

BEVERLEY BLARNEY

Edition 452 June 2022 No Charge

BEVERLEY STATION
ARTS PRESENTS

IN PARTNERSHIP WITH THE DEPARTMENT OF LOCAL
GOVERNMENT, SPORT AND CULTURAL INDUSTRIES

END OF SEMESTER ART EXHIBITION

Opening June 16,
130pm at Beverley Community
Resource Centre

EXHIBITION CONTINUES
TO JUNE 30

Artist Kaitlyn Elsegood has been working with the Beverley District High School students to artistically respond to the towns lesser known histories and life of Beverley.

This project has only been made possible by the generosity of many. As such we are extending an invitation to the whole Beverley community to join us in celebrating the conclusion of the project, the students achievements and to say a big thank you to all who have made is possible.

Vincent Street Streetscape Project

Unfortunately, our project continues to be at the mercy of sub-contractors and the weather. The sealing of the carparks has been delayed again due to rain. Council is aware of the parking inconvenience for shoppers and local businesses and we know our constant apologies are wearing thin. At the time of writing it is hoped that a third attempt to seal the IGA, Fig Tree and Town Hall carparks will occur on 2 June 2022. We will then be able to open up at least one of them for people to better access the shopping precinct. Should this not occur, a carpark may have to be opened unsealed which is not ideal but will ease some parking burden.

Avon River Park Concept Plan

Thanks to all the Community members who submitted feedback to the Concept Plan. The plan was very well received. Your feedback has been taken into consideration and the amended designs will be endorsed in June.

Vincent Street Heritage Walk Trail

Council and staff have been working on a Heritage Walk Trail to be included as a part of the Vincent Street Streetscape project. The development of an AR App will accompany the trail markers along Vincent Street, will be an addition and tourist attraction for people to enjoy the historical features and buildings of our main street. The App will include a map, information on each historical landmark as well as various photos. The trail will be launched at the completion of the main street works.

Cornerstone Office Three Lease

Office Three in the Cornerstone is available to lease. A discount of 50% for the first three months applies to new tenants. Please contact the Shire Office to view the office or get a copy of the agreement if you are interested.

Community Grants

A reminder to Clubs and Community Groups that the next round of Community Grants will be open in July. Start your planning now to ensure a good application. The grants have been heavily subscribed in recent rounds so Council will be looking for quality applications whose projects/events have maximum benefit to the applicant and community.

Beverley Airfield Upgrades

Council received funding from the Regional Airports Program to upgrade and reseal the airstrip. This funding has seen 1.5kms of airstrip newly surfaced which will benefit the Royal Flying Doctors as well as the Soaring Society. The Soaring Society have advised Council that 'the airstrip is not only functioning so much more efficiently in regard to general aviation and for the Flying Doctor but is setting itself up as a first-class glider training, maintenance and competition airfield'. Council has also submitted a further application to upgrade the airfield lighting.

Ballardong Aboriginal Astronomy Project with Beverley District High School

An opportunity recently arose for Council to contribute funding and support the Ballardong Aboriginal Astronomy Project for Students being run by Astrotourism WA. With Beverley District High School giving the green light, some of our local students are now learning more about the Aboriginal night sky.

We are confident that this program will capture cultural knowledge and strengthen relationships between the Ballardong people, Council, Students and our Community. On May 17, many students and their families were able to take part in the second phase of the program and sit around a campfire and listen to stories under the chilly night sky at Avondale. Sadly, due to Covid, three out of four Shire representatives including me, were unable to attend the evening but we were advised by Cr Maxwell that a great night was had by all. At the end of the program the development of a Ballardong Aboriginal Astronomy Planisphere will allow the Community and other people visiting Beverley to learn about the night sky too.

Vale Malcolm George Roberts

Former Councilor Mal Roberts passed away on Tuesday 17 May 2022. Mal was a Shire Councilor for 12 years from 1999 – 2011. Mal was very active on the Development Services Committee and was interested in programs that supported youth and the elderly.

Mal was also a Justice of the Peace, advocate for Aboriginal People, director of CRANA Aboriginal Corporation and championed for those less fortunate or suffering financial strain through the Beverley Volunteer Community Services. He will be missed by many in the Beverley Community.

Beverley Ag Museum News

Over the past month several people commented to me that there was no 'News' in the May edition, apologies to all those who scrolled through the pages looking for it, but with the Easter and ANZAC long weekends our crew decided that 'family time' (and other activities) would be our priority, but we did meet up on April 30 so are not behind with our chores.

As many of you already know, a lot of the items in our museum collection are still reliable 'Working units', one of several reasons to meet up regularly is to not only restore, but to also maintain those items that do still function, so it came as no surprise to me to hear John Hawke and Bob tinkering with a couple of Tractors, the first of which (Chamberlin 40K) refused to fire up before our ageing battery went flat, the size of the engine and a lack of 'Weetbix' meant the crank handle was deemed too hard, so the McCallum Deering near to it caught their attention, but having no electric starter fitted it would need some manual effort to crank it, determination set in and after a few hardy swings she thundered into life, popping and banging and burning off the coat of black paint on the exhaust (phew, stink, not a heat resistant paint) a previous member had so delicately coated it with.

Once outside she was away, (we always like to give each unit a 'run' as well as just starting it up if it is possible) but three quarters way around the shed she ran out of fuel, so more effort on the crank handle. We never like to fill the tanks too full of petrol as between 'outings' it will go stale (often a reason so many people can't start their lawn mowers for the first seasonal cut) and then

it is wasted. Meanwhile Eric and I were offering words of encouragement and carrying out the routine tyre pumping before we all met up for our morning tea where we all like to 'chew the fat' about our shared interests.

Our crew met up again on the May 21 with the same enthusiasm shown on our previous visit, John Hawke had been to a local garage sale and managed to pick up a couple of workshop manuals for the FX Holden Ute and the TJ Bedford Truck, these items are essential and very rare these days so a big thank you to John for his sharp eyes

in spotting them, he also found a heavy duty set of Jumper Leads, something we were lacking in 'our toolbox'.

Armed with a couple of decent batteries and two full petrol cans John and Bob were determined to fire up the Chamberlin 40K, and yes like so many of the collection she soon burst into life after some help from a well-known brand of ether (starting assistance fluid). Naturally the pre checks (oil, water) had been carried out, so once started there was much excitement with

Eric rushing to ensure the tyres were inflated enough ready for John Hawke to drive outside. As none of us had never actually operated this model before there was initial head scratching for a few minutes looking for a clutch pedal, after a process of elimination (Old Tractors have lots of 'unmarked' levers) Bob spotted it had a hand clutch, the water cooled, twin cylinder, horizontally opposed petrol engine (for the mechanical buffs), was restarted and did a lap of honour around the shed. Even with all the noise a Barn Owl seemed quite at home perched in the roof area, it

was only when I tried to get a photo that it turned camera shy and flew off.

One thing we have learnt from these two tractors is how expensive they are to run having consumed around 15-20% of our monthly budget in fuel alone! But from this effort, our knowledge will be passed on to others, (notes were logged) not only does the Collection exist for people to see, but also to appreciate our regional farming history, every item holds a story, so if you (or someone you know) has a story to tell about an item in our Museum we would be pleased to hear from you so they can be written down, (some 'hair raising' experience in the paddock maybe?) and recorded and shared for the future.

Robyn (the National Trust warden) paid us a visit at our morning tea and updated us with the latest NT news regarding reopening and the renovations being carried out on the Farm and all things Avondale.

Our museum is located 6km out of town at Avondale Farm on Waterhatch Road and now **open for the public** to visit when we are attending on the third Saturday of each month between 8.30am and noon, (February to November) entry is free, donations are happily accepted, and photography is always welcomed, but please note that communications can be poor in the area if trying to share your experience with others. To avoid anyone being disappointed it should be noted that only the Museum (**not the Farm**) is open at this stage, and the much-loved horses Comet & Robbie have been moved to other pastures when Monica their owner and our previous NT warden left.

For other times or group bookings please contact John Alexander on 96460768 so arrangements can be made with the new National Trust warden. Like most local groups the Museum is opened and operated by volunteers (under the guidance of the Beverley Shire Council and the National Trust Warden), and we are always looking for people to assist or share their knowledge with us, if you feel you can contribute in any way, please let us know.

John Alexander --- Volunteer

BEVERLEY C.W.A

The ladies at the C.W.A have been busy once more.

Firstly, **Kings Park Fashions** came to town on **April 27th**, bringing with them an amazing winter collection to choose from. With assistance from our truly amazing models on the day, to whom we thank so very much for taking on this task, the clothes were showcased to everyone who attended while enjoying their refreshments. We also held a raffle on the day and would like to congratulate the winners.

1st - Pat Parker 2nd - H.Revill 3rd - Lesly Heal 4th - Marg Watts

We would like to say a big thankyou to the ladies from Kings Park Fashions for donating 2 prizes on the day. We look forward to hosting them again later in the year.

We also had some unexpected visitors turn up on the day. Who said the ladies at C.W.A don't know how to have fun?

Fortunately, they released the president back to the C.W.A on conditions (not really but she was released).

(Be assured that we aren't always this bad, I think? Well I hope we aren't put it that way)

Next we celebrated **Mother's Day**. We held a raffle on Friday and Saturday. We had a morning tea on Saturday morning. We hope

that you all had fun. Once again through the support of the community we had a very successful raffle and morning tea. WE HOPE THAT ALL MOTHERS, GRANDMOTHERS AND GREAT GRANDMOTHERS OUT THERE HAD A WONDERFUL, RELAXING DAY, MAYBE WAITED ON, BREAKFAST IN BED?

Our raffle had an amazing 11 prizes, yep that's right 11 prizes. We would like to thank those who aren't members of the C.W.A for donating prizes. Your generosity in donating prizes is greatly appreciated and we cannot thankyou enough for your support and your extremely kind gesture towards the C.W.A. **THANK YOU SO VERY MUCH.**

Now for the winners and for two people who were extra lucky, congratulations!!!!!!

1st - J.Islip 2nd - M.Rochlach 3rd - Di 4th & 6th - Deborah
5th & 7th - Graham Dasborough 8th - Helen 9th - Melinda B 10th - Viv Doncon
11th - Gail Alabach

We will be holding a **wood raffle on the 10th of June** (somewhere down the main street, depending on how the road works are going). Just look for our signature colours and symbol and that is where we will be. The load of wood was kindly donated by a member of the community, so many thanks to you and your kind donation.

Community morning tea will be held on the first Wednesday of every month. The morning tea is

for everyone and anyone to come along for a free cuppa, cake, or biscuit and of course a chance to catch up with friends and maybe some gossip. Starting at 9.30am. FYI the heater will be on if it's a cold day if you were wondering.

The next meeting will be on the 15th of June. Morning tea 9.30am with the meeting starting at 10.00am. Hope to see you there.

As you may have noticed, the ladies at C.W.A have been busy fundraising for the last 18 months. All the fundraising that we have done has been to raise money to replace the ceiling in the C.W.A rooms. We may put together these events, but it has been you, the community, that has helped us achieve this goal. Without your continued support this would not have been possible, and we value your support and feedback. With this in mind, we have now raised the amount needed to replace the ceiling, YAY!! So in July the C.W.A rooms will closed to have the ceiling replaced and a couple of other jobs done. We will not be able to hold the Community morning tea in July or hire the rooms out. We apologise for this, but we also say a huge **THANKYOU TO EVERYONE IN THE COMMUNITY FOR SUPPORTING THE LOCAL C.W.A.**

Need any more information, contact Pat Hambly on 08 9646 1481

Well I think that is about all from the ladies for now. We will let you go and stock up the wood pile, ready the fire (if not already done) and settle in for the winter.

Stay safe, stay warm and catch up with you all next month

Beverley Historical Society
Dead Finish Museum

bhsdeadfinish@gmail.com

BEVERLEY HISTORICAL SOCIETY

We have had approximately 70 visitors for the month which is great for us and the town. Some just passing through, others after family

information or history on property they have purchased. Our volunteers endeavour to find as much research as possible for them.

Apart from all the research of late we have has 2 members attend a workshop at the Station Gallery to design a banner to be displayed on the Back to Beverley weekend, also members have commenced training for the Mosaic program to have all our precious information on computers.

One of our dedicated members has been updating our photo albums, newspaper cuttings etc so please pop in and appreciate all the hard work that has been put in.

The committee are also busy collecting History, special thanks to Joy and Morag to display for the celebration of the 150th Anniversary of the Dead Finish Museum. This information will be on display at the Museum and the Lesser Hall for the Back to Beverley weekend. Museum will be open on the Saturday and Sunday.

It was great to see so many members at our latest meeting.

NEXT MEETING IS MONDAY 13TH JUNE 2022 AT THE SPECIAL TIME OF 12.30P.M. WE WILL BE HAVE A GUEST SPEAKER DURING THE MEETING FOR A SHORT TIME.

ORIENTEERING
WESTERN AUSTRALIA

FOR RELEASE WEEK COMMENCING 27TH MAY 2022

Orienteering WA

PO Box 234, Subiaco 6904

Do you want to exercise your body AND your brain? Try something different?

Come along to Orienteering WA's next bush events at Hill Park Dale, west of Beverley on 5th (12.30 – 2pm) and/or 6th June (9.30-11am). Register online until the day prior, or on the day at the caravan.

Orienteering is a map reading SPORT where participants have to find their way around a course marked on a map in as short a time as possible. There are various levels and lengths of courses at every event – 'have a go'.

The 'thought sport' is suitable for children from 7 years old, elite athletes and mature aged people up to 80 – a sport for all ages and abilities! Come and have fun with friends and family. Compete individually or in groups – walking or running.

If you want to try something different and see new areas on many Sundays, check out Orienteering WA's full programme of 'events' on the web site at www.wa.orienteering.asn.au and just come along – no experience or equipment necessary – briefing given to newcomers.

For more information, call Helen on 0409 889 944.

A New Series

Remarkable Women of Beverley

The "Esteemed" Mrs Isabella Gillies (born Geelong 1871)

The first we know of Mrs Gillies in WA is that she bought land in adjoining locations (4417 & 4418) – a total of 660 acres - in Beverley in 1909.

Then in January 1911, she announces in the Beverley Times that she has purchased Mrs Messer's ladies' drapery business, next to Dr Richard's Surgery (?).

This business was a mixed business of drapery with ready-made ladies & children's wear including hats & shoes. She employed an experienced dressmaker to make dresses from the rolls of cloth she sold in her store and employed two or three other assistants. Including herself, that was a staff of five.

She made good use of the newspaper, having an advertisement in almost every edition. She had summer and winter sales, and announced new season's fashions at the start of each season.

She was very involved in the various charities set up during WW1 – in particular the making of garments to be sent to soldiers overseas organised by the Red Cross. She was also a guest at several local weddings.

She moved her business twice: From next to Dr Richard's Surgery to opposite the Beverley Times Office later in 1911; then from there to premises adjoining Mr Skipworth's tea rooms in 1917. Mr Skipworth had

finished building Central Buildings in 1915, so this would have been a nice new shop.

She sold her business to Mrs Houston late of Victoria in December 1919 and left the district early the following year. The Beverley Times noted on 31 January:

Valedictory.

A pleasant little social gathering was held at the Mechanics' Institute on Thursday evening to bid farewell to Mrs. Gillies, who has disposed of her business in Beverley and is returning to Victoria. The evening was spent, in dancing, interspersed with several songs and recitations, and an enjoyable time was spent. During an interval, Mr. Dawson [Proprietor of Beverley Times], on behalf of the subscribers, made a presentation of a lady's gold wristlet watch as a mark of the esteem in which Mrs. Gillies was held by the people of the town and district, and in the course of his remarks, particularly referred to her activities in connection with Red Cross and other war work. Mrs. Gillies gracefully acknowledged the compliment, and said she would carry away with her many pleasant recollections of Beverley and the kindnesses extended to her by the people during her residence here. Refreshments were provided by the ladies, and the gathering dispersed about midnight.

No more is published about Isabella until the 1953 when ex-Beverley residents had a get together in Kings Park and Mrs Gillies is mentioned at age "82 but carrying her years remarkably well". She was present at a similar event in 1962.

Finally, a mention is made in passing in another item about Mrs Gillies "who incidentally is still alive at 99 years and is resident in the East".

Conclusion: Mrs Gillies is a bit of a mystery woman from our point of view. She must have been well-off, to have bought land and a thriving business. She seemed to move backwards and forwards between Victoria & Western Australia with ease. She mixed socially with all the best families in the town and kept in touch after her departure. There was never any mention of husband or family, or what happened to the 660 acres.

Mrs. Gillies
DESIRES to announce to the residents of Beverley and surrounding district that she has purchased the business lately conducted by Miss Messer, and will carry on the business of
Ladies' Draper
—AND—
Dressmaker,
In premises adjoining Dr. Richards' Surgery.
A FIRST-CLASS DRESSMAKER ENGAGED.
Also Good Assistant.
All Orders will receive Prompt Attention.
Charges Moderate.

Mother's Day Celebrations in Kindy and Pre Primary

On Wednesday 4th of May, our Kindy and Pre Primary classes invited their Mums, Grandma's/Nannas and significant men/women to an afternoon of play. There was a number of things to keep everyone busy, such as jewellery making, easel painting, book corner, bean bag throwing, hula hooping, cup cake decorating and more! The staff and students of the ECE are so pleased to be able to welcome our parents back into our school and our Mother's Day Afternoon was a perfect way to celebrate and enjoy having everybody together.

Stargazing at Avondale Farm

On Tuesday 17th May, our Year 4-6 students had the amazing opportunity of discovering our constellations and hearing stories of our local Aboriginal culture, told by our Aboriginal Elders. This was Phase 2 of our 10 week Astrotourism project. On Tuesday 24th May, the Year 4-6 students will begin Phase 3, which will be an art workshop under the guidance of an Aboriginal Artist. Together they will create an artistic interpretation of a chosen Aboriginal Astronomy story. What an amazing opportunity for our school students to be involved in!!!

Faction Cross Country

Well done to all of our students who ran in the Faction Cross Country on Friday 20th May. All students from Pre Primary to Year 10 participated and the weather was beautiful. We are just so proud of all of the students giving it a go! Such great sportsmanship and participation along with a wonderful group of parent helpers ensured a great Cross Country Carnival! Also big congratulations to Forrest on winning this year's carnival!! Here are just some of our snaps from the day.

WARRIOR WELLBEING ARTICLE

Tips for Integrating Work and Family Life

BY THE REGIONAL MEN'S HEALTH INITIATIVE

June 2022

One of the main issues that confront families and relationships is trying to achieve a balance between work and home life. The word balance tends to indicate a 50/50 arrangement however that's a big ask. It's more appropriate to talk about work and home integration to ensure we don't get too out of balance.

There is no one perfect balance because every family is different, and every work place requirement is different. When machinery is not balanced it will wear and break, this can be the same consequence for family and couple relationships. All work and no play are problematic. Those busy times are necessary and explainable, but we need to ensure we have a catch-up.

So, what happens when we are not integrating work and home life in a balanced way?

- A disconnect can start to occur with our wife/partner, dad, kids, friends and relatives;
- Physical and mental well-being can be affected by issues like stress, anxiety, depression and fatigue;
- Resentment starts to infiltrate as perceived inequalities are felt around home duties, workload, parenting and intimacy;
- Feelings of disrespect, being ignored, being taken for granted, even feeling unloved may arise that can erode the quality of healthy family and couple relationships.

How do we get the balance right?

- Make couple time to communicate how you are each feeling;
- Keep a tab on work time verses home/family hours;

- Talk to your wife/partner/kids about your challenges of transitioning from work to home, so they can see your perspective and for you to see things from theirs;
- Talk/communicate with your partner about the type of parents you both want to be;
- If you are a new dad, take time off to help care and know your baby, help at night with feeding, dressing and that awful job of changing nappies;
- Allocate dad time, this can be every-day routines like taking/dropping kids off to school, the bus stop or sport. This will help develop and maintain connection with the kids by showing interest in their lives;
- It is also very important to leave some regular time for yourself.

How do I switch from work to home mode?

- Arrange your day to do the most difficult tasks first instead of at the end;
- Consider if it might be worth staying a little longer at work to finish up a task instead of bringing it home with you;
- Develop a ritual or routine to help you move from work mode i.e. change out of your work clothes and shower when you get home;
- Switch your thinking to the kids and home as you leave work, putting work to rest.

Being stressed and tired from a hard day's work can contaminate the time you spend with your children. The family will know if you are present with them or if your head is elsewhere.

If your wife/partner/kids feel second best, feelings about their own self-worth can be affected.

To finish here are a couple of questions you might like to ask yourself: 1. what good memory would you like your children to have of you? 2. when comparing your own upbringing what would you do differently as a dad?

Beverley Boys in Blue

On Friday 20th May 2022 was the national walk safely to school day. This is held every year during the national road safety week.

Sergeant O'Dea and Senior Constable Meakins attended the Beverley District High School and gave out promotional material to reinforce the importance of road safety. The dangers faced by young children on our roads are ever increasing and the police are doing everything possible to protect them.

We also went to the oval and handed out promotional material to the students participating in the school carnival held the same day.

Well done kids! Keep up the good work of staying safe

BEVERLEY MENS SHED

Open every Tuesday morning 8.30am to 11.30am at the old Fire Station. Call in for a coffee, meet the members and see the great equipment for members to use. New members are always welcome. Contact Harvey Morrell for more information on 0427 235 681 or email president@beverleymenshed.com

Thank You

Margaret Barrett Lennard 1918 - 2022

We sincerely thank everyone who has expressed their sympathy to our family in memory of our much-loved Mum and Grandmother, Maggie.

Your support and kindness are greatly appreciated.

We would also like to thank the staff at the Lodge and Hospital for their dedicated care of Maggie over the last three years.

Thank You

Liz, Debbie, Jodie, Michael & family's, wish to sincerely thank all who attend Bills Funeral. Thank you to all those who sent cards, flowers & tributes it was greatly appreciated.

Kind regards, The Hill Family

Thank You

Recently we experienced a tragic motorbike accident at our property in East Beverley in which unfortunately a young man lost his life as a result.

We would like to say a big THANK YOU to Senior Constable Steve Meakins and Sergeant Terry O'Dea from the Beverley Police and also the local ambulance officers for their care, compassion and support during a very difficult time. It is not until you experience something like this in person that you realise what these wonderful people do on a daily basis. Their professionalism and warmth helped us through not only on the night but for many days afterward.

Thank you again, we are extremely lucky to have such wonderful people like you in the community.

Kim & Sarai Beard

Calling all Beverley Artists

Beverley Station Arts would like to invite you to participate in

Beverley 6304

an Exhibition showcasing the works of local talent to be held in conjunction with
the Spring Back to Beverley festival.

Beverley 6304 is not only the title but the defining basis for the exhibition. It is an
opportunity to exhibit and sell your works over what is planned to be the biggest
weekend in the Beverley calendar for 2022.

Opening night is to be Friday 23rd of September running till the 28th of September,
held at the Station Gallery.

A maximum of two artworks per artist to be exhibited with each piece a maximum size of
50x50cm. \$10 entry per artwork.

For further information or to enter email
admin@beverleystationarts.com or call 0426 161 943

BEVERLEY STATION ARTS
GALLERY & PLATFORM THEATRE

Take the opportunity to join in gentle activity aimed at general fitness and falls prevention.

Stay Active

with the
Beverley Everlastings

Stay Active is a weekly one-hour keep fit session for those who find gentle aerobic, strength, balance and stretching exercise beneficial to their health.

The exercises are designed for over 50s, but younger participants are welcome. Those less mobile or those recovering from accident and illness also find the exercises useful.

Chair exercises are available and participants can opt to do all or some of these.

Stay Active
Date: Tuesday's
Time: 9:00am
Place: Beverley Recreation Centre
Cost: \$1

Come along for social-distancing fun activity. Stay Active is a volunteer community health program coordinated by the Wheatbelt Health Service

Government of **Western Australia**
Department of **Health**

BEVERLEY QUILTING GROUP

We meet on Tuesday's at the Masonic Lodge in the back room. We start at 9.30am and finish at 2.00pm

\$2 donation per session and BYO lunch.

MISSING

Historic Altar Rails have been removed (stolen) from the back of the Catholic Presbytery in Dempster Street between Sunday Afternoon 8 May 2022 and Friday Morning 20 May 2022.

These rails have a historical value to the Church and we would like the person/s to return them no questions asked.

However, this incident has been reported to the Police and should anyone have any information please call 131444 and quote Incident Number 200522152662609.

Primary Health Services

Available to the community of Beverley

Child Health Nurse - 9690 1320

To make an appointment, Northam Hospital Admin Staff will assist you in setting an appointment time, which will be, on most occasions, a Monday

Northam also provide Child Development Services via referral - 9690 1320

School Health - 9641 0200

Dietetics - 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy - a doctors referral is required - please send all referrals to PO Box 312 Northam 6401. Clients will be acknowledged with a letter informing them of the approximate wait time.

Podiatry - email: admin@comopodiatry.com.au or call 9450 6200. Attendance is generally a Monday.

If eligible for an EPC Plan which is through referral from a Doctor, Como Podiatry will bulk bill Medicare for a max of 5 sessions per year. Non referral clients are may be eligible to claim Private Health for the \$60 sessions.

A Doctor's referrals are generally faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment.

Social Work - Phone 9690 1320

Speech Pathology - 9690 1320

These services are provided by WA Country Health Service and are free of charge. If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns.

Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

The Station Garden is available for public use at any time; just open the gates and enjoy!

COVID-19 UPDATE:

Proof of Vaccination must be available if asked to be shown on entry to the Station Gallery and indoor stage areas.

Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

Artists-in-Residence at the Station

Artist-in-Residence for May was Shireen Manning who worked tirelessly on the community banner project which has been so well received by 24 clubs/groups in Beverley.

As part of our contribution to the Spring Back to Beverley weekend in September, BSA was successful in applying for a grant to employ an artist to facilitate the design work and making of banners/flags for clubs that will be 'paraded' then after the 'Spring Back' weekend will become a keepsake for the 22 groups. See below pics of members of football, netball, hockey and cricket teams working on their design, and Shireen.

Artist-in-Residence for June

Marie Scobie is in residence for the first half of June.

Marie is a visual artist working predominantly in oils and pastels. Her interest in art began in school but has flourished over the last 15 years under the guidance of various local artists and teachers.

Working as a scientist has given her a solid understanding of conservation and sustainability issues and the importance of supporting our rural communities.

Her hobbies of hiking and camping in diverse landscapes, have fueled her love of nature both from an aesthetic and emotional point of view. She endeavours to express the beauty, complexity, and tranquility of nature in her work.

Julie Parsons and P Clarke are back in residence for the second half of June.

JULIE PARSONS is an inter-disciplinarian whose former arts practice in public art and the visual arts crossed into design for performance and finally writing, where she has been able to apply her imaginings and strong exploitative research skills.

In 2018, Julie authored and illustrated the family history book "Rabbits and other Immigrants" a 300-page self-published work, about her wheat belt heritage.

Julie will be writing during her residency but will be available to discuss ideas about approaches to family history research and writing.

PETER CLARK'S career as a Primary School teacher enabled him to keep his art practices alive through creative output with children in a school context. He continually promoted an appreciation of visual arts history and creative thinking in the use of art production techniques and processes. Please visit the Station Gallery to see such diversity in his arts practice.

Artists-in-Residence for remaining 2022

JUNE: 1-15 Marie Scobie /16-29 Julie Parsons, P Clarke

Beverley Station Singers

Unfortunately, due to recent Covid regulations preventing non vaccinated people inside the Station Gallery and Greenroom of the Platform Theatre, the group with Kelly Newton-Wordsworth as music director went into recess. With restrictions still in place, the singers have decided to reconvene with Mark Kont at the helm. Anyone wishing to join Station Singers please contact Sarah Miller who coordinates the group - Ph: 0427464078

Beverley Amateur Dramatics

PIRATES OF PENZANCE is Gilbert and Sullivan production performed by our local BAD group (Beverley Amateur Dramatics). Rehearsals recommence in July.

NEW DATES FOR:

PIRATES OF PENZANCE

FRI 7 OCT & SAT 8 OCT

FRI 14 OCT & SAT 15 OCT

BOOKINGS: www.taztix.com OR Beverley CRC

PERFORMING ARTS

STATION ARTS EVENTS for the remainder of 2022

June 16: Thursday at 1.30pm - Exhibition of works by school children executed with artist-in-residence Kaitlyn Elsegood at the CRC

June 17: Friday at 6pm - Screening of *Regenerating Australia and Q&A* at the Town Hall

October 27: Thurs at 7pm - *Toni Galati the Musical*

November 5: Saturday at 7.30pm – *Tina Turner & The Commitments*

December 17: Saturday – *Community Christmas Party* featuring *Yuck Circus*

AMAZING duo Gina Williams and Guy Ghouse, and Jack Davies performed at the town hall on

Wednesday 4 May to an enthralled crowd of 40 people who came as far afield as Kellerberrin and Perth, such is the celebrity status of these performers. They captivated the audience with their different styles of storytelling and we were even privileged to have two of The Bush Chooks band join Jack Davis for a few numbers (pic below)

Gina Williams and Guy Ghouse (pictured above) enjoyed performing for us so much that following a visit to the Station they decided they would like to return when the warmer nights return later in the year and perform at the Platform Theatre - possibly November/early December. Watch this space!

COMING SOON!!

June 16, Thursday at 1.30pm at Beverley Community Resource Centre

END OF SEMESTER EXHIBITION

Beverley Station Arts presents, in partnership with the department of local government, sport and cultural industries, an exhibition of artworks by Beverley District High School students.

The students, lead by project artist Kaitlyn Elsegood from the BSA artist in residency programme, have created artworks based on the lesser-known history and life of Beverley. PLEASE JOIN US IN CELEBRATING THE CONCLUSION OF THE PROJECT; THE STUDENTS' ACHIEVEMENTS!

June 17, Friday at 6pm at the Beverley Town Hall

Regenerating Australia, the new short film from Damon Gameau and the team behind That Sugar Film is a hypothetical news report looking back at the decade 'that could be'. A decade that saw Australia transition to a fairer, cleaner, more community-focused economy. It is a new story for our nation: a story of empowerment.

This special event screening features a Q&A panel of guest speakers including Oral McGuie, Dianne & Ian Haggerty, Anthony James and Grant Revell with director Damon Gameau dialling in to join the discussion.

Community ideas can access the \$2m 'Innovate to Regenerate' solutions fund provided by Impact Seed & WWF-Australia, looking to scale up projects that deliver social, environmental and economic benefits to communities around Australia.

Bring your family & friends. And your ideas...

Tickets: <https://www.trybooking.com/BZTRC> | Adults: \$20 & kids under 18: free | Bar available, BYO nibbles

Sub Centre update and services

Our office is usually open on Tuesdays and Fridays from 9.00am - 2.00pm. However, there may be occasions when the office is unattended during these times. To assist you in knowing whether or not we are open, our St John banners are now always placed outside the front of the sub centre on John Street when we are open.

During these office hours we are able to assist you by processing your Benefit Fund Renewal, ordering First Aid Kits that you may require, along with assisting with any Ambulance Transport enquiries. For your convenience, Credit Card payments are now accepted at our office.

The sub centre contact details are:

Email: beverley.subcentre@stjohnwa.com.au

Phone: 9646 1408

First Aid Course

Recently we have had a number of enquiries regarding the holding of a First Aid Course at the sub centre. If you are keen to learn new skills or update your First Aid Skills, please let us know. We look forward to running the course when we have the required numbers.

ANZAC Day

Our volunteers appreciated the opportunity to be involved in this year's Anzac Day events. Along with laying a wreath at the morning service, we were able to march with local veterans.

Thank you for wearing your mask when you visit the sub centre.
This is a St John requirement and we appreciate your assistance in
keeping our volunteers safe.

**HEARTLANDS VETERINARY HOSPITAL
WESTERN AUSTRALIA
JOB VACANCY – VETERINARY NURSE**

Are you looking for a genuinely mixed practice that provides a very high level of care to its patients and offers best practice options?

At Heartlands Veterinary Hospital our goal is to treat everyone's animals as if they were our own. We are a close-knit team that works very well together when the going gets tough and are equally happy to sit down to morning tea or a drink after work on a Friday.

Heartlands Veterinary Hospital is looking for a Registered Veterinary Nurse who is dynamic, has great communication skills and is eager to learn.

We are ideally looking for a nurse with a minimum of one year's experience. All applicants encouraged to apply.

Nurses are expected to perform high-end nursing duties such as placing IV catheters, anaesthetic monitoring, blood collection, dental prophylaxis and other practical skills. There will be a mix of surgical nursing and reception duties. We have some of the best equipment to make the job easier including digital x-ray, Surgivet monitoring and an IM3 dental machine. We have just built a brand new state-of-the-art hospital in York with all the mod cons!

If you are interested in joining our team please email your resume to our Nursing Manager, Ms Carrie Jose (carrie@heartlandsvet.com.au)

Beverley Frail Aged Lodge

The Committee of the Alex Miles Lodge is developing its forward plans for the community owned and operated Lodge.

The Lodge is an important facility and service which provides a choice for those who want to age in place and remain in their local community.

To ensure it continues to offer care for our elderly members of the community the Committee would like your feedback on the priorities below over the next 5yrs.

PRIORITY 1: THE LODGE

Strategies

1. Develop and implement the **capital works plan** to guide and achieve Lodge improvements
2. **Improve resident rooms** in a planned manner
3. Continue to **fundraise and apply for grants** to upgrade the Lodge
4. Continue to **achieve compliance as an aged care facility**

PRIORITY 2: OUR PARTNERS

Strategies

1. **Work with WA Country Health** to ensure a local service is offered to residents
2. Continue to **work closely with the Beverley Hospital**
3. Continue to provide **regular updates to the Shire and jointly plan** to help achieve our goals

PRIORITY 3: ORGANISATION

Strategies

1. **Apply to become a charity** to receive tax deductible donations
2. **Meet regularly and communicate** our work to the residents, families, Shire and wider community

****YOUR FEEDBACK IS IMPORTANT TO US****

<p>FREE FACE MASKS</p> 	
	<p>FREE Covid-19 RAPID ANTIGEN TESTS</p> 
<p>Beverley Community Resource Centre</p> <p>BEVERLEY CORNERSTONE 141 VINCENT STREET, BEVERLEY</p> <p>CALL US FOR MORE INFO 9646 1600</p> <p>WE ARE NOW DISTRIBUTING FREE RAT'S AND MASKS TO BEVERLEY RESIDENTS</p> <p>WE WILL NEED YOUR IDENTIFICATION FOR COLLECTION</p> <p>UNTIL STOCK RUNS OUT</p> 	

Free RATs Tests & Masks

Thanks to the Government of Western Australia, the Beverley CRC is now able to provide free face masks and Covid-19 rapid antigen tests available for all households in the Beverley community.

Each household now has the ability to collect *additional* rapid antigen tests and masks from the roll out tests the government handed out.

We do ask that you bring your identification as we need proof of residency.

As we have been given limited stocks, we are providing each household with limited tests and masks to share with family members.

Junior netball, football and hockey have begun.

Our junior hockey team have had games every Saturday and even host a couple of home games.

7th May Beverley hosted York

21st May Beverley hosted Greybacks

Upcoming hockey home games:

18th June against York Redbacks

25th June against Thundersticks

In Junior football and netball.

30th April Beverley hosted Quairading

14th May Beverley hosted Cunderdin

Numbers at junior netball training have been very encouraging with more than enough for 2 teams. Whilst there is a large break between inter town games, it's important that the girls continue building their skills and fitness at training.

Provided Covid doesn't disturb our season too much Upcoming games:

Sunday 12th June

Watheroo Cup for yr7's (please note date change) at Watheroo

Sunday 19th June

Ferguson Shield for yr5's and under at Quairading

Saturday 25th June

Beverley against Cunderdin in Cunderdin

Sunday 26th June

Beverley Shield in Cunderdin

Saturday 2nd July

Beverley against Keller/Tammin in Beverley

Beverley Netball Club

It's fantastic to see our fast5 competition has seen the most teams playing this season with 6. This year sees the Redbacks girls join us for the first time and 4 Beverley teams which have a mix up our junior, senior players and some community members.

There is 1 more game before the top 2 play off for the grand final on true 1st June, but it's fair to say everyone has enjoyed themselves and great sportsmanship has been shown.

Our Junior and Senior teams playing in Northam have seen mixed results.

Juniors Results:

Round 1

Beverley 16 lost to Bakers Banshees 27

Round 2

Beverley 34 defeated Renegades Raptors 2

Round 3

Beverley 26 defeated Speedy Sharks 4

Well done to coach Cara Hammond for getting the girls up and running and due to some fixture clashes we've welcome Lydia Ugle as assistant Coach. The girls are playing really well and it is great to see some wins to reward their hard work.

Seniors results:

Round 1

Beverley 39 defeated Bakers Bandicoots 8

Round 2

Beverley 31 lost to Renegades 33

Round 3

Beverley 10 Covid Forfeit Sharktastic 10

This year we see all the seniors players back for another year of fun as well as the return of Laurc O'Meagher. The first round saw them have all 10 of their players for the first time in ages and proved to be just what was needed at the first game back. Second round saw Covid start the creep in and a couple of players out meant some fresh legs were lacking for a very close game Unfortunately Covid is creeping into the teams and hopefully it won't affect them for too much longer.

Round 4 and onwards fixtures are yet to be released.

Church of St John in the Wilderness, The Dale

Sunday, 5 th June	9.00 a.m.	Pentecost Sunday – Morning Prayer
------------------------------	-----------	-----------------------------------

Patronal Festivals associated with two of the Parish churches occur during the month of June, the **Birth of John the Baptist** with the Church of St John the Wilderness, The Dale, and the **Feast of St Peter and St Paul** with St Paul's Church, Edward's Crossing. Each of these dedications will be celebrated.

Founder's Day at The Hale School marks the admission of the first student to the school on 28th June, 1858. Services honouring the occasion and the life of the School, and to which Old Haleians, boarding families of The Hale School, and local parishioners are welcome, will take place at **St Faith's Church, Quairading, at 6.30 p.m. on Monday, 27th June and at St Mark's Church on Tuesday, 28th June.**

Sunday, 5th June marks the Christian **Feast of Pentecost** which is a celebration of the Coming of the Holy Spirit on the first Pentecost Day and thus the birth of the Church, when on the fiftieth day of Easter, God sends his Holy Spirit to empower the Church (Jesus' followers) to perform the mission which the risen Christ has entrusted to it and them. As such, the risen Lord is no longer present to the Church in the body of his flesh; the Church is now to be the new body of Christ, filled with his life through the gift of the Spirit.

John the Baptist was an itinerant preacher active in an area of the Jordan River in the early First century AD. He is mentioned by the Roman Jewish historian Josephus, and is revered as a major religious figure in Christianity, Islam, the Bahá'í Faith, the Druze Faith, and Mandaeism. He is considered a prophet of God by all of these faiths and is honoured as a saint in many Christian denominations. According to the New Testament, John anticipated a messianic figure greater than himself, and the Gospels portray John as the forerunner of Jesus. In the Church's calendar his birth to the Blessed Virgin Mary's cousin Elizabeth, and his beheading at the command of Herod Antipas are both commemorated. The dedication of **the Church of St John in the Wilderness, The Dale**, honours John the Baptist. A service to celebrate his birth will take place at St Mary's Church, Beverley, at 10.00 a.m. on Sunday, 26th June.

Founder's Day at The Hale School marks the admission of the first student to the school on 28th June, 1858. Services honouring the occasion and the life of the School, and to which Old Haleians, boarding families of The Hale School, and local parishioners are welcome, will take place at St Faith's Church, Quairading, at 6.30 p.m. on Monday, 27th June and at St Mark's Church on Tuesday, 28th June.

Shirts are:

Children \$20, adults \$40

Jackets are:

Children \$30, adults \$45

When choosing your garment sizes, the best idea is to find a garment you currently have in a size that is comfortable. Then measure the garment across the chest then refer to our size chart - just choose a size with the same measurement!

BEVERLEY REDBACKS HOCKEY CLUB

Junior Redbacks

We are very proud of the effort our inaugural junior Redbacks team has put into every game this month. Take a look at our facebook page for highlights and photos of their first few games.

Round 1

Redbacks (0) vs Chopperoos (5)

The junior Redbacks team played their first match against the Chopperoos in Northam and despite a 5 - nil loss they had a great day and left the field with smiles. They showed a lot of potential and growth over the course of a single game.

Round 3

Beverley (4) vs Thundersticks (0)

This was the first win for our juniors and a big congratulations to our goal scorers Heidi Mann and Jacob Petchell

Golden stick recipient for sportsmanship, positivity and effort: Jacob Petchell

Round 2

Beverley (0) vs York Redbacks (5)

This was our juniors first home game of the season.

Our first golden stick recipient for sportsmanship, positivity and effort went to Keenan.

Round 4

Beverley (0) vs York Greybacks (7)

Golden stick recipient for sportsmanship, positivity and effort: Abigail Bailey

Senior Redbacks

Round 1

Beverley (0) vs Drifters (0)

During warm ups it was announced that Kelly Mann had been voted team captain with Britt Hadlow as her Vice Captains. Both our offence and defence put up a hell of a fight and we took a few good shots on goal that unfortunately couldn't make it past the opposition back line. At full time we happily walked off with a Nil all draw. Not a bad start to a new season.

Coaches award- Ashton Edmonds

Captains award- Crystal Slade

Round 2

Redbacks (0) vs York scorchers (9)

We had our first home game this afternoon against the scorchers who really gave us a work out. They took many spectacular shots at goal and did not let up till the final whistle. Despite the disheartening score we felt we had all played a really good game. Many of the plays we have been practicing at trainings are starting to pay off on the field which is very exciting.

Coaches award - Bec Sims

Captains award - Britt Hadlow

Round 3

Beverley (0) vs Aces (1)

Another great game at Northam this afternoon. The team ran hard with only one sub and held their own for most of the day but Aces managed to slip one goal in towards the end of the game.

Coach's award - Penny Cann

Captains award - Kelly Arron

Players choice award - Jaime Williamson

Round 4

Beverley (0) vs York Strikers (2)

This was our strongest offensive game so far this year. We took several shots at goal in the final quarter but couldn't quite manage to score.

Coach's award - Kelly Mann

Captains award - Carly Veitch

Players choice award - Penny Cann

Save the date

July 23rd - predicted date for the Life membership ceremony in honour of Marg Mourach

St Mary's Church

RESTORATION APPEAL

UPDATE AND END OF FINANCIAL YEAR APPEAL

THANK YOU TO ALL WHO HAVE DONATED SO FAR

The St Mary's Restoration project continues to make steady progress, albeit at a slow pace. A donation was received specifically for the church lynch gate (the only one of its kind in WA). The restoration work of the gate has now been carried out by Lyndon & Cameron Grover and is looking magnificent. The gate is a memorial to church members that gave the full measure of devotion to their community, laying down their life defending the freedoms we enjoy today as Australian citizens.

To date, restoration funds stand at \$94,059, consisting of \$28,009 historical savings, \$39,477 received into the National Trust account and a recent State Heritage Grant of \$26,573. Total project costs to restore the building structure (excluding the stain glass windows) stand at \$139,324 based on quotes received to date.

We are now aiming for a further \$60,000 to ensure Beverley's iconic landmark on the highway will remain standing for the next 100-years. Earth and pipe works to improve the drainage of the building has already commenced by local landscape designer James Rodereda.

New Appeal Target \$60,000 (Tax Deductible)

Please note, all funds for the restoration project which are deposited into the National Trust account can only ever be used for the paying of bills for the work on the restoration project. Any funds raised are literally "held in trust" for restoration purposes only.

Three ways to make a TAX DEDUCTABLE donation : THANK YOU

- **Go to home page on our web site, click on DONATE to pay by credit card.**
 - **Make a cheque out to "The National Trust of Australia (WA)" and send to St Mary's Restoration Appeal PO Box 292 Beverley WA 6304.**
 - **Direct EFT payment to National Trust account Bankwest BSB : 306 089**
- Account number : 4189329 Enter #190107 as Reference.**

European wasp season draws to a close

The European wasp 2021-22 season draws to a close with 52 nests found and destroyed.

The optimum time to detect and locate European wasps (*Vespula germanica*) has passed. Traps are being brought in for cleaning and now is the time to reflect on another fruitful surveillance season. It is also time to say thank you to everyone across WA who kept an eye out and reported!

How did we go?

Nest numbers were higher than last season; 52 compared to 14. Nest distribution indicates multiple areas of incursion across Perth, predominantly in, or around industrial areas – which is typical of this hitchhiking pest. The nests detected did not show signs of 'overwintering', which means they were created this season and is a promising indication that nests were not missed during last season's surveillance activities. YAY! Public awareness and reporting remained strong. Residents, businesses, and local government all detected wasp activity in good time, allowing for nests to be found and trapping areas expanded where required. And finally, there were no signs or reports of wasp activity at the close of the season!

Season highlights:

- 3,000+ surveillance traps deployed
- 174 new traps adopted by the community
- 400+ public enquiries, with 12 confirmed detections
- 52 nests found and destroyed, with nests found across 11 Local Government Areas incorporating 24 suburbs - all in the Perth metropolitan region.

Reporting highlights:

- wasps visiting bird baths were spotted in Jandakot and Swanbourne
- wasps feeding on watermelon at a restaurant in Bibra Lake and pet food in Ascot
- an uninvited wasp visitor to a lunchroom in Gnangara
- a nest detection at a Middle Swan winery

The surveillance season runs December to May but reports of suspect wasp activity can be made year-round. For more information about the eradication program, how to identify wasps or how you can help further, see agric.wa.gov.au/wasps or contact our Pest and Disease Information Service.

Beverley Horse and Pony Club

Who's been out and about

Congratulations! Our club is extremely proud to announce that we have multiple riders representing our club on State High Performance and Development Squads. **High Performance Showjumping Squad:** Trinity Matthews. **High Performance Eventing Squad:** Carly Ballantyne **High Performance Tetrathlon Squad:** Carly & Mac Ballantyne and Emily & Jessica Maxwell **High Performance Active Riding Squad:** Tealah Hawke and Carly Ballantyne **Development Active Riding Squad:** Mac Ballantyne and Emily Maxwell.

Avon Zone Two Day Event: hosted by Avon Valley SJPC at Northam on the 7th & 8th May. This year we had a wide range of representation from our club across all the grades. Carly Ballantyne, riding Jazz, placed 1st and Emily Maxwell, riding Paddy, came 3rd in the 95cm class and both went clear in SJ & XC! Jessica Maxwell, riding Eddie, was doing really well in the 80cm class, until XC, where they were eliminated. Jess Martin, riding Larry, also had a great weekend and placed 6th in the 65cm. Tealah Hawke, riding Lizzy, did really well in the 45cm up until XC where they were also eliminated. Ruth Elsegood, riding Pearl, also did well in the 45cm, placing 6th and looked great out on course. Emily & Carly placed 1st in the 95cm zone team!!

3rd & 4th Rallies: As April 20th is a busy month, the club held two rallies in May instead, one on the 1st and the other on the 15th. The first rally was well attended with four groups busy all day and the older riders worked on their pace and control during crosscountry training, ready for our Avon Zone Two Day Event in May. The second rally was much quieter with a dedicated team of riders who had a great time learning and refining their games riding skills in the afternoon.

CWA York May Musings by Dawn Ainsworth

During York Heritage weekend, a very successful opening of the CWA cottage was held, with family heritage items on display, scones for sale and rides in a 1910 IHC High Wheeler for a donation. Lots of shared memories for those who visited the cottage.

A Craft morning for members was held at the cottage. This was followed by a fundraising walk for the Associated Country Women of the World. This finished at The Old York Mill where we had lunch at Gather café. This was a great social outing for a very good cause.

The Mother's Day Cake Stall, Clothing, Plants and Op shop was another excellent fund-raising event. Members contributed in many different ways to add to the success of the day. Deb Needle and Anya Moore provided aprons and beautiful home-made items for sale. Betty Draper provided "Lucky note" raffles, the funds raised from these will go to the Eastern States flood appeal. Karen and Peter Newman provided a large number of Frangipanni cuttings to be sold. A relaxed Thank You lunch was provided for the helpers on the day.

Nine members attended a Friendship Day in Jennacubbine and had a most enjoyable time, socialising and meeting up with other CWA members.

CWA York welcomed new members Robyn O'Brien, Deb Needle and Anya Moore, with the presentation of their badges at the May meeting.

Glenys Krieg reported on her visit to Lismore and the devastation of the community so badly affected by the floods. Anne Nicholson and her Balladong knitters are sending some beanies and scarves to Bangalow in NSW, which will be given to families who are impacted by the floods.

CWA York continues being a very active group for the York community and beyond. During the July school holiday, we are looking forward to again combining with York CRC, for an activity morning with school children.

Robyn O, Jean W, Karen, Deb N, Annette H, Jean A,

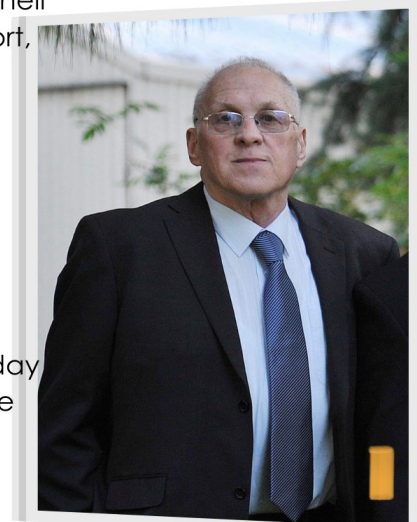

Funeral Notice

Hubert Ivan Petchell, Aged 74 years, born in Beverley W.A. has passed away in the early hours of 30th April in Padstow Heights NSW. Hubert Petchell grew up on a wheat and cattle farm and enlisted in the Army at the age of 16 & ½.

Hubert served for 7.5 years in the Australian Army and achieved the rank of Sergeant. Sergeant H.I. Petchell's service included deployment to Vietnam from 1967-1968 and he was awarded the The Australian Active Service Medal, The Vietnam Medal, The Australian Defence Medal and the Vietnam Campaign Medal. Following his discharge from the Army Hubert Petchell joined Thomas Nationwide Transport (TNT) later merged to Toll Transport, where he became the National I.T. Manager and maintained employment for 45 years before retiring at 67.

Hubert is survived by his 5 children, Frances, Patrick, Sarah, Sean and Christopher and 10 grandchildren Benjamin, Gabriella, Thomas, Anastasia, Samantha, Sebastian, Laurence, Aurora, Lyla and Julian and 2 step-grandchildren Anthony and Loana.

The funeral service was held at South Chapel, Sutherland, NSW on Friday 13th May. Condolences can be sent to Hubert's brother Mark and wife Glenys at 52 Smith Street, Beverley W.A. 6304 or you can email thepetchellfamily@outlook.com

For more information, contact Val Tylor 0428 601 416

Proceeds go to the Beverley Junior Sports

Located behind the Beverley Medical
Practice Cullen House
106 Forrest Street Beverley

Open **TUESDAYS, WEDNESDAYS &
THURSDAYS**

8am – 1pm

Closed Mon, Fri & Weekends

All enquiries to Phlebotomist - Di
Phone: 9646 0724

*Please note that Western Diagnostic
Pathology will accept all pathology collection
forms.*

Beverley

TREE & GARDEN SOCIETY

Beverley Garden & Tree Society

Hopefully last month's item on rose care was useful and we will see many more beautiful roses at the annual Beverley Rose and Quilt show in October. Please consider entering even if you have never done so before.

The May meeting of the Garden and Tree Society was replaced by a visit to Busy Bush Bees in Westdale where Anna and Joe made us very welcome. We were treated to a most interesting and informative morning which covered everything from the hives to the finished product in the jars. Thank you very much Anna and Joe.

The June meeting will be replaced by trip to the Perth Zoo to view their gardens on Tuesday the 7th. The bus will be leaving the Dead Finish at 9am. Cost of entry to the zoo is \$27.00 concession and the bus will be paid for by the club. Buying lunch is optional, you may prefer to bring your own. Seats are limited so please book early by ringing Dorothy on 0429 989 031.

Ok, it's official, winter is upon us. And while it may seem easier to curl up on the couch with a cup of tea and a good book, it is the perfect time to get amongst it in the patch! There is a sense of hibernation for a lot of us but wherever you are in this nation it's time to don the boots and get to it.

- It is a great time to plant in the temperate zones, so pop in some Brussels sprouts, cabbage, cauliflower and broccoli. Peas and beans can also go in, as well as radish, turnips, Swedes and spinach.
- It's time to get happy with herbs, so try some chamomile and lemon grass. You could give mint and lemon balm a go as well, but be careful to contain them as they can take over.
- Why not try some lovely flowering stuff in your patch as well, like: cornflower, calendula, dianthus, pansies, viola, snapdragons, stock, ageratum and marigolds. These guys are great at attracting pollinators and beneficial insects to your patch, and they look great as well.
- You should start seeing bare rooted fruit and deciduous trees starting to appear in your local nursery. This is the cheapest and easiest way to purchase. The stress is less for the tree as it is dormant. Pick trees with a nice shape, and don't forget to prune them back before you plant them out (best thing to do is ask the local nursery to do it for you). Remember to make sure you have the correct pollinators to ensure a good crop. Some stone fruit trees will not fruit until they have been in the ground for a few years. So be patient.
- Top up mulch on your veggie patches, herb gardens and ornamental beds, especially important for weed suppression at this time of year. A hot tip is to mulch after watering the patch, to a depth of about 7cm. Keep mulch clear of plant stems, especially young seedlings. Choose low environmental impact mulch, one that will enrich your soil as it breaks down.
- Plants feel the need for a feed at this time of year. A seaweed tea or low environmental impact liquid fertiliser is perfect, especially for the seedlings planted this month. Apply to the soil early in the morning, and in the concentrations mentioned on the packet.
- Weeding is still needed at this time of year. Most plant growth has slowed down, so it will not have to happen as often. But it also means that it is also a time of year to try and remove as many competitors as possible before the weather starts warming up again.
- Water smarter at this time of year. Water first thing in the morning, and instead of a quick irrigation, a nice, deep drink a couple of times a week is far more beneficial! Always check soil moisture before watering, don't waste your precious drinking water if Mother Nature has already done all the hard work for you!

EVENTS 2022
