Edition 429

July 2020

No Charge

Help build Beverley's

# COMMUNITY GARDEN

**SOW  
GROW  
HOE**

After many months of planning and fundraising the Beverley Community Garden Committee are now ready to start building the community garden. If you have an interest in gardening, sound handy man skills or would love to be involved building the garden, you are most welcome!

Everyone Welcome  
No Experience Needed

For more information call  
Betty on 0400 569 971

# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## COVID-19

The Shire has recently reopened the Playgrounds and changerooms under Phase 3 in addition to the Town Hall, Amenities Building, Caravan Park and Netball Courts that were opened in Phase 2. All places have a developed COVID-19 Safety Plan and restrictions do apply when hiring. At the time of writing, Phase 4 was just announced which will allow the gymnasium to open. The 2sqm rule will still apply to our patron limits in Shire buildings.

## Important Notice - Rates , Fees and Charges 2020/21

In case you missed it in the June Blarney: the draft 2020/2021 Budget is being planned with a rates freeze and Council set fees and charges should remain at 2019/20 levels. Whilst a true rates freeze is what Council would have hoped for, in late May 2020 we received advice from the Valuer General that rural assessments have been revaluated and values have increased at an average of 4.19%. Council are extremely disappointed that the State Government are going ahead with this increase after lobbying by LG's and WALGA not to implement this year's valuations, particularly in light of the COVID-19 pandemic. This ultimately means that even though Council will not be increasing the overall revenue raised, some rural landowners may see a difference in their 2020/21 rates assessment when compared to their 2019/20 assessment.

## Flag Raising Ceremony

The Shire of Beverley and the Beverley Police are holding a joint Flag Raising Ceremony on Friday 10 July. Please see page 7 for full details.

## Back to Business

After the last few months it is nice to see businesses being able to reopen and/or extend their hours , volunteer groups getting back together and school going back. However, we acknowledge that some businesses, groups, events and sports have been unable to restart, run or open and are finding the going tough particularly with the restrictions that have been in place. On behalf of Council we are thinking of you. We ask Community members to remain a member or volunteer, keeping supporting local business, keep supporting your club and keep supporting each other.

## Vale Gerard Seeber

Councillors and Shire staff send our sincere condolences to Valery, Dinkasaurus and Gerard's family. Gerry was the former owner of Beverley Gas and Plumbing who completed many jobs over the years for and on behalf of the Shire. Gerry was much loved by us and the community and he will be missed. RIP Gerry.

## Community Grants

The Shire of Beverley Community Grants open 1 July and close 31 July. Late submissions will not be accepted. Application forms and details are available from the Shire website [www.beverley.wa.gov.au](http://www.beverley.wa.gov.au). There are minor grants (up to \$1000) and major grants (\$1001-\$5000 with 50:50 matching funds) available for local incorporated groups.

## Cuppa with a Councillor

Councillors will be available for a friendly chat at the Cornerstone Building on Wednesday 15 July, 10:30am. Thank you to the CRC for organising this event for Council. Please rsvp to the CRC 9646 1600.

## School Holidays

If you are travelling throughout our great State for school holidays, please stay safe on the roads. If you're staying home, here are a few ideas for things to do in Beverley – consider a picnic at County Peak, scroungers golf on a Wednesday or Friday, look for orchids in the Brooking Street reserve or take a visit to the Visitors Centre and Library in the Cornerstone Building.

Cr Don Davis  
Shire President

## SHIRE OF BEVERLEY POLICY NOTICE

In accordance with the *Local Government (Functions and General) Regulations 1996, Part 4A*, [24F Adoption and notice of regional price preference policy](#), notice is hereby given that the Shire of Beverley proposes to adopt draft policy AF014 Regional Price Preference.

The policy is available to view on the Shire website [www.beverley.wa.gov.au](http://www.beverley.wa.gov.au) or from the Shire Office 9646 1200. Any comment to the draft policy should be emailed to [admin@beverley.wa.gov.au](mailto:admin@beverley.wa.gov.au) and received no later than COB Wednesday 22 July 2020.

### Office Closure

**The Shire of Beverley Administration Office will be closed on Thursday 2 July for the funeral of Gerard Seeber.**

**Stephen Gollan  
Chief Executive Officer**

## BEVERLEY AGRICULTURAL SOCIETY INC

Thank you for your ongoing support of the Beverley Agricultural Society in 2020. Whilst we are not able to host our annual show in August, our work continues behind the scene.

As mentioned in previous communications, we are rolling over our 2019 memberships free of charge but we need your assistance to ensure our information is up-to-date. We have moved our operations to a new platform, known as TidyHQ, which will allow a more streamlined approach to communications and record-keeping, and also assist with the succession planning as we welcome new members to the committee. Please follow the link below to register as a member for 2020. We also welcome paid memberships to assist with the cost of administration; we appreciate those members who have already helped us out in this area.

<https://beverleyagsociety.tidyhq.com>

We would also like to acknowledge the retirement of Michelle Drury from the committee as Membership Secretary. We will miss her hard work and contribution to our society and wish her well on her new adventures.

A huge thank you must also go to Pingelly and Districts Hannaford Seedmasters for continuing their sponsorship despite the show's cancellation. We are also pleased to announce that many of our 2020 sponsors have already signed on for 2021 - it will be a big year as Beverley Hydra Boom and H Rushton & Co celebrate 20 years of sponsorship of the Beverley Show!

Wishing you all the best from the team at BAS

SHIRE OF BEVERLEY

# COMMUNITY GRANTS

Does your incorporated organisation have a local project that needs some extra financial help?

Application packages are available from the Shire Office and open 01 July 2020. Submissions close 31 July 2020, late applications will not be accepted.

Please contact Ali or Ashleigh at the Shire Office to discuss the eligibility of your project/application before applying.

Further information about eligibility and application criteria is available in the application package. Packages are available at the front counter or at our website.

Enquiries

P: 9646 1200

## **PUBLIC NOTICE**

### **New Pump Station for Beverley**

Water Corporation will soon begin construction of a new pump station on Hutchinson Street, near to the intersection of Hunt Rd in Beverley. This essential work also includes installation of 250m of connecting water supply main along Hutchinson Street.

**Work will take place from June until December 2020.**

Customers nearby may experience a temporary disruption to water supply and written notification will be provided at least 48 hours prior to any planned outage. Residents may also notice activity at the worksite, including some increased noise and traffic.

Safety is our priority and our contractors are following government advice relating to COVID-19 to complete this work. Please keep a safe distance from our worksites and workers.

Thank you for your patience while this essential work is carried out. If you have any questions, please contact our Community Engagement team on (08) 9420 3265.

For more information, please visit [watercorporation.com.au/Beverley](http://watercorporation.com.au/Beverley)

AGM on Friday 03 July 2020,  
7:00pm  
At the Beverley Bowling Club,  
Forrest St

All members are invited to  
attend.

Interested in studying in Semester 2, 2020?  
Central Regional TAFE will come here but we  
need 5 people to run this course in Beverley

## Certificate IV in Environmental Monitoring and Technology

### About this course

With more and more businesses interested in conservation and keen to reduce their impact on the environment there has never been a better time to join this growing industry.

This qualification will provide you with the practical skills and knowledge to collect and analyse environmental samples and process environmental data for the purpose of minimising the impact of human activity on the environment. Students undertake a range of field-based activities including vegetation surveys, geological formation recognition, water and soil sampling and testing and the use of GPS in environmental monitoring applications.

Please note this course is facilitated by the Geraldton TAFE

For more information call Beverley CRC 9646 1600

## Beverley Historical Society-

## Closed until further notice

Unfortunately, the members sadly have decided to close the Dead Finish Museum to the general public until after our May meeting and will then make future plans.

No weekend openings, 4 days of Easter plus our display for Anzac Day. Sorry for the inconvenience but with most of our volunteers of a certain age, we think this is for the best.

We will still be operating behind the scenes and are seeking help with the following –Pingelly Historical Society request any information of the Mail Coach Run from Guildford, York, Beverley, Mourambine around 1850's.

Our Wedding Albums are in the process of being updated and we welcome any photos of Beverley residents (even if you were not married in Beverley) but please add all your details. We will have them copied and returned back.

We are still chasing photos of old houses in Beverley plus names of farms that have changed hands over the years.

For any other enquiries please contact us at [bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com). If you have any information on the above requests please email it to us.

At this stage, the Historical Society will still be holding our monthly meetings.

## HAPPY BIRTHDAY

### Ted Sheehan

Wishing you a very happy 90th birthday on 26 July. What an amazing milestone reaching 90 years– have a wonderful day with family and friends.

My love always,  
Sheila

## THANK YOU

Norma, Shahan, Gail and families would like to say thank you to the wonderful people of Beverley who sent cards and messages on the occasion of our loss of Bert, and to all those who paid their respects and honoured Bert along the streets and at the cemetery at a time when Covid restrictions permitted so few at the service. Would you all please accept our heartfelt thanks and appreciation.

**BEVERLEY HISTORICAL SOCIETY**  
FROM *THE BEVERLEY TIMES* 100 YEARS AGO

14 December 1918

**Pneumonic Influenza.**  
**TRANSPORT BOONAH'S CASES. VERY SERIOUS OUTBREAK.**  
**DEATH OF PRIVATE DING.**

The transport Boonah, which arrived at Fremantle on Wednesday, had on board a great many cases of pneumonic (or Spanish) influenza, the number of cases increasing to no less than 350 by Thursday night, by which time five had proved fatal, and another patient, our old friend, Private A. W. Ding, of Beverley, passed away yesterday morning. The patients have been landed at Woodman's Point, whilst for the present the healthy passengers and crew will remain on the boat in Gage Roads. The Boonah, which was proceeding to Europe with troops when news of the signing of the armistice was received, was ordered back from Durban; at which port she spent eight days, and the first case of influenza developed on the day of her departure for Fremantle. Everything possible is being done to prevent the spread of the complaint by the central health authorities, and with this end in view a circular letter has been sent by them to the various health boards throughout the State, asking the latter to make necessary preliminary arrangements in anticipation of an outbreak in their respective centres. The preliminary arrangements which the Central Board of Health require to have attended to are summarised as follows :—

1. The appointment of a small executive to perfect local organisation and assume control of affairs if an outbreak occurs.
2. Review the motor transport in the district suitable for use as ambulances or readily convertible to this purpose.
3. Invite the registration of those persons willing to give their aid to the health authorities in the various capacities of domestic assistance, nursing, orderly work, street patrol, etc.
4. Open public inoculation depots, well advertise the fact, and encourage the public to take full advantage of these.

The first intimation Mrs. Ding had that her husband had contracted the complaint was received by her on Thursday, and she and her two children left for Perth by the same afternoon's train. Yesterday the sad news was received in Beverley that Mr. Ding had passed away. Deceased had been in business in this town for a number of years prior to his enlistment a few months ago, and he held the respect and esteem of the whole community. Only last Saturday he was appointed Secretary of the local Hospital in anticipation of his early return to Beverley. He leaves a widow and two boys to mourn his loss, to whom the sympathy of a host of friends goes out in their sad bereavement.

22 February 1919

**Pneumonic Influenza.**  
**PUBLIC MEETING AT BEVERLEY.**

A public meeting, convened by the Beverley Road Board, was held in the supper room of the Mechanics' Institute on Saturday night. There was a representative attendance of about 30 persons, and Mr. F. T. Broun, M.L.A., as Chairman of the Board, presided, and outlined the steps which had been taken by the Board to cope with the scourge should it make its appearance in the district. The meeting, he said, had been called that night to place the public in possession of the facts and for the purpose of forming committees to be in readiness should an outbreak occur. The District Medical Officer (Dr. Butler) said he had given the matter consideration, in conjunction with the members of the Local Board of Health, with a view to making necessary preliminary arrangements, as once pneumonic influenza got about among the people it would be too late to organise, as the progress of the complaint was so swift. They had been asked to come together for the purpose of organising and forming small committees. It had been made necessary that anyone suffering from influenza should notify the local authorities immediately. Should a case occur in the town it would be necessary to stop all public gatherings and close the schools, etc. They had been strongly advised by the Commissioner not to use the local Hospital as an isolation ward should an outbreak occur, and the local Board decided that the Mechanics' Institute would be utilised in such an event. He then went on to outline certain precautionary measures to be taken and emphasised the necessity for early organisation and voluntary aid in the case of a visitation from the dread scourge. In answer to Mr. Royce, the Chairman said that the Board had gone carefully into the matter and the members were satisfied that the Mechanics' Institute was the most suitable building available for the purpose. After a general discussion and several questions, volunteers handed in their names for patrol, ambulance and other work necessary in case of an outbreak, and the meeting then closed.

9 August 1919

## The Influenza Epidemic.

Whilst the outbreak of pneumonic influenza appears to be practically stamped out in the Eastern States, it seems to be getting a firmer hold in the West, and, in addition to the cases reported in the metropolitan area, outbreaks have occurred in the various country districts, which is naturally causing considerable uneasiness. Everything possible, however, is being done by the Public Health authorities to minimise the dangers of infection, and, with the assistance of the public in conforming to the regulations laid down by the Department, it is hoped that anything in the way of a panic may be averted. All cases of an auspicious character should be at once reported to the proper authorities.

In so far as the Beverley district is concerned, seven cases of pneumonia, following upon ordinary influenza, have been reported, but it is satisfactory to note that none of the patients have developed dangerous symptoms. The Government Medical Officer (Dr. Butler) and the local health authorities are fully alive to the possibilities of the situation, and in all cases which have come under their notice isolation of the patients has been resorted to, and every precaution is being taken to prevent a spread of the complaint. The patients are at present all being treated in their own homes, but should it be found necessary, arrangements have already been made for the lease of a cottage as an isolation hospital. The public are advised to adopt all precautionary measures, and to report any and every suspicious case which may occur to the local authorities.

At York, where there are said to be approximately between 40 and 50 cases under treatment, the State School has been closed and taken over by the health authorities as a temporary isolation hospital. The disease is spreading throughout the town and district, and Drs. Montgomery and Ward have their hands full in giving attention to the large number of cases brought under their notice. Dr. Gordon is himself a patient, but at latest advices was showing signs of improvement.

## BEVERLEY HISTORICAL SOCIETY

The Dead Finish Museum remains closed at the moment. In view of the coronavirus restrictions, our volunteers have plans and procedures to finalise, and training to undertake before we will be ready to open the museum to visitors.

We will let everyone know as soon as we are ready to reopen.

Our next meeting will be on Monday 14 July at 1:30pm.  
Please direct any enquiries to [bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com)

## Independent Public School

*Successful, Supportive, Sustainable*

For more information about the school, visit our website and Facebook page!

### Faction Cross Country 2020

Faction Cross Country was a unique experience at Beverley DHS this year due to our COVID restrictions, although we are happy to say that all of our Pre-Primary to Year 10 students had the opportunity to participate in this carnival, albeit without our school community there to cheer them on. Students have been busily training at school and at home, using Mrs Bailey's QR Laps app and have done a great job in reaching their 5km, 10km, 20km and 30km goals over the training schedule! All students were awarded certificates for their outstanding training efforts! The students ran exceptionally well on the day and we held the award ceremony at the end of the school day on the quadrangle. Dale managed to win the Faction shield this year with Eyre coming in second and Forrest in third place. **CONGRATULATIONS** to our medal winners and runner-ups and to all of our students for giving it their best shot!

We are excited about the Interschool Cross Country in Brookton, to be held in Term 3.

## PJ Day & Australia's Biggest Morning Tea

Our students had a wonderful time at school wearing their comfy pyjamas and enjoying a warm cup of milo for recess, all in the name of raising much needed funds toward cancer research. Normally we would co-host the ABMT at our Faction Cross Country, but sadly, we were unable to fulfil this commitment this year due to COVID. Our solution was PJ DAY and our students were successful in raising a total of \$300 toward this important cause. Congratulations to our student leaders lead by Mrs Kellie Shaw in making this a successful (and comfortable) day.

### Kindy Enrolments for 2021

2021 Kindergarten students have birth dates between 1.7.2016 and 30.6.2017.

Please collect an enrolment form from the front office during the hours of 8.30am –3.15pm or ask us to email one to you.

All completed forms are required back to the school by Friday 3<sup>rd</sup> July, 2020.

## **LIVESTOCK THEFT**

In the Wheatbelt over the last 2 weeks there has been an increase in livestock theft. The latest theft only happened just out of the Beverley. Large amounts of sheep on both occasions have been stolen.

Whilst the latest incidents have targeted livestock, that doesn't mean that any other items on your property are safe. Below are some tips that you may already be doing or maybe you can incorporate to your security arrangements on your farm already.

Research indicates that opportunity and visibility are key factors for thieves. If thieves believe they can get into and out of your property and easily and without being seen, your property is at a higher risk.

- Consider visibility when designing and erecting new buildings, sheds or stockyards. (Ideally these should be in sight of a farm house).
- Prevent accessibility to your property. Gates should be as strong as possible, mounted securely to strong corner posts. Secure gates with quality heavy duty chains and locks.
- If possible, use heavy duty rollers or metal gates at the entrance to sheds and any outbuildings.
- Consider the installation of movement sensor cameras or closed circuit television (CCTV) if practical. This can assist in the successful identification and prosecution of offenders.
- SIGNS should be placed at entrance points to your property advising that it is "Private Property" and that "Trespassers will be prosecuted".
- Warn intruders of security measures used on your property: electronic monitoring; sensor lights; guard dogs and identification markings.
- If it is necessary to leave machinery on site overnight, leave it in view of a farmhouse or highly visible area. Where this is not practical, park out of sight of any passing traffic.
- Where possible, store farm machinery in a secure shed or enclosure – preferably in sight of a farm house.
- Secure equipment with heavy chains and quality locks. Either chain and lock pieces of equipment together; to trees or other stationary objects; or chain the rear of vehicle to the front wheel/axle.
- ALWAYS lock vehicles and machinery.
- NEVER attempt to hide the keys in a location nearby.
- NEVER leave valuable items displayed inside a vehicle or leave tools and other items scattered in vehicle trays. If a tool box is attached, secure the contents with a quality padlock.
- Maintain an accurate inventory of all your vehicles and machinery including: registration; chassis and model numbers; and VIN numbers.
- Photograph or video machinery and valuables to enable easy identification.
- Keep all paddocks, shed and stockyard gates closed and locked. Use locking posts to obstruct large openings to yards.
- If possible, locate stockyards/loading ramps away from public road and any entrance to your property. Ensure loading ramps are stored out of sight when not in use.
- Regularly check stock. Also check paddocks and fences for any signs of trespass and/or damage.

Cyber criminals  
are using  
**COVID-19** cover  
stories in new  
**phishing attacks**

Cyber criminals are using the COVID-19 to play on people's fear and emotions via email scams and fake social media posts.

Examples include:

- \* **Fraudulent news updates.** Fake emails and posts from cybercriminals pretending to be organisations such as the World Health Organisation (WHO), Centers for Disease Control and Prevention (CDC) and the Department of Health.
- \* **Donation and fundraising pages.** Scammers disguised as charities requesting funds.
- \* **Low stock products.** Fraudsters sending emails offering products such hand sanitiser / face masks.

**What to do if you receive unsolicited emails, posts, or texts from unknown sources?**

- Do not click on any links or download any attachments, especially if the communications:
  - 1) create a sense of alarm or urgency, or require immediate action
  - 2) offer COVID-19 vaccines or cures
  - 3) ask for your personal information.
- Be aware of fraudulent charities or crowdfunding campaigns.
- Register on [www.staysmartonline.gov.au/alert-service](http://www.staysmartonline.gov.au/alert-service) for updates on online threats.
- Do not download mobile apps from unknown sources.

More information is available from:

## PRIMARY HEALTH SERVICES

Available to the community of Beverley

You can refer yourself or your child to the following health professionals:

**Child Health Nurse** - 9646 3200  
to make an appointment, Hospital Admin Staff will assist you in setting an appointment time, which will be on most occasions a Monday.

**School Health** – 9641 0200

**Dietetics** – 9690 1320

**Occupational Therapy** - 0429 466 224

**Physiotherapy** – a **Doctors referral is required** – Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

**Podiatry** – a **Doctors referral is required**  
Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) \*\*

**Social Work** – Phone 9690 1320

**Speech Pathology** – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

## Warrior Wellbeing Article

# What is a Mental Health Care Plan?

The term mental health encompasses all aspects of our emotional, psychological and social wellbeing, it affects how we feel, think and interact with the world around us. It's important to acknowledge that "dealing with life's challenges and changes" can be difficult at times and place our mental health and wellbeing under pressure. The effects of this will be different for all of us, as we all have an innate but varying capacity to cope and deal with these pressures.

A **Mental Health Care Plan** is designed for someone struggling with their mental health and wellbeing or experiencing a mental health disorder as diagnosed by a doctor. This mental health treatment plan is about **YOU and your GP** having a conversation and both agreeing that you need additional support. The mental health treatment plan is written out by a GP and identifies what type of extra support you need. It is really about patient and doctor agreeing on what is needed to help you achieve your goals and to support your recovery journey.

### A Mental Health Care Plan may include:

- Referral to a psychologist, counsellor or other mental / allied health professional.
- A discussion around other types of support or strategies to help you.
- Review of current medication or the prescription of new medication.
- Other health checks or blood tests to explore other physical health issues.

Another major benefit of a *Mental Health Care Plan* is that it comes under the *Better Access* initiative, which entitles you to a Medicare rebate for up to 10 sessions with a mental health professional. The current guidelines do not cover all 10 sessions in one year. Your plan will cover you for 6 sessions, following that you can discuss with your GP whether the additional 4 sessions would be of benefit via a Mental Health Care Plan review and additional referral.

### Some things to remember in context to a Mental Health Care Plan:

- When booking an appointment with your GP ask for a longer consult or mention the reason for the booking (struggling with mental health / discuss care plan etc.)
- Sometimes there can be waiting periods to see psychs / counsellors. Discuss alternate support options until you can get an appointment. This may include family, friends, support lines or other services. Options can be limited in rural and remote areas.
- Like any plan, it gives us direction, but it's important it is actively reviewed through follow-up appointments with your GP and check-ins to monitor progress.

Recovery from mental health and wellbeing challenges and / or mental illness is an ongoing process and is often referred to as the *recovery journey*. When we can seek help, talk about, normalise and work through our mental health and wellbeing problems, the boundaries of our comfort zone grow and expand. This is also how we grow as individuals and is the true meaning of resilience!

**Working with Warriors® Podcast Series.** These podcasts launched on 19 June 2020 are based on conversations around men's wellbeing and health from our "Working with Warriors"® education sessions. These short podcasts regarding a man's approach to his wellbeing and health are now available to listen via our website or on Spotify, Apple Podcasts, Google Podcasts and numerous other podcast directories.

## THE “NORMAL” FOR POLICE OFFICERS

It's not normal, to see the things police officers see, hear, smell, touch and experience.

It's not normal, to carry the burdens police officers do, emotionally, physically, and mentally.

It's not normal, to see dead bodies, mangled bodies, decomposed bodies, dead children, abused children, homeless people suffering, and people victimized, taken advantage of, raped or killed.

It's not normal, to respond to scenes of horrific suicides, fatal car accidents, gang violence, domestic violence, random violence, dead animals, and abused animals.

It's not normal, to tell a family member their loved one has died and won't be coming home due to some event accidental or otherwise.

It's not normal, to respond to shooting calls where you watch someone take their last breath, or stabbing calls that make you cringe when you see their flesh cut wide open and blood everywhere.

It's not normal, to stand next to a dead body for hours securing a crime scene, waiting for the coroner to arrive, so you can go eat dinner, as if nothing happened, as if “it's just another call”.

It's not normal, that seeing such horrific things becomes your “normal” and you tell yourself it doesn't bother you. It's not normal, to be numb to things that would likely devastate the rest of society.

It's not normal, to experience extreme highs and lows in one day, one minute you're typing a report and the next you're responding to the local business being held up at gunpoint with shots fired.

It's not normal, to work rotating shifts, rotating days off, work on holidays, birthdays, anniversaries and maintain a semblance of a “normal” life. It's not normal, to miss these moments in life and expect it not to take a toll on a marriage or the relationship with your children.

It's not normal, to slowly lose friends that aren't police officers too. It's not normal to say, “they just don't understand me anymore” or “they don't know what it is like to be a police officer”. It's not normal, for lifelong friends to wonder why you've changed, become more cynical or even angry and distance themselves from you.

It's not normal, to go to work and not know what time you will get to go home, or if you'll even make it home at all.

It's not normal, to wake up at night in a cold sweat because you dreamed you got shot multiple times by a “bad guy” and you were powerless to stop it. It's not normal, to lie in bed unable to sleep, because all the things you saw that day play in your head like a bad movie you can't turn off.

It's not normal, that nearly every call you answer, someone is counting on YOU to help them. They may be at their lowest point, maybe they are experiencing a crisis, a loss, and you have to be there for them, no matter what is going on in your personal life.

It's not normal, that you as a human being could be personally dealing with a crisis, a divorce, a dying family member, alcohol addiction, or thoughts of suicide, and you're expected to show up and solve other people's problems with no regard for your own.

It's not normal, to go to work every day in hopes of making a positive change or influence in someone's life only to be spat at, kicked, punched, stabbed, or shot. It's not normal, to feel you can't “win”, no matter what you do, or how many lives you save or stickers you give to children.

---

It's not normal, that simply sitting in your work vehicle being present, can get you shot and killed because the decal on that work vehicle said, "POLICE" on it.

It's not normal, to be shot while eating dinner, minding your own business, only because the patch on your shoulder said, "POLICE".

It's not normal, to never be "off duty". To always be alert, aware, cautious, even concerned, that you may be a target at any given time due to your chosen profession.

It's not normal, you do the job and maintain a professional demeanor or smile while holding back tears, because in the end you know, someone has to do it and you're proud that you aren't normal.

It's not normal, to attend a funeral for a co-worker who died doing the same job as you.

It's not normal, that no matter how much all these things bother you, you couldn't see yourself doing any other job, because carrying this burden is what you were meant to do. This is your calling.

Luckily their normal is not your normal. If you're reading this and you aren't a police officer, some of the things you just read may have bothered you. Odds are good, the images that popped into your head made you uncomfortable or were hard to think about or even picture. I hope this was the case, because that is a police officer's daily reality. At the very least, I hope it changes your perspective of police officers and what it is they actually do and experience every single day.

Maybe now when you see them, you don't just see a man or woman in a uniform that took an oath to protect you, but also a person who runs toward the things most run away from each and every day. They see things, so you don't have to see them. They carry a heavy burden and do it because they were chosen to carry it, so you don't have to.

Being a police officer is much more than writing traffic tickets, breaking up a fun little house party with underage high school students, or responding to the fender bender to facilitate the exchange of personal information. A police officer is much more than what meets the eye or what you see on television.

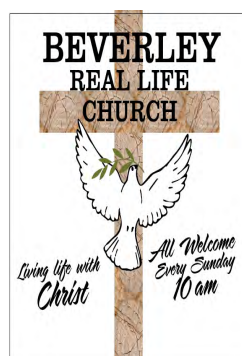

I hope all that is said, changes that. The next time you read about a fatal car accident or horrible tragedy, feel sympathy and empathy for the victims, but don't forget the people responding to the scene, what they experienced and how they are affected as well.

Being a police officer is recognizing that you will see the worst side of humanity that society has to offer, and you accept that as your normal. Chances are good that when a police officer starts their career, they have thought about these things but didn't quite know what it actually meant until they experienced it firsthand.

It takes a special kind of person to do this job, one that isn't..."normal".

To the hundreds of thousands of brothers and sisters in blue around the world, who put their lives and their "normal" on the line every day, thank you.

## European wasp season closes

The Department of Primary Industries and Regional Development's (DPIRD) 2019-20 surveillance season has now closed, with 118 nests detected and destroyed.

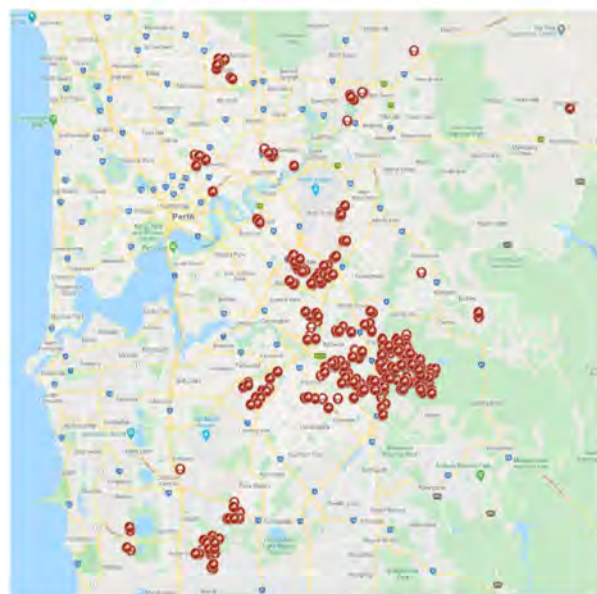

Operations spanned >140,000ha, with 4200+ traps across 21 Local Government Areas (LGAs), and DPIRD received more than 1000 public enquiries.

Regional detections in Hyden and Geraldton were a testament to strong community awareness, with reports of wasps eating meat stew at the Wave Rock Caravan Park, and wasps scavenging on a discarded hamburger patty in Geraldton!

The season's highlight was the collaborative and joint efforts between DPIRD, the Shire of Mundaring, City of Kalamunda, Department of Biodiversity, Conservation and Attractions and local residents which reaped rewards - nest numbers plummeted in these LGAs, from 56 last season to just seven this season. This is proof of what can be achieved when a community joins forces to hunt down and destroy one of the most destructive wasp species.

Significant progress was also made across other hot spots in Perth - City of Gosnells, Canning, Cockburn, Swan and Belmont.

**Thank you to all those who kept their eyes peeled this season!** Operations run December through May/June, but reports of suspect wasps can be made year-round.

Hot spots across the Perth Metro shown in red, with regional detections in Geraldton and Hyden.

For more information about the program, how to identify European wasps or how you can help further, see [agric.wa.gov.au/wasps](http://agric.wa.gov.au/wasps) or contact our Pest and Disease Information Service.

# Beverley Garden and Tree Society

As restrictions are gradually being lifted, we are hoping to have a meeting on Tuesday 04 August but please wait for this to be confirmed. In the meantime we have reviewed our activities for the rest of the year and here is our tentative agenda.

August 04 – meeting at the CRC conference room with Linley giving us a talk about herbs.

September 01 – Visit to gardens in York and a sculptor plus a talk on bee keeping.

October 06 – Meeting at the Dead Finish and a visit to the Brooking Street reserve to view the orchids.

October 16 - Visit to Lake farm with the Mundaring garden club with lunch at the Hotel Beverley.

October 23 and 24- Beverley Rose Show

November 10- AGM and Bonsai talk.

December 01- Christmas lunch at Greenhills.

## **Garden Tips**

◇ Great time to plant now, so pop in some Brussels sprouts, cabbage, cauliflower and broccoli. Peas and beans can also go in, as well as radish, turnips, Swedes and spinach.

◇ It's time to get happy with herbs, so try some chamomile and lemon grass. You could give mint and lemon balm a go as well, but be careful to contain them as they can take over.

◇ Why not try some lovely flowering stuff in your patch as well, like: cornflower, calendula, dianthus, pansies, viola, snapdragons, stock, ageratum and marigolds. These guys are great at attracting pollinators and beneficial insects to your patch, and I reckon they look tops as well.

◇ You should start seeing bare rooted fruit and deciduous trees starting to appear in your local nursery. This is the cheapest and easiest way to purchase. The stress is less for the tree

as it is dormant. Pick trees with a nice shape, and don't forget to prune them back before you plant them out (best thing to do is ask the local nursery to do it for you). Remember to make sure you have the correct pollinators to ensure a good crop. Some stone fruit trees will not fruit until they have been in the ground for a few years. So be patient.

◇ Consider a green manure crop to add some nutrients back into your patch, especially before planting heavy feeders in spring. At this time of year try faba bean, field pea, oats and wheat. This will improve your soil incredibly, and, for a bit of forward planning, you'll find it well worth the effort!

◇ Top up mulch on your veggie patches, herb gardens and ornamental beds, especially important for weed suppression at this time of year. A hot tip is to mulch after watering the patch, to a depth of about 7cm. Keep mulch clear of plant stems, especially young seedlings. Choose low environmental impact mulch, one that will enrich your soil as it breaks down.

◇ Plants feel the need for a feed at this time of year. A seaweed tea or low environmental impact liquid fertiliser is perfect, especially for the seedlings planted this month. Apply to the soil early in the morning, and in the concentrations mentioned on the packet.

◇ Weeding is still needed at this time of year. Most plant growth has slowed down, so it will not have to happen as often. But it also means that it is also a time of year to try and remove as many competitors as possible before the weather starts warming up again.

◇ Water smarter at this time of year. Water first thing in the morning, and instead of quickie irrigation, a nice, deep drink a couple of times a week is far more beneficial! Always check soil moisture before watering, don't waste your precious drinking water if Mother Nature has already done all the hard work for you!

## Stay Active

with the  
**Beverley Everlastings**

Stay Active is a weekly one-hour keep fit session for those who find gentle aerobic, strength, balance and stretching exercise beneficial to their health.

The exercises are designed for over 50s, but younger participants are welcome. Those less mobile or those recovering from accident and illness also find the exercises useful.

Chair exercises are available and participants can opt to do all or some of these.

**Stay Active Returns:**  
**Date- Tuesday 11 August 2020**  
**Time- 9:15 am (for first week)**  
**Place- Beverley Lesser Hall**  
**Cost- \$1.00**  
 New procedures will be in place for signing in and use of equipment. There will be no cuppa afterwards.

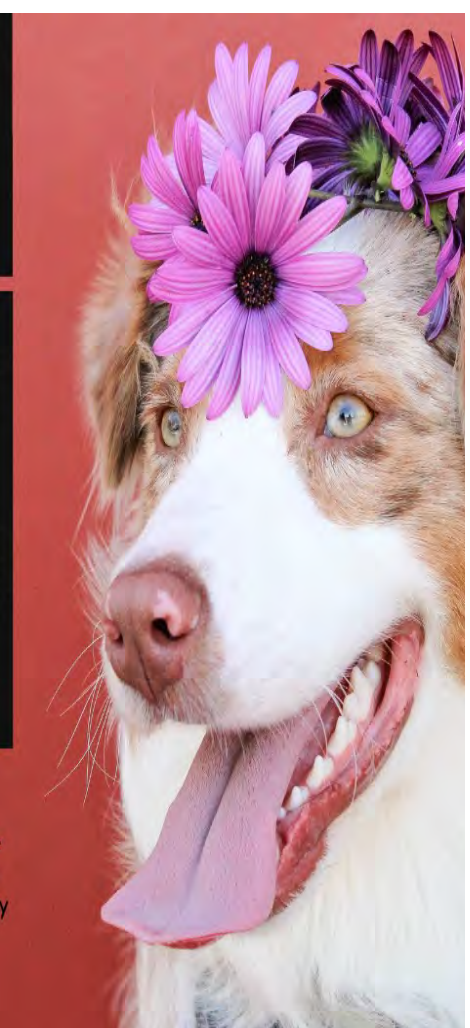

**Stay Active Continues:**  
**Date- Tuesday 18 August 2020**  
**Time- 9:00 am**  
**Place- Beverley Lesser Hall**  
**Cost- \$1.00**

Come along for a social distancing fun activity. Stay Active is a volunteer community health program coordinated by the Wheatbelt Health Service

# OP SHOP UPDATE!

**WE HAD HOPED TO REOPEN IN JUNE, BUT THE OP SHOP ROOM NEEDS A BIT OF TLC OVER THE NEXT FEW WEEKS. AS SOON AS THE WORKS ARE COMPLETED WE WILL RESTOCK FOR WINTER AND LET YOU ALL KNOW OF OUR REOPENING.**

Donations are still unable to be accepted by Avon Trading or at the Op Shop until further notice. Thank you for your understanding and stay safe and healthy!  
 All enquiries to Glensy on 0437 807 454

## BEVERLEY SUB CENTRE– BE INVOLVED

### Have you got a sense of Community Spirit but don't know how to get involved?

Beverley St John Ambulance is a Community based Sub Centre who are seeking interest from people within our Community to become actively involved to help support our Sub Centre.

Are you interested in becoming an Ambulance Volunteer or Volunteer Driver? Drivers and Volunteers are always needed as call outs come anytime of the day or night.

St John provide all the training required should you wish to become either of the above.

Not everyone wants to be available for Ambulance call outs but are willing to be an active Committee Member.

Should you wish to show an interest in becoming a Committee member, it doesn't involve a great amount of time. Committee Meetings are held monthly and during the course of the year members are involved with the general running and decision making of the sub centre.

We hold a couple of working bees throughout the year. The Beverley Show is where we would like to project to the Community what St John is all about. We need new faces and fresh ideas to make our Sub Centre great!

This vital necessary organization provides for every community member should the need ever arise. Does the thought of helping your Community get you thinking this could be for you? Are you up to the challenge?

Our AGM will be held on 25 August 2020, starting at 7pm at the Beverley Sub Centre, John Street.

Committee Nomination forms are available at Avon Trading or Beverley Farm Services.

Any questions or Enquiries feel free to call Sub Centre President Drew Doncon on 0429 376 116

## BEVERLEY REDBACKS HOCKEY CLUB

We are very excited to announce that the Avon Hockey Association has informed us that the 2020 Hockey Season will be going ahead. The start date is pencilled in to be 18 July 2020, playing 9 rounds and 2 finals.

As this information has only just been announced, we are eager to hear more information that will hopefully become available in the next few days. Please follow us on Instagram or Facebook to keep up to date!

We are always excited to welcome new players to our team, and we are also looking for a coach. Team registrations are due 01 July, so if you have thought about getting involved in the Beverley Ladies Hockey Club please contact us on the information below.

We look forward to seeing the team at training, which is currently every Wednesday at 6pm at the Town Oval.

### Beverley Redbacks Hockey Club Contact Details

Secretary Britt Hadlow

Facebook: Beverley Redbacks Hockey Club

Instagram: [beverley.redbacks.hockey.club](https://www.instagram.com/beverley.redbacks.hockey.club)

Mobile: 0447 811 267 Email: [beverleyhockey@live.com.au](mailto:beverleyhockey@live.com.au)

**Sub centre AGM**

Our AGM is fast approaching, on 25 August 2020. The sub centre would like to hear from community members who may be interested in being a part of our committee. If you were interested, your role would be to contribute to the consideration and making of decisions on the short-term or everyday activities of the sub centre, as well as plan for our future. Please feel free to contact Drew Doncon (Chair) on 0429 376 116 for further information.

**Benefit Fund Renewals**

Over the last month or so, we have received many queries regarding the Ambulance Benefit Fund. For an annual subscription of \$93.00 per family or \$56.00 for a single (with a small rise in all memberships anticipated shortly after the beginning of the 2020/2021 financial year), you will be covered for a year for all required ambulance transport within Western Australia. To be eligible for membership with the Beverley sub centre, you must be a resident of the Beverley district. However, if you, or your son or daughter has recently turned 18, they will no longer be eligible to be covered under a family membership. If you have recently turned 18 and wish to take out your own membership, or for any other queries, please contact the sub centre on 9646 1408 (Tuesday and Friday: 9.00am – 2.00pm) or email: Beverley@stjohnwa.com.au

**COVID-19**

As part of our standard procedure during COVID-19, and to ensure our patients receive the best and most appropriate prehospital care, our crews will be asking all patients if they have any flu like symptoms. This is to protect our amazing volunteers and our community of Beverley against the spread of any potentially infectious illness including COVID-19. When calling for an Ambulance, you will be asked by the 000-call taker if you have flu like symptoms. When our crews arrive, they will ask you the same questions. Please do not be scared to answer truthfully, even if you think you just have a mild cold. We have strict hygiene measures in place to keep you and our crews safe. Our goal is to help our community stay safe and stop the spread - but we cannot do that without our resilient and fantastic Community behind us.

109 Avon Terrace, York  
(next door to the York Pharmacy)  
Find us on Facebook

*A little bit about the store...*

The Good Life Store is proud to offer a huge range of bush tucker, bulk wholefoods, beverages, fresh local organic, and bio-dynamic produce. We also sell natural, eco-friendly cleaning products, homewares and body products. All to encourage wasteless, healthy living, while being kind to the environment and your family.

We would like to bring back the more personal shopping experience of the good old days, where you buy what you need each week and shop local.

You can come in and replenish your kitchen pantry with a range of bulk wholefoods including nuts, grains, legumes, cereals, dried fruit, snacks, herbs, and spices. There is also a great selection of packaged foods to stock your pantry or fridge, including bio-dynamic, organic, vegan, and gluten free products.

There's a good life in store...so come in and see us!

# Beverley Community Garden

The Beverley Community Garden is now up and running. Thanks to the Shire council we have been leased the land, at no cost, on the north side of the RSL in Forrest Street.

The RSL has given permission to harvest rainwater from their downpipes and donations of 3 IBC tanks and a water tank have enabled us to do so. The RSL has also given us the use of the garden shed at the rear of the building. This has now been cleared out and repaired by our members and is in use for storage of equipment, all of which has also been donated.

Ten raised garden beds are in place, 2 round beds and 8 curved ones set around them. The round beds were donated and the curved ones made from donated materials.

Three compost bays have been made and 2 free bales of straw sourced and fetched and are now ready to make compost and help fill the raised beds as will some donated rubble. We are still looking for manure, pig, cow, sheep, chicken or horse to add to the compost and garden beds, so if you have any to spare, please contact us on the numbers below.

Also, if you have any unwanted vegetable seeds or seedlings, or would like to donate towards the purchase of some fruit trees, we would be very grateful. We also need small tools for use in the raised bed, so if you have any unwanted items that you would like to donate, please ring Betty on 0400 569 971, Maureen on 0429 460 073 or Dorothy on 0429 989 031 to arrange a pick up or for any further inquiries.

## Community Garden Donations

Beverley Shire	Use of the land
Beverley Shire	Grant of \$4000 for fencing
John Roki	Sheets of curved corrugated metal
John Roki	Timber flooring
Viv And Cliff Doncon	Sheets of corrugated metal and star pickets

Michael Kalyniuk	Bobcat work
Ted Sampson	Timber for curved raised beds
Ted Sampson	Constructing the curved raised beds
Michael Kalyniuk	Garden tools
Brett Shaw	Plastic sheeting
Loretta Adams	Round garden beds

# Beverley Golf Club

## COVID-19

On Saturday 06 June, we were finally able to get an official golf season under way. The Stage 3 restrictions are still causing changes to fixtured events and to required behaviour in the club rooms. Many of our annual events and some open days at affiliated AVGA clubs have had to be cancelled. However, generally, we hope to see the rest of the season progress more or less as usual.

## Results for June

After Club President Darrell Hagan welcomed members to the 2020 season the event was officially opened on 06 June when Club Patron John Donovan drove a tee shot from the 17<sup>th</sup> Tee. Following the official proceedings, 25 players teed off in the **T-Bone and Sons Stableford** event.

Some good scores were carded with 7 players matching or bettering their handicap. Three players scored 40 points so a countback was required to decide the winner.

The eventual winner was Luke Gollan who edged out Mark Kont and Darrell Hagan.

Notable scores of 37 points were also posted by Jane Murray and Kevin Elliott. The club would sincerely like to thank **Peter, Tanya and Brian Tyrer** for their continued support of this event.

Saturday, 13 June saw the re-introduction of the East-West Trophy. This event had not been held for many years but strong interest was displayed so it was decided to hold a full team Par event. The day, sponsored by **Eddie Willis**, proved popular with 25 members competing and 4 visitors joining in.

The West team won the day with their combined score of -16; trouncing East's -43.

Best individual scores were handed in by Philip Savarese (Waroona) +7, Alan Scales +2 and Kevin Burton (Waroona), Darrell Hagan, Jane Murray and Eddie Willis who all scored +1.

The first qualifying round for the Club Championship, the **Always Green Trophy**, was held on 20 June. The day was won by Darrell Hagan with the score of 70 Nett (74 Gross).

Runner-up was Eddie Willis with 71 Nett (91 Gross).

In all, 22 players participated. Many thanks to **Gavin Sazanov** for his sponsorship of this event

On Saturday, 27 June the **Beverley Electrical Services Trophy**, a Russian Stableford Event, was held. Winners will be notified in next month's Blarney

## Scroungers Now Played Fridays and Wednesdays

This popular Stableford event continues every Wednesday and now every Friday afternoon. Each week we play six different holes as determined by the Captain. As this format does not meet Golf Australia's handicapping requirements we maintain our own handicap system which attempts to make everyone a winner at some point. Anyone is welcome to join us. Tee-Off is between 3:30PM and 4PM.

Due to the success of the format we have also introduced a Friday evening tee-off as some players can't make Wednesdays. So here is another opportunity for you to come down to the club and have a relaxing afternoon of golf

Scroungers results for June were:

May 27-	16 players	Winners Marc Edwards, Alan Hammond, Mel Vivian – all 13 points
June 03 -	22 players	Winners Paul Burns, Alan Scales – both 14 points
June 10 -	20 players	Winner Terry Woods – 17 points
June 17-	Course closed due to heavy rain.	
June 19-	8 players	Winner Paul Burns – 14 points

## **Membership**

New members are always welcome. Any persons interested in playing can join us on any Saturday, Wednesday or Friday afternoon throughout the winter. Saturday tee-off is generally at Midday and Wednesdays and Fridays are around 3:30PM. For further information you are invited to call Men's Captain Mark Kont on 0490 037 810.

## **Fixtures for July**

Saturday 04	Brookton – Four-Ball Better Ball	Stableford
Saturday 04	Social Day at home	Par
Sunday 05	AVGA – Brookton Open Day	Stableford
Saturday 11	Elders Day Mixed Teams – arrange own partners	Ambrose in 3
Saturday 18	Wayne Smith Trophy 2 <sup>nd</sup> Qualifying Round – Club Championship	Stroke
Saturday 25	Wayde and Kathryn McLean 4-Ball Better Ball Arrange Own Partner. (Tee-Off from 11:00AM)	Stableford
Sunday 26	AVGA Beverley Open Day - Springdell Cup <i>(Please Bring a Plate of Savouries)</i>	Stableford

Because of the continued uncertainty over future COVID-19 restrictions, fixtures events past this point will be advised closer to the date. Keep an eye on next months Blarney for further dates and the weekly Bulletins for any changes.

# LADIES GOLF

Welcome everyone to this edition. Firstly, I would like to congratulate Carissa Shaw and Jacinta Murray on obtaining an official 18 Hole Handicap. Well done, Ladies. Chantelle Meade and Hollie Smith are very close to getting an 18 hole handicap. We would also like to welcome another new member, Valda Morton.

We have received confirmation from Avon Valley Ladies Golf Association that the 3 day championships that were meant to be held in Beverley this year in August has been cancelled due to strict Covid 19 restrictions. We would like to thank our sponsors who have been very understanding and their sponsorship will be available for 2021 when we will hold Avon Valley.

It is great to see a lot of ladies in our club house, first time in a long, long time. We hope you enjoy playing golf with us. Soon, well after the Covid 19 restrictions, you will be heading to open days with us. Welcome back to Lorna Barrett-Lennard who has been a regular golfer and has had a great start to the year by dropping her handicap by 2 strokes.

This year we also have some ladies playing 9 Hole Competition. Anne Szczecinski, Heather McLean, Chantelle Meade and now Valda Morton, but we don't expect Valda and Chantelle to be playing 9 holes for the rest of the season.

Thanks a lot to an anonymous donor who has given the ladies a dozen golf balls to be used on our competition days, so we have been able to put out extra pinnies.

## Competition Results

Date	Competition	Results	Pinnies
26 May 2020 Our Opening Day	Anne Szczecinski Trophy 1 <sup>st</sup> Silver Spoon, 1 <sup>st</sup> International Bowl (Both State Events), 1 <sup>st</sup> Putting and Monthly Medal  Thanks to Anne for donating this trophy. Until next month, BE VERY STRAIGHT

Sera Minchin  
Ladies Captain

To our loyal & valued Players, Members, Sponsors, Volunteers, and Supporters,

On Tuesday 16 June, the AFA Directorship advised all participating Clubs that as a result of a number of Clubs withdrawing their interest in the 2020 Season due to the current compliances and regulations associated with Covid-19, a decision has been declared to cancel the AFA 2020 Season.

We wish to extend our gratitude to you all for your patience and understanding throughout this period of uncertainty. We will endeavour to remain connected and update you on any news and events related to our Club.

We can only hope that Country Football as we know and love will return in  
2021.

Vines medical practice can now check the blood flow in your legs and arms using ankle-brachial index test which is a quick, non-invasive automatic way to check for peripheral artery disease (PAD). The disease occurs when narrowed arteries reduce the blood flow to your limbs. PAD can cause leg pain when walking and increases the risk of heart attack and stroke. This test is important in

- Smokers
- Or those with Diabetes mellitus
- Hypertension
- high cholesterol
- Physical inactivity
- Obesity.

**It is fully bulk billed**

Book an appointment for your PAD check today at [www.vinesmedicalpractice.com](http://www.vinesmedicalpractice.com)

# Beverley Horse and Pony Club

**Pony Club WA** have teamed up with [Living Horses](#) to recognise a volunteer who goes above and beyond through our [Pony Club WA](#) Volunteer of the Month Award.

Two of our clubs members were nominated for this award and their nominations are below.

## **Annette Peart (Robertson) for being:**

- Pony Club WA Member from 1986 to 2020.
- Beverley HPC Avon Zone Delegate 1990 -2019. She has been an active member of the Avon Zone travelling to almost all meetings. Along with several long time Zone delegates, they helped ensure that the Zone keeps to its aims and objectives over several turbulent times and continued to be one of the truly active Zones in the state. This group of delegates, of which Annette was one, worked hard to keep the Zone active and benefiting the membership of all clubs not just the biggest clubs.
- Club Treasurer 1988 to 2019 (except for 1998, 1999 and 2000).
- Zone Treasurer 2000/01, 2012-2014 (including the development fund). In 2000 when Beverley HPC took over the Avon Zone executive, the Zone was in financial difficulty, Annette and the executive from Beverley instigated changes which in 2 years saw the Zone financially viable again and it has gone from strength to strength ever since.
- Assisted in organising [Avon](#) Zone ODE AB & C grades in 1989
- Avon Zone ODE Event organiser – 1996/1997, 2006/07,
- Avon Zone Dressage Day Organiser – 1995, 1996
- Avon Zone PPMG/novelties/Showjumping – 1991/1992
- Avon Zone Dressage and Showjumping - 2004, 2005
- Avon Zone PPMG/novelties – 2008/09, 2018
- Avon Zone Showjumping – 2010/11
- Assisted in organising various Avon Zone schools
- She has been a hands-on volunteer in many areas at most events within the Zone including camps and Zone schools between 1988 – 2010
- Coached from 1987 – 2019
- Became a life member of Beverley Horse and Pony Club in 2010.

## **Tess Hawke**

I would like to nominate Tess Hawke. I met Tess a few years ago, when I joined Beverley PC.

Boy, what a committed and dedicated worker she is! There is always a smile on her dial and a drive to accomplish the request or job. Always happy to help and advise new members and existing members.

Always trying to find ways to develop the club and represent the club with her daughter Tealah. Together they are accomplishing fantastic results.

Tess has a desire to learn and development her knowledge, be it horses or administrating the certificate.

She volunteers her time for lead line group and she has been establishing a fun learning guide to the pony club syllabus and members in her group.

A great foundation to pony club.

# Beverley Horse and Pony Club

Every year Pony Club WA ask for nominations for **Pony Club Coach Of The Year 2019**.  
Our club was extremely proud to nominate **Jessamin Pain** for this award.

Jessamin is a Committee Member of Beverley Horse and Pony Club. She has contributed to the development of our coaching program by volunteering to be the Junior PPMG coach and educate the families and riders over the course of this year in the rules and skills required. She has attending all our monthly meetings and works with the committee to run a active pony club. Jessamin coordinated and ran the clubs October Gymkhana and worked with a sub committee to help coordinate and run our annual All Breeds Show. She also mentors, models and supporting our riders at events, as she is a riding member herself.

Jessamin is committed to coaching excellence and professional development by attending all club meetings, researching Pony Club WA rules and procedures for events and asking assistance and advice from other coaches. This is the first year she has coached a games team, so she has been mentored by members of our club and Avon Zone coaches.

Jessamin displays her personal passion by volunteering to coach our Junior PPMG team, learn all the rules, policies and then teach the parents and the riders. She also organised multiple weekends for the team to practice and ensured they attending games events to develop their skills and team sportsmanship. Jessamin nominated with the Active Riding Committee to train as a steward for 2020. Her personal resilience is demonstrated by working with a eager but extremely novice PPMG team and their families. She always spoke calmly, respectfully and with great tack to the riders and their parents. She has outstanding resolution skills that ensured the parents and the riders had her full support and trust.

This is a letter written by Emily Maxwell (13yrs old) to Jessamin Pain. "To Jessamin, I'd like to thank you for the endless hours you have put into us all! You have helped me so much this year and I'd really like to thank you for that! You have helped me pass my C exam, to ride better in the games team, teaching me different techniques to work on at home. Thank you for attending the multiple games comps and for being our #1 coach! None of us would be where we are today if it wasn't for you! I cant thank you enough for all the time and effort you have put into us even if we weren't paying attention half the time. Once again thank you for everything this year and bring on 2020! From Emily Maxwell and the Beverley Team."

Jessamin is a quiet, caring and thoughtful coach who has mentored many of our riders this year by coaching our Junior PPMG team, coaching a range of levels at our rallies and nurturing our riders at events. Her ability to communicate with riders and their families, in a positive and constructive way, ensures our membership feels heard while still ensuring we are working within our policies and guidelines.

She has been such an amazing asset to our club this year.

Pony Club WA Annual Award Nominees 2019

**COACH OF THE YEAR**

Alfred Fitz	Jess Hawkes
Amanda Pritchard	Jessamin Pain
Dan Foster	Jill Kessell
Dave Carey	Kate Ingham
Felicity Coucill	Margaret Barnseby-Johnson
Ferne Faulkner	Naomi Edmunds
Jacqui Varn Rensburg	Phillipa Collier
Jenifer Kobulbisky-Duncan	Sean Corbin
Jenny Brett	Veronica Stone

# Beverley Horse and Pony Club

**June Rally:** Fantastic to be back in the saddle and our club running again. We just about had a full rally with majority of our members attending. Beautiful day for our returning rally with lots of flatwork, jumping and pace work (riding a course at a set rhythm and time, which is an essential skill for Cross Country riding).

The younger riders rode out around town on a ride out and they practiced their road rules when riding an 'unmotorized vehicle'. Horse riders have to follow road rules, so no texting while riding ;).

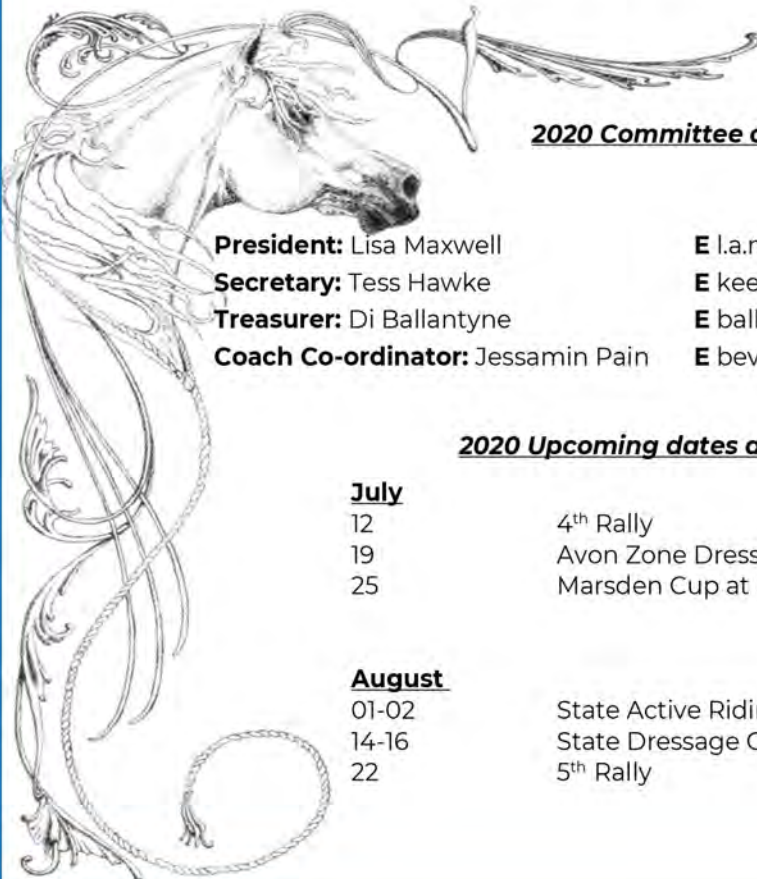

In Horsemastership we saw members learning about how and when to rug their equine partners, drawing what a horse needs to be safe and happy and learning the art of lungeing horses.

**Members:** Any new members or queries please contact Jessamin Pain (Coach Co-ordinator) [bevpc.coaching@gmail.com](mailto:bevpc.coaching@gmail.com) or **044 7722 958**
