SHIRE OF BEVERLEY PRESIDENT'S REPORT

Old School Building

Work has commenced on the Old School Building. Renovations will transform this building into a Civic Centre incorporating Council Chambers. Moving the Chambers will then free up space in the Administration Building which is very much needed.

Officially opened in 1989, the Administration Building has now reached a point where it has insufficient space to house the increased number of employees required because of greater State Government red tape. Moving the library to the Cornerstone Building in 2018 has helped and moving the Chambers will ensure the building has sufficient space for the foreseeable future.

Chief Executive Officer Review

The Council is required to conduct a CEO Review annually. This is being undertaken now and it is worth the community noting that Stephen Gollan has now been CEO for 12 years having been officially appointed on 23rd January 2012. His current contract expires on 23rd January 2026. Leading up to this, the Council of the day will be required to advertise this position to appoint the next CEO.

Swimming Pool

A grant application is currently being prepared for the complete refurbishment of the complex. This is to be lodged in February of this year.

Contract Road Construction

Earthstyle Contracting have completed the new construction works on both Waterhatch Road and Morbinning Road. Engaging Earthstyle was a decision Council made to enable the Shire's Works Crew to concentrate on gravel sheeting and maintenance where planned. The quality of work by Earthstyle and their efficiency in which this work was carried out has proved to be a positive decision.

Reseals

This year's reseals are scheduled to start on 26th February. There is a 3 kilometre section on Mawson Road and a 2 kilometre on Waterhatch Road to be completed.

Bridge 3203 Kokeby East Road

Work is currently underway on the replacement of this timber bridge to a reinforced concrete box culvert. The old bridge has been removed and the concrete slab has been poured. This will take one week to cure before the boxes can be put into place. Once the boxes have been laid then they will be covered with cement stabilised gravel. It is then anticipated that that the road will be opened for traffic around the 1st March. The headwalls will then be constructed and back filled. It is expected that this will be completed around 20th March. Local contractors are carrying out this work.

Bridge 3205 Bremner road

The order has been issued to Humes for the supply and delivery of the reinforced box culverts. This bridge replacement is scheduled to start Jan-Feb 2025.

Committee Member Recruitment

Beverley is well known for having the best show in the region and it takes a dedicated effort by a dynamic team of volunteers to ensure that the tradition continues from one year to the next.

There are currently several vacancies on the organising committee and we are seeking volunteers to join our team.

Leading up to the Show we have a monthly committee meeting and, depending on the position that you take, you may expect to spend several hours a month following up on your area of responsibility. In the week leading up to the Show we ask that you contribute whatever time you can afford.

For those that are new to our town, it is a great way to meet new people from around the district and make a contribution to our community.

For further information contact Bruce Hunt on 0404 044 202.

BEVERLEY TRIATHLON VOLUNTEER CALL

The Beverley Triathlon Committee is thrilled to have secured funding to bring the Beverley Triathlon back for 2024 on Saturday March 23rd.

This fantastic community event isn't possible without the assistance of our amazing volunteers.

Volunteers can be in any capacity - either setting up on Friday 22nd, during the Triathlon on Saturday 23rd March and packing up at the end of the event. Roles on the day include pool, bike and oval lap counters, on course marshalls on the bike and run courses (directing participants and encouraging them along), pool starters and wave ushers, refreshment stations and registrations. Prior to the day I would provide you with details of the assigned positions per person and a brief description of what your role involves.

Volunteer briefing on the day will commence at 7am and numbers dependent we would expect to be finished by 10:30/11:00am.

If you haven't let either myself - Kelly Mann (0428 779 234) or the CRC staff know and think you might be able to assist, I would love to hear from you.

If you have any queries, please do not hesitate to give me a call or send me an email. Feel free to forward this information to anyone that you believe may be interested.

Thank You

I wish to express my deepest gratitude and great respect to everyone that attended the motor accident I was involved in on Westdale Road Thursday 25th January.

People just appeared and provided assistance, the team work was amazing. A special thanks for the first responders Zane and Rob. To the Beverley Police and the selfless work of our volunteer ambulance and fire teams, amazing people. To everyone that appeared and did what was required, my sincere thanks.

My experience makes me seriously appreciate the community spirit that is present in the Dale.

My humblest of thanks to you all.

EASTER TOURNAMENT.

Arrangements in connection with the proposed tournament to be held on the Avondale links during the Easter holidays are progressing satisfactorily, and a most successful and enjoyable gathering is anticipated. Between 30 and 40 visiting players are expected, and elaborate arrangements have been made for their accomodation. The catering will be carried out on the ground, and some of the players will camp on the spot, whilst motor cars will run between the links and York and Beverley for the convenience of those to whom "camping out" offers no attraction. This is the first fixture of its kind ever attempted in Beverley, and the promoters are exerting themselves to the utmost to ensure its success.

Beverley Times, Saturday 13 March 1920

EASTER.

Why does Easter fall on a different date each year? Although puzzling to many people, the question is easily answered.

Easter is a movable festival because it is regulated by the moon. Easter Day is always the first Sunday after what is known as the Paschal full moon, i.e., the full moon which happens upon or next after the 21st March, the beginning of the ecclesiastical year. If the full moon happens upon a Sunday, Easter day is on the Sunday after.

It must be remembered, however, that it is not the actual moon in the heavens that regulates the time of Easter, but an altogether imaginary orb known as the calendar moon, which is usually a day or so later than the "queen of the night."

Easter Day cannot occur earlier than March 22nd or later than April 25th. Not for a hundred years has Easter Day fallen on the former date. It last occurred on the latest possible date in 1886.

Easter Tennis

RECORD ENTRIES

Record entries received by the Beverley Tennis Club made this year's Easter fixture the most successful yet conducted. Play extended over three days and was concluded late on Monday. Financial results, which includes revenue derived from the sale of afternoon teas, were most gratifying. Club funds benefiting by an amount in the vicinity of £30. There were a number of visitors for the occasion and some of these figured prominently in the results.

The ladies' championship singles was won by Miss S. Hope, of Mt. Lawley, who defeated Mrs. L. Sims of Beverley, in the final. The latter has not been a frequent visitor to the courts this season and she played really well to become a finalist.

Jack Thomas's play improved as the tournament progressed and he was in fine form to defeat Don Edwards, of Mt. Lawley, in the final of the men's championship singles. He was also successful in the men's handicap singles.

The ladies' handicap singles went to a visitor from Mt. Lawley Miss Q. Edwards, and the doubles event was won by a local pair in Mrs. W. H. Brown and Miss Rita Ford.

The men's doubles was won by Messrs. E. T. Wansbrough and Colin McLean, whilst the mixed doubles event went to J. Thomas and Miss Hope.

Trophies for the tournament were provided by the Club president Mr. J. McDaniel, of Avondale, who was introduced to the assemblage by the Club captain, Mr. J. C. W. Weaver, and extended a welcome to the visitors. He congratulated the successful players. The trophies were presented to the successful contestants by Mrs. J. C. W. Weaver.

An interesting visitor was a former State champion in Mr. R. Phillips, who was here to participate in the bowling competition but took the opportunity of visiting the courts where his son was a contestant. He responded to an invitation to give a short address to the assembled players. Mr. Phillips is now living at Brookton and he intends to become a member of the Beverley Golf Club for the coming season.

EASTER

The name Easter, like the names of the days of the week, is a survival from the old Teutonic mythology. A claim is made that it derived from "Eostre" or "Ostara", the Anglo-Saxon Goddess of Spring, to whom the month answering to our April, and called "Eostur-Monath" was dedicated. It was further claimed that this month was the same as "Mensis Paschalis".

The root "pasch" from which so many other names for Easter are derived is from the Hebrew "pesach" (Passover) from the verb form "he passed over".

There is no indication of the observance of the Easter festival in the New Testament or in the writings of the Apostolic Fathers.

The sanctity of special times was an idea absent from the minds of the first Christians who continued to observe the Jewish festivals, though in a new spirit, as commemorations of events which those festivals had foreshadowed. Thus the Passover with a new conception added to it of Christ as the true Pashal Lamb and the first fruits from the dead, continued to be observed, and became the Christian Easter. Easter as commemorating the central fact of the Christian religion has always been regarded as the chief festival of the year. (Encyclopaedia Britannica)

Beverley Shire Council to sponsor art competition

By advertisement in this issue amateur artists are invited to enter pictures in the Beverley Art Gallery Competition. This Competition has been organised particularly to encourage non-professional artists and juniors between the ages of 12 and 18 years.

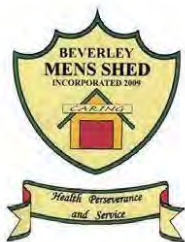

Sections in the Competition cover many facets of art and it is hoped that all artists in the district will avail themselves

of this opportunity to exploit their creative ability and perhaps win a worthwhile prize.

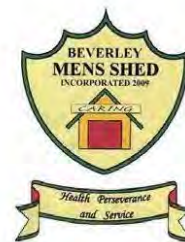

The winning oil and water-colour carry the condition that they become the property of the Shire of Beverley and will have the honour of being hung permanently in the Beverley Art Gallery which has a collection of many fine paintings of a considerably high standard.

The Junior section of the competition has been given very careful planning and we hope that the response will be noteworthy and will help to inspire the younger generation to the awareness of the fulfilment that results from this form of creative activity. Good prizes are also offering in this section.

Closing date for entries is 9th. of November.

Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

When we hold our social gatherings every Tuesday besides the Tea & Coffee there is always

some form of 'snack' to go with it. Often one of our members will provide us with a home-made cake using a family recipe handed down through the generations, fruit or mince turn overs, small meat pies and sausage rolls are often cooked, with cheese and crackers offered for a selection. Once a month for a small fee, we can enjoy a cooked breakfast where selected members show off their culinary skills,

with a team of helpers to distribute and clean up afterwards. For those that may live alone this is not only a chance to 'dine out' in the company of friends, but also to enjoy something different, quite often cooking for one can be seen as 'too hard' with many looking for something quick and easy, with little washing up, especially in the morning.

February had arrived and Bob and his crew were seen at the Lion's Kiosk (next to the IGA) selling raffle tickets on Friday and Saturday morning at the start of the month, Friday was a stinker (warmer than one would like) so the crew packed up at midday, Saturday morning was a little kinder and the raffle draw took place at around 11.30am.

Our first prize winner was Donna who won a Painting kindly donated by Jai, a visiting artist at the Station Arts Gallery (well worth a visit) worth \$200.00, the scene was rather apt showing one of the Emergency runways used by the Royal Flying Doctors Service (a recipient of our raffle profits) on the Eyre Highway on the Nullarbor Plain.

Second prize contained IGA vouchers worth \$50 and won by Donna's son Joshua.

Third prize was another \$25 worth of IGA Vouchers gratefully received by Kevin.

The fourth and Mystery Prize was won by Tina, upon enquiring of the contents it was revealed that a rumour had circulated around her workplace indicating it was a 'night out' with some of the Men's Shed, luckily (or unluckily) for Tina that was not the case, but she did reveal it was something 'Hot', so as always, the fourth prize remains a Mystery!

A big thank you to Jai, IGA (buy local) and Roki for their kind donations, and to all the community support we receive, 'you have to be in it to win it'!

Bob's next raffle will be held on Friday March 1 and drawn around midday on Saturday March 2. To those who only use 'cards' check out your settee, let's keep the coins rolling!

Not to be outdone with raising revenue for the Shed by Bob and his crew, our team of Lumberjacks found a couple of days in between the heatwaves to go out and cut wood, early starts and plenty of willing hands are the key, and with members multitasking with the equipment another 3 ton of wood is now maturing ready for sale.

An important date on our calendar is Saturday March 16 at 3.30pm when the Beverley Men's Shed will hold their 15th Anniversary. Would you like to become a member at the Shed? Contribute your knowledge or skills, place a firewood order, or maybe on your own and need help with a small job? for all information concerning the Beverley Men's Shed please call Bob on 0429 441 253

The Primary Academy Plate Tennis Central Districts playoffs were held in Beverley on Wednesday 21st February. Congratulations to Alec, Pippa, Ashlyn, Billy, Amelia, Cooper V, Charlie H, Reuben and Hamish who represented our school, and to Phoebe and Claire for helping Cunderdin DHS enter a team. Fantastic sportsmanship all day from our students; everyone's tennis improved with each match. One of our teams, along with the Cunderdin team, made it through to the semi-final round ~ a wonderful result! A huge thank you to the Beverley Lawn Tennis Club for their preparations and organisation around hosting the event, and to Tennis West for running the day. As always, parent help is vital to our student outcomes during these events, and I sincerely thank Hollie Smith and Jo Copping for their assistance on the day.

COUNTRY WOMEN'S ASSOCIATION
OF WESTERN AUSTRALIA INC

BEVERLEY C.W.A

Well, another year has begun, and the ladies are diving right in. Along with our usual activities for the year, we will be celebrating the 100 years of C.W.A in Western Australia. So, without further ado, lets jump right in.

Firstly, we held our Annual General Meeting on the 21st of February, with our guest Chairman, Mr Peter Gogol. Thank you for taking time out of your busy schedule to chair our AGM, we greatly appreciate you for doing this.

Our official office bearers for the coming year are:

President	PAT HAMBLY
Vice President	SAM MEARNES
Secretary	DIANE COLEBROOK
Treasurer	WENDY HAMBLY

Once again, I apologise as last year's media officer is back. (ha ha)
Congratulations to those elected and hope the year is going to be a fun one.
And welcome to the new members that have joined us for the upcoming year of endless fun and laughter.

Our **COMMUNITY MORNING TEAS** have also made a comeback, with the first one being held on the **WEDNESDAY 13TH MARCH AT 9.30AM**. So why not come long for a cuppa and bite to eat, catch up on the gossip as well as friends. We look forward to seeing you there. How much will it cost? Believe it or not **IT IS FREE!!!**
Yes, you read right, the morning with all the goodies is absolutely **FREE!!**

Our first raffle for the year, I know here we go again, will be the **EASTER RAFFLE AND CAKE STALL** that will be held **28TH AND 30TH MARCH**. Our ticket prices are the same price, 1 for \$2.00 or 3 for \$5.00, so take a chance at winning an awesome prize. But if it is the homemade goodies that you are wanting, then our Cake Stall is just the thing you have been waiting for. Come along for your chance to buy the delicious cooking from the C.W.A ladies.

During the month of February the Ladies of the C.W.A donated a display case to the community. It has been placed in the Lion's Kisok for the community to use. With the help of 2 Members of the Men's Shed, Eric Beer and his helper, sorry but my source couldn't remember his name, the display case is now ready for use. We thank Eric and helper for their time in putting up the display case.

As many of you may have experienced, the heat has had an effect on the C.W.A garden. Once the weather cools down, fingers crossed it does soon, we will again replace and redesign the garden. We would like to thank our neighbour for helping us with the watering, when he is in town over these hot months. We hope to have it green and colourful once again very soon.

As many of you may know or heard, maybe you haven't, the C.W.A of W.A is turning 100 years young this year. There will be many celebrations going on around the state to celebrate this magical milestone. We, in Beverley, will be also holding our own celebration sometime during the year, with details still being sorted. But in the meantime, if you would wish to send a birthday message to the C.W.A of W.A, the ladies of Beverley have put together a birthday book for everyone to sign. At the end of the Year, we will send it to our head office for everyone to read the birthday wishes sent from our amazing Community of Beverley. It will be available at all our Raffles, Community Morning Teas and any other event we are holding through out the year, so why not wish this wonderful organisation a Very Happy 100th Birthday with your very own message.

Each month, I will hopefully be able to give the members of the community an insight into the C.W.A organization, with what we do, what we have done, our goals and what we actually stand for. For many people, they may think all we do is make scones and sit around with a cuppa, but the organisation as a state is a powerful voice in many issues. We will also have a display in the rooms detailing the history of the Country Women's Association of Western Australia for everyone to come along and see.

Now, I am going to head out to start finding hiding places for all the chocolate and refill the pool. So, until next time, stay cool or try to, and let's hope the heat waves are now finished.

For the Centenary year, the C.W.A has a new logo to help celebrate this amazing milestone.

This beautiful logo is the end product of a design competition launched to C.W.A of W.A. members 4 years ago in preparation of our centenary. We are so proud of what it represents and would like to share the very meaningful symbology of the elements with you.

TREE TRUNK: represents longevity, solid roots, wisdom and a connection to the land and nature. It is a nod to the C.W.A of W.A Aim: "To improve the wellbeing of all people, especially those in country areas....." at the same time, it also represents tree-lined streetscapes in regional and metropolitan towns and cities.

BRANCHES: a representation of the various sizes and shapes of the different member branches that make up the Country Women's Association of Western Australia.

HEART SHAPED LEAVES: these are of varying size to represent the many multigenerational women that form the Association, their caring natures and spirit of togetherness and the support and connection that they offer each other.

CWA LOGO: placed at the base of the tree, this original logo design is part of the foundation, tradition and history of the Association.

BLUE BORDER CIRCLE: blue and white are the colours of the Association and the circle borrows the shape from the current logo, providing a different but familiar effect. The words signify the 100 years of service to the Western Australian Community

AIM: To improve the wellbeing of all people by promoting courtesy, cooperation, community effect, ethical standards and the wise use of resources.

OUR PURPOSE: Uniting women and strengthening our communities through friendship, education, service and advocacy.

OUR VISION: To be a strong, reputable, relevant voice positively impacting and communities throughout Western Australia.

Station Gallery Open Hours: 11.00am – 3.00pm Thursday, Friday, Saturday, and Sunday

Artists-in-Residence at the Station

Artists-in-Residence during February:

As AiR during February, **Thelma Cluning** and **Veronica Moore** displayed their vibrant textile collages and mannequins in the Station Gallery, and **Iris Whitelock** ran her successful *Vision Queens* workshop at the CRC with 'each person having important insights into their hidden potential'...see below pic.

The following week **Sally Watts** and **Thelma** had the Gallery walls looking spectacular with their textile and sculpture pieces. Only a small number attended their *ALL ABOARD* exhibition opening night on the 20th (could have been due to the 47degree heat that day!) but the next night saw a cool change for the *Drawing in Precinct* event which was well attended. Janet Hummerston and Gen Baker accompanied Thelma and Sally in leading a drawing session after they had served us a yummy dinner! It was a blissful night draw in the Station gardens.

February Artists-in-Residence

Len Zuks is well known for his larger than life sculptures constructed mainly in steel, galvanised and painted. One such work was a winner at *Sculptures by the Sea* at Cottesloe some years ago. Also an international award winning artist, he

paints in all mediums with an irregular attitude of following a flight of fancy. He paints realistic portraiture as well as nonsense figures, caricature, and quirky scenes of non-realistic proportions, usually to invoke a smile from the observer. Most other paintings are either abstract with an emphasis on Australia and its landscape. Whilst in Beverley on this cultural exchange from 28 Feb – 24 March, Len has also invited an international artist from Singapore to join him at the Gallery. He welcomes the community to come along and view their painting processes while the gallery is open, and happy to have people watch them at work.

ARTISTS-in-RESIDENCE for remainder 2024:

MARCH: 28(Feb) - 24 March Len Zuks

MARCH: 25 - 8 (April) Kirsten Sivyer

APRIL: 10 - 30 David Giles

MAY: 1 - 14 Jane Li;

15 - 29(June) Craig and Betty McKeough

JUNE: 30 - 11 Wendy Marshall;

12 - 1 Cynda Emsall and Sue Mader

JULY: 3 - 23 Andy Dolphin; 24 - 12(Aug) John Toohey

AUGUST: 14 – 3(Sept) Stephanie Boyle

SEPTEMBER: 4 - 30 Tich Dixon and Sheila Monahan

OCTOBER: 2 – 29 Carol Patch and Jean Ross

NOVEMBER: 4 – 2(Dec) Fenella Dexheimer

DECEMBER: 3 – 15 Paul Innes

Plein Air Beverley

Save the date for those interested in attending Plein Air Beverley 27 and 28 April (arrival from Friday 26). This is a participation event, which is self-directed..ie, you are responsible for your own art materials and equipment,

catering, transport, accommodation and managing your own risks.

This 2-day format will be capped at 50 painters, so if you are keen to join the fun of painting outdoors in and around our beautiful Beverley, simply send your name, email and phone number to the email mailbox pleinair.beverley.wa@gmail.com

A modest entry cost of \$20 per artist covers meet and greet snacks on Friday and access to Avondale farm on Sunday.

CONGRATULATIONS AND GOODBYE ANGELA

Congratulations to Angela on completing her Certificate IV in Marketing and Communications. Angela's traineeship saw her assisting three local businesses with their marketing and social media presence online. Being able to showcase her expertise in content creation and online management in varied workplace environments is important in expanding skills and diversity.

Angela led the Lego Club and monthly Art and Craft Club during her time at the Beverley CRC. Angela led memorable Storytime events she read to the group and organised engaging activities like the Christmas 2023, Harmony Week 2023, and Water Safety on the Farm Theme 2024.

Angela is now working to pursue a career in childcare in Perth. She aims to use her marketing and communications skills to become a centre manager. As Angela says farewell to the CRC, we want to express our gratitude for her dedication and wish her continued success in the future.

VOLCANO STEAM WORKSHOP

We kicked off our 2024 workshops with an exciting STEAM workshop! The children had an absolute blast crafting paper mache volcanoes from scratch. From measuring ingredients to painting their masterpieces, the highlight came when they got to create their explosive results! The anticipation for the eruption set a lively mood for the entire afternoon, as captured in the accompanying photo showcasing their themed outfits. A big thank you to everyone who attended.

STEAM Club is now full with a whopping 20 kids! If your child is interested we are now taking registrations for our waitlist. This club would not be possible without the support of the Encouraging Promising Practices Grant from the State Library of Western Australia.

BEVERLEY VISITOR CENTRE

Our Visitor Centre Volunteers recently enjoyed a warm welcome back with a delightful morning tea and catch-up session. We're excited to announce that the Visitor Centre will now be open every Saturday from 10.00am to 3.00pm.

Explore our stock for a delightful range of treats, colouring books, candles, clothing, seeds, honey, coffee, and more. There's something for everyone!

SQUARE WORKSHOP

Our Lunch and Learn session for business owners and community groups was a success! Participants gained insights into Square and had the opportunity to ask questions about the system. A big thank you to everyone who attended. If you have a desire to learn something but are unsure where to go or who to ask, simply let us know by scanning the QR code.

STAYING IN PLACE PROGRAM

We are excited to announce the commencement of our recruitment drive for the Staying In Place program. The program is designed to keep our senior residents within their own homes, as long as possible. Being close to loved ones and friends, within the familiar surroundings is important for ongoing health and wellbeing.

Our centre is creating a local workforce of support workers to provide assistance to our seniors we have a diverse range of services needed, with positions available for those who want to make a difference. Roles in cleaning, gardening, nursing, caregiving, social support, driving, and more. By joining as a support worker, you not only contribute to the well-being of others but also become an important part of a community-focused network. If you are interested in being a support worker, we welcome you to sign up for the program. Contact us at the Beverley CRC to book an appointment with our staff to start the process.

We are also in need of a registered nurse, if you or someone you know is a registered nurse and looking for some extra work we ask that they get in touch with us to find out more!

That's so weird!

Witches' broom on *Jacksonia* causing red deformed growths, fasciation on *Templetonia*, chimera on orange rind, and phyllody on strawberry.

Plant abnormalities have intrigued gardeners and botanists alike for many years. These abnormalities sometime result in strange growths or odd variations. Causes include environmental or genetic factors, pests, and disease. Below are some common examples, and perhaps you've noticed one or two of these before?

Witches' broom

Witches' broom is a symptom of stress in woody plants resulting in a deformed mass of twigs and branches, which looks broom-like in appearance. Causes include insect pests, viruses, fungi, environmental factors and genetic mutations.

Fasciation

Fasciation appears as abnormal flattened, ribbon-like, crested or elaborately contorted stems or leaves. Causes include hormonal, genetic, bacterial, fungal, viral and environmental.

Chimera

Chimera is the result of a genetic mutation. The overall appearance of fruit can be changed and sections of the rind or skin can appear striped and/or green. This is often reported in citrus where the rind colour is perfectly split between yellow and orange. Chimera leaf mutations

produce variegated, misshapen, or completely white leaves. These mutations may be prized and propagated to create new varieties.

Phyllody

Phyllody is the abnormal development of the leaf tissue caused by viral infections or environmental factors resulting in an imbalance of the plant hormones. It makes leaves grow in strange places.

Is control or reporting necessary?

Not much can be done to prevent these oddities. Keep plants as healthy as possible to allow them to fight off pests and diseases as best they can. These weird and sometimes wonderful malformations can be a great talking point, but if you don't want them on your plants, consider removing the affected parts. Remember to disinfect gardening equipment before and after, to avoid spreading pests and diseases.

We would love to see photos of any weird or wonderful plant growths or variations. Take photos, tell us what you've found and on what plant. Photos can be submitted to MyPestGuide or the Pest and Disease Information Service (PaDIS).

WARRIOR WELLBEING ARTICLE

You Are What You Think!

BY THE REGIONAL MEN'S HEALTH INITIATIVE
March 2024

We have all heard the saying 'you are what you eat', implying that food fuels our body and the various types, quality, and quantity of food can impact our body, how we perform and therefore how we feel.

When we talk about our mental health and wellbeing, we refer to it as encompassing all aspects of our emotional, psychological and social wellbeing, so basically our mental health impacts how we think, act and feel.

Just like we have a level of control or choice over the types of food/fuel we put into our bodies there is also the capacity for us to influence our thoughts and behaviors which in turn impacts how we feel about ourselves and the world we live in.

As humans, we can often be very reactive and are driven by our emotions. Of course, how we react is individual and influenced by numerous factors that have conditioned us over our life journey (nature vs nurture) such as genetics, social, cultural, family influences, childhood experiences, and individual personality and behavioral types. However, as humans we also have the propensity for holding onto the negative more often than we do the positive.

In working with blokes in regional, rural and remote WA, and from my own personal life experiences, I have seen the fallout of unhelpful and negative thoughts people develop, carry and manifest during times of situational distress and poor mental health. Cognitive Behavior Therapy (CBT) is one effective approach for managing and treating a range of mental and emotional health issues. While this article is not a comprehensive overview of CBT, I would like to home in on one of its aims which is to identify and challenge unhelpful thoughts.

CBT is more than just being positive, as I recently observed with someone experiencing a range of debilitating physical health issues; it was this exact phrase that one day triggered a negative emotional outburst: "The next person who tells me to stay positive, I'll tell them to get stuffed!", they screamed.

Their experience was firstly needing validation as the obvious pain and distress experienced was warranted, but it was the unhelpful thinking and negative self-talk exacerbating feelings of despair, frustration and isolation that also needed to be addressed. Common lines such as: "I'll never get better", "I feel useless", "no one cares or understands how I feel" and "bad things always happen to me!" are examples of some of the documented unhelpful thinking patterns CBT aims to address, including:

- Overgeneralization: You see a single negative as a never-ending pattern of defeat.
 - Personalization: Seeing yourself as the cause of negative events, no fault of your own.
 - All or Nothing Thinking: You only see things in black and white; if your performance falls short of perfect, you see yourself as failing.
 - Disqualifying the Positive: You reject or don't see positives experiences. You insist they don't count to maintain a negative belief that is often contradicted by your experience.
- If some of this resonates, check out some endorsed self-help apps like Moodgym or HeadGear. Both use CBT concepts to create awareness and challenge negative thinking patterns. Always remember, before it gets too much Talk to a Mate®!! or talk it over.

Are you up to date with your bowel cancer screening?

Cancer Council WA is calling for more West Australians to complete the free lifesaving bowel cancer screening test, with figures showing only four in 10 eligible Australians are participating in Australia's National Bowel Cancer Screening Program.

Bowel cancer is Australia's second biggest cancer killer. Many people don't realise it kills more Australians each year than breast, prostate or skin cancer.

When you receive the Home Test Kit, don't put it in the cupboard and forget about it - delaying can so easily become ignoring, forgetting, and ultimately not doing the test.

The test is quick, simple and you can complete it in the comfort of your own home. Over 90 per cent of bowel cancer cases can be successfully treated if caught in the early stages.

To find out more about the National Bowel Cancer Screening Program or to order a free replacement kit, go to bowelcancer.org.au or call **1800 627 701** for more information.

When UV is 3 or above be SunSmart.

But how do you know when?

Use the free SunSmart Global UV App!

The sun's ultraviolet (UV) radiation is the major cause of skin cancer. UV cannot be seen or felt and can damage your skin on cool or cloudy days. The sun protection times tell you when UV is forecast to reach 3 and above, **that's the time to be SunSmart.**

Find Skin Cancer Early

Common skin cancer symptoms:

- A new spot or mole on your skin that is red, pale or pearly in colour
- A spot that is different from other spots on your skin
- Any crusty or non-healing sores
- Any spots, freckles or any moles changing in size (width), thickness (height), colour, or shape

Get to know your skin and what's normal for you, particularly if you're over 40 years of age. If you notice any of these symptoms or any other unusual changes, tell your doctor without delay.

If it's skin cancer, the earlier it's found, the greater the chance of successful treatment.

BEVERLEY AG MUSEUM NEWS

With summer still very much with us, it was an early start for the volunteers who helped with the annual busy bee and dedust of the collection, naturally those using the hoses benefitted for their efforts in the heat until one of the cheaper spray nozzles broke making the job twice as hard, John Hawke arrived and took charge of the situation, needing to go into town he was able to purchase another stronger unit. Eric and John A brought in air blowers to dedust the more delicate items and clean out the sliding door channels along with the accumulation of dry leaves around the doors that Eric then raked into piles ready for burning later. A big thank you to Tim (new member who only came for a look) for your efforts with the blower. Gerry got out the cleaning rags and wiped away all the build up of dirt from the furniture in our kitchen area making it more habitable for humans, not Mice!

Phill brought back the cleaned carby from the McCormick Deering Tractor and swung her into action and delivering her back to her normal spot after the embarrassment of being towed in last November, she is a very thirsty girl and will often back fire indicating a weak mixture and needing a better fuel supply, although not totally demoralised by his efforts during the past year, Phill has now decided to 'bring back to life' something with a starter motor fitted, none of us are getting any younger swinging the handle! Once he had put his 'favourite' to bed, he soon found a spare hose to help clean with.

Thank you to Eric & Tim for bringing out the heavy front wheel weights discovered at the Men's Shed where the W6 McCormick Deering tractor was restored, now we just need to find the same colour paint for the weights to match the rest of the shiny tractor!

A big thank you to everyone for helping with a total of over 25 ‘person’ hours of effort (with time for a cuppa and a chat) put in, well done guys, also, a big thank you to our new National Trust Warden Bronwyn who has assisted far and beyond her job portfolio helping us out at the Museum in her ‘spare time’, showing people around, you are a pleasure to work with.

This month’s item is the Cletrac W20 Crawler, kindly donated to the Museum collection in June 1978 by Frank & Noel Powell of ‘Hillview Farm’ Aldersyde near Brookton.

The W series units were produced from 1918 by the Cleveland Tractor Company and were an improved version of the earlier H series. The Cleveland company being formed by the White family who produced White Sewing machines. The company name of Cleveland later morphed into the name Cletrac.

The Engine will run but we still need to investigate the correct position of the variable ignition advance lever, if positioned in the ‘too far advanced’ position this could cause internal damage to the engine and given not too many people know the correct position and the fact the clutch and/or steering system requires work she may well stay as a ‘static exhibit’, we will endeavour (although laborious for some) to establish the correct position scientifically by checking the position of the piston and the spark timing, but if anyone has knowledge of this unit or is happy to try and get her going please let us know, once the correct settings are found they will be recorded so she can join the many exhibits that are known to fill the air with 20th century exhaust fumes!

In the past many locals have expressed a passion for the Museum Collection and with a new year and the support of the Beverley Shire the Volunteers would welcome (see the Bulletin for opening times) not only visitors (how long since you were there?) but also those who would like to give their time to support this ‘Tourist icon’, a couple of hours maybe once a month just to sit and chat, maybe about your past relationship to the Museum collection, did your family donate something, let’s hear about the story behind it? The fun and the sad parts, they are your history, and our volunteers want to record it, no use having it in your head, lets write it down so the generations of Wheatbelt descendants (and all peoples from everywhere) can enjoy what our museum has to offer.

If you want to know more or would like a private viewing, please contact John on 9646 0768 or the Beverley Shire on 9646 1200.

THIS YEAR THE BEVERLEY HOSPITAL AUXILIARY INC. PROUDLY CELEBRATES 80 YEARS OF SERVICE AND CHARITY TO THE BEVERLEY COMMUNITY. THE CURRENT COMMITTEE THANKFULLY ACKNOWLEDGES THE MANY VOLUNTEERS WHO HAVE GENEROUSLY GIVEN OF THEMSELVES TO SUSTAIN THIS CHARITABLE WORK FOR SO MANY YEARS. WE WOULD ALSO LIKE TO THANK THE CUSTOMERS OF THE OP SHOP AND THOSE WHO DONATE CLOTHING AND GOODS TO THE OP SHOP.

Op Shop Notes

We have had a great start to the year. Lots of lovely comments about the new look of the Op Shop.

Pop in, have a look and grab some bargains; baby & clothes, men's & ladies clothes, books, toys and shoes available.

Thank you to the T.N.T Shop for their generous donation, it is muchly appreciated.

Stay Active

with the
Beverley Everlastings

Stay Active is a weekly one-hour keep fit session for those who find gentle aerobic, strength, balance and stretching exercise beneficial to their health.

The exercises are designed for over 50s, but younger participants are welcome. Those less mobile or those recovering from accident and illness also find the exercises useful.

Chair exercises are available and participants can opt to do all or some of these.

Stay Active

Date: Tuesdays

Time: 9:00am

Place: Beverley Recreation Centre

Cost: \$1

Come along for social-distancing fun activity. Stay Active is a volunteer community health program coordinated by the Wheatbelt Health Service

Primary Health Services

Available to the community of Beverley

Child Health Nurse - 9690 1320

To make an appointment, Northam Hospital Admin Staff will assist you in setting an appointment time, which will be, on most occasions, a Monday

Northam also provide Child Development Services via referral - 9690 1320

School Health - 9641 0200

Dietetics - 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy - a doctors referral is required - please send all referrals to PO Box 312 Northam 6401. Clients will be acknowledged with a letter informing them of the approximate wait time.

Podiatry - email: admin@comopodiatry.com.au or call 9450 6200. Attendance is generally a Monday.

If eligible for an EPC Plan which is through referral from a Doctor, Como Podiatry will bulk bill Medicare for a max of 5 sessions per year. Non referral clients are may be eligible to claim Private Health for the \$60 sessions.

A Doctor's referrals are generally faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment.

Social Work - Phone 9690 1320

Speech Pathology - 9690 1320

These services are provided by WA Country Health Service and are free of charge. If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns.

Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

Unfortunately, with the weather been so hot this month the volunteers have struggled to
achieve our list of jobs but will get there over the months.

As in the past we are still welcome any information or photos that you have all hidden in the
cupboard. Any wedding photos to add to the album, any stories that your family have written
we would love copies to help us with the number of requests we receive. Older photos of
Netball , Swimming, Girl Guides & Brownies, Scout & Cubs, Marching Girls just to name a
few.

The Dead Finish Museum opens Sunday 3rd March at 11am.

First meeting of the year is 11th March at 1.30p.m. Followed by a cuppa new members are
always welcome.

Ladies when was your last cervical screen done?

Having a cervical screening test every 5 years will help you stay
healthy, both for yourself and your family.

Did you know that you can now collect your own sample? It's an
easy-to-use screening test. So please if you haven't had a screen
done recently (in the past 5 years) call the practice and request a
test kit it will only take a few minutes.

The Beverley Medical Practice is committed to providing quality health services to Beverley and
surrounding areas. As part of our commitment to the community we support and assist up and
coming medical health professionals. We have a number of student GP's attending clinics both
onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. If you are
interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual
clinic over the phone, please let our staff know. You may also advise staff if you would prefer not
to have them in attendance.

Sunday, 10 th March	4.00 p.m.	Mothering Sunday & Blessing of the Fleece
--------------------------------	-----------	---

Holy Week and Easter Day: Please note the days and times for Palm Sunday, Maundy Thursday, Good Friday and Easter Day services.

St Andrew's Church, Greenhills: Following the Service in which Mothers are honoured and thanks given for the fleece of sheep, those present are welcome to adjourn to the Greenhills Inn for an evening meal.

Mothering Sunday is the day in mediaeval times when in the middle of Lent, church goers would visit their "mother" church - the main church or Cathedral of the area. This became an occasion for family reunions when children who were working away returned home. This is a much older celebration than Mother's Day.

Patronal Festival, Guildford Grammar School: The Feast of the Annunciation is the Patronal Festival of Guildford Grammar School as it is of St Mary's Church, Beverley. This important celebration in the life of the Church will be celebrated at St Mark's Church, Brookton (8.30 a.m.) and St Mary's Church, Beverley (10.30 a.m.) on Sunday, 14th April. Old Guildfordians are especially welcome to attend!

ST JOHN AMBULANCE

BEVERLEY SUB CENTRE

After a short break the Beverley Crews are back in training for 2024. We started the year off with a meet and greet at the Sub Centre with Committee & Crew before commencing the year's in-depth training. We all enjoyed the fresh salads and sausage sizzle, ably cooked by Ian.

Lionel has got training off to a great start outlining the training requirements for the whole year.

Our first Training night was re-connecting with the use of the wheelchair and tracks. The tracks make it so much easier for the Officer and the patient going down stairs and more comfortable ride for the patient. We have had to use them on a number of occasions but just needed to revisit with how to use them safely.

Turning on the lights at the oval and turning off the sprinklers should the helicopter need to land during the night. Easy tasks but we all needed to refresh and know how, and where all the switches are and what keys we use.

Snake bites, burns, & heart attacks are the next training agendas.

Our crews are all invested in knowing all we need to know how to treat these conditions.

Kitchen renovations should be underway in the next couple of weeks. The kitchen is being totally revamped and will be great when completed.

During the months of December & January the Crews were kept on their toes with a number of call outs at all times of the day. Some were away on holidays which reduced crew numbers but we managed to keep Beverley covered during this time. Great work and dedication by our local volunteers.

As always the Sub Centre are on the lookout for those in the Community that would like to become a Volunteer. Beverley have 8 dedicated Ambulance Officer Volunteers to meet the needs of the town. (This doesn't include the dedicated Committee members). Sometimes, thankfully not very often, we are unable to get a local crew, then one is called from another town i.e. Brookton or York. So you could appreciate why we are always looking for new, keen people to join us. If you think you could commit to becoming an Ambulance Volunteer please don't hesitate to contact our Chairperson Ian, Lionel or Jenny to get more details for volunteering.

It is unfortunate that the upgrading of the air strip lighting has been delayed and it will now be possibly mid March before the replacement commences.

When the new lighting is operational, the fixed wing aircraft will be able to land on the airstrip at night, which they have been unable to do due to insufficient lighting for some time. Fortunately though, the helicopter has been able to land on the oval when it has been needed.

That's all for this month, take care and stay well hydrated and cool in this heat we have had over the past few week.

Good Wood

Winter is just around the corner and soon you will be lighting your fires. Get in early so as not to be disappointed.

The Beverley Men's Shed offers wood at \$300 per 6 x 4 trailer load.

Take advantage of:

- Small and larger size blocks
- Pick your own from our wood yard in town
- Free delivery within a 10km radius of town

All proceeds go to supporting the Men's Shed's community activities.

GREAT SOUTHERN HIGHWAY UPGRADES 2023/24

Main Roads will commence shoulder sealing and rehabilitation on the Great Southern Highway between Brookton and Beverley on Monday 26 February. Works will start at Kokeby and proceed towards Brookton highway. Works will be ongoing until end of April 2024. There will be a break over winter and construction will resume between Beverley and Kokeby between October and December 2024.

There will be significant distances of gravel surface and speed restrictions during the works. We ask that you plan extra time for your journey.

Timber bridge 311 (near Smart Road) is also due for replacement and the road will be realigned 2 kilometres either side of the bridge. This will be done at a future time.

Should you have any enquiries, please contact Main Roads via our website www.mainroads.wa.gov.au or by phone on 138 138.

The season is at the pointy end of the season with many swim meets and club carnivals. We have welcomed 6 new swimmers to the club. We can't wait to see them develop their swimming over the years to come. It's not too late to come down and see what happens at Swimming Club.

The pool has been incredibly refreshing for the kids after the heat wave we have been experiencing.

**Swimming WA Regional Swim Clinic
BEVERLEY**

Our swimmers and surrounding towns had an amazing opportunity with Swimming WA when they ran a Regional Swim Clinic in Beverley. This event was the largest that Swimming WA had run throughout WA with over 55 participants learning skills from Finoa Njirich and Jo Stephen.

We hope our swimmers and all the swimmers from surrounding towns enjoyed learning from other coaches from metro swimming clubs.

Swim Meets

Well done to all our swimmers who have attended various swim meets In January and February. Thank you to all the parents who helped with timing duties at these events. Here are some photos from to the Corrigin Swim Meet

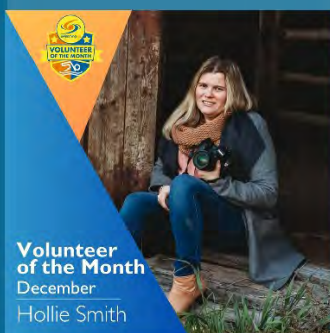

As always, our kids swam amazingly well in their individual swims and team relays. Well done to some of our youngest swimmers who received a 2nd and 3rd in the 8/U relays.

CONGRATULATIONS

Congratulations to our President Hollie Smith who was Swimming WA's 'Volunteer of the Month' in January.

Hollie was recognised for her all her work and dedication to swimming in Beverley and regional towns.

She received a \$100 voucher from Swimming WA as a thank you

New Backstroke Flags

The committee has invested in some new flags in Beverley colours. They look fantastic and will look great at all swimming events for years to come.

By the time this goes to print, we would have held our Club Championship night and our AGM. We will update on all our winners and new committee in the next Blarney,

Beverley Horse and Pony Club

Welcome to the 2024 Pony Club Season!

Pony Club is an internationally recognised, voluntary youth association dedicated to providing opportunities for young people that are interested in horses, ponies and riding. Now the largest association of riders in the world, Pony Club originated in the United Kingdom in 1929 as a scheme to encourage young people to learn to ride.

Pony Clubs exist to promote the physical, mental and spiritual development of young people by encouraging sportsmanship and good citizenship and by providing opportunities for young riders to gain knowledge and become proficient in their chosen equestrian sport.

The movement in Western Australia was formed in 1959. There are currently more than 55 pony clubs affiliated with Pony Club WA which are divided into 12 Zones: Avon, Central, Eastern, Great Southern, Hills, Metropolitan, Northern, North West, South Eastern, South West, Swan and West Coastal.

Thinking of joining?

- * You need to own/lease a horse or pony, be able to attend rallies (once a month) and want to learn more about riding and caring for your equine partner.
- * Be 4 to 25 years old (we do accept adult members via written application and approval from the committee).
- * Have an approved helmet, riding boots, long pants and long sleeve shirt, saddle, saddle blanket and bridle.
- * To discuss possible membership options contact Beverley Horse & Pony Club via email beverleyhorseandponyclub@gmail.com or come visit us.

Come and Try Rally: You can always come to a rally see what pony club is all about for \$35 leadline or \$55 riding. This membership must be completed a week before the rally attending.

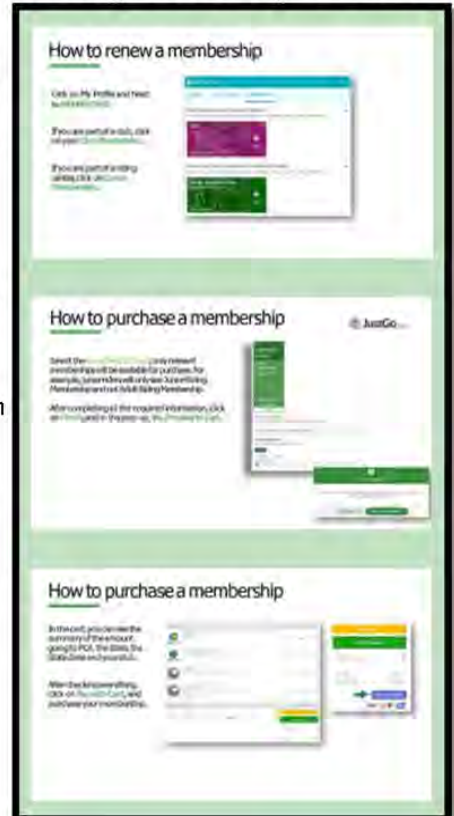

Re-joining?

* Go to <https://pca.justgo.com> and follow the prompts to renew your membership. Riders **under 18 year** must have a **guardian join** too!

* All members **must** be **approved members** at least a **week** before the first rally they intend to ride at.

BEVERLEY

We have had lots of Junior Cricket games between York and Brookton this year and the kids have enjoyed it and improved every game. We have gone from scrapping together a team to having more than required players which is fantastic. This year we were able to give out chuppa chups for catches, well done to those players.

Big thank you to York and Brookton for playing cricket and helping us out. These games don't happen without the great support from the parents who don't hesitate to jump in and help out, so big thank you to Brent Criddle, Roger Tonkin, Skye Doncon for umpiring and scoring and thank you to everyone for all the other jobs that required help.

Three lucky players got to go and play on the WACA ground in the lunchtime break of Australia V South Africa Women's test match. They quickly got to and showed off their skills unfortunately for the other players trying to play with them as they took over the game.

The ladder now with 3 games left Northam on top with 69.5pts followed by Beverley on 62pts, Dowerin on 56.5, Goomalling on 44 and York on 43

White hosted Goomalling at home on Jan 27th and came away with a 7pts -1 win (89 shots – 84). Sat 3rd White travelled to Dowerin and lost 8-0 (100 – 58). Feb 10th pennants cancelled ,followed by a loss to York on Feb 17th 8-0 (85-57) With 3 games left and Beverley with a bye, the ladder stands at York on top with 42pts followed by Beverley 41, Goomalling 40, Northam 35.5 and Dowerin 33.5.

Ladies pennants resumed on Jan 30th with a win over Toodyay 4pts-0 (50 shots – 28) followed by another win (Feb 6th) over Bolgart 3pts – 1 (41 shots- 31). Winning again (Feb 13th) against Quairading Red 3pts -1 (42pts -40). Last game of the season Beverley were at home to York, this was cancelled due to heat.

The ladder at the end of the season has the ladies finishing in 8th position.

Sunday Jan 28th the Avon Trading Mixed Championship pairs were played and won by Glenys Collins and Jeff Murray, Congratulations. Many thanks to Marcus and Kelly for your continued sponsorship of this event.

Beverley Transport Championship Men's Pairs were played over 2 Mornings Sat 10th -Sun 11th due to very hot conditions. This was won by Aaron Smith and Brendan Minchin, congrats on winning back to back titles. Thanks to Garry and Sarah Miller for your generous sponsorship.

Sunday 25th was the start of the Hutchinson Championship Singles, with the final to be played on Sunday 10th of March.

Shazmac Barefoot Bowls was played over 3 Thursday nights during February, thanks to Jeff Murray and Lyn Murphy for organizing the evenings, and to Shazmac for your sponsorship.

Tuesday March 12th Beverley host The Classic Men's fours with 28 teams from outside town. This is one of our premier events sponsored by WFI, Aglime, Fuel Distributors, Hutton& Northey and RSM accountants.

Pennants finals will be played on Sat 23rd/Sun 24th March. Played at team's finishing on top of Ladder.
