BEVERLEY HYDRABOOM

BEVERLEY 2035

In August 2023, the Commonwealth Government announced the launch of a new Grant Programme for potential infrastructure development. In this programme, Local Governments are eligible to apply for funding.

The Grant Programme known as Regional Precincts and Partnerships Program or rPPP, has 2 parts to it.

The first stage is funding of up to \$5 million per successful application for the purpose of planning. This is important for the second stage which has up to \$50 million per successful application for the implementation of these plans.

This provides an opportunity to plan for many developments that will benefit Beverley over a longer timeframe. These developments are envisaged to be planned over several years and so the Council has developed a concept plan called "Beverley 2035".

For Beverley, the ability to access funding for planning is crucial to ensure projects identified are "shovel ready" for the occasion of suitable Grant funding being made available. Engaging consultants for previous projects has proved costly and has limited the Shire's ability to develop the plans it has identified to date.

One of these projects, the swimming pool redevelopment is a "shovel ready" project and an application for funding under Stage 2 of rPPP has been submitted.

This concept plan is in its early stages and is being formulated to identify projects that will benefit Beverley. The projects currently envisaged are but a beginning to a long-term view of a future Beverley.

Under this plan, the Council has identified the following as projects that would bring benefits to the Community:

1. Refurbish the Beverly Aquatic Centre (a Stream 2 application has been submitted);
2. Industrial land servicing and release for development;
3. Residential land servicing and release for development;
4. Intergenerational Centre – aged care to child care;
5. Essential worker accommodation;
6. Relocation of the Shire depot;
7. Caravan park expansion;
8. Avon River Park development and Trails plan implementation;
9. Creative spaces – Cultural Centre; and
10. Recreation precinct development – Indoor Sports Centre and Function Centre.

To progress the applications for the Stage 1, the Shire has engaged Mr. Mark Casserly as a consultant to prepare the necessary application.

It must be stressed that while this is only a concept plan at this time, nevertheless the general vision for future planning will be based on these matters and others as they might arise in the future.

MENTAL HEALTH AND WELLBEING TIPS:

GET ENOUGH SLEEP AND REST

Sleep affects our physical and mental health and can be the first thing we trade in when we get busy or stressed.

SCHEDULE TIME FOR THINGS YOU ENJOY

Balance in life is important, so taking time out for things you enjoy can make a difference to how you think and feel.

BE ACTIVE AND EAT WELL

Our physical and mental health are closely linked, so ensure that you are exercising and eating nutritious food.

NURTURE RELATIONSHIPS AND CONNECT WITH OTHERS

Our connection to others is what keeps us strong, especially during challenging times. Ensure you have people to connect with (face-to-face, over the phone or virtually).

ENSURE YOU ARE ADOPTING STRATEGIES TO MANAGE YOUR STRESS LEVELS

If you have are having trouble relaxing or managing intrusive thoughts, the websites below provide an array of tips and tools that can assist you.

MAKE A 'TASKS LIST'

Break large tasks into smaller, more manageable tasks which can be prioritised in order of importance.

FOCUS ON WHAT YOU CAN CONTROL

Direct your time, energy, and resources towards things you have direct influence over, rather than things outside of your control (weather/climate, government regulations, commodity markets).

BRING OTHERS TO THE TABLE

Another set of ears and a logical brain can help with processing and retaining information.

KEEP THE LINES OF COMMUNICATION OPEN

Schedule regular farm business meetings and don't avoid making decisions.

KEEP IN REGULAR CONTACT WITH INDUSTRY PEERS, GROWER GROUPS AND CONSULTANTS

They are sources of trusted and valuable information and can also be a good social connection.

PREPARE AND PLAN FOR THE UNEXPECTED

Contingency planning can avoid further stress.

BE AWARE OF THE RISKS ASSOCIATED WITH BEHAVIOURS OR COPING STRATEGIES THAT ARE UNSAFE AND PUT YOURSELF AND OTHERS AT RISK

Unsafe alcohol consumption, misuse of prescription medication and use of illicit drugs.

TAKE TIME TO PAUSE, BREATHE AND REFLECT

A simple moment of reflection helps us connect our minds with our feelings. It enables us to connect what's happening around us with what's going on in our heads and hearts. Taking the time to ask the right questions of ourselves, and time to get a thoughtful answer, gives us perspective, direction and clarity. By taking time to pause and slow down our breathing (deep circular breaths), we slow down a racing heart, reducing the symptoms of stress headaches and muscle tension.

PARTAKE IN HELP SEEKING BEHAVIOURS

Please see below for information on Support Services and Helplines available.

ORGANISE AN INFORMATION SESSION OR WORKSHOP:

Increasing your own and others understanding of the risks, protective factors, unsafe/risky behaviours, coping strategies, wellbeing, and community resilience is a powerful tool in improving empathy, connections and the overall safety within a community. High Blood Pressure – A Silent Killer

BY THE REGIONAL MEN'S HEALTH INITIATIVE
July 2024

Sadly, lots of blokes don't have their blood pressure (BP) checked because we don't visit our GP for check-ups and/or the GP has not done a blood pressure test. In fact, a lot of blokes don't know what the blood pressure readings mean and have never had it explained to them.

High BP is one of the 3 main risk factors for heart attack and the main risk factor for stroke. Having a consistently high BP isn't a good thing and may become more common as we age. High BP isn't inevitable, nor unmanageable if we have it, but controlling high BP is critical in protecting our long-term health and wellbeing.

Our bodies contain about 5 litres of blood which the heart pumps continuously around an intricate network of blood vessels. This process delivers vital nutrients and fresh oxygen to our body's tissues and organs whilst creating a certain amount of pressure inside our arteries (blood vessels that take blood away from the heart and out to the body).

Our blood pressure depends primarily on two things:

- The amount of blood pumped by the heart and
- How easily the blood can flow through the arteries.

Blood pressure readings are given in millimetres of mercury (mmHg) and consist of 2 numbers:

- The top number - measures the pressure in your arteries when your heart pumps – systolic (sys-tol-ik) pressure;
- The bottom number - measures the pressure in your arteries when your heart relaxes – diastolic (di-as-tol-ik) pressure.

What is normal blood pressure? According to the Australian Health Foundation there is no normal or ideal blood pressure reading. The following figures should only be used as a guide.

Normal	Less than 120/80
High/Normal	Between 120/80 and 140/90
High	Equal to or more than 140/90
Very High	Equal to or more than 180/110

(Source – Heart Foundation Managing High Blood Pressure)

The cause of high BP quite often is a mystery. It can be linked to genetics (family history is important), poor diet, being overweight and/or lack of exercise. The effects of some medicines being used to treat varying health conditions can also be a factor along with underlying health disorders that we may have.

The harm of high BP over time is simple. It can overload both the heart and blood vessels which in turn make us more susceptible to heart attack and stroke.

There are many things that we can do to keep our blood pressure healthy. To help manage high BP many people need medicine but by making the following healthy lifestyle changes blood pressure can be lowered:

- Be a non-smoker
- Lose excess weight
- Eat less fat and salt
- Exercise regularly
- Keep alcohol intake down

It is possible to have high BP for years without knowing it, which is why it's called a silent killer and is most often discovered during routine physical examinations. Remember, be proactive and make an appointment for a service visit with your GP and always have BP on your checklist for your GP to check.

As always, remember ... before it all gets too much...

Creative Writing Competition

Thank you to the community for joining in on our first official Creative Writing Competition. Congratulations to those who participated. We had some great stories about monsters, other planets, goats, friendship, love and so much more. These stories were all creative and a delight to read. If you had an entry in our competition please come into the Beverley CRC to collect your story, certificates and prizes.

This competition would not have been possible without the Encouraging Promising Practices Grant by the State Library of WA.

We would like to acknowledge and thank our judges, who had the task of not only judging the entries but also providing feedback. Thank you to Jaime Williamson (Early Years Network President), Emma Davey (Curriculum Leader at BDHS), Fred Bremner (local nonfiction/historical author and former Beverley Shire Councillor), Ali Lewis (Shire of Beverley Executive Assistant), Patricia Mihaljevich (local tutor), and Phillip Mihaljevich (local author of children's novel, Toby).

Are you interested in reading?

We are in the final stages of collecting 30 stories for the Storytime Walk! If you are interested in reading a junior fiction book and being a part of this project, get in touch with Alyssa. We are looking to launch this walk in August, keep an eye out for more information. This is the final project of the Encouraging Promising Practices Grant supplied by the State Library of WA.

Paint Beverley REaD!

Paint the Town REaD (PTTR) is a grassroots movement dedicated to promoting early literacy by encouraging communities to read with their children from birth. Thank you to the Shire of Beverley and Early Years Network for their support in this project. By engaging the entire community in early literacy efforts, we can ensure that our children start school ready to learn, setting them up for future success. We are looking to collaborate with as many local businesses and groups as possible. If you are interested in finding out more or how you can help, get in touch with Alyssa, 9646 1600 or marketing@beverleycrc.com.au.

My future care

Introduction to Advance Care Planning workshop

We all want to have a say in what happens in the last part of our lives. By making plans that cover your future care, lifestyle, health and finances, you're not only working out what you want, you are also making things easier on those around you. This process is called Advance Care Planning.

In this **FREE** workshop we will cover information on what's involved in Advance Care Planning, how to get started, and how to talk about your wishes for the last stage of your life with your family, loved ones and health care providers. The workshop is suitable for all members of the community. You can be any age or have any level of health.

Date: 17 July 2024
Time: 10.00am - 12.00pm

BEVERLEY ST JOHN AMBULANCE

What a great month June has been for our Sub Centre, firstly our kitchen renovations are complete and although compact it looks great. Now to have that busy bee and return everything to the new cupboards. Then hopefully we will have a celebration to christen our newly renovated kitchen.

The airstrip has new lighting, and wow are the lights bright for the RFDS and the Chopper to land in the future. Huge thanks to the Beverley Shire for having them upgraded for the Community.

A First Aid Course is being held here in Beverley on Saturday 13th July from 8.30am to 4.30pm, for those who need a current First Aid Certificate or you wish to renew your qualifications, if you haven't booked a place by now you need to ASAP. First Aid Certificates need to be renewed every 3 years to maintain accreditation.

Linda attended Story time at the CRC early June to read to the little ones. We are not sure who had more fun Linda or the kidlets.

At the beginning of the year SJA implemented an initiative to collect information on volunteers within the wheatbelt region who have achieved 20 years or more of service within the organization, this information in turn was then acknowledged at a state level as this Data was then submitted to the Department of Communities to be recognized during National Volunteer Week.

We in the Beverley community we're lucky enough to have had two such volunteers who were nominated by SJA, accordingly and justifiably their service to the community was highlighted recently by being presented with a 2024 WA Volunteer Service Award and Badge recognizing

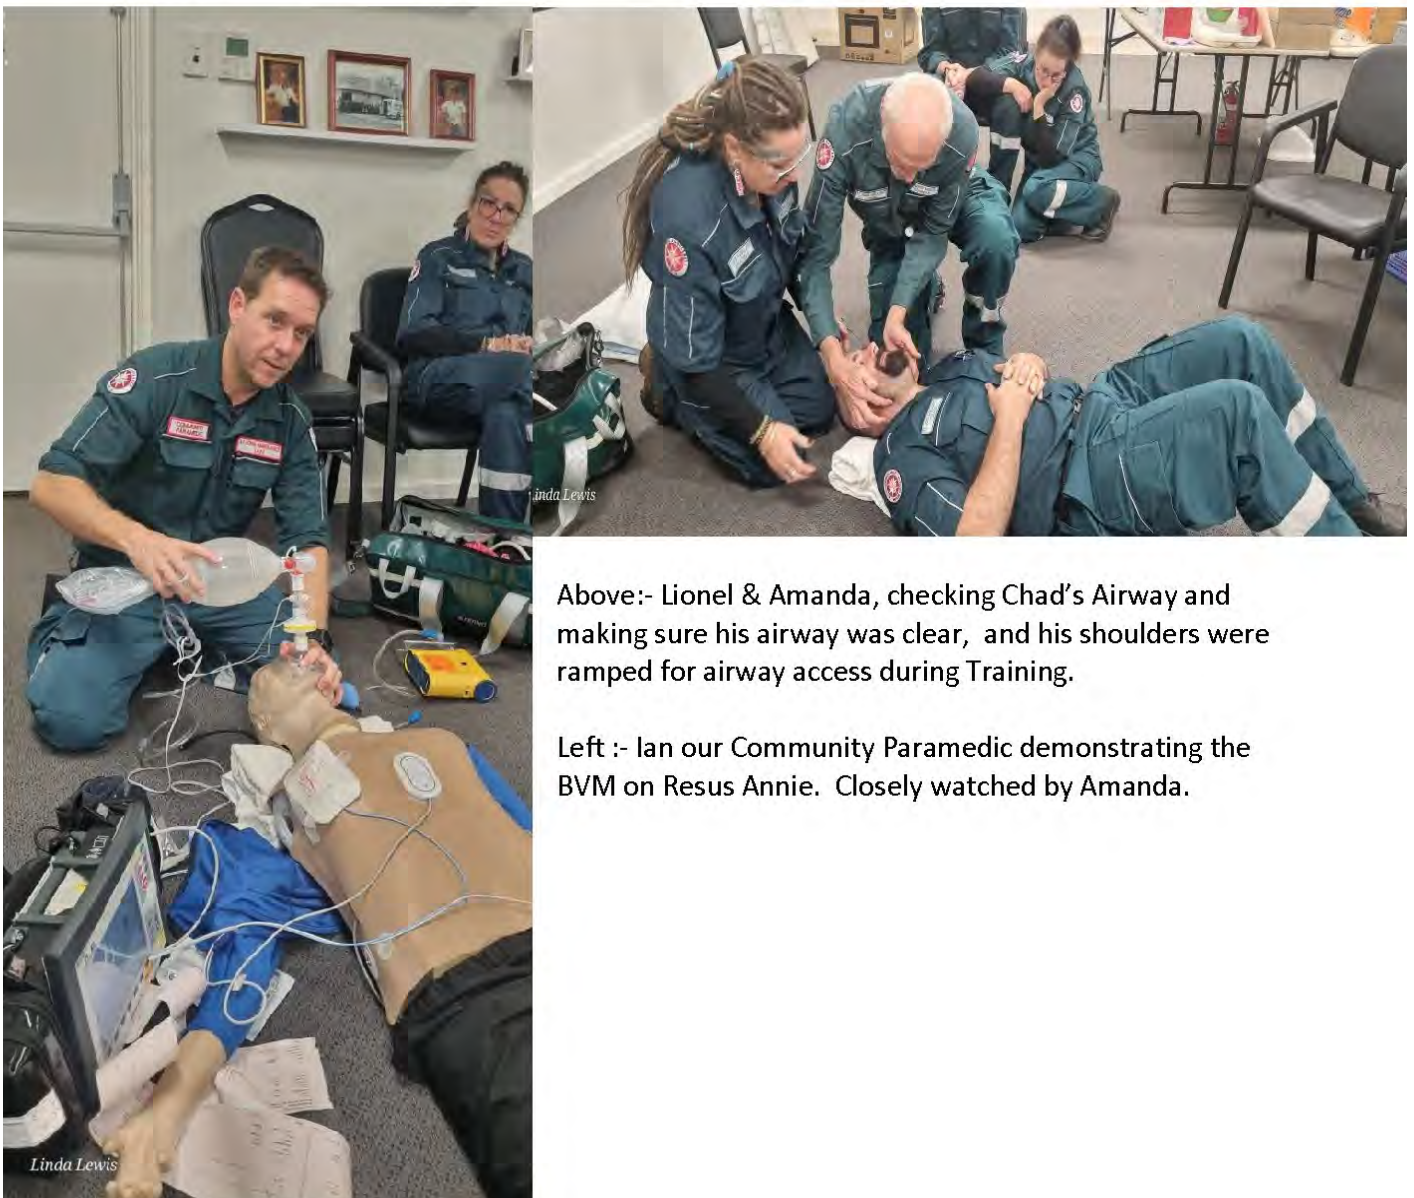

Western Australian Volunteers, from the Department of Communities. They were presented to Peter Jenkin for 35 years service & Jenny Rayner for 32 years service.

May & June have been busy for the Beverley Crews attending a number of call out and transfers. Training has been well attended all year and Training requirements are being met

within our Sub Centre. June was focused on Airway Management and Ventilation along with constant practicing skills of CPR and the Corpuls.

Please don't forget that the Sub Centre Office days have changed from a Friday to a Thursday each week. Office Hours are now Tuesday & Thursday 9am – 2pm. The SJA Flags are on display at the front of the Sub Centre when the Office is open to the General Public.

Until next month stay healthy, take care and keep away from the winter bugs that are floating around our town at present. .

Above:- Lionel & Amanda, checking Chad's Airway and making sure his airway was clear, and his shoulders were ramped for airway access during Training.

AVONDALE FARM Saturday 6th July 2024 at 9 am

If you love gardening and would like to be a part of helping to transform an old Garden, meet at Avondale Farm's Homestead building at 9 am Saturday 6th July.

The National Trust of Western Australia has organised a day of planting and weeding. There will be morning tea provided. All are Welcome!

While you are there meet the relatively New Caretaker, Bronwyn, and her four friendly Clydesdale Horses. Call Bronwyn on 0461 421 455 if you need any further information or if you would like to visit Avondale.

AVONDALE FARM Revegetation Weekend

On Friday night 14th June 2024 a number of National Trust Volunteers came out and camped at Avondale in readiness to do some tree planting the next day in the Avondale Reserve.

They were up and ready to go about 9 am. We had 14 people out planting, including a local man, Peter, from Beverley. The area to be revegetated was denuded in a fire previously and badly needed attention as the weeds were beginning to take over. The weather was perfect, a lovely balmy sunny day and with so many people the planting was done quickly.

Lunch was provided by the NTWA thanks to Deb and the Red Vault Restaurant. The Freemasons Tavern was booked for 16 for dinner that night and the meals were served quickly despite it being a very busy night. Nothing but praise for our fantastic local eateries.

Back at Avondale after the meal in town it was decided to light up the Burn Pile and enjoy a warming Bonfire. Someone had a Ukelele and some campfire songs were enjoyed well into the night.

The next morning was another glorious sunny one and the Volunteers enjoyed exploring the other attractions at Avondale. The Homestead/ Farmhouse was opened as was the Beverley Agricultural Museum. The Stables and Blacksmith Shop are other buildings that were able to be visited as well as the walk around the Lake.

Of course the Clydesdales are a popular attraction as well. The Boys, Treasure and Digger, live in the round yard paddock in front of the Air BNB cottages while the Girls, Flirt and Florin are living in what used to be the Animal Nursery.

All the Volunteers left Avondale tired but with happy smiles on their faces and a sense of satisfaction.

Committee Member Recruitment

Beverley is well known for having the best show in the region and it takes a dedicated effort by a dynamic team of volunteers to ensure that the tradition continues from one year to the next.

There are currently several vacancies on the organising committee and we are seeking volunteers to join our team.

Leading up to the Show we have a monthly committee meeting and, depending on the position that you take, you may expect to spend several hours a month following up on your area of responsibility. In the week leading up to the Show we ask that you contribute whatever time you can afford.

For those that are new to our town, it is a great way to meet new people from around the district and make a contribution to our community.

For further information contact Bruce Hunt on 0404 044 202.

Jesus answered and said to him, "Most assuredly, I say to you, unless one is born again, he cannot see the Kingdom of God." (John 3:3)

But you are not in the flesh but in the spirit, if indeed the Spirit of God dwells in you. Now if anyone does not have the Spirit of Christ, he is not His. (Romans 8:9)

BEVERLEY HISTORICAL SOCIETY

Beverley Historical Society
Dead Finish Museum

bbdeadfinish@gmail.com

Happy July everyone.

Unfortunately, we had to cancel our June meeting due to many of our members having health issues and hope that now you are all back on the mend.

Big thanks to our new members for stepping in and doing the Sunday rosters, it is very much appreciated. We have had a steady flow through the Museum.

By the time you are reading this we would have had the Mid-winter Solstice Open Night at the Museum, many thanks to Adam Freeman for organizing this, plus a bus from Kalamunda Seniors with 40 on it.

Thanks to the Tree & Garden Group the garden is looking lovely.

Next meeting is Monday 8th July at 1.30p.m. Dead Finish Museum.

New members are always welcome, feel free to come and see if it interests you

THIS YEAR THE BEVERLEY HOSPITAL AUXILIARY INC. PROUDLY CELEBRATES 80 YEARS OF SERVICE AND CHARITY TO THE BEVERLEY COMMUNITY. THE CURRENT COMMITTEE THANKFULLY ACKNOWLEDGES THE MANY VOLUNTEERS WHO HAVE GENEROUSLY GIVEN OF THEMSELVES TO SUSTAIN THIS CHARITABLE WORK FOR SO MANY YEARS. WE WOULD ALSO LIKE TO THANK THE CUSTOMERS OF THE OP SHOP AND THOSE WHO DONATE CLOTHING AND GOODS TO THE OP SHOP.

Donation Bins are located behind the Op Shop, through the iron gate.

If you wouldn't buy it, please don't donate it!

Notice of AGM for the Hospital Auxiliary

1st July @ 1pm

@ the Beverley Hospital Meeting Room

THE BEVERLEY HOSPITAL AUXILIARY COMMITTEE 1944-2024

CELEBRATING 80 YEARS OF PROVIDING FINANCE FOR AMENITIES AND EQUIPMENT FOR THE HEALTH SERVICES IN BEVERLEY

LOCATIONS OF THE BEVERLEY OPPORTUNITY SHOP

1961 - The Shop opened in the side room of **Freemasons Hotel** in eastern end of **Vincent Street**— Mr Hayes was the Publican. And it remained there, courtesy of all those subsequent publicans for 45 years. The Auxiliary paid no rent or power bills for those years.

- **Opening hours** 2-3pm on Saturdays. Later, once a month, the Shop also opened on Fridays and Saturdays to coincide with Child Endowment Payment dates. Eventually, Saturday trading ceased.

- **Meetings** were also held in the Hotel in an upstairs lounge.

- The Methodist Church [now Real Life Church] on Hunt Road has also been spoken of as the original location, but records have not been able to verify this.

2006 – Opportunity Shop re-located to **The Old School Building** in the town centre. A room was provided by the Shire of Beverley.

2010 – The location was needed for other uses and the Shire Council agreed to the Auxiliary using the building across the road- **The Child Health Centre**.

2015 – The Child Health Centre was marked for demolition to make way for the new CRC Cornerstone buildin....so once again we were homeless! After negotiations with the Shire, we moved into the old **Roads Board/Shire building adjacent to the Town Hall**, where the Op Shop remains today in 2024. Donations were made, including one of a significant amount by an anonymous donor, towards the cost of the new expense of rent to be paid.

During most of these many decades, "Avon Trading" was used as the depot for goods donated to the Opportunity Shop. The Auxiliary has been enormously grateful to the various owners of Avon Trading and Thrifty Link Hardware.

SOME MORE TID-BITS ABOUT THE AUXILIARY COMMITTEE IN DAYS GONE BY AND THEIR ACTIVITIES:

- *Members washed the ward curtains, sewed curtains for the wards, were rostered to visit patients, changed the water in the vases and provided fresh flowers, Mrs Fleay and Mrs Cullen made waterproof leggings for the nurses and committee cleaned the hospital stove!!!!*
- 1956, suggested a public appeal for *bath heaters for Nurses' Quarters*.
- the Auxiliary paid volunteers to drive families of patients to Perth, *members drove senior citizens to lunch at The Lodge, to and from Northam and patients to Perth on Roster on a roster system*.
- 1957- Some dissention with Hospital Board and Medical Dept; they thought the Auxiliary should spend their money as they dictated. Not so!
- 1958 – *The Auxiliary decided against the Constitution drawn up by the Hospital Board and decided to register The Beverley Hospital Auxiliary as an autonomous Charitable Organisation [which it still is today in 2024], to work for hospital patients and staff and the health system in Beverley.*
- In 1967, *the Auxiliary suggested to the Hospital Board that the hospital diet to patients should be revised. Were they successful?*
- *Auxiliary members took home mending [sheets, pyjamas for patients, pillow slips, baby clothes etc]. On slack days, nurses helped with mending.*

As you can see, the firm foundations for the Beverley Hospital Auxiliary were laid so successfully many years ago by a great number of valued and dedicated volunteers.

In 2024, the Auxiliary committee structure, our mode of operating and our enthusiasm to support the health system within our community has varied little over 80 years.

We salute those founding members!

Beverley Agricultural Museum News

The heating at the Ag Museum is totally environmentally friendly, certainly no fossil fuel involved, in fact it is non-existent! So, it was not surprising that with the cooler damp weather that not so many visitors came to see our vast collection of Wheatbelt Farming Machinery located at Avondale Farm just 5.5kms outside of town on Westdale Road, but those that did when we were open on Saturday May 25 certainly enjoyed their visit with several of the volunteers taking time out from their efforts to show them around.

Paul & Kevin spent much of their time trying to ‘pinch’ parts from the Field Marshall Tractor located in the picnic area, alas this did prove frugal as the items required were either inaccessible or worn to a similar degree, many thanks must go to Kevin for reconstructing the clutch cable and welding the clutch pads before taking the time to have them professionally relined by a firm in Perth, he also managed to clean and unseized the wick used to heat the cylinder air when starting, an excellent and positive step forward.

Eric & Gerry persisted with their efforts to restore the brakes to the FX Holden Ute, fitting the Master Cylinder that John A had overhauled, Bill brought back the Water Pump for the C 30 International Truck having made a new impeller for it, and John H took time to ensure the leaf traps from the valley gutters were cleaned out given the rains we were soon to have.

At our first meeting in June, we found the damp floor challenging, (yes, the rains did come) even after John H’s efforts to ensure those leaf traps were clear, alas old sheds have their issues and our group is used to challenges.

With the annual Beverley Show date coming up fast Paul & Bob spent extra time working on the Bedford Truck (one of our means of conveying items to the show), she has a

miss fire when she gets warm, so it was back to basics with a compression test being done, well she is old so it was no surprise that the readings looked like a mountain pictorial (up and down) with mainly low peaks, and given its age and costs involved we are just grateful she still runs.

From the Bedford (and its unreliable state) Bob & Paul looked at the Fargo Truck, discovering that the Brake reservoir was empty, once filled the fluid was seen to leak out of the Master Cylinder, upon removal the seals were deemed to be 'stuffed' and new ones required. Many thanks to Frank for searching the inter web for parts, hopefully we will be able to match up the rubbers in Perth.

Gerry continued his diligent work removing the Holden front Brake drums and hubs only to reveal more brake fluid leaks, with more headaches for our purchasing officer John H!

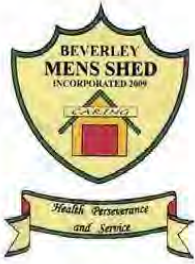

Ralph & Kevin continued working on the Field Marshall installing the new Pads and Clutch cable.

With only two visitors from the National Trust Cottages John A's voice was limited to few words for a change! But he did get a phone call on a weekday from someone wishing to visit the museum who was in Meckering at the time, always happy (if convenient) to open up he made the effort to meet up expecting a 'tourist', so it

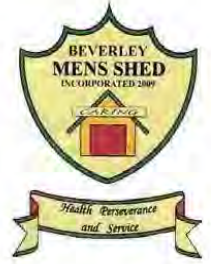

was to his delight that that visitor was the son of the family who donated the Stuart Tank, on holiday visiting his sister and brother in Perth & Albany, from this conversation (around 2½ hours) the true facts about the donation have been revealed with old black and white photo's being shared-----
--watch this space for the true history!

If you would like to know more about the collection, opening times or require a 'one on one' viewing feel free to contact John A on 9646 0768

Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

With the sudden drop in temperatures mid-June our 'lumberjacks' have been congregating in the early morning fog to cut up wood so as to ensure our community have the option to purchase from our depleting stockpile, such has been the popularity of the product, once again the members would like to thank the public for their support, and the rest of the 'Shed' are grateful to those 'who can' for their efforts in keeping our finances in the black, a special 'shout out' to Robert who has not only supplied, but also arranged delivery of large logs to our cutting area, this effort in itself has saved much time and effort for the team.

And as everyone knows (by now) that is not the only means of finances we band together as a group to support ourselves; our monthly raffle also has some of our membership giving up their free time to help and support us, with the profits from the raffle being evenly divided between the Royal Flying Doctors Service and the Men's Shed.

At our last raffle drawn on Saturday June 6 the winners and prizes were as follows.....

First prize of a \$100.00 meat voucher redeemable at T Bone Butchers (always support local business) was won by a visitor staying with a local resident, given the situation, the secretary offered the winner a cash alternative which was declined, passing on the voucher to Margaret who they were staying with.

Second prize went to Rita, also a meat voucher for \$50.00, third prize was another meat voucher this time for \$25.00 and won by Linda, our mystery prize (still a mystery) was won by Izzy, congratulations to all the winners and a big thank you to the Beverley Community. The Men's Shed would also like to thank the many businesses around the town that have RFDS donation tins on their premises, especially the Photo Shop whose owner has given tireless dedication to assisting us.

With winter 'almost' (yes it gets worse!) upon us, the group held a 'movie afternoon' on June 9, from our extensive collection the Jack Nicholson starred movie 'About Schmidt' was chosen, all went well until the screen froze, so alas we never got to see the ending, but it was a good social event and just nice to sit and chat while enjoying the hot Chicken soup, and well elevated Scones that Carol and Merv had brought along together with Pat & John's sandwiches.

Our friends from the Wundowie Men's Shed arranged on June 18 for us to visit them, the Beverley Community Bus was secured with our large group also travelling in two other vehicles. Being cold the 'billy' was already boiling when we got there, much biscuit dunking was noticeable before the guys interacted with our group showing us around the vast area and their Shed they are located in. Many of us were in awe of the large collection of metal and woodworking

machinery they had available for members to use, and from the number of projects that we noticed in the 'Shed' and adjoining buildings it was obvious to us that although only

numbering a small membership they have a lot of talent in their group. Like us one of their main means of financial support is Firewood supply, and it was all hands-on deck

when a customer arrived to have their trailer loaded. Lunchtime saw the BBQ fired up, and most of the talking ceased while we enjoyed a meal together, many thanks to the Wundowie Men's Shed, you did a grand job and were extremely sociable towards us, also a big thank you to Harvey for his diligent driving and giving us a tour using 'the roads less travelled'.

As always if you are interested in joining us on a Tuesday on our meeting morning feel free to 'rock up' at the old Fire Station at the address above, and please support our raffle being held on July 5 and 6 at the Lions Kiosk.

MY MEDICARE

We have joined the MyMedicare community and we want you to join us too

What is MyMedicare?

MyMedicare is a voluntary patient registration system that aims to formalise the relationship between patients, their general practice, general practitioner (GP) and primary care teams. Seeing your GP regularly and formalising the relationship you have with your GP and general practice through MyMedicare can lead to better health outcomes.

By registering as a patient of your chosen general practice and selecting a preferred GP, additional funding will be available from the government to assist your primary care team to deliver the care you need.

It is voluntary and free to register in MyMedicare, and registration is open to Australians with a Medicare card or Department of Veterans' Affairs (DVA) Veteran Card. To find out if you're eligible for MyMedicare read the Registering in MyMedicare factsheet.

MyMedicare is a registration system and won't hold any of your clinical health information. Your clinical health information will continue to be stored in your My Health Record, if you have one. All personal information recorded in MyMedicare, including your chosen healthcare providers, will be kept secure and your privacy will be maintained.

Read the MyMedicare Privacy Notice at health.gov.au/mymedicare-privacy for further information.

Benefits of registering for MyMedicare

Many general practices across Australia have registered in MyMedicare to support them in offering tailored care and services to fit the needs of their regular patients.

By registering in MyMedicare, you may benefit from:

- A formalised relationship with your general practice or GP, which has shown to improve health outcomes.
- Longer Medicare Benefit Scheme (MBS) funded telehealth consultations with your GP.
- Incentive for longer telehealth consultations for children under 16 and Commonwealth Card Concession card holders, from 1 November 2023.
- More regular visits from your GP and better care planning for people living in a residential aged care home, from August 2024.
- Connections to more appropriate care in general practice for people who visit hospital frequently, from mid-2024.

Longer funded telehealth consultations may be particularly beneficial for people seeking assistance with their mental health, people with disability, older Australians and people in rural or remote Australia.

Further registration benefits for patients will continue to be added as part of the Australian Government's commitment to strengthening Medicare. If you choose not to register in MyMedicare, you'll still be able to access the same quality of care from your healthcare providers.

Talk to your regular general practice or GP about registering in MyMedicare, or find out more at health.gov.au/mymedicare

Winter Carnival - Friday 7th June 2024

49 students across 5 teams represented our school at the CGSISA Primary Winter Carnival in Brookton. Everyone had a fantastic day demonstrating great sportsmanship, teamwork and resilience. A huge thank you to the following parent helpers; without you our day wouldn't have been as successful: Brad Copping - AFL Coach, Jo Copping - Netball Coach and Umpire, Chaise Sattler - Soccer Coach Emma Davey and Carolyn Denniston - team support and scoring. Thank you also to Shelby-Glenn Ugle and Marcus Slater who assisted as student helpers with Netball and Soccer - you were both amazing! Also thanks to fellow staff members Chantelle Meade, Kelly Fitzgerald, Corinna Thomas and Amy Cleaver for your support and assistance in various roles. One of our netball teams finished the day as the champion team which was very exciting! Narelle Bailey, Physical Education Teacher.

Reconciliation Week at Beverley DHS

On Friday, July 1st, Beverley DHS students celebrated Reconciliation Week with a variety of activities that engaged the entire school. The students took the lead in planning the day to ensure that every class could participate meaningfully. Here's a summary of the day's events:

Primary Students: Bracelet Making: Younger students plaited bracelets in the colors of black, yellow, and red, symbolising the Aboriginal flag. This activity fostered creativity and connection to Indigenous culture and created the setting for meaningful discussions.

Secondary Students: These students rotated through two main activities before heading off to Cadets.

Yarning Circle: In this activity, students shared their histories and backgrounds, with some tracing their ancestry back to their great-great-grandparents. This circle highlighted the rich cultural diversity within the Beverley community. As they shared stories, they also plaited bracelets in Indigenous colors, promoting mutual support and cultural exchange.

Cooking Damper: Guided by Mr. Ugle, another group of students learnt to make damper. The freshly baked damper was enjoyed during recess, adding a delicious and educational element to the day.

Painting: Later in the day students created beautiful works of art sharing techniques and the stories behind the artwork. Students also proudly shared with their peers, stories about family members who paint, draw and design. The painting session was very therapeutic and created a space that allowed a lot of positive discussions around family and culture.

Community Engagement: The students have thoroughly enjoyed delving deeper into traditional cultures within their community. They are now eagerly planning for NAIDOC Week. The school invites anyone interested in contributing to the planning, sharing their stories, or offering skills related to Indigenous culture to get involved. If you would like to be part of this enriching experience, please reach out and join the students in their journey of cultural discovery and celebration. Tamara Nixon, Secondary Teacher

Gnalla Djooks

This year our school has had the amazing opportunity to be a part of the Gnalla Djooks program. This program is run by the Stephen Michael Foundation (SMF), for young Aboriginal women. Gnalla Djooks is an innovative and culturally secure program of individualised support services and group activities aimed at strengthening the wellbeing, engagement and educational outcomes of Aboriginal girls and young women in WA Schools.

Beverley DHS have partnered with surrounding schools, Brookton, Quairading and York and have been meeting every Monday to participate in this program. Presenters from the Stephen Michael Foundation come out and run activities with the girls, which include bracelet making, tote bag painting and have also run cultural language lessons. The girls were extremely lucky to have had a special guest visit. Molly West, a young Aboriginal artist, came out to speak with our girls. She spoke about her background, and how her family were a part of the Stolen Generation. Molly spoke so passionately about her love of art and was very inspiring to listen too. The program will run once a week and will continue through Term 3 and 4.

Beverley Historical Society presents

Governor's Visits to Beverley (from the *Beverley Times*)

Saturday 5 September 1908, page 6

The Governor on Tour. VISIT TO BEVERLEY.

His Excellency the **Governor, accompanied by Lady Bedford**, Miss Bedford and Captain Gilliatt, A.D.C., paid a visit to Beverley on Tuesday, arriving from Perth by the evening train. They were met at the station by representatives of the Municipal Council and Roads Board, and an address of welcome was read by the Town Clerk, to which Sir Frederick Bedford responded in a few brief remarks. The vice-regal party were subsequently escorted to the Mechanics' Institute, where they were met by the W.M. of the local branch of the Masonic Lodge (Bro. A. W. Fergus) and became the guests of the Lodge at the hall and supper, remaining until shortly after midnight. The following day a visit was paid to the local State school. The children were assembled in the playground and were drawn up in order under the Union Jack under the charge of the head teacher (Mr. T. G. Slater) and his assistants. Upon the arrival of the vice-regal party the children sang the National Anthem, and Mr. W. Smith J.P. (Chairman of the local School Board) received and introduced his Excellency. After an inspection of the school the children were granted a holiday in honour of the occasion. A short drive into the country was the next move on the programme, the properties of Mr. W. J. Butcher and Messrs. Fisher and Tanner being visited. At St Aubyns the party were the guests of Mr. and Mrs. H. M Fisher, and light refreshments were served. On returning to Beverley an excellent luncheon was provided at the Freemasons' Hotel. Cr. W. V. Chipper, J.P., presiding in the absence of the Mayor (Mr. E. G. Barrett Lennard) through illness. Mr. H. Smith, M.L.A., also sent an apology for his unavoidable absence. The usual loyal toast and that of His Excellency the Governor were honoured Sir Frederick Bedford acknowledging the latter in a few complimentary remarks concerning what he had seen of the district. A public reception was held in the Mechanics' Institute in the afternoon, at which there was a representative gathering. The arrangements were in the capable hands of Mrs. W. J. Cooper and refreshments were served by a committee of ladies. Vocal items were contributed by several of those present, and the vice-regal party were subsequently seen off at the station on their way to York. •'

THE 1926 SHOW. HIS EXCELLENCY THE **GOVERNOR AND LADY CAMPION** PRESENT. A SUCCESSFUL FIXTURE.

The Show has been and gone again. Expectancy and anxiety have been set at rest. The great number of exhibitors who were so hopeful and deserving now know whether they were actual prize winners! The Committee also have had their anxious cares removed for the Show was a grand success. It was a happy inspiration of the Committee to invite His Excellence the Governor (Sir William Campion) to officially open the Show.

VISIT OF THE LIEUTENANT-GOVERNOR

R.S.L: LUNCHEON AND ROAD BOARD WELCOME

His Excellency the Lieut. **Governor Sir James Mitchell, accompanied by Lady Mitchell**, arrived in Beverley at midday on Wednesday last in order to attend the Jubilee Ball held in the Town Hall that night. The visitors were

met at the station by the chairman of the Road Board (M. F. Mc-Donald), the president of the Beverley branch of the R.S.L. (Mr. G. L. Weaver) and Mrs. Weaver. At 1 pm a luncheon was tendered the visitors at the Freemasons Hotel by the Executive of the R.S L. Also present were representatives of the C. W.A. in Mrs. Adamson and Miss

M. McDonald, Mr. and Mrs. J. I. Mann and representatives of the R.S.L. Women's Executive. Lady Mitchell was later the guest of the C.W.A. at afternoon tea in the Rest Room. After the luncheon a visit was made to both local schools, and the children were granted a half holiday in honour of the occasion. The Road Board extended a welcome to Sir James at the Board office at 3 p.m. Mr. F. McDonald, Board chairman, presided, and after the loyal toast had been honoured welcomed the Lieut. Governor on behalf of residents, about 30 of whom were present. His remarks were supported by Messrs. G. L. Weaver and J. I. Mann (member for the district). Sir James' health was honoured, and after he had responded proceedings terminated. Sir James and Lady Mitchell returned to the city yesterday morning.

The Governor's Visit

His Excellency the Governor, Lieutenant - General **Sir Charles Gairdner, K. C. M.G., C.B., C.B.E. and Lady Gairdner** will pay their first visit to Beverley next week to attend and officiate at local Coronation fixtures. The Vice-Regal visitors will arrive in their special rail coach and their first engagement will be at the race fixture on Wednesday afternoon when they will be the guests of the Club president, Mr. Tom Barrett Lennard and committee. The Governor will present the trophy after the cup race. They will arrive at the Town Hall at 9 p.m. for the presentation of debutantes. On Thursday morning the local C.W.A. will entertain Lady Gairdner at morning tea and Sir Charles will visit the schools in the company of the member for the district. Mr. J. I. Mann. M.L.A. and chairman of the Road Board, Mr. L. W. Doncon. Later the visitors will be the guests of the Road Board at dinner at the Hotel Beverley. This will conclude the official fixtures. Sir Charles Gairdner and Lady Gairdner made another visit to Beverley Friday 16 May 1958 for the RSL ball. This time they came by car but stayed the night in the special rail carriage that arrived separately.

Club Entertains Governor's Team

Last Sunday the **Governor Sir Douglas Kendrew** and his tennis team, was entertained by the Beverley Club. The day was very much enjoyed by all who attended, these including Mr and Mrs W. E. Heal (Shire president), and Mr. & Mrs. J. Woods and Mr W. R. Gillespie (life members). Of those taking part in the match it was pleasing to see Mr. C. McLean and Mr. G. Kilpatrick. (the Club's two most recent life members) playing. On the tennis court His Excellency and team members proved very able opponents and won very comfortably. At the completion of an excellent buffet lunch the Beverley Club's president, Mr Frank McDonald,

welcomed His Excellency and all the visitors. Sir Douglas responded — his speech including high praise of the ladies who provided lunch.

GOVERNOR ACCEPTS INVITATION TO ATTEND BEVERLEY'S CENTENARY SHOW CELEBRATIONS

His Excellency the **Governor, Air Chief Marshal Sir Wallace Kyle and Lady Kyle**, have accepted an invitation to visit Beverley on Saturday, 28th August, 1976 - the second day of the Beverley Centennial Show. The Vice-Regal couple will join representatives of the Beverley Shire Council and the Beverley Agricultural Society at luncheon on that day, His Excellency has agreed to present the Show trophies during the afternoon, and he and Lady Kyle will be guests at an evening Civic Reception to be hosted by the Beverley Shire Council.

1986 **Governor Gordon Reid & Mrs Reid** attended celebrations of the centenary of the Perth to Beverley railway line. They were taken from the station by coach & horses to the recently opened Dead Finish Museum.

c2007 **Governor Ken Michael** officially opened the Beverley Men's Shed.

BEVERLEY C.W.A

On Wednesday the 12th of June, the local branch held their **Friendship Morning Tea** at the R.S.L Hall. With many other branches coming along, it was a good morning out, especially the entertainment from the Beverley Odd Bods.

We celebrated the 100th anniversary of the C.W.A in W.A. the ladies of the local branch put an amazing morning tea on with some delicious home-made goodies, along with the delicious cakes that the Beverley Bakehouse so kindly made for us for the occasion.

With the local singing group, The Beverley Odd Bods, giving the crowd wonderful entertainment, a lot of people singing along. It was really good to hear some of those songs that many of us grew up with again. So, with that in mind, we thank you all for coming along and entertaining us, it was greatly appreciated.

We would like to thank Mrs Lorraine Sims, the heart of the local branch, gave an interesting speech about her time in the C.W.A and how things changed over the time. We were fortunate to have two members from Head Office come down to help us celebrate and also talk to us about the C.W.A.

The Bakery was so kind to supply the delicious cakes, and I must say from the response I have heard, everyone absolutely loved the cakes!! So, thank you to Ann and Van from the bakery for your delicious treats.

The members also put together a small display of C.W.A of W.A information together for the occasion, where the people could walk through and have a look at the past and see the merchandise that was available to purchase.

Lastly, I would like to thank The 2 Crafty Ladies for coming down as well, it is always nice to have them come down and join us.

So, all in all, we hoped that everyone enjoyed the morning, along with the small amount of rain that we managed to get, and thankyou all for coming out and helping us to celebrate the **100 Years of C.W.A of W.A!!** Here's to the next 100 Years!

Well, that was the month of June and now we start again in July, and we are just as busy as we were in June.

The next **Community Morning Tea** will be held on **Wednesday 10th July at 9.30 am**, back at the **C.W.A Hall**. Another enjoyable morning to be had by all. We will have a guest to talk about the Comfort Quilts against Cancer. So, if you wish to know more or want to know how you could help, come along for a fun and informative morning out.

The State Conference will be held in Joondalup on the 9th of July, and we will have a delegate attending the conference this year.

Then we will be getting ready for the Beverley Show in August, hopefully having a display to showcase the C.W.A of WA 100 years.

So, until next time, stock up the wood pile, stay warm and stay safe!!

Artists-in-Residence at the Station

June Artists-in-Residence

Betty McKeough enjoyed her extended stay at the Station till the 10 June focusing on designing and creating components for a new jewellery collection, incorporating metal and textiles. She also took the opportunity to complete an intricate weaving project between talking to visitors.

From June 12 we welcomed Visual and Textile Artists Cynda Emsall and Susan Mader who invited volunteers to their **FREE Pot Luck Workshops** (22/23 June) with the aim of exploring the simplicity of botanical dyeing - drawing plant material from your natural environment to dye cloth. Then, using hand stitch, slowly stitching areas of interest on the dyed cloth to make potholders for a community silent auction on June 29. Cynda and Susan believe 'Pot Luck' is a metaphor for the warming of the heart, nourishment of home cooking and coming together. We look forward to sharing the results of this 'Pot Luck' community project in next month's Station News. The pic below shows Cynda, Sue and Bec preparing to eco dye fabric for the pot holders.

July Artists-in-Residence

This month we welcome Andy Dolphin till the 23rd followed by John Toohey till the 12th August.

Andy Dolphin is a WA plein air artist who works in many different mediums. However, he is most well-known for his long career in oil paintings. Whilst at the Station Andy is offering his **Learn to Draw** workshops on Thursdays 4, 11 and 18 July. 5.30 – 8.30pm (9 hours total: \$120)

LEARN TO DRAW "Have you ever told someone 'I can't even draw a stick figure'? So many people give up drawing in school believing they need "natural talent" to improve, but it simply isn't true. While some people will find it easier than others, drawing is a skill that can be learned. Over three evenings, award-winning artist Andy Dolphin will teach a selection of methods for drawing almost anything. Using pencils and paper, you will learn the basics of construction, proportion and shading.

This workshop is suitable for beginners or those who have some drawing skill but who want to improve the fundamentals. The methods demonstrated can also be used with digital pencils and tablets. Skills gained will be especially useful for painters who struggle with accurate drawing.

To receive a discount, enter the code "VIPlist" when you book online: www.trybooking.com/CSRVB
The material list will be sent with the booking confirmation.

PERFORMING ARTS

Beverley Amateur Dramatics

Following the enormously successful (and time consuming) production of *The Boyfriend*, the BAD group is in recession till December 2024.

Meantime we are looking to buy a sea container to store the myriads of stage props and costumes accumulated over the past few years.

Beverley Station Arts Singers

BeSASSy is a FREE community choir which will be recommencing weekly from **25 JUNE** on **TUESDAYS 6pm - 7.30pm**

in the Green Room of the Platform Theatre. The group will be working towards the annual Beverley Choir Muster held at the Platform Theatre in September. Community choirs have become so popular in recent years as it's a well known fact that the euphoric endorphin rush you get from belting out a tune is pretty hard to beat. Anyone wishing to join this friendly choir of BeSASSy please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASSy.

SAVE THE DATE FOR THE COMING MONTHS!

July 6: **Bogan Shakespeare** (Romeo and Juliette)

September 14: **Choir Muster** (8 choirs in an afternoon)

October 19: **Beccy Cole** (opening act Shenai Johnston)

November 23: **Bloom** (Tribute to Stevie Nicks, Linda Ronstadt and Carole King)

December 21: **Xmas Party** (Woody's Bush Cabaret)

COMING THIS MONTH!!!

CircuitWest is excited to present **Romeo & Juliet** as part of Shows On The Go 2024 in Beverley on **Saturday 6 July**. Get your tickets now!

Beverley Station Arts Membership Application/ Renewal

It's membership time and we are very much hoping for your new or ongoing support. Beverley Station Arts has achieved great things during the 2023/2024 season and continues to plan and program for many more. So many highlights as you would have noted in the Monthly Station News, including the Gallery Extension which is well underway...stay tuned for details of a Grand Opening.

We are also in the very early stage of a major funding application project in conjunction the Shire of Beverley to undertake some capital works for some upgrades to the Platform Theatre that we hope will help us deliver even better events.

Supporting BSA Inc is also of course supporting the Beverley Amateur Dramatics (BAD), Beverley Station Arts Singers (BeSASSy) as well as Plein Air Beverley WA. Member numbers are often useful in Grant applications and being able to show a good solid number of members is looked on favourably.

Recently we were unsuccessful in our funding application with Regional Arts WA to support us in having a part-time employee and that was a real blow. However, we have picked ourselves up and are hopeful with a new application for funding via DLGSC and look forward to hearing the outcome in September /October.

In the meantime, we forge ahead with what we have to continue bringing the Arts to Beverley and surrounding communities.

We hope that becoming or continuing to be a "Friend" of the BSA makes you feel part of your local community and provides a sense of ownership of the Station, as well as helping us continue to support the Arts and provide Arts opportunities in the Avon Valley.

As a member you are invited to BSA Inc's AGM and will have voting rights as well as being eligible to nominate for BSA Committee.

All members have the chance to take part in the Station's governance.

BSA Annual report is emailed to all members. You will also have access to discounted rates at the Platform Theatre events and will be entitled to free entry to the Annual Art Exhibition Opening NOTE: Annual membership fee is \$30 p.p. or \$50 per couple (new member), \$25 p.p. or \$40 per couple (renewal), which covers the period 1 July – 30 June.

You can join or renew membership by using this link: www.trybooking.com/CRZXQ or the following form.

Splitting the difference

Left: Native longicorn beetle larvae, extracted from jarrah timber. Right: EHB larvae and a cross section of seasoned (dry) pine log showing larvae feeding tunnel.

Larvae in firewood

During the winter period where firewood is often collected and split, our service receives a common enquiry: *“I’ve chopped some wood and found these grubs! Are these borers? Is this the European house borer? Is my house at risk???”* The first question we ask to split European house borer (EHB) from many other wood borers is: *“What wood are you cutting? Is it pine?”*. If the answer is no, it’s not going to be EHB.

EHB larvae will only reproduce in seasoned (dry) coniferous timber and wood, including pine, fir and spruce. Of these, pine trees (*Pinus* species) and pine timbers are abundant in WA. What if the answer was yes? - If you notice larvae or borer emergence holes in dead pine branches, logs, or untreated pine pallets or timbers, please report this. EHB has the potential to cause major structural damage to buildings constructed with untreated pine timber. Infested wood stored in or around the home is worth investigating.

Who’s on the chopping block?

Most firewood burnt in WA is from native hardwood species and pictured in this article are the larvae of native longicorn beetles (*Phoracantha* species) in jarrah. These beetles attack live or recently dead/felled Eucalypt trees

and do not pose a risk to the timbers in your home.

If you have been chopping firewood for years but are only starting to see these borers, it’s likely the trees the firewood has come from, were stressed or recently felled. Trees stressed by drought or disease are particularly susceptible to borer attack.

Reporting

We can’t all be insect identification specialists, but that doesn’t matter. If something isn’t familiar to you, it’s best to report it rather than ignore it. When reporting, please include as much information as possible about what’s occurring. Collect and hold onto any insect samples, and if taking photos, include things like a ruler or a pen so the dimensions of insects, holes or other symptoms can be gauged.

If borers are coming out of furniture, timber, or wooden products like bowls, chopping boards or ornaments – report it as soon as possible and we will provide guidance from there.

For more information on [EHB](#) and other reportable species like the [polyphagous shot hole borer](#) (PSHB), see our webpage agric.wa.gov.au and search EHB or PSHB, or contact us.

MONTHLY GAME

BEVERLEY JUNIOR SPORT

FOOTBALL BEVERLEY SHIELD

NETBALL ANDERSON-SIMPSON SHIELD

NETBALL DONCON-MCNEIL SHIELD

On Sunday 23rd June it was Beverley's turn to host the Annual Beverley Shield, Anderson-Simpson Shield and the Doncon-McNeil Shield. What an amazing day of sport from everyone who attended from Corrigin, Cunderdin, Kellerberrin/Tammin, Quairading and of course Beverley. The positivity, perseverance and sportsmanship from all of the Beverley players did not go unnoticed. All of the kids should be incredibly proud of their efforts. Due to the large amount of netball teams registered (over 90 kids), the netball games were split between the town netball courts and the school. Congratulations to the following players on receiving the Fairest and Best award on the day:

Year 5/U NETBALL - Sienna Year 7/U Team 1 - Ellie Team 2 - Ameila FOOTBALL - Hamish

MASSIVE congratulations to the Year 5/U Team on winning the Doncon/McNeil Shield and Year 7/U Team 1 for winning the Anderson/Simpson Shield on a count back. There were some incredibly close games during the day which had spectators on the edge of their seats at times.

A carnival like this cannot happen and run as smoothly as it did without all the support from the wonderful group of parents we have. Thank you to the following :-

- Megan Vandenberg and the Beverley Junior Sport committee - the amount of effort and planning that has gone into the event over the last few months was worth it as the carnival ran incredibly smoothly. Well done!
- Laura McLean and Louise Atkinson who ran the canteen along with all their helpers. Wow! The canteen did not stop all day. The committee thank you for taking on the role which allowed them to focus on the running of the day.
- Our coaches Narelle Bailey, Jo Copping, Aleisha Murray, Roger Tonkin and Darryl Hagan for coaching our 4 teams for the day. This is not an easy task in managing a team, especially with subs and making sure everyone gets game time.
- All of our umpires. Football consisted of Charlie Horrocks, James Adams and Stuart Murray. Our netball umpires Linda Lewis, Holly Lewis and Hannah Morrell were community volunteers with no children in junior sport - amazing community spirit in giving up your time on the day. Thank you so much as without umpires, we have no games.
- All of the parents and grandparents who volunteered their time at any stage during the day, thank you so much.
- Shire of Beverley for our wonderful facilities. As always they were in top condition. Also to Beverley DHS for allowing netball to be played on their courts.

WONGAN BUS TRIP

Our senior team traveled to Wongan for Round 5, where they faced off against the Wongan Drifters. Despite the match ending in a loss, the team turned the trip into a lively social event. They dressed up as their designated Lego characters and embarked on a pub crawl across the Wheatbelt region, creating unforgettable memories together. A huge thank you goes out to Christine Schilling, who volunteered her time and drove the bus for this event (and dealt with our horrible singing).

WOMEN'S COUNTRY WEEK

Congratulations to some of our Beverley girls who represented Avon during Women's Country Week 2024.

Beverley Badminton Club.

What a great weekend for the Beverley Badminton Club. Twelve members attended Badminton Country Week, nine players and three cheerleaders. Everyone played superbly, Maurice and Jim were runners up in the men's over 60s group, well done guys. Chris and Di were runners up in the women's over 60s group, fantastic job ladies. The other Country clubs were very excited that Beverley was being represented, so much so that we have been invited to play in Albany in the Albany Badminton Tournament in August. Also to go and play in Jurien Bay in the near future, how exciting.
