Did You Know??

This is the death mask of a young woman who drowned in the River Seine in the 1880's. As was customary in those days, her corpse was put on display in the Paris mortuary, in the hope that someone might recognise her and claim her body.

The pathologist on duty became entranced by the girl with the half-smile, and so he commissioned a plaster cast made of her face. This mask was replicated many times over. She became known as "L'Inconnue de la Seine" or "The Unknown Woman of the Seine".

In 1955, a toymaker named Asmund Laerdal created what we now know as the CPR Doll. Asmund wanted his mannequin to have a natural appearance. Remembering a mask on the wall of his grandparents' house many years earlier, he decided that the L'Inconnue de la Seine would become the face of Resusci Anne - the CPR doll.

So you see, this anonymous woman who drowned in the 19th century is responsible for saving many, many lived the world over. It is said that she has the most kissed face of all time.

The Beverley CRC team have been working hard at planning events for year to come, along with completing statistics and searching for the new trainee!

OUR JAN/FEB EVENTS

40TH ANNIVERSARY OF THE POLICE STATION

On Friday 27 January, Alyssa headed over to the 40th anniversary celebration of the Beverley Police Station. There was a great turn out from our local community and the WA police force, showing their support and appreciation of our local officers, thank you.

TINKERING FOR KIDS

We had our Tinkering Workshop for Kids in the Library. The kids had a great time creating 2 STEM activities. The first was a Flipping Flapping Fun activity that allowed the kids to learn about a simple mechanism, the hinge. They created a crazy creature of their own that flapped its arms and moved its legs! The second was Feed Me Now Frankie, where they created levers to feed there monsters without getting too close!

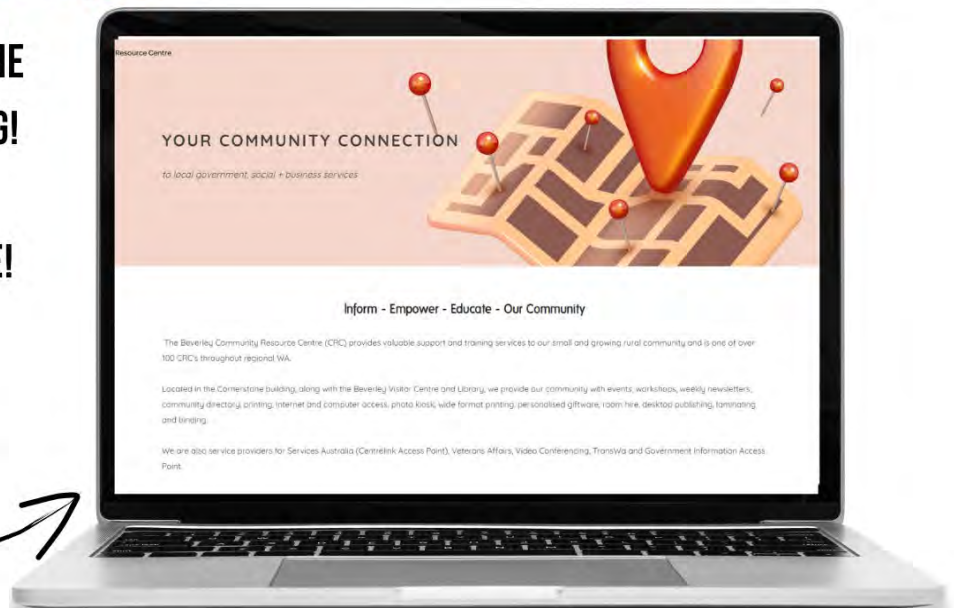

Thank you to all the kids for joining in on our activities!

Thank you to everyone that applied for the traineeship position at the CRC, we were impressed by the amount of applications that we received this year. The position has been filled and Angela (*pictured on the right*), was the successful candidate.

Over the next 12 months, Angela will be studying a Certificate IV in Marketing and Communications whilst working at the CRC and other businesses/community groups in Beverley.

The success rate of the traineeship program in Beverley would not be possible without the support and funding provided by Department of Primary Industries and Regional Development. A big thank you to DPIRD for their continued support.

We are off to a great start for 2023.

Chad attended a course in January and has come back qualified as an Emergency Medical Responder, great work Chad.

Jodie, Ian & Amanda, attended courses for Emergency Medical Responder, & Emergency Medical Assistant and both have come back to us with those qualifications, awesome Jodie , Ian & Amanda.

Amanda & Steve are enrolled to do their First Aid Course as well. Best of luck to you both.

Are you considering helping the Community as a Volunteer Ambulance Officer, Lionel would be only to happy to have a chat with you and discuss any details of becoming a Volunteer. Lionel can be contacted on 0449 536 233, or do you want to chat to some one who has just begun their SJA journey – Jodie, Ian, Amanda or Chad. I'm sure they would be happy to tell you about their induction into this wonderful organization. Contact Jenny on 0407 461371 for their numbers. Jo our Administrator is at the Sub Centre on Tuesday & Friday 9am – 2pm if you would like to speak to her as well. Watch for the flags be out at the front of the St John Sub Centre, for Jo to be available.

The spot lights on both our Ambulances have been replaced with LED lights for better vision at night. Thanks to our local mechanic Richard Jas for installing them.

Do you need an Emergency Medical Information Book? We have them in stock again and can be picked up at Beverley Farm Services for a gold coin donation. These books are very handy to record vital information regarding your health, it contains Patient Information, Patient Medications, Medical Conditions & Service Provider /Patient History. The booklet is in a plastic sleeve with magnets and can be placed on your refrigerator for quick access, should the need arise.

Beverley Ag Museum News

Having completed most of our cleaning activity at our January get together, our meeting on February 18 was more relaxed with fewer tasks to perform and no visitors being accepted to Avondale Farm between December and February.

Our 'Dynamic Duo' were quick to get back to restoring the International C30 Truck, and when Paul did not require Bob's assistance, Bob was found rummaging through years of 'stuff' left behind on the bench and adjacent areas by many past volunteers with seriously good intentions at the time. These efforts are leading to the discovery of many 'parts' still to be identified, and as always 'stored' as they may come in useful one day, hence my trip to the local tip did not offer anything in the way of recyclables.

So, although the location of the Museum Collection at Avondale Farm is not suitable from a tourism perspective (somewhere in town would certainly provide better access for visitors and possibly more regular opening times) our group is pushing ahead to ensure the Ag Museum experience is 'one to remember' (in a nice way of course) and hopefully encourage more interest for our town into the future. If you are at all interested in joining our group or visiting the collection, feel free to contact me on 9646 0768 for more information.

We will be reopening to the Public on Saturday March 18 from 8am until noon, and with several of the items having not been started for quite a while visitors may get additional value for their 'free entry' in our 'Working Museum'.

Beverley Health Service

Did you know that, if your GP (*General Practitioner*) asks you to attend the Beverley Hospital for any reason, e.g. *dressings, suture removal, ECG etc*, your GP must provide a Referral Letter to assist the Nursing staff in attending to your health care needs in a timely manner. Please note also: *Emergencies always take precedence over Dressing Clinics and other general Medical Procedures*. If the Hospital has emergency, you will be asked to wait or come back the following day.

If you have a severe injury or illness,
go to the Beverley Emergency Department. Or call 000.
1 Sewell Street Beverley WA 6304

An emergency department (ED) is part of a hospital that provides
24-hour emergency care to patients who need urgent medical attention.

Alternatives to going to ED, if you have a minor illness or injury that does not need emergency treatment, you can ask for an appointment with your local GP.

A GP can often deal with minor emergencies such as sprains and strains, bites, stings, viruses, infections, eye injuries and ongoing illness or injury.

A pharmacy can help with colds and flu, skin conditions, allergies, headaches, diarrhoea, or constipation, or sleeping problems.

Volunteering is a voluntary act of an individual or group freely giving time and labour for a community service. I would like to take this opportunity to thank our wonderful Volunteers who contribute so much of their time. Your service to the community is always greatly appreciated.
And *thank you* to the wonderful people who have donated items to the Hospital and the Alex Miles Lodge.

TREE & GARDEN SOCIETY

Beverley Garden & Tree Society

We hope that you and your garden have managed to survive the heat and strong winds this summer and we are now heading into Autumn. The first meeting for 2023 will be held at 10.30am on Tuesday the 7th of March at the home of Gracie Courtney. For those who don't know the address, please meet at the Dead Finish Museum by 10.15am or ring Dorothy on 0429 989 031. Please bring a chair and cup/mug.

Vegetables to plant in March include – beetroot, broccoli, cabbage, carrot, leek, lettuce, radish, spinach, spring onion and turnip.

Flowers to plant in March include – alyssum, lobelia, stock, pansy, snap dragon, sweet pea and viola.

March is a great time to attend to the following tasks in your garden:

- ☆ Prune geranium and pelargonium by two-thirds to encourage new bushy growth before winter
- ☆ Remove weeds before they go to seed. The best time is after rain
- ☆ Attract butterflies to your garden by planting red, orange, purple, white and blue flowers
- ☆ Prune petunias to keep them flowering well into autumn
- ☆ Coffee grounds can be put to good use in the garden as slug and snail repellent or in the compost bin
- ☆ Divide agapanthus plants from autumn through to early spring
- ☆ Prune off citrus branches hanging lower than 1m above the ground to reduce the spread of brown rot
- ☆ Plant bee food plants such as brachyscome, angophora, eucalyptus, callistemon, melaleuca, scaevola, grevillea, hibbertis, tea-tree and westringia
- ☆ Scorched leaves can be a sign that soil is water repellent. If the soil is dry, apply a wetting agent and water well
- ☆ Divide clumping grass-like plants, such as dianella, lomandra and kangaroo grass. Keep several shoots per clump and remove dead material
- ☆ Harvest radish regularly to stop them becoming too hot and spicy, woody or pithy
- ☆ Start planning spring bulbs

Happy March gardening!!

Beverley Community Garden

Greetings fellow Beverley community members,

Hasn't the heat hit us with a bang. Our garden is withstanding the intense heat of this summer very well, with the volunteers being very diligent in watering and placing shade cloth over the raised garden beds.

All the fruit trees are handling the heat very well and will be producing juicy and sweet fruits for us next year. The grape vines have produced a heavy yield this year, which we are extremely proud of.

Water is an essential ingredient required for any organism to live and thrive. We would like to say a very big thank you to the Shire and Shire workers for filling our water tanks so promptly, whenever requested.

The Community Garden could not continue to thrive without the delivery of water.

We would also like to say a big thank you to Robert and Jamie Blight for their generous donation of sheep manure, which helps our plants to grow rich with vitamins and minerals essential for good health.

Our Garden has available for purchase, zucchini, tomatoes, carrots, eggplant, chilli, herbs lettuce, garlic and basil. Please come and purchase some garden goodies or just come for a chat and cuppa.

We would also like to wish Amor from the CRC a quick recovery from her surgery and a big thank you for all she does for the

Beverley Community Garden. It is greatly appreciated.

Regards, Eleonora Di Bello-Greatley

Beverley Community Markets

Fundraising Report 2022

Since July 2019 we have been raising money for Beverley Junior Sports. There have been a number of hiccups along the way, mainly due to Covid outbreak and a number of functions that were cancelled during 2020 and 2021.

We started the Community Markets at CWA rooms, however, due to the increase in the number of stalls we had to find an alternative venue. The Beverley Shire Council kindly offered the old School building as our new venue, for which we pay a small fee each month; thank you to the Shire. Since moving the number of stalls has increased to include a wide variety of goods for sale.

Thank you to the Stall Holders, Mums and Dads who turn up each month to help out with the sausage sizzle. From July 2019 to December 2022 we raised a total of \$13,499.60.

Thanks to all stall holders and the generous people of the Beverley community for your support.

The markets commence again on March 4th 2023.

We are now raising money for the Beverley Amateur Swimming Club. We look forward to seeing our supporters at the Old School Building.

Beverley Police Post

On Friday 27th January, 2023 the Beverley police celebrated the 40 years that the police station has been on this site and policing the town and surrounds of Beverley.

The celebrations were attended by police top brass and local Beverley businesses and community members. Also, in attendance were Beverley Volunteer S.J.A., Beverley Volunteer Fire and Rescue and Beverley R.S.L.

At the conclusion of the speeches and formal part of the day – morning tea was served and the Beverley Bakehouse along with Beverley C.W.A. and individual ladies baking their wares who out did themselves with delicious food.

It was a good day, and everyone enjoyed themselves. Past officers in charge and police officers who worked at Beverley Police Station over the years also attended and celebrated the day.

COVID Vaccines - as the Beverley community have been outstanding with their responsibility to attending for all their recommended doses, and with our commitment to reduce wastage and maximise doses we are now maintaining a waiting list for those who may need a further vaccination. This has been due to the logistics of ordering and storing the vaccine in the rural area. Remember the best way to avoid COVID is to ensure you are vaccinated, wash your hands frequently with soap and water for 20 seconds, use alcohol based hand sanitiser, cover your cough and sneezes dispose of your tissues and wash your hands after, wear a mask and physical distancing, stay home and follow the health direct rules if you have symptoms. Please contact staff for any further information.

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. Welcome to Beverley

The 2023 school year welcomes the addition of some new staff to our school. Mrs Sinead Enright and Mrs Tahlia Fertch both join our Early Years team (Kindy and Pre-primary). Our 2023 Primary teaching team has seen the addition of Mrs Sarah Aquilina (Year 4), Miss Kelly FitzGerald (Year 4/5) and Ms Tamara Nixon (Year 3 and Primary Science). We welcome Mrs Khie Gregory to our Secondary team as HASS teacher.

150 Years of Schooling in Beverley

As a school we celebrate 150 years of public education and schooling in Beverley. Records state that schooling commenced in Beverley in 1873. The Spring Back to Beverley Festival highlighted that many visitors and former staff, students and former residents enjoyed visiting the school in 2022 and observing some of the historical artefacts. We will work to develop a series of commemorative events throughout 2023 for school and community members to enjoy and celebrate the significance of the history of schooling in Beverley, along with the achievements of the school in its current iteration.

Assembly Format 2023

Our Assembly format has changed in 2023. The Secondary students will have regular short weekly assemblies every Wednesday morning in the Red Shed Undercover Area. Our Primary students will host assemblies in Weeks 5 and 9 in the Canteen Undercover Area. Whole school Assemblies will be held once per Semester – dates TBA. Parents are welcome to attend these events and are asked to please sign in at the Front Office upon entering the school.

CADETS

On Friday afternoons the Secondary students join the York Emergency Services Cadet Corps (ESCC) students at York District High School. The ESCC developed from the idea that young Western Australians should be given every opportunity to develop as individuals and become valued members of the community.

Members of the ESCC undertake a wide and interesting range of training and activities that foster self-reliance, teamwork, initiative, and a commitment to community service.

The ESCC was established in 1996. It embraces the operational and community service ideals of the Emergency Services – the State Emergency Service, Fire & Rescue Service, Bush Fire Service, Volunteer Marine Rescue Services and Community Safety.

The program offers young people an opportunity to learn life skills that they can take with them into their workplace and lives beyond school, through training in mapping skills, First Aid, fire safety, Keys for Life and Bronze Medallion. The aim is for Cadets to find training fun and exciting, and at times demanding.

The Cadets attend a camp each year. This year the Year 7/8s will be going to Rottnest Island in May and the year 9/10 Cadets will go to Kalbarri in Term 3. They will undertake a variety of activities including bike riding, abseiling, canoeing, bush walking and whale watching. Both camps have been a highlight of our Secondary students' 2021 and 2022, building self-confidence, relationships, and life skills. This is a fabulous opportunity for all our Secondary students that is heavily subsidised in cost by the ESCC, making it both affordable and exciting for our students to be involved.

COVID-19 UPDATE - Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

Artists-in-Residence at the Station

Artists-in-Residence for February were Mutsuko Bonnardeaux and Naomi Keenan.

During the two weeks Mutsuko was at the Station she sold two of her exquisite tiny hand torn paper collages plus two commissions. Many visitors to the gallery thought her work to be oil paintings. Mutsuko noted the town has modernised since her previous visit and thought it lovely so much is happening with such enthusiastic local people.

Naomi Keenan, standing in front of one of her works in progress, holds a basket of banksias in readiness for her Botanical Arts and Bubbles evening. A painting workshop fully booked with much anticipation.

Artists-in-Residence for the month of March:

Jenny Ellis-Newman and Derek Fowler from 1 - 13; and from 15 – 19 Len Zuks, who was AiR two years ago.

Jenny Ellis-Newman is from the northern beaches of Perth and took up painting professionally thirteen years ago after retiring from university teaching. She is a narrative artist inspired that her paintings should tell a story hence they often include beachscapes with children at play, loving couples, and birds. Her preferred medium is acrylic, however experiments with mixed media and a variety of styles

and subjects in bright colours. Jenny is selling her original framed artwork, limited edition prints and greeting cards at the Station Gallery.

To view Jenny's work online go to:

Derek Fowler is a Perth based landscape photographer specialising in colourful and unique images of Western Australia. Derek combines his long-standing pursuits of bush walking and photography and has developed a passion for landscapes. His coastal, forest and mountain images of

Western Australia focus on natural colour and beauty with no artificial enhancement ready to be painted images without exception. His photography captures the magic of WA.

Derek has expanded his portfolio to capture natural images of flora and fauna. He can provide images of classic Western Australian landmarks or cater for specific personal requests from customers.

All of his images are professionally processed and quality is guaranteed. Pop into the Station Gallery to see/purchase his beautiful landscape photography.

To view Derek's work online go to:

<https://fowlerlandscapephotography.com.au>

Len Zuks is well known for his larger than life sculptures constructed mainly in steel, galvanised and painted. One such work was a winner at Sculptures by the Sea at Cottesloe some years ago. Also an international award winning artist, he

paints in all mediums with an irregular attitude of following a flight of fancy. He paints realistic portraiture as well as nonsense figures, caricature, and quirky scenes of non-realistic proportions, usually to invoke a smile from the observer. Most other paintings are either quirky or abstract with an emphasis on Australia and its landscape. Whilst in Beverley on this cultural exchange from 15 – 29 March, Len will be painting canvases on the station platform under the verandah. He welcomes the community to come along and view his painting process while the gallery is open, and happy to have people watch him at work.

Beverley Horse and Pony Club

Who's been out and about

Mortlock Tetrathlon: February the 4th & 5th saw two dedicated riders embrace the summer heat and compete at Morlock PC Tetrathlon. Carly Ballantyne competed in her first ever 105cm and placed 2nd! Her team came in 1st! Ruth Elsegood took her new horse, Gus and they competed in the 45cm and placed 3rd!

Pony Club WA State Coaching School: On the 11th and 12th February, Tess Hawke, Marie Hammond, Jess Martin, Bec Halbert and Naomi Seibert attended this fantastic school to ensure Beverley HPC was up-to-date with the current policy, procedures and coaching skills to run a successful club. This was a great representation from our coaches.

Serpentine Tetrathlon: Was also on the 11th & 12th February and Emily & Jessica Maxwell both attended. Jessica placed 4th in the 65cm.

1st Rally: 28th January was an early start to beat the heat and we had a small but keen group of riders attend. Welcome to our new member, Sonia Houk who has joined our club this year.

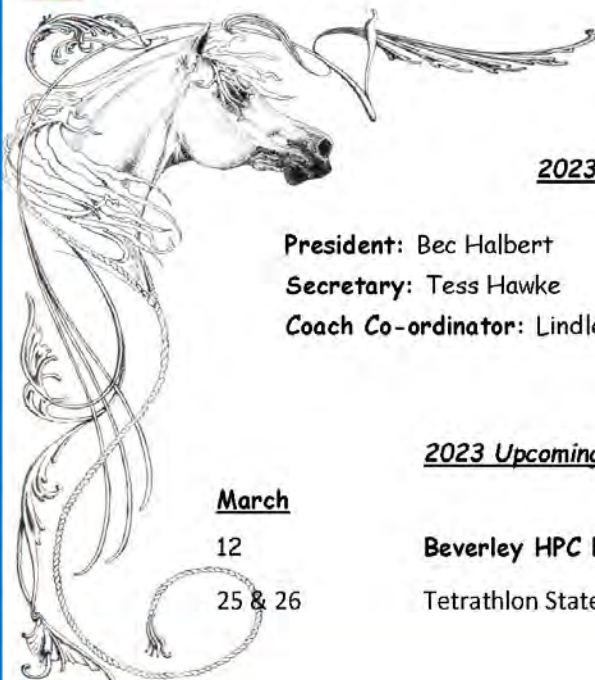

2nd Rally: 19th February was a very warm day and all lessons were completed before 11am to ensure for the wellbeing of our equine partners. This rally had three full groups refining their dressage, jumping and the young members getting out on the cross county course. We had two new riders utilise our 'Come and Try' option and we all hope they had a great day at the club.

AFA Premiers: 1960 – 1961 – 1973 – 1976 – 1992 – 1996 – 2003 – 2010 – 2012

25 February 2023

Dear Members and Supporters,

As we race towards the start of the 2023 season, I am honoured to be here to welcome you all to what will surely be another great football and netball season. As you may know, I made a late election break and took up the mantle as President in early January. I firstly would like to thank my not so bitter rival in the re-election campaign, **Robbie Wansbrough** for his stellar efforts at the helm in 2022 as president. The club took some notable achievements under his guidance with a finals reappearance for our league team, a notable well deserved 'W' notched up in the reserves team and the Netball girls only just missing out on an appearance in the finals. In addition, the club debuted our first Indigenous Round jumper, designed in collaboration with League player *Khyle Ugle* and local artist *Lisa Mourach*.

Looking back at the long line of great ex-presidents before me, all with notable achievements and contributions to the club in their tenures, I feel the mantle of responsibility starting to sink in. But slowly I remember I know where they all live and that they are generally never too hard to spot or too far away once the red leather is out. One of the great things I've seen in my time at the red and black is the continued support from players and supports, both new and old. It is these people who help make the Beverley Football and Netball club the great club that it is. If I can contribute just a little more than what has already been done, during my tenure as president, then I'll chalk that up as a massive win. In saying that, I'd like to thank all of the sponsors from the 2022 season who helped support the club in a multitude of ways and we will continue to ensure their support is recognised and appreciated. A new season welcomes with it new sponsorship and opportunities. If you're interested in supporting the Redbacks in any way, please feel free to reach out to myself or one of our committee members [listed below]

Our previous years League Coach, **Kodie Fleay**, has taken on a much larger role as father to his first born child, leaving the door open for a new coach to guide the Redbacks League team into the 2023 season. With that, we would like to officially welcome **Kyle Martin** to the Beverley Redbacks as our 2023 League Coach. Kyle brings with him a wealth of football experience both on and off the field with a long list of accomplishments as both a player and as a coach. I could list them here, but with our club's dedication to 'net zero', we simply can't afford the carbon output on the pages and pages of accolades required in printing. My

suggestion would be to grab a beer, introduce yourself to the man and let him tell you all about it. With Kyle comes the support from his wife, *Olivia* and their four kids who all enjoy a great day out at the footy. Kyle also brings with him a strong belief in family and club culture, a belief shared with the committee as we look to build towards a 'Culture Brings Success' attitude in 2023.

Returning for another round at the helm, **James Adams** will continue to build upon the successes of our reserves team as he takes on his third year as Reserves Coach. Whispers on the street say he's putting together a team for the ages. If the boots still fit, one might suggest blowing the dust off and having them ready to go. Team mantra remains consistent, with 'Celebrate Big' being the continued focus point for the team in 2023. A point to remember, if ever in doubt, you can always ask 'Westy' and he'll be sure to proudly remind you.

Our netball side will welcome some new faces to the side in 2023 as the girls look to continue to build upon their 2022 success with game day Coach **Jennifer Murray** at the helm, taking on the role from **Gemma Bassett**. Under the appointed fitness coach of **Ashlyn Ridgeway**, I'm sure we're set for some continued outstanding displays of athleticism and action on the netball courts in 2023.

One notable change for the 2023 season is that most of the club's fixtures have been scheduled for Saturday's, with only one on a Sunday [Round 10 – 18th June] due to a clash with a Colt's carnival. This should provide plenty of opportunities for players and spectators to make the time to play and engage in social events throughout the season. This year also marks the reunions of our premiership sides of '73' and '03' celebrating their 50th and 20th year reunions respectively.

The club continues to rely on the support of members to help with match day duties, so again we will be reaching out to those who might spare the odd weekend to grab a set of flags, help with canteen shifts or behind the bar to support the club. We will look to have a volunteer 'Whatsapp' group again for 2023, so if you think you could possibly spare some time on the occasional match day, please let us know and we can add you to the list. They say 'A job shared, is a job halved', so the more we can get on board.....the more maths I would have to do to describe this Chinese proverb. The message remains, many hands make light work, and failing that I'm sure you could pressure our treasurer into buy you a beer in recognition of your efforts.

The club also welcomes onto the committee for 2023, Jarryd Morton, Stewart Kempton, Jennifer Murray & Scott Thompson. Stepping off the committee are Ash Fleay & Jayde Creedon. We would like to thank them for their contributions and time spent on their roles as committee members for 2022.

PRESIDENT REPORT – BEVERLEY GOLF CLUB AGM – 14th FEBRUARY 2023

Thank you for your attendance tonight for the Beverley Golf Club 2023 Annual General Meeting.

Last year I started my presidents report talking of COVID and the restrictions in place at the golf club, well thankfully I can start this report with not having to mention any of that as all the restrictions had been removed.

COVID however did affect the club with the Annual Old Boys dinner having to be cancelled again due to an outbreak around the time it was due to be held. Thankfully this year's dinner is going ahead with Aquinas being the host school. Thanks to Yvonne Hobbs who has agreed to co-ordinate the catering.

Taking away the disappointment of not being able to host Old Boys, the club had another fantastic year at the 19th green. Last year we introduced a Fish and Chip Night, which was held on the first Friday of every month. This was open to anyone from the community to come and attend.

From the 8 fish and chip nights over 500 meals were cooked. A massive thank you to Sandy Woods and Val Hagan for all your hard work cooking the meals. Both did a wonderful job. Thanks to their helpers Terry Woods, Graeme Hagan and Christine Hagan.

Also thank you to those that helped behind the bar during the year, Monica, Bicks, Chris and Ken. A great team effort and the ladies have agreed to continue the Fish and Chip nights this year.

Last year in an effort to raise more funds for the golf club, we took on the running of the Beverley Agricultural Show Bar. This was an outstanding success for the club and a big thanks to Chris Lawlor who managed and co-ordinated the bar. Also thank you to those that helped him out during the day and night.

We also saw the expansion of darts to the clubhouse, with the Ladies darts joined the club and played on a Monday night. They had a great first season at the club and thanks to Monica for helping the club with serving behind the bar on those nights.

With the introduction of Ladies darts it meant that the club was open for 4 nights of the week for sport and with the Fish and Chip nights and a couple of wakes, a birthday/anniversary party and other events it was a busy time.

I want to thank everyone who put their hand up when asked to cater for these events or run the bar. It is the reason why the club has been so successful.

There was no great spending this year by the club as the committee's focus was on fixing the roof of the clubhouse. The club is in the process of the roof being restored by local painter Lyndon Grover.

Security was a priority this year with the purchase of some security cameras for the clubhouse and security gates installed to the equipment shed. Thanks to those involved in installing the gates Graeme, Terry, Mike, Steve.

Also thank you to the Beverley Shire for again approving a grant for \$1000 to help with the purchase of the gates.

The club was also acquired a defibrillator which is now located behind the bar. This was kindly donated by Graeme and Val Hagan. Thank you for the donation.

Again the course was in pristine condition. This would not be possible without our fantastic course committee. At the start of last year, the course committee started with Terry Woods, Fred Sing and Mike

Carthew. However unfortunately due to surgery Fred couldn't help as much as he wanted to and Steve Johnston came on board and helped out with the countless hours that the committee spent on having the course looking great. Thank you to all of you for all you do for the club.

I want to thank Fred for all his hard work over the many, many years he spent at the club. Sometimes the only person preparing the course for golf. I hope your back gets better and there is always a mower with your name on it.

Thank you to Monica who last year came on board as the cleaner, but ended up volunteering to do any job needed around the club. Thank you.

To our captains last year. Men's captain Marc Edwards and Vice Captain Mark Bickley, Ladies Captain Jane Murray and Vice Captain Valda Morton thank you for all your help during the year. As much as we were successful in the club house we had great golf events during the year which were well run.

Thank you to our members who keep coming back week after week to play golf.

I am extremely thankful for our sponsors who continue year after year to sponsor our fantastic club. Your sponsorship is one of the reasons that we have been successful and I do hope that you can continue your sponsorship this year.

Congratulations to Darrell Hagan and Maxine Watts who won the club championships. Well done to Barrie Johnston for the winning the plate final.

Also congratulations to Ali Lewis who was the winner of the State International Bowl, Bronze Division and Paul Higgins for winning the Craig Cup at York. Always fantastic to see Beverley golfers having success outside of Beverley.

Thank you to all those who participated in the championships and all other events during the year here in Beverley and other towns.

Thank you to John Donovan for being the club patron for 2022.

Thank you to everyone on the committee. Your commitment during the year has been outstanding and much appreciated. I am extremely proud of everyone involved in the golf club. I have no doubt that the new committee will continue that same commitment towards the club and 2023 will be even more successful.

I wish everyone best wishes for 2023

No dates have been set by the golf club for this year. We do hope that we can finalise those dates by late March to very early April. It is envisaged that the golf season will start mid-April just after Easter and prior to Anzac Day.

SHIRE OF BEVERLEY

The Parish of Beverley – Brookton

Anglican
Church
Diocese of Perth

Throughout March we will be observing the Season of Lent, a time characterised by self-examination, penitence, self-denial, study, and preparation for Easter. Lent runs for forty days, reminding us of the forty days that Jesus spent in the wilderness.

Stations of the Cross have formed part of Christian devotion at Passiontide for many centuries; they enable us to engage actively with the path of suffering walked by Jesus. They originated when early Christians visited Jerusalem and wanted to follow literally in the footsteps of Jesus, tracing the path from Pilate's house to Calvary. They would pause for prayer and devotion at various points.

Mothering Sunday is the Fourth Sunday of Lent. In mediaeval times each year in the middle of Lent, worshippers would visit their "mother" church - the main church or Cathedral of the area. Inevitably the return to the "mother" church became an occasion for family reunions when children who were working away returned home.

Services to honour the Feast of the Annunciation (Lady Day), the Patronal Festival of St Mary's Church, Beverley and Guildford Grammar School, will take place at Holy Trinity Church, York on Saturday, 25th March at 6 p.m. and at St Mary's Church, Beverley at 10 a.m. on Sunday, 26th March. At the service at Beverley our guest will be Archbishop Kay Goldsworthy.
