Governor tours Beverley

The Governor, Honourable Kim Beazley AC was back in Beverley on Monday 03 August to see more of the town's attractions, following on from his brief visit here in July.

He enjoyed lunch at the Hotel Beverley, with CEO Rob Cossart from Wheatbelt Development Commission, including the opportunity to meet some of our locals.

Stephen Gollan, CEO and Cr Don Davies, President, Shire of Beverley gave the Governor a guided tour of the Visitors Centre, which showcases the interactive digital displays and the 1:5 scale model, exact replica of the silver centenary plane. This was followed by the building tour of the Cornerstone. Meeting with the business owners that rent the commercial office spaces and the staff from the Community Resource Centre.

He visited the Station Gallery and Platform Theatre a multi-purpose cultural precinct that was built in 1886 in a Victorian Tudor style and restored in 2006 by a group of dedicated volunteers. As local residents would be aware, the gallery is the home to the Shire of Beverley's art collection and the Platform Theatre hosts musical and theatrical events. This is still an active railway as trains regularly pass through.

A short drive to the Avondale Agricultural Machinery Museum, (which is currently closed as it is undergoing a feasibility study) the Governor had a look through the extensive collection which tells the story of the development of farming in WA. Many of the machines have been restored to operating condition by the museum volunteers. No visit would be complete without meeting the resident Clydesdale horses, Robbie and Comet who were very happy to see the Governor.

"Beverley defines community pride. They have taken every facet of their history and turned it into a learning opportunity for visitors and the younger generations in town. They have one of the best collection of farming equipment in the country. Thanks to the people of Beverley for a fantastic visit".

SHIRE OF BEVERLEY PRESIDENT'S REPORT

Vincent Street Streetscape Project – Public Consultation

Council are working towards the commencement of the Vincent Street redevelopment which will include the undergrounding of power, upgrades to drainage and footpaths and the general beautification of the main street from Hunt Road to the bridge. The original concept plans developed in 2014 from robust public consultation are being refined and updated for actual construction. Public consultation of these refined drawings will be held on Tuesday 8 September 2020. You can drop in any time between 9am – 12 noon or 5pm – 8pm at the Cornerstone. Full details on next page. Due to the nature of our external funding, the consultation process will be swift so I urge all community members to make themselves aware of the project.

Over the next 18 months there will be disruptions to access via roads and footpaths and I ask for everyone's patience as the end outcome will improve safety, slow traffic, be inviting, return some greenery, improve parking and encourage visitors.

Businesses on the main street will be sent regular updates throughout the construction process.

A reminder that the due date for the **10% discount is Monday 07 September 2020.**

Youth Activity Area

The Youth Activity Area is coming along nicely and on track for opening late September / early October. The concrete has been poured for the skate area and our friends at Skate Sculpture had a quick test run to ensure that it not only meets all safety requirements but is an exciting track to ride... they are very happy! Lighting has been installed and tested. The pump track and shelters will commence the first week of September.

Thank you to everyone who put an entry into the naming competition for the Youth Activity Area. Council has chosen to call the Youth Activity Area 'Moort Wabiny Park' which was suggested by 10yr old Grace from Beverley District High School. Moort Wabiny means Family Play in Ballardong Language. Thank you for your contribution Grace.

Graffiti

It was very disappointing to see the Exhibition Shed and the footpath on Lukin Street vandalised with graffiti. If anyone has any information relating to the graffiti please contact the Beverley Police.

Community Grants

Congratulations to the following groups that were awarded grants in the July 2020 round:

Minor Grants – Beverley CWA and Beverley P & C Association.

Major Grants – Beverley Playgroup, Beverley Historical Society, Beverley Golf Club and Beverley Soaring Society.

Banner Poles

Council has agreed to repurpose the old mainstreet banner poles after Ms Kylie Watts approached Shire staff with an idea to use them as place identifiers at Council assets around the townsite. It is proposed that the four poles will be relocated to the RV Park, the Community Garden, the Station Arts and the Dead Finish Museum. Thanks to Kylie for presenting a great idea.

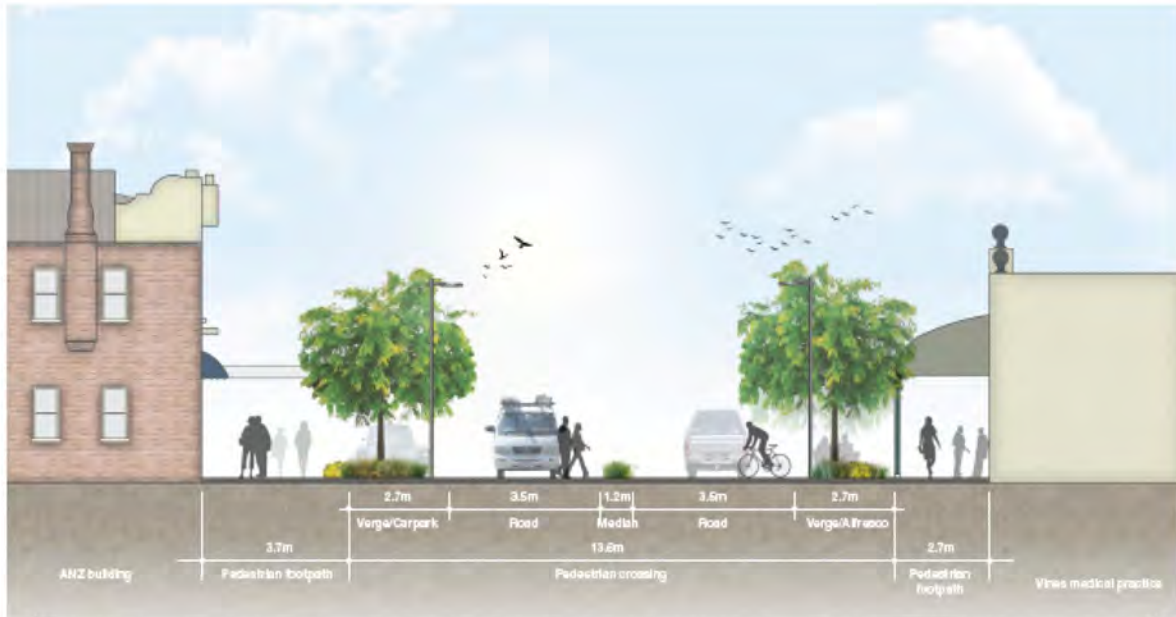

COVID-19

While the COVID-19 risk in WA at this stage still remains low, a reminder to continue practising safe social distancing, good hygiene and staying home if you are feeling unwell. As reported in the media, good hygiene practises this year has resulted in a significant reduced number of influenza (Flu) cases and deaths throughout the State. As a town with a high senior population and growing number of newborns this is good news.

Community Cropping Leases

The previous cropping leases 2018 – 2021 expire on 31 March 2021. In order to allow farmers, community groups and individuals to plan their forward programmes the submissions to lease various blocks open 1 September and close Friday 9 October 2020. The submissions must be made on the appropriate forms which can be downloaded from the Shire website or obtained from the Shire office. The leases will be awarded at the Ordinary October Council meeting.

Beverley Community Garden

The Beverley Community Garden is growing well. We have beautiful, organically grown vegetables ready for sale so why not come in on a Tuesday, see Betty or Maureen and add some healthy greens to your meals.

The street stall and wood raffle in July was very successful, yielding new members and raising funds to allow us to continue to develop the garden. Lois Edwards won the wood raffle and Shirley Carr won the \$100.00 note raffle. Another stall will be held on September the 11 and 12 from 8.30am to 12 noon.

Murray has been forging ahead with building the grape arbour and the working party has laid the slabs and erected the green shed in its permanent position. More fruit trees and vegetable seedlings have been planted and summer vegetable seeds are germinating.

The weekly garden maintenance days continue each Tuesday from 10am and everyone is welcome to come, no matter what your level of gardening knowledge or ability. Just pop in for a look at the garden, have a chat or a cuppa. If you would like to become a member of the Community Garden, contact Maureen or come to the garden on a Tuesday. Membership is \$20 per person or \$30 a family or school group.

If you have any items that you would like to donate, please ring Betty on 0400 569 971, Maureen on 0429 460 073 or Dorothy on 0429 989 031 to arrange a pick up or for any further inquiries.

Beverley Garden and Tree Society

The Beverley Garden meeting held on Tuesday 04 August at the CRC conference room was attended by 25 members present and 6 apologies. President, Colleen McAdam, welcomed a new member and a returning member. Linley Thompson gave a very interesting talk about herbs, how to grow them and their uses.

Our next outing was discussed and decided we will go to York, visiting the bush garden and perhaps a walk over the swing bridge. We will car pool, meeting at the Dead Finish at 10am on Tuesday 01 September.

The Annual Rose Show will go ahead as planned unless the Covid 19 takes a turn for the worse and we are shut down again. The date is set for the 23 and 24 October and we are hoping to have a bumper crop of roses again this year.

Tips for Planting in September

- Plant seeds for flowers and vegetables for summer
- Fertilise strawberries to encourage a bumper crop
- Get weeds under control
- Apply a slow-release lawn food to all grassed areas
- Use a metal rake to remove any build-up of thatch
- Increase watering of potted plants as the weather warms up
- Apply a slow-release fertiliser to all potted plants
- Tidy up ornamental grasses to promote new growth
- Fertilise all plants and lawns as growth resumes
- Prune hibiscus and also prune plants that flowered in winter and early spring
- Plant herbs such as parsley, mint, coriander, and oregano
- Renew mulch on garden beds – cover the soil with compost and then cover with a layer of mulch
- Watch for pests on new growth such as aphids and snails. Aphids can be squashed or treated.
- Snails and slugs can be trapped or deterred
- Repot potted plants that are root bound
- Dead head spring annuals and bulbs

BEVERLEY HISTORICAL SOCIETY

Good News, the Museum has been opened for 4 weeks now and have had a steady number of visitors making the most of Sunday drives. We are open every Sunday 11am - 3pm until end of November.

If any of the community during this time of not travelling far have been sorting your treasured memories and find old photos or other interests, we always welcome copies especially old buildings, houses, events etc.

The Historical Society are helping with the Pioneer Challenge (see advertisement in Blarney) and as we can only travel in our lovely State maybe this is something interesting, we can participate in.

We are always looking for new members so don't hesitate to contact one of our members. Next meeting is Monday 14 September at 1.30pm held at the Dead Finish Museum followed by a cuppa.

FRIENDS OF THE DALE RIVER TREE PLANTING DAY

SUNDAY 02 AUGUST 2020

A small but dedicated group of people participated in our community tree planting day at Reserve Pool on the Dale River.

The planting was concentrated in the riparian zone in order to reduce silt and nutrient run off and help suppress weeds as well as provide food and shelter for the wildlife. This project has been ongoing over a two year period with weed control being carried out initially in 2019 and again in 2020 before planting.

Funding was provided by WNRM - Healthy Soils Healthy Rivers Grant. Hopefully subsequent rains will help to ensure a good survival rate for the seedlings. The day concluded with a BBQ for volunteers and a chance to sit back and relax and enjoy our unique place on the Dale.

Many thanks to everyone involved!

GOODBYE IAN

After nearly 4 years in Beverley, Ian is leaving and heading back to the city. Thank you, Ian, for all your efforts whilst you have been in Beverley. I know the community have appreciated having a police officer in town that was approachable and I know you will be missed. Best of luck for the future and enjoy your new position.

So as Ian leaves another arrives. The new officer coming to replace Ian is John Lines. John is a very experienced police officer who has been country policing for nearly 38 years. He has been in and around the Wheatbelt area for the majority of that time and will no doubt fit in seamlessly.

Please take care and stay safe.

NEW MOBILE PHONE LAWS

In 2019, almost 20% of deaths on WA roads were caused by distracted drivers. 95% of all WA drivers acknowledge the danger associated with using their phone while driving, and yet surprisingly 50% of people still admit to this selfish behaviour.

As of **01 September 2020**, there are new increased penalties for the use of mobile phones whilst driving. The new penalties if you're caught using your phone while driving:

Penalty 1 – Touching or holding your phone for audio calls: \$500 and 3 demerit points.

Penalty 2 – More distracting tasks like texting, using social media or watching videos: \$1000 and 4 demerit points.

FAQ:

HOW CAN I LEGALLY USE MY MOBILE PHONE WHILE DRIVING A VEHICLE OR RIDING A BICYCLE?

A driver or cyclist is permitted to touch a mobile phone that is securely mounted to the vehicle or bicycle to accept or end a phone call. Any other action will result in an infringement, and for those driving a vehicle, a demerit point penalty as well.

CAN I USE THE MAP APP ON MY MOBILE PHONE WHILE DRIVING OR RIDING?

All drivers are permitted to use their mobile phone as a navigational tool, but only if the phone is placed in a mounting secured to the vehicle, and the route is set and started before driving or riding commences. If you touch the phone while driving to change the function of the navigational app, even when secured in a mounting, you face a \$1000 infringement and 4 demerit points.

Mother Mary Stanislaus 1856-1921

Beverley Times Saturday 17 September 1921

Obituary: MOTHER MARY STANISLAUS.

The death of Mother Mary Stanislaus (Miss Annie Houlahan) occurred at the Sacred Heart Convent, Beverley, on Tuesday morning last, at the age of 65 years. Deceased was in charge of the Convent in Beverley from the date of its opening in January, 1909, until four years later, when she relinquished the position on account of ill-health, but since that time she has been in Beverley off and on ever since, with occasional breaks on account of failing health. For some time past her condition was considered most serious, especially during the past three or four months, and, despite the capable and unremitting attention of Dr. Hodgson, she passed away, as stated, on Tuesday morning, full of honours in a life spent in the service of God and the rising generation, and it is comforting to know that the influence and example of her good work will long be treasured by those who were privileged to receive her instruction.

The funeral took place on Wednesday afternoon in the local Catholic Cemetery, and the remains were followed to their last resting place by a large number of sympathising and sorrowing friends. The burial service was conducted by the Rev. Fr. O'Brien, assisted by the Rev. Dean Brennan, of Narrogin. The procession from the Convent to the graveside was headed by the altar boys bearing the Crucifix, followed by the school children, the Children of Mary Sodality and the Sodality of the Sacred Heart, Dean Brennan, Fr. O'Brien, the Sisters of the Sacred Heart and

members of the congregation. Numerous letters and telegrams of sympathy have been received from the Archbishop, the Clergy, and sympathising friends from all over the State.

Deceased was born in N.S.W. and entered religion at Hay in that State 31 years ago. She has been in Western Australia for 17 years, the greater portion of which time she spent at Beverley, where she was beloved by all who knew her, and many outside her own denomination will mourn her loss.

Artists-in-Residence at the Station Gallery

Well, John Kaye who was residing at the Station for the month of August certainly pushed out some paintings of our local landscapes of which he hopes to exhibit both here and in York in the near future. He was pleased to have those of you among the community pop in to say hello, share stories and coffee and show visitors around the venue.

This coming month artist Jane Etienne will be working from the Station 10 - 14 September.

And then from 14 to the end of September we welcome back Trish Davis who works with textiles.

Trish Davis

Trish pursues many forms of art and craft and is happy to discuss these and assist and inspire people in TEXTILE ART, QUILTING, EMBROIDERY, ACRYLICS, PASTELS, CHINA PAINTING, TEDDY BEAR MAKING, KNITTING OR CROCHET... please feel welcome to come and sew with her or explore fabric related projects/ideas (but do ring beforehand so she can make sure of being in the gallery and not out at the shops!) Beverley Station Singers

STATION SINGERS ARE BACK!

An enthusiastic group of eleven singers sung their hearts out with some oldies, but also with two new songs on Wednesday 12 August. This new format for a fun night of singing every few weeks with no pressure for you to perform in concerts is a welcome change, plus a cost reduction to just \$20 on the night, BYO drinks and nibbles to share. As previously, singing is directed by the talented Kelly Newton Wordsworth. Next session is **Wednesday 02 September**. Sarah Miller is coordinating singing so if you are keen to come along you can phone 0427 464 078.

Beverley Amateur

Dramatics (BAD)

Well, rehearsals have recommenced in small groups for *Cocky's Crossing*, though not in earnest till mid-September as they don't want to be "over" rehearsed! The actual show dates are October Friday 16, Saturday 17, and Friday 23, Saturday 24. **Mark it on your calendars now!** For more information contact Britt Hadlow by email:

OCTOBER LINE-UP

WOLFGANG'S MAGICAL MUSICAL CIRCUS

A family show with a circus twist! Check out these reviews....

★★★★ - THE LIST, UK ". . . manic and magical." - THE GUARDIAN, UK ". . . a must-see show for all the family." - EDINBURGH LIFE WITH KIDS, UK ★★★★★ - "The show is gilded with comedy that had all ages laughing with raucous enthusiasm." - SYDNEY MORNING HERALD, AUS

Circa Contemporary Circus is one of the world's leading performance companies. Since 2004, from its base in Brisbane, Australia, Circa has toured the world - performing in 40 countries to over a million people. Circa's works have been greeted with standing ovations, rave reviews and sold-out houses across six continents.

Straight from the score and onto the stage, the man known as Mozart appears amid a storm of powder, tumbling and twirling, as musical mayhem and movement fuse in this family show with a circus twist.

CWA York forging ahead!

The CWA York Branch held a very productive meeting on Friday 14 August 2020. Although as many as 25 members attended, we were still able to practise social distancing. Our President, Dawn Ainsworth, circulated a draft of the plaque to accompany the COVID-19 leadlight memorial window at our rooms at 154 Avon Terrace. We would sincerely like to thank Ross Ainsworth for painting the window frame. Dawn Ainsworth is working with a graphic designer in order to ensure that the plaque, which will include the names of current York branch members and signifies a unique experience in all our lives, is really something special.

Sixteen of the ladies had a most enjoyable get-together over lunch at The Imperial Homestead in York on Friday 21 August. The food was delicious and we congratulated Chef Avi for a lovely meal and his hard work.

SUSTAINABILITY at BDHS

At Beverley we aim to be Successful, Supportive and Sustainable. These are the three areas that form the basis of all of our school planning. As a part of our commitment to being a 'Sustainable school' our Year 4/5 students presented some important information highlighting how we as a school, are working to be more eco-friendly and how together we can make a difference!

Wacky Wednesday

Our Student Leaders organised Wacky Wednesday for all students and staff to enjoy. We saw some very wacky costumes and it was great to see all the staff and students get involved in the fun! To start Wacky Wednesday, we found high school students in the junior primary, Year 6 students in the Pre Primary and it was totally wacky to find primary teachers in the high school and vice versa! We even found Mrs Megan Vandenberg (Manager of Corporate Services) teaching the Year 6 class!!! **TOTALLY WACKY!!**

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a **Doctors referral is required** – Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto to Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

Podiatry – a **Doctors referral is required**
Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

We would like to thank all of the Shire Councillors and community that attended our Coffee and cake with a Councillor event in July.

This event was an excellent opportunity for many of our local residents and business owners to meet the councillors and have a bit of one on one time. Many thanks to Cr Don Davies, President for his update on Beverley. We will be holding a Coffee with a Copper when the weather is warmer, so be sure to look out for advertising around town.

Barracks Pastoral Co. – Filling the feed gap

The Mann family of Beverley are doing things differently thanks to the summer feed gap planning they undertook with Wheatbelt NRM. Come and join us for a field walk to see how they are changing their business.

Justin and Kelly Mann are sharing their story on what benefits they have seen through their recent planning process with Phil Barrett-Lennard as part of this Wheatbelt NRM project.

With the vision of reducing the summer feed gap and tackling erosion, the experience has already given back more than they expected, even before the plans are fully implemented.

Hear what happened when they took Phil's advice and practiced confinement feeding this season. Register your interest now.

WHAT IS THE HEROIC?

In Australia there was a bicycle race that ran from 1897 to 1999. It was hard racing in the days of gravel tracks, and thought to be the toughest race in Australia. It started in Beverley. Today we celebrate that race with a bike weekend. Be Heroic and come ride with us.

The weekend is about stepping back in time. Historical towns, historical bikes and beautiful country side. We celebrate the history. We love those old bikes. See where the Wheatbelt and great races began. Enjoy quiet roads, riverside riding, check points in historic town in Western Australia.

Weekend Program

Saturday 17 October

Morning

Road cycling race

Start line, Freemasons Hotel, east 25 km and back.

Afternoon

Retro bike show in the Hall,
Free kids cycling race
(Cyclocross) at the Tennis Club,
with Adult racing too.

Overnight camping on the Oval

Sunday 18 October

Morning to Afternoon

200+ Riders heading to York
and Northam winding back
along gravel roads.

Afternoon

BEVERLEY SUB CENTRE NEWS

First Aid Kits

St John WA is able to provide First Aid Kits and Supplies that you, your family or your business may require. The range of products available may be viewed at:
<https://stjohnwa.com.au/first-aid-kits-and-supplies>.

When purchased through the Beverley sub centre, the profits earned on the sale of these St John WA products stays within the sub centre, allowing these funds to be used for the benefit of our community.

The sub centre is grateful to the Beverley Junior sporting club for their recent support in this way.

We currently have four of the extremely popular Medium Leisure Kits available for immediate sale. For further details, or to purchase, please contact the sub centre on 9646 1408 (Tuesdays and Fridays from 9.00am – 2.00pm) or Beverley@stjohnwa.com.au

Pioneer Heritage Hunt

TAKE THE PIONEER CHALLENGE

About Pioneer Challenge

Pioneer Challenge is a heritage hunt adventure in Western Australia. It is a fun, exciting pioneer adventure game played on the modern mobile device. The game encourages tourism within our state and takes people to places off the main tourist routes.

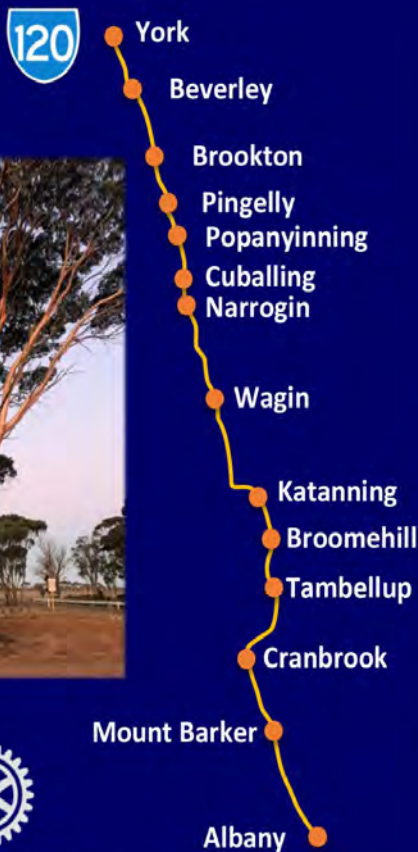

"Spending time with our family in the country was truly wonderful. We discovered fun places and have stories and memories to last a lifetime" - Judy

How the game is played

Once registered, the game will issue players with three surprise pioneer towns along route 120. Within these pioneers' towns, players need to find three specified pioneer graves at the local cemetery and historical clues within the township.

There are fantastic prizes to be won, including a first prize of a 7-night holiday for 6 people at Peace Rise Retreat in Denmark, WA valued at \$2,500.

Get Your Team Ready

Get your family and friends together and form a team for this fun and exciting adventure. Register your team at www.pioneerchallenge.com.au.

Is Stoicism a Dirty Word?

It's become fashionable in some circles to lump stoicism in with other, less than desirable traits like aggression, when talking about male behaviour. There is even an ongoing argument in the American Psychological Association about how it was controversially included as a harmful trait in their guidelines. Harvard professor, Steven Pinker argued the APA was misguided, "Stoicism is a good quality, not, as the new guidelines say, harmful". He's on the money when he argues that the guidelines should encourage "the masculine virtues — dignity, responsibility, self-control, and self-reliance." All of these are the qualities and virtues of manhood that we should be celebrating.

What is stoicism? Its origins go back to a school of Roman philosophy with proponents that sound like the cast of Gladiator. Roman Emperor Marcus Aurelius, playwright and political advisor Seneca, and the upwardly mobile slave, turned teacher Epictetus. But before we all don our tunics and sandals and face the lions in the Colosseum there are some modern-day and relevant ideas tied up in stoicism. Much of its underlying message is actually what underpins "mindfulness". Stoicism taught its followers the development of self-control and fortitude as a means of overcoming destructive emotions. Stoic philosophy advocates accepting life's challenges, which often are not within our control, and then focus on what to do with the given situation, which is within our control. "We can't change what is, we can only change our reaction to it".

These days the use of the word stoicism has incorrectly incorporates a "push on regardless" attitude by men in particular. It is used as a negative description for blokes failing to address ongoing health concerns by ignoring the warning signs and self-medicating by purely concentrating on their work. This is without a doubt a very dangerous attitude, but real stoicism needs to be celebrated. Every great invention, discovery or work of human endeavour has been a result of stoic behaviour. It is a trait not only found in men but women also, and it is a quality to be admired. Pregnancy and childbirth are just two examples that come to mind that couldn't possibly be achieved without a degree of stoicism.

Like anything health related, be it food, exercise, or even sunlight, the trick is "everything in moderation". If being stoic is the only plan in our playbook, then the results will be negative. However if we learn when to be stoic, and importantly, when to ask for help, our lives will benefit immeasurably.

The Stoics of old, recognized that wellbeing depends on the cultivation of one's character, on one's choices and actions, rather than on what happens in the uncontrollable world around us. It is something that the Regional Men's Health Initiative advocate every day; that the bulk of our health outcomes are influenced primarily by the choices we make and if we can be well-informed, and make informed decisions, then positive health outcomes will follow.

Working with Warriors® Podcast Series. These podcasts launched on the 19th June 2020 are based on conversations around men's wellbeing and health from our "Working with Warriors"® education sessions. These short podcasts regarding a man's approach to his wellbeing and health are now available to listen via our website or on Spotify, Apple Podcasts, Google Podcasts and numerous other podcast directories.

Your monthly guide to pests, weeds & diseases

Woolly weather, woolly bears!

It seems to be the winter of the fluffy caterpillars, with reports of these woolly moth larvae coming in thick and fast. The affectionate name 'woolly bear' is applied to several common and widespread, native species. Let's meet two of them.

Pictured **above** is *Anthela canescens*, also known as the Western Anthelid, Family: Anthelidae. The caterpillar quite striking, with reddy-brown and black hairs mixed in with white tufted hairs. Rarely pesty, they usually feed on various *Eucalyptus* or *Corymbia* species and seek out a well-protected places such as under bark or amongst firewood to pupate. Adults are drab coloured large moths which are clumsy flyers and are attracted to light.

Pictured **below** are the caterpillar and adult of the black and white tiger moth, *Arctices glatignyi*, Family: Arctiidae. The caterpillar's colouration can be highly variable. Sadly, this one is a pest.

The caterpillar will munch its way through native plants, vegetables, herbs, rosemary, nasturtiums – just about anything green. Birds don't tend to eat these due to their hairy bodies, so if they are causing too much damage to tolerate, control by hand or select a product suitable for caterpillars. The moths do not damage plants, but are commonly attracted to light.

The club is located on Nicholas Street with camping available on the Saturday night. Check out our Facebook page @beverleydistrictsmotorcycleclub

Springdell Cup Weekend

On Saturday 25 July 25, there was a large turnout of 74 players who competed in perfect weather for the **Wayde and Kathryn McLean** 4BBB Stableford trophy. The winners were Rod Anderson and Glen Miller from Bakers Hill with a team Stableford score of 50 points. Runners-up were Wayde McLean and Steve Philippe (Perth) with 47 points. Wayde declined to accept his own trophy which was subsequently awarded to third placegetters Chris Lawlor and Mark Kont (46 points). Winners of the Gross event were David Cliff and Ryan Sheridan (Brookton) who scored a creditable 39 points. They were followed by Andrew Thomas and Liam Thomas (Waroona) 36 points.

On Sunday 26 July was the date for the annual **Springdell Cup Open**. As always, our grateful thanks are extended to **Andrew and Kellie Shaw** and to the **Sing Family** for their continued support for this event. The weather remained perfect for golf and 48 players competed in the 27 holes of Stableford to have their name recorded on the trophy. Results were:

NETT WINNERS

Liam Gollan 61 points – Winner of the Springdell Cup
Robbie Wansbrough 60 points – Runner-Up
Shane Norman (Serpentine) 59 points- Third
Kevin Burton (Waroona) 58 points - Fourth

GROSS WINNERS

Ryan Sheridan (Brookton) 53 points - Winner of the Barry Winfield Memorial Trophy
Daniel Forward (Brookton) 51 points- Runner-Up
Chris Rawes (Brookton) 50 points - Third

Other trophy winners were:

Best 18 – Alan Scales 39 points
Best 9 (1 to 9) – Vance Blechynden (Brookton) 20 points
Best 9 (10 to 18) – Matt McLean 21 points
Best Veteran (60+) – Alan Thomas (Waroona) 57 points
Best Super Vet (66+) – Neal Ivey (Serpentine) 54 points

This was a successful weekend for the club which was only possible with the assistance of many members who contributed their skills and time in many ways. These especially include the women members who spend their time in the kitchen preparing and cooking the meals (and cleaning up afterwards) and the ladies who work in the office recording results and entering cards for handicaps. To the members that helped with the busy bee before the day, to the course maintenance crew, to the bar management and staff, to Steve Gollan who co-ordinates purchasing the many trophies and to those who assisted with placing and collecting novelty pins and eskys the club also extends a big thank you. Well done all.

Results for August

On Saturday 01 August, 20 players took to the field to compete for the **G.L. Broun Trophy**. Our thanks go to the **Broun Family** for continuing their sponsorship of this event. The day was won by Jane Murray with a score of 40 points who declined to accept the trophy. The trophy was awarded to Robbie Wansbrough (who had lost on a countback). The runner-up trophy was awarded to Alan Scales with 38 points

On Saturday 08 August our third qualifying round for the Club Championship was held, sponsored by **Fred 'China' Sing**. Eighteen members competed and the day was won by Mark Kont with Nett 69 (Gross 99). Runners-Up were Alan Hammond with Nett 70 (84) and Jane Murray also Nett 70 (86). Thank you 'China' for your ongoing sponsorship.

On Saturday 15 August saw 9 players travel to Corrigin to compete in their annual open event. The most successful of the travellers over the 30 holes were James Adams who carded 56 points and Ken Bradley with 51 points. Unfortunately, that was not enough to take home a trophy although we're told the marron Ken won in the raffle were tasty!

At home on the same day 6 players had a social day competing in a par event. Keith Hawkins won the day with +2. Graeme Lewis and Dale Wansbrough were equal runners-up on -2.

On Saturday 22 August the club held a special event thanks to a unique offer of sponsorship from the **Beverley Agricultural Society**. The club arranged an impromptu mixed teams Russian Stableford event and 24 players lined up. The winning team was Alan Scales and James Adams who came in with 77 points. Runners-up were Beau McLean and Matt McLean (71 points) with the third place trophies going to Jacinta Murray and Stephen Gollan (70 points). Winner of the Women's Individual trophy was Jane Murray (25 points) and the Men's Individual trophy went to Alan Hammond (38 points).

The weekend of August 29 and 30 had players travelling to York to compete in that club's open events. A social par event was held on Saturday for the players who stayed at home. Any notable performances will be advised next month.

Scroungers

Every Wednesday and Friday afternoon we play a very relaxed 6 holes of golf. Handicaps are independent of the Golf Australia system and these afternoons are an ideal introduction into the frustratingly wonderful game of golf. Any interested persons are welcome to join us (loan clubs available if required). Tee-off is normally 3:30pm in winter although later times can be arranged if you call Mark on 0490 037 810. Results since the last Blarney:

July 22 - 15 players – Winners Fred Bremner and Darrell Hagan – 15 points

July 24 – 5 players – Winner Mark Kont - 14 points

July 29 – 10 players – Winner Mark Kont – 14 points

July 31 – 9 players – Winner Mike Carthew – 17 points

August 05 – 15 players – Winner Ken Bradley – 16 points

August 07 – 3 players – Winners Mike Carthew and Ken Bradley – 12 points

August 12 – 19 players – Winner Ken Bradley – 16 points

August 19 – 14 players – Winner Mark Kont – 15 points

August 21 – 4 players – Winner Ken Bradley – 12 points

New Practice Green

Members and visitors will notice that the practice green that has been in formative stages for some time is now complete. The club would like to extend a huge thanks to Terry Woods and 'China' Sing for putting in an extended coupla-days of heavy work to complete this project. We would also like to acknowledge the support of Garry Miller who loaned equipment without which the project would still be languishing.

Consequently, the use of the 16th fairway and green for chipping and putting practise is no longer permitted. Chipping to the new practice green is permitted from an area between the 16th green and 1st tee and all pre-game putting practise must be now be done on the new green.

CROQUET

Is currently played at 10.00am on Wednesday mornings and 3.00pm on Friday afternoons.

Robyn Johnson (Beverley Croquet Club) partnered with Dorothy Bull (York Croquet Club) along with Beverley Hoey (Beverley Croquet Club) partnered with Helen Amyes (York Croquet Club) competed in the Country Doubles Golf Croquet Tournament on the weekend of 15 and 16 August in York. There were 16 teams in total, 2 teams from York, 2 from York/Beverley along with teams from the Metro area including Como, Gosnells, and country teams from Dunsborough, Busselton, Narrogin and Augusta.

Teams were split into 2 groups of 8 teams for the tournament, which started at 8.30am on Saturday in perfect conditions and some very good croquet was played with all teams competing for group seeding in readiness for the finals with both Beverley/York teams winning 3 of their 5 games.

Weather conditions on Sunday was a very different kettle of fish as it was cold, wet and windy. Robyn and Beverley, both playing in their first doubles tournament, experienced playing games in wet and cold conditions and it sure was a sight to see, all players decked out in wet weather gear whilst thoroughly enjoying their games of croquet and jostling for group positions.

Beverley & Helen were successful on Sunday and won the Plate.

BEVERLEY LADIES GOLF

Welcome to this edition.

We have played golf in near perfect conditions and the fairways and greens are a credit to our men.

Thanks a lot.

It has been wonderful how our younger players have taken to golf and most of them are now playing 18 holes. Remember, don't expect to play perfect shots all the time, even the experienced players have their hiccups.

We have had 11 ladies play 18 holes and 5 playing 9 holes. We are hoping that some of the new 9 holers will join the 18 holers soon.

Hole in One

Excitement was on the course on Wednesday 12 August when Lyn and Marg Peck witnessed Glenys Collins getting a hole in one. Glenys got her hole in one on a Par 3, Hole Number 13.

Glenys has been playing golf for 44 years and she said that this achievement was the highlight of her long golfing career.

Yvonne Hobbs with a gross score of 279.

Plate Winner:

Congratulations to Glenys Collins who scored a nett score of 228 over 3 rounds.

Runner Up:

Carissa Shaw was very close behind Glenys with a nett score of 229. Well done Carissa.

Thursday 13 August

Jane and Sera travelled to Bolgart to play in their Open Day and what can I say, Bolgart course is very challenging and we drowned our sorrows with the ladies we played with. Company and food was great.

Friday 21 August

Jacinta Murray, Jane Murray, Lorna Barrett-Lennard, Marg Peck, Maxine Watts and Sera Minchin went to York to play in their Open Day. Let's just say we enjoyed the company and the food and Lorna won a money raffle.

Until next month, BE VERY STRAIGHT

Beverley Horse and Pony Club

Marsden Cup: on the Sunday 26 July at Horseman's Pony Club. This is a great event to take your PPMG teams to before the State events. Great day and fantastic competition.

State Active Riding Qualifier: at Avon Valley SJ & Pony Club on the 01 and 02 August. Two Beverley team entered this year with 11 teams across the State competing together. So both teams now going through to the State Finals in September. Special thank you Bethany and Oscar who came and supported their team as our 5th riders.

August Rally: Our rally held on Saturday 08 was a busy and full on day. The morning was focussed on supporting our riders for the State Dressage Championships and mixing in some games skills and practice. The afternoon saw all parents helping set up a full Showjumping course so our riders could get a feel of where their training and competition level were for the upcoming State Show jumping Championships in September. I think we all slept well that night!

State Dressage Championships: on the 15 and 16 August at State Equestrian Centre. Tealah, Emily and Carly competed in the Plunkett and the team placed 24th. Emily and Jessica competed together in the Prix Caprilli. Tealah and Carly were part of our Zone Team of four riders, which placed 8th. Well done to all riders.
