SHIRE OF BEVERLEY PRESIDENT'S REPORT

CHRISTMAS LIGHTS COMPETITION

Council is running its bi-annual Christmas Lights Competition. Lights will be judged on Thursday 17 December 2020. If you'd like to notify the Shire of your address, please do, however it is not compulsory.

REMEMBRANCE DAY

The Shire laid a wreath on behalf of the Beverley Community to commemorate Remembrance Day on Wednesday 11 November 2020.

BEVERLEY COURTHOUSE

The old Courthouse which houses the Beverley Gymnasium received a new roof through the Federally funded Local Roads and Community Infrastructure Program. Thanks to members for their patience while the building was closed for two weeks.

Also located at the gym is a new defib machine and First Aid kit which was funded by CBH Grass Roots Community Funding program.

Gym memberships are available from the Shire Office. As part of the application process you must provide a medical certificate and complete one induction session. Details are also available on the Shire Website.

COMMUNITY GRANTS

A reminder that the second round of Community Grants is coming up. Grants will open on Monday 04 January 2021 and close 4.00pm, Friday 29 January 2021. Community Groups need to be incorporated. Small Individual grants for state and national representation in your field are also available.

MOORT WABINY PARK

The power at Moort Wabiny Park is expected to be connected by 11 December, the community will then be able to enjoy evening activities and the BBQS. As an extension to previous announcements, powered wheelchairs and gophers are permitted and most welcome in the park. Motorbikes and large motorised scooters are not permitted. Our apologies for any confusion.

TOWN WASTE COLLECTION – 25 DECEMBER 2020

A reminder that the waste collections due for Beverley on Friday 25 December 2020 will be serviced on Thursday 24 December 2020. All services will be as normal for the New Year Week.

ROAD PROGRAM

Road works continue on Westdale Road and Top-Beverley Road throughout December.

FAREWELL 2020

2020 has been a very interesting year with COVID-19 changing our way of life for several months. Many local events were cancelled or altered, children were unable to attend school, we isolated in our homes and supermarkets ran short of toilet paper! Through it all though, regional communities have proved to be quite resilient with neighbours keeping an eye on each other and business and community groups finding alternative ways to communicate and remain operational. Notably, the Shire was able to complete Moort Wabiny Park, keep all staff employed and maintain our roads program through this strange time. Whilst sadly some local business suffered and jobs were lost, it is now pleasing to see local community groups making new plans for 2021 and visitors traveling to Beverley, even now into summer when we are usually quiet.

Council are hoping that 2021 will continue to bring a new lease of life to Beverley with the Vincent Street Streetscape Project, our ongoing road construction program and finishing smaller projects such as the Lesser Hall Courtyard and Town Hall Floor Replacement.

The Shire Office will close at 4.00pm Wednesday 23 December 2020 and reopen on Monday 04 January 2021 at 8.30am. On behalf of Council and Shire Staff, I would like to wish everyone a safe and Merry Christmas.

Cr Don Davis

CONTAINERS FOR CHANGE WA

We've had a lot of queries regarding the new recycling program and wanted to compile some local information for you.

To receive a refund, you will need a Scheme ID which you can register for on the Containers for Change website here <https://consumer.containersforchange.com.au/create-account?scheme=WA>

Eligible containers can be dropped off in bags at a bag-drop located at the end of Council Rd near the cardboard recycling bin.

Please make sure you place your Scheme ID is legible on your bags (tape and permanent marker work just fine).

Currently, bag drop off is on Wednesday and Saturday afternoons from 1pm until 4pm. In the future, a separate bin will be permanently placed there and emptied weekly – meaning you can drop your bags off at any time!

Refunds appear to be processed within approximately 72 business hours.

If you have any questions, please refer to the Containers for Change WA website. <https://www.containersforchange.com.au/wa/>

**Expression of Interest
Community Group Fundraising Opportunity**

Council is calling for expressions of interest from local community and volunteer groups to run the Beverley DrumMuster Program.

With assistance from the Shire and Regional DrumMuster Manager the community group will coordinate the collection of used and cleaned farm chemical drums. The DrumMuster collection days are run once or twice a year.

Each inspection day requires two to three volunteers with local training being provided to all parties and inspectors.

If your community group is interested in the running of the DrumMuster program or if you have any questions, please contact Ashleigh Waight - Project Officer at the Shire Office on (08)9646 1200 or ashleigh.waight@beverley.wa.gov.au

Expressions of interest are required by Monday 7th December 2020.

Creating personal invitations for all of life's memorable occasions.

From Birthday Parties, Weddings, Engagement Celebrations,
Hen's Night, Baby Showers, Anniversaries.

Also include Growth charts, Envelopes, Logos,
Business cards, Advertisement designs and much more!

Please contact Tegan with your request.

THANKYOU DAWN EDWARDS AND CONGRATULATIONS

The Beverley Hospital Auxiliary

invite you to a special morning tea in honour of

Mrs Dawn Edwards

Dawn joined the Auxiliary in 1962 and has now completed 58 years of unbroken dedicated service. Regretfully, she has decided that the time has come to step down from her role as worker, mentor and historian of the Auxiliary! Since the Op Shop opened in 1961, Dawn has led by example for Mothers and then their daughters and now a new generation of Beverley ladies who tirelessly raise funds for the local health services.

In recognition of this outstanding contribution to the Auxiliary, the Opportunity Shop and all the associated activities, we invite past and present office bearers and committee members, Opportunity Shop rostered helpers as well as Dawn's friends, to attend this function to acknowledge her dedication.

Beverley **GARDEN AND TREE SOCIETY**

The annual Beverley Rose show once again filled the town hall with vibrant colour and lovely perfume. Entries were less than in previous years but it was still a magnificent spectacle. The ambience was beautifully enhanced with the addition of the gorgeous quilts on display. Thank you to the Beverley Quilting and Patchwork ladies.

Our special thanks also go to our generous sponsors, without whose support it would be very difficult to continue with the show. The sponsors are Avon Trading, Beverley IGA, Beverley Post, News and Gifts, Gaenor Carter, Brian and Geraldine Faithfull, Jenny Foster, the Johnson Family, Hotel Beverley, Trevor and Amanda McLean and E. Squire.

The Garden Club AGM resulted in a mostly new committee being elected and now comprises Lyn Murphy (President), Linley Thompson (Vice President), Dorothy Sampson (Secretary), Maureen Smith (Treasurer) and Val Lamb (Social Secretary). We thank the outgoing committee members for their great leadership and support.

Our Christmas Lunch will be on Tuesday 01 December at the Hotel Beverley at a cost of \$30 each. Please arrive around 11.30am for a 12 noon sit down. We will have a secret Santa for those wishing to participate with a gift to the value of \$10.

The year is nearly over but there are still jobs to do in the garden during December before relaxing over Christmas.

Vegies to plant in December include – capsicum, eggplant, lettuce, tomato, zucchini, beetroot, celery and pumpkin.

Flowers to plant in December include – portulaca, sunflower, begonia, marigold, petunia, verbena, salvia and impatiens.

December is a great time to attend to the following tasks:

- Protect ferns from burning sun and strong winds. Maiden Hair ferns don't like to dry out at all
- Add mulch to outdoor potted plants to conserve water
- Watch for fungal diseases on roses and vegies. Help keep plants healthy by removing disease affected leaves
- Blue-green algae affects ponds and stagnant water in summer and pets should not be allowed to drink from these as it can cause illness
- Harvest leafy green vegies when the leaves are small and young and harvest often
- Bundle pots together for easier watering, especially if someone is looking after your garden while you are away
- When harvesting Basil, take a bit from each plant rather than stripping one. Pinch out tips to encourage lots of new growth
- Cover your worm farm with damp hessian to keep it cool and shaded
- Keep an eye on any new plantings. Nursery plants are constantly watered so you need to give new plants extra water until their root system has established
- Check irrigation systems to ensure they are all working properly, with all spray heads and drippers running freely
- Top up mulches to reduce moisture loss and moderate soil temperatures during summer. It also helps to suppress weeds
- Ripen green tomatoes by placing them on a sunny window sill

Enjoy your time in your garden in December.

Wishing you a Merry Christmas and a Happy New Year.

BEVERLEY COMMUNITY MARKETS

Fundraising Report 2020

Well 2020 has seen many ups and downs. The downside being many fundraising events cancelled due to Covid-19. This year our aim was to raise funds for Beverley Junior Sports.

Thank you to the Beverley community for your support at the monthly markets, where we have a number of stalls, a sausage sizzle and a raffle. We were only able to have 5 markets this year however we still have 05 December markets coming up. There will be a number of stalls with Christmas gifts and goodies. The sausage sizzle will still be on and we will have a Christmas raffle with 1st, 2nd and 3rd prizes.

Thanks to the generous support of the Beverley community we have been able to give \$2000 to Junior Sport. We give many thanks to all the stall holders. Special thanks to Lee, Daryl and Dave who always set up the stall tables. Thanks to Jenny for organizing monthly raffles and to Dalene who has managed the sausage sizzle this year.

Wishing you all a Happy Christmas, and a Happy New Year for 2021.

Community Christmas Party

Yes, it's that time of year again when Christmas is foremost on our minds and what better way to relax and share some Christmas cheer than be at the Station for the Community Concert Saturday 19th December. This year the Shire has again contributed towards entertainment for our free Family Christmas Concert when the whole of town and surrounds come together for some fun.

The evening begins at **5.30pm** when for two hours **3 Blossom Fairies** from *Wheatbelt Face Painting Company* will do their magic with face painting, bubbleology and glitter tattoos.

Then at **6.00pm** we anticipate a visit from Santa, and come **6.30pm**, we have an amazing show by Australia's great comedy hypnotist **MATT HALE!**

Come and find out why
Matt Hale's shows are:

- Award winning! 🏆
- ★★★★★ reviews!
- suitable ALL ages ✓✓
- regularly SOLD OUT! 🔥

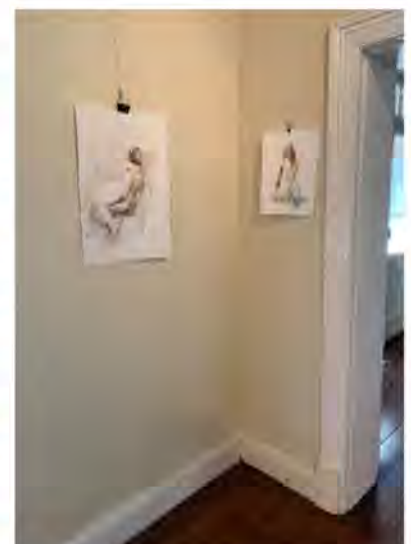

And if you're scared of being picked out from the crowd – please note that participation in the show is voluntary ONLY – although by the end of the show you are going to kick yourself that you didn't put your hand up to volunteer. Following his show Matt Hale will hold a 30-minute Q&A workshop so if you have ever doubted the legitimacy of hypnosis, then all will be revealed!

To complete the evening's entertainment at **8.00pm** when darkness falls, we will celebrate the true spirit of Christmas with **Carols by Candlelight**. Sounds like a great evening doesn't it? Don't forget that as it's a free event you can come and go to buy food from the cafe and pubs, or bring your own picnic baskets and drinks.

Artists-in-Residence at the Station Gallery

During November two artists spent time at the Station. From the 01 - 08 we welcomed back portrait artist Verena Marmion (right) who teaches watercolour courses at South Perth Learning Centre. Verena's beautiful figure paintings are spectacular. She loved being on residency at the Station and had lots of visitors to paint along in the gallery. A very engaging artist, we are very privileged in Beverley to host artists of this calibre.

Leanne Pearson

At the Station from the 18 - 30 we have Michele Scott residing for the first time, along with highly renowned portraiture and Australia wide award-winning artist Leanne Pearson for a few days. Michelle and local artists spent a glorious few day painting plein air at 'Springdell' and in the gallery.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact A-i-R Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Michelle Scott

Artists in Residence for December

And now to December. Please help us welcome encaustic artist Carly Le Serf from the 03 – 08 and photographer Peter Ptschelinzew from the 09 - 30 December.

Carly Le Serf (left) is based in the Mount Barker, Western Australia. She completed a Bachelor of Fine Arts (Painting) at Edith Cowan University, Perth in 2000. A contemporary landscape painter, she develops works that are drawn from emotional responses to the landscape that surrounds her, and strives to evoke memory and emotion through intuitive layering and carving, evolving to become seductive and tactile works. Texture is a theme embedded in her practice, where she explores its dynamic potential through building up and carving back; a dance between control and unpredictability revealing the sculptural quality of wax, oil and pigment.

Peter Ptschelinzew (right) is a self-taught photographer who has been shooting for over 30 years submitting images to photo libraries. Much travelled the world over he has resulted in some amazing photography. He was driving through Beverley recently and called at the gallery to see if there was a residency vacancy. As it happens, there was a cancelation fir December. Peter would love to take some harvest shots, so when he is here if anyone can show him around any time from the 9th to the end of December, it would be most appreciated.

Beverley Amateur Dramatics (BAD)

To recap the attendances of Cockey's Crossing - 486 audience members over 4 nights and an outstanding response from everyone. "Well loved show and very polished."

BAD is planning a show in April - not a musical. We think it's important to keep the momentum up, but Quairading will be doing a musical in October, so we don't want to take away from them. Mark Kont and Britt Hadlow are currently looking at some scripts of Australian themed plays. Rehearsals to start in January.

As Bruce Denny will be completely out next year due to acting and directing commitments in Perth, Mark will direct with Joey Walter as assistant.

If you would like to be involved in future productions, contact Britt Hadlow by email: britt.hadlow47@hotmail.com or beverleyamateurdramatics@gmail.com

WA Showcase

Run by CircuitWest, WA Showcase is the annual performing arts conference showcasing WA's most imaginative creatives making it the hub of arts connection and creativity in 2020. This year, because of Covid travel restrictions the event was based on local content and local Ideas. Curtesy of CircuitWest, Sarah Miller and Bruce Denny were there at the Subiaco Arts Centre for the exhaustingly long four days to represent Beverley. On day four they were included in a panel along with Georgia and Mark (Whiskey and Boots) to help promote their show *Bystander* which was first produced here at the Station. As it was a half hour presentation, Sarah felt it really gave those in the audience such as Dept of Arts & Culture staff (who were impressed), an indication of who we are at BSA. It's really great to meet some of the people you talk to on the phone.

STATION SINGERS ARE BACK!

The Voice Move's *Choir Muster* that was to be held at the Platform Theatre on October 31 had to be moved to the Town Hall due to inclement weather. But by all accounts, it was a very successful event – see pics below (by Valda Morton). Singing is directed by the talented Kelly Newton Wordsworth, cost \$20. Next session is **Wednesday 02 December**. Sarah Miller is coordinating singing so if you are keen to come along you can phone 0427 464 078.

Beverley DHS P&C News

Bring your **ELIGIBLE** containers to:
The 'Containers for Change' Collection Trailer located behind the canteen at BDHS on Lennard Street

The Beverley DHS P&C has registered for a scheme ID for the Containers for Change Program. We'd love your assistance to help to raise funds for the purchase of additional educational resources and opportunities for the students at Beverley District High School. We have been successful in receiving a Containers for Change Grant, which allowed us to purchase a trailer to collect eligible containers.

This trailer is located on the school grounds, behind the canteen on Lennard Street, and is available to receive container donations at any time. Our containers are collected directly from the school each week.

Alternatively, you may drop directly to a Containers for Change Depot, using our registered scheme ID- C10242713

They'll get 10 cents for each one. With your help, we can make a change.

 ELIGIBLE CONTAINERS

The scheme targets drink containers most commonly seen as litter. Most aluminium, glass, plastic, steel and liquid paperboard drink containers between 150ml and 3L are eligible for a refund.

 INELIGIBLE CONTAINERS

Generally, ineligible containers are those that are less than 150ml and greater than 3L. Other ineligible containers include all plain milk bottles, wine bottles, pure spirit bottles, cordial and registered health tonics. Pure juice containers over 1L (or under 150ml) are also ineligible.

Beverley Historical Society presents

Olden Days at the Dead Finish Museum

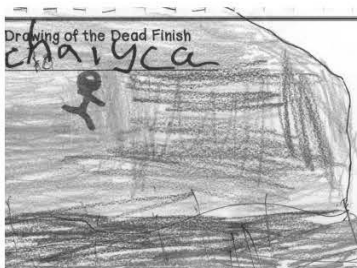

Yesterday on the 21st October 2020 our Year 2 class visited the Dead Finish Museum. At the Dead Finish Museum we rotated groups; the groups were dressing up, washing, silver polishing and school. We washed with a cake of soap, a board and blue for the water. At the school we wrote with a nib pen dipped in ink. My favourite part was dressing up. After that we got to see the rest of the museum. My other favourite part was the kitchen fridge was run by a gas called cullum (I think). The dining room had bone-handled knives and the table-brush. The kitchen also had a firewood oven and a silver toaster. We also saw the old Beverley phone exchange, the baby's nursery, the garden and the seven types of gates Beverley had invented. At the end we got a penny each, we got a cup of green cordial, fairybread, ANZAC biscuits and a bag of lollies for morning tea. Just before morning tea we got to see where the teachers boarded. I think the Dead Finish Museum is a fantastic place.

By Harish

Note: There are five types of historic fences at the Museum. Only one of these was invented in Beverley - the Harper Fence. The fuel used in the old fridge was kerosene.

On Wednesday 21st October 2020 Mrs Davey took the Year 2 class to visit the Dead Finish Museum. I liked learning about the olden days. There were volunteers from the Beverley Historical Society. The first station was the old school; we got to write with nib pens and ink. The second station was washing. First with washing we had to wet the clothes, then scrub it on the washing board and then you rinse it and rinse it again in blue. The third station was silver polishing; we put special cream all over the trophy and then you polish it. Finally we did dress ups, there were dresses, jewellery, bracelets and hats. At the Dead Finish museum I saw a photo of Ruth Mann. Ruth Mann is my Pop's (Bruce Mann's) Mum. She was the first President of the Historical Society. I felt so happy to see her picture and to see her name. It was awesome!

By Lara

The excursion was fun. We learnt about the olden days. I liked the building. I learnt how to wash clothes in the olden days. At the end they gave us lollies and a olden days coin. I loved it!

By Chaiyce

Yesterday, Wednesday the 21st of October 2020 our Year 2 class visited the Dead Finish Museum. First we got separated into four groups, green, red, orange and yellow. I was in the green group with Jaxon, Ashlyn and Chaiyce. The stations were washing, polishing silver, olden days school and dress ups. Firstly we, the green group, did washing and in washing you have to soak water into the clothing and then put it on to the board and then we rinse it a bit. Secondly we did silver polishing. It was so much fun. Then we did dress ups and we got to dress up twice. I had two dresses on and also make-up. After that we did olden day school and I saw the strap and the cane. My favourite bit was the teachers room and the washing.

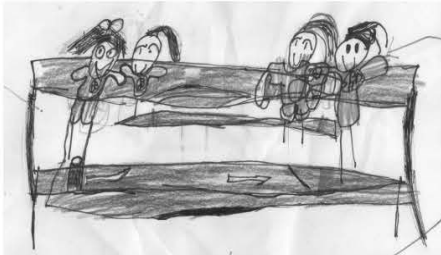

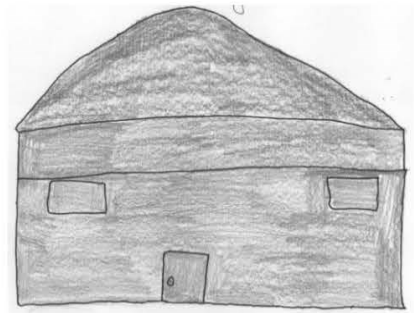

By Katerina

On Wednesday the 1st October 2020 our Year 2 class visited the dead Finish Museum. Firstly we went to do dress ups. Secondly we went to do the school; in the school they did not use pencil they actually used a nib pen with ink; it was hard. Thirdly we went to do the washing. When we did the washing we put the clothes in the water and then we put the clothes in soapy water and then in the blue water. Lastly we went to do the silver polishing; when we put the polish on the silver it went shiny.

By Pippa

On Wednesday 21st of October Mrs Davey took the year 2 class to the Dead Finish Museum My first favourite part of the museum was the washing because it had the board and the yellow soap. My second favourite thing was the dress ups because I had lots of clothes, wigs and necklaces. My third favourite thing was when we went to the classroom When people used to write they used ink and there is a little hole where you dip the pen in, the ink is red. Then when we were done looking at the museum we all had morning tea, we had cordial, fairy bread and ANZAC biscuits. After we had morning tea a lady gave us lolly bags, it was really fun. Then the Year 2 class had a photograph together. And we all walked back to school. **By Manna**

On Wednesday 21st October 2020 Mrs Davey took us to the Dead Finish Museum. We learnt about the olden days. I liked the school the most because I got to draw with ink and the desks were like benches. We also sat in pairs. Each desk had holes and the ink was stored. I also liked silver polishing even though it's harder than it looks. It was hard than I thought. It was a really fun day. At the end I got a penny and a lolly bag.

By Billy

On Wednesday 21st of October 2020 our Year 2 excursion was at the Dead Finish Museum. I liked the school the best. But I do not want the strap. It is leather and hard! I also liked the dress ups. There were jewellery and hats. I first went to the washing station. You had to get clothes and put them on a board with bumps and you had to rub the soap. Then you rinsed it. The blue is a type of soap. At the end of the excursion we got penny and morning tea, green cordial, fairy bread, ANZAC biscuits and a lolly bag.

By Jaxon

Note: Blue is a whitening agent.

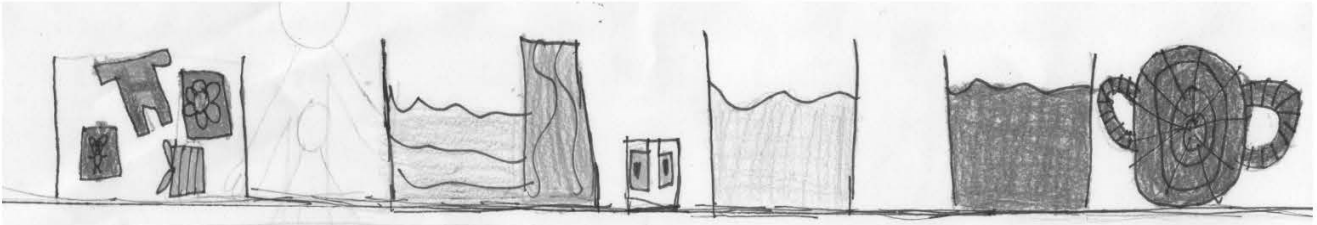

On Wednesday 21st of October 2020 our Year 2 class visited the Dead Finish Museum. The volunteers from the Beverley Historical Society taught us how to do things in the olden days. Firstly Hamish, Pippa and I, we went to dress ups. Next we went to the school. After that we went to the washing and lastly we went to the silver polishing. After looking around we had morning tea. We had ANZAC biscuits and fairy bread. We even got green cordial. We got a penny and lollies. We had a great time. **By Carley**

On Wednesday the 21st of October 2020 the Year 2s went on an excursion to the Dead Finish Museum. We learned so much about the olden days. The volunteers ran the Dead Finish Museum activities. My favourite part was the whole thing. My most favourite part was the dress up. I put on a warm hat and a long gold necklace with lots of chains. My second favourite part was the school room; we used a nib pen and they had a cane and a whip but they didn't use it on us. My third favourite thing was washing with a board; we used the soap to get it clean then we used blue. My last favourite thing was silver polishing. I polished a trophy. I loved it.

By Joseph

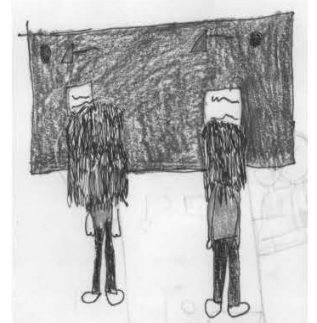

On Wednesday 1st of October 2020 our Year 2 class and Mrs Davey went to the Dead Finish Museum. There were some volunteers from the Beverley Historical Society that helped us with all the olden day things. Now I am going to tell you what my favourite things were. Firstly I learned how to do the washing in the olden days. We got to choose our clothes to wash. First you put the clothes into the water and wet it, then flatten it on the board, then push down hard with the soap on the clothes, rub until all the dirt comes off. Secondly I went to the teaching room. I was in the back with Chaiyce. Katerina and Jaxon were in the front row. I got to see the cane. I got to use a nib pen too. Those two things were my favourite things, washing and school. At the end we got to have morning tea, and we all got a penny. We got to keep them for History. I learned a lot and it was fun.

By Ashlyn

On Wednesday 21st of October 2020 our Year 2 class visited the Dead Finish Museum. We learnt about the olden days. My favourite was all of the excursion. Firstly I went to the school. I wrote with a nib pen and ink. Secondly I liked washing. First I picked a piece of clothing and then I used the board and then caked it with soap, rinsed and put in blue to make it shiny and sparkly. Finally I polished 2 pearl spoons. I also went to the dress ups. I wore a white dress and a hat a necklace and got my picture taken.

On Wednesday 21st of October 2020 our Year 2 class visited the Dead Finish Museum with Mrs Davey and Mrs Wansbrough. First we went to the silver polishing and there was a cellar and that's where they put all the empty cans and dead bodies. The it was time to move on to the dress ups, there was lots of little dress ups, I found the make up powder and every one in my group wanted it! Next we went to school, we got to write with nib pens with ink. Then we went outside and got cordial and fairy bread and ANZAC biscuits and lolly bags And the last thing was a penny.

By Amelia

Note: The cellar was used for empty (and full) barrels.

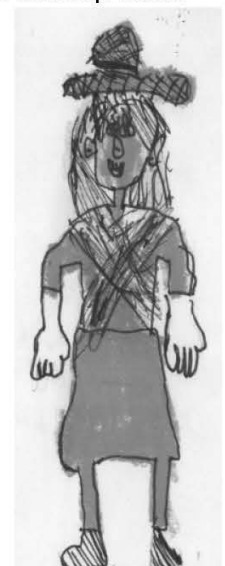

On Wednesday 21st October 2020 our year Two class visited the Dead Finish Museum. First we did silver polishing. The silver was very dirty. Secondly we did dress ups. My group loved it. Thirdly we went to the old school, we used pens, It was really hard to write with a nib. Lastly we went washing, that was really fun! We went to sit down and they gave us a penny, mine was 1964. We went around the place and then we went to look through the square window to see the cellar at the polishing station. We saw a cotton person in a bed. We went to a nursery and we saw dolls in a crib, those were creepy. After all the stuff they gave my whole class green cordial, fairy bread and they gave us an ANZAC biscuit, we were lucky we got a lolly bag.

By Annabelle

On Wednesday 21st of October 2020 our Year two class went on a class excursion to the Dead Finish Museum with Mrs Davey. My favourite thing to do when I was there was the dress ups. This was my favourite because I got to dress up in ALL WHITE! My second favourite thing is the olden days school because we got to write with a nib pen and ink. We got the ink from an ink well. We also went to see a nursery, it was fun. Next we went to see the garden, there were beautiful flowers. At the end we got a PENNY and we had morning tea. We had

- green cordial,
- fairy bread,
- ANZAC biscuits, and a
- lolly bag.

Warrior Wellbeing Article
**Dads and Father Figures
Are We Selling Ourselves Short?**

Modern society can at times, undervalue the role of the father in our children's lives. We tend to sell ourselves short, and the risk is that we are seen as nothing much more than sperm donors in the process of parenting. We're far more than just a second parent in the household. No other person is as likely to bring the positive outcomes that an involved dad can. Our parenting style is significantly different to the mother's, not to mention the male role modelling that is so important to both our sons' and daughters' development.

This is not saying that one parent is better than the other, in fact what is obvious is that both parenting styles are the Yin and Yang of child development and balance each other out. Whilst these are generalisations, the research backs it up. Where mums tend to preach equity, which creates a sense of security, dads model and encourage competition which helps develop independence. Dad's quite often stress rules, fairness and justice which develops the child's objectivity and sense of what's right or wrong. While mothers are the primary source of sympathy and caregiving, dads are often a driver of empathy, or the ability for the child to see the world through someone else's eyes. This might be because fathers tend to see the child in relation to the world vs the mothers view of the world in relation to the child.

Dads will show their love for their children in riskier ways and this is important. Letting them push on to the deep end of the pool (whilst we're still watching) encourages confidence, independence and safe risk taking. Rough and tumble play is also an imperative part of socialisation, which children need to develop between the ages of two and four. They learn what hurts and what doesn't. They learn that stretching, wrestling, pushing and pulling can be done in a friendly and "knockabout" manner, which is as important as learning that a thumb to the eyeball or a kick to the groin will never be taken as friendly.

The father's physical play also helps to socialise the child with regards to reading situations and understanding mood. A child who hasn't learnt to pick up and respond to these cues will find themselves struggling to create, maintain or to move in various friendship circles and may find themselves an outcast or victim of bullying in later years.

Whether we are encouraging our children to take life on by the horns (through safe risk-taking); honing their moral compass (through setting out rules and expectations); or just providing a role model of what a good man should be (for our sons to emulate and so our daughters have a yard-stick to measure future relationships by) we have an invaluable and ever changing part to play in our children's lives.

2020. Well that was different. In a year that has seen some curve balls been thrown, the community of Beverley have been fantastic. Policing all the directions that the

government initiated has been challenging, but has been made a lot easier by all of you who have done the right thing from when all this first started. So, I congratulate you all and I ask that you keep doing the right thing.

EARLY CHRISTMAS PRESENT

John and I attended the Beverley St John Christmas dinner on Saturday 21 November. What a great catch up and fantastic meal from a wonderful bunch of dedicated volunteers. All the volunteers and that includes those from fire brigade do a great job for the community to help in their time of need and I want to congratulate all of them for volunteering to keep the community of Beverley safe.

On the night we were given an early Christmas present by St John's as they donated an AED (defib) to the Beverley Police Station. What this means is that we can carry a defib with us at all times and sometimes being first at scene we can save precious time to help someone in need. A big thank you to St John's for their kind donation.

ROAD SAFETY

With harvest in full swing, there has been an increase in trucks and agricultural equipment on the roads. For the farmers, make sure you're following the rules and regulations when moving equipment. i.e. pilot vehicles, warning lights, permits etc. To find this information go to the main road's website.

For the motorist, make sure you're extra vigilant on the road and when you see an over-width vehicle then pull over and wait until it has past. Don't be in a rush and try to overtake when it's not safe. Towed agricultural implements and pilots must pull over at regular intervals, so you will be able to overtake safely.

Everyone wants to get to their destination safely and even more so at this time of year.

HOME SECURITY

Holidays. Whilst this represents an opportunity for you and the family to get away and relax, it also provides criminals with opportunity to break into your house and take what you have worked hard for. So below are some simple tips you can use to assist with protecting your home:

- Ensure all doors and windows are securely locked, preferably with deadlocks and keyed window locks
- Install sensor lights at front and rear of property.
- Let your neighbours know you will be away and ask them to watch out for visitors and collect all your mail
- Consider installing automatic timing devices for lights and electrical appliances such as radios and televisions
- Give your house keys to a trusted friend, family member or neighbour rather than hiding them outside your home
- Be sure to notify the key holder when you return. This is especially important if you return home early
- Give your neighbour or friend your contact address and telephone number
- Consider asking your neighbour to park a car in your driveway
- For farmers have a neighbour check regularly on your property and fences for any damage.

DID YOU SEE ANYTHING

Between the 07 November and 12 November a house on Edison Mill Road, Dale was broken into. A large amount of jewellery was stolen. If you were around the area at that time and noticed anything suspicious, in particular a red coloured Mazda Sedan (as pictured below) and observed the occupants of the vehicle then contact us with that information.

Please take care and stay safe

Buzz off, bee pests!

From left: Honey bees outside a sentinel bee hive; DPIRD surveillance officer inspecting a beehive near Perth Airport; and bee a frame from a sentinel hive.

Western Australia (WA) is certainly a sweet spot for the introduced European honey bee, *Apis mellifera*. Free from harmful bee pests like the Braula fly (*Braula cocea*), large hive beetle (*Oplostomus fuliginus*), and the notorious mite (*Varroa destructor*), honey bees in WA have access to our pristine forests and coastal wildflowers which are essential for quality honey production.

Did you know that WA has 44 sentinel beehives, which helps protect our healthy bee population?

As WA's honey bee industry slowly continues to grow, our responsibility to screen WA's borders for any exotic bee pests or bee species remains a priority. Gracious efforts of volunteer beekeepers across WA are working with the Department of Primary Industries and Regional Development (DPIRD) to help safeguard honey bees from these nasty pests.

The National Bee Pest Surveillance Program (NBSP) is an early warning system that helps detect new incursions of both exotic bee species, and honey bee pests which can jeopardise WA's growing honey bee industry. WA's sentinel

beehives are placed near ports and freight terminals. These hives act as effective monitoring systems to raise the alarm on any exotic pests and bee species WA is screening for.

DPIRD also has 'catch boxes' positioned in trees in proximity to these sites in hopes of providing a suitable nesting place for rogue or feral bees. They aim to attract potential exotic bees (e.g. Asian honey bee, *Apis cerana*) or honey bees affected by other pests, before they have a chance to establish here.

WA is fortunate to have one of the healthiest bee industries globally. The continuous collaborative efforts between WA's bee keepers, DPIRD surveillance staff and members of the community will help to maintain the health and profitability of the honey bee industry.

If you happen to notice a bee swarm in one of our catch boxes, or have any queries regarding bee biosecurity, 'bee' sure to contact the Pest and Disease Information Service (PaDIS) on (08) 9368 3080 or email padis@dpird.wa.gov.au.

CWA York Branch a hive of activity

The CWA York Branch continues to be very busy supporting the local community in various ways. For example, on Sunday, 1st November 2020, the ladies provided the catering for the official opening of the Art Awards at Botanicalia, 152 Avon Terrace, York. It poured with rain so the owner of Botanicalia, Jenny Garroun, really appreciated the offer of serving the food in our rooms...which are conveniently located next door! Despite the weather, it proved to be a very successful day with many compliments on the food including the following email sent to CWA Head Office by Barbara Mitchell:

"I had the pleasure of attending an exhibition opening at Gallery 152 in York on the weekend. This was a beautiful event made even more enjoyable by the surprise afternoon tea catered by you all. We were so warmly welcomed and delighted to partake of such a delicious home-cooked spread."

Maria Cajili created another one of her magnificent cakes for the occasion; Jenny Garroun is pictured here with Kirsten Hudson, winner of the Art Prize, admiring Maria's cake.

As always it is very important to observe Remembrance Day in honour of those who sacrificed their lives for our country. Our President, Dawn Ainsworth, Jean Anderson, Helen Grainger, Lorraine Stone, Denese Smythe, Robin Jenkinson and Margie Barrett-Lennard are shown doing just that this year by attending the service held at the York War Memorial.

On Friday, 27 November we are hosting an Orange Morning Tea in our rooms. The aim of these events is to draw attention to domestic violence in our society and to advocate for change. To our collective delight, we will be joined on that day by some of the students from the York District High School (YDHS). Our Christmas lunch will be held on Friday 04 December; Chantal Gurney-Pringle, CWA York Branch

member and Deputy Principal at YDHS, and Leonie Whisson, School Chaplain, will come along to the Christmas lunch to receive the stationery gifts we have donated to the school.

It has been a particularly challenging year but also on many levels a very positive one.

With best wishes to one and all for the festive season and 2021.

A Brief History of The Beverley Frail Aged Lodge

Many of you who are relatively new to the District you may not be aware that the society [business name] called The Beverley Frail Aged Lodge [Inc] and the home named the Alex Miles Lodge situated on the corner of Forrest St and Ernest Drive is a residential facility for the Frail and Aged citizens of Beverley. Today, the building is leased [renewed every 3 years] to The WA Country Health Service [WACHS] at a “peppercorn” rental but ownership remains totally with the community. Insurance, maintenance costs and provision of staff to look after the residents and to administer the business of the Lodge are met by WACHS. The Frail Aged Lodge committee is responsible for ongoing capital works.

The purpose of building a Frail Aged Lodge was to provide accommodation for the Frail and Aged of the District and enable elderly loved ones to remain in a homely, familiar environment amongst family and friends.

In 1957, the CWA wrote to The Roads Board to suggest the use of a private home as an “Institute for Elderly People”. At that time, it was deemed not within the means of The Roads Board to purchase the property and the idea wasn’t progressed until 1969.

The inaugural committee was formed in 1970, consisting of Mr Alex Miles [Chairman] after whom the Lodge was named, Dr ED Cullen, Rev Henry Tassell, Mrs PME [Dawn] Edwards, Mr C Mclean, Mrs Madge Fleay, Mrs Ruth Mann, Mr Peter Bremner, Mr Richard Cooke, Mr L Eynon and Mr D. Clarke. Mrs Judy Cullen and Mrs Mena Aiken joined the committee a short time later after two resignations. Cr W Robins and Cr W Swan and later, Cr Stan Murray and Cr Des Moulton, represented the Shire Council.

In 1970, an offer of suitable land from the then local Hospital Board to the inaugural Lodge Committee, was accepted and endorsed. The Minister for Health at the time, the Hon Mr Graham McKinnon MLC, agreed to the request that one half acre of land be excised from the hospital reserve.

The building was part financed by the Beverley Shire Council who provided the initial capital and a Commonwealth Government subsidy on a \$2 for \$1 basis. Through the Lotteries Commission, the State Government subsidized two thirds of the cost of the furnishings and the Hospital Auxiliary gifted \$2,000. The builder was a local person, Mr G Reynolds. Various individual donors, organisations and workers supported the project by raising money, carting building materials and planting the trees and lawn. Incorporation was granted to The Beverley Frail Aged Lodge in 1971. The Lodge was officially opened on 25 July 1972 on this land and it is where The Lodge still stands today.

The original building had 10 rooms with an additional 4 rooms being added in 1977/78. A building appeal was launched with generous support from the District. A carport was added in 1983 and the lounge area extended in 1991. Once again, the Commonwealth Department of Health and the Frail Aged Lodge entered into a \$2 for \$1 agreement to finance the project.

And in 1998, the Lodge became part of the Multi Purpose Service [MPS] in Beverley – a national initiative of the Commonwealth and States, where rural communities could pool all health and aged care funds and apply these funds flexibly across all health and aged care programmes according to community needs. Bathroom facilities were upgraded to ensuites in 1999, resulting in the loss of 2 rooms.

Continued from page 44

The current committee consists of Lew Shaw [Chairman], John Lane [Secretary], Dee Ridgway, Richard Smith, Carol Veitch, Greg Barrett-Lennard, Janine Priest, John Barrett-Lennard and Jeff Murray. This committee is currently researching the needs of the residents and the Health Department standard requirements with a view to upgrading parts of the 48 year old building as necessary. This will be a difficult and ongoing task, ensuring all the while that correct decisions are accepted and acted upon.

So, as you can see, the Alex Miles Lodge is a facility dedicated to providing outstanding care to the residents of Beverley, with the example having been set by the inaugural committee. Succeeding generations have undertaken various projects, whether it be serving on the Frail Aged Lodge committee or enhancing the facility or receiving care as a resident. The success of the Lodge is due to the dedication of the men and women of Beverley and it is yours of which to be proud.

I acknowledge the meticulous records documented by Ms Robyn D Stewart from whose book "The Alex Miles Lodge 1970-2007" I obtained much of this historical information and photographs.

Beverley Community Garden

As this year draws to a close, we would like to thank the wonderful Beverley community for the great support your Community Garden has received and wish everyone a very Happy Christmas and a safe and healthy New Year. You are all invited to a pre-Christmas barbeque get together at the garden at 5pm on Saturday the 5th of December. Please bring your own meat and refreshments and a salad to share.

We will also be holding a raffle on Friday 27, Saturday 28 November as well as on Saturday 05 December. Donations are welcome.

We are currently seeking used star pickets and 50mm poly pipe to form frames to support shade cloth over the veggie gardens. Please ring the numbers below if you have some to spare.

Further funds are needed so if you have any recyclable glass or plastic bottles, cans or cardboard cartons you would like to donate, again, please call the numbers below for them to be picked up.

Practice News!!

Due to the COVID19 pandemic you can now book an over the phone consult?

The Doctors and Staff would like to thank patients for their assistance during the ongoing COVID19 Pandemic, your patience when complying with Social distancing at appointments and placing yourselves in self-isolation has been extremely helpful in keeping medical staff and our community safe.

We are continuing to follow the WA Health Departments advice and ask that you all do the same, we know that the virus is spread through respiratory droplets produced when an infected person coughs, sneezes or talks, so continuing to practice social distancing, looking after our hygiene by washing our hands with soap and or using hand sanitisers regularly, attending to environmental cleaning and avoiding any non-essential contact with other people are things that we can do to protect ourselves and our community.

R U OK?

Our trained staff are always available if you or someone you know needs support or someone to talk too.

Championship Mixed Doubles

The Mixed Championship Doubles were played on Sunday 15 November.

We had 11 pairs took to the courts in a two group round robin event. In the Grand Final, Alex Kop and Rob de Gruchy worked hard to defeat Narelle Bailey and Blake O'Meagher in a tie-break 7 - 6.

Many thanks to Paul and Deb Roediger for sponsoring all the Championship events again this season.

Ladies Competition

The Ladies mid-week competition will end on Wednesday 02 December with the Yellow Team taking on the Red Team. All other ladies will play social tennis. Thanks again to Ladies Captain Chantelle Meade for running a great mid-week competition.

The 2020 Phoenix Building Systems Ladies Open Doubles Day will take place on Wednesday 25 November – full results in the January Blarney.

The Committee are seeking expressions of interest for a greenskeeper position at our club, if you are interested please email secretary@beverleytennisclub.com for details or see advertisement in this Blarney edition.

Christmas

Our Christmas Wind-Up will be held on Sunday 20 December with a Secret Santa and Best Christmas Hat Competition. The Club would like to wish everyone a successful harvest, a wonderful Christmas and a safe and prosperous New Year!

LEW AND SANDY SHAW MIXED HANDICAP DOUBLES

The Lew and Sandy Shaw Mixed Handicap Doubles was played on Sunday 08 November with 15 pairs participating.

Making it through to the Grand Final were Damian Murray and Chris Brooke taking on Matt McLean and Dina Barrett-Lennard. Matt and Dina were the winners of the day in a very close and entertaining match.

Many thanks to Lew & Sandy for their continued sponsorship and the sundowner share plates that we all enjoyed.

Beverley Lawn Tennis Club -Junior Tennis Tournament

On Saturday 14 November the club held its first Junior Tournament in many years. 49 junior players took part in the event which consisted of boys and girls doubles in the morning and mixed doubles in the afternoon. Participants travelled from Merredin, Cunderdin, Narrogin, Brookton, Meckering, York and Northam to join our local kids for a great day of tennis (despite the nervous start waiting for the rain to clear!). Thank you to the club committee members who assisted me in getting the day organised and helping to make sure the day ran smoothly through assisting in the kitchen, cooking the BBQ and scoring on court.

RESTORATION APPEAL

We drive past it and possibly don't give it a second thought, but this iconic building of our town has been around since 1892. It once held a prominent place in society with many a wedding, baptism, confirmation and funeral held here at St Mary's. It remains a local landmark on the corner of John and Husking Streets, and still contributes to the community's sense of place.

The foresight of the first Rector, the Revered Groser who not only was a theologian of note but also had a nous for business, was quite remarkable. As he was able to drive the fund raising efforts and enthusiasm of the local community to donate their valuable time and significant resources to build the Church from local stone. Heavy stone was carted in by horse drawn wagons, then lifted higher and higher to complete the structure over an eight month period. All done voluntarily. Time and resources freely given.

Description from the State Heritage Office in 2013

"This was the first Anglican Church in Beverley townsite. It cost 475 pounds and was consecrated by Reverend Parry on 30th November 1892. The Chancel and Vestry were added in 1904 at a cost of 290 pounds. A memorial tower to Mr WH de Lisle, added in 1914, was too heavy for the foundation and was removed in 1926. The Lynch Gate was a War Commemoration and was dedicated on Remembrance Day 11 November 1956. The Porch was added in 1963 in memory of Mena Smith."

The Memorial Lynch gate mentioned is the only one of it's type in Western Australia.

Now, the Church has fallen into some disrepair and is in need of attention. We would not be appealing for funds if we were able to source from elsewhere. The Anglican Diocese of the Church is unable to offer any significant assistance, State Heritage and Lotteries Commission no longer supply funds for Churches. We are researching possible grant funding, however we need more than what may be available through that process.

The Church building itself is not only a symbol of our spiritual faith, as it was for previous generations who lived in the district, but it is also a building of historical significance to our Beverley community. As we go forward that historical significance can only become more and more important to future generations.

Our Restoration Plan:

- The appeal will continue for a twelve month period.
- During that time we will invite the community to regular open forums at the Church for updates and information sharing.
- We are working with the National Trust and the State Heritage body who are assisting us in the project.
- There will be fund raising activities throughout the year.
- Stages of the project include a conservation plan, then progressing through from the most urgent repairs to the painting and the finesse work of detailed restoration, all dependent on how much funds we are able to raise.

Beverley Golf Club

Club Champion

Congratulations to Darrell Hagan on winning the Club Championship for the 2020 season (and for the 4th year running). In what was a tightly contested 36 hole match, Darrel eventually defeated Dale Wansbrough (1 Up) on the final hole of the playoff. The First Division winner was Mark Kont who defeated Mel Vivian (11 & 10)

Other Results

The final event for the official season was a Flag Tournament held on October 03. Mark Kont won the day by completing the course with four strokes in hand. Equal runners-up were Mike Carthew and Chris Pepper who each finished with 1 stroke in hand.

Other events:

October 10 – Stableford – 5 players - won by Terry Woods with 39 points

October 18 – Stableford – 6 players -won by Ken Bradley and Paul Burns – 36 points each

November 01 – 9 holes Ambrose – Scores not revealed to Captain

November 08 – Par – 7 players - won by John Donovan with +4

November 15 – Stableford – 11 players won by Ken Bradley with 33 points

November 22 – American Foursomes – 6 players won by Terry Woods and Steve Johnston with a Team Gross 79 Nett 70

Although officially the season has ended, golf will continue on Sunday mornings, teeing off at 7:30am for as long as there are players who want to have a social game. There will also be members continuing to play in Scroungers events on Wednesday and Friday afternoons throughout summer. Anyone interested in continuing to play (members or otherwise) are invited to call Mark Kont on 0490 037 810.

End of Season Awards

Patron's Trophy (donated by **John Donovan**) for Best Full H/cap Eclectic Score - James Adams (48.2)

S.D. Moulton Memorial Trophy (donated by **Judy Moulton**) for Best Half H/cap Eclectic Score- Darrell Hagan (59.0)

Garry Miller award for Most Improved Player – Robbie Wansbrough (lost 7.1 strokes. 16.5 to 9.4)

The club would like to thank very much the sponsors for their support of our annual awards.

Scoungers

This Stableford event continues every Wednesday and Friday. Each week we play six different holes as determined by the Captain. As this format does not meet normal handicapping requirements we maintain our own handicap system which attempts to make everyone a winner at some point. Anyone is welcome to join us at 3:45pm for a 4.00pm, tee-off. Results for November were:

October 28 - 10 players – won by Terry Woods – 15 points

October 30 – 3 players – won by Paul Burns – 12 points

November 04 - 15 players – won by Mike Carthew and John Donovan – 14 points each

November 06 - 4 players – won by Paul Burns and Terry Woods – 10 points each

November 11 – 10 players – won by Alan Hammond – 17 points

November 13 – 7 players – won by Mike Carthew and Mark Kont – 15 points each

November 18 – 9 players – won by Fred Bremner – 15 points

November 20 - 4 players – won by Paul Burns – 14 points

Annual General Meeting

The Club's Annual General Meeting will be held at the Clubhouse at 7:00pm on Tuesday, February 02 2021. All members and prospective members are urged to attend. Keep an eye on upcoming Blarney editions for confirmation of the date.

Thank You

Throughout the year there have been many people who have assisted the club either through direct sponsorship, with goods or machinery in kind, or by simply helping with their labour at crucial times. While we have tried to publicly acknowledge every one of these people during the year, there have undoubtedly been some omissions which are greatly regretted. The President, Committee and Members of the Beverley Golf Club would like to take this opportunity to express our sincere appreciation to everyone who helped throughout 2020. Without your support we would find it very difficult to operate.

Membership Enquiries

New and prospective members or visitors are always welcome to join us for a round. Although the season is officially over we would still welcome enquiries from any interested players. Further information can be obtained by calling Men's Captain Mark Kont on 0490 037 810.

And Finally...

This has been a difficult year for everyone. We can be thankful that we have had the opportunity to continue playing a game that we love throughout most of the season; even if the official season had to be cut back a little. Let us all hope for a brighter and better 2021. The Club wishes all its members, sponsors and other supporters and their families a Very Safe and a Very Happy Christmas.

Good golfing to all.

Beverley Netball Club

Our Annual General Meeting is scheduled for February 2021, please keep an eye out for details in January's Blarney. Our awesome secretary has compiled a list of games played for Beverley Netball Club. Unfortunately the only records we have are from 1990 – 1994 and 2005 to current.

Jo Copping	170 games
Jenifer Petchell	162 games
Jodie Bell	135 games
Natalie Ashworth	126 games
Kayla Ware	107 games
Kristy Parker	100 games
Clare Thomas	96 games
Megan Vandenberg	89 games
Kelly Aaron	88 games
Erica Ridgway	87 games
Zoe Wilkinson	77 games
Sam Mearns	74 games
Loretta Adams	71 games
Tess Hawke	70 games
Kristy Miles	68 games

If anyone has any of the missing records, we would welcome them to update our records.

Beverley Junior Sport

What a cricket season we've had. Big thanks to all the parents that came and helped out each weekend. Thanks to Brad Copping and Jenifer Petchell for being my off siders and James Adams for stepping in to be our special guest coach.

I'm sure the kids enjoyed their Saturday morning cricket trainings were they got to try and beat mum or dad with their batting or bowling.

Our older kids have managed to score a couple of games against Brookton and Quairading and have really improved on their skills from last season. With the help of some new cricket equipment our kids have been able to look the part and even run between wickets.

Our mini windup for the little kids will be Saturday 28 November hope to see you there.
