants from your pond
- Remove suckers from grafted plants, especially citrus, robinia and roses
- Prevent seeds forming on agapanthus by removing spent flowers
- Prune roses by one third to encourage good flowering for autumn
- Remove a third of developing fruit on trees to reduce disease, increase fruit size and quality and to evenly distribute the weight of the fruit
- Cut back lemon verbena, mint and lemon balm so they don't become leggy. Use the prunings to flavour drinks
- Remove dead leaves from tropical plants such as palms, cordyline, strelitzia, ginger and bromeliad and strappy plants such as kangaroo paw
- With a chance of summer storms, January is a good time to ask a qualified arborist to check all trees and remove any dangerous branches

Happy January gardening!!

"Death is nothing at all.  
It does not count.  
I have only slipped away into the next room.  
Nothing has happened.

Everything remains exactly as it was.  
I am I, and you are you,  
and the old life that we lived so fondly together is untouched, unchanged.  
Whatever we were to each other, that we are still.

Call me by the old familiar name.  
Speak of me in the easy way which you always used.  
Put no difference into your tone.  
Wear no forced air of solemnity or sorrow.

Laugh as we always laughed  
at the little jokes that we enjoyed together.  
Play, smile, think of me, pray for me.  
Let my name be ever the household word that it always was.

Let it be spoken without an effort,  
without the ghost of a shadow upon it.  
Life means all that it ever meant.  
It is the same as it ever was.

There is absolute and unbroken continuity.  
What is this death but a negligible accident?  
Why should I be out of mind because I am out of sight?  
I am but waiting for you, for an interval,  
somewhere very near, just round the corner.

All is well.  
Nothing is hurt; nothing is lost.  
One brief moment and all will be as it was before.  
How we shall laugh at the trouble of parting when we meet again!"  
-Henry Scott Holland

# THANK YOU

## McQuinn Family

Thank you to all our Beverley friends who attended Neil's funeral, sent cards, floral tributes and phone messages.

It was a lovely ceremony, well planned and orchestrated by Tinetti Purslowe Funerals. Reverend Jeff Sturman officiated and several family members spoke poignantly about Neil's life, also speaking was Reverend Peter Harrison who was Joan and Neil's parish priest from when they lived in Bayswater.

Susan, Neil and Joan's eldest daughter, wrote and delivered a beautiful eulogy also describing Neil's life. Also his work and family.

Neil's ashes were interred with their baby daughter Rosemary's at St. John in the Wilderness, Dale. A delicious lunch was prepared and served by the Ladies of the Dale and enjoyed by all

## Adams Family

To the many wonderful people of Beverley. Thank you from the bottom of our hearts for all your best wishes, cards, phone calls and sympathy following the passing of our beloved wife, mum and gran- Norma.

May she rest in peace.

Ron, Lindsay, David, Gina, Lorretta and James Adams.

## Murray Family

A big thank you to the Ambos Peter, Jenny and Chrissie. Also Darrell and Ian, Robyn, Cliff and special friend Dawn, for attending to Neil on Sunday 8th December when I lost my husband Neil so suddenly.

Thank you everyone who kindly bought food, called up, popped in, sent cards and gave a hug.

I really am overwhelmed and live in a wonderful caring town.

I sincerely thank you all.

## Beverley Visitor Centre

Thankyou to the invaluable volunteer team who  
have assisted the Community Resource Centre  
(CRC) in 2019 to keep the Beverley Visitor Centre  
open on weekends. The CRC's professional  
management of the Beverley Visitor Centre, their  
team of weekend volunteers, and the work  
undertaken by the Shire's Tourism Officer and  
supporting Tourism Advisory Group, has seen an  
increasing number of visitors to Beverley,  
especially around the wildflower season.

If you are interested in joining the volunteer team,  
even just to help once a month, more volunteers  
are required. Enquiries to Sam at the CRC  
(96461600) or Dee (0428464007). Training is  
provided and various activities are planned to  
increase our knowledge of the region and better  
acquaint us with the important ambassador role  
being provided to Beverley visitors.

Best wishes for the festive season and New Year.  
Keep safe.

## JUNIOR CRICKET

And that's a wrap.

Junior cricket is finished for 2019 and what a great first year we had.

The junior blaster program is usually for 5yrs to 7yrs but as it was our first year it was open for 4yrs to 11yrs and we had 29 registered players.

We were even lucky enough to get a group of kids together to take on Quairading in a modified rules cricket game, well done guys.

A big shout out to all the parents that joined in and helped out each week.

Special thanks to Brad Copping who became my 2IC and made sure all activities were set up correctly before all the kids arrived.
