Edition 465 July 2023 No Charge

*We know you'll have loved A Fortunate Life, so book now for our next offering from Theatre 180 coming to Beverley.  
18 of July 2023. 7.30pm at the Town Hall.*

From the dark days of WWII comes a true story of love, courage and fateful decisions

THEATRE 180 presents  
**SYDNEY II:  
LOST AND FOUND**

When HMAS Sydney II was sunk by the disguised German Raider HSK Kormoran in 1941, it took with her the entire crew of 645 men. Among them was a young Western Australian Able Seaman, Allan Rowe. For 66 years Allan's wife and daughter hoped that one day the wreck would be located. In 2008, due to the persistence of the volunteers of the Finding Sydney Foundation, that dream became true. This epic story of love and loss, fear and courage, and the resolution of a mystery for those who never gave up hope, will be brought to life using the immediacy of theatre with the visual impact of cinema. Acclaimed actor Myles Pollard leads a dynamic cast across oceans and eras as we chart the loss and discovery of Australia's famous warship and her valiant crew. From the creators of the sell-out successes of A.B. Facey's A Fortunate Life and The Lighthouse Girl Saga, THEATRE 180 is proud to bring back to regional WA another story of great courage and heart.

# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## Aboriginal Cultural Heritage Act, 2021

The *Aboriginal Cultural Heritage Act (ACH) 2021* is scheduled to come into force on the 1<sup>st</sup> July, 2023. The previous Acts will be repealed (*Aboriginal Heritage (Marandoo) Act 1992* and *Aboriginal Heritage Act 1972*). The new Act is designed in part, to recognise, protect, conserve, and preserve Aboriginal cultural heritage. This Act will affect all owners of land whose area exceeds 1,100 square metres.

There is much confusion over the operation of this Act. At the recent Central Country Zone Conference held in Dumbleyung on Friday 23<sup>rd</sup> June, a Departmental representative, Mr. Ben Harvey, gave a presentation on the important facets of the Act. While it was detailed, many questions from the delegates were not able to be answered definitively and many doubts remained.

From a Shire perspective, there are several areas that still need clarification. The Department is recommending the communities take any queries to their local Shires but after Friday 23<sup>rd</sup> the Shires themselves may not have sufficient information to provide the communities with a reasonable answer.

## New Federal Government Funding Scheme.

The Commonwealth Government Growing Regions funding scheme recently launched was seen as a possible source of funding to begin work on the Swimming Pool. It was envisaged that the total redevelopment be staged with Stage 1 being an upgrade to the plant room, filtration system, main bowl access, children's pools, and concourse renewal.

Unfortunately, further information on this scheme has revealed that the scheme is based upon projects that have a regional focus; namely, several Shires working together to achieve a common project. On this basis, the swimming pool does not qualify.

## Strategic Community Plan.

All relevant information is now with Mrs. Caroline Robinson who is working towards presenting the Plan to Council in July. I would like to thank all those who participated in this process with submissions.

## Road Construction.

Council have agreed to contract out full construction works for Waterhatch, Mawson, and Morbinning roads in the 23/24 road programme. The three projects were advertised using WALGA E-quotes with a final decision to be made at the June Council meeting.

## Local Government Elections.

Local Government elections are set for October 2023. Beverley Council will have three vacancies and for anyone interested in lodging a nomination, this will occur in August, 2023. There is a requirement that those wishing to nominate need to be aware that it is a requirement to complete a [free online induction course](#) which will provide a basic understanding of the functions and responsibilities of a Council member. This course will also inform the nominee of the laws governing the way a nominee should conduct their election campaign. This course is compulsory.

## UPDATE FROM THE FRAIL AGED LODGE COMMITTEE

[Alex Miles Lodge]

The Committee has had a busy year. As most of you know, we now have a backup generator in case of a major power failure and I must give thanks to generous donations from the Hospital Auxiliary committee, Sandy Dawson Concrete for donating the cement pad, and Karl Smith Beverley Electrical for all the extra work he did to install the generator.

Our next project is to put an atrium roof over the courtyard west of the kitchen. For this to happen, we employed an architect to plan the project. We have recently engaged a builder to do the work, which involves putting up an insulated perspex- type roof with all-weather blinds on the north and west sides. *Our local committee hopes to have this project completed before the end of 2023.* We will then upgrade the floor area to make it suitable for residents to use.

As a result of the 2019 Royal Commission into Aged Care in Australia, Commonwealth Government funds have been allocated for improvements at facilities throughout Australia. The Alex Miles Lodge is a beneficiary of a substantial amount of these funds. The project, to be managed by the WA Country Health Service [WACHS] will upgrade some of the facilities at the Frail Aged Lodge.

For example, the kitchen dining area will become a café-type environment with new flooring, kitchen cabinetry and wall tiles. A doorway will be created to connect the dining room with the newly enclosed courtyard.

All ensuite bathrooms will be upgraded with particular attention given to new vanities and fittings.

The lounge area will be repainted and new artwork installed.

Upon completion of these improvements, the Frail Aged Lodge Committee [local] funds will replace the carpets in the passageways with a product that meets the required Health Department standards.

*So, there are changes to look forward to that will make the Alex Miles Lodge environment more homely and comfortable for the residents. The Health Department has not yet given a time frame for their project, but Zoe Lear HSM [Beverley Health Service Manager] and WACHS [Project Officers] will provide us with updates that we will share with the community.*

We look forward to continued interest and support from the Beverley community.

Lew Shaw

Chairman, Beverley Frail Aged Lodge Committee

Meeting room of the Beverley Hospital.

# St John Ambulance Beverley Sub Centre

Here we are the end of the financial Year. Wow where has the first half of 2023 gone. Some of us must have missed it.

Firstly, a big Welcome to Steve our newest Volunteer. Steve has been attending Training for several weeks now and in the very near future will be heading off to do his Emergency Medical Responder Course in Northam. Ian, Chad & Amanda are off to the Emergency Medical Assistant Course, and then Jodie is off to her Emergency Medical Technician Course. Best of luck to you all, we know you will smash it!

Training is as always well attended, and for the next couple of months Major Trauma is the programme for Training. Knowing how to handle a patient with a spinal injury and transporting to hospital with these types of injuries. Let's hope we never have to use these skills. Also practicing splinting of a broken limb. Our crews are trained to deal with a wide and varied range of skills throughout the year. The Crews this year have been involved with attending Community Events such as Football, Pony Club & Motor Cross. For some groups they cannot hold an event unless they have an Ambulance and Crew on site for the duration of the event. Thanks to our untiring crew who regularly put up their hand to man these events during the day.

< Applying a C Spine Collar

< Performing a log roll >

Sometime ago we had a map made up thanks to the help of the Beverley CRC showing where the AED's are in town, in the next few weeks will be placed around Beverley showing where they all are located and the accessibility to them. Thanks to the Shire for helping by placing them around Beverley.

Have you heard of THE FIRST RESPONDER ?

Question - Do you know what the term means?

Answer :The St John WA Community First Responder program is a free service that aims to get defibrillators to cardiac arrest victims in the vital minutes before an ambulance arrives.

---

When a person unexpectedly collapses due to a cardiac arrest, bystanders may not know if there is a defibrillator close by. Organisations that are part of the St John Community First Responder program have their defibrillator location and a contact person registered with St John WA. This helps a defibrillator to be retrieved as soon as possible and applied to the patient in the time critical period before an ambulance arrives.

Contrary to popular belief, sudden cardiac arrest can strike any person regardless of age, gender or health status and approximately 33,000 Australians die every year from this condition. The single key contributing factor to improving survival rates of sudden cardiac arrest is the time taken to administer early CPR and defibrillation. Where CPR and defibrillation are administered within five minutes of an event, studies have shown dramatic improvements in survival rates.

How the CFR system works

In the event of a sudden cardiac arrest, the flow of events is:

- A person suffers a sudden cardiac arrest
  - Bystanders call triple zero (000)
  - An ambulance is dispatched
  - The first responder is called by the St John Ambulance triple zero (000) call centre and deployed OR the caller is advised where the closest defibrillator is so that it can be retrieved
  - The first responder carries out CPR and applies the defibrillator if necessary
- An ambulance arrives and paramedics take over the care of the patient

Benefits of becoming a CFS location:

The benefits of adopting the Community First Responder system in your organisation or community include:

- The knowledge that you will be playing a key role in helping to save lives in your local community or workplace.
- Peace of mind that a well-coordinated response plan to medical emergencies is in place.
- Being informed of incidents of cardiac arrest as they are happening.
- A direct communication link between your organisation and St John WA.
- Ongoing support and customer service.

An easy to implement plan that is already working well in Western Australian communities and organisations.

Contact St John Ambulance to become a Community First Responder location today. Phone us on (08) 9334 1428 or email: [first.responder@stjohnwa.com.au](mailto:first.responder@stjohnwa.com.au)

Don't forget our Sub Centre Office is OPEN Tuesday and Friday from 9am to 2 pm where Jo is happy to help with any queries.  
Till next month take care.

Our Crews had a very busy April with call outs and Amanda & Chad were able to help out folk who had accidents when they were out of uniform. So, you can all see we have a dedicated group in Beverley.

Bronwyn our CP has been on holidays for few weeks and we have been ably helped by Gary over this time. Thanks, Gary, for all your help and we look forward to having you back in our Sub Centre again in the future.

That's all for this month, take care everyone as much as we like to see you we really don't want to have to see you in the back our ambulances.

## JUNE EVENTS

### AWAKENING THE SOUL WORKSHOP

This ***sold out*** mediumship workshop began with a peaceful meditation session, followed by guided exercises with Dawn and Linda. These exercises helped participants to tune into their intuition and psychic potential. Dawn and Linda were kept busy for the next two days with personal readings.

### ART AND CRAFT CLUB

This month our budding artists handcrafted bright rainbow collages using recycled magazines and materials. They all had a great time keeping busy cutting and sticking their colours onto their rainbows. Next month on July 24, we'll be making friendship bracelets, so see you then!

### XERO WORKSHOP

Theresa from RSM Business Local held a workshop for our business and community group members. It was a great beginner's course learning the ropes of Xero and how to navigate through the program. A big thank you to everyone who attended, and a massive thankyou to Theresa for making the trip out to Beverley!

### WBN CHAT GTP WORKSHOP

Wheatbelt Business Network hosted a masterclass in Unlocking AI: Powering Your Business With Artificial Intelligence. Peter Lowen from Constructive Visual led the masterclass, and shared how he uses AI to help save time in his business.

### BINGO!

For our May bingo session, we asked participants to dress up in their ganster gear as we filmed a mini music video clip to promote our bingo sessions. Alyssa has been busy editing the clip, but keep an eye out on Facebook and Instagram. A big thank you to everyone who joined in the fun. Our bingo session for this month will be July 28, new faces are always welcome!

## CRC NEWS

### CONGRATULATIONS JAIME

Jaime has been nominated for an esteemed award by the SLWA (State Library Western Australia). Over the past year Jaime has worked hard upgrading spaces in our library, improving the Junior section, introducing new technology and improving the space to include more resources for our older members. Good luck Jaime, and enjoy the awards night in Perth on 20 July.

### CONGRATULATIONS ALYSSA

It's official, Alyssa has completed her traineeship with the Beverley CRC! Alyssa studied Cert IV in Marketing and Communications, sharing her time between the Shire of Beverley & the CRC. During her time at the Shire, Alyssa assisted with many projects including a marketing campaign for the Spring Back to Beverley festival, and the the ongoing trails program.

Alyssa's was responsible for developing a Social Media Strategy for the CRC, performing an audit in the Instagram account and a full rebrand our CRC social media accounts. Her role included creating posts and videos for our CRC community group members, posting staff profiles, library displays, kids' workshops and most recently the SOCK Week grant.

### TECHNOLOGY AND INNOVATION GRANT

Sam has successfully secured funding to introduce a pilot project for the CRC. This new initiative will provide an economic development program to create new job opportunities in our community. This project is a Content Creation Studio that focuses on creating social media content for local and Wheatbelt businesses. We anticipate broadening our services to product-based eCommerce stores throughout Australia. We look forward to keeping you updated!

## LIBRARY NEWS

### Library Wall Murals

Our *Australiana* decals are now up in the library and looking as fresh as ever! Bring the kids down to explore the library and see how many animals you can find.

### State Library Changes

Library ILLS (Inter Library Loan Service) will be ceasing on 1 July, which means all state libraries will no longer be able to borrow books from other libraries. We understand that the closure of this service affects many readers but please come into the library and chat with our staff, as we can assist you with accessing online books, magazines and other library resources.

### Backyard Cricket Grant Funding

We have recently received funding to purchase books for Junior Book Club! Thank you Jaime for the hard work you put into the library!

ARE YOU READY TO STEP INTO VOLUNTEERING?

## We are looking for Volunteers.

Beverley Health Service

1 Sewell Street, Beverley WA 6304

*Do you have spare time?*

*Do you enjoy helping others?*

Volunteering offers many incredible benefits and opportunities. Volunteers create, support, and sustain organisations delivering services and activities that are essential to our communities.

**We require volunteers, so please do not hold back, contact the Beverley Health Service on 9646 3200 if you wish to volunteer regarding meals on wheels and other ongoing transportation.**

Make a difference to the lives of others - Give something back - Help others less fortunate - Feel valued and part of a team - Meet new people and make new friends. *Volunteering gives you the opportunity to become an active member of your community, while helping others and yourself.*

*Volunteers are the backbone of Western Australian society.*

When we consider the benefits gained from volunteering, we are all winners – the impact has a ripple affect starting with the volunteer, the organisation, service and/or people benefitting from the volunteer and the impact this has on our community.

# Beverley Community Garden

Hello fellow Beverley residents,

Salutations to the arrival of Winter and the life sustaining rain that falls from the sky and transforms our dust bowl into a green wonderland. The BCG volunteers have tended to the thousands of weeds that have seemingly appeared from nowhere and we just keep on weeding. Volunteers at the BCG want to say a very big thank you to all those who donate their empty cans, bottles and recyclable plastics to us. The funds raised from the donations are used by the BCG one hundred percent to the running and maintenance of our community space. Donations are the lifeblood of the Garden and we are very grateful for the continued contributions. A big thank you to Luke McDonald from Shazmac Plumbing for his kind donations, we are very appreciative that you donate your recyclables. Another big thanks you to Fred Sing and Mitch Henry for the mowing of the grass with their ride on lawn mower, it saved us a lot of time and energy. Thank you. Thank you Robert and Jamie Blight for the large truck load of sheep manure.

Beverley Community Garden was extremely happy to attend our local Playgroup and demonstrate how to set up a compost bin and build a scare crow to protect their garden beds from the crows and parrots.

A Community welcome to Peter who has recently joined our Beverley Community and the Beverley Community Garden as a new volunteers. We really appreciate all that anyone can do to participate with the BCG. From just coming to have a chat and cuppa to weeding for two hours. Please pop by and have a stroll through the Garden, and see the amazing variety of vegetables and herbs growing, so that we can have healthy sustainable food.

Enjoy your fires and the beauty of winter.

Kind Regards  
Eleonora Di Bello-Greatley

**COVID-19 UPDATE** - Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

## **Artists-in-Residence at the Station**

*Artist in Residence for June* was Jo-Ann Arundale for the first three weeks followed by her friend Judy McDonnell. Both enjoyed their time here though visitors were at a minimum during the cold wet days.

### **Artists-in-Residence for July 2023:**

Unfortunately, Anne McCaughey has had to cancel her booking at the Station for the first two weeks of the month. But as we have a cancellation list the time slot was able to be filled albeit last minute.

Tiffany Forster will be AiR from 1 – 16 July. Tiffany has been a pastel artist for around 15 years now, dabbling in watercolour and mixed media along the way. She grew up in the foothills of the Great Dividing Range in

Victoria and loves being outdoors painting en plein air whenever she gets the chance. She moved to Mandurah in late 2019 with a view to changing things up but then Covid hit which led to painting the tiny birds she encountered on her solo daily walks. Tiffany shows her beautiful work, both in exhibitions and online and is selling locally and internationally. Please keep an eye on the Bulletin and/ or the BSA Facebook page for any workshops offered by Tiffany.

Come mid-July we have Lorraine Pichugin returning to the Station for one more stint. Lorraine will be conducting another workshop, this time looking at the processes she uses before she paints a Still Life. She will be covering things

like making a shadow box, composition setup, lighting and thumbnail sketching. And if time permits within the three hours, finishing with an oil paint colour study. Lorraine will have some exquisite recent works related to the Beverley area on display at the Station Gallery and invites the community to a little afternoon tea (kind of like an opening but not as official) for those who would like to come on Saturday of the first weekend; ie, 22 July, between 2 & 4pm perhaps. (Please RSVP to Lorraine 0419 175 076 for catering)

### **ARTISTS-in-RESIDENCE for remainder of 2023**

JULY – tiffany Foster 1-16; Lorraine Pichugin 18-31

AUGUST - Meg Bradford-Seeley 2 - 15

- Di Drachenberg & Anthea Taylor 16 - 30

SEPTEMBER - Caroline Furque

OCTOBER - Kaye Louwen 2 - 14;

- Barbara Troncone 15 - 24

NOVEMBER – Jen Hill

DECEMBER - Alex Kyriakakis 1 - 11

**Station Gallery Open Hours: 11.00am – 3.00pm**  
**Thursday, Friday, Saturday, and Sunday**

**BeSASS (Beverley Station ArtS Singers)** is a FREE community choir which continues to meet weekly on **WEDNESDAYS** for around an hour and a half from **6pm** in the Green Room of the Platform Theatre. Kelly Shaw and Jo Sims share the role of Musical Director and have the choir members (15 so far) enthused to sing their hearts out, with or without musical accompanist, at our annual Choir Muster on 16 September.

Anyone wishing to join the choir of BeSASS please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASS.

## **BANNER PARADE**

On the beautiful balmy evening (a two-hour break between showers!) of Friday 9 June we hosted a Winter Sundowner to present the 23 banners to the various clubs and groups.

Shireen Manning, the artist who designed and made the banners, was there to hand over the flags which were then placed in their stands to be shown to all. They looked fantastic all together and hopefully can be displayed this way again from time to time when celebrating our local heritage.

Around 50 attended and delighted in the drinks and homemade sausage rolls and quiches. This banner project was initiated through a grant of Department of Local Government, Sport and Cultural Industries (DLGSC) Culture and the Arts (WA) and Lotterywest Creative Communities COVID-19 Recovery 2021-2022 funding program.

We know you'll have loved A Fortunate Life, so book now for our next offering from Theatre 180 coming to Beverley 18th of July 2023. 7.30pm at the Town Hall.

From the dark days of WWII comes a true story of love, courage and fateful decisions

THEATRE 180 presents  
**SYDNEY II:  
LOST AND FOUND**

When HMAS Sydney II was sunk by the disguised German Raider HSK Kormoran in 1941, it took with her the entire crew of 443 men. Among them was a young Western Australian Able Seaman, Alan Rowe. For 66 years Allan's wife and daughter hoped that one day the wreck would be located. In 2003, due to the persistence of the volunteers of the Finding Sydney Foundation, that dream became true. This epic story of love and loss, fear and courage, and the resolution of a mystery for those who never gave up hope, will be brought to life using the immediacy of theatre with the visual impact of cinema. Acclaimed actor Miles Pollard leads a dynamic cast across oceans and eras as we chart the loss and discovery of Australia's fiercest warship and her valiant crew. From the creators of the sell-out successes of A.D. Easy's A Fortunate Life and The Lightbouse Girl Saga, THEATRE 180 is proud to bring back to regional WA another story of great courage and heart.

TUESDAY 7 NOVEMBER

Thank you for your support during the 2022/2023 season.  
It's membership time and we are hoping for your ongoing support.

Another fabulous year done. Some of our outstanding events were Tony Galati the musical, our tribute band Soul'd on Tina, the ever-popular free Community Christmas Party, Sparrows of Kabul, BAD Season of one act plays, Choir Muster the Easter Art Exhibition and Markets and the amazing performance of "A Fortunate Life".

Supporting BSA Inc is also of course supporting the Beverley Armature Dramatics (BAD) and the Beverley Station Arts Singers (BeSassy).

The Community Banner project was also completed and provided individual banners for 23 of our Community Special Interest and Sporting Groups.

Along with this 2022/2023 saw many new visitors come to Beverley to be an Artist in Residence or take part in the many Visual Art activities that were undertaken such as the Plein Air workshops. The Artist In Residency program is booked into 2025 and beyond with a large list of artists happy to sit on the cancellation list.

A very successful and enjoyable season of events already with plenty of exciting events still on the current schedule:

- \*Sydney II Lost and Found - July 18
- \*Choir Muster - September 16
- \*Ballet in Beverley - WA Youth Ballet - October 6
- \*Brothers in Arms - The Dire Straits Experience - November 4
- \*Alex & Evie and the ever falling rain - November 6
- \*Community Christmas Party, with Mr. Snottbottom and Natural Wings performances December 23
- \*Diner En Blanc Beverley - February 24

Outside of events program, we will be undertaking the following new projects.

- \*Gallery Extension
- \*Applying for grant to place an Artist In Residence once again at the Beverley District High School following the successful 21/22 program
- \*Seeking funding to upgrade the lighting and sound, at the Platform Theatre
- \*Updating our Strategic Plan to ensure that we are sustainable well into the coming years

Your support helps us to maintain the Station Gallery and Platform Theatre and helps us source and present new and varied Arts events. We hope that becoming or continuing to be a "Friend" of the BSA makes you feel part of your local community and provides a sense of ownership of the Station, as well as helping us continue to support the Arts and provide Art opportunities in the Avon Valley.

All members have the chance to take part in the Station's governance.

As a member you are invited to the BSA Inc's AGM and will have voting rights as well as being eligible to nominate for BSA Committee positions. The BSA Annual report is emailed to all members.

You will also have access to discounted rates at the Platform Theatre events and will be entitled to free entry to the Annual Art Exhibition Opening.

NOTE: Annual membership fee is \$30 p.p. or \$50 per couple (new member), \$25 p.p. or \$40 per couple (renewal), which covers the period 1 July – 30 June. Beverley Station Arts is a not-for-profit organisation.

We look forward to your continued support us through 2023/2024.

COVID Vaccines - as the Beverley community have been outstanding with their responsibility to attending for all their recommended doses, and with our commitment to reduce wastage and maximise doses we are now maintaining a waiting list for those who may need a further vaccination. This has been due to the logistics of ordering and storing the vaccine in the rural area, please check in for our next vaccination day.

Remember the best way to avoid COVID is to ensure you are vaccinated, wash your hands frequently with soap and water for 20 seconds, use alcohol-based hand sanitiser, cover your cough and sneezes dispose of your tissues and wash your hands after, wear a mask and physical distancing, stay home, and follow the health direct rules if you have symptoms.

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone, please let our staff know. You may also advise staff if you would prefer not to have them in attendance.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling Ready Care 1800 225 523 or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor

## What Do You Do When Someone Close to You Is Struggling But Won't Seek Help?

BY THE REGIONAL MEN'S HEALTH INITIATIVE  
July 2023

I was speaking with a bloke not long ago, Joe, who was feeling really frustrated when trying to help a mate who was avoiding Joe's attempts at support and refusing to seek help, even though he was obviously in some emotional distress. As is often the case Joe felt powerless in this situation and asked how he might better approach things.

So, what do we do when someone close to us, often a friend or family member, won't seek help? How do we manage the sense of obligation we may feel or the emotions that come with this?

First and foremost, we must remind ourselves that we do not carry the responsibility for other people's health and wellbeing, they do! However, in the above situation it is important to try and understand the reasons why some people are less likely to seek help when it is needed. We need to recognise that often when people are in the middle of a tough situation, simply making a decision to admit something is wrong can be a difficult and daunting thing. It can take time for some people to become comfortable enough with their situation to then contemplate the idea of accessing help. For others, negotiating feelings of embarrassment and shame can be quite overwhelming.

I take my hat off to Joe because, like him, we all need to recognise our role as primary carers, that is, everyday people in the community actively supporting and looking out for our mates.

Whilst our intentions can be coming from a good place, trying to get someone to change or seek help can put more of a strain on your

friendship/relationship. Alternatively, simply avoiding the issue can foster stronger feelings of isolation and possibly result in the person becoming even more resistant. This can prove difficult when the time comes, and they are ready to reach out but may no longer feel comfortable with the idea of approaching you.

As difficult as these situations can seem, it is important to be there for people who are going through a tough time. You can do this just by letting them know you are available to listen when they need it and help when they do decide to reach out. In the meantime, you could take the opportunity to do a bit of research into what specialised local support options might be available, if required, such as a counsellor, financial/legal support or the GP, so you can be prepared and direct them when they do reach out. We also need to remind ourselves that the ability to listen effectively is one of the most important skills we can possess. Being a good listener can have a big impact on improving our relationships and helping others.

At the end of the day, it's also important to look after yourself. Setting clear boundaries is healthy and is all about understanding our limits. If you are starting to feel overwhelmed, talking to someone yourself can provide a good outlet and perhaps some insights into ways to manage the situation.

Most of the time, giving someone the space they need to arrive at seeking help is a good thing. However, if you do have concerns that someone is at imminent risk or danger to themselves or others, it is important that you act on this and seek professional help immediately. In these circumstances you may be worried about going against a person's wishes, but realistically most of us would rather deal with an angry response than a situation where the person we care about is seriously hurt or in trouble.

## HEALTHY SWAPS WHEN EATING OUT

Healthier take-away lunch options

With the mid-year school holidays upon us and group outings being planned, why not try some tips by exploring our [LiveLighter](#) tips assisting us to make healthier choices and enjoy eating out? Whether it's take-away, dine in, or restaurant meals, they are often high in sugar, saturated fat & salt. Food outlets often serve up more than meal sized portions + include high kilojoule drinks that are bad for our health. Healthier choice tips to assist us all in making healthier choices and enjoying eating out can be found here:

## Find Cancer Early – Are you experiencing any unusual symptoms?

If you notice anything that is unusual, it is important to seek advice from a trusted health professional, such as your doctor, clinic nurse or Aboriginal health worker.

Being aware of the early symptoms and taking action can save lives and prevent cancer from spreading to other parts of the body.

Often when people decide to make an appointment, lots of questions & concerns pass through their mind.

**Remember** - health professionals are there to help you. Don't be embarrassed to let them know about any unusual changes. There is **NO** reason to put things off. You know your body better than anyone else. It may not be cancer – often turning out to be something less serious.

**The earlier cancer is found the greater the chance of successful treatment.**

## European wasp close of season

Entrance of a subterranean (underground) European wasp nest. The nest entrance is easily hidden amongst leaves.

### The European wasp 2022-23 season has drawn to a close with 21 nests found and destroyed.

The optimum time to detect and locate European wasps (*Vespula germanica*) has passed. Traps have been cleaned and now is the time to reflect on another fruitful surveillance season. It is also time to say thank you to everyone across WA who adopted a surveillance trap, kept an eye out and reported anything unusual!

### How did we go?

Nest numbers were much lower than last season; 21 compared to 53. Nest distribution indicates multiple areas of incursion across Perth, predominantly in and around industrial areas – which is typical of this hitchhiking pest. The nests detected did not show signs of 'overwintering', which means they were created this season. This is a promising indication that nests were not missed during last season's surveillance activities.

Public awareness and reporting remained strong. Residents, businesses, and local government all detected wasp activity in good time. This allows for nests to be found and trapping areas expanded where required. And finally, there have been no signs or reports of wasp activity since April!

### Season highlights:

- 2,800 surveillance traps deployed across the Perth metropolitan region
- 75 regional traps deployed with 0 detections
- 171 new traps adopted by the community, bringing the total of 'Adopt a trap' subscribers to 1076
- 350 public enquiries, with 4 confirmed detections
- 21 nests found and destroyed across 6 Local Government Areas, all in the Perth metropolitan region
- the majority of nests were found in embankments of water sumps and drains
- a nest was located in a wood log at primary school playground – yikes!
- wasp flight paths were tracked to locate a nest on Perth Airport grounds
- no public injuries were reported from disturbing these cryptic and often hidden nests

### Learn more

The surveillance season runs December to May but reports of suspect wasp activity can be made year-round. # EXPRESSIONS OF INTEREST

## R.S.A. Accreditation

Good Afternoon Everyone,

My name is Darrell Hagan and I am the president of the Beverley Golf Club.

I have been making inquiries with numerous service providers in regards to face to face training of Responsible Service of Alcohol (RSA). One company have advised me that they would be prepared to attend Beverley to conduct the training.

If you're organisation is like the Golf Club and only have a few members with RSA and have a few doing a lot of the bar work, hopefully this training will be able to get other members of your organisation trained in service of alcohol.

At present I am in early talks with the company who are trying to gain what interest we have before they quote what the cost will be.

I plan on holding this training at the Beverley Golf Club hopefully sometime between June – August depending on numbers and availability.

The company wants at least 20 people to make it viable for them to attend.

What I need from everyone is, if this was held at the golf club in the above timeframes, how many people from your organisation would attend to training.

Would you please email me with any further inquiries or what numbers you would have attend this course and I can start the ball rolling.

Regards

## School & Historic Sites in North & East Beverley Field Trip & Working Bee, 29 May 2023

This trip began at the site ↑ on Haisthorpe hill on the Top Beverley Rd. The stone marker recalls All Saints Church ↓ built in 1904 & blown down by a fierce storm in 1943.

The Church was built as a memorial to Henry Lukin of Haisthorpe. It was an imposing building with a high-pitched roof and decorative gable. The porch had unusual arched openings on either side.

From there ↑ the Beverley Historical Society members & friends ventured around to Northbourne Rd and the North Beverley school site ↓ which opened from 1906-1921.

A brief westward deviation provided a fantastic panorama from the top of Piccadilly Rd. ↓

On to the East Beverley townsite at the corner of Dongadilling & Mawson Rds where a hall, a school & tennis courts once stood. ↓

Plate S2 – The East Beverley Hall

The hall was built in 1896 by local builder Thomas Davey and advertised for sale in 1963.

East Beverley School went from 1904-1923

School was held in the hall & later a school building was erected across the road. ↓

Across country to Morbinning Rd and Morbinning Hall ↓ for a morning cuppa.

The Morbinning school ↓ was located just past Ewert Rd. It operated from 1909 to 1914.

The school is typical of pre-WW1 buildings; made of weatherboard with tin roof. Chimneys indicate there was heating in the winter.

Down Ewert Rd to turn into the east end of Bally Bally-County Peak Rd for the County Peak School site. This plaque is almost in a ditch & is often obscured by long grass. ↓

County Peak school operated from 1910-1933. At the west end of Bally Bally-County Peak Rd is the site of the Bally Bally School. ↓

The old photo below was taken in the 1920s. The pupils have warm-weather clothes and everyone is wearing a hat. The teacher is protecting her dress with an apron.

This school opened from 1914-1936 and is just a couple of hundred metres behind the Bally Bally Hall. ↓ This old photo of the hall shows the telephone exchange that was attended twenty-four hours a day up until the 1970s. Operators lived in a nearby cottage & manually connected telephone users to each other by plugs on the switchboard.

We had a late lunch at the hall before returning.

Many thanks to members and friends who assisted in clearing the sites; to Mark Petchell for driving and to the Shire of Beverley for supplying the bus & access to the two halls.

## SECONDARY CAREERS EXPO

### 'DISCOVER FUTURE YOU'

*Recently, the Year 9/10 students, Mrs Morrell, Mrs Wansbrough and Mrs Mearns; our trusty bus driver, travelled to the Perth Convention Centre to partake in the CAREERS EXPO: 'Discover A Better You' exhibition. Students had the opportunity to wander through a multitude of stalls and engage with professionals from universities, trades, mining, defence forces, colleges for further education and more. Along the way, students could engage in interactive displays and complete quizzes and challenges involving varied careers. The room was very crowded with students from schools throughout W.A. Students each had a bag in which to collect advertising goodies and rewards for completing activities. Many came away with their bags three-quarters full of which was the highlight of their day! It certainly was an eye opener for our Beverley students to see the breadth of choice available to them with their career aspirations.*

## Beverley C.W.A

Well, winter is here and if you are like ladies at the C.W.A, you are trying very hard to keep warm, which is proving a hard task.

The wood raffle that was held at the end of may was very well supported by the local community. With out further to do, the winners are,

1st - M. Hutchison    2nd - T. Martino    3rd - Mandy    4th - J. Mclean  
5th - S. Moulton    6th - J. Mclean    7th - Rayner    8th - Lorna Barret-Lennard  
9th - D. Roy    10th - Penny    11th - Betty

Congratulations to all winners!!

The **Morning Tea will be held on the 12th of July at 9.30am**. Free to all, young and old, to come along for a morning tea and have a natter. We look forward to seeing you there.

The **next meeting will be held on the 19th of July at 9.30am** for morning tea and 10.00am meeting start. Everyone is more then welcome to come along.

The C.W.A currently has an appeal, RUG UP PERTH. C.W.A members and the wider community are being encouraged to knit or crochet for the month of July. Whether you knit/crochet beanies, scarves, mittens socks and blankets to help people stay warm during winter. If you wish to know more then, please contact the President Pat Hambly on 9646 1481.

Well I think that is all for the moment, so till next time, rug up, stoke the fire and stay warm.

# Beverley Ag Museum

Anyone that decided to go outside of their house early on Saturday June 17 would certainly have noticed the cooler weather (it has been a long time since I needed to clear ice from my windscreen) luckily this did not seem to deter the Beverley Ag Museum volunteers with seven of us attending between 7.30am until mid-afternoon, neither did it stop five of the guys from the local Men's Shed from visiting after loading up firewood for a customer in town. In fact, it became so busy I was 'at lengths' to recall who was doing what and exact numbers but did note at least 12 adult visitors (and two kids) enjoying the exhibits, but alas I think a group of four young ladies were more interested in seeing the Clydesdale Horses (Robbie & Comet) who no longer reside in the grounds of Avondale Farm.

Bob and I made further efforts to improve the workshop area (see photos) making full use of loaned workshop machinery and whatever materials that were laying around! Eric assisted with our efforts both in the workshop and by sorting out the front sliding door track which had filled with dirt, weeds and stones, putting in an extra effort by digging (to get warm) a gully to minimise this happening again, now that is 'forward thinking' something that I am a big fan of.

A 'shout out' must go to both Kevin & Bill for their efforts in restoring an 'Auto Twin Mechanical Jack' (now a nice green colour), Kevin found an old shaft he could use, and Bill turned up a bush to suit. This Jack was manufactured by The Weaver Jack Corporation between 1910 and 1928 in Springfield Illinois USA, a tool item in the collection that can be utilised, if necessary, (see photo).

Paul and John got the International C30 Truck fuel lines sorted out using some second-hand parts and a new fuel filter, after which she was 'fired up' causing much applause from onlookers! This motivated John to warm himself up by swinging the starting handle of the Twenty-Two Dozer and take it for a good run outside.

A big thank you to the National Trust for not only advertising our opening times on their Facebook page, but also for involving some 'inmate labour' with much overdue outside maintenance to the ditches and gullies.

If you feel you would like to visit or participate with our efforts, feel free to ring me on 9646 0768 and watch the Beverley Bulletin for future opening times.

# Beverley Netball Club

Netball, netball, netball and some more netball.  
What a month we've had, there's been a couple of  
byes, a Tuesday night game, a Wednesday night  
game and fast5 was moved (for only 1 week) to  
Thursday night.

We may have missed/forgotten volunteers week.  
But:

Next time you see these ladies (Glenys Petchell,  
Natalie Ashworth and Linda Lewis) make sure to  
thank them for all the hours they volunteer for our  
club when their years of playing have been over,  
(maybe not Linda).

They put their hand up to score, time, umpire, set  
up our games and fundraise for our club, without  
them our little club would struggle to continue so  
a huge thankyou is in order.

## AUSKICK

What a great start our little Auskickers have had this year. Under the watchful eye of their wonderful Coach Charlie Horrocks and helpers, all the kids have been improving their fitness and learning new skills with a great set of drills Charlie has set up for them every Saturday.

If you haven't had a chance, get on down to the oval to cheer on our little rising stars. Also make sure you thank all the wonderful volunteers, especially Charlie.

The Auskickers will get a chance to show off their new skills at the Corrigin Neu-Tech Cup on Sunday 30th July.

## THANK YOU!

Massive thank you to our president Megan Vandenberg who organised our fundraiser at the Fluoro Disco. A lot of time and effort went into this. Also thank you to everyone who supported our fundraiser by either donating food, helping set up or serve food (or all three) thank you.

All funds raised will directly benefit the Beverley Junior Sporting Council sports and continue to keep the costs low for our kids.

Beverley is incredibly lucky to be able to provide sporting opportunities at such a reduced cost. These fundraisers are vital in making it possible to do this.

## JUNIOR FOOTBALL AND NETBALL

Wow, June certainly was a busy one for our Junior Football and Netball players. It was a month of continued travelling to Carnivals and fixtured games.

### FERGUSON SHIELD AT QUAIRADING

It is always exciting to finally play other towns in a round robin event. This year, our under Year 5 players took on Corrigin, Cunderdin, Kellerberrin and Quairading at the Ferguson Shield on the 17th June.

Beverley is so fortunate to have great numbers within our junior sports, which allowed us to take two netball teams and one football. We unfortunately lost a few of our netball players due to sickness during the week and on the morning, so we recruited Net-Set-Go Player Zara Copping on the day to have 7 players per team. Beverley, Corrigin and Quairading were also able to help both Cunderdin and Kellerberrin fill their teams during bye games, as both towns were short players on the day - this is what it is all about, helping each other to make sure these carnivals run smoothly and allows everyone to have fun.

There was still some fabulous games and great sportsmanship from all players. Our Beverley kids should be proud of themselves on the way they conducted themselves during the day. Our netball teams finished 3rd and 4th (out of 7 teams) and our football team finished a very close 2nd! It's always great to see the the sea of Red & Black and the pride our kids take in wearing the Beverley colours.

Congratulations to the following players on receiving the coaches award on the day:

NETBALL 1 - Pippa

NETBALL 2 - Rosie

FOOTBALL - Hamish

Special thanks goes to the following parents who made it all happen:-

FOOTBALL - Coordinator Tamara Nixon, Coaches Damien Murray & Darrell Hagan

NETBALL - Coordinator Emma Davey, Coaches Jo Copping & Narelle Bailey,  
Umpires Aleisha Murray & Sharlee Higgins

## RANGERS WANL EXHIBITION MATCH

A few of our netball girls travelled to Lesmurdie to represent Beverley in an exhibition match at the Rangers Netball Club home game. Due to illness and injuries, the original team of 7 dropped to 4 and Narelle quickly found some (healthy) players that morning.

Thank you so much to Narelle for organising this amazing opportunity for the girls. Hopefully this can become an annual event to give another group of girls the opportunity.

Well done to Ashlyn, Ruby, Amelia, Rosie, Abigail, Mackenzie, Claire and our amazing Coach Narelle Bailey.

Thank you to the Beverley Station Arts for allowing the community groups to be part of this project.

## SPECIAL moment

On Sunday 18th June we saw a long awaited dream of Narelle Bailey's - to see her three girls represent Beverley in the Red and Black at a netball game.

What a special moment for one of our netball coaches, who is so dedicated to sport in our town, especially our Junior Netball girls. We are very lucky to have her.
