## SHIRE OF BEVERLEY PRESIDENT'S REPORT

### Community Grants

The second round of Community Grants open Tuesday 3 January 2023 and close 4pm, Tuesday 31 January 2023. Community Groups need to be incorporated. Forms are available from the Shire Office or on the website. Please contact our Projects Officer, Ashleigh Fleay, prior to submitting your application.

Throughout 2022, I was privileged to attend functions at Beverley Offroad Motorsports Association (BORMSA) and Beverley Lawn Tennis Club, both of whom opened upgraded facilities and were successful recipients in the Shire Grants programme.

### 2023 Council Meeting Dates

Council meeting dates are as below and they are generally held on the fourth Tuesday of each month except for two this year that will be held on Thursday. They commence at 3pm in Council Chambers. If you have questions for Council, you can either email any questions (up to 3) to [execassist@beverley.wa.gov.au](mailto:execassist@beverley.wa.gov.au) no later than 12noon the day of the meeting. Answers to your questions will be emailed the following day or if they are taken on notice, within 10 days. Alternatively, you can attend in person, please arrive at 2.50pm to register.

No meeting in January	Tuesday 28 February 2023	Tuesday 28 March 2023	Thursday 27 April 2023
Tuesday 23 May 2023	Tuesday 27 June 2023	Tuesday 25 July 2023	Tuesday 22 August 2023
Thursday 28 September 2023	Tuesday 24 October 2023	Tuesday 28 November 2023	Tuesday 19 December 2023

### Strategic Community Plan.

During this year, Council will be revisiting the Strategic Community Plan. Some work has already commenced but community consultation is required to ascertain a full range of views. Formal times for public meetings will be arranged and advised via the Blarney so please check to see where and when they will occur. This is your opportunity to contribute to this Plan.

I would caution though, that the economic outlook for 2023 and some years beyond may require conservative planning in order not to overstretch our resources.

### Annual Electors' Meeting

This meeting was held in the Cornerstone meeting room on Wednesday 7<sup>th</sup> December. I would like to thank all those who made the effort to attend. Twenty-five residents were present and there were many questions covering a range of issues. Of significance, I believe it is worth noting that after eleven years of construction of new infrastructure in the community at an approximate cost of \$16 million, the Shire is in a stronger financial position than it was at the commencement of the period.

### Christmas Lights competition.

The competition for the best Christmas Lights was held again this year but notice for this might have been too short for many. The few who did enter had gone to a lot of trouble and thank you for your efforts. The winners this year were: East side – Rachel Lucas; West side – Carol Allen; and Best new entrant – Travis Boyle.

### Elections 2023

Elections are due this year for positions on Council. Under the Local Government Reform process, the four positions that become vacant will reduce to three as the Shire ultimately move from nine Councillors currently to seven.

## Public Notice

### Mains water supply cannot be guaranteed during a bushfire

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability. You cannot rely on mains water.

Details and resources about how to prepare for bushfire season can be found at [mybushfireplan.wa.gov.au](http://mybushfireplan.wa.gov.au). For warnings and advice visit [emergency.wa.gov.au](http://emergency.wa.gov.au).

## ANNUAL ELECTORS' MEETING – 7 DECEMBER 2022

### Presidents Report

Good morning Ladies and Gentlemen and welcome to the Electors' meeting for 2022. I would firstly like to draw your attention to the fact that this meeting is being held at the time we would all expect it to be held. You will recall that the Electors' meetings for 2020 and 2021 were held in June 2021 and April 2022 respectively.

This occurred as a result of Local Governments being brought under the jurisdiction of the Office of Auditor General. This move caused serious delays in having our audit finalised thus the delaying these meetings. For the Financial Year ended 30 June 2022, the audit was concluded and the Annual Report signed off at the Council meeting in October this year. This is the timetable Council set for this process previously and it is hoped that it will continue.

Stephen Gollan has now been in the role of Chief Executive Officer since January 2012 and so I believe it is useful to reflect on some of the achievements over that time and consider what might lie before us. The future may not be as rosy as some pundits predict.

As I outlined in my report for the December Blarney, the Shire has completed some remarkable achievements over the past eleven years which have delivered benefits to the community.

1	The first of these would be the additions and renovations to the sporting complex at the oval including the construction of new netball courts (to which the Netball Club contributed significant funds). The playground also extended beyond its initial establishment.
2	The construction of two Independent Living Units in Dawson Street.
3	The construction of the Cornerstone Building which houses the Community Resource Centre, Visitor Centre, Library, Day Care Centre, and four leased offices.
4	The installation of solar panels on both the Shire offices and the Cornerstone building.
5.	The construction of the Moort Wabiny Park which incorporates numerous activities for our youth. I would also acknowledge that the impetus for this project was driven largely by people within the community.
6	Reroofing the Town Hall and Lesser Hall and the replacement of the flooring in both halls.
7	The complete renewal of the kitchen in the Lesser Hall.
8	Installation of new entrance doors in each hall as well as the replacement of the Stage curtain in the Town Hall.
9	The re-roofing of the Old School building.
10	The re-roofing of the old Courthouse building and the establishment of a gymnasium within.
11	Lighting for the airstrip to enable the Flying Doctor to evacuate injured and seriously ill patients 24 hours a day. Initiative for this was led by John Lane to whom we offer our thanks.
12	The construction of six cottages near the caravan park comprising three two bedroom and three one-bedroom units. These have proven to be a greater success than was expected and the feedback from guests has been very positive.
13	Water Harvesting Project led by the Community which has reduced reliance on scheme water and consequently saved the Shire money.
14	Other projects include: footpath renewal and extension programme, solar panels on the Ram Shed for the Pool, and resealing the runway at the airstrip.
15	<p>The redevelopment of Vincent Street with the additions of Al-Fresco areas, more disabled parking, Wombat Crossings to assist pedestrians to safely cross the street from footpath to footpath, and garden beds and trees.</p> <p>Some of the most significant aspects of the development are below ground. Namely; the power and the renewal of the storm water drainage system which should help to alleviate any flooding of the street resulting from severe thunderstorms in the future.</p> <p>I would also like to highlight one aspect of which we should all be aware and that is the Wombat Crossings are not crosswalks, and pedestrians must give way to traffic at all times.</p>
In all, these projects, undertaken by the Shire over the past 11 years have cost a total of about \$16 million. Funding has come from State and Federal Grants as well as Lotterywest and the RAC. Shire contributions have come from general revenue, Reserves and Loans.	

---

I would also like to acknowledge the patience and resilience of the community throughout the Vincent Street redevelopment. It is a credit to the common sense and understanding of this community that having negotiated an open and live construction site with its innumerable hazards for a period of eleven months without any serious mishaps is a credit.

It would be remiss not to also acknowledge the workers with MG Group whose understanding and patience through this period assisted everyone. Of course, it goes without saying that this team was so ably led by Anthony Santella who came to know nearly everyone in Beverley.

GHD were the firm of architects and engineers who designed the project and oversaw the work. They were led by Ian Pexton and our thanks go to him for his involvement and advice.

At all times the project was overseen by a Shire Project team which included the CEO Stephen Gollan, the Deputy CEO Simon Marshall, the Executive Officer Ali Lewis, the Manager of Planning and Development Services Stefan de Beer, and Project Officer Ashleigh Fleay. Of these it was Stefan who probably lost the most sleep as he worked daily with the project. Thanks to him for his considerable work.

Why did it take so long? A project that was planned to be completed by Easter this year hit hurdles from day one. The road was the biggest. Despite considerable drilling and testing of the road in situ, not all issues were revealed. What was anticipated to be straightforward levelling and bitumising, turned out to be a complete rebuilding of the entire street. This added significantly to the time and was not helped by members of the team contracting Covid which meant all members of the team returning to Perth for the 14 days isolation period. Innumerable other issues arose both large and small which added to the delay.

We reached the Practical Completion date on 10<sup>th</sup> October. At this date, all parties signed off to the fact that all that was required to be done under the contract had been done and any issues resolved.

From this date, the Shire has a twelve-month period which is referred to as the Defects Liability Period. It means that the Shire has a period of twelve months to identify any defects that may reveal themselves for which the contractors are required to make good.

It also means that the Shire is not able to make any changes in the street during this period without the **express acknowledgement of the contractor**. To do so would potentially risk the Shire's ability to claim on defects that might be identified.

#### Western Australian Heritage Awards

As part of the Vincent Street redevelopment, investigation went into establishing an Heritage Trail along Vincent Street to highlight the various heritage buildings. This project was nominated for the Western Australian Heritage Awards for 2022. There are seven categories in these awards and the Beverley nomination came under the 'Heritage Tourism Project' category.

To become a finalist in these awards is an achievement in itself as there are quite a number of nominations from which the finalists are selected. We were pleased to learn that we were one of the three finalists in our category.

On Friday 25<sup>th</sup> November I attended the presentation of awards with Stefan de Beer, Manager of Planning and Development Services, and Ashleigh Fleay, Project Officer, at the WA Museum. We were delighted when the Beverley project was announced the winner.

It was a privilege to be able to accept this award on behalf of the Shire and community, and heartening to have positive feedback from the judges who considered this project of an outstanding quality.

I would like to acknowledge the work of Stefan, Ashleigh, and Jacinta Murray the Tourism Officer in this project. And thank you to the Beverley Historical Society who were able to provide information for the project.

#### Future Projects

There are now other projects contemplated by the Shire for which some planning has been done.

The first of these is the swimming pool complex. New pumphouse, filtration system, wet deck and disabled access are just some of the changes planned. A new wet area for the children with shallow pools as well as overhead water features. New change rooms with hot showers and a new kiosk are just some more of the features.

The current bowl is over 60 years old and while it has undergone inspection and resealing recently it is certain that it will not last for another 60 years.

So, with that in mind, a plan has been developed to carry the envisaged changes and costed in 2019 at \$6 million. In anticipation of applying for a grant under the Commonwealth Building Better Regions Fund scheme, the cost of the project was again assessed in 2021 and came in at \$11.6 million. It is hard to

---

imagine that it has not increased further since then. More importantly, the Building Better Regions Fund scheme has now been abolished by the Commonwealth Government.

A concept plan has been developed and put to the community for the beautification in the Avon River Park and potential work on the Pool adjacent to the Park. A fully costed plan is yet to be developed for this project but is dependent upon grant funding from whatever source that can be identified.

The Museum at Avondale is currently being reviewed by the Shire as to the possibility of moving the collection closer to the town. Located where it is means it does not get the visitor numbers it deserves. Whether the whole collection could be moved is dependent upon finding a location of considerable size. Alternatively, moving parts of the collection to a smaller location is under consideration but this has its own problems. I would like to acknowledge and thank the few volunteers who diligently attend to the maintenance of the collection and assist with opening up for visitors.

The Shire is currently negotiating with the Health Department for the transfer of the old Nurses' Quarters and the land upon which they are located. Plans for this building have yet to be developed but a condition of the transfer is that the plans must be to do with health.

Another potential project is housing for accommodation for nurses and associated health professionals. Health Department personnel recently met with the Shire to discuss the plan for the Shire to build accommodation units whether houses or units which would then be leased to the Department for a reasonable period of time. Such a project would provide a cost benefit to the Shire and community.

The old school building adjacent to the Shire offices has been under consideration for redevelopment for some time. It is planned to convert it to a formal Civic Centre in which the Council Chambers will be relocated. Plans for this are currently being finalised and again the execution will depend upon grant funding.

A project that does require attention are the bridges within Shire boundaries. Considerable funding is required for these bridges and the Shire is largely dependent upon Main Roads.

### Local Government Reform

The current Minister for Local Government, the Honourable John Carey, wasted no time when he was appointed to his Ministerial role in commencing a review of Local Government. Consultation was widespread and the Shire of Beverley provided submissions.

Reforms have been announced and are being implemented over a period of time. Among the main ones affecting Beverley are the reduction in the number of Councillors, wards, optional preferential voting, and the recording of meetings.

In terms of the number of Councillors, the Shire is required to reduce the number from the present nine to seven. Options were given to achieve this and the Council has presently decided to do so over two election cycles. In 2023 there will be four positions reduced to three. This will give eight Councillors until 2025 when five positions will reduce to four.

Importantly, community members have the opportunity to comment via a submission paper available from the Shire office. This paper has been available for some time and if you wish to make a submission, it must be completed by 4:00pm today.

### Strategic Community Plan.

This plan is required to undergo a complete revision next year and while the Council and Management will be developing the Plan it will only be completed after considerable community consultation. Other plans will then fall out from this one but I would urge all interested members of the community to participate in the consultation when the time comes. Without this input, Council can only guess what the community might be thinking.

### Outlook.

While it's not possible to fully anticipate what might be coming in the future, I suspect 2023 may be a year of some difficulty. Economically, there are many views across the spectrum, not just for Australia but for the World. My conservative nature inclines me to a cautionary position. As the Shire has now achieved so much with development, it is probably a time to view any expenditure with considerable care.

### Conclusion.

In conclusion, I would like to acknowledge and thank the Councillors who have put in a significant effort this year and given me great support. Thanks also to all the staff at the Shire for their efforts this year and to Stephen Gollan who provides exemplary leadership and who is always willing to meet with community members who may have concerns. Finally, to the community for your support during the Vincent Street Project which we know was very trying for everyone. Your patience and endurance is a credit to all.

COVID-19 UPDATE

Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

**Community Christmas Party**

Well, wasn't it a great party at the Station on Saturday 17 December celebrating Christmas and Community! Albeit a last minute unavoidable glitch with the sound, the singalong with the Station Arts Singers and the Beverley School were able to extend their voices for everyone to hear, And the One Man Circus with Morgan James had the children captivated with his amazing performance. Thank you Mark as choir director for BeSAS and pianist, and to Mel Blechynden for directing the school choir. I was such fun to have both choirs rehearsing and performing together.

A huge thankyou to Santa and Mrs Christmas and all their wonderful helpers for bringing joy to well over a hundred children in such delightful way, and our beautiful Christmas fairies as well.

Santa's helpers waiting for him to arrive at the Station

Santa came by miniature horse and cart, arriving under the station clock with his many helpers much to the delight of the children and their families. Special thank you to John Lane, Eva and Keith for offering your time so willingly to make the Community Christmas Party such a joyous occasion.

**Christmas Raffle:** To Gan and Anne for donating not one, but two lovely Christmas Hampers, we thank you greatly for your generosity, and to John and Annette Whittingham for organising such. Also thank you to Joanne Strange for making and donating the gorgeous gingerbread house; and the rag-rug made and donated by Penny Burns. Our grateful thanks to you all and congratulations to the raffle winners.

Below: One Man Circus Performance by Morgan James.

Lastly, a huge thank you to our fabulous BSA committee and their spouses for helping set up and pack away again at the end of the night. Special thanks to our new Arts Administrator Hazel Martin who has taken on the job with such gusto we look forward to the future with her many talents that continue to arise!

Above pic is of Ashton (right) handing over the keys to Hazel. All in good timing for Ash, who remains as Exhibition Secretary, has a busy few months ahead of her in the leadup to the Easter Exhibition!

### Artists-in-Residence at the Station

**Artists-in-Residence for December** were Adrianna Wasinska-Fabin (see below pic with one of her mixed media works executed whilst at the Station Gallery),

and Kelsey Diamond - pictured below showing her at work in the Gallery studio. Her very large final pieces for her Mater Degree in painting are on display at the Station Gallery till the end of December.

### **Artist-in-Residence for the month of January:**

As was tradition a few years ago, January was a month when the Gallery closed, but lately it seems artists are so keen to be at the Station that they don't care what time of the year they come! As such, we welcome back textile artist **Trish Davis** who will be at the Station Gallery from January 12-30. Trish always welcomes people to join her with your textile projects. Otherwise, keep an eye on the *Bulletin* for any possible workshops.

### **Station Gallery Open Hours:**

11.00am – 3.00pm  
Thursday, Friday, Saturday, and Sunday

### **2023 ARTISTS-in-RESIDENCE**

JANUARY – Trish Davis 12 -31  
FEBRUARY - Mutsuko Bonnardeaux 1 - 15  
                  - Naomi Keenan 22 - 28  
MARCH - Jenny Ellis-Newman 1 - 13  
                  - Leah Taylor 14 - 28  
APRIL - Carollyn Rhodes-Thompson  
MAY - Tammy Maroney  
JUNE - Jo-Ann Arundale  
JULY - Anne McCaughey. 1 - 16  
                  - Lorraine Pichugin 18 - 31  
AUGUST - Meg Bradford-Seeley 2 - 15  
                  - Di Drachenberg & Anthea Taylor 16 - 30  
SEPTEMBER - Caroline Furque  
OCTOBER - Kaye Louwen -2 - 14  
                  - Barbara Troncone. 15 - 24  
NOVEMBER - Jen Hill  
DECEMBER - Alex Kyriakakis 1 - 11

### **BDH SCHOOL RESIDENCY DRAMA SHOWCASE**

Unfortunately CJ Hampson who had been the artist-in-residence teaching drama skills at the school for terms 3 and 4 was unwell and therefore not able to be to help celebrate the students' newfound skills at the school undercover area on Tuesday 13 December. It was fulfilling to see the confidence and obvious enjoyment in all the children performing on stage. Though BSA is not in the position to offer a year-long residency again, there will be performance workshops in conjunction with several of our events during next year focusing at our youth.

### **BeSAS (Beverley Station Arts Singers)**

BeSAS will have a wee break during January and get together again in February. This free community choir will continue to meet on a

weekly basis from mid-February on **Tuesdays 6.30 – 8.30pm** in the Green Room of the Platform Theatre.

Anyone wishing to join the choir of BeSAS please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSAS.

### **BAD (Beverley Amateur Dramatics)**

Three one-act plays have been decided upon – each directed by a different person – namely Britt Mark Kont, and Jo Sims. We look forward to the final performances on Thursday 30 March, Friday 31 March and Saturday 1 April 2023.

### **PERFORMING ARTS**

As 'Bevtown' is renowned for being deserted during January there is no event organized for the month, however, come the end of February you may well have attended three fabulous and very different events, all due to BSA being fortunate enough to be partnered with Perth Festival!

And because of that, there is little to no choice as to the dates of the events offered. Hence the three events come within days of each other.

### **AFTERNOON TEA WITH AN AUTHOR**

**Thursday 23 or Monday 27 February**  
TBA as to the exact date but either 23

or 27 February, And yet to be confirmed as to which author in Perth for Writers' Week will be coming, but we have requested Holly Ringland (*The Lost Flowers of Alice Hart*, and more recently *The Seven Skins of Esther Wilding*). The fact that the author grew up wild and barefoot in her mother's tropical garden in SE Queensland and has such knowledge of native flowers we thought could be an attraction to a wider audience than just book clubs (eg, the Beverley Garden and Tree Society and the Community Garden group). Also, the upcoming tv series *The Lost Flowers of Alice Hart*, must surely be an impetus to meet the author Holly Ringland, hear of her journey becoming a writer, and be informed more about her books.

### **SWALLOWS OF KABUL**

**Friday 24 February**

Fred Smith and band present this extraordinary song cycle on Australia's involvement in Afghanistan culminating in the dramatic evacuation from Kabul in August 2021. Fred was there at the beginning in Uruzgan Province and returned at the end working from Kabul International Airport (KIA).

His epitaph for the mission is “it was what it was”, and we are left admiring the courage and tenacity of thousands of Afghans who braved the human logjams outside the gates of Kabul International Airport in a last-ditch dash for freedom.

About Fred Smith – to quote Bruce Elder, SMH - “Fred Smith is simply the best folk/country musician working in this country...beyond writing some of the finest songs about Australians at war, he has created a repertoire that is wry, literate, witty, powerfully emotional and insightful.” He blends tunes you can whistle with stories you will remember. His songs are subtle, wry and perceptive. His remarkable hybrid career is the subject of an Australian Story documentary. His memoir, the Dust of Uruzgan, was published by Allen and Unwin. Fred’s performances will have you laughing, thinking and feeling.

Catering and bar available, strictly no BYO drinks. Gates opening 6:30pm for show 7:30pm - 9.30pm.

**CARMEN (at the WACA)**

## WHY JOIN THE CBH SHAREHOLDERS' ASSOCIATION?

Are you happy earning less than the world price for your grains?

Do growers want their Co-operative to rebate trading surpluses to growers based on patronage or to spawn another Grain Corp or Cargills?

Our farming future depends on an efficient, effective and low cost CBH Group.

The CBH Shareholders' Association is the voice for growers who want the logistics chain to be operated in their interests and more efficiently.

We need to act together to assert our right to control the future direction of CBH.

### **Our Aims & Objectives Include:**

- To protect and promote Cooperative Bulk Handling (CBH), upholding universal cooperative principles, including democratic control by members, while maximizing farm gate returns
- To ensure that any departure from Grain Pool and CBH traditions and practices only occurs when approved by a majority of CBH Shareholders/Members
- CBH grain trading surplus, less reserves, to be rebated to grain growers based on patronage, unless decided otherwise by a majority of CBH Shareholder Members
- Accelerate the CBH 2033 plan to increase grain shipping capacity to 3 million tonnes per month to capture premium market prices
- Encourage Federal, State and CBH investment in rail
- Ensure that CBH executive incentives are based on and aligned with maximizing farm gate returns
- Work with the Australian Competition and Consumer Commission to minimize structural inefficiencies in the port, rail and road transportation systems
- Provide another layer of oversight to ensure proper governance and accountability, minimize waste and maximize the efficiency and effectiveness of CBH capital expenditure

# Recipes to Try

*Homemade Ice-Cream Sandwich*

## Ingredients

- 1 x 395g Sweetened Condensed Milk
- 600ml Thickened Cream
- 2 x 200g Packets Malt O Milk biscuits
- 2 x 50g Violet Crumble Chocolate Bars

## Method

1. Pour condensed milk and whipping cream into a bowl and whip until thickened. This can take up to 20 minutes.
2. Lightly hit the Violet Crumble in the packet until crushed.
3. Open packets and pour Violet Crumble into the whipped mixture and stir in until just combined.
4. Line a dish with Malt Biscuits in one even layer. Pour mixture over the top and even out. Add another layer of Malt Biscuits to the top and freeze.
5. Once frozen, cut into biscuit-sized portions and serve.

## Notes

1. Feel free to change up the chocolate option – good substitutes include: Maltesers, Crunchies, Aero Mint,
2. Feel free to change up the biscuit tops & bottoms as well.

*Roast Pumpkin Salad with Feta, Pine Nuts & Baby Spinach Salad*

## Ingredients

### For the salad

- 600 g pumpkin skin removed and cut into slices or chunks
- 2 tbs olive oil
- salt and pepper to season
- 75 g pine nuts
- 150 g baby spinach leaves
- 80 g feta crumbled into small chunks

### For the dressing

- 1 tbs honey
- 2 tbs balsamic vinegar
- 2 tbs olive oil
- salt and pepper to season

## Method

1. Preheat oven to 200 degrees celsius (fan-forced).
2. Chop the pumpkin into small slices or chunks and remove the skin.
3. Drizzle a flat baking tray with the olive oil, add the pumpkin pieces and season with salt and pepper.
4. Cook for 20–25 minutes or until the pumpkin is tender (but not too soft). Set aside.
5. Place the pine nuts into a small frying pan over low/medium heat. Cook, while stirring regularly, until lightly golden (keep a close eye on them as they can easily burn). Set aside.
6. Layer the baby spinach, pumpkin, pine nuts and feta cheese in a serving bowl or dish.
7. To make the dressing, place the honey, balsamic vinegar, olive oil, salt and pepper into a small bowl and whisk with the fork until combined.
8. Pour the dressing over the salad, toss to combine and serve immediately.

## Be skin aware this summer

Cancer Council WA is encouraging adults in the Wheatbelt region to familiarise themselves with the common symptoms of skin cancer, with the majority (55-70%) of melanomas detected by themselves or their partners.

It is important to know your skin and what is normal for you, particularly if you are over 40 years of age. Skin cancers (including melanoma) accounts for the largest number of cancers diagnosed in Australia each year. Our latest data reveals that in 2019, 1587 people in WA were diagnosed with melanoma and sadly 145 people died from it. In the Wheatbelt region in 2019, 58 people were diagnosed with melanoma and 5 died from it.

We know people living in regional Australia have lower rates of five-year survival, compared with people living in cities, so we urge anyone in the Wheatbelt experiencing a skin cancer symptom to visit their doctor, clinic nurse or Aboriginal health worker.

Common symptoms of skin cancer include:

- A new spot or mole on your skin
- A spot that is different from other spots on your skin
- Any crusty or non-healing sores
- Any spots, freckles or any moles changing in size (width), thickness (height), colour, or shape over a period of weeks to months.

It doesn't mean you've got skin cancer – often it turns out to be something less serious. But it is important to get checked. Getting our symptoms checked out and treated early means we can get back to the people we love and the things we love doing.

Visit

<http://www.myuv.com.au/skincancer/>

to find out how to check your skin for skin cancer.

For more information about skin cancer symptoms, visit [www.findcancerearly.com.au](http://www.findcancerearly.com.au)

# Stay Active

with the  
Beverley Everlastings

Stay Active is a weekly one-hour keep fit session for those who find gentle aerobic, strength, balance and stretching exercise beneficial to their health.

The exercises are designed for over 50s, but younger participants are welcome. Those less mobile or those recovering from accident and illness also find the exercises useful.

Chair exercises are available and participants can opt to do all or some of these.

Stay Active

**Date: Tuesday's**

Time: 9:00am

Place: Beverley Recreation Centre

Cost: \$1

Come along for social-distancing fun activity. Stay Active is a volunteer community health program coordinated by the Wheatbelt Health Service

Government of Western Australia  
Department of Health

## Stay Active Summer Recess

Please be advised that the Stay Active gentle exercise sessions go into recess over the summer months.

Sessions will resume on the second Tuesday in February  
Tuesday 14th February 2023  
New Members are welcome.

# Frail Aged Lodge News

The long-awaited installation of a backup generator at the Alex Miles Lodge has been completed and, as I write these notes, the fence and shelter should be installed this week.

This project has been many years in the making. Many thanks to the Beverley Hospital Auxiliary for their generous donation of \$10 000 and to the Commonwealth Government for their donation of \$15 000, thus enabling us to complete the project.

Another big thank you goes to Sandy Dawson, our local concrete contractor, who donated his services, materials and expertise to lay the concrete pad. The Lodge committee is most appreciative of your generosity and this cost saver. Thank you Sandy. We hope that locals will, in return, continue to support your business.

Karl Smith from Beverley Electrics managed to obtain a 45KVA generator from WA Country Health Service [WACHS] and installed and oversaw the project. Thanks to you Karl.

The committee has engaged an architect to build an atrium-style covered, partially enclosed area west of the kitchen at the Lodge. This project is due to start next year and we feel it will provide a suitable indoor/outdoor area for the residents.

More exciting news is that the Lodge has been allocated a substantial sum of money from the Commonwealth Government to upgrade the building. As more information comes to hand, I will be able to inform the public of the extent of the renovations.

The Lodge committee focus is to maintain and improve the infrastructure – the building interior and exterior - and the grounds. All management and matters pertaining to the residents are the business of the Health Service Manager and the Department of Health.

The Frail Aged Lodge committee is made up of John Lane (Secretary/Treasurer), Dee Ridgway, John Barrett-Lennard, Carol Veitch, Janine Priest, Greg Barrett-Lennard, Richard Smith, Jeff Murray. Thankyou to these people for your help and support.

Happy Christmas to you all.

Lew Shaw

Chairman

Beverley Frail Aged Lodge Committee

The Op Shop will be closed from Friday 16<sup>th</sup> December 2022 and re-opens Friday 2<sup>nd</sup> February 2023

Please Note:

NO DONATIONS OF GOODS WILL BE RECEIVED DURING THIS TIME. There will be no access to donation bins at rear of Op Shop. And we advise that goods may not be left at the front door.

We sincerely thank you for your continued support of the Op Shop by donating clothing, books and bric-a-brac and similarly, for filling your shopping bag with items you purchase.

And we are appreciative of the help given by so many volunteers who work behind the counter. It was a pleasure to personally thank some of you at the afternoon tea held on Friday 16<sup>th</sup> on Op Shop closing day.

Our committee consists of Jan Howell [Secretary], Jo Sims [Treasurer], Christine Brooke [Vice President], Glenda Burns [Op Shop Co-ordinator] & Betty Wauchope, Leita Barrett-Lennard, Ingrid Bell, Donna Williamson, Erica Murray, Gina Adams and Tarni Young. Thankyou for your help and support and willingness to take on various tasks.

This year, we have contributed \$10 000 towards the cost of the newly installed backup generator at the Frail Aged Lodge, as well as providing Christmas gifts and hampers to the residents at The Lodge and the Hospital. We have welcomed HSM Zoe Lear to Beverley and look forward to hearing of ways that our funding, through her requests, can help the Beverley Health Service.

We have some new volunteers listed on the roster for 2023. We look forward to your company! Hopefully, you have received your roster. If not, call into the CRC to collect or ring Leita Barrett-Lennard 0429 168 099.

Thankyou and a Happy Christmas and a prosperous New Year to all.

Sandy Shaw

President

Beverley Hospital Auxiliary Inc.

# Beverley Ag Museum

Being as we are into a new year, I thought I might like to outline to first time readers what our group is all about. Our membership is made up of like-minded people who volunteer their time at the Beverley Agricultural Museum located at Avondale Farm in Waterhatch Road, not only do we 'open up' the vast collection of mainly Wheatbelt Farming machinery to the public, --- with examples covering over 150 years --- we also restore and run many of the still operating items. The collection and our efforts are supported financially by the Beverley Shire Council allowing us to share an important part of our farming history with the general public for free. If you feel you could benefit from our activities, you don't need a farming or a mechanical background and many have been known to just come along to 'chew the fat', feel free to contact me.

Our team will be doing our usual 'housework' getting rid of the dust build up again this year, but a month earlier than usual in January if the weather is not too warm, certain dedicated members are 'champing at the bit' to get back to a certain truck restoration, so would like to get the usual formalities out the way as soon as possible, and I totally agree. When we reopen to the public will depend upon the weather conditions and the repairs being carried out to the National Trust leased building, the contractor (like most firms) has a labour issue so has not been available to fix the roof and gutters yet, I was advised that sometime in February would be the earliest possible start date.

With Christmas and New Year almost a blurred memory for many, I thought some might enjoy a quiz (sorry no prizes!) to do, with questions associated with the collection etc, (many of the answers can be found in past issues of the Blarney) and naturally if you don't know the answers maybe watch out for the opening dates of our communities Agricultural Museum and pay us a visit, and unless Council have a change of heart its Free to enter (but you are welcome to donate while trying to get out, some of us are known for our extended conversation haha).

Quick quiz---

- Name the Truck currently being restored?
- Which Tractor has caused the most headaches this past year?
- What Truck had its Water Pump remanufactured?
- Are there any 'Oliver' Tractors on show?
- Does the 'Twenty-Two' Dozer's engine run?
- Traditionally what Saturday of the month do we meet?

Kids (big and small) quiz---

- What colour are the Chamberlin Tractors?
- What colour is the 1899 Letterbox?
- What is the name of the resident Emu that often visits us at the Museum?
- How much does it cost to enter the Museum?
- How many 'Cow Bells' hang on the rail as you walk in?
- Fill in the Vowels in the following name F\_RG\_TR\_CK?

Answers in next month's Blarney.

If you would like any further information about our group or are interested in a 'Private viewing' of the collection, please contact me at 9646 0768.

Welcome to 2023 we hope you had a wonderful festive season; we are back to normal business hours on  
Monday 12<sup>th</sup> January 2023

**Skin Checks-** With the summer sunshine approaching we all need to be vigilant regarding skin care please book an appointment with our experienced GPs to review any suspicious lumps, dry spots, or moles.

**COVID Vaccines-** As the Beverley community have been outstanding with their responsibility to attending for all their recommended doses, and with our commitment to reduce wastage and maximise doses we are now maintaining a waiting list for those who may need a further vaccination. This has been due to the logistics of ordering and storing the vaccine in the rural area, please contact staff for any further information.

**Women's Health** -Dr Tola Ogunleye is available every month to see clients who require a female GP, please contact our reception staff to book your next appointment with her on the 2<sup>nd</sup> February 2023.

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone, please let our staff know.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling-Ready Care 1800 225 523 or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor

# BEVERLEY HOSPITAL

2023

It is with sad regret that Sandy Woods (Activities Coordinator) is leaving us for a well-earned rest in retirement. On behalf of WACHS and the Beverley Hospital staff, I would like to say a huge thank you to Sandy Woods, your hard work, dedication, and commitment has made a truly massive difference in people's lives. You are a true angel and we wish you all the very best.

The Christmas party for the residents of the **Alex Miles Lodge** has been a very joyous and plentiful occasion.

Singing Christmas Carols, Santa's arrival and a lovely Christmas lunch consisting of all the usual Christmas delights.

A giant thank you to staff and guests for your involvement at this special time of the year.

Hello my name is Zoe and I am the new Health Service Manager at the Beverley Hospital. I would like to thank the local community for their invaluable support and welcoming generosity as I settle into my new position as Health Service Manager and Director of Nursing (HSM/DoN) at the Beverley Hospital. I commenced the position in Aug 2022 after spending last 3 years as Head of COVID Operations for the Armadale Hospital within East Metro Health Service. A dedicated nurse of 30 plus years I hope I can bring a wealth of experience and knowledge to the hospital as we head into 2023. My ongoing commitment to the people of Beverley and the hospital will see a busy new year!

The plans include:

- ☆ Hospital accreditation in February highlighting our commitment to ongoing quality improvement initiatives
- ☆ A commonwealth funded refurbishment project at the Alex Miles Lodge will see some much-needed updates to the current facility and make the lodge a much more appealing place to come and live out your retirement years. This is in the development.

I look forward to being a part of this beautiful and friendly community. Pop in and have a chat and introduce yourself.

CONGRATULATIONS TO ALL OF OUR LUCKY WINNERS!!!!!!!!!!!!!!!

Next meeting and AGM will be held on the 15<sup>th</sup> February 2023

At the end of last year at the Christmas party, the ladies got together to thank Mrs Lorraine Sims and Mr Brian Sims for all the work that they have done for the C.W.A. over the years. We invited their family to join us in the celebration and were delighted that they joined us for the wonderful surprise.

Mrs Lorraine Sims joined the local C.W.A. in 1956 and in 1973 was elected as President. Mrs Sims has held all positions, President, Secretary and Treasurer as well as other positions with the organisation. She has been our delegate to the state conferences for many years. Along with her husband, Mr Brian Sims, they have worked tirelessly for the C.W.A, ensuring the continuing presence of the organisation in Beverley. Not only has Mrs Sims been a loyal advocate for the local branch, but also for the organisation. We not only thank them but honour them for the contribution that they have made and continue to make.

### Happy New Year!

Welcome to the second half of the season. We wish everyone a safe, happy and prosperous 2023. The Committee will be swinging into Easter planning, if you'd like to help out in any way please speak to a committee member.

### January Social Tennis

Sunday Social Tennis will be held each Sunday from 4pm, however we encourage everyone to keep an eye on our Facebook page in case of any changes.

### Junior Update

Well done to our juniors who have been out and about playing tournaments within the zone at the end of 2022! Alec, Noah and Abigail headed to Merredin on the 27th November, and on the 10<sup>th</sup> December we had 6 players at Cunderdin's tournament. Great effort everyone!

### Chris Boladeras Memorial Trophy!

We always have a fun day when we play our self handicapped mixed doubles event for this Trophy! Thank you to Richard and Jackie, as well as Beverley Gas & Plumbing for your sponsorship.

This year it was also our Christmas Wind Up and everyone enjoyed the catch up after the tennis! Thank you to our Captains for running a great day!

### 2022 Bathroom Opening

On the 18<sup>th</sup> December we opened our new Bathroom. We were thrilled Life Members Mary Blechynden, Brian Sims & Lew Shaw could join us. Thank you to Chris Lawlor & David White from the Shire Of Beverley and Roger Tonkin on behalf of Bendigo Bank York for attending this event.

The Bathrooms have gone from one male and one female space, with no universal access, to a male bathroom, female bathroom and universal shower, toilet and baby change space that can be accessed by all members of our community. The committee have been focused on improving our facilities to ensure that whoever attends our club has access to all of the amenities that we have to offer.

We would like to thank Michael Jongan from Bakers Creek Building, Kodie Fleay from Beverley Gas & Plumbing and Karl Smith from Beverley Electrical for the work they completed.

Projects like this one are not completed without the hard work of club members, and during this interesting building time our project certainly had its little hiccups. I would like to commend the members and particularly our committee & their families on the amount of time invested in demolition, rubble removal, fundraising and painting to help see

this project through. Chantelle, Chaise, Mitchell, Damien, Chad, Emily, Graeme, Laura, Bec & Carissa your time and effort during this project has been appreciated.

Of course, we are also fortunate enough to have received significant grants and donations which have been paramount in completing the significant changes we see today. Our major grant was received from the CBH Group and contributed \$7000 to the plumbing works. We thank CBH for supporting GrassRoots Clubs.

We also received \$3500 from The Shire of Beverley. Thank you to the Shire of Beverley for your ongoing support of the Beverley Lawn Tennis Club.

Thank you to Bendigo Bank York for their contribution of \$1500 from the community chest program. A CSBP grant of \$500 was also received and much appreciated.

A further \$4000 was received from two Family donations and we sincerely thank these members and families for their contribution to this project.

Significant contributions have also been made through members volunteering for clearing sales, catering & cropping.

Please come along in the New Year and enjoy these new facilities. See you at the Club.

With 2022 ending, I want to thank all of the committee, members and public that have supported the golf club this year. It was another great and successful year, which can only happen with the fantastic people that donate their time to help make this club survive and thrive.

The golf club is continuing to play golf through the summer. There is still scroungers on Wednesday and Friday afternoons from 4pm. 6 holes of golf and a few drinks afterwards. There is golf on a Saturday. At the moment it starts at 12pm for 9 holes, but as it gets hotter that may change to an early tee off time.

#### BEVERLEY GOLF CLUB AGM

BEVERLEY HISTORICAL SOCIETY presents "Olden Days" by Y2 BDHS  
**Dead Finish Museum - Year Two Stories, 2022**

The annual "hands on" experiences from times past are told in the Beverley school students' own words (no editing):

**Alec:** We were doing the washing first. We had to scrub the cloth. Then we squeezed the cloth, that was called a bell. The next thing was to put in in the blue and bell it. Then we put it in the water then bell it again! Finally we hanged it up. [Editor's note: bell = wring]. Second we were polishing the silver. First we got a toothbrush. Next we used a special material. Finally, we polished some plates or spoons with the toothbrush. Third we dressed up in olden day clothes. Forth we went to the olden day school. They had to use a nib pen to write with. Fifth we went around the building. We went to the fence and the printing press. Last of all we had morning tea and got a surprise and don't forget ANZAC biscuits!

**Aton:** We went to we polished the plates then I dressed up in some olden day clothes. We went to the old school room. I used the nib pen. We had a tour around the building. Finally, we had morning tea, we had ANZACS biscuits. We also got a penny and lollies.

**Aurora:** Fist I was washing clothes and hanging them up. I was on my 3rd round of washing of clothes. I was having fun. Then I was polishing spoons, forks, teapots and some knives. I was having so much fun today. After that I dressed up as a princess and a queen. I was so happy about today. Fourth we write with a nib pen on a lined piece of paper. We had to copy from the board. Next we had a walk around the building. I was in the fourth row of the line. It was really good fun. Finally, it was morning tea. We had a drink and an ANZAC biscuit we also got a penny and after we all went to the toilet.

**Ava:** *The Dead Finish Museum is a bit cool but it is cold. Sometimes it is hot. I tried on the clothes. Then I went to the old school room and wrote with a nib pen. Next I walked around the building on a tour. I saw an old fence and a printing press. I did some washing as used old pegs. I saw the old teachers room. It was very small. Finally, we ate special food. There were cookies fairy bread and drinks. We all got a coin.*

**Charlotte:** First we did the washing and peg it on the line so it can dry. Then we went to the next room and polished silver. We also went outside to the shed. We dressed up in olden day clothes. Then we went to the old school. We wrote with a nib pen and ink. After that we had some food. We loved it.

**Cooper:** *First I went to the washing and we put the clothes in the water and put soap on the clothes. Then we put them in the blue water and dried the clothes. Then we polished the silver and that as hard work. After that we dressed up in olden day clothes and there were some funny clothes.*

**Darcy:** First we learned how to do the washing. We rubbed the soap into the clothing. Then we put it in the normal water to rinse the blue water then we wrung it and hung it on the line. We polish the silver, so the metal is clean. We dressed up in olden day's clothes. The clothes that we wore were very different then there were tassel skirts and fancy dresses. We went into the old school room and wrote with a nib pen. We wrote about the Dead Finish Museum we use an ink well to write. On our tour around the building. We saw a sun dial told the time. We saw a pen for animals. We had ANZAC biscuits and fairy bread. We also got a special penny mine was the oldest.

**Felicity:** When we did washing we got a bar of soap and scrub it. Then put it in blue water ad squeeze it and put it on the line. Polishing the silver: You had to get a toothbrush or a cloth and scrub it with silvo until it was nice and clean. Dress up in Olden Days Clothes: We had some fun with clothes. There were some funny styles. There were dresses and men's clothes but mixed together. Olden Day School: It was hard in the olden days at school if you got whipped with a cane. I learnt if there was a naughty boy, they would dip the girls' long hair in the ink. Tour Around the Building: We got to have a tour around the outside of the building.

**Max:** First we were washing the clothes. Next we polished the silver. Then we had a tour around the building. I saw a nut, a nut tree and a wooden fence made from branches. Finally we had morning tea. We had cordial, fairy bread and ANZAC biscuits. We also got a penny and a bag of lollies. My favourite part was when I got an ANZAC biscuit.

**Nadine:** First we washed clothes and hung the clothes on the line. After that we went to polish the silver made the stuff shine. We had a lot of fun. When we finished the silver, we went to dress up in olden day clothes. I had a wig on and a dress but the boys and a tie and a jumper jackets. Then we went we to the old school. There was a nib pen. We saw a whip, it was called a cane, and a strap in the class. We went around the building. We saw an old fence and a printing press. Finally, we had morning tea. We had ANZAC biscuits and we had fairy bread At the end we had cordial, and got some lollies and a penny.

**Peg:** We did washing and we used some soap. We had to peg the washing up on the line. At night men would make the pegs by hand. We had to polish the silver so it would be clean, but the polish was very smelly. We still had to do it any way. Also we got to dress up and it was really fun. I put on gloves, I put a tutu on, a men's coat and a wig. We went to a school room from

*the olden days. We had to write. I nearly got a whack from the cane. Next we went around the building. We saw an old printing press. Then we saw an olden day wood fence. Finally, we had morning tea we had ANZAC biscuits and some fairy bread. It was fun.*

**Steele:** First I went to the dressing up. I dressed in olden day clothes. The I went to the olden day school and wrote with an ink pen. Next I went to the dining table and the went to the kitchen. Then I went to the washing and I did the polish the silver. Then I got a tour around the building. We went to the baby room The I went to the shadow clock, the olden day wooden fence and the printing press. Then we went to the pub part and I looked in the underground room and saw a dummy. Finally, I got a surprise, some cordial and finally I got an ANZAC biscuit, an old coin and some lollies.

**Tate:** The washing was quite hard because you had to wash it yourself! You still had to hang it out on your own. I accidentally dropped the clothes I was washing. Polishing the silver was so fun, still it was really, really hard to do. I actually want to do it again. This was the fun point of the excursion the dressing up! Peg, Felicity and Steele looked really crazy. I also looked quite crazy! The schoolwork was double hard to do. It was hard to do because we weren't using led pencil's we used nib pens. There was a cane and a strap. We finally had a tour. There was a printing press, the pub and the old teacher's room. After the tour we had a snack, everyone had a drink (except me and Alex) and ANZAC biscuits. Plus, an excursion isn't fun without a present. We got a penny and lollies.

Thank you to volunteers from the Beverley Historical Society and to four special community volunteers who assisted with the preparation, the activity stations, the tour, the refreshments and the clearing up afterwards.
