### Beverley and Districts Agricultural Show

Saturday 20<sup>th</sup> August saw the 145<sup>th</sup> Annual Show at the Oval. The weather proved to be very kind after a couple of weeks of weather that could only make our farmers happy. Certainly not the contractors on Vincent Street. It is estimated that another good crowd of about 2,500 people presented throughout the day testimony to the organisation of the Committee.

On a personnel note, the Show Committee made Life Membership awards to both Mr. Brian and Mrs. Lorraine Sims for the many years of dedicated service to the Committee. For the occasion, they both participated in officially opening the Show.

On behalf of the Shire and community our congratulations and thanks to the President, Mr. Mick Martin, and all the members of the Committee for their dedicated work throughout the year to present this event.

### Vincent Street Streetscape Project

The priority is to have a presentable street for the '*Spring Back to Beverley*' event on 24<sup>th</sup> to 26<sup>th</sup> September. Significant rain over a couple of weeks in August saw many delays. Landscapers endeavouring to plant trees where rice might have been better suited. The wombat crossings on the south side of the street had to be abandoned just before the Show as paving became too difficult.

Nevertheless, with a run of fine weather the aim to have the street ready for the 24<sup>th</sup> should be achieved. Wombat crossings to be completed, furniture installed, landscaping to be completed and the final hot-mix sealing of the street. Unfortunately, a minor hiccup occurred to a couple of the wombat crossings after the south side of the street was opened.

### Astrotourism Ballardong Planisphere Launch.

With Stephen Gollan and Jacinta Murray, we attended the launch of the Astrotourism Planisphere project at the Recreation Building on Friday 29<sup>th</sup> July. The Shire had made a contribution of \$7,000 towards this project. The aim of it was to combine the aboriginal stories of the stars with practical observation.

The event was aimed mainly at the school children and they were a large number present. They had the opportunity of observing the night sky through two telescopes and learning about the various constellations.

### Bushtucker Launch Avondale

The Yoordaniinj-bah Bush Food Report Launch was conducted at Avondale on Thursday 18<sup>th</sup> August. With about 200 invited guests in attendance the Noongar Land Enterprise led by newly appointed CEO Alan Beattie, and Chairman Oral McGuire, outlined the aims of the organisation in wanting to develop a commercial enterprise around bush tucker. The hope is to enter a lease agreement with the National Trust for Avondale.

### Central Country Zone Conference

Beverley was the host Shire for the Central Country Zone Conference comprising 15 Local Governments in the central wheatbelt on Friday 26<sup>th</sup> August. With attendance of over 50 people, we were able to present the achievements of Beverley over the past 12 years. The Vincent Street redevelopment was of particular interest to many who are contemplating how to improve their main streets.

# Thankyou

A big thank you for the help from the members of Beverley Men's Shed, especially Ted, Peter and Rudi from the August Artists in Residence at Station Art Centre, Sheila Monahan, Tich Dixon and Guest Artist Cynda Emsall.

We were extremely grateful for all the assistance from the Men's Shed members. A big thank you to Ted from Tich Dixon for his help and to the other members for the donation of wood off-cuts for Sheila's workshops and the frames which will be put to good use by the Art Centre and artists. The assistance, support and warm welcome we received from the Men's Shed and other members of the Beverley community was heart warming.

We would also like to Thank the volunteers at the Station Art Centre, especially Jenny, Mary Lou, Ashton and the other members of the committee for the opportunities given to artists to reside and work in this amazing gallery/studio space. This has been an invaluable experience for us to work together and collaborate, experiment and create, sparking mutual interest and providing an area for artistic dialogue and response. The workshops have given us the opportunity to get to know the locals a little and truly appreciate the community spirit and warmth of this beautiful town. A big thank you to Avon Trading for providing us with very welcome wood off-cuts for workshops and Kelly who kindly gave us eggs.

Our stay here has been enhanced by the wonderful acceptance and help from the community members which has ensured that this experience was truly memorable.

# Station News

The Station Garden is available for public use at any time; just open the gates and enjoy!

**COVID-19 UPDATE:**

Proof of Vaccination must be available if asked to be shown on entry to the Station Gallery and indoor stage areas.

Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

**Artists-in-Residence at the Station**

**Artists-in-Residence for August** were Tich Dixon, Sheila Monahan and Cynda Empsall till 9 August – see pic below of them showing some of the artworks they created whilst at the Station.

Then mid-August we welcomed back Stephanie Boyle who stayed till the end of the month. During her first few days three other watercolour artists joined her – Debbie Ey, Julie McCormack and Cass Gartner – that’s them below, hard at work painting.

Only one person took up the offer to have their portrait painted – can you see who it was? Nicely executed Cass Gartner!

And then Cass very kindly offered to help paint the 1870s characters onto the photo booths made by the Men’s Shed for the Spring Back to Beverley weekend. See pic left.

Stephanie Boyle was also very generous with her time by judging the art section at the Ag Show on Saturday (congrats to winner Marylou) then the following day Stephanie demonstrated her style of abstract art with watercolours at the Station Gallery. See pics below.

**Artists-in-Residence for the remainder of 2022**

- SEPT: 1-29 Thelma Cluning, Carol Patch, Jean Ross
- OCT: 1-16 Trish Davis / OCT 17-23 Natalie Blom
- NOV: John Kaye
- DEC: 1-14 Adrianna Wasinska-fabian
- DEC 15-31 Kelsey Diamond

**Artists-in-Residence for all of September** are Thelma Cluning, Carole Patch and Jean Ross who have generously offered their creative skills to help us celebrate the *Spring Back to Beverley* weekend. Carole and Jean are mosaic specialists and are asking for community participation by accepting items that have a Beverley history that can be mounted onto the 1x1m chair they have built. After being placed in situ at the Station, the artists will be mosaicking the chair in the *Beverley 6304* theme. If the donated items not suitable to be placed on the chair they will be included in a wall hanging. During the first 2 weeks of their residence Carole and Jean will be interacting with public. The 3rd week they will be grouting, and finishing off the chair in week 4. All in all, a very exciting project and a lasting memento of Beverley's past.

**Beverley 6304** will be held in the Station Arts Gallery and on the Station Platform, with talented local artists and quilters adding a sensational artistic accompaniment to the *Spring Back to Beverley* celebration weekend. Hosted by AiR participant Thelma Cluning, in conjunction with the community mosaic project by Carole Patch and Jean Ross, these events will immerse visitors and locals alike, in a purposeful and colourful artistic extravaganza!

**BSA Personal Dev as Presenters of Performing Arts**

Dynamic BSA Arts Administrator Ashton Edmonds and BSA Chair Jenny Broun were recently among 200 others who attended the week-long State's performing arts conference *WA Showcase* at the Subiaco arts Centre. The networking with producers and presenters alike was invaluable as always, but this year in particular we came to realise that we are not alone in our declining audiences due to the Covid factor. There were many shows pitched for us to consider booking for 2023 and beyond, but to make it viable we must somehow encourage you all past patrons to dismiss the home screens and get back to gaining the benefits of live theatre!

Among other topics, arts role in our mental health was a key part of the WA Showcase, as well as First Nations Focus, and promoting access and inclusion (see below pic of CircuitWest EO Sam Lynch interviewing a panel of arts workers with disabilities).

**BeSASS (Beverley Station ArtS Singers)**

We have been slow getting the choir started because of the dreaded Covid being rife in Beverley and several choir members having the misfortune to contract it, including Musical Director Mark Kont! But the last couple of weeks have seen people return to the throng and have been practicing songs with a train theme for the Choir Muster on September 3. One of the songs will be in unison with the Beverley School Choir. The choir meets **every week on Wednesdays 6.30 – 8.30pm** in the Green Room of the Platform Theatre. Anyone wishing to join Station ArtS Singers please contact Sarah Miller who coordinates the group - Ph: 0427464078. All we ask is that you become a member of Beverley Station Arts by the third week of attending.

## **COMING SOON !!**

**to the PLATFORM THEATRE (Not the Town Hall as some posters state – ie, unless the weather is inclement)**

Tony Galati The Musical is a fast-paced, heart-warming one-act musical comedy performed by five live singing actors, as well as live musicians onstage. Together, they move seamlessly back-and-forth through spoken dialogue and sung numbers, singing both lyrical ballads as well as dynamic up-tempo showstoppers. A hilarious and inspirational tale of WA's favourite battler, this heart-warming toe-tapper features snappy songs, a singing potato, and more WA jokes than you can poke a spud at. A crowd-pleaser for the ages that sold out two seasons at Fringe World. You say potato, I say revolution! ★★★★★½ The West Australian

## ABOUT TONY GALATI: THE MUSICAL

Tony Galati the Musical is a popular, accessible and entertaining local story with a quality script and score that has entertained over 6,000 people in Perth. It's a clever and heart-warming ode to WA's favourite underdog. It's a story inspired by the true story of Tony Galati – the retailer, farmer and immigrant who won the hearts of West Australians by fighting against corporate overlords so that every family could have access to healthy vegetables. It's a unique WA story of fighting for fairness and family. A love letter to WA. Tony's father, Francesco, moved from Italy to busy Perth in the 60s, looking for a better life for his family. Across decades, Tony's father, and then Tony, are curtailed by the nefarious (and fictional) Russet Burbank of the (100% real) Potato Marketing Board. Will Tony ever fit in?

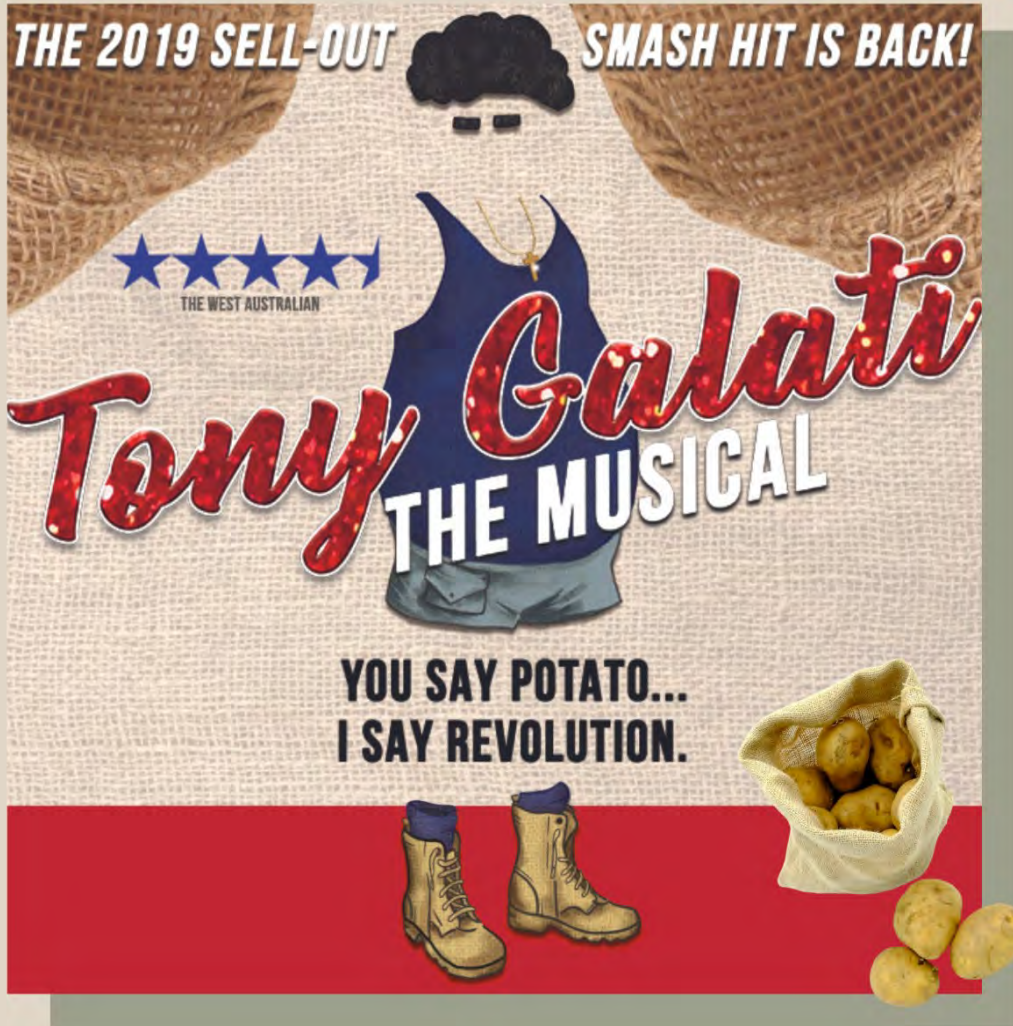

Inspired by a show-stealing singing-and-dancing Potato, Tony doubles down on his vision and creates Spudshed, feeding working class families fresh vegetables – much to the ire of Russet and the Board, who threaten him with jail. Losing hope, Tony is visited by the ghost of his father channelled through our singing Potato. The potato inspires him with the story of how she, as a rugged little vegetable, found a way into the world's hearts. The people of WA also unite behind him – he'll always be their Spud King. Tony decides to fight the Board. Eventually Spudshed is saved and the Board disbanded. Tony has given the people of Perth an affordable way to stay healthy, the farmers a million-dollar settlement, and honoured his father's memory. The show is an accessible and entertaining musical about a local WA icon famous across the state.

# Thank You

The Beverley Ag Society would like to thank absolutely everyone who was involved in the 2022 Show on August 20th. From the Volunteers who helped set up, who provided food, who travelled distances to collect things, who helped run the day, the bar, the office, to our very muchly appreciated sponsors who support us year in year out, to the stall holders/exhibitors and the attendees, the committee, the people who entered livestock or exhibition shed entries, and the volunteers who helped pack everything away on Sunday - our show would not happen without each and every one of you; so from the bottom of the Ag Societies heart, thank you and we hope you had a wonderful day.

## THANK YOU

*Margaret Barrett-Lennard  
1962 - 2022*

We would sincerely like to thank all those who attended Marg's funeral, the Dale ladies for their hospitality and to the Beverley community for their support, cards, messages and phone calls during this time. Your kindness has been greatly appreciated.

The Barrett-Lennard Family.

*Proudly Held by Beverley Tree and Garden Society and Beverley Community Markets*

The Beverley CRC have been busy out & about in the community running workshops. Our team have worked hard in creating new and engaging workshops and clubs for the community. Below are just a few of the events we've had on in the last month.

## BIRD HOUSE WORKSHOP

The CRC held an event to decorate and learn a bit about bird houses. Unfortunately for us, the weather wouldn't hold off so we could hold this event at the community garden, and we moved the event to the Beverley CRC. We had a great time seeing everyone's artwork and designs. Thank you to everyone who came and participated, we hope you had a great time. We would also like to say a huge thank you to the Mens Shed for building these amazing wooden bird houses.

## PLATE SMASH AND WOOD BURNING WORKSHOP

Thanks to Jaime at the CRC, we have been able to hold 2 of our latest events – Feel Good Plate Smash and the Wood Burning workshop. The funding for these workshops is from the Wheatbelt Suicide Prevention Project – WSPP and Holyoake. We have plenty of other workshops coming up so look out for those and don't forget to RSVP! The Beverley CRC will also be accepting donations for Lifeline throughout this funding project.

### Feel Good Plate Smash

This month we had our first event for the Wheatbelt Suicide Prevention Project Funding. We would like to say a big thank you to everyone who came to participate in smashing some plates at the Ram Shed.

### Wood Burning Workshop

We also had our Wood Burning Workshop, helping our community embrace their creative side and learn a new hobby you can do at home. Thanks to everyone for the good night, we hope we inspired you to start this as a new hobby!

## ITS THAT TIME OF THE YEAR

That time of the year where our community gets ready for a long few months of hard work. over the last few months we provided the following events: Process Worx HR Safety Talk, Busselton Advanced Driving Training and the HV Pilot License Refresher for our community.

### ProcessWorx HR safety Talk

We had the pleasure of having Danielle McNamee from ProcessWorx coming out to Beverley to chat about the best HR tips for farmers, having a safety management system and changes in the Work Health and Safety Legislations. Thank you to everyone who came for the free event and thank you to Danielle and her team for this presentation.

### Busselton Advanced Driving Training

The CRC was able to work with Busselton Truck Driving to facilitate HR and MC License Training within our community. It was great to see some friendly faces out in the trucks. Congratulations to everyone who received their license.

### HV Pilot License Refresher

The first was held on the 08 August but, if you missed that course not to worry, we have another coming up on Wednesday the 21 of September. ## WE WANT YOU TO JOIN OUR CLUB

**The Junior Book Club** will be starting in September, and will run monthly. The club will encourage junior readers to read and discuss the books that they have read and express their opinions, likes and dislikes. It will be a great opportunity for students to gain a life-long passion for reading.

**True Crime Club** is a club for teenagers where like-minded individuals can come together and discuss different aspects of each case, providing their differing view points to the group. We are hoping to commence this club in September. If you are interested in this club, we are now taking expressions of interest at the Beverley CRC.

## Beverley Show Exhibition Shed Displays

Another successful Beverley Agricultural Show has been and gone, the lead up to “Show Day” is always a rush of excitement for students and staff as they plan and prepare their class murals. This year saw a mix of artwork developed in Semester One with the Artist in Residence; Kaitlyn Elsegood, as well as murals dedicated to the theme “A Look Back in Time”. The collaborative partnership our school has with the Agricultural Society is highly valued and we congratulate the committee on marvellous day!

## Beverley District High School – Choir

It's been so wonderful to provide the students at Beverley DHS the opportunity to participate in Choir this year. Choir is open to all students in Year 3-10 who maintain their 'Good Standing'. After a few sessions of attendance, students were asked to maintain a commitment for the remainder of the year. This ensures the quality of our performances and minimises the interruption of inconsistent students being out of the classroom.

Term One saw the Choir getting used to singing together and they began rehearsing for the ANZAC day assembly where they performed 'Travelin Soldier'. The students sang beautifully, and the performance was well received.

Term Two saw some interruptions with COVID restrictions and various staff and students away. Guildford Grammar visited us in Term Two and Choir students had the chance to perform with the GGS Motown Band. They sang and danced the "Nutbush" which was a lot of fun.

Term Three sees us back into the swing of things with new pieces being learned. We will be performing at the Beverley Station Arts Voice Moves Choir Muster on 3<sup>rd</sup> September. *Melissa Blechynden Music Teacher*

## BEVERLEY HISTORICAL SOCIETY

What a glorious day we had for the Beverley Agricultural Show, lovely weather, big crowd, and great fireworks. Thanks to Morag Whitney and Mark Petchell for transporting our display board down to the Show ground on Thursday and returned on Saturday.

We are all working hard collecting information for the Spring Back to Beverley weekend 24th/25th September so please come and have a look at the displays at the Museum on both days and at the Town Hall. Lots of hard work has been put in by our volunteers.

Once again, we are appealing to the community if anyone has any dress making mannequins that we could borrow for the Spring back to Beverley weekend would be very much appreciated.

Next meeting is Monday 10th September at 1.30p.m. followed by afternoon tea.

New members are most welcomed.

*The smallest act of kindness is worth more than the grandest of intentions.*

### Beverley Visitor Centre Ambassadors

VC Ambassadors are volunteers who currently open the visitor centre on Saturdays 10am-3pm. Sometimes it is quiet, other days there is a steady stream of people calling as evidenced by a recent volunteers' report ...

*"Around 40 visitors, young and older, came into the VC on Saturday 9<sup>th</sup> July, school holidays no doubt increasing the numbers (compared to no visitors last time I was on). Over the weekend some were staying at the Avondale farm rentals, some in the caravan park cabins and B&B, a caravan club at the caravan park, others calling in on the way back to Perth. A Katanning couple on a country weekend away, new Beverley property owners learning about Beverley, a prospective property purchaser, a few who had previously driven past Beverley but never actually called in, a family group from Albany bringing their parents back to Beverley who left 42 years ago ... the day was steady and there was much interest in the Vincent street redevelopment and compliments about the town and friendly community"*

If you are interested in joining the team and can work independently, have basic computer skills, enjoy conversing with others and could spare a day every month or so please contact:-

# Beverley Ag Museum

Despite the cold damp weather eight of our volunteers turned out for our maintenance day held on the August 13, a week earlier than usual with many having other commitments at the Beverley Ag Show on the 20<sup>th</sup>.

Bill (who drives up from Perth) had not only fixed (re threaded the housing) the fuel filter for the Field Marshall Tractor but also remanufactured the Bedford Water Pump given the problems surrounding obtaining a new one, a big thank you from everyone for your efforts.

Additional knowledge was sort with Ralph Shilling joining the group to try and get the Field Marshall to start, he, Kevin, Bill and Eric put everything back together again and gave it several tries using the hammer method but alas after much head scratching further investigations will be carried out in the future.

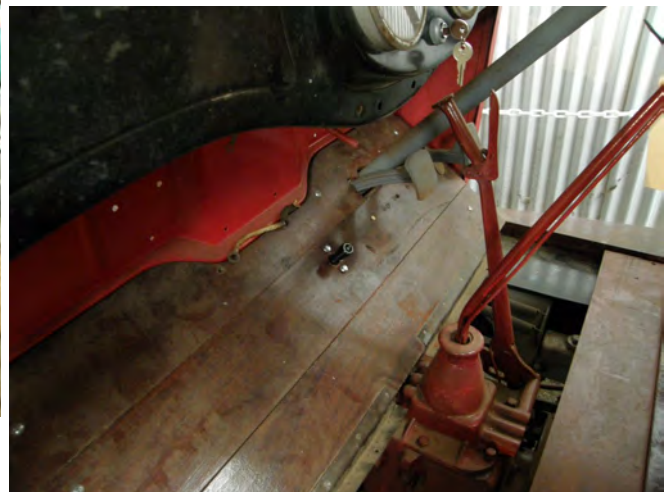

Both Bob and Paul have been professionally approaching the restoration of the C30 International Truck kindly donated by the 'Matthews' family in 1997, but with closures, and a general lack of volunteers it has taken a while to get to where we are today, and with a smartly painted new battery box, electrical wiring, ignition and starter switch (on the floor) the engine was gently turned over after the removal of the spark plugs and a drop (or 3) of oil to each piston. There is plenty more still to be done before she is seen driving over the 'Wombat Crossings' in town, and hopefully this pair of avid enthusiasts will be with us for the long haul, and not getting ahead of myself but there is a nice-looking Thorneycroft in the collection if anyone is interested in restoring her?

John Hawke and I assigned ourselves to tyre pumping duties, old valves, water in the rear tyres and bending over are not a good combination, so it was a relief when, Robyn, Pete and their dog came in for a chat of all things National Trust and Museum opening times.

A family of 4 staying at the NT Holiday Cottages came in and were deeply impressed by The Beverley Communities collection, the two girls enjoyed posing for photos inside the cabins of many of the Trucks including the Ford Model T.

On Show Day (20<sup>th</sup>) there were 7 visitors to the Museum including 3 ladies staying at the NT Cottages and two couples on their way into town for the show, all appeared to enjoy the exhibits and seemed impressed by my short (I am known to do extended versions of most subjects as well) narrated history of the collection.

If you are interested in joining our group (especially if you have personal experiences with a Field Marshall Tractor) feel free to contact John Alexander on 9646 0768 for meeting times.

# BEVERLEY REDBACKS HOCKEY CLUB

Time to wrap up another year of FUNtastic hockey for both the Redback teams now that we have played our final games for the 2022 season. Both teams played a final Friday night game in York on the 19th of August and despite the cold both teams decided to end the season with a bang. With our games scheduled back to back we had the opportunity to watch and cheer on our junior team as they played the final game of their inaugural season and we could not be more proud of the progress that they have made.

Unfortunately, with both teams finishing out the season at the bottom of our respective ladders we won't have the opportunity to compete in the finals this year. However, there will be one final chance to watch both teams play at 10am on the 3rd of September at the juniors AGM and windup where we will be holding our first Junior/Senior scratch match. We will be mixing up the Junior and Senior teams and playing quick East vs West game as a fun way to wrap up a season as a united club.

Also for the first time, the Senior team will be holding its windup along side the Beverley Football and Netball club at the Winter sports awards night on the 17th of September.

## Junior Redbacks

### Round 16

## Senior Redbacks

The senior Redbacks had a difficult season but as always we never let the odds get in the way of having a great game. Our final game of the season was well fought against the strikers who kept us on our toe the whole game. Despite losing to the strikers who managed to get two goals, Beverley had the last laugh, scoring a final goal in a post siren short corner. We may not have won the game but we certainly celebrated like we did!

## *Celebrating the Life Membership of Marg Mourach*

Thank-you to everyone who attended the Life Membership ceremony in celebration of our beloved Marg Mourach. Life membership is the highest award available to recognise the exceptional contributions and service of a individual in any club. Marg has more than earned the honour of life membership from the Beverley Woman's hockey club. She has been active in the WA hockey community since before anyone can remember, sometime around 1957. She was a member of the original Beverley hockey team and is an active and valued member of the current team. She has given her blood, sweat and razor sharp attitude to this club and it is a privilege to play along side her.

At the 2021 Beverley Hockey AGM the committee nominated Marg as a candidate for life membership and the nomination was passed unanimously by team vote. On the evening of July 23rd this year the Committee hosted a celebration in honour of Marg to officially present her life membership award. We scheduled the celebration to follow one of our home hockey games so we could use the opportunity to debut our new indigenous team shirts in Marg's honour. These shirts were designed by the local Ugle and Henry families for the Beverley winter sports teams and we will be wearing them in the future for all our indigenous rounds.

After a very wet but memorable game of hockey the team moved into the amenities building for a pot luck style dinner and formal presentations. The event was attended by many of Marg's old friends and team mates and it was incredible to see these women reunite and reminisce after so many years. Carly Veitch presented a beautiful and well researched history of Marg's extensive hockey carrier and a few words were also shared by some of Marg's old friends before committee president Dani Whyte officially awarded Marg her life membership badge, along with a number of other gifts from the club including a framed team shirt bearing Marg's' team number (22).

A few words from Margie:

She has loved the joy of playing hockey and meeting up with friends. Hockey keeps her young and fit. A great team is where you have fun with your team mates and enjoy the game. A great player is the ability to play anywhere on the field, and someone who listens to their team and coach. And her advice to the current players – listen to your teammates and encourage them.

## Help protect our trees

**Tree pests to watch for:** Myrtle rust (left and far right) was found in a remote area of the East Kimberley in 2022; the brown marmorated stink bug could arrive in Australia via cargo; mango shoot looper (third from left) is present in northern Australia but has not been found in Western Australia. ### Blitz on tree pests and diseases

The Department of Primary Industries and Regional Development's (DPIRD's) Biosecurity Blitz is back in 2022, with a special focus on reporting tree pests and diseases.

The TREEmendous Biosecurity Blitz aims to protect Western Australia's trees from an increasing number of exotic threats, such as the recent incursions of polyphagous shot-hole borer and myrtle rust.

Whether you work in forestry or horticulture, like to bushwalk, have trees in your backyard, in the local park or on your street, you can help protect our trees into the future by checking them for pests and diseases and reporting any you find during the Blitz.

### Every report helps!

Every report helps to increase the likelihood that serious pests and diseases will be detected early, providing the best opportunity to eradicate or contain them.

If your report turns out to be a common pest, that data is used to support WA's export trade.

### 30 days to look – snap – report

This year the TREEmendous Biosecurity Blitz runs from 24 September to 24 October 2022 – that's 30 days to look for, take a photo and send in a report of every tree pest and disease in your local area.

To participate in the Blitz:

- Register at [agric.wa.gov.au/biosecurity-blitz](http://agric.wa.gov.au/biosecurity-blitz).
- Download the free [MyPestGuide® Reporter app](#).
- Check trees in your backyard, property, local area or nearby bushland for pests and diseases.
- Take photos of any pests or disease signs you find and note the tree species or common name.
- Report using the app or online at [mypestguide.agric.wa.gov.au](http://mypestguide.agric.wa.gov.au).

*Every report gets a response – let's see what's in that tree!* You will also receive a weekly email with pest identification and tree health tips, information on priority tree pests, activities, and invitations to webinars and workshops.

# Talk to a Mate®

BY THE REGIONAL MEN'S HEALTH INITIATIVE  
September 2022

The message we give in everything we do is ... *before it all gets too much... Talk to a Mate®!!* As human beings we are fundamentally social in nature, staying connected and feeling valued for who we are is of primary importance to us. Talking to other people about issues in our lives or telling our stories helps us to normalise our experiences and realise we are not alone in having them. As blokes we tend to retreat into ourselves when things are turning pear shaped (cave time), much to the frustration of most women. This is the normal way men tend to start processing their problems.

Metaphorically stepping into the cave can be helpful to get a handle on things but it is important that we are able to acknowledge and recognise when it is time to step back out and seek the support we need. Having a plan already in place that identifies who the mates are that we can turn to is important. Without a network of true mates, we become susceptible to feelings of isolation and loneliness.

As blokes we can recognise three main categories from where we find and establish real mateship. These exist usually in the forms of a partner (intimate relationship), a peer (someone around the same age that perhaps has a similar experience of lifestyle and activities to us) and a mentor (an older person whose lived experience we place value upon). A real mate is more than just an associate, it's someone that knowingly respects and values who we are and is willing to make the time to genuinely listen to us. Think about who you would classify as a mate; and about the blokes you know who perhaps have few or none of these categories in their lives?

Often it is said that blokes in general don't really like to talk about stuff and if we disclose that we have a few problems someone will exploit our problem or weakness, but the reality is quite different. Given the right environment, where we feel safe most men will willingly share their story and talk about issues

that matter to them and there is real value in realizing that there are other men experiencing the same things (no matter what the issue). Being a good mate is about supporting a person in that space and genuinely listening to what they have to say. We don't have to be an expert or necessarily have any of the answers to people's problems, just the ability to listen with empathy.

Being a good mate is also about actively looking out for the people we care about and acting when we recognise that something is not quite right. If we have a gut feel that someone we know is not travelling well, don't be afraid to ask them how they are going and ask more than once!

As men we need to encourage help seeking behaviour and be prepared to be the one to *Talk to a Mate®* when we know he's not travelling well and/or know that a mate is down or experiencing difficulties. It isn't rocket science and it does work.

### Talk to your doctor, even during COVID-19, to Find Cancer Early

It's important, especially living regionally to talk to your doctor, clinic nurse or Aboriginal health worker about cancer symptoms, after results of a recent survey suggest COVID-19 continues to have an impact on people seeking medical help. Now more than ever, people should be talking to their doctor about any worrying symptoms.

A survey across regional WA was recently conducted to evaluate the latest Find Cancer Early campaign, Regional Champions. Out of the 953 people who took part in the survey, a staggering 47 per cent of respondents said they felt COVID-19 added barriers to seeking help and treatment options. This compares to 31 per cent who felt impacted last year, and 32 per cent when the pandemic began in 2020.

With the third wave continuing in WA, we urge anyone with worrying symptoms not to put off talking to your doctor, clinic nurse or Aboriginal health worker. We want to reassure the Wheatbelt community that medical centres are open, and appointments are available face-to-face, or alternatively by phone or through Telehealth. These allow a patient to speak to their doctor from the comfort of their home. As we know, the earlier cancer is found, the greater the chance of successful treatment and being around longer for our families.

## Beverley Community Garden

Hello fellow Beverley Community members,  
Doesn't time pass so quickly? Before we knew it, the Beverley Agricultural Show was here and gone for 2022. On show day the weather gods blessed us, the sun was shining and the birds were singing. The attendance to the show was up there with one of the best public attendance for a while, giving Beverley a chance to show the world what we can do, as a community.

I am as proud as a peacock that the Beverley Community Garden had four 1st prizes and two 2nd's in prize winning ,of our delicious and beautiful looking veggies that we presented in the Beverley Agricultural show.

Our volunteers at the Garden turn up religiously every Tuesday and Saturday of every week. Without the dedication of a handle full of people it would not have been possible to achieve this fantastic result. Just a quick thank you to the following volunteers. Betty Lobb, Murray Young, Robyn Cashmore, Vivian and Cliff Doncan and Shirley Griffin. We would love to have more volunteers to come and enjoy the garden and our company, we are a nice bunch of people who have a love of gardening. There is no pressure, just being together and having a cuppa, is perfect as well.

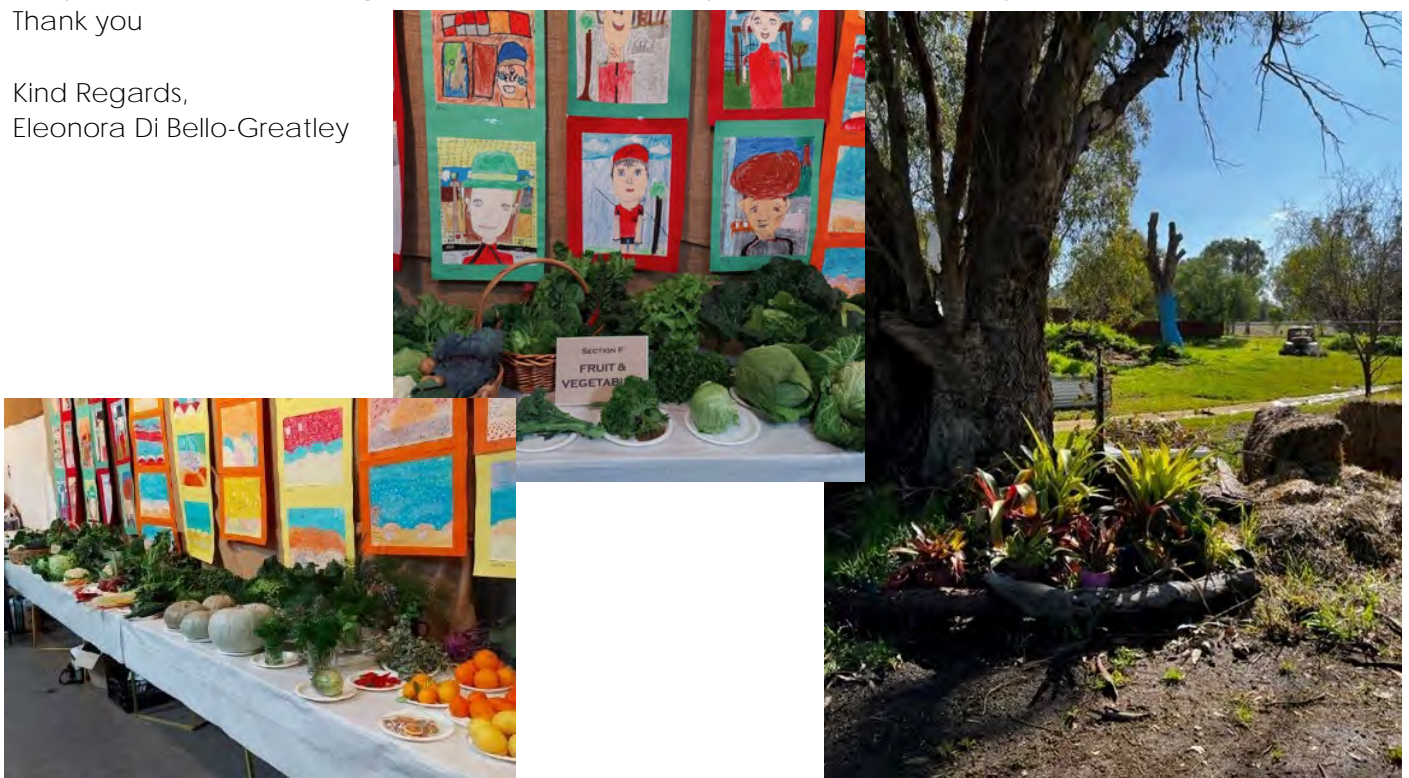

The Garden Center had a fantastic workshop on bird house decorating, which was very well attended and a big thankyou to the Men's Shed of Beverley for making the bird houses for the workshop. The weather on the day of the birdhouse workshop was wet and cold. The CRC were very generous and offered the CRC Center to hold the workshop in, which made it a great success.

On another note we would like to say a big thank you to Fred Sing for donating approximately 20 bromeliads, all very well established plants and very expensive to purchase. It was a very generous donation indeed. The bromeliads now live under the magnificent eucalyptus tree in the garden, and seem to be weathering the frost quite well. Thank you Fred.

I would love to thank all the community members of Beverley who have been donating to the Garden Center their empty recyclable bottles, cans and plastics. We really appreciate the donations as this allows us to purchase most articles that we need to purchase to keep the garden growing and moving forward, so please do continue donating your empties and the funds will be put to good use. A quick thank you to Robyn Cashmore for putting in the time to sort the recyclable donations every week.

Thank you

Kind Regards,

## The Parish of Beverley – Brookton

Feast of St Michael and All Angels: As took place last year there will be two opportunities to celebrate this Feast Day. In doing so the Church in the Avon Valley joins with Perth College and the Sisters of the Church in honouring their Patronal Festival. To that end a particular invitation is extended to all those people and families with connections to the School or the Sisters to join in worship at 5.30 p.m. on Wednesday, 28th September at St Faith's Church, Quairading and at the same time on Thursday, 29th September at St Mary's Church, Beverley.

**Celebrations at St Andrew's Church, Greenhills:** On Sunday, 18th September there will be a service at 9.30 a.m. to celebrate the 110th anniversary of the Consecration of the present St Andrew's Church and the 140th anniversary of the opening of the first St Andrew's Church.

Honouring John the Baptist: In honour of the dedication of the Church at The Dale to St John in the Wilderness there will be a service at 3 p.m. on Sunday, 18th September, commemorating the Beheading of John the Baptist. Following the service there will be a "bring and share" afternoon tea.

Spring Back to Beverley Weekend: In honour of this special occasion in the life of the Shire and people of Beverley there will be a special service on Sunday, 25th September at 9.00 a.m. at St **Mary's Church, Beverley.** Throughout the weekend of the 24th and 25th September the Church will be open to local people and visitors while there will be a celebratory concert at 2 p.m. on the Sunday afternoon in the Church.

## CWA YORK IS LOOKIN' GOOD

The CWA rooms at 154 Avon Terrace are looking fantastic with our display of scarecrows and farm animals. It's been a lot of work but we've had fun giving York and the town's visitors a little taste of our decorating skills and being part of the York Show 'Take me Back' scarecrow theme.

The Craigie Girl Guides visited our rooms last week to make scones, paint pet rocks and make sock puppets with us. The scone making and serving was part of the girls earning their Girl Guide Cooking Badge, which they all passed with flying colours and we enjoyed scones, jam and cream for morning tea. The girls also very generously gave us a gift of items that can be donated to 'Share and Care'.

The clothing protector making for the residents of Sandalwood House at the York Hospital is ongoing with sixty two protectors now donated and five donated to Disability Services. They're greatly appreciated by both residents and staff.

Our next big event is the York Show where we will set up a display in the Pavilion of CWA memorabilia displaying CWA's achievements and showing what our CWA Branch has done over the years in York.

Did you know that CWA was instrumental in having a 'Use By' date stamped on all perishable goods AND all foodstuffs labelled with country of origin? These are things we take for granted now but that didn't use to be the case years ago.

We're also selling morning tea and lunch of soup, sandwiches and cakes from the Old Morning Tea Rooms at the show grounds. During the day we catch up with heaps of friends while serving great CWA food. Come and join us for lunch on the 3rd of September at the York Show.

*Who's been out and about ....*

**Special Games Rally:** Dan Foster came out to our club to run a games training rally for our members on the 7th August. We had a range of riders attend and everyone refined and built their games skills. Kim Bryant-Taylor set up some handy pony challenges for members to desensitise their mounts to a range of obstacles before the Beverley Show. Thanks to Dan and Kim for offering these experiences to our riders.

**Beverley Agricultural Show:** We had a great representation from our club at the show on the 20th August. Kim, Emily and Elsie had a huge day competing in the fancy dress, hacking, show jumping and breed show with lots of ribbons and smiling children!

Jess Martin, riding Gordon Park Just Browsing, came home with champion Galloway and numerous other placings throughout the day in hacking, handy pony and in hand showing, fantastic results.

Ruth Elsegood had a great morning. Last year Amy, her pony, had all four feet in the air, just not over a jump. At the show they had an epic moment of two full jumping rounds completed! Woo Hoo!

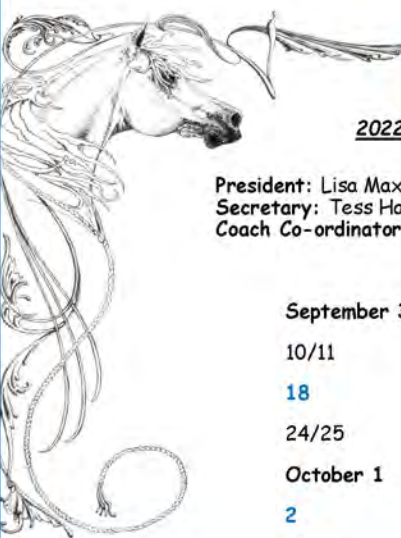

Claire James placed 2nd in both her rider classes, show jumping and reserve champion in the breed show class.

Sara James placed first in local rider, pony hack, handy pony and key hole. Second in rider 11-13, third in 70cm jumping and 3rd in 'Chase Me Charlie' against horses jumping 1 metre and reserve champion in the rider class.

**The Shield PPMG Preliminary Event:** at Walliston Pony Club our clubs senior Beverley/Avon Valley PPMG team (Tealah Hawke, Mac and Carly Ballantyne and Annie Herzer) and Emily Maxwell riding in a composite team, all competed at this event. The Beverley/Avon Valley team placed first and now have the very first plaque on this new Active Riding Shield! Emily's composite team was close on their heels and places 2nd. Go team!
