SHIRE OF BEVERLEY PRESIDENT'S REPORT

Regional Precincts and Partnership Program (“rPPP”)

As reported earlier, there are two stages for this program. Stream 1 is for Grants to enable parties to pay for planning. Ranging from \$500,000 to \$5 million. Stream 2 is for Grants to assist in construction of the planned projects. Ranging from \$5 million to \$50 million. The Shire had applied under Stream 2 for funds for the swimming pool redevelopment and that was lodged in February 2024. Recent notification was received that that application was unsuccessful. Unfortunately, it means that the Shire is not able to carry out the plan for the complete redevelopment of the area. Lesser work will now be carried out.

Swimming Pool Redevelopment

The Shire had previously been notified of a successful grant not related to rPPP for this work but it fell far short of all that is required to redevelop the swimming pool precinct as planned some years ago.

Having missed out on Stream 2 as discussed above, the Shire does have sufficient funds to undertake some of the more urgent work to maintain and improve the pool. Work that will be carried out includes: new pump house and plumbing, new ramp and stair access, new children’s and learner’s pool, a new lining for the bowl, and some landscaping. This work is scheduled to commence in April and be concluded by the end of October 2025.

Bridges within the Shire

Work is well underway on the construction of the new bridge on the York Williams Road. It is progressing with the installation of the two abutment footings. There was an issue with foundation material at abutment two on the south side but this has now been resolved. Widening of the road to line up with the new bridge has also begun.

The Bremner Road bridge is another story. The bureaucratic delays are becoming a nightmare for the Shire with delay upon delay. An initial meeting with Main Roads was held on-site on **16th November 2023**. Work that was supposed to commence on 22nd January 2025 is still awaiting the appointment of the observers to monitor the work. The contractors have already lodged a financial claim for their costs in this delay.

Electric Vehicle Dual Fast Charging Station

With the construction of the Cornerstone Building, provision was allowed for the installation of a charging station for electric vehicles. It is pleasing to report that the station is now installed and should be operational by early March.

In Brief

- The steel mesh grill under the water in the Vincent Street fountain has rusted out and has now been replaced.
- Westdale Road/York-Williams Road intersection has had Hotmix laid while the north leg on the York Williams Road has been extended all to allow for the heavy vehicles carting through to the Great Southern Highway.
- Proposed Retirement Village – 18 (Lot 4) Hunt Road. The Initial Public Notification (Planning Advertising) concluded on the 6th December 2024 – a number of submissions were received, including some objections. A formal planning application is yet to be considered by Council.
- Nurses’ Old Quarters. Laura Gray (Heritage Consultant) was formally appointed to do a Heritage Assessment as per the provisions of the *Government Heritage Disposal Process*. A site visit is scheduled for 20 February 2025.
- Shire Depot - CCTV Install. The installation by Redfish of CCTV at the Shire Depot is scheduled for 24 – 26 February 2025.

MEGA SPLASH

BEVERLEY

FRIDAY

7 March 3pm - 6pm

Large inflatables with FREE ice cream, popcorn, fairy floss, and sausage sizzles for every single pool entrant.

Main Roads Roadworks

York Williams Road – Road Closure 13 January to June 2025 - Bridge 3197 Replacement

York Williams Road will be closed for a bridge replacement between 13 January and June 2025. Bridge 3197 is approximately 11 kms from the Great Southern Highway just south of Beverley. The new bridge will have two traffic lanes unlike the old bridge which is a single lane bridge.

Great Southern Highway – Road Rehabilitation and Shoulder Sealing – Beverley to Brookton

Shoulder sealing and road rehabilitation on Great Southern Highway between Beverley and Brookton is progressing well and is due for completion by the end of January 2025.

We appreciate the patience shown by road users to enable a safe work site.

Timber bridge 311 (near Smart Road) is also due for replacement and the road will be realigned 2 kilometres either side of the bridge. This will be done at a future time.

Great Southern Highway – Shoulder Sealing – York to Beverley

Culvert extensions are currently underway between Young Road and Beverley and scheduled for completion mid-November 2024. Shoulder sealing will shortly commence in January 2025 until May 2025.

There will be lane closures and speed restrictions in place, so please allow extra travel time.

Should you have any enquiries, please contact Main Roads via our website www.mainroads.wa.gov.au or by phone on 138 138.

Beverley Community Garden

The community garden has been running smoothly with the Assistance of active club members and volunteers. Early morning starts ensured the gardens were tended to regularly through the relentless high temperatures over the last few weeks.

The garden has been producing a healthy amount of produce including passionfruit, corn, tomatoes and grapes. The newly erected arbor and trellis along with the planting of some new grape vines, will hopefully provide us with a shady canopy for next summers morning teas and meetings.

Opening to the public on Tuesday and Saturday mornings the garden has enjoyed the attendance of many visitors and a good amount of \$10 baskets have been filled.

We invite the community and visitors of Beverley to come stroll through the garden, fill a basket and join us for morning tea on these mornings.

We would love to meet you and show you around, so come on over and enjoy a good chat around the new community table that has been skillfully crafted by Community garden member Murray from the wood of an old shearing shed donated by Brett Shaw.

We welcome donations to the garden which can be dropped off on Tuesday or Saturday mornings or phone Beth on 0400 569 971 to arrange collection.

The garden is also accepting donations of recyclable cans, plastic bottles and glass bottles with the 10C refund stamp. You can drop your recyclables at the garden or call to arrange for a pick up.

This month's donations:

Wendy Freshly baked Scones and cakes for morning tea

Cliff Bales of hay for garden Mulching

The Beverley Community Garden relies on the community involvement to be able to provide a relaxing, nourishing, informative, friendly environment and sincerely gives thanks to those who provide their time, donations and support.

For those who wish to attend, we will be holding the 1st of 6 bimonthly meetings of 2025 on Tuesday 11th March at 10:00am.

ARE YOU READY TO STEP INTO VOLUNTEERING?

We are looking for Volunteers.

Beverley Health Service

1 Sewell Street, Beverley WA 6304

*Do you have spare time?
Do you enjoy helping others?*

Volunteering offers many incredible benefits and opportunities. Volunteers create, support, and sustain organisations delivering services and activities that are essential to our communities.

We require volunteers, so please do not hold back, contact the Beverley Health Service on 9646 3200 if you wish to volunteer regarding meals on wheels and other ongoing transportation.

Make a difference to the lives of others - Give something back - Help others less fortunate - Feel valued and part of a team - Meet new people and make new friends.

Volunteering gives you the opportunity to become an active member of your community, while helping others and yourself.

Volunteers are the backbone of Western Australian society.

When we consider the benefits gained from volunteering, we are all winners – the impact has a ripple affect starting with the volunteer, the organisation, service and/or people benefitting from the volunteer and the impact this has on our community.

WESCARPADE 2025

Thomas the Tank - WesCarpade would like to thank everyone who supported us in 2024!! Team Thomas managed to contribute \$7815 towards Camp Quality's 2024 WesCarpade fundraising total of \$250,000.

In 2025, we're taking an epic journey starting in the picturesque town of Narrogin on 12th September, cruising through the stunning Goldfields region with a layday in Kalgoorlie, before winding up in York on 20th September.

But rumor has it on Saturday 20th Of September the WesCarpade Vehicles will be travelling thru Beverley (T.B.C). This year we have over 30 cars participating

2025 marks 15 years of fundraising for Camp Quality with over \$3.5 Million raised in that time. The WesCarpade cars have travelled over 45,000km, visited over 150 towns with over 200 participants raising much needed funds in over 50 themed cars.

Once again you will find us at the Community Markets at the town Hall and running a sausage sizzle on election day.

NATIONAL PANDA DAY

MARCH 16, 2025

St John

Beverley

Beverley St John Ambulance

MARCH 2025

First off this month, we have a First Aid Course being held at the Sub Centre on Saturday 15th March from 8.30am to 4.30pm. Register online for the course. As always our wonderful locals at the sub centre will provide morning tea and a light lunch & afternoon tea. Further information contact Jen at the sub centre on Tuesday or Thursday between the hours of 9am -2pm.

Should your Community Group need an Ambulance to attend any event they are having, please do it through the right channels and contact the Admin Officer at the sub Centre by email or phone to have it organized. Don't ask a volunteer they can't make those decision on their own. For a Crew to attend such an event it would be appreciated at least 14 days' notice more would be better though. As we have so few volunteers to attend such events, they need time to organize their time too.

Each month I say how great the small group of Volunteers are be it Crew or Committee, but this month, we as a group think we should praise our wonderful, caring Hospital Staff. They are a bonza group of nurses, always greet us with a smile and often some cheek which makes patients smile as well and puts all at ease. It is great to have such a wonderful working relationship with these lovely people. As I continually say we are so lucky in the Community to have these people to care for us in time of need. Hats off to our Nursing and hospital staff.

The sub Centre are still hoping that some more people will come forward and Volunteer to join our ranks. Think about it, can you spare a few hours maybe once or twice a week?

The crew are averaging around 15-20 calls per month, some months more some less hence why we are always looking for more Volunteers.

Hopefully the continuous days of hot weather are behind us as we head in to March, but if we do encounter some more hot days please keep yourself well hydrated and wear sunscreen and a wide brim hat if your outside.

Have you checked your First Aid Kit is up to date is there anything that you have used and forgotten to replace? Or do you need a new one altogether? Call in at the Sub Centre and check out the small range that is available or order one to suit your requirement.

Every year, many lives are impacted by deep-vein thrombosis, a condition that, while common, remains largely under the radar for many. Deep-Vein Thrombosis Awareness Month serves as a crucial reminder of the importance of understanding, preventing, and treating DVT.

The Bone Bus is coming to Beverley on Tuesday 4th March 2025.

A referral is required for the scan.

Please call our reception staff to arrange. We can also book you in for the scan at your convenience 😊

The Bone Bus is one of the last remaining bulk billed DEXA services in Australia and we hope you take advantage of this opportunity.

Osteoporosis is a common condition affecting the bones of both men and women. The test takes up to 2 minutes and you remain fully clothed during the scan. As you get older your risk of osteoporosis increases; act now to improve your bone health.

What is Osteoporosis?

- Broken bones due to osteoporosis are also known as fragility fractures. For people with osteoporosis, even a minor trip or fall can cause fracture
- Any bone can be affected, but the most common sites are the spine, wrist and hip
- It is often called a “silent disease” because there are usually no symptoms until a fracture occurs.

Care outside normal opening hours

When the Beverley Medical Practice is closed you can always get medical attention by calling – Ready Care 1800 225 523 or calling Health direct on 1800 222 222 or by attending the Beverley District hospital, located in Sewell Street Beverley, where experienced staff will triage the patient and contact the on-call doctor.

BEVERLEY C.W.A

Well at the last meeting of the local branch we held our Annual General Meeting to elect office bearers for the year and the lucky people were:

President – Pat Hambly

Vice-President – Marianne Rohrlach

Secretary – Helen Rohrlach

Treasurer – Wendy Hambly

(And I am sorry to say that the media officer from last year has returned)

So, what have we got planned for the next month, some of you may be asking, well let me tell you.

Firstly, we have our first **Community Morning Tea** which will be held on **Wednesday 12th March at 9.30am** at the C.W.A rooms. So come along and catch up.

Next, are you looking at putting some colour into your garden in the coming months? Well guess what, the ladies are holding a fundraising with **Garden Bulbs and Gifts**. With tulips, Dutch iris, daffodils and also some nice little gifts. So, if you would like to have a look at the catalogue then contact Wendy on 0428 231 500.

So, until next time stay cool, stay safe and most of all enjoy yourselves.

100 Years of Beverley C.W.A

In October 1925, a group of women got together and formed the local branch of the Country Women's Association. Mrs Fisher was elected as our first branch President. Their first objective was to acquire their very own Rest Room.

Mrs Fisher remained the branch president until 1928, when she was elected the second State President.

Mrs Mary Adamson then became our second branch president. She also went on to become the first president of the newly created Western Division.

During Mrs Fisher's State Presidency, the first edition of the C.W.A magazine, The Country Women of Western Australia was published by Mr Holman of Beverley.

In 1936, the branch finally opened their very own rest room, where it stands now.

Beverley Agricultural Museum News

Our Stuart Tank —Part two.

Tom Moore's unit was powered by a Rotary Engine developed for aircraft so running on aviation fuel, according to the 'interweb' some Tanks were also powered by conventional Petrol engines, and later a Diesel engine unit was supplied mostly for the Russian war effort —they were not very popular due to a short supply of Diesel.

As you can see from the photo Tom, made a frame to attach two ploughs and drills, during the first seeding the clutch had to be replaced and the additional weight caused gearbox issues. R Moore's in Perth were approached to supply new gears but they had disposed of their samples so Tom dismantled the gearbox and sent his gears away to be copied, with a cost of 80 pounds for the new set.

The Stuart Tank handled well on the sand plain s and was used for land clearing. Towards the gravel ridge there were some isolated Wandoo and Salmon Gum trees, on one occasion Tom was pushing over a Salmond Gum and up came the roots and hoisted the Tank into the air leaving it teetering free of the ground and balancing on the roots of the tree, Tom recalled that each movement he made caused the Tank to move, such was the pivotal point, his neighbours came to help and the excess branches and roots were cut off allowing the Tank to be pulled off using two Tractors.

As you can imagine with so much weight the Stuart Tank was very thirsty, so as soon as conventional Tractors were availale the Tank was seldom used. Donated to the Beverley Agricultural Macinery Museum in May 1979 together with a new set of Tracks.

Many thanks to Graham Moore for suppling the true story of 'The Tank'.

The Museum is currently closed for cleaning and renovations.

St John Ambulance Australia is offering a new eLearning resource teaching basic first aid skills that can be used in the crucial few minutes post-accident. The online training takes 30 minutes and it is completely free. The interventions taught will create educated drivers who are ready to assist in the event of a road emergency.

EVENT RECAPS

Backyard Science

The January school holidays saw the return of kids workshops, with our first one being, Backyard Science. We watched celery drink & change colour, we created our own clay pots and looked at nature under a microscope. Thank you to everyone who attended.

O-5 STEAM Sessions

February was filled with excitement as we hosted four engaging STEAM sessions for children aged 0-5! With an incredible 22 children registered.

These sessions weren't just about fun—they helped children develop fine and gross motor skills through sensory and imaginative play. They also gave parents and caregivers special bonding moments, filled with interactive activities and simple, low-cost play ideas that can be continued at home.

A huge thank you to all the families who joined us and made these sessions such a blast!

123 Magic & Emotion Coaching

We collaborated with WANSLEA to host the 123 Magic and Emotion Coaching Sessions. Thank you to WANSLEA and those who attended these sessions.

THE LATEST NEWS

Thank you to the State Library of WA

We are grateful to the State Library of Western Australia for supporting our community through the Encouraging Promising Practices 2024-2025 and Technology and Innovation 2024-2025 grants!

With this funding, we're thrilled to bring three inspiring authors to Beverley. Children will have the opportunity to meet celebrated author and illustrator's Deb Fitzpatrick and Kylie Howarth, along with skills sessions. While adults and seniors can enjoy a special event with Rachael Johns in September.

Additionally, thanks to the Tech for Tomorrow project, we're launching a STEM Coding Club with new laptops, ensuring our young learners have access to digital skills and future opportunities. With the support of Creative Bytes, our team will deliver a structured coding curriculum, making technology more accessible for our community.

Thank you to the Shire of Beverley Community Grant

A huge thank you to the Shire of Beverley for supporting Beyond 6304 – Reconnecting Our Senior Community through the Community Grant. This funding made it possible for our seniors to enjoy a lovely visit to Araluen Botanic Park.

We also extend our gratitude to everyone who joined us, in attendance for these events helping make this initiative a success. We look forward to continuing to bring our community together in the future.

- **TUESDAY 25th March Pupil Free Day**

Welcome back for 2025!

Term One Update: A Busy Start and Exciting Times Ahead!

We hope all our students and their families had a relaxing and refreshing break! As we kick off the school year, we are excited to dive into a busy and eventful Term One.

The Faction Swimming Carnival, held on the 26th of February, was a huge success! Despite the heat, all students demonstrated incredible determination, sportsmanship, and SPARK throughout the day. We are so proud of their efforts and can't wait to see how our talented swimmers perform at the Interschool Swimming Carnival on the 27th of March. Be sure to look out for the results!

Our Student Leaders are off to an inspiring start! The Primary Leaders attended the Halogen Leadership Conference on February 19th, and the Secondary Leaders will be at the Youth Leadership Academy Australia on the 7th March.

Important date

Tuesday, 25th March is a **pupil free day**. Students will come to school as normal on Monday 24th March. This pupil free day is to allow our teachers time to train in a new maths program coming to Beverley DHS.

Thanks to our community

The 2024 Beverley DHS Presentation Evening was a resounding success, celebrating the outstanding achievements of our students.

It was a night to honor the dedication and hard work of both students and staff throughout the year.

We recognised staff members who have been with us for over 15 years, bid farewell to our graduating Year 10 students, and took a moment to reflect on the collective effort that made the year exceptional.

The school would like to express our sincere gratitude to all our local community sponsors and individuals who generously donated money, books, and scholarships. Your support enables us to celebrate and honor our students in the best possible way.

Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

It was with great sadness that our membership received the news of our Secretary Bob Green's passing, Bob had been in hospital and palative care for well over half a year only returning to Beverley to attend our recent Christmas get together, our thoughts go out to wife Jenny and the rest of his family.

Bob was a keen member of the 'Shed' who often went beyond his position as secretary, he worked tirelessly for his 'pet project' the monthly raffle, and always encouraged the membership to support each other, often using his time to visit sick members and report their condition accordingly, a kind and caring man who was also known to exert his authority when appropriate, a dedicated member of the Shed, RIP Bob.

At our half yearly meeting our president Peter Cashmore requested we observe a minutes silence to respect Bob's passing before asking the membership that were present for someone to step up and fill the secretarys position, after no one put their hand up, (a case of deadly silence) John Alexander reluctantly agreed to take on the job until the Annual General Meeting providing he received the full support of the membership, John Fricker moved the motion and Peter Cashmore seconded, all present were in favour.

Apologises to all concerned who turned up to buy raffle tickets for our scheduled raffle at the end of January/February 1, it was decided that as a sign of respect to Bob it should not be held. However it is back again on Friday February 28 and the morning of Saturday March 1 at the Lion's Kiosk in town, so shake out the cobwebs in your purses and 'be in it to win it' and support your local Men's Shed, The Royal Flying Doctors Service and your local businesses.

Because of the half yearly meeting our monthly breakfast was postponed until the next week, as you can see our members are given the opportunity of a cooked meal, often members living on their own may not bother with breakfast, but given they are in a group they are more liable to sit at the table together and chat between mouthfuls (hopefully between!), also included in the menu were eggs, onion, tomatoes, toast, bread and hash browns cooked by members of our catering division and all for \$5.00.

A big welcome to new member Eric, (yes we now have two Eric's just to confuse everyone),

who has taken full advantage of the Shed's equipment and 'know how' for one of his projects. Over the past few months member Les, who is conversant with metal working Lathe's has been dusting off the cobwebs on the Shed's Lathe, so he was ecstatic to show off his skills when asked to produce some cylinder head studs for a 1934 Dodge Coupe for Les, who with Thread dies supplied by Kevin cut the 7/16 Unified National Coarse (UNC--old stuff haha) threads, a job far to small to get a firm to do, our local Men helping each other.

By popular demand, from the 8th March the 'Shed' will open from 8am until midday every Saturday (this is additional to our Tuesday get togethers) for the community and visitors to come in for a cuppa and see what we get up to, all are welcome, and if you would like to become a member and take advantage of the Shed's equipment, members experience and knowledge, your only qualifications are to be Male, over 18, have \$44.00 for your subscription and most importantly have respect for others. Want to know more? Ring the acting secretary John on 9646 0768.

'STAYING IN PLACE' IN BEVERLEY

Big changes to the aged care sector

From 1 July 2025, Support At Home will replace the existing Home Care Packages Program and Short-Term Restorative Care (STRC) Programme. The aim of this reform is to help older people live independently at home for longer. Around 1.4 million people in Australia will benefit from the new Support at Home program by 2035.

It will provide:

- more tailored support for older people, with 8 ongoing levels of funding of around \$78,000 per year
- support for home modifications
- fast access to assistive technology, including a new equipment loan scheme.

If you:

- receive a Home Care Package
- are on the National Priority System, or
- approved for a package on 30 June 2025

you will receive a Support at Home budget that aligns to your current package level (or approved level when available). Home care recipients will also keep any Home Care Package unspent funds under the new Support at Home program.

Transitional arrangements in relation to participant contributions will apply for home care recipients, older people who were on the National Priority System and those who had been approved for a package at 12 September 2024. A no worse off principle will apply, with contributions set to ensure these people do not pay higher contributions than they pay in the Home Care Packages Program.

Support at Home will have 8 classifications for ongoing services, replacing the 4 Home Care Package levels. Each classification will have a budget for participants to access services. A new participant's classification and budget will be determined at assessment based on their needs. Existing Home Care Package clients and those waiting on the National Prioritisation System will not be reassessed into one of the new classifications when the new program starts.

**'STAYING IN
PLACE' IN
BEVERLEY**

How will this affect me?

I'm on a Home Care Package, what does this mean for me?

No worse off principle for existing Home Care participants.

Packages

All individuals who have a Home Care Package on 30 June 2025 will maintain the same level of funding and retain any unspent funds under Support at Home. Individuals on the National Priority System or who have been approved for a package as of 30 June 2025 will receive a Support at Home budget equivalent to their approved package level when one becomes available. If these participants have another assessment, and are entitled to a higher level of funding, they will move to the new Support at Home classification when one becomes available.

Contributions

A no worse off principle will apply to the contributions arrangements for people who, on 12 September 2024, were either receiving a package, on the National Priority System, or assessed as eligible for a package. These participants will be no worse off because of the reforms: they make the same contributions, or lower, than they would have had under Home Care arrangements. When these participants move to residential care, they will stay on the existing contribution arrangements unless they opt to move to the new program. Changes to accommodation payments in residential care would still apply to these participants, since accommodation payments are an agreement negotiated between the resident and their provider.

If I'm receiving CHSP services (previously known as HACC), will I be affected?

If you receive services through Commonwealth Home Support Programme (CHSP) there will be no immediate impact. CHSP won't transition to Support at Home until after 1 July 2027. *Latest update from <https://www.myagedcare.gov.au>

If I need help understanding how this reform will affect me, where can I go for more information?

You can visit [myagedcare.com](https://www.myagedcare.com) and click on the Support At Home tab, call My Aged Care on 1800 200 422 or book an appointment at the CRC to chat to our Staying in Place coordinators.

Ash Wednesday Services – 5th March: 5.30 p.m. at Brookton & 7.30 p.m at Beverley

The **Season of Lent**, the season in preparation for **Easter commences with Ash Wednesday**. The day before, Shrove Tuesday, is better known as **Pancake Tuesday**. You are invited to bring to our services your favourite pancakes to share, before or after the services. What is your preference: pancakes with lemon and sugar, strawberries and cream, or nutella? In mediaeval times during Lent, pretzels made of flour water and salt, and configured as the arms of someone praying, were favoured.

Patronal Festival, St Mary's Church, Beverley and Guildford Grammar School: The Feast of the Annunciation to the Blessed Virgin Mary is the Patronal Festival of St Mary's Church, Beverley and the Chapel of Guildford Grammar School. Services at St Mary's Church in Beverley, St Mark's Church in Brookton, and St Andrew's Church in Greenhills will celebrate the occasion.

Fifth Sunday Service in March: Avon Valley parishioners will gather at St Mary's Church, Beverley at 10.00 a.m. on Sunday, 30th March to celebrate the Fourth Sunday in Lent, better known as Mothering Sunday. In mediaeval times on Mothering Sunday church goers would visit their "mother" church in Lent - the main church or Cathedral of the area. As such it became an occasion for family reunions and honouring mothers. A special cake called a simnel cake is baked in celebration. A "bring and share" meal will be follow.

Know Your Bible: The "Know your Bible" study group meets at St Mark's Church, Brookton or online on each Wednesday at 10 a.m. For further information contact Sharon (0490 706 804).

Station Gallery Open Hours: 11am – 3pm Thursday, Friday, Saturday, and Sunday

Artists-in-Residence at the Station

February 2025 Artist-in-Residence

Maureen (Mo) Faas was Artist in Residence from the second half of January to mid-February and loved her stay at the station albeit fairly quiet due to the usual fewer visitors during January and February.

March 2025 Artists-in-Residence

Lorraine Pichugin (above centre, with her husband John and Marylou Hutchinson) at the Station Gallery for the opening of her exhibition "Beverley in Black and White". Lorraine, as artist in resident from 20 February - 04 March, is conducting a workshop on **Sunday 02 March** from 1pm to 4pm on *Working with Charcoal* at a cost of \$65 with all materials supplied.

Bridget Chappell joins us at the Station from 05 – 18 March. Bridget is a stained-glass artist, writer and musician from the east coast. She is excited to use her time in Beverley to create a new body of leadlight work and to share her practice with the community. She focuses on making small and playful pieces that don't rely on architectural framing to invoke the childlike wonder of sunlight through coloured glass. She invites the community to drop in on her studio work any time during her residency, and particularly at her **Open Studio on Sunday 16 March**. Gallery open hours, 11.00 - 3.00pm, where anyone can learn how to cut and solder glass, and see and buy any of her work, should they wish to.

Rachel Kooi Lang Beh, aka Rachel Waller, joins us at the Station from March 19 - April 14. Born in Penang, Malaysia, Rachel is an award-winning textile artist turned painter. Since picking up the paint brush in 2020, she has never looked back. Drawing inspiration from her surrounds, and also diving deep

into her senses, lived experiences of a cross-cultural background, Rachel is most at home when painting intuitively, much like she used to as a textile artist.

Jo Rhodes will also be residing at the Station with Rachel. Coming from a family line of milliners and tailors, Jo is a talented maker using locally sourced Alpaca fleeces from locations in the South West of WA. Jo hand processes the fleeces to spin into yarns which are used for knitting, crochet and weaving into bespoke knits and accessories. The hand processed fleeces are also used in the making of Jo's signature, sought after range of hand felted hats.

During the residency there will be spinning, weaving and tapestry weaving demonstrations using a variety of fibres and materials. Jo will also have her rigid heddle loom warped up for people to "have a go", and some little card looms for visitors to do a tiny woven tapestry that they can take home.

WORKSHOP: Rachel and Jo have not finalized details for a workshop at this stage but will happily organise something along the way.

Additional information will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511.

Beverley Art Prize & 56th Annual Exhibition

Beverley Art Prize & 56th Annual Exhibition forms are out for the big Easter Exhibition **Thurs 17 April – Sun 27 April 2025**. (Note that the exhibition will run for a trial this year of **10 days!**) We will of course be asking for volunteers to man the exhibition, so if you have a few hours to give during that time it would be most appreciated.

The town's renowned 2D media art show includes the Beverley Art Prize valued at \$5,000. Total prize pool of \$14,000 includes six sections with prizes of \$1,000 each. Age categories for children - Under 5 years, 5 to 7 years, 8 to 11 years, and 12 to 15 years. Artists aged 16 and above will exhibit in Sections 1 to 8 and will be eligible for the Young Artist Award.

Entries close March 28. Anyone wishing to enter works of art into Easter Art Exhibition can do so via our new entry system at beverleystationarts.com For online entries follow the prompts under Beverley Art Prize. For further information contact Exhibition Secretary: beverley.art.exhibition@gmail.com or Jenny Broun: admin@beverleystationarts.com Also, anyone wishing to sponsor this important annual event please make contact.

Beverley Plein Air Weekend & Exhibition

Plein Air Beverley 04,05,06 April - a participation event, which is self-directed...i.e., you are responsible for your own art materials and equipment, catering, transport, accommodation and managing your own risks. This 2-day format will be capped at 50 painters, and there are 40 booked so far! So, if you are keen to join the fun of painting outdoors in and around our beautiful Beverley, simply send your name, email and phone number to pleinair.beverley.wa@gmail.com A modest entry cost of \$20 per artist covers meet and greet on Friday at the Station Gallery and access to Avondale farm on Sunday. More info on BSA website.

PERFORMING ARTS

Looking for something different to do in 2025? Could you give Elvis a run for his money when singing in the shower? BeSaSSy is back with a fresh look and a new name. Under the direction of talented Kellie Shaw, the Station Singers are back singing with some new members but there's always room for more! Our weekly sessions are free and full of fun, so come along and be a part of our community choir. Everyone is welcome.

We meet every **Tuesday** in the **Green Room** at the Platform Theatre [to the left of the stage] from **6.00pm – 7:30pm**. Please feel free to come along and see if you like it - no obligations. All we ask is that you become a member of the Beverley Station Arts if you decide to stay (\$30/year).

BEVERLEY HISTORICAL SOCIETY presents
Bill Whitney 1944 – 2024

William Harold Whitney was born at home in Farnborough, Kent, England on 23 November 1944. He was the eldest child born to Harold, a London bus driver, and Phoebe, a government civil servant. Four years later his brother, Robert, was born.

Christmas c 1950

Bill and his family emigrated to Western Australia in 1956. They lived at Armadale first before buying a home in Gosnells. Bill went to Armadale primary and high schools before leaving to take up an apprenticeship as a carpenter with the railways. He was soon fed up with repairing chairs

and fly-screen doors and left to work with a contractor building pig bins around the wheatbelt. Being a good worker, he was asked, and accepted, work on the bins themselves. About 1963 he was in charge of the wheatbin at Moorine Rock.

It was from here that he enlisted in the regular army and signed on for six years. He was assigned to three different regiments in that time: 4RAR, 2RAR & 9RAR. He saw overseas service in Malaya and Borneo, and did two tours in South Vietnam.

In Gumbang, Borneo near Malay/Indonesia border

"Love to have a beer with Billy, coz Billy's me mate"

On discharge from the military in 1969 he worked on mine sites in the Pilbara, WA, and the Gove Peninsular, Northern Territory.

In 1973 Bill married Morag at the Registry Office in St Georges Tce, Perth. After a couple of years renting in South Perth & Como, they bought a home in Kelmescott.

*(Wedding Day 2 February 1973
Supreme Court Gardens*

There was great need for bricklayers in the early 1970s so Bill gained a bricklaying certificate & worked on new houses for several years. After a while he got into Refractory Bricklaying, a precise bricklaying skill required for lining or re-lining furnaces. This took him to manufacturing centres in Whyalla, SA, Gladstone, Qld & local sites such as Worsley near Collie & the Perth Mint.

This work took a toll on his back which had been injured during his military service. The Army had recognised the injury from the beginning and after 30 years he was granted a TPI pension. This allowed him to give volunteer time to football. He became increasingly involved with the Kelmescott Football Club taking on various positions in the club. He was awarded Life Membership for his services in 1999.

In the meantime, Morag was appointed to Marvel Loch Primary School & they moved into this rural area near Southern Cross for 2½ years. This was the catalyst for a move out of the metro area. They bought a house in Beverley in 1999 and moved in in the year 2000.

About this time, as his fellow Army mates were retiring, Bill & Morag were able to travel all over Australia attending various Army Reunions from Bunbury to Townsville. He even got back to Vietnam while on a cruise in early 2019.

At Nui Dat, the former Australian base in Vietnam 2019

Bill loved Beverley. He joined in where he could and made new friends. He was a member of the RSL & always attended ANZAC Day & other remembrance services. He played social bowls & golf while he was able. Of course, he is best remembered for his love of a draught beer & his daily attendance at the pub.

ANZAC Day march Vincent St, Beverley 2019.

Bill was a member of the Beverley Historical Society for a while and the Dead Finish Museum greatly benefitted from his handiwork with repairs, and woodwork projects. Because of his aptitude with numbers, he was the efficient Auditor of the BHS finances from 2013.

At the bottom pub with John & Amanda & top pub with Kylie

Bill became increasingly unwell with various ailments in the last few years. He died at Northam Hospital on 20th November 2024 just 3 days short of his 80th birthday. He is buried in Smith St cemetery.

Beverley Historical Society & Dead Finish Museum Notes

The BHS is gearing up for the 2025 season. The Dead Finish Museum has been closed with all furniture & displays covered with dust sheets for the summer months.

BHS members will remove the covers, dust & clean in the first week of March ready for re-opening the museum to the general public at 11am on Sunday 9th March.

We are seriously in need of some new members to help keep the Museum open each Sunday. At present we have just a handful of members who can do Museum Duty and if anyone is ill or away, we find it difficult to fill the roster. The Dead Finish Museum is an important asset to the town so anyone who can give a few hours once every 4 to 6 weeks to keep the Museum going would be making a valuable contribution to Beverley.

The first general meeting of the Society is on Monday 10th March at 1:30pm in the Dead Finish Museum. New members just turn up.

Alyssa from the CRC wants to do a photo shoot and interview members in order to promote the Society & the Museum on social media. Members are asked to come to the museum before the Monday 10 March meeting at about 1pm.

The Society has already received requests for Group visits to the Museum. The Rover Car Club has booked for March & a group from Dalwallinu is booked for April.

As well, we are receiving requests for historical information. A query about an old well in Dawson Street, & possible recognition of the site, leads to the question of how many wells there were in the town site? We will do some research, so watch this space.

Diary Dates:

Uncover & Clean: Wed-Fri 5, 6 & 7 March

Museum Opening: Sun 9 March 11am-3pm

Museum Photo Shoot: Mon 10 March 1pm

BHS General Meeting: Mon 10 March 1:30pm

Members Lunch: Tues 11 March in York

Rover Car Club: Sun 23 March 11:30am

SWIM EVENTS

We have had a small group of swimmers who have attended swim events in January and February including the Phoenix JX Clinic, Northam Open and Northam Time Trials. The month has not yet finished (as we write these notes) with the the York Open, Quairading Invitational and for the first time in many many years, we have a team attending Country Pennants in Mandurah. Special mention to Jo Copping who has done the hard yards in getting a team organised and registered to attend Country Pennants this year. Thank you to Bec Buglass who has been running extra training sessions for our team. We are so excited for our team who is attending and know they will have so much fun!

We can't wait to share all the fun our swimmers have been getting up to in the next Blarney.

Beverley Horse and Pony Club Tetrathlon!

What a team effort in organising and running our clubs Tetrathlon. Saturday was the run phase, followed by the swim phase and the day wound up with the laser pistol phase. Sunday involved a blend of show jumping and cross-country phase in the early morning to beat the heat. The winner with most points overall was Florence Wilson and her pony Paddy. A massive thank you to:

- ♥ To the **Shire of Beverley** for the use of the amenities building, beautiful oval and massive support in maintaining and assisting in upgrading our grounds. We could not have run this event with our your support!
- ♥ **Beverley Aquatic Centre** and **Brad Miller** for a stunning pool and looking after our competitors on Saturday.
- ♥ **Sarah Wiese**, our calm and organised Technical Delegate that guided us on this journey.
- ♥ **Bethany Moore**, our creative and dedicated Course Designer that made the dream happen.
- ♥ **Maxwell Family**: Lisa & Family for the Planning, Paperwork and organisation throughout the day.
- ♥ **Elsegood/Halbert Family** for your leadership, organisation and all that you make happen.
- ♥ **Simone Maquire** Our kitchen extraordinaire. Thank you for travelling up from Perth to manage our kitchen. Our judges, official and patrons were all well fed and hydrated.
- ♥ **Steve Mills**: WOW! Where do I start... the ground work. Clean up. Fixing things. Mechanical hours. Jump positioning and pinning down the list goes on. Your many hours are GREATLY APPRECIATED!
- ♥ Our wonderful **Volunteer families** Everyone pitched in and did their bit to make the grounds look wonderful for our tet. We have an AMAZING team this year who just get in and get the jobs done. Thanks to you all. Many hands make light work.

To our fantastic sponsors THANK YOU:

Hutton & Northey Sales

Avon Valley Ag

Heartland Veterinary Hospital

Heiniger

As you can see from the above list, it takes a huge effort and massive team work to run an equestrian event.

So a massive thank you to everyone who chipped in to make this happen!!

Go Beverley Horse and Pony Club members!

BEVERLEY JUNIOR SPORT

JUNIOR CRICKET

Our Junior Cricket Season for 2024/2025 has come to a close. We had a massive 31 registered players with 14 who played games. We once again ran the popular Cricket Blast program for our younger cricketers and had a team of eager juniors who played games against Brookton and Quairading.

Huge thank you to Jo Copping for coordinating junior cricket as it wouldn't have happened without you. Jo volunteered her time in making sure the Beverley kids had the opportunity to play junior cricket in Beverley and organised games with the surrounding towns.

Roger Tonkin, Charlie Horrocks and Nixon Higgins for umpiring the junior games.

Skye Carlshausen, Amy Tasker, Kathryn Horrocks and Jen Murray for scoring these games.

We also had three lucky cricketers, Edward Hanson, Patrick Murray and Zac Smith be part of the On Ground Experience at Optus Stadium at the Perth Scorchers vs Melbourne Renegades in January.

2025 WINTER SPORTS INFORMATION

Information regarding winter sports will become available in April. Dates of training/games/carnivals and registration links are still being organised.

Beverley Lawn Tennis Club

A Busy Month Ahead!

We have a busy month ahead for our club, with three major Championship Events scheduled. If you're not participating, we encourage you to come down and watch. Please see the dates for these events below.

Our Annual Easter Tennis Tournament is fast approaching, and significant preparations are underway at the club to ensure we are ready for this prestigious event in WA. Our main **Busy Bee** is scheduled for **Sunday, 13th April**, with the exact time to be confirmed. Please mark this date in your calendars and contribute wherever possible. Many hands make light work, and we truly appreciate your support.

Additionally, the committee would like to extend our sincere thanks to Brett Shaw, Chad Vandenberg, Sandy Shaw and Keith Murray for their hard work pouring extra water onto the courts. The countless hours they have devoted to the club has not gone unnoticed – thank you!

WHAT'S ON OVER EASTER
Family friendly Easter Tennis Tournament
