Vincent Street Streetscape Project

In exciting news for Beverley, Council have awarded a tender for the civil component (footpaths, road, curbing, drainage, street trees and furniture) of the Vincent Street Streetscape Project. The project has been scaled back to run from Hunt Road to Forrest Street. Unfortunately Vincent Street, east of Forrest Street and the Town Square were removed from the project due to budget constraints. In its entirety the project is expected to be \$4.9M including the undergrounding of power. Council will raise a \$1M loan for the project, use \$685,000 from Reserves and \$425,000 from General Revenue. \$2.75M is funded through Federal Government grant funding including the BBRF and LRCI streams. Council will continue to look for any other funding to reduce its contribution.

The Vincent Street Streetscape Project will create a safe, green and vibrant public area, with better seating and lighting. Enhanced pedestrian movement in and around the business area through traffic calming devices and safe crossing places. Vincent Street will also receive new drainage, curbing and level footpaths.

The project is expected to commence in October 2021 and be completed by June 2022. There will be traffic delays and inconveniences during this period but the outcome for Beverley is expected to bring economic gain for local businesses through increased tourism, the attraction of new people to town due to increased liveability and will have long lasting benefit for our future generations.

Community Grants – Now Open

The first round of the 2021/22 Community Grants is now open. The grants are available for local incorporated groups. Terms and conditions apply so grab an application pack and see if you are eligible. A quick call to the Shire will also assist you in determining your eligibility. Applications close 4pm, Friday 30 July 2021.

Caravan Park Cabins

The construction of six onsite cabins has been completed. Landscaping and road works are to be completed in due course as is the commissioning of the solar farm and vanadium battery storage. The cabins are due to open in early August and the volume of enquiries received to date to utilise them has been encouraging.

Playground Area Extension - Recreation Ground

Great news for our families and children, work is due to commence in early July at the playground located at the Recreation Ground on Forrest Street. We apologise in advance if there is any

inconvenience caused during the works however there will be a new swing set, new play equipment and new table and chairs with a covering patio. We trust everyone will enjoy the changes.

Avondale Machinery Farm

Thank you to the members of the public who have provided comment on the 150 Square Report addressing the future of the Avondale Farm Machinery Museum. Council will now review all the comments to determine an appropriate way forward.

Local Government Elections – October 2021

There are possibly some retirements coming from some of our current Councillors who finish their terms in October this year. Council would like to see the Beverley Community fully represented so please consider the role of Councillor, there are 11 Ordinary Council meetings a year on the 4th Tuesday of each Month (except Jan). If you are interested in becoming a Councillor, please do not hesitate to have a chat with a current Councillor. Later in the year the Shire will hold information sessions.

Strategic Community Plan

Council have completed a Minor Review of the Shire of Beverley Strategic Community Plan and it is now available for public comment. A major review with community consultation sessions will be held in 2023. The Minor Review document is available via the front counter, the Shire website or it can be emailed to you. Please comment by 6 August.

Rates - Changes to the Discount Period

Council will soon meet to adopt the 2021/22 budget which includes rate setting. A reminder that when your rates come out this year, the discount period will be reduced from 35 days to 21 days. When you receive your notice, please read it carefully and take note of the date you must pay by to receive the 10% discount. The Shire of Beverley is one of the last Local Governments to still offer an early payment discount so please take advantage of it.

COVID – Stage 5

On 23 June 2021, the State moved into Phase 5 Restrictions which means the 2sqm rule and 75% capacity rule has been lifted. Thank you to everyone who abided by these rules when booking or using Shire facilities. You will however still need to "check-in".

Cr Don Davis
Shire President

IMPORTANT REMINDER

BEVERLEY HISTORICAL SOCIETY

Canon Groser's Crate

A wooden crate about 120 years old with a hinged lid, 108 x 30 x 27cm was recently donated to the Dead Finish Museum. The crate has the name 'GROSER' with a number and 'BEVERLEY' stencilled on the lid. On the bottom of the crate is 'MONTGOMERY WARD CO, CHICAGO, USA'. Across the corner is another stencil 'PHOTO GOODS'.

Montgomery Ward was a catalogue mail order firm that began in 1872 and from the early 1900s began issuing special catalogues of *Photographic Apparatus*.

Charles Eaton Groser was born in Brooklyn, New York and came to Western Australia in 1886. Canon Groser was the rector of the Beverley Anglican Parish from 1888 till 1914. On his arrival he and his family lived for 2 years on "Wannering" just to the east of Beverley town. The Rectory was built in 1890 and St Mary's Church in 1892 under his watch. He famously planted trees in the precinct including the lemon-scented gum still to be seen. The whole St Mary's Precinct is now State Heritage Listed.

It can be surmised that Canon Groser had regular contact with America and could have been on the mailing list for Montgomery Ward catalogues and at some time made an order – perhaps 209546 – for photo goods that would have sailed from Chicago to Australia & eventually on the train to Beverley.

The wooden packing box was in a shed at the former home of Thelma & Richard Broun, Forrest St, Beverley. Richard was the nephew of Frank Richard Boyd Broun who was St Mary's Church Warden from 1901 to 1905. Once again it can only be surmised that rather than see this sturdy crate discarded, Mr Broun could make good use of it.

Thanks to the donor a valuable and interesting item of Beverley's history is preserved.

Did you know...

At the end of 2021 the new Workplace Health & Safety (WHS) laws will take effect in WA.

Are you a farmer or business that will be affected by these new laws?
Do you know if you will be affected by these laws?

If you are free on **July 23rd at 12pm**, I'll shout a couple of beers & some nibbles at the Hotel Beverley for 30 mins of your time to chat about what is preventing you from implementing a Safety System.

As a service provider, I would love to use this opportunity to do some market research to learn what your issues are about implementing any one of the available Safety Systems. As someone who is passionate about the ag industry, farming, and rural businesses, I would love to develop a support service to assist you in implementing a system.

If you're unavailable or would like to discuss your pain points privately, please reach out through the details below

BEVERLEY CWA

At both our June meetings, members were busy establishing plans for our winter sausage sizzle and wood raffle held over the two days of 18 and 19 June at the Lions kiosk in town, with much enthusiasm shown by our small (but dedicated) group.

Vicki gave us an interesting talk on the Japanese traditional tea ceremony, which takes up to four hours to complete, as usual her talk was extremely informative. Marianne showed us a Japanese fan that her dad bought during the 2nd world war while in Japan serving time with the Navy.

So why Japan again I hear some ask? Every year the CWA head office offers its branches a project to complete, this past year we were offered three options: 'Countries of Interest' to gather information for membership talks throughout the year, Japan was our members choice, with the upcoming State Conference next month the choice of countries will change.

Our sausage sizzle and wood raffle was a complete success thanks to the continuing support of our community, we would like to extend our gratitude and appreciation to all those who supported us with the donated prizes and goods for sale and gave their time.

Special thanks go to Sam and James for cooking the sausages and sliced onions, and for donating the cut-up trailer load of wood in our raffle which was a big 'draw card' for ticket sales with winter truly with us now.

Result of our raffle

1st prize 'Prickles', a well-known local character.

2nd prize Priscilla from the post office.

3rd prize Erica Murray.

4th prize George Smith.

5th prize Kate Badger.

6th prize Pat Alexander.

As always, we appreciate the support of all those in our community for helping us with our fund raising and are sorry that there were not more trailers full of firewood as prizes given the recent cold damp snap. The proceeds of this will be put towards our CWA ceiling fund.

Calendar of events

We will be holding a social morning tea on **Wednesday 07 July** all are welcome to attend from 9.30am until 11.30am.

On **Wednesday 14 July** Kings Park Fashions will be at the CWA rooms from 10 am when some of the clothing will be worn by locals so you can see what they look like being paraded on the catwalk.

Our next CWA meeting is on **Wednesday 21 July** at 10am, followed by a 'bring and share' lunch.

If you would like to know more about the CWA or would like to hire our hall, please contact Pat or Wendy Hambly on 9646 1481.

BEVERLEY COMMUNITY GARDEN

The Community Garden is now in the winter phase and looking very productive. The green, leafy vegetables are shooting away and potatoes, carrots and beetroot are in the ground. The propagation tunnel is being well utilised. The raised beds have been refreshed with sheep manure and pelletized chicken manure and are in full use. Flowering plants are also beginning to show their potential to beautify the garden. A second rainwater tank has been ordered so hopefully the rain will continue for a while yet.

We would like to invite all members and potential members to attend our monthly barbeque get together at the garden. This will be at 12noon on the 3rd Saturday of the month, the next one being on the 17 July. We look forward to seeing you there. This is a BYO event so please bring your own meat, refreshments and a salad or dessert to share.

We have organised workshops for July, and bookings are essential, due to materials required. Registrations are via the CRC, email: beverley@crc.net.au or phone: 9646 1600. The school holiday activity is free.

We also urge community members to donate recyclable bottles and cans to the garden to assist with the ongoing costs of maintenance and new items which are needed. You can drop them into the garden or call the numbers below for collection.

If you have any items that you would like to donate, please ring Betty on 0400 569 971, Maureen on 0429 460 073 or Dorothy on 0429 989 031 to arrange a pick up or for any further inquiries.

TREE & GARDEN SOCIETY

BEVERLEY TREE & SOCIETY GARDEN

Our June meeting was held at the Dead Finish Museum with 16 members present and 6 apologies. The 2021 Beverley Agriculture Show theme, Community Sticking Together, will enable the inclusion of the Historical Society, the Dead Finish Museum and the Community Garden in our exhibit. Members please remember to get some plants potted up to make our exhibit beautiful.

Our next meeting will be replaced by our senior members lunch on Tuesday 06 July at the CWA hall starting at 12 noon. Members please bring a savoury dish to share. Desserts will be supplied by Val Tylor. As always there will be a "bring and buy" table.

The rain has well and truly made it's presence felt but in between showers there is still gardening to do in Perth in July.

Vegies to plant

Artichoke, asparagus, broad beans, broccoli, cabbage, lettuce, onion, potatoes, spring onions, spinach and strawberry.

Flowers to plant

Carnation, foxglove, lobelia, marigold, nasturtium, pansy, poppy, snapdragon and stock.

July is a great time to attend to the following tasks in the garden:

-  Clear mulch from plant stems to prevent collar rot
-  Remove suckers from deciduous plants. Rip them off rather than cutting them otherwise they reshoot
-  Soak bare-rooted roses in some liquid seaweed before planting into compost-enriched soil
-  Plant pansies for winter colour
-  Cut back ornamental grasses that have browned. Take them right back to the ground and remove any dead foliage
-  Tidy up pot plants by removing weeds and trimming off diseased and dead leaves
-  Keep garden paths safe by cleaning off fallen fruit, leaves and flowers
-  Be on the lookout for mildew and rust diseases. Remove affected growth. To reduce the risk of these problems spreading, water plants in the morning
-  Dig out bindies and winter grass from lawns before they set seed
-  Lightly prune dwarf apple trees annually during winter to help motivate fruit production and fresh growth in spring
-  Once deciduous trees are leafless, prune off any weak, dead, diseased or rubbing branches
-  To extend the harvest and provide a steady stream of fresh peas, sow seeds every 3-4 weeks
-  Weeding, weeding and more weeding!

The humble hawk moths of WA

(Left to right): The three stages of a Convolvulus hawk moth, *Agrius concolvuli*. Caterpillar, pupae, and adult moth.

Worth taking your camera out!

If you've ever noticed any colourful, strangely patterned moths or caterpillars in your garden, chances are that they may be one of our true blue, Aussie hawk moths and caterpillars. There are approximately 60 species of hawk moths in Australia, all differing vastly in colour, shape and size.

Identification

From the family Sphingidae, hawk moths are large, stout, and have cigar-shaped bodies. They are such good fliers that several aircrafts are named after them. Most hawk moth caterpillars have a distinctive spike on their back end. Many of the hawk moth caterpillars have diagonal bands running across their bodies, or large eye spots on the thorax and abdominal sections. These markings help with camouflage, disrupting the outline of the body to confuse predators such as birds.

A brief life story

Moths can lay up to 100 eggs on the underside of the larval (caterpillar) food plant. Early instar caterpillars feed underneath the leaves, but will make their way to the stems as they grow and develop their camouflage patterns.

Once large enough, these caterpillars will pupate within the leaf litter. Pupation can last anywhere from one to 25 weeks.

Fun Facts

- Hawk moth caterpillars cannot bite or sting and their spike is harmless! They may sometimes regurgitate green fluid if threatened or annoyed.
- Hawk moth adults are predominantly active during dawn and dusk. They can be seen around plants feeding on nectar, or around water such as puddles.
- Hawk moths are the most significant pollinators of papaya and pawpaw plants.

Although hawk moth caterpillars may eat your plants, their damage is minimal and moths play an essential role in providing great pollination services for many plant species. It's best to leave them be!

SWAP IT UP

Come along for some fun and swap your renowned goodies for someone else's infamous, delicious wares.

Think outside the box, if you're not sure you can make something, maybe you could offer labour instead of goods.

Anyone has the right to respectfully decline your offer. Maybe ask them what you could swap next time to seal the deal.

Absolutely no money is to be exchanged during the event, sorry no exceptions.

Pro tip - plan ahead, think about what would I like to swap verses what would I need to bring to sweeten the deal?

Don't limit yourself to bringing one thing to swap, you may need bargaining power with multiple goods to get exactly what you're after.

CWA York sees the bigger picture!

A particularly interesting and fruitful CWA York Branch meeting was held in our rooms at 154 Avon Terrace, York on Friday 11 June 2021. Members in attendance voted on Motions 1 to 22 inclusive (Financial and Constitutional) to be considered at the CWA State Conference in Perth in July. The remaining Motions will be voted on at our next Branch meeting and our delegates will take the decisions to the State Conference.

Our President, Dawn Ainsworth, was delighted to pin badges on two of our newest members, Paula Armstrong and Annie Birch. And we were all thrilled to learn that another of our members, Maria Cajili, and her husband are now Australian citizens! We heartily congratulate them both on realising this aspiration.

*Photo top left: Paula and Dawn.
Bottom left: Dawn and Annie.*

An enjoyable and productive fiddle rug workshop was recently held in our rooms. Fiddle rugs and muffs are a source of comfort to the elderly, especially those with dementia. The York Branch provided catering for a River Conservation Society lunch for 50 people on Saturday 19 June. The food consisted of sandwiches, sausage rolls, mini quiches and heart-warming soup; just the ticket on these very cold days!

We were pleased to welcome the Shire of York, CEO, Chris Linnell, and Darren West, MLC briefly to our June meeting. Darren spoke a little about himself on a personal level and invited questions and comments. Chris and Darren were introduced to us by Denese Smythe, another of our members, and President of the Shire of York. The ladies took the opportunity to raise issues of public concern, namely domestic violence and the shortage of trained nurses, as well as the lack of accommodation for them in regional areas. Of enormous concern is the high proportion of teenagers who are being injured or killed on country roads in Western Australia. During the meeting, a week-long campaign which is held annually in June aimed at drawing attention to this terrible tragedy was highlighted – it is called SOCK "Save our Country Kids".

In celebration of the Nyoongar culture, please note that July is the season of Makuru and August is the season of Djilba.

RESTORATION APPEAL UPDATE

Thank you to those who have already made a donation

Following some unexpected delays, we now have an updated and comprehensive Conservation Plan for the restoration of St Mary's Anglican Church. This now enables us to proceed with confidence as we prioritize the stages of the project. In general terms the following have been identified in order of priority:

- The prevention of further water damage and rising damp. Replacing the gutters, downpipes and redirecting the water flow at ground level.
- Internal west wall, repairs to rose window and internal cracks.
- Renewal of external flashing to gables in west wall.
- Repairs to internal cracks in south and north walls.
- Replacing external rotten timbers and repairs to WW2 Lynch Gate and bell tower.
- Repainting external and roof surfaces.

We are currently sourcing quotes for each of these jobs and ongoing works, the details of which will be available at our :

Faction and Interschool Cross Country

From the thickest of fogs, to a beautiful sunny day, our students ran their hardest and all earned points for their factions at the Faction Cross Country on Friday 21st May. The top four students from Year 2/U, Year 3/4, Year 5/6 and Secondary year groups travelled to Pingelly to compete in the Interschool Cross Country on Friday 11th June. It was fantastic to have so many families travel I support. Well done to all students, particularly Heidi, Ashlyn, Abigail, Wyatt and Cody on their placements across the finish line. We were so impressed by the level of commitment and determination of our students in running on the day! Congratulations to all, and thank you to Mrs Bailey for all of your fantastic organisation, allowing for such a great well-run carnival for our students! You're amazing!

MISS WESTRALIA - 🎵 **musical comedy** - Before Jennifer Hawkins, there was Geraldton's Beryl Mills!
 "A new Aussie musical with as much charm as Beryl Mills herself." Stage Whispers

Miss Westralia is a comedy musical that celebrates the untold story of the first Miss Australia, Beryl Mills. Set against the glitz and glamour of the 1920's and the dust and heat of rural Australia, this fish out of water story pulls musical theatre, historical drama, the past, and the contemporary into a hilarious, melodic, tough as nails tale of an unknown real-life heroine.

When a Geraldton girl is crowned the unlikely winner of the first Miss Australia competition, she becomes a celebrity overnight. Based on an incredible true story, this poignant musical comedy about Beryl Mills will have your toes tapping and you heart singing. Join us as we do the Charleston from Geraldton to Chicago to uncover this remarkable untold piece of local history. Come dressed in your finest for a roaring good 1920s time!

CURRY COOK OFF

FIRST PRIZE \$200 KITCHEN WAREHOUSE VOUCHER
PEOPLE'S CHOICE AWARD \$50 KITCHEN WAREHOUSE VOUCHER

CURRY COOK OFF 2021!

We don't mind what curry you're famous for but we'd love to giveaway a \$200 Kitchen Warehouse voucher to the best curry maker in Beverley! All you need to do is make a casserole dish size of your amazing curry for the judges to share. Your curry must not consist of premade sauce jars or packets and be fully prepared by yourself. Rice will be supplied by the CRC for the judges, but please feel free to bring along any side condiments that compliment your curry.

Just a hint - we aren't judging on the heat, it's all about the mouth watering taste.

Suicide – You cannot address a problem without talking about it!

It does not matter what the issues are in our life, we must have a conversation and talking to someone about the situations we find ourselves in will relieve pressure and help us to normalise our own response to these issues. The challenge for all of us is to recognise where we are at, and then work through it. As a society we have perhaps become too politically correct about what we talk about and how we talk about it! Conversations around suicide are a classic example of this!

When we consider that 75% of suicides in Australia are men, it is important to develop an understanding of *life problems* in our own lives and in the lives of others around us. Suicide does not have a set of risk factors that you can refer to and suicidal ideation is not necessarily a mental illness. Suicide prevention is everyone's business.

There is a lot to talk about when we are discussing suicide, and it is essential that we all learn more, but three key points summarising what we know about suicide are:

1. A distressed (suicidal) person does not want to die. They want to stop the pain;
2. It is safe to talk about thoughts of suicide with *at risk* people;
3. Suicide is not usually a complex decision, the reasons (layers) however behind the suicidal thoughts are complex, and usually need professional help.

We also know that a lot of completed suicides are a result of people being under extreme distress (what we call situational distress) and not from a mental illness. We do not have to have a diagnosed mental illness to complete suicide.

People quite often ask, *when should I be concerned?* Be observant about any changes in a person's situation, anything that is out of the ordinary for that person. Some experts spend all their time talking about indicators of risk, and higher risk groups (men for example). However, we all should be deemed at risk if we have *shit* going on in our life. Suicide can happen to anyone, anywhere, anytime. *Knowing individual human capacity is the unknown factor!*

We should never underestimate the power of ordinary people to make a difference and the important role we can have supporting someone through a difficult patch in their life. This can be in the three areas of our life where we often connect with people - our family, workplace and/or community group.

We must always remember a conversation can *change* someone's life. Sometimes this is confused with, a conversation can *save* someone's life (only that person can save their own life).

We do not know if someone is suicidal unless we ask. If we have that gut feel about the person, we must ask. It's not easy, we do not need formal training and our 'language' is up to us. We do however need awareness, empathy and the ability to listen. If the answer is 'yes' put in place an immediate plan for both support and follow up ensuring the safety of all. We need to be prepared to act. There is plenty of help out there (refer to useful contacts below), the local mental health team, local doctor, and other support services in your area. Be prepared by becoming informed. Remember *...before it all gets too much...* Talk to a Mate!!®

BEVERLEY GOLF CLUB

This season's weather, while playing havoc on a couple of playing dates, has provided very favourable conditions for the greening of the course. The maintenance team of Mike Carthew, Terry Woods and Fred Sing have been working overtime to keep up and the course is in tip-top condition thanks to their efforts. They been ably assisted by various Club members who have generously donated their time to help out. On behalf of all players we thank them all.

Results for June

The final event for May held on Saturday 29 was the **John Donovan Trophy**; the second of the qualifying rounds for the Club Championship. Terrible conditions were encountered. A very heavy deluge occurred mid-way through the event causing play to be temporarily suspended. Of the 19 starters only 13 completed the course. Luke Gollan prevailed to take home the trophy with a score of 71 Nett (83 Gross). Marc Edwards was runner-up with 73 (81). Thanks again to **John Donovan** for his sponsorship.

The **Brett Hutchinson Trophy** was held on 05 June. Darrell Hagan won the day with 40 Stableford points. Luke Gollan ran second with 38 points and Phil Bateman was third with 37 points. Thanks again Brett for your continuing support.

The prestigious **G. L. Broun Trophy** was held on 12 June. This event has been an annual fixture for many decades with the Broun family continuing to support the day. This years winner was Alan Scales with 39 Stableford points. Runners-up with 33 points each were Martin Moseley, Liam Gollan and Darrell Hagan. Thank you to **Jamie Broun** for supplying this year's trophy in behalf of the family.

On Saturday 19 June, the **Avon Valley Painting Trophy** was held. With a new sponsor it was decided to hold a new event. The format for the day was Two-Person Ambrose with a blind draw being held to select playing partners. Sixteen names went into the hat to determine who partnered with whom. The eventual winners were the team of Mike Carthew and Luke Gollan who carded a remarkable score of Nett 66 (Gross 75!). They narrowly edged out the team of Phil Bateman and Tommy Copping who scored 66¾ (81). Third place-getters were John Donovan and Martin Moseley with 67¾ (76!). A big thank you to **Martin Moseley** for stepping in at short notice to sponsor the day.

The last event in June, the **Wayne Smith Trophy** which is the third qualifying round of the Club Championship, was held on Saturday 26. Winners will be notified in the next Blarney issue.

Scroungers

These 6-holes-of-Stableford events continue on Wednesday and Friday afternoons. Due to the shorter winter days, tee-off is at the earlier time of 3:30pm during July.

Scroungers results:

Wednesday 26 May – 16 players – won by Luke Gollan – 14 points

Friday 30 May – no game due to function at club.

Wednesday 02 June – 14 players – won by Phill Bateman, Mike Carthew, Alan Hammond, Martin Moseley, Chris Pepper and Terry Woods (6 winners!!) – 12 points each

Friday 04 June – 11 players – won by Sarah Britza, Rob de Gruchy, Terry Woods, Brett Davenport and Luke Gollan (5 winners!!) – 12 points each

Wednesday 09 June - 9 players – won by Chris Lawlor and Ken Bradley – 12 points each

Friday 11 June – 3 players – won by John Donovan and Terry Woods – 15 points each

Wednesday 16 June - 13 players – Won by Alan Hammond – 13 points

Friday 18 June - 8 players – won by James Mearns and Brett Davenport – 13 points each

Wednesday 23 June- 15 players - won by Alan Hammond and Chris Pepper - 12 points each

At the time of writing, the leading point earners in the **2021 Fred Bremner Scroungers Winter Championship** are Terry Woods (73 points), Alan Hammond and Ken Bradley (67 points each).

Scroungers golf is played at 3:30pm on Wednesdays and Fridays. We play a different six holes weekly with an emphasis on the more social aspects of the game. Any players, new or experienced, are welcome to join us.

BEVERLEY REDBACKS HOCKEY CLUB - JUNE

Well, the hockey season is now in full swing and the Beverley Redbacks have come out fighting! That's right, with some fresh blood on the team and some stellar coaching from Norm Veitch our girls are ready for one hell of a season! Let me say a big welcome to our new teammates; Kelly Aaron, Monica Van Der Snoek and Kayla Creedon. Big shout-out to our fantastic new Captain Carly Veitch and her exceptional Co-Captain Dani Whyte, who after coaching us all from on the field last year are surely pleased to have the chance to relax and enjoy game day.

Big thank you as always to Rob De Gruchy for taking the time to help us mark the hockey field down on the Beverley Oval. Without his expert guidance we would be taking penalty hits from the 25-yard squiggle. Thanks to Penny and Kelly for volunteering to do the first marking of the season, it's always the hardest and we appreciate your hard work.

We are happy to say we had a huge success with our first fundraiser of the season. We were not too sure how well our metal pegs would sell but we were blown away by the community's enthusiasm. Thank you to everyone who invested in their own bag of pegs, we will be sure to put the money to good use!

As always preseason training provided many aches and pains as we got back into shape. Norm's insistence that we improve our match fitness was met with a few moans and groans but there is no doubt he knows his stuff as the team has rallied to put two wins on the scoreboard already this year. And of course, both trainings and games are often finished off with a team debrief over the bar of the nearest pub.

Game 1

Beverley Redbacks Vs Wongan Drifters

3 : 0

What an outstanding start to the season. The Redbacks came out hard and with a really positive attitude. Norm's game plan and a strong offensive quickly paid off in the form of a sneaky goal by Britt Hadlow which was fast followed up by a goal by Jen Petchell. A big congratulations to you both for scoring your first goals! Our third goal was scored in the second quarter by reliable fill-in Jess McDonald which set us up for a comfortable win. The rest of the game involved a lot of running throughout the midfield with lots of shots on goal that unfortunately didn't score. The defensive line held strong denying Wongan the chance to score.

Coach's award: Kelly Mann - For constant running and pressure in the midfield and forward line

Captain's award: Kelly Aaron - For her nonstop effort especially in the second half

Eddy Echidna: Norm Veitch - For Running the bench with an extra sub leaving the midfield down a woman in the final quarter

Game 2

Beverley Redbacks Vs York Strikers

0 : 7

Safe to say that a pretty devastating loss was exactly what we needed to deflate our ego's and bring us back down to earth. We played our hearts out and a strong defence held the relentless Strikers at bay for the first half, only allowing a single goal to slip through. But York showed off their superior skills and fitness in the second half to score consecutive goals.

Coach's award: Britt Hadlow - For an outstanding effort and keeping pressure on the opposition the whole game

Captain's award: Bec Sims - Who had a busy day in Goals

Game 3

Beverley Redbacks Vs Wongan Drifters

2 : 0

Once again facing off against Wongan, the Drifters were determined to put up a fight this time. It was a very fast paced match with lots of great passing and team communication. Once again Britt managed to slip in a goal in the first quarter putting Wongan on the defensive. Kelly Aaron followed this up with a goal in the second half. A stellar effort from the defensive line sent Wongan home with out a score on the board despite their many shots on goal. The whole team truly rallied in the final quarter, particularly the forward line, who showed some of the best skill and teamwork we have seen yet! This was truly a game to be proud of.

Coach's award: Geena Batchelor - For a solid game in the midfield and putting the rest of us to shame with her ability to run a whole game.

Captain's award: Kayla Creedon - Who exhibited some excellent passes and tackles on the wing.

Eddy Echidna: Britt Hadlow - For accidentally taking out and winding her own teammate in the third quarter.

Special Mention: Bec Sims - For an excellent save off short corner.

Thank You to the Freemasons Tavern for sponsoring the Coach's awards this year and to Beverley Electrical and Waterbrae Pastoral for sponsoring our Captains awards.

BEVERLEY REDBACKS HOCKEY CLUB - JULY

What a month, and how time flies! Already we are 7 rounds into the season with 3 wins under our belt. This month we celebrated both Rebecca Sims's 50th game and Ali Lewis's 100th game with the Beverley Redbacks. We value dedication and it is so incredible to have so many 100+ game members considering the short lifetime of the current club.

It has been a long month for the Beverley Redbacks. We have played many hard-fought games with scores that often did not reflect the game or our teams' level of improvement. The team has so far been plagued by several injuries and illnesses that have made rustling up a full team a little difficult at times, and we wish all our teammates with injuries a speedy recovery. But though our bodies may be weak our spirits are strong!

We have approached every game with a cheerful team spirit and strong resolve. While our defence remains stalwart against persistent attack, our offence runs themselves till they drop in an inspiring display of determination. And of course, every game is followed by either a consolatory or celebratory drink at the pub. This month has seen the return of home games and our post-game afternoon teas, which provides an excellent opportunity to getting to know the other teams.

Game 4

Beverley Redbacks Vs Jenna

0 : 7

Out came the dugouts for the first Beverley home game of the season. It was a tough first game against Jenna and we just couldn't quite keep pace with Jenna's young legs. The whole team played their hearts out and showed some great moments of teamwork in the forward line while the defensive half did their best to keep goal hungry Jenna at bay. Big thank you to Brydie and Helen for some excellent umpiring. Respect and good vibes between the players and umpires always makes for a happy game. Thank you too all our lovely spectators who showed up to support us.

Coach's award: Britt Hadlow

Captain's award: Lisa Maurach

Game 5

Beverley Redbacks Vs Scorchers

0 : 8

A chilly Friday night game in York saw us facing off against the scorchers. Once again, our defence was tested almost immediately with the scorchers driving hard for some quick goals in the first half, although if asked our defenders will blame those goals on the shadows cast by a busted field light (wink wink). The forward line did their best to sneak in a few goals but despite putting up a good fight we unfortunately just couldn't quite follow through. This game also marked 100 games for Ali Lewis, Congratulations Ali.

Coach's award: Jen Petchell

Captain's award: Kelly Aaron

Game 6

Beverley Redbacks Vs Wongan Drifters

1:0

Over to Northam we went for our first game on turf this season. Back facing the drifters again for the third time should have felt confident but an abundance of team injuries slightly damped our spirits. However, after a lot of phone calls we managed to put a team together and had some excellent ring-in subs to help us out. Thank-you to everyone who has helped us out in a pinch. Switching to turf was quite an adjustment but with Norm's guidance and the use of short, quick passing we began to see some excellent play down the centre of field. The defence managed to keep a clean net throughout the game and the offensive line managed to score the games only goal in the 4th quarter. Congratulations to Kayla Creedon for her first goal on field!

Coach's award: Carly Veitch

Captain's award: Kayla Creedon

Penny, Carly, Dani, Bec and Marg prepared for a defensive short corner.

Eddy Echidna: Kayla Creedon – For asking the group chat for a lift on training night, causing a teammate to drive around town looking for her, only to admit she was halfway to Albany and asking about a lift for the weekends game.

Game 7

Beverley Redbacks Vs Aces

0:3

Another home game had us facing off against the Aces who had a deadly combination of both speed and skills. The defence held their ground well against an onslaught of short corners, and despite growing a little irritable managed to keep their spirits high and the goal mostly empty. Thursday trainings have clearly been paying off with some excellent passing and teamwork down the forward but unfortunately, we came away goalless. As usual the opposition was welcomed to stay and enjoy a lovely afternoon tea and drinks at the amenities put on by the team.

Coach's award: Dani Whyte

Captain's award: Ali Lewis

Eddy Echidna: Carly Veitch – for returning to the Beverley tavern after hours to collect the pizzas they left behind after a committee meeting.

Thank You to the Freemasons Tavern for sponsoring the Coach's awards this year and to Beverley Electrical and Waterbrae Pastoral for sponsoring our Captains awards.

Who's been out and about

State Tetrathlon Squad Camp: was held at Avon equestrian centre in May and Jessica and Emily attended. The squad members spent 2 days with coaches focusing on long distance running, sprint drills, showing jumping, cross country, gates, slip rails and laser pistols. They also attended a session on goal setting. All of these activities were planned to help competitors to achieve their goals which for some are to compete at the National Tetrathlon Championships later this year. The camp was lots of fun!

Mounted Games Association (MGA): On the 12 & 13 June, MGA held a pairs and teams event at our grounds. Carly, Tealah and Shenae competed in the pairs on Saturday. Marie, Mia, Tealah, Shenae and Carly then joined the teams event on Sunday.

Beverley HPC Gymkhana: saw over 40 riders attend this event, on the 19 June, completing in Hacking, Show Jumping and Games. Thank you to all our members and committee for organise this event, setting up, helping on the day and packing everything away again. Massive thank you to our amazing sponsors!

June Rally: It's been a busy month with our rally on the 20 June. Sunday was a wet and freezing day, not the best weather for riding, but our members got out there and were dedicated in there lessons and packing up all the equipment! Tegan Lush coached show jumping at this rally and also ran a bit fitting session for riders and families to learn how different bits work in the horses mouth and every horse has its on preference to bit styles. Extremely informative and essential for understanding the best tools for you and your equine partner.
