SHIRE OF BEVERLEY PRESIDENT'S REPORT

Budget 2020/21

Council adopted the 2020/21 Budget at its Ordinary Council Meeting on Tuesday 28 July 2020.

Planning of the 2020/21 Budget began during the COVID-19 pandemic to which Council moved swiftly to support our community through the development of a Hardship Policy; freezing of overall rates revenue and applying no increases to Council set Fees and Charges from the previous financial year. Guided by our Strategic Community Plan 2017-27 and the Long Term Financial Plan, the 2020/21 Annual Budget includes the following highlights:

- * Vincent Street Streetscape Project;
- * Completion of the Youth Activity Area;
- * On-site Accommodation at the Caravan Park;
- * Replacement of the Grader and Truck;
- * Road and Footpath Programmes;
- * Railway Station Green Room Painting and Artificial Turf Replacement;
- * Town Hall Flooring and AV System Upgrade;
- * Avondale Machinery Museum Feasibility Study;
- * Continued support for Community development with Community Grants;
- * Lesser Hall Courtyard Area Development;
- * Old Court House Roof Replacement.

Rate notices will be issued Monday 03 August. Beverley is one of the last remaining Councils in Western Australia to offer a 10% discount.

The due date for the 10% discount is Monday 07 September 2020

As previously mentioned in May 2020 we received advice from the Valuer General that rural assessments have been revaluated and values have increased at an average of 4.19%.

Council are extremely disappointed that the State Government went ahead with this increase after lobbying by LG's and WALGA not to implement this years valuations, particularly in light of the COVID-19 pandemic.

This ultimately means that even though Council will not be increasing the overall revenue raised, some rural landowners may see a difference in their 2020/21 rates assessment when compared to their 2019/20 assessment.

Thank you to Shire staff and Council for their commitment to the 2019/20 budget.

- The completion of widening on Top Beverley Road and Westdale Road;

- bitumising on Yenyening Lakes Road, George Street and ANZAC Lane;
- new footpaths on Hopkins Street, Smith St and Forrest Street;
- installation of a Kinetic Sculpture,
- renovation of the Town Hall kitchen;
- gym equipment renewal;
- refurbishment of Hunt Road Village unit;
- updated tourism booklets;
- design of the swimming pool upgrade;
- construction of the Westdale Fire Shed
- successful grant funding applications to Lotterywest and Building Better Regions Fund.

Swimming Pool Redevelopment

For Community information, the Shire has postponed its application to CRSFF for the redevelopment of the pool in two stages.

With the announcement of a potentially successful Building Better Regions Fund for the Vincent Street Streetscape project and two other large projects underway it is not financially possible for the Shire to extend this far.

Council are still planning for this project to go ahead after the main street redevelopment with a current budget allocation of \$60,000 to complete construction drawings, making it a shovel ready project.

Thank you to community members who participated in the consultation throughout 2018 and 2019.

Cardboard Recycling Bin

The Avon Waste cardboard recycling bin can now be found at the end of Council Road.

Flag Raising Ceremony

There were approximately 100 people in attendance for the Flag Raising Ceremony held at the Shire of Beverley Office and Beverley Police Station on Friday 10 July.

Raising the flags at the Shire Office were Toby Henry-Mourach, Kasey Ashworth and Isabelle Ochtman, with Welcome to Country and speech on behalf of CRANA by Lisa Mourach.

At the Beverley Police Station Welcome to Country by Buddy Ugle and flag Raising by Shelby Glenn Ugle, Olivia Lucas and Dale Byron. Thank you to the Beverley Police Station and Beverley Golf Club for providing a lovely morning tea and to everyone who participated and attended.

It is hoped the Flag Raising Ceremony is the first small step in developing a Reconciliation Action Plan for the Shire of Beverley. It is planned to advertise for interested community members both Indigenous and Non-Indigenous to join a Council lead Committee in the New Year.

SHIRE OF BEVERLEY PRESIDENT'S REPORT

Out and about

On Tuesday 21 July it was fantastic to see the main street a buzz with activities including the Men's Shed, Stay on your Feet, a Council Committee meeting, construction at the Youth Activity Area and what looked like 100 children entering the Cornerstone for Storytime! I trust it was a good to keep the littlies entertained!

This weekend the Community Markets are back on Saturday and the Dead Finish Museum is open (with some COVID-19 restrictions).

Beverley Community Garden

The Beverley Community Garden is now in full swing. Several busy bees have resulted in the raised garden beds being filled and planted with a variety of herbs and vegetables with some flowers to encourage the bees to visit. An orchard is taking shape with an avenue of grape vines awaiting a support tunnel and several fruit trees planted. We have not forgotten flower beds either- these lead into the grape avenue and beautify the base of the embankment at the Forrest Street end of the garden.

The inaugural AGM on Monday 13 July resulted in the following positions being filled:

Garden Coordinator – Betty Lobb
Vice Coordinator – Lyn Murphy
Secretary – Dorothy Sampson
Treasurer – Maureen Smith
Garden Equipment Officer – Kate Badger
Events and Promotions Planner – Kate Badger
“Hub” Coordinator – Jan Flanagan
Membership Officer – Maureen Smith

With the onset of the rainy weather, the three IBC tanks have filled and we have now a 2,000 litre rainwater tank purchased from Avon Trading which arrived on Tuesday. We will be having weekly garden maintenance days each Tuesday from 10am and everyone is welcome to come, no matter what your level of gardening knowledge or ability. Just pop in for a look at the garden, have a chat or a cuppa. If you would like to become a member of the Community Garden, contact Maureen or come to the garden on a Tuesday. Membership is \$20.00 per person or \$30.00 a family or school group. If you have any items that you would like to donate, please ring Betty on 0400 569 971, Maureen on 0429 460 073 or Dorothy on 0429 989 031 to arrange a pick up or for any further inquiries.

COVID-19 Impact Survey – WHEATBELT

Purpose of this Survey

The aim of this anonymous survey is to understand how self-isolation, quarantine and other associated issues that emerged during the COVID-19 pandemic have impacted (and to what level) the mental health and wellbeing of individuals and families residing in the Wheatbelt

Who can participate?

Participation is only open to individuals aged 18 years and over.

What is involved?

In order to capture the impact (during the pandemic) and also any significant ongoing impact on individuals and families, we will collect data for a period of 6 weeks. This data will then be used to create a de-identified report that will map the mental health and wellbeing of the Wheatbelt, whilst also providing information on information/service gaps and broader community concerns.

*All de-identified data collected may be shared with relevant government and not-for profit organisations for the purpose of ensuring that people living in the Wheatbelt are provided with the information they require, are connected to relevant supports and Wheatbelt Organisations have the service capacity to meet the needs of our region.

To access the survey online, please visit: <https://www.surveymonkey.com/r/5DLB36R>

Artists-in-Residence

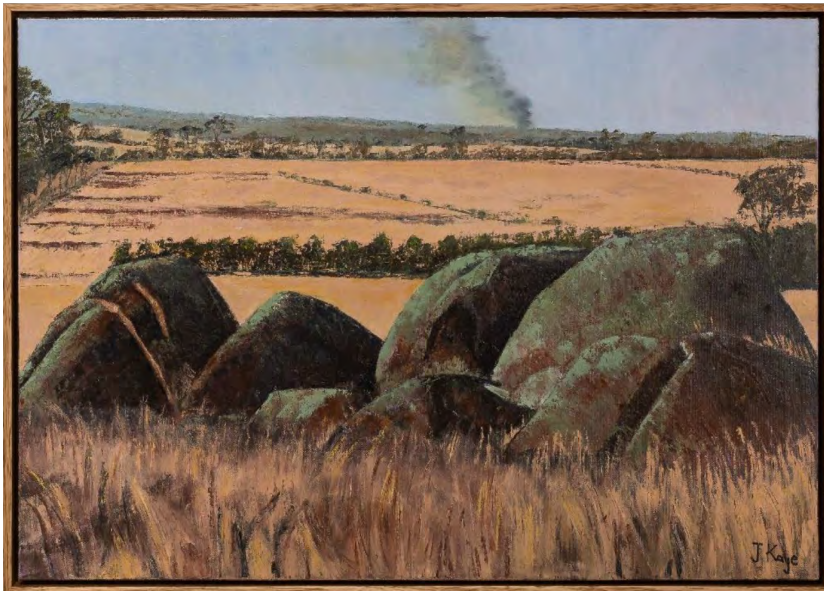

After four long months the Station Gallery will have life within as John Kaye returns as Artist-in-Residence for the month of August. As his stay here last year was so enjoyable and productive, John is hoping to reacquaint himself with the people of Beverley and would love to paint some old historic buildings and landscapes. If anyone has some ideas please drop in to the Station and let him know. Also, come and paint on a Thursday in the gallery as John welcomes anyone to stop by the Station for a chat and if inclined, bring your painting gear as he loves to share knowledge by painting with others.

John has a passionate interest in the environment and worked as a forester in that field all his working life. He has a strong affinity with the Wheatbelt overseeing a tree planting programme undertaken by CALM in early 2000's. For those who frequent the Freemason's Tavern will have seen John's paintings in the corner bar.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact Artist in Residence Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Exhibition for Local Artist SHANE MOAD

The Exhibition Opening for local Beverley artist Shane Moad at gallery 152 in York was held on Sunday 21 June. Though Shane's artwork is in private and corporate collections throughout Australia and America he rarely has solo exhibitions and was pleasantly surprised with the small but enthusiastic crowd who attended, and five paintings of local Avon Valley scenes were sold. Shane has always approached his art as more than just painting a scene stroke for stoke, it has to capture how he feels about it, and likes to leave questions for the viewer to answer for themselves as they look at his work.

And even a visit from the Governor of WA in July!

We hope to be seeing the Honourable Kim Beasley AC visiting the Station Gallery some time soon.

Southern Wheatbelt ART Directory

Ever wondered just how many artists live locally? Are you in need of an artist or musician for a special project? Are you new to the area and looking for like-minded artists or a group to join? Do you need a workshop leader? Check out the Southern Wheatbelt Art Directory put together by Arts Narrogin which was selected by Regional Arts WA to participate in the Regional Arts Hub 2017/19 pilot program. The aim of the hub was to move beyond a one-size fits all approach for the regional arts sector and to celebrate the diversity of each community and its artists. You'll find the directories at the Shire, CRC, East End Gallery, and of course the Station Gallery.

Beverley Station Singers

STATION SINGERS ARE BACK!

As COVID-19 restrictions are further relaxed we are pleased to advise that Beverley Station Singers will be recommencing rehearsals on **Wednesday 22 July at 7pm at the Station!** A fresh start with a new format for a fun night of singing once a month directed by Kelly Newton Wordsworth. Cost of \$20 on the night, BYO drinks and nibbles to share. There will be no pressure for you to perform in concerts.

If you are keen to come along you can phone Jenny (for numbers) on 0419040063, but please contact Kelly for further information - 98851181 or 0438851515.

Beverley Amateur Dramatics (BAD)

All going well, we should see rehearsals start again in August for Cockey's Crossing, though not full on rehearsals until September some time, as they don't want to be "over" rehearsed! The actual show dates are October Friday 16, Saturday 17, and Friday 23, Saturday 24.

Beverley Station Arts Membership

Sadly, due to COVID19 and like many other organisations, we have been forced to cancel our events for most of this season. However, we are continuing to plan for the future and are currently looking at performances which we hope to present to you later this year and going into 2021. "Cockey's Crossing" presented by Beverley Amateur Dramatics will definitely go ahead before the end of this year. Your support helps us to maintain the Gallery and Platform Theatre and helps us source and present new and varied events. We hope that you will continue to support us 2020/21.

Being a BSA member makes you part of your local community and provides a sense of ownership of the Station. All members have the opportunity to take part in the Station's governance.

Farewell Mr Ratz

It is with great sadness that we farewell our Principal Mr Ben Ratz and his family Naomi, Nina and Patrick, as Mr Ratz moves on to his new position as Principal of Amaroo Primary school in Collie. Mr Ratz has had such a positive impact on our school and we would like to take the opportunity to thank him for his time at Beverley and for all of his hard work in making our school truly *'the heart of the community'*. We shall miss his terrible jokes and his enthusiasm for dress-up days! Most of all we will miss his ability to lift the spirits of everyone around him to move forward with a positive mind-set and drive to make things even better than they are already. He took pride in highlighting the positives, encouraging everyone to celebrate their successes and support others in recognising their achievements. His enthusiasm was infectious and he could always be relied upon to drive new initiatives and his leadership of the school throughout the COVID period was very much appreciated by staff, students and the school community. We shall miss him at school and in the community. Farewell and good luck.

Year 2/3 Assembly

Our Year 2/3 class presented an AMAZING assembly item at the end of Term 2! We were taken on a time travel journey through the Time-A-Nater Machine back through the generations from the 1970's to 2020! There was awesome dancing, telephones with dials (who would think!!) and awesome costumes and hair dos to add to the great performance. Even Mr Ratz got to travel through the Time-A-Nater and he came out with a head of hair!! Mrs Davey and Mrs Wansbrough were very proud of their class in presenting such a great assembly item!

Awesome Engines: Emergency!
Written by Margaret Mayo and illustrated by Alex Ayliffe

Fire! Fire! - Emergency! Fire engines racing all the way. Hoses slooshing, water swooshing. Help is coming - it's on the way! This noisy, busy, bestselling book with fun rhyming text and bright, bold artwork is jam-packed with emergency vehicles: fire engines, police cars, ambulances, lifeboats, breakdown trucks, rescue helicopters and more. Perfect for machine-mad little ones!

It was so nice to have so many happy faces back for Story Time in June. Thank you to Jenny & Chris, two of our local St John Ambulance Volunteers for joining us as our guest readers. The kids were especially excited to be able to check out the inside of the ambulance and were blown away by how loud the siren is right up close.

Playgroup is still closed until further notice. The committee have decided to wait until Phase Five of the COVID restrictions before opening the doors again to ensure we keep everyone safe.

Flag Raising Ceremony

The Beverley Police recently had 3 flag poles installed at the front of the police station as a part of our reconciliation plan. The flag poles and the flying of the aboriginal flag is a small but hopefully meaningful step towards building relationships and mutual respect with the aboriginal people and their communities.

Both the Beverley Shire and the Beverley Police held a joint flag raising ceremony on Friday 10 July. That date was originally during NAIDOC week, however with Covid NAIDOC week has been postponed until later in the year.

It was a fantastic attendance and I want to thank the community for attending. From a police perspective I want to thank Buddy Ugle for performing "Welcome to Country". Also thank you to Dale Byron, Olivia Lucas and Shelby Ugle from the Beverley District High School for raising the Australian, Western Australian and Aboriginal Flags.

BEVERLEY BOWLING AND CROQUET CLUB

Life Membership to David Bell

At its AGM held on 3 July 2020, outgoing President Sheldon Petchell had the pleasure of presenting Life Membership to David Bell.

Over many years David has been heavily involved in the club (he joined the BBC in 1979) both as a committee member and as club president from 2009 to 2015. The club would like to acknowledge the effort he has put in over the years From writing his list for the busy bee's and organizing them, fund raising events, marking the greens, rolling the greens, mowing the lawns, watering and general handyman duties.

In More recent times he has stepped away from the committee and has become the club maintenance supervisor and takes great pride in the presentation of the Beverley Bowling Club. He has a bit of reputation for saving a dollar and takes it upon himself to be always tinkering and fixing things to keep the cost down which the club really appreciates. David not only is an exceptional club member he also is a successful bowler winning these championships.

Club singles champion - 2016

Club Pair's champion - 2008, 2014

Club Triples champion - 2006, 2008, 2012

Club fours champion – 2004, 2006

Top division skipper for many years has won 7 pennants by my count and has also won the league pairs a couple of times His work around the club has been recognized by the committee and fellow members and the club would like to reward Dave Bell with this life membership for his efforts.

Separation, A Time Of Change

Nobody goes into a marriage thinking that it will end in separation or divorce, however many blokes find that when their marriages do end, that separation and divorce are among the toughest experiences they will ever have to face. Blokes go through a range of intense emotions during this time, including loneliness and sadness; shock, hurt and bewilderment; anger and frustration and sometimes relief that differences are finally out in the open. These responses to distress are all perfectly normal. Thankfully, most blokes can face these challenges and go on living fulfilling and happy lives, keeping in mind of course that this does take time.

Separation is complex and can involve feelings around the loss of:

- your partner
- family structure and routines
- involvement or reduced contact with children
- family home
- friends and social life
- meaning and identity

These losses are particularly difficult to come to terms with if:

- you didn't want the separation in the first place
- the separation is sudden or unexpected
- you're still hanging on to hope that it will all go back to how it was
- you feel betrayed by your former partner
- you lack a support network or are ostracised by your friends or others in the community
- you have reduced or limited time with your children.

The cumulative situational distress that separation contributes to, may test your strength and capacity to look after yourself properly. It may stir up memories and feelings you thought you'd put behind you. You might grieve the life you previously had. Therefore it is important to acknowledge that grieving is personal - we all do it differently. Some blokes may find comfort in focusing on activities like sport and hobbies, work, or planning a path forward. It's not a one size fits all scenario so, it's important to find out what helps you.

There is a temptation at this time to cut yourself off from others. Your circle of friends and family networks may change now that you have separated. Even if you've maintained contact, you may be reluctant to lean on them for support. However, withdrawing socially will limit the number of people you can talk to and won't help you to overcome the grief and loss of separation. Social isolation may increase the risk of depression, reliance on drugs and alcohol, and even suicide.

If you have ongoing negative thoughts or find it difficult to cope with your circumstances, it's important to seek help as soon as possible. Us blokes need to remember that when feeling overwhelmed or down, it is quite often the result of unresolved ongoing situational distress, and a chat to someone is always helpful. A GP or another health professional will be able to help to decide whether any treatment is needed and what may be suitable. There are many other men who've had similar experiences and they do get through it.

Reach out to those you trust, and remember *...before it all gets too much...* **Talk to a Mate!!**

If you can't beat 'em...eat 'em!

Ah, escargot; the humble, edible terrestrial mollusc. Garden snails are one of the most commonly found invertebrates in both rural and urban areas, and the most well-known species of wide-spread terrestrial gastropods globally.

Common garden snails are European natives and can now be found throughout the world as a pest of crops and home gardens. So much so that they are commercially raised in many parts of Australia, to be exported to countries like France where escargot is a famous, buttery delicacy.

Common garden snail from the *Helicidae* family

Our little team decided to try an age-old recipe from our trusty entomologist to turn these gooey gastropods into a gastronomically gratifying experience. This is what we did:

1. **Collected the snails** – from our gardens, free of snail bait.
2. **Purged them** – snails were put on a strict diet of bran to ensure their digestive tracts were free of impurities, toxins and dirt.
3. **De-slimed, then blanched them** – snails were plunged into boiling water with some bay leaves and bicarb soda; this simmered for approximately 10 minutes.

4. **Shelled and de-galled them**
5. **Sautéed them** – with a touch of herbs, spices and garlic. Plus a lot of butter.
6. **Enjoyed them!**

If you are looking for a more traditional approach to control these slimy slowpokes; just search **snail and slug control** on our website agric.wa.gov.au.

Practice News!!

Due to the COVID19 pandemic you can now book an over the phone consult?

The Doctors and Staff would like to thank patients for their assistance during the ongoing COVID19 Pandemic, your patience when complying with Social distancing at appointments and placing yourselves in self- isolation has been extremely helpful in keeping medical staff and our community safe.

We are continuing to follow the WA Health Departments advice and ask that you all do the same, we know that the virus is spread through respiratory droplets produced when an infected person coughs, sneezes or talks, so continuing to practice social distancing, looking after our hygiene by washing our hands with soap and or using hand sanitisers regularly, attending to environmental cleaning and avoiding any non- essential contact with other people are things that we can do to protect ourselves and our community.

R U OK?

Our trained staff are always available if you or someone you know needs support or someone to talk too.

Thursday 10 September is the national day of action dedicated to reminding everyone that any day is the day to ask are you Ok? and support those struggling with life.

Taking part can be as simple as learning the RU OK? four steps so you can have a conversation that could change a life.

Beverley Golf Club

Course Closed Days

There has been some confusion over when the course is available to the general public and to members for playing casual rounds of golf. Normally, the course is open for casual play on any day except club competition days till 4pm. Club competitions are generally held **every Saturday (till 4pm) and every Tuesday (Ladies Day till 4pm)**. The season runs from April to October and **the course is closed for casual play on those days**.

We ask everyone's co-operation in this matter. We would also remind members of the public that, while they are welcome to play our course at appropriate times, a Green Fee of \$5 per person per 9 holes applies (which contributes to the maintenance of the course). An honour box for this purpose is located on the building wall under the patio roof.

Saturday Results for July

Saturday, 27 June was a Russian Stableford event sponsored by **Beverley Electrical Services**. Twenty four players teamed up for the day and Marc Edwards and Garry Miller came in with a total of 88 points to blitz the competition. Runners-up were Robbie Wansbrough and Brendan Minchin (70 points) with Bruce Kilpatrick and Mel Vivian (69) in third place. Many thanks to **Karl Smith** for his continuing sponsorship.

The following Saturday, 04 July was the date for the Brookton club's annual open event. Those who chose to stay home competed in a social Par event which was won by Mike Carthew who returned +1. Equal runners-up were Luke Gollan and Keith Hawkins with -1.

There was not a lot of success among the 10 players who travelled to Brookton. The most successful were Chris Lawlor and Mark Kont who managed to come third in the 4 Ball-Better-Ball competition with 44 points.

On Saturday 11 July saw somewhat of a variation to normal fixtures (hasn't it been a whole year of variations?) with the **Elders 3 Person Ambrose** day being held on that Saturday. Forty two members enjoyed good conditions. The team of Beau McLean, Dale Wansbrough and James Adams won the day with a Nett score of 57 1/3 (Gross 69). Runners-up were the team of Steve Gollan, Bruce Kilpatrick and Wayde McLean with Nett 60 1/2 (68). A creditable third place went to Ali Lewis, Jacinta Murray and Liam Gollan with 60 2/3 (79). Many thanks go to **Noel and Valda Morton** for their support of this event.

On Saturday 18 July was the second qualifying round for the Club Championship sponsored by **Wayne Smith**. The event was won by Alan Scales with Nett 71 (Gross 86). Runner-up was Terry Woods with Nett 72 (89) and coming equal third with Nett 73 were Mike Carthew (98) and Luke Gollan (85). Alan Scales rounded out a successful day by also winning the birdie-ball bucket. Thanks again to Wayne for his continued sponsorship.

The **Wayde and Kathryn McLean 4BBB** and the **Springdell Cup** events were this year held over the weekend of 25/26 July. Full results will be announced in next month's Blarney.

Scroungers results for July.

June 24 – 13 players – Winner Eddie Willis – 16 points
June 26 – 12 players – Winner Bruce Kilpatrick – 15 points
July 01 – 12 players – Winner Fred Bremner – 16 points
July 08 – 14 players – Winner Mike Carthew – 14 points
July 10 – 8 players – Winners Graeme Lewis and Mark Kont – 13 points
July 15 – 16 players – Winner Mike Carthew – 16 points
July 17 – 5 players – Winner Mike Carthew – 12 points

Scroungers golf is played over 6 holes of Stableford every Wednesday and Friday evening. Tee-off is around 3.30pm but can be later if arrangements are made with the captain on 0490 037 810. Anyone is welcome to join us for a relaxed afternoon of golf.

Beverley Horse and Pony Club

Active Riding Training Day: at Avon Valley SJ & Pony Club on the 28th June. Our club had a team of four riders enter and compete in this awesome day. The morning consisted of our team riding against other teams in the PPMG (Prince Phillip Mounted Games) and the afternoon was competing in individual Novelties with the fastest times winning in each age group. All came home with a rainbow of ribbons!

Congratulations: To Tealah and her horse, 'Maggie' on achieving their C* certificate! These two have worked hard together over the last three years to achieve this skill level. We are super proud of you both.

Carly, Emily, Jessica and Tealah

July Rally: We all saw a frosty but clear and sunny day for our July Rally. Thank you to our riders who set up the dressage arena and games equipment on Saturday afternoon, as this made the Sunday morning set up of the Show Jumping course much easier. This rally we focussed on dressage, as the Zone Dressage Runoffs are on the 19 July and we wanted all riders to have the opportunity to compete if they wished to. We had a qualified dressage coach come to the rally to share her expertise and feedback for our riders. Even the leadline riders were in on the action, they learnt a dressage test in flat work and then were judged by one of our coaches. The rally still had our riders rotate through Cross Country, Show Jumping and

Active Riding lessons. Horsemastership wound up the day with members learning about the parts of bridles and saddles, designing and drawing up a show jumping course and preparing the D* riders for their certificate assessment next month. Phew...big day with lots of learning.

Welcome: to Trinity and her mother, Sue on joining our club this year. We have already added Trinity to our games team, so let the fun begin!

Avon Zone Dressage Runoffs: on the 19th July saw a dedicated team of riders head to Goomalling for the Morlock Pony Club Avon Zone Dressage Runoffs. All four riders have now qualified for the State Dressage Championships at the State Equestrian Centre.
